(c) prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for a period ending when all of the securities covered by such registration statement have been disposed of in accordance with the intended methods of distribution by the sellers thereof set forth in such registration statement (but not in any event before the expiration of any longer period required under the Securities Act or, if such registration statement relates to an underwritten Public Offering, such longer period as in the opinion of counsel for the underwriters a prospectus is required by law to be delivered in connection with sale of Registrable Securities by an underwriter or dealer) and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement during such period in accordance with the intended methods of disposition by the sellers thereof set forth in such registration statement;

(d) furnish to each seller of Registrable Securities thereunder such number of copies of such registration statement, each amendment and supplement thereto, the prospectus included in such registration statement (including each preliminary prospectus), each Free-Writing Prospectus and such other documents as such seller may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such seller;

(f) use its reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as the lead underwriter or the Applicable Approving Party reasonably requests and do any and all other acts and things which may be reasonably necessary or advisable to enable such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller (provided that Pubco shall not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 4(f), (ii) consent to general service of process in any such jurisdiction or (iii) subject itself to taxation in any such jurisdiction);

(g) promptly notify in writing each seller of such Registrable Securities (i) after it receives notice thereof, of the date and time when such registration statement and each post-effective amendment thereto has become effective or a prospectus or supplement to any prospectus relating to a registration statement has been filed and when any registration or qualification has become effective under a state securities or blue sky law or any exemption thereunder has been obtained, (ii) after receipt thereof, of any request by the Commission for the amendment or supplementing of such registration statement or prospectus or for additional information, and (iii) at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event as a result of which the prospectus included in such registration statement contains an untrue statement of a material fact or omits any fact necessary to make the statements therein not misleading, and, at the request of any such seller, Pubco promptly shall prepare, file with the Commission and furnish to each such seller a reasonable number of copies of a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading;

(h) cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by Pubco are then listed and, if not so listed, to be listed on a securities exchange and, without limiting the generality of the foregoing, to arrange for at least two market makers to register as such with respect to such Registrable Securities with FINRA;

(i) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such registration statement;

(j) enter into and perform such customary agreements (including underwriting agreements in customary form) and take all such other actions as the Applicable Approving Party or the underwriters, if any, reasonably

request in order to expedite or facilitate the disposition of such Registrable Securities (including, without limitation, effecting a stock split or a combination of shares and preparing for and participating in such number of "road shows", investor presentations and marketing events as the underwriters managing such offering may reasonably request);

(k) make available for inspection by any seller of Registrable Securities, any underwriter participating in any disposition pursuant to such registration statement and any attorney, accountant or other agent retained by any such seller or underwriter, all financial and other records, pertinent corporate and business documents and properties of Pubco as shall be necessary to enable them to exercise their due diligence responsibility, and cause Pubco's officers, managers, directors, employees, agents, representatives and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such registration statement;

(l) take all reasonable actions to ensure that any Free-Writing Prospectus utilized in connection with any Demand Registration (including any Shelf Registration) or Piggyback Registration hereunder complies in all material respects with the Securities Act, is filed in accordance with the Securities Act to the extent required thereby, is retained in accordance with the Securities Act to the extent required thereby and, when taken together with the related prospectus, shall not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(m) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the Commission;

(n) permit any holder of Registrable Securities who, in its good faith judgment (based on the advice of counsel), could reasonably be expected to be deemed to be an underwriter or a controlling Person of Pubco to participate in the preparation of such registration or comparable statement and to require the insertion therein of material furnished to Pubco in writing, which in the reasonable judgment of such holder and its counsel should be included;

(o) in the event of the issuance of any stop order suspending the effectiveness of a registration statement, or of any order suspending or preventing the use of any related prospectus or suspending the qualification of any Common Stock included in such registration statement for sale in any jurisdiction, Pubco shall use its reasonable best efforts promptly to obtain the withdrawal of such order;

(p) use its reasonable best efforts to cause such Registrable Securities covered by such registration statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the sellers thereof to consummate the disposition of such Registrable Securities;

(q) cooperate with the holders of Registrable Securities covered by the registration statement and the managing underwriter or agent, if any, to facilitate the timely preparation and delivery of certificates (not bearing any restrictive legends) representing securities to be sold under the registration statement and enable such securities to be in such denominations and registered in such names as the managing underwriter, or agent, if any, or such holders may request;

(r) cooperate with each holder of Registrable Securities covered by the registration statement and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA;

(s) if such registration includes an underwritten public offering, use its reasonable best efforts to obtain a cold comfort letter from Pubco's independent public accountants and addressed to the underwriters, in customary form and covering such matters of the type customarily covered by cold comfort letters as the underwriters in such registration reasonably request;

(t) provide a legal opinion of Pubco's outside counsel, dated the effective date of such registration statement (and, if such registration includes an underwritten Public Offering, dated the date of the closing under the underwriting agreement), with respect to the registration statement, each amendment and supplement thereto, the prospectus included therein (including the preliminary prospectus) and such other documents relating thereto in customary form and covering such matters of the type customarily covered by legal opinions of such nature, which opinion shall be addressed to the underwriters;

(u) if Pubco files an Automatic Shelf Registration Statement covering any Registrable Securities, use its reasonable best efforts to remain a WKSI (and not become an ineligible issuer (as defined in Rule 405)) during the period during which such Automatic Shelf Registration Statement is required to remain effective;

(v) if Pubco does not pay the filing fee covering the Registrable Securities at the time an Automatic Shelf Registration Statement is filed, pay such fee at such time or times as the Registrable Securities are to be sold; and

(w) subject to the terms of Section 2(c) and Section 2(d), if an Automatic Shelf Registration Statement has been outstanding for at least three (3) years, at the end of the third year, refile a new Automatic Shelf Registration Statement covering the Registrable Securities, and, if at any time when Pubco is required to re-evaluate its WKSI status Pubco determines that it is not a WKSI, use its reasonable best efforts to refile the registration statement on Form S-3 and keep such registration statement effective (including by filing a new Resale Shelf Registration or Shelf Registration, if necessary) during the period throughout which such registration statement is required to be kept effective.

6. Termination of Rights. Notwithstanding anything contained herein to the contrary, the right of any Holder to include Registrable Securities in any Demand Registration or any Piggyback Registration shall terminate on such date that such Holder may sell all of the Registrable Securities owned by such Holder pursuant to Rule 144 of the Securities Act without any restrictions as to volume or the manner of sale or otherwise; provided, however, that with respect to any Holder whose rights have terminated pursuant to this Section 6, if following such a termination, such Holder loses the ability to sell all of its Registrable Securities pursuant to Rule 144 of the Securities Act without any restrictions as to volume or the manner of sale or otherwise due to a change in interpretive guidance by the Commission, then such Holder's right to include Registrable Securities in any Demand Registration or any Piggyback Registration shall be reinstated until such time as the Holder is once again able to sell all of its Registrable Securities pursuant to Rule 144 of the Securities Act without any restrictions as to volume or the manner of sale or otherwise; provided, further, that if after such termination, a Holder is issued Deferred Shares in accordance with the terms of the BCA, such Deferred Shares shall be treated as Registrable Securities under this Agreement and such Holder shall be entitled to all of the rights under this Agreement with respect to such Deferred Shares.

7. Registration Expenses.

(a) All expenses incident to Pubco's performance of or compliance with this Agreement, including, without limitation, all registration, qualification and filing fees, listing fees, fees and expenses of compliance with securities or blue sky laws, stock exchange rules and filings, printing expenses, messenger and delivery expenses, fees and disbursements of custodians, and fees and disbursements of counsel for Pubco and all independent certified public accountants, underwriters (excluding underwriting discounts and commissions) and other Persons retained by Pubco (all such expenses being herein called "Registration Expenses"), shall be borne by Pubco as provided in this Agreement and, for the avoidance of doubt, Pubco also shall pay all of its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit or quarterly review, and the expenses and fees for listing the securities to be registered on each securities exchange on which similar securities issued by Pubco are then listed. Each Person that sells securities pursuant to a Demand Registration, a Takedown Demand or Piggyback Registration hereunder shall bear and pay all underwriting discounts and commissions and transfer taxes applicable to the securities sold for such Person's account.

(b) Pubco shall reimburse the holders of Registrable Securities included in such registration for the reasonable fees and disbursements of one counsel and one local counsel (if necessary) chosen by the Applicable Approving Party for the purpose of rendering a legal opinion on behalf of such holders in connection with any underwritten Demand Registration, takedown offering or Piggyback Registration.

(c) To the extent Registration Expenses are not required to be paid by Pubco, each holder of securities included in any registration hereunder shall pay those Registration Expenses allocable to the registration of such holder's securities so included, and any Registration Expenses not so allocable shall be borne by all sellers of securities included in such registration in proportion to the aggregate selling price of the securities to be so registered.

8. Indemnification.

(a) Pubco agrees to (i) indemnify and hold harmless, to the fullest extent permitted by law, each Holder and their respective officers, directors, members, partners, agents, affiliates and employees and each Person who controls such Holder (within the meaning of the Securities Act or the Exchange Act) against all losses, claims, actions, damages, liabilities and expenses caused by (A) any untrue or alleged untrue statement of material fact contained in any registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or (B) any violation or alleged violation by Pubco of the Securities Act or any other similar federal or state securities laws or any rule or regulation promulgated thereunder applicable to Pubco and relating to action or inaction required of Pubco in connection with any such registration, qualification or compliance, and (ii) pay to each Holder and their respective officers, directors, members, partners, agents, affiliates and employees and each Person who controls such Holder (within the meaning of the Securities Act or the Exchange Act), as incurred, any legal and any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, except insofar as the same are caused by or contained in any information furnished in writing to Pubco or any managing underwriter by such Holder expressly for use therein; provided, however, that the indemnity agreement contained in this Section 9 shall not apply to amounts paid in settlement of any such claim, loss, damage, liability or action if such settlement is effected without the consent of Pubco (which consent shall not be unreasonably withheld, conditioned or delayed), nor shall Pubco be liable in any such case for any such claim, loss, damage, liability or action to the extent that it solely arises out of or is based upon an untrue statement of any material fact contained in the registration statement or omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent that such untrue statement or alleged untrue statement or omission or alleged omission was made in the registration statement, in reliance upon and in conformity with written information furnished by such Holder expressly for use in connection with such registration statement. In connection with an underwritten offering, Pubco shall indemnify any underwriters or deemed underwriters, their officers and directors and each Person who controls such underwriters (within the meaning of the Securities Act or the Exchange Act) to the same extent as provided above with respect to the indemnification of the holders of Registrable Securities.

(b) In connection with any registration statement in which a holder of Registrable Securities is participating, each such holder shall furnish to Pubco in writing such information as Pubco reasonably requests for use in connection with any such registration statement or prospectus and, to the extent permitted by law, shall indemnify Pubco, its officers, directors, employees, agents and representatives and each Person who controls Pubco (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses resulting from any untrue or alleged untrue statement of material fact contained in the registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information so furnished in writing by such holder; provided that the obligation to indemnify shall be individual, not joint and several, for each holder and shall be limited to the net amount of proceeds actually received by such holder from the sale of Registrable Securities pursuant to such registration statement.

(c) Any Person entitled to indemnification hereunder shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any Person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, conditioned or delayed). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (as well as one local counsel) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. In such instance, the conflicted indemnified parties shall have a right to retain one separate counsel, chosen by the holders of a majority of the Registrable Securities included in the registration, at the expense of the indemnifying party. No indemnifying party, in the defense of such claim or litigation, shall, except with the consent of each indemnified party, consent to the entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(d) Each party hereto agrees that, if for any reason the indemnification provisions contemplated bySections 8(a) or 8(b) are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to therein, then each indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the actions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, relates to information supplied by such indemnifying party or indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if contribution pursuant to this Section 8(d) were determined by pro rata allocation (even if the holders or any underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or, except as provided in Section 8(c), defending any such action or claim. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The sellers' obligations in this Section 8(d) to contribute shall be several in proportion to the amount of securities registered by them and not joint and shall be limited to an amount equal to the net proceeds actually received by such seller from the sale of Registrable Securities effected pursuant to such registration.

(e) The indemnification and contribution provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling Person of such indemnified party and shall survive the transfer of Registrable Securities and the termination or expiration of this Agreement.

9. Participation in Underwritten Registrations. No Person may participate in any registration hereunder which is underwritten unless such Person (a) agrees to sell such Person's securities on the basis provided in any

underwriting arrangements approved by the Person or Persons entitled hereunder to approve such arrangements (including, without limitation, pursuant to any over-allotment or "green shoe" option requested by the underwriters; provided that no holder of Registrable Securities shall be required to sell more than the number of Registrable Securities such holder has requested to include) and (b) completes and executes all questionnaires, powers of attorney, custody agreements, stock powers, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements; provided that no holder of Registrable Securities included in any underwritten registration shall be required to make any representations or warranties to Pubco or the underwriters (other than representations and warranties regarding such holder, such holder's title to the securities, such Person's authority to sell such securities and such holder's intended method of distribution) or to undertake any indemnification obligations to Pubco or the underwriters with respect thereto that are materially more burdensome than those provided in Section 8. Each holder of Registrable Securities shall execute and deliver such other agreements as may be reasonably requested by Pubco and the lead managing underwriter(s) that are consistent with such holder's obligations under Section 4, Section 5 and this Section 9 or that are necessary to give further effect thereto. To the extent that any such agreement is entered into pursuant to, and consistent with, Section 4 and this Section 9, the respective rights and obligations created under such agreement shall supersede the respective rights and obligations of the holders, Pubco and the underwriters created pursuant to this Section 9.

10. Other Agreements; Certain Limitations on Registration Rights.

(a) Pubco shall file all reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the Commission thereunder and shall take such further action as the Holders may reasonably request, all to the extent required to enable such Persons to sell securities pursuant to (a) Rule 144 adopted by the Commission under the Securities Act (as such rule may be amended from time to time) or any similar rule or regulation hereafter adopted by the Commission or (b) a registration statement on Form S-3 or any similar registration form hereafter adopted by the Commission. Upon request, Pubco shall deliver to the Holders a written statement as to whether it has complied with such requirements. Pubco shall at all times use its reasonable best efforts to cause the securities so registered to continue to be listed on one or more of the New York Stock Exchange, the New York Stock Exchange American and the Nasdaq Stock Market. Pubco shall use its best efforts to facilitate and expedite transfers of Registrable Securities pursuant to Rule 144, which efforts shall include timely notice to its transfer agent to expedite such transfers of Registrable Securities and delivery of any opinions requested by the transfer agent.

(b) Notwithstanding anything herein to the contrary, Cantor and Stifel may not exercise their rights underSection 3 hereunder after five (5) and seven (7) years, respectively, after the effective date of the registration statement relating to Haymaker's initial public offering.

11. Lock-Up Provisions.

(a) Each Holder hereby agrees not to, during the period commencing on the Closing Date (as defined in the BCA) and through the earlier of (x) the one hundred and eightieth (180th) day anniversary of the date of the Closing Date and (y) the date after the Closing Date on which Pubco consummates a liquidation, merger, share exchange or other similar transaction with an unaffiliated third party that results in all of the Pubco's stockholders having the right to exchange their equity holdings in Pubco for cash, securities or other property ("Change in Control Transaction") (the "Lock-Up Period"): (i) lend, offer, pledge, hypothecate, encumber, donate, assign, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of any Common Stock (other than (x) any securities convertible or exercisable into Common Stock or (y) any Common Stock issuable upon the conversion or exercise of the securities described in clause (x)) (the "Restricted Securities"), (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Restricted Securities, or (iii) publicly disclose the intention to do any of the foregoing (other than the filing of a registration statement with the Commission which contemplates such a transaction), whether

any such transaction described in clauses (i), (ii) or (iii) above is to be settled by delivery of Restricted Securities or other securities, in cash or otherwise (any of the foregoing described in clauses (i), (ii) or (iii), a "Prohibited Transfer"). The foregoing sentence shall not apply: (a) to the transfer of any or all of the Restricted Securities owned by a Holder by a bona fide gift or charitable contribution; (b) to the transfer of any or all of the Restricted Securities owned by a Holder by will or intestate succession upon the death of such Holder; (c) to the transfer of any or all of the Restricted Securities owned by a Holder to any Permitted Transferee; (d) to the transfer of any or all of the Restricted Securities owned by a Holder pursuant to a court order or settlement agreement related to the distribution of assets in connection with the dissolution of marriage or civil union; (e) to the pledge of the Restricted Securities owned by a Holder to a nationally recognized financial institution to secure a bona fide debt financing and any foreclosure by such financial institution or transfer to such financial institution in lieu of foreclosure; (f) to the transfer of any or all of the Restricted Securities owned by a Holder to Pubco in connection with the repurchase by Pubco from the undersigned of any Restricted Securities pursuant to a repurchase right arising upon the termination of the undersigned's employment or service with Pubco; provided, that such repurchase right is pursuant to contractual agreements with Pubco; (g) to the establishment of a trading plan pursuant to Rule 10b5-1 under the Exchange Act for the transfer of Common Stock; provided, that such plan does not provide for the transfer of Common Stock during the Lock-Up Period; or (h) with respect to voting rights pursuant to the execution and delivery of a support, voting or similar agreement in connection with a Change in Control Transaction that is approved by Pubco's board of directors; provided, however, that in any of cases (a), (b), (c), (d) or (e), it shall be a condition to such transfer that the transferee executes and delivers to Pubco an agreement stating that the transferee is receiving and holding the Restricted Securities subject to the provisions of this Section 11 applicable to such Holder, and there shall be no further transfer of such Restricted Securities except in accordance with this Section 11; and provided further, that in any of the of cases (a), (b) or (c) such transfer or distribution shall not involve a disposition for value. Each Holder further agrees to execute such agreements as may be reasonably requested by Pubco that are consistent with the foregoing or that are necessary to give further effect thereto. For the avoidance of doubt, (i) the provisions of this Section 11(a) shall not apply to shares of Common Stock held by a Holder resulting from purchases in open market transactions prior to and after the date of this Agreement, and (ii) with respect to the GPM Minority Investors (as defined in the BCA) and their Permitted Transferees, the provisions of this Section 11(a) shall only apply to Restricted Securities issued to such GPM Minority Investor as consideration for the consummation of the transactions contemplated by the GPM EPA (as defined in the BCA).

(b) If any Prohibited Transfer is made or attempted contrary to the provisions of this Agreement, such purported Prohibited Transfer shall be null and void ab initio, and Pubco shall refuse to recognize any such purported transferee of the Restricted Securities as one of its equity holders for any purpose. In order to enforce this Section 11(b), Pubco may impose stop-transfer instructions with respect to the Restricted Securities of a Holder (and Permitted Transferees and assigns thereof) until the end of the Lock-Up Period.

(c) During the Lock-Up Period, each certificate or book-entry position evidencing any Restricted Securities shall be marked with a legend in substantially the following form, in addition to any other applicable legends:

> "THE SECURITIES REPRESENTED HEREBY ARE SUBJECT TO RESTRICTIONS ON TRANSFER SET FORTH IN A REGISTRATION RIGHTS AND LOCK-UP AGREEMENT, DATED AS OF [●], 2020, BY AND AMONG THE ISSUER OF SUCH SECURITIES AND THE REGISTERED HOLDER OF THE SHARES. A COPY OF SUCH AGREEMENT WILL BE FURNISHED WITHOUT CHARGE BY THE ISSUER TO THE HOLDER HEREOF UPON WRITTEN REQUEST."

(d) For the avoidance of doubt, each Holder shall retain all of its rights as a shareholder of Pubco with respect to the Restricted Securities during the Lock-Up Period, including the right to vote any Restricted Securities that are entitled to vote. Pubco agrees to (i) instruct its transfer agent to remove the legends in Section 11(c) upon the expiration of the Lock-Up Period and (ii) cause its legal counsel, at Pubco's expense, to

deliver the necessary legal opinions, if any, to the transfer agent in connection with the instruction under subclause (i).

(e) The Private Placement Warrants shall be subject to the restrictions on transfer set forth in Section 2.6 of the Warrant Agreement, dated June 6, 2019, by and between Haymaker and Continental Stock Transfer & Trust Company, as warrant agent (the "Warrant Agreement").

This Agreement and the Warrant Agreement (to the extent applicable to holders of Private Placement Warrants) constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreements, understandings, negotiations and discussions among the parties hereto, written or oral, with respect to the subject matter hereof, including without limitation the Original Agreements.

(c) Remedies. Any Person having rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. The parties hereto agree and acknowledge that money damages would not be an adequate remedy for any breach of the provisions of this Agreement and that, in addition to any other rights and remedies existing in its favor, any party shall be entitled to specific performance and/or other injunctive relief from any court of law or equity of competent jurisdiction (without posting any bond or other security) in order to enforce or prevent violation of the provisions of this Agreement.

(d) Other Registration Rights. Pubco represents and warrants that no person, other than a Holder of Registrable Securities pursuant to this Agreement, has any right to require Pubco to register any securities of Pubco for sale or to include such securities of Pubco in any Registration Statement filed by Pubco for the sale of securities for its own account or for the account of any other person. Further, Pubco represents and warrants that this Agreement supersedes any other registration rights agreement or agreement with similar terms and conditions and in the event of a conflict between any such agreement or agreements and this Agreement, the terms of this Agreement shall prevail.

(e) Termination of Other Agreements. Upon the closing of the transactions contemplated by the BCA, the Original Agreements shall terminate and no longer have any force or effect.

(f) Amendments and Waivers. Except as otherwise provided herein, the provisions of this Agreement may be amended or waived only with the prior written consent of Pubco and each holder that holds at least 3% of the Registrable Securities at such date as any such amendment or waiver is requested; provided, however, that notwithstanding the foregoing, any amendment hereto or waiver hereof that adversely affects one Holder, solely in its capacity as a holder of the shares of capital stock of Pubco, in a manner that is materially different from the other Holders (in such capacity) shall require the consent of the Holder so affected. Any amendment or waiver effected in accordance with this Section 13(f) shall be binding upon each Holder and Pubco. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of such provisions and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

(g) Successors and Assigns; No Third-Party Beneficiaries. This Agreement and the rights, duties and obligations of Pubco hereunder may not be assigned or delegated by Pubco in whole or in part. A Holder may assign or delegate such Holder's rights, duties or obligations under this Agreement, in whole or in part, to (a) a Permitted Transferee of such Holder, (b) direct and/or indirect equity holders of the Sponsor or (c) any person with the prior written consent of Pubco. This Agreement and the provisions hereof shall be binding upon and shall inure to the benefit of each of the parties and its successors and the permitted assigns of the Holders. This Agreement shall not confer any rights or benefits on any persons that are not parties hereto, other than as expressly set forth in this Agreement. No assignment by any party hereto of such party's rights, duties and obligations hereunder shall be binding upon or obligate Pubco unless and until Pubco shall have received (i) written notice of such assignment as provided in this Section 13(g) and (ii) the written agreement of the assignee, in the form attached hereto as Exhibit A, to be bound by the terms and provisions of this Agreement. Any transfer or assignment made other than as provided in this Section 13(g) shall be null and void.

(h) All covenants and agreements in this Agreement by or on behalf of any of the parties hereto shall bind and inure to the benefit of the respective successors and assigns of the parties hereto whether so expressed

or not. In addition, whether or not any express assignment has been made, the provisions of this Agreement which are for the benefit of purchasers or holders of Registrable Securities are also for the benefit of, and enforceable by, any subsequent holder of Registrable Securities.

(i) Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid, illegal or unenforceable in any respect under any applicable law, such provision shall be ineffective only to the extent of such prohibition, invalidity, illegality or unenforceability, without invalidating the remainder of this Agreement.

(j) Counterparts. This Agreement may be executed simultaneously in counterparts, any one of which need not contain the signatures of more than one party, but all such counterparts taken together shall constitute one and the same Agreement. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

(k) Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a part of this Agreement. The use of the word "including" herein shall mean "including without limitation."

(l) Governing Law; Jurisdiction. All issues and questions concerning the construction, validity, enforcement and interpretation of this Agreement and the exhibits and schedules hereto shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. The parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in any Delaware Chancery Court, or if such court does not have subject matter jurisdiction, any court of the United States located in the State of Delaware. Each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court.

(m) Notices. All notices, demands or other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by telecopy or email or by registered or certified mail (postage prepaid, return receipt requested) to each Holder at the address indicated on the Schedule of Holders attached hereto and to Pubco at the address indicated below (or at such other address for a party as shall be specified in a notice given in accordance with this Section 13(m)):

Re: Voting Support and Waiver

Ladies and Gentlemen:

This letter (this "Letter Agreement") is being delivered to you in connection with that certain Business Combination Agreement (the "BCA"), entered into on the date hereof, by and among Haymaker Acquisition Corp. II, a Delaware corporation ("HYAC"), ARKO Corp. ("Parentco"), ARKO Holdings Ltd., a company organized under the Laws of the State of Israel (the "Company"), Punch US Sub, Inc., a Delaware corporation, and Punch Sub Ltd., a company organized under the Laws of the State of Israel, relating to the proposed business combination between the Company and HYAC. Unless otherwise defined herein, capitalized terms are used herein as defined in the BCA.

In order to induce the Company and HYAC to enter into the BCA and to proceed with the consummation of the transactions contemplated by the BCA (the "Transactions"), and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Haymaker Sponsor II LLC (the "Sponsor") hereby agrees as follows:

1. The Sponsor hereby agrees (and agrees to execute such documents or certificates evidencing such agreement as Company or HYAC may reasonably request in connection therewith), at any meeting of the shareholders of HYAC, and in any action by written consent of the shareholders of the HYAC, to vote all of the Sponsor's shares of Haymaker Common Stock (a) in favor of the approval and adoption of the BCA, the Transaction Documents, and the transactions contemplated by the BCA and the Transaction Documents, (b) in favor of any other matter reasonably necessary to the consummation of the transactions contemplated by the BCA and considered and voted upon by the shareholders of HYAC, and (c) against any action, agreement or transaction (other than the BCA or the transactions contemplated thereby) or proposal that would reasonably be expected to (i) prevent or materially delay the transactions contemplated by the BCA or any Transaction Document or (ii) result in the failure of the transactions contemplated by the BCA to be consummated. The Sponsor acknowledges receipt and review of a copy of the BCA.

2. From the date hereof until the earlier of the Closing and the termination of the BCA in accordance with its terms, the Sponsor hereby agrees that it shall not, directly or indirectly, without the prior written consent of the Company (other than the transfer to any of Sponsor's direct or indirect equityholders; provided that such transferee agrees, with respect to the shares of Haymaker Common Stock transferred to it, to be bound by the Sponsor's voting obligation pursuant to Section 1 as if it were a party hereto), (a) sell, assign, transfer (including by operation of law), permit the creation of any lien, pledge, dispose of or otherwise encumber any of its shares of Haymaker Common Stock or otherwise agree to do any of the foregoing, (b) deposit any of its shares of Haymaker Common Stock into a voting trust or enter into a voting agreement or arrangement or grant any proxy or power of attorney with respect thereto that is inconsistent with this Letter Agreement, (c) enter into any contract, option or other arrangement or undertaking with respect to the direct or indirect acquisition or sale,

assignment, transfer (including by operation of law) or other disposition of any of its shares of Haymaker Common Stock, or (d) take any action that would have the effect of preventing or disabling the Sponsor from performing its obligations hereunder.

3. The Sponsor agrees that it shall not, directly or indirectly, including through any Representative, take any action in violation of Section 6.06(b) of the BCA.

4. The Sponsor hereby waives (for itself, for its successors, heirs and assigns and for all holders of Haymaker Class B Common Stock), the provisions of Section 4.3(b)(ii) of the Amended and Restated Certificate of Incorporation of HYAC, dated June 6, 2019, to have the shares of Haymaker Class B Common Stock convert to shares of Haymaker Class A Common Stock at a ratio of greater than one-for-one. The waiver specified in this paragraph 4 shall be applicable only in connection with the Transactions (and any issuances of shares of Haymaker Class A Common Stock, or equity linked securities issued by HYAC, in connection with the Transactions) and shall be void and of no force and effect if the BCA shall be terminated for any reason.

5. The Sponsor hereby agrees that it shall not convert any Sponsor loans to HYAC ("Working Capital Loans") into Working Capital Warrants (as defined in the Haymaker Warrant Instrument). Instead, the Sponsor hereby agrees that any outstanding Working Capital Loans shall be repaid in cash.

6. Each of the Sponsor, Andrew R. Heyer, and Steven J. Heyer (each, a "Specified Holder") hereby agrees, severally and not jointly, to vote, or cause to be voted, either directly or through any trust, limited liability company or other entity formed for estate planning purposes for the direct or indirect benefit of such Specified Holder or the immediate family of such Specified Holder, all shares of Parentco Common Stock owned beneficially or of record by such Specified Holder, or over which such Specified Holder maintains or has voting control, directly or indirectly, at any annual or special meeting of the stockholders of Parentco (including, if applicable, through the execution of one or more written consents if the stockholders of Parentco are requested to act through the execution of written consents), in favor of Arie Kotler in the event that he is a nominee for election to the board of directors of Parentco from the Closing until the seventh anniversary of the Closing. Notwithstanding the foregoing, with respect to each of Andrew R. Heyer and Steven J. Heyer, such Specified Holder's obligations under this Section 6 (if they have not already terminated in accordance with the preceding provisions of this Section 6) shall terminate on the earlier of (a) such Specified Holder's death or (b) first anniversary of the date that such Specified Holder ceases to be a member of the board of directors of Parentco (the "Parentco Board"); provided that, notwithstanding clause (b) of the preceding sentence, if the Extension Conditions are satisfied, Arie Kotler may, by written notice to such Specified Holder after such Specified Holder ceases to be a member of the Parentco Board but prior to the first anniversary of the date that such Specified Holder ceases to be a member of the Parentco Board, extend the obligations of such Specified Holder under this Section 6 until the seventh anniversary of the Closing; provided that any such extension shall terminate if the Extension Conditions cease to be satisfied. "Extension Conditions" means that the Company has an effective shelf registration statement available for use pursuant to which such Specified Holder is permitted to sell his shares of Parentco Common Stock.

7. The Sponsor hereby agrees that, immediately following the First Effective Time, the Sponsor shall automatically be deemed to irrevocably transfer to Parentco, surrender and forfeit for no consideration 1,000,000 shares of Parentco Common Stock and 2,000,000 Parentco Warrants (such shares of Parentco Common Stock and Parentco Warrants, collectively, the "Forfeited Securities") and that from and after such time such Parentco Common Stock and Parentco Warrants shall be deemed to be cancelled and no longer outstanding. The Sponsor hereby acknowledges and agrees that pursuant to the First Merger, at the First Effective Time, the Haymaker Class B Common Stock shall be converted into the right to receive, in the aggregate, (x) 6,000,000 shares of Parentco Common Stock (a portion of which shall be transferred and forfeited in accordance with this Agreement) and (y) 4,000,000 Deferred Shares. The Sponsor further acknowledges and agrees that the terms and conditions of the Founder Deferred Shares (including the restrictions on transfer of any such Deferred Shares

provided therein) are governed by Section 2.08 of the Business Combination Agreement and the Sponsor acknowledges and agrees to be bound by such terms and conditions.

8. This Letter Agreement and the obligations of the Sponsor and each other Specified Holder under this Letter Agreement shall automatically terminate upon the termination of the BCA in accordance with its terms. Upon termination, no party shall have any further obligations or liabilities under this Letter Agreement; provided, however, such termination shall not relieve any party from liability for any willful breach of this Letter Agreement occurring prior to termination.

9. This Letter Agreement and the other Transaction Documents constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all prior agreements and undertakings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof. This Letter Agreement shall not be assigned (whether pursuant to a merger, by operation of Law or otherwise).

10. This Letter Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Letter Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Letter Agreement. Except as otherwise provided herein or in any Transaction Document, all costs and expenses incurred in connection with this Letter Agreement and the transactions contemplated hereby shall be paid by the party incurring such costs and expenses, whether or not the transactions contemplated hereby are consummated.

11. This Letter Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware applicable to contracts executed in and to be performed in that state. All actions and proceedings arising out of or relating to this Letter Agreement shall be heard and determined exclusively in any Delaware Chancery Court, or if such court does not have subject matter jurisdiction, any state or federal court located in the State of Delaware. The parties hereto hereby (a) submit to the exclusive jurisdiction of such courts for the purpose of any Action arising out of or relating to this Letter Agreement brought by any party hereto, and (b) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Letter Agreement or the Transactions may not be enforced in or by any of the above-named courts.

12. Without further consideration, each party shall use commercially reasonable efforts to execute and deliver or cause to be executed and delivered such additional documents and instruments and take all such further action as may be reasonably necessary or desirable to consummate the transactions contemplated by this Letter Agreement.

13. This Letter Agreement may be executed and delivered (including by facsimile or electronic transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

NOW, THEREFORE, in consideration of the mutual covenants, conditions, representations, warranties and agreements contained herein, the Parties agree as follows:

ARTICLE 1
PURCHASE, SALE AND CONTRIBUTION OF EQUITY SECURITIES

Section 1.1 Purchase and Sale. Upon the terms and subject to the conditions of this Agreement, at the Closing (as hereinafter defined), each Seller agrees to contribute, sell and transfer to Buyer, and Buyer agrees to purchase from each Seller such Seller's right, title and interest in and to its Equity Securities.

Section 1.2 Consideration. Buyer and Sellers agree, upon request, to use commercially reasonable efforts to obtain any certificate or other document from any governmental authority or any other person as may be necessary to mitigate, reduce or eliminate any such Transfer Taxes.

Section 1.4 Payment Procedures. Buyer shall make arrangements with the Exchange Agent in accordance with Section 2.2(a) with respect to the payment by the Exchange Agent of the consideration due to each Seller pursuant to Section 1.2. Buyer shall include provisions in the Exchange Agent Agreement to provide for such payments in accordance with Section 2.2(a).

Section 1.5 Contribution. Immediately following the Closing, without any further action on the part of Buyer, Haymaker, or any other person or entity, the Equity Interests purchased at the Closing shall be contributed by Buyer to Haymaker in a transfer intended to be governed by Section 351 of the Code. Buyer and Haymaker shall report the transaction in all Tax Returns consistent with the foregoing and shall take no position contrary to the foregoing in any Tax audit or other Action except to the extent required by a final determination of a taxing authority.

ARTICLE 2
CLOSING

Section 2.1 Closing. Upon the terms and subject to the conditions of this Agreement, the closing of the purchase and sale of all Equity Securities (the "**Closing**", and the date on which the Closing happens, the "**Closing Date**") shall take place at the offices of Greenberg Traurig, LLP, 200 Park Avenue, New York, New York 10166 on the Closing Date (as defined in the BCA). All transactions to be effectuated at the Closing, including but not limited to the transactions contemplated by the BCA, shall be deemed to have taken place simultaneously, and no such transaction shall be deemed to have been completed until all transactions are completed and all documents delivered for each transaction; *provided* that, notwithstanding the foregoing, the contribution pursuant to Section 1.5 shall occur immediately following the Closing.

Section 2.2 Transactions to be Effected at Closing. At Closing, the following shall occur:

(a) Buyer shall instruct the Exchange Agent to issue the shares of Parentco Common Stock due to each Seller pursuant to Section 1.2;

(b) DK Blocker and each Seller (other than DK Blocker Seller) shall deliver to Buyer all certificates representing its Equity Securities in the Company, which Buyer shall deliver to the Company for cancellation and (in the case of the Membership Interests) reissuance to Haymaker;

(c) DK Blocker Seller shall deliver to Buyer evidence reasonably satisfactory to Buyer of the transfer of the Equity Securities of DK Blocker;

(d) each Seller shall deliver to Buyer either (i) an IRS Form W-9 or (ii) an affidavit and certification of non-foreign status complying with the requirements of Section 1446(f) of the Code and Treasury Regulation section 1.1445-2(b)(2)(iv) in form and substance satisfactory to Buyer;

(e) conditioned upon DK Blocker receiving an affidavit and certification from the Company that equity interests in the Company are not U.S. real property interests, complying with the requirements of Sections 1.1445-2(c)(3) and 1.897-2(h) of the Code (a "**US Real Property Certificate**"), DK Blocker shall deliver to Buyer a US Real Property Certificate that the shares of capital stock in DK Blocker are not U.S. real property interests, in form and substance satisfactory to Buyer (and within the time frames required by applicable Treasury Regulations Section 1.897-2(h)(2) DK Blocker shall mail to the Internal Revenue Service the information relating thereto required by such Treasury Regulation);

(g) each Seller shall deliver to Buyer a fully executed counterpart of the Registration Rights Agreement and Lock-Up Agreement;

(h) all Sellers who have the right to designate managers of the Company will deliver the designee's resignation (or cause the removal of the designee from the board of managers of the Company);

(i) Ares shall deliver to Buyer all the Existing Ares Warrants, which Buyer shall deliver to the Company for cancellation;

(j) Buyer shall issue to Ares the New Ares Warrants; and

(k) the Company shall issue to Haymaker one or more certificates representing the Membership Interests acquired by Buyer pursuant to this Agreement and contributed to Haymaker pursuant to Section 1.5.

Section 2.3 Withholding Tax. Buyer shall be entitled to deduct and withhold from the consideration to be paid to each Seller pursuant to this Agreement all U.S. federal income Taxes that Buyer may be required to deduct and withhold under applicable Tax law with respect to making any such payment to such Seller (it being agreed that Buyer shall be permitted to satisfy any Tax withholding requirement with respect to the consideration hereunder by selling or otherwise disposing of a sufficient number of such shares out of the consideration due to such Seller hereunder which will satisfy any deduction or withholding requirements with respect to the consideration hereunder, which may be required under any applicable Law). Buyer shall use commercially reasonable efforts to provide each Seller with reasonable advance notice of it is intention to make such deduction or withholding (except that such notice provisions shall not apply in the event that withholding results from the failure of a Seller or DK Blocker to deliver the forms required to be delivered in Section 2.2(d) or Section 2.2(e)) and shall cooperate in good faith with each applicable Seller to accept properly executed documentation that establishes such Seller's right to a reduction of or relief from such deduction or withholding. To the extent that amounts are so withheld and paid to the appropriate governmental authority, all such withheld amounts shall be treated as having been delivered to the applicable Seller in respect of whom such deduction and withholding was made.

ARTICLE 3
ASSIGNMENT OF RIGHTS AND OBLIGATIONS; JOINDER; CERTAIN ARES PROVISIONS

Section 3.1 Assignment of Rights and Obligations. Each Seller assigns to Buyer, effective upon the Closing, all of such Seller's rights, title and interest (a) in its Equity Securities and (b) under the LLC Agreement and any other Organizational Documents of the Company or DK Blocker, to the extent that such rights pertain to its Equity Securities (including any Capital Contributions and Capital Account associated therewith (as such terms are defined in the LLC Agreement)).

Section 3.2 Joinder. Buyer hereby agrees, effective upon the Closing, to be bound by, and to assume all obligations under, the LLC Agreement, to the extent such obligations pertain to any Membership Interests, in the same manner as if Buyer were an original signatory to the LLC Agreement. If Buyer is not already a party to the LLC Agreement, its signature page to this Agreement shall constitute a counterpart signature page to the LLC Agreement. Buyer and Sellers hereby authorize the Company to update the Register to reflect the transfer of the Equity Securities.

Section 3.3 Certain Ares Provisions.

(a) **Ares Put Right**. Within the 30 day period (the "**Election Period**") following February 28, 2023 (the "**Trigger Date**"), Ares (as defined in the LLC Agreement) shall be entitled to require Buyer to purchase the shares of Parentco Common Stock received by Ares pursuant to this Agreement (the "**Ares Shares**") at the Put Price (as defined below) (such right, the "**Ares Right**"). In the event any such disagreements cannot be resolved within thirty (30) days, such dispute shall be referred to an independent nationally recognized public accounting firm mutually acceptable to Buyer and Sellers, the costs of which shall be borne fifty percent (50%) by Sellers and fifty percent (50%) by Buyer. Buyer and Sellers shall not take any position on any Tax Return or in the course of any Tax audit or other Action inconsistent with the allocation provided in the Allocation Statement, except as required pursuant to a final determination of a Tax authority.

(c) Buyer shall prepare or cause to be prepared all Tax Returns of the Company and its subsidiaries, DK Blocker and GPM Member for periods ending on or before or including the Closing Date, in each case, the due date of which (taking into account extensions of time to file) is after the Closing Date (the "**Buyer Returns**"). Buyer shall submit each such Buyer Return that is an income Tax Return of DK Blocker or GPM Member to DK Blocker Seller at least thirty days prior to the due date (taking into account any extensions) of such Buyer Return for Sellers' review, comment, and approval, which approval shall not be

unreasonably withheld, conditioned or delayed. All Tax Returns prepared under this Section 6.5(c) shall be prepared and filed in a manner consistent with the past procedures and practices and accounting methods of the Company and its subsidiaries, DK Blocker and GPM Member.

(d) With respect to the preparation of any income Tax Return of the Company and any Company subsidiary that is a partnership for U.S. federal income tax purposes for any taxable period that includes the Closing Date, the allocation of items with respect to such income Tax Return shall be prepared using such allocation methods and conventions as are determined by Buyer and are consistent with Treasury Regulations Section 1.706-4.

(e) Buyer shall cause the Company and any Company subsidiary treated on the Closing Date as a partnership for federal income tax purposes to file an election under Section 754 of the Code, to the extent the Company or such Company subsidiary has not already done so, to apply the provisions of Section 743(b) of the Code to adjust the basis of their assets to the extent permitted in connection with the transactions contemplated by this Agreement.

(f) For purposes of this Agreement, (i) "**Code**" shall mean the United States Internal Revenue Code of 1986, as amended, (ii) "**Pre-Closing Tax Period**" means any taxable periods ending on or before or including the Closing Date, (iii) "**Tax**" and "**Taxes**" means all federal, state, local, provincial, foreign and other income, gross receipts, sales, use, production, ad valorem, transfer, franchise, registration, profits, license, lease, service, service use, withholding, payroll, employment, unemployment, estimated, excise, severance, environmental, stamp, occupation, premium, property (real or personal), real property gains, windfall profits, customs, duties or other taxes, fees, assessments or charges of any kind whatsoever, together with any interest, additions or penalties with respect thereto and any interest in respect of such additions or penalties and (iv) "**Tax Return**" shall mean any return, declaration, report, claim for refund or information return or statement of any kind relating to Taxes, including any schedule or attachment thereto, and including any amendment thereof, filed or required to be filed with any Tax authority.

(g) After the Closing, the Buyer and its Affiliates (including the Company and the Company subsidiaries) shall not (i) amend or otherwise modify any income Tax Return of the Company or any Company subsidiary relating to a Pre-Closing Tax Period, (ii) make or change any Tax election or accounting method or practice with respect to, or that has retroactive effect with respect to, income Taxes of the Company and its subsidiaries for any Pre-Closing Tax Period, or (iii) take any other action with respect to a Pre-Closing Tax Period of the Company or any Company subsidiary, unless and to the extent that any such actions described in clause (i) through (iii), individually or in the aggregate, would not cause any Seller to have more than an immaterial amount of additional liability for Taxes with respect to any Pre-Closing Tax Period.

(h) Notwithstanding any other provision of this Agreement, after the Closing, the Company shall comply with, and shall cause the Tax Matters Member thereunder to comply with, the provisions of Section 10.3.2 of the LLC Agreement in effect as of the date hereof. Notwithstanding anything to the contrary herein, the parties hereto agree that this Agreement incorporates the provisions of Section 10.3.2 of the LLC Agreement in effect as of the date hereof and such provisions shall remain effective with respect to the parties hereto without regard as to whether the LLC Agreement is amended, terminated or otherwise rendered ineffective for any other purpose.

(i) Buyer, the Company and the Company subsidiaries, DK Blocker, Sellers, and each of their Affiliates shall cooperate fully, as and to the extent reasonably requested by any of them, in connection with the preparation and filing of Tax Returns pursuant to Section 6.5(b) and any audit, litigation or other proceeding with respect to Taxes of DK Blocker, the Company and the Company subsidiaries. Such cooperation shall include the retention and the provision of records and information which are reasonably relevant to any such audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The Company shall, and shall cause the

Company subsidiaries to, retain all books and records with respect to Tax matters pertinent to the Company or its subsidiaries relating to any Pre-Closing Tax Period until the expiration of the applicable statute of limitations and shall abide by all record retention agreements entered into with any Tax authority.

(j) Tax Distributions.

(i) With respect to Membership Interests other than Membership Interests previously held by GPM Member, after the Closing, the Company shall pay Tax Distributions under Section 5.7 of the LLC Agreement to the Sellers of such Membership Interests with respect to their respective unpaid Tax Liability Amounts under the LLC Agreement as determined through the Closing Date.

(ii) (A) Subject to subclause (B) below, with respect to Membership Interests previously held by GPM Member, after the Closing, the Company shall pay Tax Distributions under Section 5.7 of the LLC Agreement to DK Blocker with respect to GPM Member's unpaid Tax Liability Amount under the LLC Agreement as determined through the Closing Date. (B) Notwithstanding subclause (A) above, the amount of the Tax Distribution paid to DK Blocker pursuant to subclause (A) above shall not exceed DK Blocker's share of GPM Member's unpaid Tax Liability Amount, taking into account the provisions of GPM Member's governing documents and as determined by DK Blocker. (C) After the Closing the Company shall pay to Davidson Kempner Long-Term Distressed Opportunities Fund II LP, a Delaware limited partnership ("**DKLT**") as a Tax Distribution the excess, if any, of the amount determined under subclause (A) above, over the amount determined under subclause (B) above. Tax Distributions under this paragraph (ii) shall be treated as if they were made by the Company to GPM Member, and then by GPM Member to DK Blocker and DKLT for their respective amounts.

(iii) Estimates of Tax Distributions under this Section 6.5(i) as determined by the Company shall be paid no later than the dates provided for in the LLC Agreement and thereafter no later than April 15, 2021 (or if the due date for making final tax payments for individuals with respect to calendar year 2020 is postponed by a change in applicable law, such later date as may apply pursuant to such change). Final Tax Distributions under this Section 6.5(i) shall be determined and paid by the Company no later than the extended due date of the Company's federal partnership income Tax return for 2020. If the final amount of Tax Distributions payable to a payee hereunder as determined by the Company is greater than the estimated amounts previously paid to the payee hereunder, then the Company shall pay the difference to the payee. If the final amount of Tax Distributions payable to a payee hereunder as determined by the Company is less than the estimated amounts previously paid to the payee hereunder, the payee shall promptly reimburse the difference to the Company upon the Company's written demand for such payment.

(iv) Tax Distributions paid to DK Blocker under this Section 6.5(i) shall be retained by DK Blocker and shall not be distributed to DK Blocker Seller. The amount of Taxes owed by DK Blocker under Section 6.6(ii) shall be calculated net of the net Tax Distribution paid to DK Blocker under paragraphs (ii) and (iii) above.

Section 6.6 Indemnification by DK Blocker Seller. DK Blocker Seller shall indemnify, defend and hold harmless Buyer and its Affiliates (which shall include Buyer, the Company, DK Blocker and their respective Affiliates after the Closing) and their respective partners, members, directors, officers, managers, shareholders, employees, successors and assigns (collectively, the "**Indemnified Parties**") from and against any and all Losses arising out of or resulting from (i) the failure of any of the representations or warranties made by DK Blocker Seller or DK Blocker in Section 4.3 to be true and correct as of the date of this Agreement and as of the Closing (except to the extent such representations or warranties speak to a different date, in which case as of such specified date) and (ii) any Taxes of DK Blocker (including Taxes of GPM Member for which DK Blocker is liable) that have been incurred or are accrued (or should have been accrued) but are unpaid as of the Closing Date, based on a closing of the books method at the end of the Closing Date including Taxes attributable to allocation of items of the Company, GPM Member and their direct and indirect subsidiaries for periods or portions of periods ending before or on the Closing Date (with allocations by the Company and its direct and indirect subsidiaries being determined pursuant to Section 6.5(d) above), and including costs and expenses

incurred in connection with the defense of any Tax audit or other Tax proceeding relating to Taxes that would be indemnifiable Taxes under this clause. "**Losses**" means, collectively, any loss, liability, damages, diminution of value, cost or expense (including reasonable legal fees and expenses), including any costs incurred to enforce the obligations under this Section 6.6. For purposes of this Section 6.6, any inaccuracy in or breach of any representation or warranty shall be determined without regard to any materiality or knowledge qualification contained in or otherwise applicable to such representation or warranty (except for the knowledge qualifier in Section 4.3(h) as it relates to threatened Actions). Notwithstanding the foregoing, and for the avoidance of doubt, the indemnification set forth in this Section 6.6 shall not include indemnification for corporate Taxes on the unrealized gain (whether accrued or unaccrued) in DK Blocker at the Closing.

Section 6.7 Support Obligations. Each Seller, by this Agreement, with respect to any equity securities held by such Seller or its Affiliates in Arko and/or Haymaker, to the extent applicable, severally and not jointly, hereby agrees (and agrees to execute such documents or certificates evidencing such agreement as Haymaker may reasonably request in connection therewith), if (and only if) each of the Approval Conditions shall have been met, to vote, and to cause its Affiliates to vote, in person, by proxy or voting card (and to be counted as present thereat for purposes of calculating a quorum), at any meeting of the shareholders of Arko and/or Haymaker (including any adjournment or postponement thereof), and in any action by written consent of the shareholders of Arko and/or Haymaker, all of such Seller's Equity Securities and any equity securities held by such Seller or its Affiliates in Arko and/or Haymaker, to the extent applicable, (a) in favor of the approval and adoption of the BCA, the Transaction Documents, and the transactions contemplated by the BCA and the Transaction Documents, including the First Merger and the Second Merger, (b) in favor of any other matter reasonably necessary to the consummation of the transactions contemplated by the BCA and considered and voted upon by the shareholders of Arko and/or Haymaker, (c) in favor of any proposal to adjourn or postpone to a later date any meeting of the shareholders of Arko and/or Haymaker at which any of the foregoing matters are submitted for consideration and vote of the shareholders of Arko or Haymaker (as the case may be) if there are not sufficient votes for approval of any such matters on the date on which the meeting is held, and (d) against any action, agreement or transaction (other than the BCA or the transactions contemplated thereby) or proposal that would reasonably be expected to (i) prevent, impede, delay, or adversely affect in any material respect the transactions contemplated by the BCA or any Transaction Document or (ii) result in the failure of the transactions contemplated by the BCA to be consummated. Each Seller acknowledges receipt and review of a copy of the BCA. For purposes of this Agreement, "**Approval Conditions**" shall mean the Board of Directors of ARKO did not, in compliance with the provisions of the BCA, effect a Company Adverse Approval Change.

Section 6.8 Information. DK Blocker, GPM Member, and each Seller shall, severally and not jointly, furnish all information concerning itself (and (a) DK Blocker Seller shall provide such information with respect to DK Blocker and (b) DK Blocker shall provide such information with respect to GPM Member) as Haymaker or Arko may reasonably request in connection with the preparation, filing and distribution of the Haymaker Proxy Statement/Prospectus, the Registration Statement, and/or the Company Proxy Statement, and any other Company Reporting Documents or Haymaker SEC Reports filed or required to be filed in connection with the Transactions and their consummation (collectively, the "**Transaction Filings**"). DK Blocker, GPM Member, and each Seller agrees, severally and not jointly, that the information supplied by it (it being understood that information provided with respect to DK Blocker shall be deemed to have been provided by DK Blocker Seller and information provided with respect to GPM Member shall be deemed to have been provided by DK Blocker Seller) for inclusion in any of the Transaction Filings shall not, at (i) the time the Registration Statement is declared effective, (ii) the time the Haymaker Proxy Statement/Prospectus (or any amendment thereof or supplement thereto) is first mailed to the stockholders of Haymaker, (iii) the time the Company Proxy Statement (or any amendment thereof or supplement thereto) or any other Company Reporting Documents filed or required to be filed in connection with the Transaction and their consummation is first filed with TASE and ISA, (iv) the time of the Haymaker Stockholders' Meeting or the Company Shareholders' Meeting, (v) the time any other Haymaker SEC Report is filed or required to be filed in connection with the Transaction and their consummation is first filed with the SEC, and/or (vi) the First Effective Time, contain any untrue statement of a material fact or fail to state any material fact required to be stated therein or necessary in order to make the statements therein, in

light of the circumstances under which they were made, not misleading. If, at any time prior to the First Effective Time, any event or circumstance should be discovered by DK Blocker or any Seller as to itself (or discovered with respect to DK Blocker by DK Blocker Seller) which is required to be set forth in an amendment or a supplement to the applicable Transaction Filing by the applicable requirements of the ISL, the TASE, the Securities Act and the rules and regulations thereunder, or the Exchange Act and the rules and regulations thereunder, DK Blocker or such Seller shall promptly inform Haymaker.

Section 6.9 GPM Member Merger. Prior to the Closing Date, DK Blocker Seller shall cause GPM Member to merger with and into DK Blocker, with DK Seller as the surviving entity in such merger (the "**GPM Member Merger**"). All documentation with respect to the GPM Member Merger shall be in form and substance reasonably acceptable to Buyer.

ARTICLE 7
CONDITIONS TO CLOSING

Section 7.1 Conditions of Each Party. The respective obligations of each Party to consummate the transactions contemplated by this Agreement shall be subject to the satisfaction, at or prior to the Closing, of the following conditions:

(a) the applicable conditions to closing under ARTICLE VII of the BCA shall have been satisfied (as determined by the parties to the BCA) or waived by the applicable parties to the BCA, in each case prior to the Outside Date (as defined in the BCA and including any extensions provided for in the BCA) (other than, in each case, (A) those conditions that by their nature are to be satisfied at the closing under the BCA (*provided* that such conditions are capable of being satisfied at such closing or are waived at or prior to such closing) and (B) the condition pursuant to Section 7.01(i) of the BCA), and the transactions contemplated by the BCA shall be consummated substantially concurrently herewith;

(b) all representations and warranties of Buyer (solely as a condition to Sellers' obligations) and each Seller (solely as a condition to Buyer's obligations) contained in this Agreement shall be true and correct in all material respects as of the Closing, and consummation of the Closing shall constitute a reaffirmation by each of Buyer and each Seller of each of the representations, warranties and agreements of each such Party contained in this Agreement as of the Closing; and

(c) the Buyer shall pay and reimburse each Seller for its reasonable and documented expenses (including without limitation, reasonable and documented costs and expenses of counsel, accountants, consultants and other advisors) incurred by such Seller or its Affiliates in connection with the negotiation, preparation and consummation of this Agreement and any of the transactions or documents contemplated hereby; *provided* that reasonable documentation of such expenses has been provided to the Buyer at least three business days prior to the Closing.

ARTICLE 8
TERMINATION

Section 8.1 Termination. This Agreement shall be immediately terminated without further force or effect in the event the BCA is terminated.

Section 8.2 Effect of Termination. In the event of termination of this Agreement as provided in Section 8.1, this Agreement shall immediately become void and there shall be no liability or obligation on the part of any Party or their respective officers, directors, equityholders or Affiliates, except (i) as expressly set forth in the BCA, (ii) that nothing in this Section 8.2 shall relieve any Party from any liability or obligation for any

knowing and intentional breach of this Agreement prior to such termination (including the right of one Party to compel specific performance by another Party of its obligations under this Agreement), and (iii) that the covenants and agreements set forth in this Section 8.2 and ARTICLE 10 shall survive such termination of this Agreement indefinitely and shall remain in full force and effect.

ARTICLE 9
SURVIVAL OF REPRESENTATIONS AND WARRANTIES

Section 9.1 Survival of Representations and Warranties. The representations and warranties contained in Section 4.1(a), (c), (e), and (g), Section 4.2(a), Section 4.3(a), (b), (c), (d), (e), (f), (g), (i), (j), (k), (l), and (m), and Section 5.2(c)(ii) of this Agreement shall survive the Closing thorough the expiration of the statute of limitations applicable thereto. The representations and warranties contained in the other sections of this Agreement shall survive the Closing for a period of 36 months. The covenants contained in this Agreement shall survive the Closing in accordance with their terms. Notwithstanding the foregoing, any claims asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice from the indemnified party to the indemnifying party prior to the expiration date of the applicable survival period shall not be barred by the expiration of the relevant representation or warranty and such claims shall survive until finally resolved.

ARTICLE 10
MISCELLANEOUS

Section 10.1 No Reliance. In making its decision to sell its Equity Securities, each Seller is relying solely on its own knowledge and experience and the representations, warranties and agreements of Buyer (and not on any information provided by the Company or its agents). In making its decision to purchase the Equity Securities, Buyer is relying solely on its own knowledge and experience and the representations, warranties and agreements of Sellers and the representations, warranties, and agreements contained in the BCA and the other Transaction Documents.

Section 10.2 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware applicable to contracts executed in and to be performed in that state.

Section 10.3 Jurisdiction and Venue. All actions and proceedings arising out of or relating to this Agreement shall be heard and determined exclusively in any Delaware Chancery Court, or if such court does not have subject matter jurisdiction, any state or federal court located in the State of Delaware. The Parties hereto hereby (a) submit to the exclusive jurisdiction of such courts for the purpose of any Action arising out of or relating to this Agreement brought by any Party hereto, and (b) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement or the transactions contemplated hereby may not be enforced in or by any of the above-named courts.

Section 10.4 Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH OF THE PARTIES HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS

CONTEMPLATED HEREBY, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.4.

Section 10.5 Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt) by delivery in person, by telecopy or e-mail or by registered or certified mail (postage prepaid, return receipt requested) to the respective Parties at the following addresses (or at such other address for a Party as shall be specified in a notice given in accordance with this Section 10.5):

If to a Seller, to the address set forth for such Seller on the signature page hereof.

Section 10.6 Amendments. No amendment or modification of the terms and conditions of this Agreement shall be valid unless in writing and signed by Buyer and Sellers entitled to receive a majority of the shares of Parentco Common Stock under this Agreement; *provided* that no such amendment may, without the consent of such affected Seller, adversely affect the economic rights of a Seller in a manner that is disproportionate (based on the implied enterprise value of the Company) relative to the other Sellers. Any amendment effected in accordance with this Section 10.6 shall be binding upon all Parties and each of their respective successors and assigns.

Section 10.7 Entire Agreement. This Agreement, the BCA, and any confidentiality agreements between any of the Parties constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all prior agreements and undertakings, both written and oral, among the Parties, or any of them, with respect to the subject matter hereof.

Section 10.8 Parties in Interest; Assigns. This Agreement, shall be binding upon and inure solely to the benefit of each Party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. Buyer may assign any of its rights and obligations under this Agreement to its Affiliate. The rights and obligations of Sellers under this Agreement may only be assigned with the prior written consent of Buyer.

Section 10.9 Waiver. No delay or failure to enforce any provision of this Agreement shall be construed as a waiver of any such provision as to that or any other instance. No waiver granted under this Agreement as to any one provision herein shall constitute a subsequent waiver of such provision or of any other provision herein, nor shall it constitute the waiver of any performance other than the actual performance specifically waived.

Section 10.10 Severable Provisions. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 10.11 Counterparts. This Agreement may be executed and delivered (including by facsimile or electronic transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

Section 10.12 Expenses. The Buyer shall pay and reimburse each Seller for its reasonable and documented expenses (including without limitation, reasonable and documented costs and expenses of counsel, accountants, consultants and other advisors) incurred by such Seller or its Affiliates in connection with the negotiation, preparation and consummation of this Agreement and any of the transactions or documents contemplated hereby as well as any amendments to this Agreement requested or agreed to by Buyer.

Section 10.13 Claims Against Trust Fund.

(a) Each party hereto understands that, except for a portion of the interest earned on the amounts held in the Trust Fund, Haymaker may disburse or cause to be disbursed monies from the Trust Fund only: (i) to Redeeming Stockholders who exercise their Redemption Rights or in the event of the dissolution and liquidation of Haymaker; (ii) to Haymaker (less Haymaker's deferred underwriting compensation only) after Haymaker consummates a business combination; or (iii) as consideration to the sellers of a target business with which Haymaker completes a business combination.

(b) Each party hereto agrees that, notwithstanding any other provision contained in this Agreement or any other Transaction Document, such party does not now have, and shall not at any time prior to the First Effective Time have, any claim to, or make any claim against, the Trust Fund, regardless of whether such claim arises as a result of, in connection with or relating in any way to, the business relationship between such party on the one hand, and Haymaker on the other hand, this Agreement, any other Transaction Document, or any other agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to in this Section 10.13(b) as the "**Claims**"). Notwithstanding any other provision contained in this Agreement or any other Transaction Document, each party hereto hereby irrevocably waives any Claim it may have, now or in the future (in each case, however, prior to the First Effective Time), and will not seek recourse against the Trust Fund (including any distributions therefrom) for any reason whatsoever in respect thereof; *provided, however*, that the foregoing waiver will not limit or prohibit or limit such party from (i) pursuing a claim against Haymaker or the stockholders of Haymaker pursuant to Section 10.14 of this Agreement for specific performance or other equitable relief (but not any monetary relief) in connection with the transactions contemplated by this Agreement or (ii) pursuing any claims that such party may have against Haymaker's assets or funds that are not held in the Trust Fund. In the event that a party hereto commences any action or proceeding based upon, in connection with, relating to or arising out of any matter relating to Haymaker or its Representatives which proceeding seeks, in whole or in part, relief against the Trust Fund (including any distribution therefrom) or Haymaker's public stockholders, whether in the form of money damages or injunctive relief, Haymaker and its Representatives, as applicable, shall be entitled to recover from such party (or (A) in the case of DK Blocker, from DK Blocker Seller and (B) in the case of GPM Member, from GPM Member Seller, DK Blocker, and/or DK Blocker Seller) the associated legal fees and costs in connection with any such action, in the event Haymaker or its Representatives, as applicable, prevails in such action or proceeding.

Section 10.14 Remedies. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof, and, accordingly, that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in the Delaware Chancery Court or, if that court does not have subject matter jurisdiction, any state or federal court located in the State of Delaware without proof of actual damages or otherwise, in addition to any other remedy to which they are entitled at Law or in equity. Each of the Parties hereby further waives (a) any defense in any action for specific performance that a remedy at Law would be adequate and (b) any requirement under any Law to post security or a bond as a prerequisite to obtaining equitable relief.

Section 10.15 Several Obligations. The Parties acknowledge and agree that the obligations of each Seller under this Agreement are several, not joint, and no Seller shall have any responsibility or obligation whatsoever for any other Seller.

The Committee shall have full and final authority, subject to and consistent with the provisions of the Plan, to select Eligible Persons to become Participants, grant Awards, determine the type, number and other terms and conditions of, and all other matters relating to, Awards, prescribe Award Agreements (which need not be identical for each Participant) and rules and regulations for the administration of the Plan, construe and interpret the Plan and Award Agreements and correct defects, supply omissions or reconcile inconsistencies therein, and to make all other decisions and determinations as the Committee may deem necessary or advisable for the administration of the Plan. In exercising any discretion granted to the Committee

under the Plan or pursuant to any Award, the Committee shall not be required to follow past practices, act in a manner consistent with past practices, or treat any Eligible Person or Participant in a manner consistent with the treatment of any other Eligible Persons or Participants. Decisions of the Committee shall be final, conclusive and binding on all persons or entities, including the Company, any Related Entity or any Participant or Beneficiary, or any transferee under Section 10(b) hereof or any other person claiming rights from or through any of the foregoing persons or entities.

The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. The Committee may delegate to members of the Board, or officers or managers of the Company or any Related Entity, or committees thereof, the authority, subject to such terms and limitations as the Committee shall determine, to perform such functions, including administrative functions as the Committee may determine to the extent that such delegation will not result in the loss of an exemption under Rule 16b-3(d)(1) for Awards granted to Participants subject to Section 16 of the Exchange Act in respect of the Company. The Committee may appoint agents to assist it in administering the Plan, including, without limitation, appointing one or more members of the Company's management, with the power or authority otherwise granted to the Committee under this Plan with respect to a number of Shares reserved and available for delivery under the Plan, subject to the terms and limitations of such power or authority as determined by the Committee in its sole and absolute discretion. In no event, however, may an agent appointed by the Committee to assist it in administering the Plan be permitted to grant Awards to, or exercise any discretion with respect to any and all other matters relating to Awards previously granted to, himself or herself.

(c) ***Limitation of Liability***. The Committee and the Board, and each member thereof, shall be entitled to, in good faith, rely or act upon any report or other information furnished to him or her by any officer or Employee, the Company's independent auditors, Consultants or any other agents assisting in the administration of the Plan. Members of the Committee and the Board, and any officer or Employee acting at the direction or on behalf of the Committee or the Board, shall not be personally liable for any action or determination taken or made in good faith with respect to the Plan, and shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.

4. ***Shares Subject to Plan.***

(a) ***Limitation on Overall Number of Shares Available for Delivery Under Plan***. Subject to adjustment as provided in Section 10(c) hereof, the total number of Shares reserved and available for delivery under the Plan shall be equal to [1], plus the number of Shares that are issued in connection with the Business Combination in exchange of ARKO Ordinary Shares (including Arko Ordinary Shares issued pursuant to restricted shares units that were outstanding immediately prior to the consummation of the Business Combination) that are held by a trustee in order to receive favorable tax treatment under Israel laws in accordance with and subject to the terms and conditions set forth in the Israeli Appendix attached to the 2020 Plan. Any Shares delivered under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares.

(b) ***Application of Limitation to Grants of Awards***. No Award may be granted if the number of Shares to be delivered in connection with such an Award exceeds the number of Shares remaining available for delivery under the Plan, minus the number of Shares that would be counted against the limit upon settlement of then outstanding Awards. The Committee may adopt reasonable counting procedures to ensure appropriate

[1] NTD: Insert number equal to 10% of the issued and outstanding shares of the Company as of the Effective Date.

counting, avoid double counting (as, for example, in the case of tandem or substitute awards) and make adjustments if the number of Shares actually delivered differs from the number of Shares previously counted in connection with an Award.

(c) ***Availability of Shares Not Delivered under Awards and Adjustments to Limits.***

(i) If any Shares subject to an Award are forfeited, expire or otherwise terminate without issuance of such Shares, or any Award is settled for cash or otherwise does not result in the issuance of all or a portion of the Shares subject to such Award, the Shares to which those Awards were subject, shall, to the extent of such forfeiture, expiration, termination, non-issuance or cash settlement, again be available for delivery with respect to Awards under the Plan.

(ii) The full number of Shares subject to an Option granted under this Plan shall count against the number of Shares remaining available for issuance pursuant to Awards granted under the Plan, even if the exercise price of the Option is satisfied through net-settlement or by delivering Shares to the Company (by either actual delivery or attestation). Upon exercise of Stock Appreciation Rights granted under the Plan that are settled in Shares, the full number of Stock Appreciation Rights (rather than the net number of Shares actually delivered upon exercise) shall count against the maximum number of Shares remaining available for issuance pursuant to Awards granted under the Plan.

(iii) Shares withheld from an Award granted under this Plan to satisfy tax withholding requirements shall count against the maximum number of Shares remaining available for issuance pursuant to Awards granted under the Plan, and Shares delivered by a participant to satisfy tax withholding requirements shall not be added back to the Plan Share pool.

(iv) Substitute Awards shall not reduce the Shares authorized for delivery under the Plan or authorized for delivery to a Participant in any period. Additionally, in the event that an entity acquired by the Company or any Related Entity or with which the Company or any Related Entity combines has shares available under a pre-existing plan approved by its shareholders and not adopted in contemplation of such acquisition or combination, the shares available for delivery pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for delivery under the Plan if and to the extent that the use of such Shares would not require approval of the Company's shareholders under the rules of the Listing Market. Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Directors prior to such acquisition or combination.

(v) Any Share that again becomes available for delivery pursuant to this Section 4(c) shall be added back as one (1) Share.

(vi) Notwithstanding anything in this Section 4(c) to the contrary but subject to adjustment as provided in Section 10(c) hereof, the maximum aggregate number of Shares that may be delivered under the Plan as a result of the exercise of the Incentive Stock Options shall be [2] Shares. In no event shall any Incentive Stock Options be granted under the Plan after the tenth anniversary of the date on which the Board adopts the Plan.

(vii) Notwithstanding anything in this Section 4 to the contrary, but subject to adjustment as provided in Section 10(c) hereof, in any fiscal year of the Company during any part of which the Plan is in effect, no Participant who is a Director but is not also an Employee or Consultant may be granted any Awards that have

a "fair value" as of the date of grant, as determined in accordance with FASB ASC Topic 718 (or any other applicable accounting guidance), that exceeds $350,000 in the aggregate.

5. ***Eligibility***. Awards may be granted under the Plan only to Eligible Persons.

6. ***Specific Terms of Awards.***

(a) ***General***. Awards may be granted on the terms and conditions set forth in this Section 6. In addition, the Committee may impose on any Award or the exercise thereof, at the date of grant or thereafter (subject to Section 10(e) hereof), such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine, including terms requiring forfeiture of Awards in the event of termination of the Participant's Continuous Service and terms permitting a Participant to make elections relating to his or her Award. Except as otherwise expressly provided herein, the Committee shall retain full power and discretion to accelerate, waive or modify, at any time, any term or condition of an Award that is not mandatory under the Plan. Except in cases in which the Committee is authorized to require other forms of consideration under the Plan, or to the extent other forms of consideration must be paid to satisfy the requirements of the laws of the State of Delaware, no consideration other than services may be required for the grant (as opposed to the exercise) of any Award.

(b) ***Options***. The Committee is authorized to grant Options to any Eligible Person on the following terms and conditions:

(i) ***Exercise Price***. Other than in connection with Substitute Awards, the exercise price per Share purchasable under an Option shall be determined by the Committee, provided that such exercise price shall not be less than 100% of the Fair Market Value of a Share on the date of grant of the Option and shall not, in any event, be less than the par value of a Share on the date of grant of the Option. If an Employee owns or is deemed to own (by reason of the attribution rules applicable under Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company (or any parent corporation or subsidiary corporation of the Company, as those terms are defined in Sections 424(e) and (f) of the Code, respectively) and an Incentive Stock Option is granted to such Employee, the exercise price of such Incentive Stock Option (to the extent required by the Code at the time of grant) shall be no less than 110% of the Fair Market Value of a Share on the date such Incentive Stock Option is granted. Other than pursuant to Section 10(c)(i) and (ii) of this Plan, the Committee shall not be permitted to (A) lower the exercise price per Share of an Option after it is granted, (B) cancel an Option when the exercise price per Share exceeds the Fair Market Value of the underlying Shares in exchange for cash or another Award (other than in connection with Substitute Awards), (C) cancel an outstanding Option in exchange for an Option with an exercise price that is less than the exercise price of the original Options or (D) take any other action with respect to an Option that may be treated as a repricing pursuant to the applicable rules of the Listing Market, without approval of the Company's shareholders.

(ii) ***Time and Method of Exercise***. The Committee shall determine the time or times at which or the circumstances under which an Option may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the method by which notice of exercise is to be given and the form of exercise notice to be used, the time or times at which Options shall cease to be or become exercisable following termination of Continuous Service or upon other conditions, the methods by which the exercise price may be paid or deemed to be paid (including in the discretion of the Committee a cashless exercise procedure), the form of such payment, including, without limitation, cash, Shares (including without limitation the withholding of Shares otherwise deliverable pursuant to the Award), other Awards or awards granted under other plans of the Company or a Related Entity, or other property (including notes or other contractual obligations of Participants to make payment on a deferred basis provided that such deferred payments are not in violation of Section 13(k) of the Exchange Act, or any rule or regulation adopted thereunder or any other applicable law), and the methods by or forms in which Shares will be delivered or deemed to be delivered to Participants.

(iii) ***Form of Settlement.*** The Committee may, in its sole discretion, provide that the Shares to be issued upon exercise of an Option shall be in the form of Restricted Stock or other similar securities.

(iv) ***Incentive Stock Options***. The Committee shall only grant Incentive Stock Options if (y) with respect to the initial Share pools set forth in Section 4(a) and 4(c)(vi), within 12 months of the Effective Date, and/or (z) with respect to any increase in the Share pools set forth in Sections 4(a) and 4(c)(iv) by an amendment to this Plan, within 12 months of the effective date of any such amendment the Plan or amendment, whichever applicable, is approved by shareholders of the Company eligible to vote in the election of directors, by a vote sufficient to meet the requirements of Code Section 422, applicable requirements under the rules of any stock exchange or automated quotation system on which the Shares may be listed or quoted, and other laws, regulations, and obligations of the Company applicable to the Plan. Incentive Stock Options may be granted subject to shareholder approval but may not be exercised or otherwise settled in the event the shareholder approval is not obtained. The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code. Anything in the Plan to the contrary notwithstanding, no term of the Plan relating to Incentive Stock Options (including any Stock Appreciation Right issued in tandem therewith) shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be exercised, so as to disqualify either the Plan or any Incentive Stock Option under Section 422 of the Code, unless the Participant has first requested, or consents to, the change that will result in such disqualification. Thus, if and to the extent required to comply with Section 422 of the Code, Options granted as Incentive Stock Options shall be subject to the following special terms and conditions:

(A) the Option shall not be exercisable for more than ten years after the date such Incentive Stock Option is granted; provided, however, that if a Participant owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company (or any parent corporation or subsidiary corporation of the Company, as those terms are defined in Sections 424(e) and (f) of the Code, respectively) and the Incentive Stock Option is granted to such Participant, the term of the Incentive Stock Option shall be (to the extent required by the Code at the time of the grant) for no more than five years from the date of grant;

(B) the aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the Shares with respect to which Incentive Stock Options granted under the Plan and all other option plans of the Company (and any parent corporation or subsidiary corporation of the Company, as those terms are defined in Sections 424(e) and (f) of the Code, respectively) that become exercisable for the first time by the Participant during any calendar year shall not (to the extent required by the Code at the time of the grant) exceed $100,000; and

(C) if Shares acquired by exercise of an Incentive Stock Option are disposed of within two years following the date the Incentive Stock Option is granted or one year following the transfer of such Shares to the Participant upon exercise, the Participant shall, promptly following such disposition, notify the Company in writing of the date and terms of such disposition and provide such other information regarding the disposition as the Committee may reasonably require.

(c) ***Stock Appreciation Rights***. The Committee may grant Stock Appreciation Rights to any Eligible Person in conjunction with all or part of any Option granted under the Plan or at any subsequent time during the term of such Option (a "Tandem Stock Appreciation Right"), or without regard to any Option (a "Freestanding Stock Appreciation Right"), in each case upon such terms and conditions as the Committee may establish in its sole discretion, not inconsistent with the provisions of the Plan, including the following:

(i) ***Right to Payment***. A Stock Appreciation Right shall confer on the Participant to whom it is granted a right to receive, upon exercise thereof, the excess of (A) the Fair Market Value of one Share on the date of exercise over (B) the grant price of the Stock Appreciation Right as determined by the Committee. The grant price of a Stock Appreciation Right shall not be less than 100% of the Fair Market Value of a Share on the date of grant, in the case of a Freestanding Stock Appreciation Right, or less than the associated Option exercise price,

in the case of a Tandem Stock Appreciation Right. Other than pursuant to Section 10(c)(i) and (ii) of the Plan, the Committee shall not be permitted to (A) lower the grant price per Share of a Stock Appreciation Right after it is granted, (B) cancel a Stock Appreciation Right when the grant price per Share exceeds the Fair Market Value of the underlying Shares in exchange for another Award (other than in connection with Substitute Awards), (C) cancel an outstanding Stock Appreciation Right in exchange for a Stock Appreciation Right with a grant price that is less than the grant price of the original Stock Appreciation Right, or (D) take any other action with respect to a Stock Appreciation Right that may be treated as a repricing pursuant to the applicable rules of the Listing Market, without shareholder approval.

(ii) ***Other Terms***. The Committee shall determine at the date of grant or thereafter, the time or times at which and the circumstances under which a Stock Appreciation Right may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the time or times at which Stock Appreciation Rights shall cease to be or become exercisable following termination of Continuous Service or upon other conditions, the method of exercise, method of settlement, form of consideration payable in settlement, method by or forms in which Shares will be delivered or deemed to be delivered to Participants, whether or not a Stock Appreciation Right shall be in tandem or in combination with any other Award, and any other terms and conditions of any Stock Appreciation Right.

(iii) ***Tandem Stock Appreciation Rights***. Any Tandem Stock Appreciation Right may be granted at the same time as the related Option is granted or, for Options that are not Incentive Stock Options, at any time thereafter before exercise or expiration of such Option. Any Tandem Stock Appreciation Right related to an Option may be exercised only when the related Option would be exercisable and the Fair Market Value of the Shares subject to the related Option exceeds the exercise price at which Shares can be acquired pursuant to the Option. In addition, if a Tandem Stock Appreciation Right exists with respect to less than the full number of Shares covered by a related Option, then an exercise or termination of such Option shall not reduce the number of Shares to which the Tandem Stock Appreciation Right applies until the number of Shares then exercisable under such Option equals the number of Shares to which the Tandem Stock Appreciation Right applies. Any Option related to a Tandem Stock Appreciation Right shall no longer be exercisable to the extent the Tandem Stock Appreciation Right has been exercised, and any Tandem Stock Appreciation Right shall no longer be exercisable to the extent the related Option has been exercised.

(d) ***Restricted Stock Awards***. The Committee is authorized to grant Restricted Stock Awards to any Eligible Person on the following terms and conditions:

(i) ***Grant and Restrictions***. Restricted Stock Awards shall be subject to such restrictions on transferability, risk of forfeiture and other restrictions, if any, as the Committee may impose, or as otherwise provided in this Plan during the Restriction Period. The terms of any Restricted Stock Award granted under the Plan shall be set forth in a written Award Agreement which shall contain provisions determined by the Committee and not inconsistent with the Plan. The restrictions may lapse separately or in combination at such times, under such circumstances (including based on achievement of performance goals and/or future service requirements), in such installments or otherwise, as the Committee may determine at the date of grant or thereafter. Except to the extent restricted under the terms of the Plan and any Award Agreement relating to a Restricted Stock Award, a Participant granted Restricted Stock shall have all of the rights of a shareholder, including the right to vote the Restricted Stock and the right to receive dividends thereon (subject to any mandatory reinvestment or other requirement imposed by the Committee). During the period that the Restricted Stock Award is subject to a risk of forfeiture, subject to Section 10(b) below and except as otherwise provided in the Award Agreement, the Restricted Stock may not be sold, transferred, pledged, hypothecated, margined or otherwise encumbered by the Participant or Beneficiary.

(ii) ***Forfeiture***. Except as otherwise determined by the Committee, upon termination of a Participant's Continuous Service during the applicable Restriction Period, the Participant's Restricted Stock that is at that time subject to a risk of forfeiture that has not lapsed or otherwise been satisfied shall be forfeited and

reacquired by the Company; provided that, subject to the limitations set forth in Section 6(j) hereof, the Committee may provide, by resolution or other action or in any Award Agreement, or may determine in any individual case, that forfeiture conditions relating to Restricted Stock Awards shall be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Restricted Stock.

(iii) ***Certificates for Stock***. Restricted Stock granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Stock are registered in the name of the Participant, the Committee may require that such certificates bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Stock, that the Company retain physical possession of the certificates, and that the Participant deliver a stock power to the Company, endorsed in blank, relating to the Restricted Stock.

(iv) ***Dividends and Splits***. As a condition to the grant of a Restricted Stock Award, the Committee shall either (A) require that any cash dividends paid on a Share of Restricted Stock be automatically reinvested in additional Shares of Restricted Stock, or (B) require that payment be delayed (with or without interest at such rate, if any, as the Committee shall determine) and remain subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such cash dividend is payable, in each case in a manner that does not violate the requirements of Section 409A of the Code. Unless otherwise determined by the Committee, Shares distributed in connection with a stock split or stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Shares or other property have been distributed.

(e) ***Restricted Stock Unit Award***. The Committee is authorized to grant Restricted Stock Unit Awards to any Eligible Person on the following terms and conditions:

(i) ***Award and Restrictions***. Satisfaction of a Restricted Stock Unit Award shall occur upon expiration of the deferral period specified for such Restricted Stock Unit Award by the Committee (or, if permitted by the Committee, as elected by the Participant in a manner that does not violate the requirements of Section 409A of the Code). In addition, a Restricted Stock Unit Award shall be subject to such restrictions (which may include a risk of forfeiture) as the Committee may impose, if any, which restrictions may lapse at the expiration of the deferral period or at earlier specified times (including based on achievement of performance goals and/or future service requirements), separately or in combination, in installments or otherwise, as the Committee may determine. A Restricted Stock Unit Award may be satisfied by delivery of Shares, cash equal to the Fair Market Value of the specified number of Shares covered by the Restricted Stock Units, or a combination thereof, as determined by the Committee at the date of grant or thereafter. Prior to satisfaction of a Restricted Stock Unit Award, a Restricted Stock Unit Award carries no voting or dividend or other rights associated with Share ownership. Prior to satisfaction of a Restricted Stock Unit Award, except as otherwise provided in an Award Agreement and as permitted under Section 409A of the Code, a Restricted Stock Unit Award may not be sold, transferred, pledged, hypothecated, margined or otherwise encumbered by the Participant or any Beneficiary.

(ii) ***Forfeiture***. Except as otherwise determined by the Committee, upon termination of a Participant's Continuous Service during the applicable deferral period or portion thereof to which forfeiture conditions apply (as provided in the Award Agreement evidencing the Restricted Stock Unit Award), the Participant's Restricted Stock Unit Award that is at that time subject to a risk of forfeiture that has not lapsed or otherwise been satisfied shall be forfeited; provided that, subject to the limitations set forth in Section 6(j)(ii) hereof, the Committee may provide, by resolution or other action or in any Award Agreement, or may determine in any individual case, that forfeiture conditions relating to a Restricted Stock Unit Award shall be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of any Restricted Stock Unit Award.

(iii) ***Dividend Equivalents***. As a condition to the grant of a Restricted Stock Unit, the Committee shall require that any cash dividends paid on a Share attributable to such Restricted Stock Unit be delayed (with or without interest at such rate, if any, as the Committee shall determine) and remain subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock Unit with respect to which such cash dividend is payable, in a manner that does not violate the requirements of Section 409A of the Code. Unless otherwise determined by the Committee, Shares distributed in connection with a stock split or stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock Unit with respect to which such Shares or other property have been distributed.

(f) ***Bonus Stock and Awards in Lieu of Obligations***. The Committee is authorized to grant Shares to any Eligible Persons as a bonus, or to grant Shares or other Awards in lieu of obligations to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, provided that, in the case of Eligible Persons subject to Section 16 of the Exchange Act, the amount of such grants remains within the discretion of the Committee to the extent necessary to ensure that acquisitions of Shares or other Awards are exempt from liability under Section 16(b) of the Exchange Act. Shares or Awards granted hereunder shall be subject to such other terms as shall be determined by the Committee.

(g) ***Dividend Equivalents***. The Committee is authorized to grant Dividend Equivalents to any Eligible Person entitling the Eligible Person to receive cash, Shares, other Awards, or other property equal in value to the dividends paid with respect to a specified number of Shares, or other periodic payments. Dividend Equivalents may be awarded on a free-standing basis or in connection with another Award. The Committee may provide that Dividend Equivalents shall be paid or distributed when accrued, or whether such Dividend Equivalents shall be deemed to have been reinvested in additional Shares, Awards, or other investment vehicles, and subject to such restrictions on transferability and risks of forfeiture, as the Committee may specify; *provided*, that in no event shall such Dividend Equivalents be paid out to Participants prior to vesting of the corresponding Shares underlying the Award. Any such determination by the Committee shall be made at the grant date of the applicable Award. Notwithstanding the foregoing, Dividend Equivalents credited in connection with an Award that vests based on the achievement of performance goals shall be subject to restrictions and risk of forfeiture to the same extent as the Award with respect to which such Dividend Equivalents have been credited.

(h) ***Performance Awards***. The Committee is authorized to grant Performance Awards to any Eligible Person payable in cash, Shares, or other Awards, on terms and conditions established by the Committee, subject to the provisions of Section 8 if and to the extent that the Committee shall, in its sole discretion, determine that an Award shall be subject to those provisions. The performance criteria to be achieved during any Performance Period and the length of the Performance Period shall be determined by the Committee upon the grant of each Performance Award. Except as provided in Section 9 or as may be provided in an Award Agreement, Performance Awards will be distributed only after the end of the relevant Performance Period. The performance goals to be achieved for each Performance Period shall be conclusively determined by the Committee and may be based upon the criteria set forth in Section 8(b), or in the case of an Award that the Committee determines shall not be subject to Section 8 hereof, any other criteria that the Committee, in its sole discretion, shall determine should be used for that purpose. The amount of the Award to be distributed shall be conclusively determined by the Committee. Performance Awards may be paid in a lump sum or in installments following the close of the Performance Period or, in accordance with procedures established by the Committee, on a deferred basis in a manner that does not violate the requirements of Section 409A of the Code.

(i) ***Other Stock-Based Awards***. The Committee is authorized, subject to limitations under applicable law, to grant to any Eligible Person such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares, as deemed by the Committee to be consistent with the purposes of the Plan. Other Stock-Based Awards may be granted to Participants either alone or in addition to other Awards granted under the Plan, and such Other Stock-Based Awards shall also be available as a form of payment in the settlement of other Awards granted under the Plan. Except as otherwise provided in the last sentence of Section 6(h) hereof, the Committee shall determine the terms and conditions of such Awards. Shares delivered pursuant to an Award in the nature of a purchase right granted under this

Section 6(i) shall be purchased for such consideration (including without limitation loans from the Company or a Related Entity provided that such loans are not in violation of Section 13(k) of the Exchange Act or any rule or regulation adopted thereunder or any other applicable law), paid for at such times, by such methods, and in such forms, including, without limitation, cash, Shares, other Awards or other property, as the Committee shall determine.

(j) ***Minimum Vesting Conditions.*** Except for certain limited situations (including death, disability, a Change in Control referred to in Section 9, grants to new hires to replace forfeited compensation, grants representing payment of earned Performance Awards or other incentive compensation, Substitute Awards or grants to Directors), all Awards granted under this Plan shall be subject to a minimum vesting period of one (1) year (the "***Minimum Vesting Condition***"); *provided*, that such Minimum Vesting Condition will not be required on Awards covering, in the aggregate, a number of Shares not to exceed 5% of the maximum Share pool limit set forth in Section 4(a) hereof (subject to adjustment as provided in Section 10(c) hereof).

7. ***Certain Provisions Applicable to Awards.***

(a) ***Stand-Alone, Additional, Tandem, and Substitute Awards.*** Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Related Entity, or any business entity to be acquired by the Company or a Related Entity, or any other right of a Participant to receive payment from the Company or any Related Entity. Such additional, tandem, and substitute or exchange Awards may be granted at any time. If an Award is granted in substitution or exchange for another Award or award, the Committee shall require the surrender of such other Award or award in consideration for the grant of the new Award. In addition, Awards may be granted in lieu of cash compensation, including in lieu of cash amounts payable under other plans of the Company or any Related Entity, in which the value of Shares subject to the Award is equivalent in value to the cash compensation (for example, Restricted Stock or Restricted Stock Units), or in which the exercise price, grant price or purchase price of the Award in the nature of a right that may be exercised is equal to the Fair Market Value of the underlying Shares minus the value of the cash compensation surrendered (for example, Options or Stock Appreciation Right granted with an exercise price or grant price "discounted" by the amount of the cash compensation surrendered), provided that any such determination to grant an Award in lieu of cash compensation must be made in a manner intended to be exempt from or comply with Section 409A of the Code.

(b) ***Term of Awards.*** The term of each Award shall be for such period as may be determined by the Committee; provided that in no event shall the term of any Option or Stock Appreciation Right exceed a period of ten years (or in the case of an Incentive Stock Option such shorter term as may be required under Section 422 of the Code); provided, however, that in the event that on the last day of the term of an Option or a Stock Appreciation Right, other than an Incentive Stock Option, (i) the exercise of the Option or Stock Appreciation Right is prohibited by applicable law, or (ii) Shares may not be purchased, or sold by certain employees or directors of the Company due to the "black-out period" of a Company policy or a "lock-up" agreement undertaken in connection with an issuance of securities by the Company, the term of the Option or Stock Appreciation Right may be extended by the Committee for a period of up to thirty (30) days following the end of the legal prohibition, black-out period or lock-up agreement, provided that such extension of the term of the Option or Stock Appreciation Right would not cause the Option or Stock Appreciation Right to violate the requirements of Section 409A of the Code.

(c) ***Form and Timing of Payment Under Awards; Deferrals.*** Subject to the terms of the Plan and any applicable Award Agreement, payments to be made by the Company or a Related Entity upon the exercise of an Option or other Award or settlement of an Award may be made in such forms as the Committee shall determine, including, without limitation, cash, Shares, other Awards or other property, and may be made in a single payment or transfer, in installments, or on a deferred basis, provided that any determination to pay in installments or on a deferred basis shall be made by the Committee at the date of grant. Any installment or

deferral provided for in the preceding sentence shall, however, subject to the terms of the Plan, be subject to the Company's compliance with the provisions of the Sarbanes-Oxley Act of 2002, as amended, the rules and regulations adopted by the Securities and Exchange Commission thereunder, all applicable rules of the Listing Market and any other applicable law, and in a manner intended to be exempt from or otherwise satisfy the requirements of Section 409A of the Code. Subject to Section 7(e) of this Plan, the settlement of any Award may be accelerated, and cash paid in lieu of Shares in connection with such settlement, in the sole discretion of the Committee or upon occurrence of one or more specified events (in addition to a Change in Control). Any such settlement shall be at a value determined by the Committee in its sole discretion, which, without limitation, may in the case of an Option or Stock Appreciation Right be limited to the amount if any by which the Fair Market Value of a Share on the settlement date exceeds the exercise or grant price. Installment or deferred payments may be required by the Committee (subject to Section 7(e) of this Plan, including the consent provisions thereof in the case of any deferral of an outstanding Award not provided for in the original Award Agreement) or permitted at the election of the Participant on terms and conditions established by the Committee. The acceleration of the settlement of any Award, and the payment of any Award in installments or on an deferred basis, all shall be done in a manner that is intended to be exempt from or otherwise satisfy the requirements of Section 409A of the Code. The Committee may, without limitation, make provision for the payment or crediting of a reasonable interest rate on installment or deferred payments or the grant or crediting of Dividend Equivalents or other amounts in respect of installment or deferred payments denominated in Shares.

(d) ***Exemptions from Section 16(b) Liability.*** It is the intent of the Company that the grant of any Awards to or other transaction by a Participant who is subject to Section 16 of the Exchange Act shall be exempt from Section 16 pursuant to an applicable exemption (except for transactions acknowledged in writing to be non-exempt by such Participant). Accordingly, if any provision of this Plan or any Award Agreement does not comply with the requirements of Rule 16b-3 then applicable to any such transaction, such provision shall be construed or deemed amended to the extent necessary to conform to the applicable requirements of Rule 16b-3 so that such Participant shall avoid liability under Section 16(b).

(e) ***Code Section 409A***.

(i) The Award Agreement for any Award that the Committee reasonably determines to constitute a "nonqualified deferred compensation plan" under Section 409A of the Code (a "***Section 409A Plan***"), and the provisions of the Section 409A Plan applicable to that Award, shall be construed in a manner consistent with the applicable requirements of Section 409A of the Code, and the Committee, in its sole discretion and without the consent of any Participant, may amend any Award Agreement (and the provisions of the Plan applicable thereto) if and to the extent that the Committee determines that such amendment is necessary or appropriate to comply with the requirements of Section 409A of the Code.

(ii) If any Award constitutes a Section 409A Plan, then the Award shall be subject to the following additional requirements, if and to the extent required to comply with Section 409A of the Code:

(A) Payments under the Section 409A Plan may be made only upon (u) the Participant's "separation from service," (v) the date the Participant becomes "disabled," (w) the Participant's death, (x) a "specified time (or pursuant to a fixed schedule)" specified in the Award Agreement at the date of the deferral of such compensation, (y) a "change in the ownership or effective control of the corporation, or in the ownership of a substantial portion of the assets" of the Company, or (z) the occurrence of an "unforeseeable emergency";

(B) The time or schedule for any payment of the deferred compensation may not be accelerated, except to the extent provided in applicable Treasury Regulations or other applicable guidance issued by the Internal Revenue Service;

(C) Any elections with respect to the deferral of such compensation or the time and form of distribution of such deferred compensation shall comply with the requirements of Section 409A(a)(4) of the Code; and

(D) In the case of any Participant who is "specified employee," a distribution on account of a "separation from service" may not be made before the date which is six months after the date of the Participant's "separation from service" (or, if earlier, the date of the Participant's death).

For purposes of the foregoing, the terms in quotations shall have the same meanings as those terms have for purposes of Section 409A of the Code, and the limitations set forth herein shall be applied in such manner (and only to the extent) as shall be necessary to comply with any requirements of Section 409A of the Code that are applicable to the Award.

(iii) Notwithstanding the foregoing, or any provision of this Plan or any Award Agreement, the Company does not make any representation to any Participant or Beneficiary that any Awards made pursuant to this Plan are exempt from, or satisfy, the requirements of, Section 409A of the Code, and the Company shall have no liability or other obligation to indemnify or hold harmless the Participant or any Beneficiary for any tax, additional tax, interest or penalties that the Participant or any Beneficiary may incur in the event that any provision of this Plan, or any Award Agreement, or any amendment or modification thereof, or any other action taken with respect thereto, is deemed to violate any of the requirements of Section 409A of the Code.

8. ***Reserved.***

9. ***Change in Control.***

(a) ***Effect of "Change in Control"***. If and only to the extent provided in any employment or other agreement between the Participant and the Company or any Related Entity, or in any Award Agreement, or to the extent otherwise determined by the Committee in its sole discretion and without any requirement that each Participant be treated consistently, and except as otherwise provided in Section 9(a)(iv) hereof, upon the occurrence of a "Change in Control," as defined in Section 9(b):

(i) Any Option or Stock Appreciation Right that was not previously vested and exercisable as of the time of the Change in Control, shall become immediately vested and exercisable, subject to applicable restrictions set forth in Section 10(a) hereof.

(ii) Any restrictions, deferral of settlement, and forfeiture conditions applicable to a Restricted Stock Award, Restricted Stock Unit Award or an Other Stock-Based Award subject only to future service requirements granted under the Plan shall lapse and such Awards shall be deemed fully vested as of the time of the Change in Control, except to the extent of any waiver by the Participant and subject to applicable restrictions set forth in Section 10(a) hereof.

(iii) With respect to any outstanding Award subject to achievement of performance goals and conditions under the Plan, the Committee may, in its discretion, consider such Awards to have been earned and payable based on achievement of performance goals or based upon target performance (either in full or pro-rata based on the portion of the Performance Period completed as of the Change in Control), except to the extent of any waiver by the Participant and subject to applicable restrictions set forth in Section 10(a).

(iv) Except as otherwise provided in any employment or other agreement for services between the Participant and the Company or any Subsidiary, and unless the Committee otherwise determines in a specific instance, each outstanding Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award or Other Stock-Based Award shall not be accelerated as described in Sections 9(a)(i), (ii) and (iii), if either (A) the Company is the surviving entity in the Change in Control and the Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award or Other Stock-Based Award continues to be outstanding after the Change in Control on substantially the same terms and conditions as were applicable immediately prior to the Change in Control or (B) the successor company or its parent company assumes or substitutes for the applicable Award, as determined in accordance with Section 10(c)(ii) of this Plan.

(b) ***Definition of "Change in Control."*** Unless otherwise specified in any employment or other agreement for services between the Participant and the Company or any Related Entity, or in an Award Agreement, a "***Change in Control***" shall mean the occurrence of any of the following:

(i) The acquisition by any Person of Beneficial Ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of more than fifty percent (50%) of the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors (the "***Outstanding Company Voting Securities***") (the foregoing Beneficial Ownership hereinafter being referred to as a "***Controlling Interest***"); provided, however, that for purposes of this Section 9(b), the following acquisitions shall not constitute or result in a Change in Control: (v) any acquisition directly from the Company; (w) any acquisition by the Company; (x) any acquisition by any Person that as of the Effective Date owns Beneficial Ownership of a Controlling Interest; (y) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Related Entity; or (z) any acquisition by any entity pursuant to a transaction which complies with clauses (1), (2) and (3) of subsection (iii) below; or

(ii) During any period of two (2) consecutive years (not including any period prior to the Effective Date) individuals who constitute the Board on the Effective Date (the "***Incumbent Board***") cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the Effective Date whose election, or nomination for election by the Company's shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or

(iii) Consummation of (A) a reorganization, merger, statutory share exchange or consolidation or similar transaction involving (x) the Company or (y) any one or more Subsidiaries whose combined revenues for the prior fiscal year represented more than 50% of the consolidated revenues of the Company and its Subsidiaries for the prior fiscal year (the "***Major Subsidiaries***"), or (B) a sale or other disposition of all or substantially all of the assets of the Company or the Major Subsidiaries, or the acquisition of assets or equity of another entity by the Company or any of its Subsidiaries (each of the events referred to in clauses (A) and (B) sometimes hereinafter being referred to a "***Business Combination***"), unless, following such Business Combination, (1) all or substantially all of the individuals and entities who were the Beneficial Owners, respectively, of the Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than fifty percent (50%) of the combined voting power of the then outstanding voting securities entitled to vote generally in the election of members of the board of directors (or comparable governing body of an entity that does not have such a board), as the case may be, of the entity resulting from such Business Combination (including, without limitation, an entity which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries) (the "***Continuing Entity***") in substantially the same proportions as their ownership, immediately prior to such Business Combination, of the Outstanding Company Voting Securities, (excluding any outstanding voting securities of the Continuing Entity that such Beneficial Owners hold immediately following the consummation of the Business Combination as a result of their ownership, prior to such consummation, of voting securities of any company or other entity involved in or forming part of such Business Combination other than the Company), (2) no Person (excluding any employee benefit plan (or related trust) of the Company or any Continuing Entity or any entity controlled by the Continuing Entity or any Person that as of the Effective Date owns Beneficial Ownership of a Controlling Interest) beneficially owns, directly or indirectly, fifty percent (50%) or more of the combined voting power of the then outstanding voting securities of the Continuing Entity except to the extent that such ownership existed prior to the Business Combination, and (3) at least a majority of the members of the Board of Directors or other governing body of the Continuing Entity were members of the Incumbent Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such Business Combination; or

(iv) Approval by the shareholders of the Company of a complete liquidation or dissolution of the Company.

Notwithstanding anything to the contrary herein, the term "Change in Control" shallnot include any sale of assets, a merger or other transaction effected exclusively for the purpose of changing the domicile of the Company.

10. ***General Provisions.***

(a) ***Compliance With Legal and Other Requirements***. The Company may, to the extent deemed necessary or advisable by the Committee, postpone the issuance or delivery of Shares or payment of other benefits under any Award until completion of such registration or qualification of such Shares or other required action under any federal or state law, rule or regulation, listing or other required action with respect to the Listing Market, or compliance with any other obligation of the Company, as the Committee, may consider appropriate, and may require any Participant to make such representations, furnish such information and comply with or be subject to such other conditions as it may consider appropriate in connection with the issuance or delivery of Shares or payment of other benefits in compliance with applicable laws, rules, and regulations, listing requirements, or other obligations.

(b) ***Limits on Transferability; Beneficiaries***. No Award or other right or interest granted under the Plan shall be pledged, hypothecated or otherwise encumbered or subject to any lien, obligation or liability of such Participant to any party, or assigned or transferred by such Participant otherwise than by will or the laws of descent and distribution or to a Beneficiary upon the death of a Participant, and such Awards or rights that may be exercisable shall be exercised during the lifetime of the Participant only by the Participant or his or her guardian or legal representative, except that Awards and other rights (other than Incentive Stock Options and Stock Appreciation Rights in tandem therewith) may be transferred to one or more Beneficiaries or other transferees during the lifetime of the Participant, and may be exercised by such transferees in accordance with the terms of such Award, but only if and to the extent such transfers are permitted by the Committee pursuant to the express terms of an Award Agreement (subject to any terms and conditions which the Committee may impose thereon), are by gift or pursuant to a domestic relations order, and are to a "Permitted Assignee" that is a permissible transferee under the applicable rules of the Securities and Exchange Commission for registration of securities on a Form S-8 registration statement. For this purpose, a Permitted Assignee shall mean (i) the Participant's spouse, children or grandchildren (including any adopted and step children or grandchildren), parents, grandparents or siblings, (ii) a trust for the benefit of one or more of the Participant or the persons referred to in clause (i), (iii) a partnership, limited liability company or corporation in which the Participant or the persons referred to in clauses (i) and (ii) are the only partners, members or shareholders, or (iv) a foundation in which any person or entity designated in clauses (i), (ii) or (iii) above control the management of assets. A Beneficiary, transferee, or other person claiming any rights under the Plan from or through any Participant shall be subject to all terms and conditions of the Plan and any Award Agreement applicable to such Participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

(c) ***Adjustments.***

(i) ***Adjustments to Awards***. In the event that any extraordinary dividend or other distribution (whether in the form of cash, Shares, or other property), recapitalization, forward or reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects the Shares and/or such other securities of the Company or any other issuer, then the Committee shall, in such manner as it may deem appropriate and equitable, substitute, exchange or adjust any or all of (A) the number and kind of Shares which may be delivered in connection with Awards granted thereafter, (B) the number and kind of Shares by which annual per-person Award limitations are measured under Section 4 hereof, (C) the number and kind of Shares subject to or deliverable in respect of

outstanding Awards, (D) the exercise price, grant price or purchase price relating to any Award and/or make provision for payment of cash or other property in respect of any outstanding Award, and (E) any other aspect of any Award that the Committee determines to be appropriate in order to prevent the reduction or enlargement of benefits under any Award.

(ii) ***Adjustments in Case of Certain Transactions***. In the event of any merger, consolidation or other reorganization in which the Company does not survive, or in the event of any Change in Control (and subject to the provisions of Section 9 of this Plan relating to the vesting of Awards in the event of any Change in Control), any outstanding Awards may be dealt with in accordance with any of the following approaches, without the requirement of obtaining any consent or agreement of a Participant as such, as determined by the agreement effectuating the transaction or, if and to the extent not so determined, as determined by the Committee: (A) the continuation of the outstanding Awards by the Company, if the Company is a surviving entity, (B) the assumption or substitution for, as those terms are defined below, the outstanding Awards by the surviving entity or its parent or subsidiary, (C) full exercisability or vesting and accelerated expiration of the outstanding Awards, or (D) settlement of the value of the outstanding Awards, to the extent vested, in cash or cash equivalents or other property followed by cancellation of such Awards in their entirety (which value, in the case of Options or Stock Appreciation Rights, shall be measured by the amount, if any, by which the Fair Market Value of a vested Share exceeds the exercise or grant price of the Option or Stock Appreciation Right as of the effective date of the transaction) and cancellation of underwater Awards for no consideration. For the purposes of this Plan, an Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award, Performance Award or Other Stock-Based Award shall be considered assumed or substituted for if following the applicable transaction the Award confers the right to purchase or receive, for each Share subject to the Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award, Performance Award or Other Stock-Based Award immediately prior to the applicable transaction, on substantially the same vesting and other terms and conditions as were applicable to the Award immediately prior to the applicable transaction, the consideration (whether stock, cash or other securities or property) received in the applicable transaction by holders of Shares for each Share held on the effective date of such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the applicable transaction is not solely common stock of the successor company or its parent or subsidiary, the Committee may, with the consent of the successor company or its parent or subsidiary, provide that the consideration to be received upon the exercise or vesting of an Option, Stock Appreciation Right, Restricted Stock Award, Restricted Stock Unit Award, Performance Award or Other Stock-Based Award, for each Share subject thereto, will be solely common stock of the successor company or its parent or subsidiary substantially equal in fair market value to the per share consideration received by holders of Shares in the applicable transaction. The determination of such substantial equality of value of consideration shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding.

(iii) ***Other Adjustments***. The Committee or the Board is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including Awards subject to satisfaction of performance goals, or performance goals and conditions relating thereto) in recognition of unusual or nonrecurring events (including, without limitation, acquisitions and dispositions of businesses and assets) affecting the Company, any Related Entity or any business unit, or the financial statements of the Company or any Related Entity, or in response to changes in applicable laws, regulations, accounting principles, tax rates and regulations or business conditions or in view of the Committee's assessment of the business strategy of the Company, any Related Entity or business unit thereof, performance of comparable organizations, economic and business conditions, personal performance of a Participant, and any other circumstances deemed relevant.

(d) ***Award Agreements.*** Each Award Agreement shall either be (a) in writing in a form approved by the Committee and executed by the Company by an officer duly authorized to act on its behalf, or (b) an electronic notice in a form approved by the Committee and recorded by the Company (or its designee) in an electronic recordkeeping system used for the purpose of tracking one or more types of Awards as the Committee may provide; in each case and if required by the Committee, the Award Agreement shall be executed or

otherwise electronically accepted by the recipient of the Award in such form and manner as the Committee may require. The Committee may authorize any officer of the Company to execute any or all Award Agreements on behalf of the Company. The Award Agreement shall set forth the material terms and conditions of the Award as established by the Committee consistent with the provisions of the Plan.

(e) ***Taxes***. The Company and any Related Entity are authorized to withhold from any Award granted, any payment relating to an Award under the Plan, including from a distribution of Shares, or any payroll or other payment to a Participant, amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company or any Related Entity and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Shares or other property and to make cash payments in respect thereof in satisfaction of a Participant's tax obligations, either on a mandatory or elective basis in the discretion of the Committee. The amount of withholding tax paid with respect to an Award by the withholding of Shares otherwise deliverable pursuant to the Award or by delivering Shares already owned shall not exceed the maximum statutory withholding required with respect to that Award (or such other limit as the Committee shall impose, including without limitation, any limit imposed to avoid or limit any financial accounting expense relating to the Award).

(f) ***Changes to the Plan and Awards***. The Board may amend, alter, suspend, discontinue or terminate the Plan, or the Committee's authority to grant Awards under the Plan, without the consent of shareholders or Participants, except that any amendment or alteration to the Plan shall be subject to the approval of the Company's shareholders not later than the annual meeting next following such Board action if such shareholder approval is required by any federal or state law or regulation (including, without limitation, Rule 16b-3) or the rules of the Listing Market, and the Board may otherwise, in its discretion, determine to submit other such changes to the Plan to shareholders for approval; provided that, except as otherwise permitted by the Plan or Award Agreement, without the consent of an affected Participant, no such Board action may materially and adversely affect the rights of such Participant under the terms of any previously granted and outstanding Award. The Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue or terminate any Award theretofore granted and any Award Agreement relating thereto, except as otherwise provided in the Plan; provided that, except as otherwise permitted by the Plan or Award Agreement, without the consent of an affected Participant, no such Committee or the Board action may materially and adversely affect the rights of such Participant under terms of such Award.

(g) ***Clawback of Benefits.***

(i) The Company may (A) cause the cancellation of any Award, (B) require reimbursement of any Award by a Participant or Beneficiary, and (C) effect any other right of recoupment of equity or other compensation provided under this Plan or otherwise in accordance with any Company policies that currently exist or that may from time to time be adopted or modified in the future by the Company and/or applicable law (each, a "***Clawback Policy***"). In addition, a Participant may be required to repay to the Company certain previously paid compensation, whether provided under this Plan or an Award Agreement or otherwise, in accordance with any Clawback Policy. By accepting an Award, a Participant is also agreeing to be bound by any existing or future Clawback Policy adopted by the Company, or any amendments that may from time to time be made to the Clawback Policy in the future by the Company in its discretion (including without limitation any Clawback Policy adopted or amended to comply with applicable laws or stock exchange requirements) and is further agreeing that all of the Participant's Award Agreements may be unilaterally amended by the Company, without the Participant's consent, to the extent that the Company in its discretion determines to be necessary or appropriate to comply with any Clawback Policy.

(ii) If the Participant, without the consent of the Company, while employed by or providing services to the Company or any Related Entity or after termination of such employment or service, violates a non-competition, non-solicitation or non-disclosure covenant or agreement or otherwise engages in activity that is in conflict with or adverse to the interest of the Company or any Related Entity, as determined by the

Committee in its sole discretion, then (i) any outstanding, vested or unvested, earned or unearned portion of the Award may, at the Committee's discretion, be canceled and (ii) the Committee, in its discretion, may require the Participant or other person to whom any payment has been made or Shares or other property have been transferred in connection with the Award to forfeit and pay over to the Company, on demand, all or any portion of the gain (whether or not taxable) realized upon the exercise of any Option or Stock Appreciation Right and the value realized (whether or not taxable) on the vesting or payment of any other Award during the time period specified in the Award Agreement or otherwise specified by the Committee.

(g) ***Limitation on Rights Conferred Under Plan***. Neither the Plan nor any action taken hereunder or under any Award shall be construed as (i) giving any Eligible Person or Participant the right to continue as an Eligible Person or Participant or in the employ or service of the Company or a Related Entity; (ii) interfering in any way with the right of the Company or a Related Entity to terminate any Eligible Person's or Participant's Continuous Service at any time, (iii) giving an Eligible Person or Participant any claim to be granted any Award under the Plan or to be treated uniformly with other Participants and Employees, or (iv) conferring on a Participant any of the rights of a shareholder of the Company or any Related Entity including, without limitation, any right to receive dividends or distributions, any right to vote or act by written consent, any right to attend meetings of shareholders or any right to receive any information concerning the Company's or any Related Entity's business, financial condition, results of operation or prospects, unless and until such time as the Participant is duly issued Shares on the stock books of the Company or any Related Entity in accordance with the terms of an Award. None of the Company, its officers or its directors shall have any fiduciary obligation to the Participant with respect to any Awards unless and until the Participant is duly issued Shares pursuant to the Award on the stock books of the Company in accordance with the terms of an Award. Neither the Company, nor any Related Entity, nor any of their respective officers, directors, representatives or agents is granting any rights under the Plan to the Participant whatsoever, oral or written, express or implied, other than those rights expressly set forth in this Plan or the Award Agreement.

(h) ***Unfunded Status of Awards; Creation of Trusts***. The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant or obligation to deliver Shares pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give any such Participant any rights that are greater than those of a general creditor of the Company or Related Entity that issues the Award; provided that the Committee may authorize the creation of trusts and deposit therein cash, Shares, other Awards or other property, or make other arrangements to meet the obligations of the Company or Related Entity under the Plan. Such trusts or other arrangements shall be consistent with the "unfunded" status of the Plan unless the Committee otherwise determines with the consent of each affected Participant. The trustee of such trusts may be authorized to dispose of trust assets and reinvest the proceeds in alternative investments, subject to such terms and conditions as the Committee may specify and in accordance with applicable law.

(i) ***Nonexclusivity of the Plan***. Neither the adoption of the Plan by the Board nor its submission to the shareholders of the Company for approval shall be construed as creating any limitations on the power of the Board or a committee thereof to adopt such other incentive arrangements as it may deem desirable.

(j) ***Payments in the Event of Forfeitures; Fractional Shares***. Unless otherwise determined by the Committee, in the event of a forfeiture of an Award with respect to which a Participant paid cash or other consideration, the Participant shall be repaid the amount of such cash or other consideration. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(k) ***Governing Law***. Except as otherwise provided in any Award Agreement, the validity, construction and effect of the Plan, any rules and regulations under the Plan, and any Award Agreement shall be determined in accordance with the laws of the State of Delaware without giving effect to principles of conflict of laws, and applicable federal law.

(l) ***Foreign Laws***. The Committee shall have the authority to adopt such modifications, procedures, and subplans as may be necessary or desirable to comply with provisions of the laws of foreign countries in which the Company or its Related Entities may operate to assure the viability of the benefits from Awards granted to Participants performing services in such countries and to meet the objectives of the Plan.

(m) ***Plan Effective Date; Termination of Plan***. The Plan shall become effective on the Effective Date. The Plan shall terminate at the earliest of (a) such time as no Shares remain available for issuance under the Plan, (b) termination of this Plan by the Board, or (c) the tenth anniversary of the Effective Date. Awards outstanding upon expiration of the Plan shall remain in effect until they have been exercised or terminated or have expired.

(n) ***Construction and Interpretation.*** Whenever used herein, nouns in the singular shall include the plural, and the masculine pronoun shall include the feminine gender. Headings of Articles and Sections hereof are inserted for convenience and reference and constitute no part of the Plan.

(o) ***Severability***. If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

3. Types of Awards and Section 102 Election

3.1 102 Trustee Grants shall be made pursuant to either (a) the 102 Capital Gains Route Grants or (b) the 102 Ordinary Income Route Grants. The Company's Election regarding the type of 102 Trustee Grant shall be filed with the ITA. Once the Company has filed such Election, it may change its election only after the elapse of at least 12 months from the end of the calendar year in which the first grant was made in under the previous Election, in accordance with Section 102. For the avoidance of doubt, such Election shall not prevent the Company from granting Non-Trustee Grants to Eligible 102 Participants at any time.

3.2 Eligible 102 Participants may receive only 102 Trustee Grants or Non- Trustee Grants under this Appendix. Participants who are Israeli Non-Employee Participant may be granted only 3(i) Options under this Appendix.

4. Terms and Conditions of 102 Trustee Grants

4.1 Each 102 Trustee Grant will be deemed granted on the date stated in a written notice by the Company and shall be subject to compliance with the requirements of Section 102 and the execution by the Israeli Participant of any document required pursuant to this Section 4.

4.2 Notwithstanding the provisions of the Plan, each 102 Trustee Grant granted to an Eligible 102 Participant and each certificate for shares of Stock acquired pursuant to the exercise or vesting of an Award or issued subsequently following any realization of rights derived from the Awards, shall be issued to the Trustee and shall be held in trust for the benefit of the Israeli Participant for the Required Holding Period.

4.3 Each 102 Trustee Grant (whether a 102 Capital Gains Route Grant or a 102 Ordinary Income Route Grant, as applicable) shall be subject to the relevant terms of Section 102 and the ITO, which shall be deemed an integral part of the 102 Trustee Grant and shall prevail over any term contained in the Plan, this Appendix or any agreement that are not consistent therewith. Any provision of the ITO and any additional terms required by the ITA not expressly specified in this Appendix or the Award Agreement, as applicable, which are necessary to receive or maintain any tax benefit pursuant to Section 102 shall be binding on the Eligible 102 Participant. The Trustee and the Eligible 102 Participant granted a 102 Trustee Grant shall comply with the ITO, and the terms and conditions of the Trust Agreement entered into between the Company and/or the Trustee. For avoidance of doubt, it is reiterated that compliance with the ITO specifically includes compliance with the Rules. Further, each

Eligible 102 Participant agrees to execute any and all documents which the Company or the Trustee may reasonably determine to be necessary in order to comply with the provision of any applicable law, and, particularly, Section 102.

4.4 During the Required Holding Period, the Eligible 102 Participant shall not require the Trustee to release or sell the Shares including any Shares received subsequently following any realization of rights derived from the Awards (including stock dividends) to the Eligible 102 Participant or to any third party, unless permitted to do so by applicable law. Notwithstanding the foregoing, the Trustee may, pursuant to a written request and subject to applicable law, release and transfer such Shares to a designated third party or to the Eligible 102 Participant, provided that both of the following conditions have been satisfied prior to such transfer: (i) all taxes required to be paid upon the release and transfer of the Shares have been withheld for transfer to the tax authorities and (ii) the Trustee has received written confirmation from the Company that all requirements for such release and transfer according to the terms of the Company's corporate documents, the Plan, any applicable agreement and any applicable law have been satisfied. It is hereby acknowledged that such sale or release during the Required Holding Period will result in different tax ramifications to the Eligible 102 Participant under Section 102 of the ITO and the Rules and/or any other regulations or orders or procedures promulgated thereunder, which shall apply to and shall be borne solely by such Eligible 102 Participant.

4.5 In the event a stock dividend is declared and/or additional rights are granted with respect to Shares which are subject to 102 Trustee Grants or the realization thereof, such dividend and/or rights shall also be subject to the provisions of this Section 4 and the Required Holding Period for such shares and/or rights shall be measured from the commencement of the Required Holding Period for the Awards with respect to which the dividend was declared and/or rights granted. In the event of a cash dividend on Shares, the Trustee shall transfer the dividend proceeds to the Eligible 102 Participant after deduction of taxes and mandatory payments in compliance with applicable withholding requirements.

Without derogating from the generality of the above, and from the provisions of the Plan, the following adjustments shall apply to the following circumstances:

(A) Share Dividend/Bonus Shares. If the Company shall distribute Shares as share dividend or bonus shares then the number of Shares resulting from the exercise of any Award shall be increased or decreased (as applicable) by such number of Shares of the same type that the Israeli Participants is entitled to receive had such Israeli Participant exercised the Award until the last trading date prior to the EX Date (as such term is defined in TASE rules) of such distribution. In such event the applicable exercise price shall not be changed. This adjustment method may not be amended, restated or otherwise changed.

(B) Rights Offering. If the Company offers shares of any class of stock to its stockholders by way of rights offering then the exercise price of any Award shall not be adjusted. However, in such event the number of Shares to be issued pursuant to any exercise of an Award, that were not issued prior to the record date of such rights offering shall be adjusted in accordance with the benefit component of the rights so offered as reflected by the ratio between the closing price of the Shares in TASE of the last trading date prior to the Ex-Date of such rights offering and the base price "Ex- Rights" (as such term is defined in TASE rules).

(C) Cash Dividends. If the Company distributes cash dividends and the record date of such distribution falls prior to the exercise of an Award (including unvested Awards), then the exercise price of each Share that is subject to such Award shall be reduced by the gross amount of the cash dividend per share that was paid to the Company's stockholders pursuant to such distribution provided that the exercise price of any Share shall not be lower than the nominal value thereof. The mechanism for adjustment of exercise price in cases of payment of a cash dividend may be amended by the Board in accordance with the requirements or customary mechanism implemented on any applicable stock exchange.

4.6 Upon receipt of any 102 Trustee Grant, the Eligible 102 Participant will consent to the grant of the Award under Section 102 and undertake to comply with the terms of Section 102 and the Trust Agreement.

5. Assignability

As long as Awards and Shares are held by the Trustee on behalf of the Eligible 102 Participant, all rights of the Eligible 102 Participant over the Awards and Shares are personal, cannot be transferred, assigned, pledged, given as collateral or mortgaged, other than by will or laws of descent and distribution.

6. Tax Consequences

6.1 Any tax consequences arising from the grant, vesting or exercise of any Award, from the issuance or sale of Shares covered thereby or subject thereto, or from any other event or act (of the Company, and/or its affiliates, and/or the Trustee, and/or the Israeli Participant), hereunder, shall be borne solely by the Israeli Participant. The Company and/or its affiliates and/or the Trustee shall withhold taxes according to the requirements under the applicable laws, rules, and regulations. Furthermore, the Israeli Participant shall agree to indemnify the Company and/or its affiliates and/or the Trustee and hold them harmless against and from any and all liability for any such tax or interest or penalty thereon, including without limitation, liabilities relating to the necessity to withhold, or to have withheld, any such tax from any payment made to the Israeli Participant. The Company and/or any of its affiliates and/or the Trustee may make such provisions and take such steps as it may deem necessary or appropriate for the withholding of all taxes required by law to be withheld with respect to grants under the Plan and the exercise and/or sale or other disposition thereof, including, but not limited, to (i) deducting the amount so required to be withheld from any other amount (or Shares issuable) then or thereafter to be provided to the Israeli Participant, including by deducting any such amount from an Israeli Participant's salary or other amounts payable to the Israeli Participant, to the maximum extent permitted under law and/or (ii) requiring the Israeli Participant to pay to the Company or any of its affiliates the amount so required to be withheld as a condition of the issuance, delivery, distribution or release of any Shares and/or (iii) by causing the exercise and sale or disposition of any Award or Shares held by or on behalf of the Israeli Participant to cover such liability. In addition, the Israeli Participant will be required to pay any amount due in excess of the tax withheld and transferred to the tax authorities, pursuant to applicable tax laws, regulations and rules.

6.2 The Company and/or, when applicable, the Trustee shall not be required to release any Award or Share to an Israeli Participant until all required Tax payments have been fully made.

6.3 With respect to Non-Trustee Grants, if the Israeli Participant ceases to be employed by the Company or any Subsidiary or Parent thereof, the Eligible 102 Participant shall extend to the Company and/or the applicable affiliate a security or guarantee for the payment of tax due at the time of sale of Shares to the satisfaction of the Company, all in accordance with the provisions of Section 102 of the ITO and the Rules.

7. Governing Law and Jurisdiction

Notwithstanding any other provision of the Plan, with respect to Israeli Participants subject to this Appendix, this Appendix shall be governed by, and interpreted in accordance with, the laws of the State of Israel.

Section 145(b) of the DGCL provides, in general, that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made with respect to any claim, issue or matter as to which he or she shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, he or she is fairly and reasonably entitled to indemnity for such expenses that the Court of Chancery or other adjudicating court shall deem proper.

Undertakings

The undersigned registrant hereby undertakes:

A. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

B. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

D. That, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

E. That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, that in a primary offering of securities of the undersigned

registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

F. That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

G. That every prospectus (i) that is filed pursuant to paragraph (F) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

H. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

I. The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

J. To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

2.1 Exercisability of the Warrant. Subject to the terms and conditions of this Warrant, this Warrant may be exercised by the Holder, in whole, from the Effective Date until the Maturity Date (such period, the "***Exercise Period***").

2.2 Method of Exercise. This Warrant shall be exercised by surrendering this Warrant at the principal offices of the Company, with the subscription form attached hereto duly executed by the Holder, and by payment in a form specified in Section 2.3 of an amount equal to the product obtained by multiplying (i) the number of Warrant Shares to be purchased by the Holder by (ii) the Warrant Price as determined in accordance with the terms hereof.

2.3 Form of Payment. Payment for the Warrant Shares upon exercise may be made, at the election of the Holder, by (a) a check payable to the Company's order, (b) wire transfer of funds to the Company, or (c) any combination of the foregoing.

2.4 Restrictions on Exercise. This Warrant may not be exercised if the issuance of the Warrant Shares upon such exercise would constitute a violation of any applicable federal or state securities laws or other laws or regulations. As a condition to the exercise of this Warrant, the Holder shall execute the subscription form attached hereto as Exhibit 1 confirming and acknowledging that the representations and warranties of the Holder set forth in Section 4.1 of the Purchase Agreement are true and complete as of the date of exercise.

3. ISSUANCE OF WARRANT SHARES. This Warrant shall be deemed to have been exercised immediately prior to the close of business on the date of its surrender for exercise as provided above, and the person entitled to receive the Warrant Shares issuable upon such exercise shall be treated for all purposes as the holder of record of such Warrant Shares as of the close of business on such date. As soon as practicable on or after such date (in any event within five (5) Business Days), and if the shares of Common Stock are then certificated, the Company shall issue and deliver to the person or persons entitled to receive the same a certificate or certificates for the number of Warrant Shares issuable upon such exercise.

4. RIGHTS ATTACHING TO THE WARRANT SHARES. The Warrant Shares issued pursuant to the exercise of the Warrants shall be validly issued, fully paid and non-assessable.

5. RESERVED.

6. ADJUSTMENT PROVISIONS. The number and character of the Warrant Shares issuable upon exercise of this Warrant and the Warrant Price therefor, are subject to adjustment upon each event in Sections 6.1 through 6.3 occurring between the Effective Date and the earlier of the time that it is exercised or the Maturity Date:

6.1 Adjustment for Splits; Subdivisions; and Combinations. The Warrant Price and the number of Warrant Shares for which this Warrant remains exercisable shall each be proportionally adjusted on an equitable basis in the event that the Company (i) forward splits or subdivides its outstanding shares of Common Stock into a greater number of shares of Common Stock, or (ii) reverse splits or combines its outstanding shares of Common Stock into a smaller number of shares of Common Stock.

6.2 Adjustment for Reorganization, Consolidation, Merger. (a) In case of any reclassification or reorganization of the Company or (b) in case the Company shall consolidate with or merge into one or more other corporations or entities, in each case that results in the holders of Warrant Shares becoming entitled to receive stock or securities or property (in each case other than Warrant Shares) with respect to or in exchange for such Warrant Shares (each, a "***Reorganization Event***"), then, and in each such case, the Holder, upon the exercise of this Warrant after such Reorganization Event shall be entitled to receive, in lieu of the Warrant Shares, the stock or other securities or property which the Holder would have been entitled to receive upon such Reorganization Event if, immediately prior to such Reorganization Event, the Holder had completed such exercise of this Warrant, all subject to further adjustment as provided in this Warrant. If after such Reorganization Event, the Warrant is exercisable for securities of a corporation or entity other than the Company, then such corporation or entity shall duly execute and deliver to the Holder a supplement hereto acknowledging such corporation's or other entity's obligations under this Warrant; and in each such case, the terms of this Warrant shall be applicable to the shares of stock or other securities or property receivable upon the exercise of this Warrant after the consummation of such Reorganization Event.

6.3 Conversion of Warrant Shares. In case all (a) the authorized Warrant Shares are converted into other securities or property of the Company, or (b) the Warrant Shares otherwise cease to exist or to be authorized by the Company Organizational Documents (each, a "***Conversion Event***"), then the Holder, upon exercise of this Warrant at any time after such Conversion Event, shall receive, in lieu of the number of Warrant Shares that would have been issuable upon exercise of this Warrant immediately prior to such Conversion Event, the other securities or property of the Company that the Holder would have been entitled to receive upon the Conversion Event, if, immediately prior to such Conversion Event, the Holder had completed such exercise of this Warrant.

6.4 Notice of Adjustments. The Company shall promptly give written notice of each adjustment under this Section 6 of the Warrant Price or the number of Warrant Shares or other securities that remain issuable upon exercise of this Warrant. The notice shall describe the adjustment and show in reasonable detail the facts on which the adjustment or readjustment is based.

6.5 No Change Necessary. The form of this Warrant need not be changed because of any adjustment in the Warrant Price or in the number of Warrant Shares issuable upon its exercise.

6.6 Fractional Shares. No fractional shares of Common Stock or strips representing fractional shares of Common Stock shall be issued upon the exercise of this Warrant. With respect to any fraction of a share of Common Stock called for upon any exercise hereof, the Company shall pay to the Holder an amount in cash equal to such fraction multiplied by the fair market value of a share of Common Stock.

7. COVENANTS OF THE COMPANY.

7.1 No Impairment. The Company will not, by amendment of the Company Organizational Documents, or through reorganization, consolidation, merger, dissolution, issue or sale of securities, sale of assets or any other voluntary action, willfully avoid or seek to avoid the observance or performance of any of the material terms of this Warrant, but will at all times in good faith assist in the carrying out of all such material terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the holder against wrongful impairment. Without limiting the generality of the foregoing, the Company will take all such action as may be necessary in order that the Company may duly and validly issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant.

7.2 Reservation of Warrant Shares. The Company further covenants and agrees that the Company will, at all times during the Exercise Period, take such corporate or other requisite action as required in order to have authorized and reserved, free from preemptive rights, a sufficient number of Warrant Shares to satisfy the exercise of this Warrant from time to time as these Warrants are presented for exercise in accordance with the terms hereof. If, at any time during the Exercise Period, the number of authorized but unissued shares of Common Stock shall not be sufficient to permit exercise of this Warrant, the Company will promptly take such corporate or other requisite action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purposes. 2.1 The Series C Bonds

2.1.1 Subject to the publication of the Shelf Offer Report, the Company will issue, at its sole discretion, a Series of Bonds (Series C), registered by name, par value NIS 1 each.

The principal of the Series C Bonds will be repaid in eight (8) unequal annual payments, on June 30 of each of the years 2017 to 2024 (inclusive), in the following manner: (1) the first payment of the principal of the Series C Bonds that will be paid in 2017 will be an amount of 5%; (2) each of the second to seventh payments of the principal of the Series C Bonds between the years 2018 to 2023 (inclusive) will be an amount of 10%; and (3) the last payment of the principal of the Series C Bonds that will be paid in 2024 will be an amount of 35%.

The Series C Bonds bear fixed annual (unlinked) interest at the rate to be determined in a tender. The interest for the Series C Bonds will be paid in equal semiannual payments, on December 31, 2016, on June 30 and on December 31 of each of the years 2017 to 2023 (inclusive), and on June 30, 2024, for the interest period that ended on the day prior to the payment date, apart from the first interest payment for the Series C Bonds, which will be on December 31, 2016, for the period beginning on the first day of trade following the day of the tender for the Series C Bonds and ending on December 30, 2016, which will be calculated on the basis of 365 days in a year according to the number of days in that period. The last payment of interest for the Series C Bonds will be on June 30, 2024.

2.1.2 The principal of the Series C Bonds and their interest are not linked to the Consumer Price Index.

2.1.3 The Series C Bonds, to the extent that such will be issued, will be listed on the TASE.

2.2 **Series Expansion**

2.2.1 If following the date of the first issuance of the Series C Bonds, such series will be expanded by the Company, the Holders of the Series C Bonds that will be issued in the course of the expansion of the Series C Bonds will not be entitled to receive a payment on account of the principal and/or interest for the aforesaid Bonds that the effective date for the payment thereof will occur prior to the date of such issuance.

2.2.2 The Company, subject to the fulfillment of the undertaking in section 6.10.3 below and the provisions of section 2.2.3 below, may issue at any time, and from time to time, including to a Related Holder (as the term is defined in section 4.3 below), whether in a private placement, whether in an IPO according to a Prospectus or otherwise, without any need for the consent of the Holders of the Bonds in circulation at that time or of the Trustee, subject to the provisions of applicable law, additional Series C Bondswith terms that will be identical to the terms of the Series C Bonds, at any price and in any manner according to the Company's sole discretion, including a different discount rate or premium from other issuances that were made of Series C. The Trustee will hold office as Trustee for the Series C Bonds that will be in circulation from time to time, including in a case of a series expansion, and the Trustee's consent to hold office as aforesaid for the expanded series will not be required. For the avoidance of doubt, the Holders of the additional Bonds that will be issued as stated in this section will not be entitled to interest for periods of time that have passed prior to the date of their issuance. Subject to the aforesaid, the Bonds that will be issued according to the Shelf Offer Report and additional Series C Bonds, if and to the extent that they will be issued in the future, will constitute one series for all intents and purposes. In the event of an expansion of the Series of Bonds, this Trust Deed will also apply to all the additional Bonds that will be issued from Series C.

Should the Company issue in the future additional Series C Bonds, within the framework of an expansion of the series, at a discount rate that is different from the discount rate for that series (including no discount), the Company will apply, before expanding the Series C Bond series, to the Israeli Tax Authority in order to receive its approval that for the purpose of withholding tax on the discount for the Bonds, a uniform discount rate will be determined for the Bonds, according to a formula that weighs the different discount rates in Series C, if exist (hereinafter: the "**Weighted Discount Rate**""). In case such approval is received, the Company will calculate, before expanding the series, the Weighted Discount Rate for all the Series C Bonds according to that approval, and before expanding the series, the Company will file an immediate report in which it will give notice of the Weighted Discount Rate for the entire Series C Bonds and shall withhold tax on the redemption dates of the Series C Bonds according to the Weighted Discount Rate as aforesaid and according to the provisions of the law. In such a case, all the other provisions of the law relating

to the taxation of the discount will apply. If approval as aforesaid is not received from the Israeli Tax Authority, the Company will withhold tax from the discount for the Series C Bonds according to the highest discount rate created for the series. In such a case, the Company will file an immediate report before expanding the series, in which it will give notice of the discount rate that was determined for the whole series as aforesaid, and all the other provisions of the law relating to the taxation of the discount will apply. The Company will withhold tax at the time of redeeming the Series C Bonds, according to the discount rate that will be reported as aforesaid. It is clarified that in any case of an expansion of the Series C Bond series, for any reason whatsoever, in case that the discount rate determined within the framework of the issuance of the Series C Bonds will be higher than the discount rate of the series before the expansion of the series (including no discount), there may be cases in which the Company will withhold tax on a discount at a higher rate than the discount that was determined for any Bondholder of the series prior the expansion of the series (hereinafter: the **"Additional Discount**"), whether an approval was received from the Israeli Tax Authority to determine a uniform discount rate for the relevant series or not. A taxpayer who will hold the Series C Bonds before the expansion of the series until the repayment of the Bonds held by it will be entitled to file a tax report with the Israeli Tax Authority and to receive a tax refund in the amount of the tax that was withheld from the Additional Aiscount, to the extent that such taxpayer is entitled to such a refund under the law.

2.2.3 The conditions for the expansion of the Series C Bond series are as follows: (a) an expansion of the series shall not in itself result in the Company not complying with any of the financial covenants determined in sections 6.7.1 to 6.7.3 below, immediately following the aforesaid expansion; (b) on the date of the expansion of the series, the Company will be in compliance with the conditions for an expansion as stated in section 6.6.5.2 below. Prior to the expansion of the series as aforesaid, the Company will deliver to the Trustee a written confirmation, signed by the most senior financial officer of the Company, together with a calculation in an Excel file indicating that the issuance of the additional Bonds from that series will not breach the conditions stated in subsection (a), on the date of the expansion; (c) on the date of the expansion of the series, the Company will deposit the required amounts in the Interest Cushion Account, according to the provisions of section 6.10.3 below. The Trustee will rely on the Company's confirmation and shall not be required to make an additional examination on its behalf.

2.3 The Company reserves the right to issue at any time, and from time to time, including to a Related Holder (as the term is defined in section 4.3 below), without any need to obtain the Trustee's consent and/or the consent of the Holders of the Bonds in circulation at that time, whether in a private placement, an issuance to the public according to a Prospectus or otherwise, other Series of Bonds that are not Series C Bonds (hereinafter: "**Other Bonds**") or other securities of any kind or type whatsoever, whether they grant a right to convert them into shares of the Company or not, with such

redemption, interest, linkage, repayment rank in the event of liquidation and any other terms as the Company deems fit, whether they are superior, equal or inferior to the terms of the Series C Bonds. Notwithstanding the aforesaid, should the Company issue Bonds from other series that are not secured by any collateral, the Bonds of the other series will not be superior to the Series C Bonds at the time of the Company's liquidation. Prior to the date of issuance of Bonds from other series that are not secured by any collateral, the Company will deliver to the Trustee a confirmation signed by the CEO of the Company or a senior financial officer in that the Bonds from the other series are not superior to the Series C Bonds upon liquidation.

2.4 This right of the Company shall not release the Trustee from examining the issuance in section 2.3 as aforesaid and/or prejudice the Trustee's responsibility under any applicable law, to the extent that such a responsibility is imposed on the Trustee under any applicbale law. Nor shall it derogate from the rights of the Trustee and the Bondholders under this Trust Deed.

2.5 The Company shall give notice in an immediate report of the issuance of Bonds as stated in section 2.3 above, to the extent that it has an obligation to do so under the applicable law.

2A. **Rating of the Bonds**

The Bonds issued pursuant to the Shelf Offer Report will be issued without a rating.

The Bonds may be rated in the future by a rating Company that obtained the approval of the Commissioner of the Capital Market at the Ministry of Finance (hereinafter: the "**Rating Company**"). The Company does not undertake to replace a Rating Company or not to terminate a communication with the Rating Company during the period of the Bonds. In case the Company replaces the Rating Company at a time when it is the only Rating Company rating the Bonds, the Company will give such notice to the Trustee and the Bondholders and will state in its notice the reasons for replacing the Rating Company. It is clarified that the foregoing will not derogate from the Company's right to replace a Rating Company at any time, at its sole discretion and for any reason that it deems fit.

It should be clarified that nothing in the aforesaid constitutes an undertaking of the Company to issue rated Bonds and/or to continue to rate Bonds (to the extent that they will be rated in the future) throughout the course of their existence.

For the avoidance of doubt, it should be clarified that a decrease in the rating, to the extent that the Bonds will be rated, or the stopping of a rating, to the extent that the Bonds will be rated, will not entitle the Bondholders to any payment or any other remedy.

3. **The Appointment of the Trustee; the Holding of Office coming into Effect; the Period of Holding Office; the Expiration of the Office; Resignation; Dismissal; the Trustee's Duties**

3.1 The Company hereby appoints the Trustee as the first Trustee for the Bondholders only, under the provisions of section 35B of the Securities Law, including for individuals entitled to payments by virtue of the Bonds that were not paid after their date of payment.

3.2 If the Trustee is replaced by another Trustee, the other Trustee will be the Trustee for the Bondholders under the provisions of chapter E1 of the Securities Law, including for individuals entitled to payments by virtue of the Bonds that were not paid after their date of payment.

The Period of Holding Office; the Expiration of the Office; Resignation; Dismissal

3.3 The first Trustee will hold office from the date stated in section 3.1 above (and following the issuance of the Series C Bonds) and its office will end on the date of convening a meeting of Holders (hereinafter: the "**First Appointment Meeting**"), which the Trustee will convene no later than fourteen (14) days after the date of filing the second annual report regarding the trust's affairs under section 35H1(a) of the Securities Law. To the extent that the First Appointment Meeting (in a resolution adopted by an ordinary majority of the Bondholders) will approve the first Trustee's continued holding of office, it will continue to hold office as Trustee until the end of the additional appointment period that will be determined at the First Appointment Meeting (which may be until the final repayment date of the Bonds).

To the extent that the First Appointment Meeting and/or any later meeting limited the Trustee's additional appointment period, the appointment period will end upon a resolution regarding its continued holding of office and/or upon the appointment of another Trustee in its stead, provided that the identity of the other Trustee was proposed by the Company and approved according to the provisions of the Securities Law.

3.4 The Trustee's duties are according to any applicable law, including the Securities Law, as it will be in force from time to time, and including the actions in **Annex 3** attached to this Deed. The Trustee's contractual relationship in this Trust Deed is as an agent on behalf of the Bondholders.

The Trustee's Authorities

3.5 The Trustee will represent the Bondholders on every matter arising from the Company's undertakings towards them, and will be entitled for this purpose to act to realize the rights granted to the Holders under the Securities Law or under the Trust Deed.

3.6 The actions of the Trustee are valid, notwithstanding any defect that is discovered in the appointment or its qualifications.

3.7 The Trustee may file any proceeding to protect the rights of the Holders under any law and according to the provisions detailed in this Trust Deed.

3.8 The Trustee may appoint agents, as stated in section 21 of this Deed.

3.9 The Trustee's signature on this Trust Deed does not constitute as an expression of its opinion regarding the quality of the offered securities or the worthwileness of investing in them.

3.10 The Trustee will not be liable to give notice to any Party regarding the signing of this Trust Deed.

3.11 The Trustee will not intervene in any way whatsoever in the management of the Company's business or affairs, and this is not included among its duties.

3.12 Subject to the provisions of any applicable law, the Trustee is not liable to act in a manner that is not stated expressly in this Trust Deed, so that any information, including about the Company and/or its ability to comply with its undertakings to the Bondholders, will come to its attention, and that is not one of its duties.

3.13 The Trustee may rely on the presumption stated in section 25 below and rely on the correctness of the identity of an unregistered Bondholder as it will be delivered to the Trustee by a person whose name is registered as the holder of a power of attorney in a power of attorney issued by a registration Company, to the extent that the identity of the holder was not stated in the power of attorney.

3.14 The Trustee may rely, in the course of it acting as Trustee, on every written document, including a letter of instructions, notice, request, consent or approval, which appears to be signed or issued by any person or entity that the Trustee believes in good faith was signed or issued by him.

4. **The Purchase of Bonds by the Company and/or by a Related Holder**

4.1 The Company reserves the right, subject to any law, to purchase (whether on the TASE or over the counter), at any time, at any price and on any terms that it deems fit (and from sellers that will be chosen at its discretion and without any obligation to apply to all the Holders), Series C Bonds that will be in circulation from time to time, without prejudice to its obligation of repayment. The Company will give notice in an immediate report of any case of such a purchase by the Company, to the extent that it is required to do so by law.

4.2 The Series C Bonds that will be purchased by the Company will be canceled upon their purchase, will be delisted from the TASE and the Company will not be entitled to reissue them. Should the Bonds be purchased during trading on the TASE, the Company will apply to the TASE Clearing House with a request to withdraw the Bond Certificates.

4.3 A subsidiary of the Company and/or another corporation controlled by it and/or the controlling shareholders in the Company (directly or indirectly) and/or a corporation controlled by the controlling shareholders of the Company (directly or indirectly) or their relatives (hereinafter: "**Related Holder**") will be entitled, at their discretion and subject to any law, to purchase and/or sell Series C Bonds, from time to time, on the TASE or over the counter, including by way of an issuance by the Company. The Bonds that will be held as aforesaid by a Related Holder will be considered an asset of the Related Holder, will not be delisted from the TASE, subject to the rules of the TASE, and may be transferred as the other Bonds. As long as the Bonds will be held by a Related Holder, they will not entitle a Related Holder as aforesaid to a voting right at any meeting of the Bondholders, will not be taken into account for the purpose of determining whether there is a quorum and will not be included in the "balance of the par value of the Bonds in circulation" for the voting and the counting of the present individuals and the votes at meetings or class meetings. The Company will give notice in an immediate report of every case of a purchase and/or sale as aforesaid, to the extent that it is required by law.

4.4 Nothing stated in sections 4.1 to 4.3 above will render the Company and/or a Related Holder and/or the Bondholders liable to purchase Bonds or sell the Bonds in their possession.

5. **The Company's Undertakings**

5.1 The Company undertakes to pay, on the dates shceduled for this purpose, all the amounts of principal and interest that are payable under the terms of the Series C Bonds and to comply with all the other terms and undertakings imposed on it under the terms of the Series C Bonds and the Trust Deed.

5.2 The Company undertakes that as long as the Series C Bonds are in circulation (i.e., as long as they have not been repaid or discharged in full in any other way, including by way of a self-purchase and/or early redemption), the main activity of the Company will be in the fuel and convenience store sector. Moreover, the Company undertakes that a sum that is equal to at least 75% of the consideration of the issuance (less commissions, expenses and an Interest Cushion as stated in section 6.6.4 below) will be used by the Company mainly for the purpose of developing the Company's activity in the fuel and convenience store sector, the financing of the Company's investments, communications and transactions that are considered by it from time to time in this field, including the advancing of the finance required for completing transactions that are being considered by GPM and the financing of an investment in GPM, as well as for the payment of principal and interest payments for the Series C Bonds.

It is clarified that, without derogating from the aforesaid, the balance of the consideration from the issuance will be used by the Company for its current operations, the implementation and realization of its targets and business strategy, as the Board of Directors of the Company will determine from time to time, and for expanding and diversifying the Company's sources of finance, including for making payments of principal, interest and linkage differentials (where applicable) for Bonds that were and/or will be issued by the Company.

6. **Collateral for the Bonds**

6.1 This Trust Deed includes collateral and charges for the Series C Bonds only.

6.2 Subject to this section 6 below, the Company will be entitled to charge its property, in whole or in part, with any charge and in any way, in favor of any third Party, without any restriction and with any degree of charge, including for the purpose of providing collateral for other series of the Bonds or other undertakings of the Company, and without any need for any consent from the Trustee and/or the Bondholders. The Series C Bonds will be of the same degree (*pari passu*) as each other, without any preferential or superior right of one over another.

6.3 Subject to this section 6 below, the Company will be entitled to sell, lease, assign, deliver or transfer its property in any other way, in whole or in part, to any third party, without any restriction and on any degree, including for the purpose of providing collateral for other series of Bonds or other undertakings of the Company, and without a need for any consent from the Trustee and/or the Holders of the Bonds.

6.4 Canceled.

6.5 For the avoidance of doubt, it is clarified that the Trustee does not have a duty to examine, and the Trustee has not in fact examined, the need to provide collateral to secure the payments to the Bondholders. The Trustee was not requested to carry out, and the Trustee in practice did not carry out an economic, accounting or legal due

diligence with respect to the state of business of the Company or the subsidiaries. By entering into this Trust Deed, and by giving its consent to act as Trustee for the Bondholders, the Trustee is not expressing its opinion, either expressly or by implication, as to the economic value of the collateral, to the extent that any has been and/or will be given (if any) by the Company and as to the ability of the Company to comply with its undertakings to the Bondholders. The aforesaid shall not derogate from the Trustee's duties under the law or under the Trust Deed, and nothing in the aforesaid will derogate from the Trustee's duty to examine the effect of changes in the Company from the date of this Deed onward, to the extent that they are capable of adversely affecting the Company's ability to comply with its undertakings to the Bondholders.

6.6 **Collateral for the Series C Bonds**

6.6.1 **Definitions**

In this section 6.6, the following terms will have the meaning stated alongside them:

"**ACS**" – A.C.S. Stores Ltd., registration number 51-47006-5, which as of the date of signing this Trust Deed is a private Company incorporated in Israel, which is entirely owned and controlled by the Company, all of whose operations are reflected in the holding, indirectly (through Arko Convenience Stores LLC, which is an American corporation entirely owned and controlled by ACS) of rights in GPM).

[1] The number of Charged Shares is based on the assumption of a maximum amount raised of NIS 170 million. The final number of the Charged Shares will be determined according to the amount actually raised, in such a manner that the value of the Charged Shares on the date of creating the charge will be 150% of the actual amount raised.

and purposes as a part of the definition of the term "the Charged Shares"), including the right to a dividend in cash and/or in kind and every other distribution for the Charged Shares, as well as rights that will be issued for and/or in connection with the Charged Shares, bonus shares, participation in the issuance of rights, preemption rights and/or rights to receive other securities for them of any kind whatsoever and the consideration that will be received for them, including for exercising them or selling them (hereinafter: the "**Ancillary Rights**");

The "**Shareholders' Series C Bond Loans**" – all the shareholders' loans that the Company will advance, at its sole discretion, directly and indirectly, for the purpose of investing in the companies operating in the fuel and convenience store sector, including to ACS and/or directly to Arko Convenience and/or directly to GPM, out of the money that will be deposited in the Special Account as defined below, as they will be from time to time.

Without derogating the above and from section 6.9 below, it is clarified that in any case the Shareholder's Series C Bond Loans will not include the shareholders' loans as stated below, which exist as of the date of this Deed:

(1) The shareholders' loans in a sum of NIS 22,650 thousand that the Company advanced to ACS in return for capital notes that were issued to the Company (for further details, see section F.(1).(a) of the Company's separate (solo) financial statements as of December 31, 2015 (reference no.: 2016-01-020601));

(2) The shareholders' loans in a sum of approximately 21,500 thousand US dollars that the Company advanced to Arko Convenience (for further details, see section F.(1).(a) of the Company's separate (solo) financial statements as of December 31, 2015 (reference no.: 2016-01-020601));

The loans described in subsections (1)-(2) (inclusive) shall be called hereinafter: the '**Shareholders' Current Loans to ACS and Arko Convenience**".

(3) Shareholders' loans in a sum of 10,000 thousand US dollars that the Company advanced to a corporation controlled by GPM in which the rights are charged as collateral for the Company's series H Bonds.

The "**Trust Account**" – a special Trust Account that will be opened by the Trustee in its name in trust for the Series C Bondholders, in one of the four large banks in Israel, at the Company's choice, that the Company's rights in such account and its rights in what is deposited in such account will be charged in favor of the Trustee with a single first-degree fixed charge (on the rights in the account and what is deposited in it) and floating charge (on the money and/or deposits and/or securities that will be deposited from time to time in the account and any consideration that will be received for them, including the income derived from them), for an unlimited amount, in which all of the consideration for the issuance will be deposited. The Trustee will be the sole authorized signatory in the Trust Account. It should be clarified that all the costs of the Trust Account will be apply entirely to the Company.

The "**Value of the Charged Shares**" – the Value of the Charged Shares will be calculated according to the amount obtained by multiplying (1) the percentage that the Charged Shares constitute out of the issued and paid-up share capital of ACS by (2) the percentage of the Company's indirect holdings in GPM (according to the percentage of its holdings of the ordinary participating units of GPM on the date when the Value of the Charged Shares will be examined), which shall be multiplied by one of the following possibilities, according to the Company's sole choice and discretion: (a) the Equity of GPM (as defined below); (b) the value of GPM that will be determined on the basis of a valuation of GPM, which will be conducted by an independent valuator who will be chosen by the Company, who has a reputation, knowledge and experience in the field, subject to approval of its identity by the Trustee, who will object only on reasonable grounds. Notwithstanding the aforesaid, it is clarified that from the date of the issuance of GPM's securities for trading, if and to the extent that there will be such an issuance, the Value of the Charged Shares will be calculated on the basis of the amount obtained from multiplying (1) the percentage that the Charged Shares constitute out of the issued and paid-up share capital of ACS by (2) the percentage of the Company's indirect holdings in the ordinary participating units of GPM (according to the amount of its holdings on the date when the Value of the Charged Shares will be examined), multiplied by the market value of GPM, according to the trading data on the TASE where GPM will be traded. The Value of the Charged Shares will be calculated in NIS at the representative exchange rate of the dollar known at the time of the examination, as published by the Bank of Israel.

For the sake of clarity, the formula for calculating the Value of the Charged Shares as stated above on the date of the examination is as follows: the percentage that the Charged Shares constitute out of the issued and paid-up share capital of ACS × the percentage of the Company's indirect holdings in the ordinary participating units of GPM × GPM's market value **or** GPM's Equity **or** GPM's value according to a valuation of GPM conducted by an independent valuator.

It should be clarified that the Value of the Charged Shares for the purpose of this Trust Deed relates to the value of GPM, solely for the purpose of examining the ratio between the Value of the Charged Shares and the Liability Value (as defined below), for the purpose of an expansion of the Bond series and/or the issuance of Other Bonds that are secured by the Charged Shares and/or the replacement of partial collateral or the sale of the Charged Shares, as stated in section 6.6.5 below.

"**GPM's Equity**" – equity as presented in GPM's financial statements. The calculation of the equity according to this Deed is exclusive of non-controlling rights, plus capital notes that GPM issued and the shareholders' loans that were advanced to GPM (provided that the capital notes and the shareholders' loans were not included in GPM's Equity in the aforesaid financial statements). The calculation of the equity will not include a decrease in equity caused due to reductions in cost surpluses that were attributed to GPM as a result of the purchase of companies/entities/operations.

"**Ratio between the Value of the Charged Shares and the Liability Value**" – the ratio between (1) the Value of the Charged Shares and (2) the balance of the principal of the Series C Bonds in circulation plus the interest (or default interest, as applicable) that has accrued and has not yet been paid by the date of the examination, as defined in section 6.6.5.1 below, less the amounts deposited in the principal and interest account, as defined below (hereinafter: the "**Liability Value**"); for the avoidance of doubt, a self-purchase of Bonds by the Company and/or a fully owned and controlled subsidiary of the Company, as stated in section 4.1 of this Deed, reduces the balance of the Series C Bonds for the purpose of determining the Liability Value as stated in this section.

6.6.2 **Collateral**

As collateral for the full and precise performance of all the Company's undertakings under the terms of the Series C Bonds that will be issued under the Shelf Offer Report and this Trust Deed, and as collateral for the full and precise payment of all the principal and interest payments that the Company is obligated to make to the Series C Bondholders, the Company undertakes to create in favor of the Trustee for the Bondholders the charges stated in sections 6.6.2.1 to 6.6.2.3 below, within 90 days of the date of the issuance, as stated in section 6.6.4 below:

6.6.2.1 A charge on the bank account in which a sum will be deposited equal to 75% of the consideration of the issuance that was deposited in the Trust Account (together with the income thereon), less commissions, expenses and an Interest Cushion as stated in section 6.6.4 below, which will be transferred from the Trust Account to a Special Account that will be opened and will be a bank account in the Company's name (hereinafter: the "**Special Account**"), such that the Company's rights in the account and what is deposited in it will be charged in favor of the Trustee with a single first-degree fixed charge (on the rights in the account and what is deposited in it) and floating charge (on the money and/or deposits and/or securities that will be deposited from time to time in the account and any consideration that will be received for them, including the income from them), for an unlimited amount.

The Company undertakes that the amounts deposited in the Special Account will be used by the Company, directly or indirectly, for the following purposes only: (a) for the purpose of developing the Company's activity in the fuel and convenience store sector, financing the Company's investments, communications and transactions that are considered by it from time to time in this field, including advancing the finance required for the completion of

transactions that are examined by GPM and the financing of an investment in GPM; (b) for the purchase of the Series C Bonds issued by the Company, whether in a purchase on the TASE on in a purchase over the counter or in a tender offer or in any other way, all of which at the Company's sole discretion, whether by itself or through a fully owned and controlled subsidiary of the Company (in the event that the purchase is made by the Company, the Series C Bonds will be delisted from the TASE and the Company will apply to the TASE Clearing House with a request to withdraw the Series C Bond Certificates; and (c) for financing the amounts of the principal and interest payments for the Series C Bonds that were issued by the Company. The Company undertakes to deliver to the Trustee a notice regarding the money that was withdrawn from the Special Account and the amount and use thereof, according to the above.

The Company will have the sole signatory rights in the Special Account, and the policy for managing the money in the Special Account will be determined at the Company's sole discretion and will be made solely by the Company, provided that the investment will be in Low Risk Investments (as defined below).

"**Low Risk Investments**" – including without limitations, an interest-bearing money deposit, a deposit in foreign currency, an investment in Government Bonds and Bonds with rating not less than AA, etc. For the purpose of the aforesaid, an investment in shares or exchange-traded notes that the base asset thereof is shares or share indices or options on MAOF will not be regarded as an investment in Low Risk Investments. It is clarified that within the framework of the management of the money, the Company will be entitled, at its sole discretion, to enter into hedging and protection transactions concerning the money deposited in its accounts.

6.6.2.2 A charge on the bank account in which the amounts for the principal and interest will be deposited, as stated in section 6.10 below (hereinafter: "**Principal and Interest Cushion Account**"). The Principal and Interest Cushion Account will be opened as a bank account in the Company's name, such that the rights of the Company in it and what is deposited in it will be charged in favor of the Trustee with a single first-degree fixed charge (on the rights in the account and what is deposited in it) and floating charge (on the money and/or deposits and/or securities that will be deposited from time to time in the account and any consideration that will be received for them, including the income from them), for an unlimited amount.

The Company will have the sole signatory rights in the Principal and Interest Cushion Account, and the money management policy in the Principal and Interest Cushion Account will be determined on the basis of the Company's sole discretion and will be made by the Company alone, provided that the investment will be a Low Risk Investments, as defined above.

6.6.2.3 A first-degree fixed charge, for an unlimited amount, on the Charged Shares and the Ancillary Rights, as defined above, free and unencumbered by any third-Party rights. The Company will lawfully register with the Companies Registrar a charge on the Charged Shares and the Ancillary Rights, in favor of the Trustee for the Holders of the Series C Bonds as stated above, which shall remain valid until the full repayment of the Series C Bonds and the payment of all the secured amounts.

It is clarified that as of the date of signing this Trust Deed, a first-degree fixed charge is registered on the Charged Shares in favor of the Trustee for the Holders of the Company's series H Bonds. For the avoidance of doubt, the Company undertakes to carry out all the acts required in order to cancel and remove the charge in favor of the Trustee for the Holders of the Company's series H Bonds in such a way that will allow the registration of the charge on the Charged Shares, subject to the issuing the Series C Bonds and fulfilling the conditions stated in section 6.6.4 below, including the removal of the charge and the registration of the charges in favor of the Trustee as stated in section 6.6.4 below. It is also clarified that the balance of the ACS shares, beyond the shares charged in favor of the Trustee for the Holders of the Series C Bonds, will remain, immediately following the issuance of the Series C Bonds, charged in favor of the Holders of the series H Bonds.

6.6.2.4 In addition to the aforesaid, the Company undertakes to charge in favor of the Trustee, with a first-degree fixed charge, for an unlimited amount, all of its rights under the Shareholders' Series C Bond Loans, including the rights in the agreements by virtue of which the Shareholders' Series C Bond Loans will be advanced, and including the right to the repayment of the Shareholders' Series C Bond Loans of every kind and type. The Company will assign to the Trustee, in an irrevocable and unconditional assignment by way of a charge, all of its rights under the Shareholders' Series C Bond Loans, including its right to receive a repayment of the Shareholders' Series C Bond Loans, as long as the Shareholders' Series C Bond Loans have not been repaid. The Company undertakes to deliver to the Trustee, no later than 30 business days from the date of advancing each of the Shareholders' Series C Bond Loans as defined above, the documents stated in section 6.6.4 below, *mutatis mutandis*, including a copy of the agreements by virtue of which the Shareholders' Series C Bond Loans will be advanced.

All the Company's rights in the Charged Shares and the Charged Shareholders' Series C Bond loans will not be prejudiced and will be held by it solely, as long as a notice has not been received from the Trustee regarding a demand for immediate repayment of the Series C Bonds and/or the realization of collateral under the provisions of this Trust Deed. Subject to the aforesaid, the Company will hold and will be able to make full use, at its sole discretion, of the voting rights at the general meetings of ACS, of the rights to dividends, of the rights to the repayment of the Shareholders' Series C Bond Loans, etc., in such a way that even if money will be received on account of the repayment of the Shareholders' Series C Bond Loans, after the deposit of the amounts as collateral for the principle cushion as stated in section 6.10.4 below, they will be deposited into the account of the Company, which will be entitled to use them for its current needs and at its sole discretion. The Trustee undertakes that to the extent that its consent will be required for exercising the Company's rights in the Charged Shares as aforesaid, subject to this section, its aforesaid consent will be given. For the avoidance of doubt, it should be clarified that the Company undertakes not to exercise its rights as aforesaid in a manner that will or may materially prejudice the rights of the Holders of the Series C Bonds in connection with the charges stated in this section 6.6.2 above, nor to make any disposition of its aforesaid rights.

Notwithstanding the aforesaid, to the extent that there will be a ground for immediate repayment and/or for realizing collateral as stated in section 14 of the First Addendum to the Trust Deed, the Trustee will be entitled to order ACS not to distribute dividends directly to the Company and/or not to transfer a repayment of the Shareholders' Series C Bond Loans to the Company (if exist), but to transfer them to the account that the Trustee will order the Company, until a notice is received from the Trustee and/or a decision is made by the court regarding the demand for immediate repayment of the Series C Bonds and/or realization of collateral.

The Company will deliver to ACS and GPM a notice regarding the creation of the charges stated in sections 6.6.2.3 and 6.6.2.4 above in favor of the Trustee, according to such wording to the satisfaction of the Trustee, and ACS and GPM will confirm to the Trustee, as applicable, the receipt of the aforesaid notice and that they agree to act according to the instructions of the Company and the Trustee under this Deed, to the extent that they are relevant to it.

On the date of repayment of the last payment for the principal and interest of the Series C Bonds and subject to their full repayment, or upon the discharge of the unpaid balance of the series H Bonds in any way (including by way of early repayment and/or a self-purchase), all the charges stated in this section 6.6.2 will expire, including the charge of the Charged Shares (to the extent that it has not yet expired and become void by that date), and will be regarded as automatically released and void, and the Trustee undertakes in this regard, after no Series C Bonds and/or a debt to the Holders of the Series C Bonds will remain under this Trust Deed, to sign every document that will be required in order to release and/or cancel and/or remove the charges, to the extent that required.

6.6.3.13 The Company warrants and undertakes to the Trustee and the Bondholders that on the date of entering into this Deed, there is no impediment under any law, agreement or undertaking, including the documents of incorporation of the Company or ACS, including an agreement regarding the rights between the owners of the participating units in GPM, or agreements made in connection with ACS for the purpose of the Company's signature on this Trust Deed, and for the performance of all the Company's undertaking hereunder, and there is no restriction or condition upon the charges stated in this Deed and on the Company's undertakings herein, and that the Company's entering into and signing of this Deed does not constitute a breach of any undertaking that the Company has taken upon itself and that the Board of Directors of the Company adopted a lawful resolution to create the charges and that no consent is required from any party to the creation of the charges. The Company hereby undertakes to notify the Trustee in case of any change in this subsection.

6.6.3.14 The creation of the charge on the Charged Shares shall not restrict any operation of GPM or any corporations it holds, including a restriction on the participating units held by the owners of the participating units in GPM, as collateral for credit to GPM, and/or a restrict the charge of assets held (directly or indirectly) by GPM as collateral for credit to GPM, and with respect to this section, no consent shall be required from the Trustee or the Bondholders.

It is clarified that as of the date of signing this Deed, assets that are held (directly or indirectly) by GPM are charged in favor of the Company and third parties, including financing institutions, and that the Company and/or GPM and/or the corporations held by it, directly or indirectly, will be entitled to charge in the future existing assets and/or other assets, excluding the Charged Shares and the rights to the repayment of the Shareholders' Series C Bond Loans, without being required to obtain for this purpose the consent of the Trustee and/or the Bondholders. Accordingly, it should be clarified that the assets held directly and/or indirectly by ACS and/or the corporations held by it, including GPM, will not constitute collateral for the Bondholders.

6.6.3.15 Since ACS is a fully owned and controlled subsidiary of the Company, and all of its operations are reflected in its indirect holding, through Arko Convenience, whose operations are reflected in the direct holding, of rights in GPM, as stated in section 6.6.1 above, as long as the Series C Bonds have not been repaid in full, and as long as Series C Bonds are charged (in full or part) by a charge on the Charged Shares, the Company will attach to its quarterly and

annual financial statements the financial statements of GPM as of the same balance sheet date, prepared according to International Financial Reporting Standards (IFRS), when they are reviewed or audited. For details of the tax implications of Arko Convenience (since GPM is not a taxpayer for income tax purposes), see note 18 of the Company's consolidated financial statements as of December 31, 2015 (reference no.: 2016-01-020601).

6.6.3.16 It should be clarified that except as stated in sections 6.6.3.1 to 6.6.3.14 above, the Company has not provided any undertaking to the Trustee regarding the continued holding by GPM of assets that it holds on the date of signing the Deed and/or of retaining GPM's assets and/or liabilities and/or those of corporations held by it, and therefore, *inter alia*, the Company and/or ACS and/or GPM are entitled to act at their complete and sole discretion, subject to sections 6.6.3.1 to 6.6.3.14 above.

6.6.3.17 As of the date of signing the Trust Deed, the Company declares that ACS and Arko Convenience do not have material liabilities, except: (a) undertakings relating to the Shareholders' Current Loans to ACS and Arko Convenience. (as defined in section 6.6.1 above); (b) deferred and current tax liabilities, as stated in note 18 of the financial statements as of December 31, 2015; and (c) a liability to GPM Holdings Inc. (a corporation controlled by a third party that holds participating units of GPM) in a sum of approximately 4 million US dollars, as stated in note 4.A.(2).(a) of the financial statements as of December 31, 2015.

6.6.4 **The Mechanism for Releasing the Consideration from the Issuance**

All the consideration from the issuance of the Series C Bonds will be deposited by the issuance coordinator in the Trust Account, as defined above. Until the date of transfer of the consideration from the issuance to the Company, the amounts deposited in the Trust Account will be invested in short-term NIS deposits, unless the Company instructs the Trustee otherwise in writing, provided that it will be invested in assets in which it is permitted to invest trust assets according to the provisions of this Deed. It should be clarified that the Company will regard the consideration from the issuance that will be deposited in the Trust Account by the issuance coordinator as consideration that was received by it.

From the consideration of the issuance that is deposited in the Trust Account (including the income from it) less the commissions to the issuance advisors and the classified investors, less the payment to the Company for the issuance expenses, including the Trustee's fees and less the interest cushion amount as it is defined in section 6.10 below, the Trustee will transfer a sum equal to 75% of the Special Account, as defined above, and the balance of the consideration that is deposited in the Trust Account (together with the income from it) to the Company's bank account, according to instructions that will be given at the

Company's sole discretion, after the Company has delivered to the Trustee the following documents, according to the wording agreed in advance between the Company and the Trustee: (a) an original signed copy of the Bonds, whose wording will be agreed between the Company and the Trustee, regarding the registration of the charges stated in section 6.6.2 above, at the Companies Registrar; (b) a "Details of Mortgages and Charges" form (form 10) as well as the Bonds as stated in subsection (a) above, stamped as "Received" or "Submitted for Examination" by the Companies Registrar; (c) an original certificate of the registration of the charges in favor of the Trustee; (d) the Company's confirmation, signed by the CEO of the Company and/or the chairman of the Board of Directors of the Company, that there are no undertakings that conflict with the creation of the charges in favor of the Trustee; (e) a legal opinion of the Company's attorney, *inter alia*, regarding the validity of the charges and the undertakings that are enforceable against the Company or the pledgor, which will be delivered by the Company to the Trustee, from time to time, upon the Trustee's reasonable demand; (f) a copy of the notices that were delivered by the Company to ACS and GPM regarding the creation of the charges that are stated in sections 6.6.2.3 and 6.6.2.4 above in favor of the Trustee for the Bondholders, after the registration of the aforesaid charges, and confirmation of the receipt of the aforesaid notices by ACS and GPM, to the extent that they are relevant with respect thereto; (g) an original share certificate issued in the Company's name for the Charged Shares, which will be deposited with the Trustee under the provisions of this Trust Deed, together with a share transfer deed with the Company's original signature for the Charged Shares, an irrevocable instruction that in a case the court orders the realization of the Charged Shares according to the provisions of this Trust Deed, the signed share transfer deed will come into effect, as well as a resolution of the Board of Directors of ACS regarding the transfer of the shares as aforesaid, all according to the wording to be agreed between the Company and the Trustee; (h) confirmation by an attorney confirming that the Company is registered in ACS's Register of Shareholders as the owner of the Charged Shares and that a note was registered in ACS's Register of Shareholders regarding the registration of the charge on the Charged Shares in favor of the Trustee, as well as a certified copy of ACS's Register of Shareholders. It should be noted that due to the fact that the Charged Shares are not registered under the Trustee's name (but under the Company's name in ACS's Register of Shareholders), the aforesaid does not prevent the making of conflicting transactions with the Charged Shares.

Early Redemption as a result of the Non-Fulfillment of the Conditions for releasing the Consideration from the Issuance to the Company

In case the charges stated in sections 6.6.2.1 to 6.6.2.3 above are not registered within 90 days of the date of the issuance or in case the Company does not transfer to the Trustee the charge documents stated in the aforesaid sections and the other documents stated in section 6.6.4 above within 90 days of the date of the issuance, the Company will act to make a full early redemption of the Series

C Bonds and delist them from trading (hereinafter: the "**Complete Involuntary Early Redemption**"). It should be clarified that the amount that will be paid for the Complete Involuntary Early Redemption will be according to the provisions of this section and not according to the provisions of section 11.2 of the First Addendum to the Trust Deed.

Within one business day after the end of the aforesaid period (90 days), the Company will publish an immediate report with a copy to the Trustee, in which it will give notice of the making of the Complete Involuntary Early Redemption and the date thereof. The date of the Complete Involuntary Early Redemption will be no earlier than twenty-one (21) days and no later than forty-five (45) days after the Company's report of the Complete Involuntary Early Redemption to the Bondholders. In such a case, the principle of the Series C Bonds, together with the annual interest that has accrued from the date of clearing that will be stated in the Shelf Offer Report until the date of the Complete Involuntary Early Redemption (calculated on the basis of 365 days a year, according to the number of days in that period), will be paid to the Series C Bondholders, less tax according to applicable law. In the aforesaid immediate report, the Company will publish the amount of the principal that will be repaid in the early repayment and the interest that has accrued on the aforesaid amount of the principal up to the date of the Complete Involuntary Early Redemption.

The Complete Involuntary Early Redemption payment will be made to the Holders whose names will be registered in the Register of Series C Bondholders on the date of the Complete Involuntary Early Redemption, in return for delivery of the Series C Bond Certificates to the Company, at the Company's registered office or at any other place of which the Company will give notice. The Company's aforesaid notice will be published no later than five (5) business days before the last payment date.

The Company undertakes to transfer to the Trust Account, no later than three business days before the date of the Complete Involuntary Early Redemption , the amount equal to the difference between the money deposited in the Trust Account on that date and the amount for payment to the Holders for the Complete Involuntary Early Redemption (but not more than the amount of the Complete Involuntary Early Redemption), if and as required. If a balance will remain in the Trust Account in which the consideration from the issuance will be deposited after making the Complete Involuntary Early Redemption, then it will be transferred to the Company.

The Company will be responsible for performing as lawfully required in order to conduct the Complete Involuntary Early Redemption, including vis-à-vis the TASE Clearing House, and will timely deliver to the Trustee every document and approval that it requires in order to complete the process. For the avoidance of doubt, when the Complete Involuntary Early Redemption has been conducted, the Company will no longer be obligated to register the charges stated in section 6.6.2 above in favor of the Holders of the Series C Bonds, and this Trust Deed will expire and will not be valid.

6.6.5 **The Company's Compliance with the Ratio between the Value of the Charged Shares and the Liability Value and the Dates of the Examination**

6.6.5.1 **General**

In any event that the Company will wish to perform one of the following operations – (a) an expansion of the Series C Bond series; and/or (b) the issuance of Other Bonds for which some of the Charged Shares will be charged as collateral; and/or (c) a Partial Replacement of Collateral; and/or (d) the sale of all or some of the Charged Shares; and/or (e) the sale of the holdings of ACS in Arko Convenience (in whole or in part) and/or a sale of the holdings of Arko Convenience in GPM (in whole or in part); and/or (f) the issuance of securities of GPM for trading – the Company will present to the Trustee a confirmation signed by the most senior financial officer of the Company , according to which the Value of the Charged Shares constitutes at least 150% of the Liability Value as of the Examination Date, as defined below, prior to performing the operation and as a condition thereto.

It should be clarified, for the avoidance of doubt, that the Company's compliance with the ratio between the Value of the Charged Shares and the Liability Value will only be examined on the following dates: (a) in case of an expansion of a series (if at all) as stated in section 6.6.5.2 below, and in such a case, the value of the collateral will be examined as it will be shortly before the making of the aforesaid expansion; (b) in case of an issuance by the Company of an additional series of Other Bonds that are secured by collateral of some of the Charged Shares, as stated in section 6.6.5.2 below; (c) in case of a Partial Replacement of Collateral, as stated in section 6.6.5.3 below; (d) in case of a sale of the Charged Shares, in whole or in part, as stated in section 6.6.5.4 below; (e) in case of a sale of the holdings of ACS in Arko Convenience (in whole or in part) and/or a sale of the holdings of Arko Convenience in GPM (in whole or in part), as stated in section 6.6.5.5 below; and/or (f) in case of an issuance of the securities of GPM for trading, as stated in section 6.6.5.6 below (hereinafter: the "**Examination Dates**").

It should be clarified that to the extent that the Value of the Charged Shares will be calculated on the basis of a valuation of GPM by an independent valuator, the date of signing the valuation will be at most three months before the relevant Examination Date. In any case in which the Company is required to present a confirmation to the Trustee regarding the ratio between the Value of the Charged Shares and the Liability Value, the Company shall present the confirmation to the Trustee together with a calculation that constitutes as the basis for the determination and the ancillary documents, as applicable, indicating that the Company is in compliance with the required ratio. The Trustee will rely on the aforesaid confirmation and will not be required to make an additional examination on its behlaf, however, the aforesaid does not affect the Trustee's liability under any law.

For the avoidance of doubt, it is hereby clarified that the Company is required to comply with the collateral ratio stated above only on the Examination Dates stated in section 6.6.5 above and the Company's non-compliance with the aforesaid collateral ratio on other dates (that are not included in the Examination Dates) does not constitute a breach by the Company of the Trust Deed, and the Company will not be required to provide Additional Collateral to the extent that on such other dates the Company will not be in compliance with the aforesaid collateral ratio.

For the avoidance of doubt, it should be clarified that to the extent that on any of the Examination Dates on which the collateral ratio will be examined as stated above, money in cash will be deposited in the Special Account and/or Additional Collateral (as stated in section 6.6.5.3 below) will be delivered to the Trustee, then for the purpose of calculating the aforesaid ratio only, the Liability Value will be as defined in section 6.6.1 above less the money that will be in the Special Account and less the amount of the Additional Collateral. Without derogating from the aforesaid, to the extent that on any of the Examination Dates when the collateral ratio will be examined as aforesaid, Shareholders' Series C Bond Loans have been advanced for the purpose of an investment in companies operating in the fuel and convenience store sector to companies other than ACS and/or Arko Convenience and/or GPM, and the rights to the repayment of the Shareholders' Series C Bond Loans have been charged in favor of the Trustee as stated in section 6.6.2.4 above, the amount of the Shareholders' Series C Bond Loans as aforesaid will be added to the Value of the Charged Shares for the purpose of calculating the ratio stated in this section.

6.6.5.2 **Expansion of the Series C Bonds and Issuance of Other Bonds for which some of the Charged Shares will be Charged as Collateral**

In addition to section 2.2 above, in case the Company will want to expand the Series C Bond series and/or in any case where the Company will want to issue Other Bonds for which some of the Charged Shares will be charged as collateral, the Company will present to the Trustee a confirmation signed by the financial senior officer of the Company, according to which the Value of the Charged Shares that will remain charged in favor of the Series C Bonds constitutes at least 150% of the Liability Value after the expansion of the series or the release for the purpose of issuing Other Bonds, as it will be on the Examination Date as defined above (hereinafter: the "**Required Value**"), prior to making the expansion of the series

or the issuance of the Other Bonds that are secured by the collateral of the Charged Shares, and as a condition for the expansion of the series or the issuance of the Other Bonds that are secured by the collateral of the Charged Shares, as applicable. To the extent that the aforesaid condition will not be fulfilled in the expansion of the series, the Company will undertake, as a condition for the expansion of the series, to charge additional shares of ACS (hereinafter: the "**Additional ACS Shares**"), in the manner that after such a charge, the Company will comply with the Required Value.

In case that there will be a need to add collateral as aforesaid, out of the consideration that will be received from the expansion of the series, a sum equal to the difference between the Value of the Charged Shares before the expansion and the Required Value will be held by the Trustee in a Trust Account and will not be transferred to the Special Account without the registration of a charge on the Additional ACS Shares in such a manner that after the expansion, the Company will comply with the Required Value. The release of the money as aforesaid from the Trust Account will be made according to the provisions of section 6.6.3 above.

6.6.5.3 **Replacement of Collateral**

The Company will be entitled at any time to release and remove the charges on the Charged Shares and on the Shareholders' Series C Bond Loans (as detailed in sections 6.6.2.3 and 6.6.2.4 above), in whole or in part, or to replace the charges on the Charged Shares and on the Shareholders' Series C Bond Loans, in whole or in part, with bank guarantee/s and/or bank deposit/s and/or amounts in cash (including by way of a sale of the Charged Shares, in whole or in part, as stated in section 6.6.5.4 below) (the replacement of all the charges on the Charged Shares and on the Shareholders' Series C Bond Loans with other collateral will be referred to hereinafter as "**Complete Replacement of Collateral**"**,** whereas replacement of a part of the charges for some of the Charged Shares and some of the Shareholders' Series C Bond Loans will be referred to hereinafter as "**Partial Replacement of Collateral**"), in one of the following ways (or in a combination thereof), at the sole discretion of the Company: (a) an irreversible and irrevocable autonomous bank guarantee that will be provided by one of the five largest banks in Israel; (b) the making of a money deposit or amounts in cash, if and to the extent that required (hereinafter: "the "**Additional Collateral**").

In order to make a release or removal of the charge on the Charged Shares and a replacement of collateral as aforesaid, the Company will give the Trustee a release instructions regarding the number of shares that the Company wishes to release from the Charged Shares, subject to the following conditions:

(a) In the event of a Complete Replacement of Collateral—the Additional Collateral as aforesaid will be in the amount of the Liability Value.

(b) In the event of a Partial Replacement of Collateral—the Value of the Charged Shares (as it will be after the replacement of the collateral as aforesaid) will be in an amount of at least 150% of the Liability Value as it will be on the Examination Date, but in such a case, the Liability Value will be as defined above less the amount of the Additional Collateral.

If the new collateral is bank guarantee/s, then it will be valid at least up to 30 days after the date on which the Series C Bonds will be repaid in full.

After receipt of the release instructions and after the creation and/or the provision of a replacement charge and/or collateral according to the terms stated above, including, if required, the delivery to the Trustee of documents that are stated in section 6.6.4 above, *mutatis mutandis*, that testify to the creation and registration of the charge according to law, and after it has been proved to the Trustee's satisfaction that the replacement collateral (i.e., a bank guarantee and/or amounts in cash) has been deposited with the Trustee or in the Company's account. According to the above, the Company will act as needed in order to release the Charged Shares as soon as possible, and the Trustee will sign every document required under Israeli law to release and cancel the charges that were given in favor of the Trustee as stated in section 6.6.2 of this Trust Deed, provided that the Trustee will not be liable for any costs and/or expenses whatsoever in connection with the operations required to release and cancel the charges as aforesaid. The collateral whose delivery will release the Charged Shares, in whole or in part, will have the same status as the Charged Shares, as if such were included from the outset in the provisions of the Trust Deed, including the Company's right to replace them again from time to time.

6.6.5.4 **Sale of the Charged Shares**

The Company will be entitled to sell the Charged Shares, in whole or in part, in return for cash consideration only. In case the Company will want to sell some of the Charged Shares, such a sale will be made only if the value of the balance of the Charged Shares, together with Additional Collateral (if exist), will be in an amount of at least 150% of the Liability Value as such will be on the Examination Date and after a confirmation of the most senior financial officer of the Company has been delivered to the Trustee, together with a calculation in an Excel file, testifying so the sale. The Trustee will rely on the aforesaid confirmation and will not be required to make an additional examination of its behalf, subject to section 6.6.5.1 above.

If, on the aforesaid Examination Date, the value of the balance of the Charged Shares and Additional Collateral (if exist) will be an amount of less than 150% of the Liability Value, then on the sale date, the Company undertakes to deposit out of the net amount that will be received from the sale of the Charged Shares, in whole or in part (net, meaning after taxes and expenses that are ancillary to the sale, in the manner that taxes and expenses ancillary to the sale will be paid by the Company out of the sale consideration), the amount in cash required directly into the Special Account, so that the value of the balance of the Charged Shares together with the Additional Collateral (if exist) and the amount that will be deposited in cash as aforesaid will be an amount of at least 150% of the Liability Value. The Company undertakes to deliver to the Trustee a confirmation of the most senior financial officer of the Company, together with a calculation in an Excel file testifying sot, before the sale.

In order to make such a sale, the Company will give the Trustee a written instruction to release from the charge the number of shares that it wishes to sell (in this subsection: the "**Release Instruction**" and the "**Sold Shares**"). The Release Instruction will state the consideration for the sale of the Sold Shares, and the Company and the Trustee will act to amend the charge accordingly.

The Release Instruction will be confirmed in writing by the Trustee within two (2) business days of the date of its receipt, and after all of the documents and calculations required as aforesaid have been attached to it, including a certified copy of an irrevocable instruction that will be given by the Company to the buyer of the Sold Shares, which is confirmed in writing by the buyer, that the amount in cash required to be deposited out of the consideration for the sale as stated above, if and to the extent that required, will be deposited directly in the Special Account. The Release Instruction that will be signed by the Trustee will state that it is irrevocable and that the Trustee undertakes to release the Sold Shares at the same time as depositing the whole amount required out of the Consideration from the Sale in the Special Account. According to the Release Instruction, the release of the Sold Shares by the Trustee will be made immediately after it has been proven to the Trustee's satisfaction that the amount required out of the consideration for the sale has been deposited in the Special Account. In return for the deposit of the required sum out of the consideration for the sale in the Special Account, the Trustee will deliver every notice and/or document as required according to the law in Israel to cancel and remove the charges on the Sold Shares only, and accordingly to amend the share transfer deed signed with respect to the balance of the Charged Shares, or the Trustee will

deliver any notice and/or document required under the law in Israel, if such is required (if all the Charged Shares are not sold), to amend the charge and the share transfer deed for the balance of the Charged Shares, as applicable. If all the Charged Shares are sold, the Trustee will deliver to the Company every notice and every document required under the law in Israel to cancel the charges that were given, to the extent that any were given.

Every amount in cash that will be deposited in the Special Account will be used for the purpose of paying the balance of the principal and/or interest (as applicable) for the Series C Bonds that will be payable under the terms of the Series C Bonds after the deposit of the money in the Special Account as aforesaid.

Without derogating from the aforesaid, the Company will be entitled to sell all the Charged Shares in return for consideration in cash only, provided that, at the time of the aforesaid sale, all of the net amount received from the sale of all the Charged Shares (net, meaning after taxes and expenses ancillary to the sale, in the manner that the taxes and expenses ancillary to the sale will be paid by the Company out of the money from the consideration from the sale) (hereinafter: the "**Consideration from the Sale**") will be deposited directly in the Special Account. In such a case, the Company will act to make a full early redemption on the Company's initiative and to delist the Series C Bonds, as stated below and under the provisions of section 11.2 of the First Addendum to the Trust Deed.

Within one business day after the deposit of the entire Consideration from the Sale in the Special Account, the Company will publish an immediate report in which it will give notice of the making of the early deposit on the Company's initiative and the date thereof. The date of the early redemption for the Series C Bonds will be no earlier than twenty-one (21) days after the date of publication of the immediate report and no later than forty-five (45) days after the date of publication of the immediate report about the early redemption on the Company's initiative as aforesaid.

It should be hereby clarified that after the sale of the Charged Shares and/or their replacement with other collateral as stated in the provisions of this Deed, the Charged Shares released from the charge for the collateral for the Series C Bonds will not be subject in any manner to the provisions of the Trust Deed. It should be clarified that the sale of the Charged Shares, in whole or in part, according to the provisions of this section, shall not constitute in any case a ground for demanding immediate repayment of the Bonds, as long as the sale is made on the terms stated in this Deed.

6.6.5.5 **Sale of the Holdings of ACS in Arko Convenience (in whole or in part) and/or Sale of the Holdings of Arko Convenience in GPM (in whole or in part)**

The Company will be entitled to sell some of the holdings of ACS in Arko Convenience and/or to sell some of the holdings of Arko Convenience in GPM, provided that after such a sale, ACS or Arko Convenience, as applicable, will continue to be the controlling shareholder in GPM (hereinafter: "**Partial Sale of the Rights in GPM, Directly or Indirectly**"), in return for cash only, where such a sale will be made solely if the value of the balance of the Charged Shares and Additional Collateral (if exist) will be at least an amount of 150% of the Liability Value as it will be on the Examination Date, and confirmation is delivered to the Trustee from the most senior financial officer of the Company i, together with a calculation in an Excel file testifying so before the sale. The Trustee will rely on the aforesaid confirmation and will not be required to make an additional examination of its behalf, subject to section 6.6.5.1 above.

If, on the aforesaid Examination Date, the value of the balance of the Charged Shares and Additional Collateral (if exist) will be an amount less than 150% of the Liability Value, then the Company will be entitled to make the sale only to the extent that the sale will be on terms that will allow the Company (including according to its undertakings to the Holders of Bonds of other series that are in circulation) to deposit, out of the net amount that will be received from a Partial Sale of the Rights in GPM, Directly or Indirectly (net, meaning after taxes and expenses that are ancillary to the sale, so that the taxes and expenses ancillary to the sale will be paid by ACS and/or Arko Convenience, as applicable, out of the money that is the consideration for the sale), the required amount in cash directly into the Special Account, so that the value of the balance of the Charged Shares together with the Additional Collateral (if exist) and the amount that will be deposited in cash as aforesaid will be an amount of at least 150% of the Liability Value. As of March 31, 2016, the store-level EBITDA of GPM multiplied by the percentage of the Company's holding in the ordinary participating units of GPM amounts to a sum of approximately 63.6 million US dollars.

In this section 6.7.2, the following terms will have the meaning ascribed next to them:

The calculation will be made on each cut-off date for a period of twelve consecutive months, according to the most recent (audited or reviews, as applicable) consolidated financial statements of GPM according to International Financial Reporting Standards (IFRS). It should be clarified that store-level EBITDA also includes GPM's share of GPMP's income less sales cost and less the store-level operating expenses of GPMP.

6.7.3 Ratio between GPM's Financial Debt and GPM's Store-Level EBITDA

The ratio between GPM's Financial Debt (as defined below) and GPM's Store-Level EBITDA (as defined above) will not exceed 2.4, for a period exceeding two consecutive quarters, as stated in section 6.7.4 below. "**GPM's Financial Debt**" – short-term credit from financial institutions and long-term loans from financial institutions, not including credit from financial institutions for the financing of working capital, according to the most recent (audited or reviewed, as applicable) consolidated financial statements of GPM according to International Financial Reporting Standards (IFRS), less money invested in Low Risk Investments that is used as collateral for the Financial Debt as aforesaid.

6.7.4 Examination of the Financial Covenants and a Breach thereof

The examination of the Company's compliance with the relevant financial covenants will be made by the Company on each quarter on the date of publication of the financial statements, with respect to the financial statements that the Company is required to publish up to the date determined by law for their publication and the financial data on which they are based (hereinafter: the "**Examination Date**"), and will be made for the first time on the basis of the financial statements as of June 30, 2016.

The Company will specify in its quarterly and annual statements, as applicable, in the report of the Board of Directors concerning the state of the Company's business affairs for the relevant period or in the notes to the financial statements, at the Company's sole discretion, of its compliance or non-compliance with the aforesaid financial covenants and the results of the calculation of the aforesaid financial covenants. For the avoidance of doubt, it is hereby clarified that a deviation of up to five percent (5%) from each of the financial covenants stated above will not be regarded as a breach of the undertakings to comply with the financial covenants as aforesaid.

Moreover, the Company will deliver to the Trustee, no later than seven (7) business days after the publication of each quarterly report as aforesaid, a confirmation and quarterly calculation signed by the most senior financial officer of the Company, concerning the Company's compliance or non-compliance with the aforesaid financial covenants. The Trustee will rely on the Company's confirmation and will not be required to perform an additional examination of its behalf, however, the aforesaid does not prejudice the Trustee's liability under any law.

Should it transpire that the Company's undertaking for any of the financial covenants as stated in sections 6.7.1 to 6.7.3 above is breached, for the periods determined as aforesaid, then the provisions of section 14 of the terms overleaf in the Bond Certificate will apply, subject to section 14 of the terms overleaf in the Bond Certificate below, as applicable.

No later than seven business days after the date that the Board of Directors of the Company and/or the general meeting of the Company, as applicable, adopt the resolution regarding the distribution of the dividend, and at least three business days before the actual Distribution, the Company will deliver to the Trustee a written statement from the Company, signed by the most senior financial officer of the Company, regarding its compliance with the aforesaid relevant conditions, as applicable, that are stated in this section 6.7 above. The Trustee will rely on the Company's approval and will not be required to make an additional examination of its behalf, but the aforesaid does not prejudice the Trustee's liability under any law.

Subject to the aforesaid, the Company will be entitled to make any Distribution at its sole discretion. For additional restrictions on a Distribution of dividends that apply to the Company, see section 4 of chapter A of the Company's annual report for 2015, which are in force as of the date of signing this Trust Deed.

It should be clarified that the Company's undertaking as aforesaid is not to charge the participating units of Arko Convenience only, and this undertaking does not prevent the Company from charging its rights to the repayment of shareholders' loans that the Company advanced to Arko Convenience and the repayment of capital notes that were issued to the Company and/or ACS by Arko Convenience, before making the issuance of the Series C Bonds and/or shareholders' loans that will be advanced in the future to Arko Convenience, to the extent that any will be advanced, and the repayment of capital notes that will be issued to the Company and/or ACS by Arko Convenience, to the extent that they will be issued, not out of the consideration for the issuance, without this constituting a breach of the negative charge undertaking as stated above.

Moreover, apart from as stated above, no restrictions will apply to the Company with respect to imposing charges of various kinds on its property. It is clarified that except for the participating units of Arko Convenience as stated above, nothing stated in this section will restrict the Company from selling its assets and/or businesses. It is further clarified, for the avoidance of doubt, that this section does not restrict the affiliates of the Company (including subsidiaries, investees and affiliates) from making any charges, floating or fixed, on their assets, except with respect to ACS and Arko Convenience as stated above.

It is clarified that any amount that will be received by the Company as aforesaid in excess of half the amount of the following principal payment will be used by the Company for its current needs and at its sole discretion.

22.4.1.2 Second, to the extent that in the Trustee's opinion, the amounts deposited in the Financial Deposit will not be sufficient to cover the 'Indemnification Undertaking,' the Holders that held the Bonds on the effective date (as stated in section 22.5 below) will deposit with the Trustee, each according to its Proportional Share (as this term is defined), the amount that is lacking. The amount that each Holder will deposit will bear annual interest at a rate equal to the fixed interest on the Bonds (as stated in the First Addendum) and will be paid with priority as stated in section 22.8 below.

Its "**Proportional Share**" means the proportional share of the Bonds that the Holder held on the relevant effective date as stated in section 22.5 below out of the total par value in circulation at that time (less Bonds held by a Related Holder (as this term is defined in section 26.31 below). It is clarified that the calculation of the Proportional Share will remain fixed even if after that date there will be a change in the par value of the Bonds in the Holder's possession.

22.5 The effective date for determining the liability of the Bondholders in the 'Indemnification Undertaking' and/or the payment of the Financial Deposit is as follows**:**

22.5.1 In any case where the 'Indemnification Undertaking' and/or the payment of the 'Financial Deposit' are required because of a decision or urgent action that are required in order to prevent material harm to the rights of the Bondholders, without a prior resolution of a meeting of the Bondholders, the effective date for the liability will be the end of the trading on the day of performing the action or making the decision, and if that day is not a trading day, the previous trading day.

22.5.2 In any case where the 'Indemnification Undertaking' and/or the payment of the 'Financial Deposit' are required because of a resolution of a meeting of the Bondholders, the effective date for the liability will be the effective date for participation at the meeting (as this date is determined in the notice of the meeting) and will also apply to a Holder who was not present at or did not participate in the meeting.

22.6 A payment by the Holders instead of the Company of any amount for which the Company is liable under this section 22 shall not release the Company from its obligation to make the aforesaid payment.

22.7 Without derogating from this section 22, it is hereby clarified that the Bondholders will participate in the financing of the Trustee's remuneration and the reimbursement of its expenses according to the provisions of this section 22 of the Trust Deed.

22.8 With respect to the priority of repaying the Holders who made payments under this section out of receivables in the Trustee's possession, see section 9 above.

26.45 When counting the votes in a voting that takes place at a Bondholders' meeting, the Trustee will not take into account the votes of Holders who did not respond to its demand as stated in section 26.44 above or of Holders with respect to whom it found that there is a conflict of interests as stated in section 26.44 above (in this section – "**Holders with a Conflicting Interest**").

26.46 Notwithstanding section 26.45 above, if the amount of holdings of the persons participating in the voting, who are not Holders with a Conflicting Interest, is less than five percent (5%) of the balance of the par value of the Bonds of that series, the Trustee will also take into account when counting the votes in the voting the votes of the Holders with a Conflicting Interest.

Convening of a Bondholders' Meeting for the Purpose of Consultation

26.47 The provisions of sections 26.1-26.13 above do not derogate from the Trustee's authority to convene a Bondholders' meeting, if it sees a need to consult with them; in an invitation to such a meeting, no details will be given of the matters on the agenda and the date of holding it will be at least one day after the date of convening it.

Annex 26.44
The Manner of Determining a Conflicting Interest

1. Within the framework of the voting at each Bondholders' meeting, the Trustee will examine only the voting of the pure Bondholders' in such a manner that the majority required to adopt a resolution will be counted solely of the votes of the 'pure Bondholders.' The counting of the 'pure Bondholders' will only count Bondholders that do not have other interests, i.e., Bondholders with respect to whom there is no reasonable concern that their voting on the resolution will be infludenced by their holding of other securities of the Company or a Related Party, irrespective of the nature of such influence or because of another influence that will be stated by that such Bondholder.

2. For the purpose of classifying the 'pure Bondholders,' it has been determined that a Bondholder with respect to whom at least one of the following conditions applies will be regarded as a "**Bondholder with a Conflicting Interest**," whose vote will not be counted among the votes of the 'pure Bondholders,' i.e., will not be included when counting the votes of the participants in the voting. The conditions are as follows:

   2.1 A Bondholder who is a Related Bondholder (as defined in the Trust Deed).

   2.2 A Bondholder who served as an officer of the Company shortly before the date of the event that forms the basis of the resolution at the meeting.

   2.3 A Bondholder that the Fair Value (as defined below) or the Presumed Value (as defined below), as applicable, that was determined for the its holdings of the other securities (such as shares, bonds, options, etc.) of any relevant corporation (the Company or another) (hereinafter: the "**Examined Securities**") is greater than the Fair Value or the Presumed Value, as applicable, that was determined for its holdings of the Bonds (that are the subject of the meeting), and for the purpose of an examination concerning its holdings of the Company's shares only, when they are multiplied by 70%.

   "**Fair Value**" will be calculated as stated below: the amount of the holdings of a certain Bondholder of a traded security (including TACT-Institutional), multiplied by the weighted average of the closing price of the security in the last 30 days preceding the date of publication of the convening of the meeting.

   "**Presumed Value**" means the number of holdings of a certain Bondholder of a non-traded security, multiplied by the amount that the Trustee will reasonably determine for the security.

3. It should be clarified that an additional separate meeting of those Bondholders with respect to whom the Trustee determined that they are Bondholders with a Conflicting Interest will not be held, and for the purpose of adopting a binding resolution, the resolution that was adopted at the meeting of the pure Bondholders will suffice, and for this purpose, no approval of the resolution at a meeting of Bondholders with a Conflicting Interest will be required.

4. It should be clarified that the votes of a Bondholder that is a Related Holder will not be taken into account for the purpose of determining the existence of the quorum that is required for starting the Bondholders' meeting, but the votes of a Bondholder that the Trustee determined, according to the following provisions, is a Bondholder with a Conflicting Interest will be taken into account for the purpose of determining the existence of the quorum required for starting the Bondholders' meeting.

5. The examination in this Annex is applied for the purpose of determining the 'pure Bondholders' and reflects a proper balance between the desire to prevent the adoption of resolutions on the basis of voting that is influenced – at least potentially – by conflicting interests, and the need to avoid a situation in which the decision on the resolution remains in the hands of a minority of the Bondholders. However, it may well be that even this classification will ultimately lead to giving too much weight to Holders with a small percentage of the Bonds, whose voting does not necessarily reflect the position of the majority of Bondholders. In such a case, the Trustee reserves the right to apply to the competent court to receive instructions regarding the proper manner of counting the votes of the voters in the circumstances of the matter.

4.2 In each case where the date for making the payment on account of Principal and/or interest will be a day that is not a Business Day, the payment date will be postponed to the following first Business Day, without any additional payment, and the 'Effective Date' for determining the entitlement to redemption and interest will not change as a result.

4.3 Each payment on account of Principal and/or interest that will be made with a delay of over seven (7) Business Days after the date scheduled for its payment under the terms of the Series C Bonds for a reason dependent on the Company will bear Default Interest (as defined below) starting from the date scheduled for its paying until the date of the actual payment. Sending a check to the Entitled Person by registered mail as aforesaid will be regarded for all intents and purposes as payment of the amount stated in it on the date of sending it by mail, provided that it was paid when it was duly presented for collection.

5. **Failure to Make a Payment for a Reason that is not Dependent on the Company**

Any transfer of the Bonds that is not made through the TASE Clearing House will be made by means of a transfer deed that is made with the customary wording for the transfer of shares, duly signed by the registered owner or its lawful representatives, and by the transferee or its lawful representatives, which will be delivered to the Company at its registered office, together with the Bond Certificates that are being transferred thereunder, and any other reasonable proof that will be required by the Company in order to prove the right of the transferor to transfer them.

7.2 Subject to the aforesaid, the procedural instructions included in the Company's articles of association regarding the manner of transferring shares will apply, *mutatis mutandis*, to the manner of transferring and assigning the Bonds.

7.3 If any compulsory payment whatsoever will be payable on the transfer deed for the Bonds, reasonable proof will be delivered to the Company of such payment made by the party requesting the transfer.

7.4 In a case of a transfer of only part of the amount of the stated Principal of the Bonds, the certificate will first be split according to the provisions of section 8 below into several Bond Certificates as required by this, in such a way that the total of all the amounts of Principal stated in them will be equal to the amount of the Principal stated in the aforesaid Bond Certificate.

7.5 After complying with all the aforesaid conditions, the transfer will be registered in the register and the transfer will be subject to all the terms stated in the Trust Deed and the Bond regarding that series.

7.6 All the expenses and commissions involved in the transfer will be the liability of the individual requesting the transfer.

10. **Collateral for the Bonds**

Section 6 of the Trust Deed will apply to collateral for the Bonds.

11. **Early Redemption**

11.1 **Early Redemption from Trading on the TASE's Initiative**

If and to the extent that it will be resolved by the TASE to delist the Bonds from trading because the value of the Series C Bonds is less than the amount determined in the regulations of the TASE for the delisting of Bonds, the Company will act as follows:

11.1.1 Within forty-five (45) days of the date of the decision of the TASE board of directors regarding the delisting of the Bonds as aforesaid, the Company will give notice of the date of early redemption on which the Holder of the Series C Bonds is entitled to redeem them.

11.1.2 The early redemption date for the Series C Bonds will be no earlier than seventeen (17) days after the date of publication of the notice and no later than forty-five (45) days after that date, but not in the period between the effective date for the payment of interest and the actual date of such payment.

11.1.3 On the early redemption date, the Company will redeem the Bonds whose Holders requested to redeem at the balance of the nominal value of the Bonds plus interest that has accrued on the Principal up to the date of the actual redemption (the interest calculation will be made on the basis of 365 days in a year).

11.1.4 The determination of the date of early redemption as aforesaid will not prejudice the redemption rights determined in the Bonds for any of the Bondholders who will not redeem them on the early redemption date stated above, but the Series C Bonds will be delisted from the TASE and will be subject, *inter alia*, to the tax repercussions deriving from it.

11.1.5 Early redemption of the Bonds as aforesaid will not grant the individual who held the Bonds that will be redeemed as aforesaid the right to a payment of interest for the period after the redemption date.

The Company will publish a notice about the early redemption date in an immediate report. The aforesaid notice will also give details of the amount of the early redemption consideration.

11.2 **Early Redemption on the Company's Initiative**

11.2.1 The Company will make an early and full redemption of the Bonds if one of the following events occurs:

(a) A sale of all the Charged Shares, as stated in section 6.6.5.4 of the Trust Deed;

(b) A sale of all the holdings of ACS in Arko Convenience and/or all the holdings of Arko Convenience in GPM and/or some of the holdings of ACS in Arko Convenience and/or some of the holdings of Arko Convenience in GPM, in such a manner that after the sale, ACS or Arko Convenience will cease to be the controlling shareholder of GPM, as stated in section 6.6.5.5 of the Trust Deed.

In cases as stated in subsections (a)-(b), the provisions of sections 11.2.4*et seq.* will apply, all of which subject to the provisions of the TASE's rules and regulations that will be in force on the relevant date.

11.2.2 In addition to section 11.2.1 above, the Company will be entitled, at its sole discretion, to make an early redemption of the Series C Bonds at any time, starting from 60 days from the date of listing them on the TASE.

In such cases, the provisions of sections 11.2.3 *et seq.* will apply, all subject to the provisions of the TASE's rules and regulations that will be in force on the relevant date.

In the aforesaid cases, the following provisions will apply, all subject to the provisions of the TASE rules and regulations that will be in force on the relevant date:

11.2.3 The frequency of the early redemptions will not exceed one per quarter.

The minimum amount of each early redemption will not be less than NIS 1 million. Notwithstanding the aforesaid, the Company will be entitled to make an early redemption for an amount of less than NIS 1 million provided that the frequency of the redemptions will not exceed one per year.

An early redemption shall not be made for a part of the Series C Bond Series if the amount of the last redemption will be less than NIS 3.2 million.

On a partial early redemption date, if shall exist, the Company will pay the Series C Bondholders on the partial early redemption date the interest that has accrued only for the redeemed part of the partial redemption and not for the whole of the unpaid balance. Moreover, the Company will give notice in an immediate report regarding: (1) the amount of the partial redemption in terms of the unpaid balance; (2) the amount of the partial redemption in terms of the

original series; (3) the interest rate in the partial redemption on the redeemed part; (4) the interest rate that will be paid in the partial redemption, calculated with respect to the unpaid balance; (5) an update of the amount of the partial redemption that remain, in terms of the original series; (6) the effective date for the entitlement to receive the early redemption of the Principal of the Bonds, which will be six (6) days before the date scheduled for the early redemption.

11.2.4 If an early redemption is scheduled in a quarter that also contains a date for payment of interest or a date for payment of a partial redemption or a date for payment of a final redemption, the early redemption will be made on the date that is scheduled for the aforesaid payment.

11.2.5 For this purpose, "quarter" means each of the following periods: January-March, April-June, July-September, October-December.

11.2.6 Any amount that will be paid in an early repayment by the Company will be paid with respect to all the Bondholders, *pro rata*, according to the nominal value of the held Bonds. Payments that were made within the framework of the early redemption will be attributed first to payments of interest that has accrued up to the date of the Company's notice regarding the early redemption (if and to the extent that there are any) and will subsequently be attributed to payments of Principal.

11.2.7 When a resolution of the Board of Directors of the Company is adopted with respect to making an early redemption as aforesaid, the Company will publish an immediate report with a copy to the Trustee, no less than twenty-one (21) days and no more than forty-five (45) days before the date of the early redemption.

11.2.8 The early redemption date will not occur in the period between the effective date for payment of interest on the Bonds and the actual date of payment of the interest. In the aforesaid immediate report, the Company will publish the amount of the Principal that will be repaid in an early redemption and the interest that has accrued for the aforesaid amount of Principal up to the date of the early redemption, as stated below.

11.2.9 The amount that will be paid to the Bondholders in a case of early redemption on the Company's initiative will be the highest amount of the following: (1) market value of the balance of the Bonds in circulation, which will be determined according to the average closing price of the Bonds in the thirty (30) Trading Days prior to the date of adopting the resolution of the board of directors regarding the making of the early redemption; (2) the Liability Value of the balance of the Series C Bonds in circulation that are subject to early redemption, i.e., Principal plus interest, up to the actual early redemption date; (3) the balance of the cash flow of the Series C Bonds that are available for early redemption (Principal plus interest), when it is capitalized according to the Yield of the Government Bonds (as defined below) plus interest at a rate of 1.5%. The capitalization of the Bonds that are subject to early redemption will be calculated from the date of the early redemption until the date of the last payment that was determined for the Bonds that are subject to early redemption, as determined in the First Offer Report. In a case of the payment of additional interest for the early redemption, the additional interest will be paid on the par value that is redeemed in the early redemption only.

In this regard, "**Yield of the Government Bonds**" means the average (gross) yield for redemption, in a period of seven Business Days, ending two Business Days before the date of the notice of the early redemption, of three series of Government Bonds whose average duration is the closest to the average duration of the Bonds on the relevant date.

For the avoidance of doubt, the purchase of the Bonds on the free market as stated in section 4 of the Trust Deed will not be regarded as early redemption for the purpose of this section.

14.1.20 If a Material Debt of the Company to a financial institution is subjected to a demand for immediate repayment (not by the Company's initiative), or another Series of Bonds that the Company issues is subjected to a demand for immediate repayment. For the avoidance of doubt, it should be clarified that for the purpose of this subsection, a non-recourse loan will not be regarded as a Material Debt.

"**Material Debt**" – means a debt that its value in the financial statements of the Company exceeds 25% of the Company's Equity (as defined in section 6.7.1 of the Trust Deed).

14.1.22 If one of the grounds stated in sections 14.1.1 to 14.1.5 above will be fulfilled with respect to ACS and/or GPM. Notwithstanding the aforesaid, to the extent that the Company will issue alternative collateral as stated in section 6.6.5.3 of the Trust Deed, this section above will not be regarded as a ground for immediate repayment.

14.1.23 If an expansion is made of the Series C Bond Series without complying with the conditions stated in section 2.2 of the Trust Deed for an expansion of the Series C Bond Series, without receiving prior approval of the Holders of the Series C Bonds.

14.1.24 If a sale of the Company's Main Assets (as this term is defined below) is made.

In this section, the "**Company's Main Assets**" means assets that the total amount of which constitutes at least 50% of the total assets of the Company, as stated in the Company's most recent (audited or reviewed, as applicable) consolidated financial statements.

14.1.25 If there is a real concern that the Company will not comply, or that the Company has not complied, with any of its material undertakings to the Holders of the Series C Bonds, including, *inter alia*, the payments to the Holders and the dates thereof.

For the purpose of the whole of this section 14, "**Material Asset**" is an asset that its value in the Company's books exceeds 50% of the total assets according to the most recent (audited or reviewed) consolidated financial statements on the date of the event.

(a) When a ground occurs as stated in section 14.1 above, the Trustee and the Bondholders may demand immediate repayment of the amount payable to the Holders under the Series C Bonds or realize collateral that was given to guarantee the Company's undertakings to the Holders under the Bonds. The Trustee of the Bondholders will not demand immediate repayment of the Series C Bonds and/or will not realize the collateral, as stated in this section 14, until after they have given the Company notice of their intention to do so, but the Trustee or the Holders are not liable to give the Company notice as aforesaid if there is a reasonable concern that giving the notice will prejudice the possibility of demanding immediate repayment of the Bonds or realizing collateral.

When one of the events in section 14.1 above occurs, the Trustee will be liable to convene a meeting of the Holders of the Series C Bonds, which will be held on a date that is 21 days after the date on which it is convened (or an earlier date according to the provisions of subsection (e) below), at which the agenda will include a resolution regarding a demand for immediate repayment of the whole unpaid balance of the Series C Bonds, because of the occurrence of any of the events stated in section 14.1 above, as applicable. In the notice convening the meeting, it will be stated that if the Company will cause the cancellation and/or termination of the event stated in section 14.1 above that led to the convening of the meeting by the date of the meeting, then the convening of the Bondholders' meeting as aforesaid will be canceled.

(b) A decision of holders to demand immediate repayment of the Bonds or to realize collateral will be made at a Bondholders' meeting at which the Holders of at least fifty percent (50%) of the balance of the par value of the Series C Bonds are present, by a majority of Holders of the balance of the par value of the Bonds represented in the voting or by such a majority at a deferred meeting at which the Holders of at least twenty percent (20%) of the aforesaid balance are present.

(c) Should any of the events stated in section 14.1 not be canceled or removed by the date of holding the meeting and a resolution at the meeting of the Holders of the Series C Bonds is adopted in the manner required in subsection (b) above, the Trustee will be required, within a reasonable time, to demand immediate repayment of the whole unpaid balance of the Series C Bonds, provided that it gave the Company 15 days' warning to do this.

(d) A copy of the notice convening the meeting as aforesaid will be sent by the Trustee to the Company for publication and the invitation to the meeting will constitute prior written warning to the Company of its intention to act to demand immediate repayment of the Series C Bonds and/or to realize collateral as stated in subsection (c) above.

(e) The Trustee may, at its discretion, shorten the period of 21 days as stated in subsection (a) above and/or the 15 days of warning stated in subsection (c) above and/or not deliver a warning at all, in a case where, in the Trustee's opinion, there is a reasonable concern that the waiting during this period or the delivery of the warning, as applicable, will prejudice the possibility of demanding immediate repayment of the Bonds or realizing the collateral or prejudice the Holders' rights.

(f) If, with respect to a certain section, there is a determination in section 14.1 above of a reasonable period in which the Company may perform an act or adopt a resolution as a result of which the ground for demanding immediate payment or realizing collateral is eliminated, the Trustee or the Holders may demand the immediate repayment of the Bonds only if the period determined as aforesaid has passed and the ground has not been eliminated; however, the Trustee may shorten the period determined as aforesaid if it believes that it may materially prejudice the rights of the Bondholders.

(g) The sending of a notice to the Company regarding a demand for immediate repayment of the Series C Bonds and/or the realization of collateral can also be done under the provisions of section 19 below and will constitute a demand for immediate repayment of the Bonds.

(h) Subject to the provisions of law, the Trustee's duties under this section 14 are subject to its actual knowledge of the occurrence of the facts, cases, circumstances and events stated therein.

(i) When one of the events in section 14.1 above occurs, the Trustee and/or the Holders may immediately take all the measures that they will deem fit. The Trustee will be entitled to act in any manner that it will deem fit and beneficial, including under the relevant law in the relevant territory.

(j) Nothing stated in this section 14 above will derogate from the authority of the Trustee to demand immediate repayment of the Series C Bonds and/or to realize collateral at its discretion.

(k) As long as there is a ground for demanding immediate repayment of the Bond as stated in section 14 above, any collateral will be subject to enforcement and realization, after adopting a resolution of a meeting of the Series C Bondholders regarding the realization of collateral as stated in subsection (a) above, whether there has been a demand for immediate repayment of the Bonds or whether there has not yet been a demand for immediate repayment of the Bonds, all subject to the giving of notice to the Company except in circumstances where it is permitted not to give notice to the Company as stated above.

It should be clarified that in any case there is a determination in section 14.1 above, with respect to a certain section, of a reasonable period in which the Company may perform an action or adopt a resolution that will lead to the ground for demanding immediate repayment or to realize collateral being eliminated, the Trustee or the Holders may demand the immediate repayment of the Bonds only if the period determined as aforesaid has passed and the ground has not been eliminated; however, the Trustee may shorten the period determined as aforesaid if it believes that it may materially prejudice the rights of the Bondholders.

15. **Changes in the Terms of the Bond**

No change, waiver and/or settlement with respect to the terms of the Bond and the rights arising from it will have any validity unless they are made according section 24 of the Trust Deed.

16. **Receipt from the Bondholders**

For the purposes of this section, the provisions of section 13 of the Trust Deed will apply.

17. **Replacement of Bond Certificates**

Should the Bond Certificate be damaged, lost or destroyed, the Company may issue in its stead a new certificate of the Bond, on such terms as the Company will request with respect to proof, indemnification and the covering of expenses caused to the Company in order to inspect the right of ownership of the Bond, as the Company will deem fit. In a case of damage, the damaged Bond Certificate will be returned to the Company before the new certificate is issued. Charges and other expenses involved in issuing the new certificate will be payable by the individual requesting the aforesaid certificate.

18. **The Applicable Law and Jurisdiction**

The courts in the Tel-Aviv-Jaffa will have sole and exclusive jurisdiction over each dispute relating to the Bond, the Trust Deed and the agreements by virtue of which the Bonds were issued, and they will be subject only to the laws of the State of Israel.

19. **Notices**

Section 23 of the Trust Deed will apply to notices.

Urgent Representation of the Holders of the Series C Bonds

Appointment, Term of Office

1. The Trustee will be entitled, or at the written request of the Company will be required, to appoint and convene an urgent representation of the Bondholders, as will be stated below (hereinafter: the "**Urgent Representation**").

2. The Trustee will appoint to the Urgent Representation three (3) Bondholders of Series C Bonds, who to the best of the Trustee's knowledge or according to figures that it received from the Company are the Holders of the highest par value of all the Bondholders and who will declare that they meet all the conditions stated below (hereinafter: the "**Members of the Representation**"). In a case where any of such Bondholders will not be interested or able to hold office on the Urgent Representation, the Trustee will appoint the next largest Bondholder and so on, provided that in any case, the members of the Urgent Representation will be three of the five largest Bondholders of the series known to the Trustee according to the figures that it received from the Company who are willing and able to hold office on the Urgent Representation. The conditions are as follows:

   2.1 The Bondholder is not a related party to the Company and does not have a material conflict of interest with respect to the purpose of convening the Urgent Representation and its authorities, because of the existence of any conflicting interest to the matter arising from its holding office on the Urgent Representation and its holding of the Bonds.

   2.2 During that calendar year, the Bondholder does not hold office on similar representations of Other Bonds that the cumulative value of which exceeds the maximum percentage of the total portfolio of assets managed by it that allows holding office on an urgent representation under the instructions of the general director of the Antitrust Authority regarding urgent representation.

3. If during the term of office of the Urgent Representation, one of its members no longer fulfills one of the circumstances listed in sections 2.1-2.2 above, its office will expire, and the Trustee will appoint another member in its stead from among the Holders of Series C Bonds according section 2 above.

4. Before the appointment of the Members of the Representation, the Trustee will receive from the candidates for holding office as Members of the Representation a declaration regarding the existence or non-existence of conflicts of interest as stated above and regarding the holding of office on additional representations as stated above. Moreover, the Trustee will be entitled to demand such a declaration from the Members of the Representation, at any time while the Urgent Representation holds office. A Holder who will not deliver such a declaration will be deemed to have a material conflict of interest or an impediment to holding office on the representation under the instructions of the general director of the Antitrust Authority as stated above, as applicable. Regarding the declaration of a conflict of interest, the Trustee will examine the existence of the conflicting interests, and where necessary, it will decide whether the conflicts of interest are sufficient to disqualify that Holder from holding office on the Urgent Representation. It is clarified that the Trustee will rely on the aforesaid declarations and will not be liable to make an additional independent examination or investigation. The Trustee's determination on these matters will be final.

5. The term of office of an Urgent Representation will end on the date when the Company will publish the Urgent Representation's decisions regarding giving an extension to the Company for the purpose of complying with the terms of the Trust Deed, as stated in section 6 below. Shortly after the appointment of the Urgent Representation and except in cases where non-publication is permitted under the law, the Company will publish an immediate report of the appointment of the Urgent Representation and the identity of its members. Moreover, the Company will publish an immediate report of every resolution that will be adopted by the Urgent Representation.

Power of the Urgent Representation

6. The Representation will have the authority to grant an extension to the Company to remedy or to perform any of the undertakings in the Trust Deed that relate to the Company's undertaking to comply with financial covenants, to the extent that there will be any, for a period that will not exceed ninety (90) days or the date of publication of the Company's next financial statements, whichever is the earlier. It should be clarified that the Urgent Representation's activity and the cooperation between its members will be limited to considering the possibility of granting an extension as aforesaid, and no other information will be transferred between the Members of the Representation that does not relate to the granting of such an extension. It should be further clarified that the period of time until the appointment of the representation will not constitute a ground for granting any additional extension to the Company beyond as stated in this section above. If the Urgent Representation decides to grant an extension as stated in this section 6, it will be a final decision and bind the Bondholders, but each of the Bondholders that holds at least five percent (5%) of the par value of the unpaid balance of the Principal of the Bonds at that time will be entitled to convene a meeting of the Bondholders in order to adopt a resolution to change and/or cancel the decision of the Urgent Representation regarding the giving of an extension as aforesaid, provided that such a resolution of the meeting of the Bondholders will be adopted as a resolution at a general meeting of the Holders of the Series C Bonds, at which two Holders of the Bonds, who have at least fifty percent (50%) of the voting rights in the Bond Series, are present in person or by proxy, and or at a deferred meeting, at which two Holders of the Bonds, who have at least twenty percent (20%) of the voting rights as aforesaid, are present in person or by proxy, and it is adopted (whether at the original meeting or at the deferred meeting) by an ordinary majority.

7. If the extension stated in section 6 above comes to an end, a meeting of the Bondholders may appoint a new Urgent Representation. The authorities of the Urgent Representation and its term of office will be as the aforesaid meeting of Bondholders will decide. The eligibility of the Urgent Representation and the eligibility of its members will be as stated in section 2 above.

8. If an Urgent Representation is not appointed under this Annex, of if the Urgent Representation decides not to grant the Company an extension as stated in section 6 above, the Trustee will be required to convene a meeting of the Bondholders that will be held no later than seven (7) days after the date on which it is convened, at which the possibility of granting such an extension will be on the agenda.

9. It should be clarified that resolutions of the Urgent Representation will not prejudice previous resolutions adpoted by meeting of Bondholders according to law or according to the provisions of this Trust Deed.

The Company's Undertakings regarding the Urgent Representation

10. The Company undertakes to act in full cooperation with the Urgent Representation and the Trustee and to give the Trustee any information that it can obtain regarding the identity of the Bondholders and the scope of their holdings. Moreover, the Trustee will act to obtain such information according to the authorities granted to it under any law.

11. Moreover, the Company undertakes to act in full cooperation with the Ugernt Representation and to give the Urgent Representation the data and the documents that it will reasonably need to make its decision, subject to the restrictions of the law and the confidentiality undertaking of the members of the Urgent Representation.

12. The Company will pay the reasonable costs for hiring experts and advisors by or for the Urgent Representation, according and subject to the provisions of section 20 of the Trust Deed.

Liability

13. The Urgent Representation will act and decide the matters entrusted to it at its absolute discretion, and it or any of its members, their officers, their employees or advisors shall not be liable, and the Company and the Bondholders hereby release them, for any contentions, demands and claims against them for exercising or failing to exercise the powers, authorities or discretion granted to them under this Deed and in connection therewith or for any other action that they performed hereunder, unless they acted maliciously, in bad faith or negligently.

14. The indemnification provisions stated in section 22 of the Trust Deed will apply to the acts of the Members of the Representation and anyone acting on their behalf, as if they were the Trustee.

Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Secured Parties under the Credit Agreement or any other Credit Document, and shall not alter, modify, amend or in any way affect any of the obligations or any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or of any other Credit Document, all of which are ratified, confirmed, affirmed and reaffirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle any Credit Party to a consent to, or a waiver, amendment, modification or other change of, any of the obligations or any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Credit Document in similar or different circumstances.

   The parties hereto acknowledge and agree that: (i) this Amendment and any other Credit Documents or other documents or instruments executed and delivered in connection herewith do not constitute a novation, or termination of the obligations as in effect immediately prior to the date hereof; and (ii) such obligations are in all respects continuing with only the terms thereof being modified to the extent expressly provided in this Amendment. Without limiting the generality of the foregoing, the execution, delivery and performance of this Amendment shall not constitute a waiver of any provision of, or operate as a waiver of any right, power or remedy of the Secured Parties under, the Credit Agreement or any of the other Credit Documents.

   Each of the Borrower and the undersigned Guarantors, as party to the Credit Agreement and certain of the Security Documents and the other Credit Documents, in each case as amended, supplemented or otherwise modified from time to time, hereby (i) acknowledges and agrees that all of its obligations under the Credit Agreement, the Security Documents and the other Credit Documents to which it is a party are reaffirmed and remain in full force and effect on a continuous basis, (ii) reaffirms (A) each Lien granted by it to the Administrative Agent for the benefit of the Secured Parties to secure the Secured Obligations and (B) any guaranties made by it pursuant to the Guarantee Agreement, (iii) acknowledges and agrees that the grants of security interests by it contained in the Security Pledge Agreement and any other Security Document shall remain in full force and effect after giving effect to this Amendment and shall continue to secure all of the Secured Obligations, and (iv) agrees that the Secured Obligations include, among other things and without limitation, the prompt and complete payment and performance by the Borrower when due and payable (whether at the stated maturity, by acceleration or otherwise) of principal and interest on, and premium (if any) on, the Loans under the Credit Agreement as amended by this Amendment.

   This Amendment shall be deemed to be a Credit Document, as such term is defined in the Credit Agreement.

5. **Entire Agreement.** This Amendment, the Credit Agreement and the other Credit Documents constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties or any of them with respect to the subject matter hereof and thereof.

6. **GOVERNING LAW. THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF AND ANY DETERMINATIONS WITH RESPECT TO POST-JUDGMENT INTEREST) SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

7. **Severability.** Any term or provision of this Amendment which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Amendment or affecting the validity or enforceability of any of the terms or provisions of this Amendment in any other jurisdiction. If any provision of this Amendment is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as would be enforceable.

8. **Counterparts.** This Amendment may be executed in counterparts (including by facsimile or other electronic transmission), each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. Section 1.06 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York time (daylight or standard, as applicable).

Section 1.07 Timing of Payment of Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of LIBOR Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08 Corporate Terminology. Any reference to officers, shareholders, stock, shares, directors, boards of directors, corporate authority, articles of incorporation, bylaws or any other such references to matters relating to a corporation made herein or in any other Credit Document with respect to a Person that is not a corporation shall mean and be references to the comparable terms used with respect to such Person.

Section 1.09 Limited Condition Acquisitions.

(a) Solely in the case of the consummation of a Limited Condition Acquisition, if the Borrower has made an LCA Election, (i) the Total Leverage Ratio, to the extent required to be tested in connection therewith, shall be calculated on a Pro Forma Basis and tested as of the date of execution of the definitive agreement(s) for such Limited Condition Acquisition (as if such transaction and other pro forma events in connection therewith were consummated on such date) (such date, the "***LCA Test Date***"), (ii) for purposes of determining compliance with any provision of this Agreement which requires that no Default or Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall be deemed satisfied, so long as (x) no Event of Default exists on the LCA Test Date and (y) no Specified Event of Default exists at the time of, and immediately after giving effect to, the consummation of such Limited Condition Acquisition, and (iii) for purposes of determining compliance with any provision of this Agreement which requires that any of the representations and warranties made by any Credit Party set forth in this Agreement or in any other Credit Document be true and correct, such condition shall be deemed satisfied, so long as (x) the representations and warranties in this Agreement and the other Credit Documents are true and correct in all material respects (without duplication of any materiality qualifier therein) as of the LCA Test Date and (y) the "specified acquisition representations" (or such similar term as customarily defined in the definitive agreements entered into in connection with such Limited Condition Acquisitions) are true and correct in all material respects (without duplication of any materiality qualifier therein), at the time of, and immediately after giving effect to, the consummation of such Limited Condition Acquisition; provided that if the Borrower has made an LCA Election, in connection with the calculation of any ratio, other than for purposes of calculating compliance with (A) the Financial Performance Covenant or (B) any basket with respect to the incurrence of any Indebtedness (including any Incremental Facility) or Liens, or the making of any Permitted Acquisitions or other Investments, Restricted Payments, Restricted Debt Payments or Disposition of assets on or following such LCA Test Date and prior to the earlier to occur of (x) the date on which such Limited Condition Acquisition is consummated or (y) the definitive agreement for such Limited Condition Acquisition is terminated, any such ratio or basket shall be required to be calculated on a Pro Forma Basis assuming (i) such Limited Condition Acquisition and other pro forma events in connection therewith (including, without limitation, the incurrence of any Indebtedness) have been consummated and (ii) such Limited Condition Acquisition and other pro forma events in connection therewith (including, without limitation, the incurrence of any Indebtedness) have not been consummated, and the Borrower shall be required to meet the applicable ratio or other basket in the case of each of clause (i) and (ii) herein.

(b) If the Borrower has made an LCA Election for any Limited Condition Acquisition, in connection with a Limited Condition Acquisition and any other transactions (including Indebtedness and Restricted Payments) effected in connection therewith, Consolidated EBITDA, cash and Cash Equivalents and interest expense shall be determined, for purposes of the relevant incurrence ratios and baskets pursuant to Article IX hereunder, and any Default or Event of Default blocker pursuant to Section 11.01 shall be tested, as of the date the definitive acquisition agreement for such Limited Condition Acquisition is entered into, rather than the date on which such acquisition is consummated.

ARTICLE II

Amount and Terms of Credit Facilities

Section 2.01 Loans.

(a) Initial Term Loans. Subject to and upon the terms and conditions herein set forth, each Lender having a Term Loan Commitment severally agrees to make a loan or loans (each such Initial Term Loan (an "***Initial Term Loan***"), any Delayed Draw Term Loans, Extended Term Loans or Incremental Term Loans are referred to individually as a "***Term Loan***" and collectively as the "***Term Loans***") in the amount set forth opposite such Lender's name on Schedule 1.01(a) to the Borrower, which Term Loans (i) shall not exceed, for any such Lender, the Term Loan Commitment of such Lender, (ii) shall not exceed, in the aggregate, the Total Term Loan Commitment, (iii) shall be made on the Closing Date, (iv) may, at the option of the Borrower, be incurred and maintained as, and/or converted into, ABR Loans or LIBOR Term Loans; provided, that all such Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Term Loans of the same Type, and (v) may be repaid or prepaid in accordance with the provisions hereof, but once repaid or prepaid may not be reborrowed.

(b) Delayed Draw Term Loans.

(i) General. Subject only to the satisfaction or waiver by the applicable Lender with a Delayed Draw Term Loan Commitment in accordance with Section 7.02 of each of the applicable Delayed Draw Term Loan Funding Conditions, on any Business Day prior to the applicable Delayed Draw Term Loan Commitment Expiration Date, pursuant to in a written notice in the form attached hereto as Exhibit J (a "***Delayed Draw Term Loan Notice***") delivered by the Borrower to Administrative Agent prior to 12:00 noon (New York time) at least three (3) Business Days prior to such date, each Lender with a Delayed Draw Term Loan Commitment of such Class agrees, severally and not jointly, to make a Delayed Draw Term Loan to Borrower in an original principal amount equal to such Lender's pro rata share of such Delayed Draw Term Loan Commitment multiplied by the amount of the Delayed Draw Term Loan requested in such Delayed Draw Term Loan Notice but in any event not in excess of such Lender's pro rata share of the then unfunded portion of such Delayed Draw Term Loan Commitment. Each Delayed Draw Term Loan shall be required to be requested in a minimum principal amount of $5,000,000 and increments of $1,000,000 in excess thereof (or, if less at such time, the remaining unfunded portion of the applicable Delayed Draw Term Loan Commitment). Each Delayed Draw Term Loan made to Borrower shall result in an immediate and permanent reduction in the applicable Delayed Draw Term Loan Commitment in the principal amount of such Delayed Draw Term Loan so made, to be shared by the Lenders with Delayed Draw Term Loan Commitments of the applicable Class in accordance with their pro rata shares of the Delayed Draw Term Loan Commitment of such Class then in effect. Borrower will use the proceeds of the Delayed Draw Term Loans as set forth in Section 9.11. Amounts paid or prepaid in respect of the Delayed Draw Term Loans may not be reborrowed. Subject to clause (v) below, each Delayed Draw Term Loan shall, upon the funding thereof, be on the same terms (as amended from time to time) (including pricing and maturity date) as, and become a part of and be of the same Class as, the Initial Term Loan. Each Delayed Draw

Term Loan A Commitment shall terminate in its entirety on the applicable Delayed Draw Term Loan A Commitment Expiration Date. Each Delayed Draw Term Loan B Commitment shall terminate in its entirety on the applicable Delayed Draw Term Loan B Commitment Expiration Date. The Borrower may make up to (i) two (2) Borrowings under the Delayed Draw Term Loan A Facility and (ii) seven (7) Borrowings under the Delayed Draw Term Loan B Facility.

(ii) Amortization Payments. Each Delayed Draw Term Loan shall amortize based on the same percentage as the initial Term Loan as specified in Section 2.05(b) (and may include customary adjustments to provide for the "fungibility" of the Delayed Draw Term Loans with the initial Term Loans), beginning on the last day of the first full calendar quarter after such Delayed Draw Term Loan is made and on the last day of each calendar quarter thereafter, with the remaining principal amount of such Delayed Draw Term Loan then outstanding due and payable in full on the Term Loan Maturity Date.

(iii) Voluntary Commitment Reductions. Borrower may, with at least three (3) Business Day's prior written notice to the Administrative Agent, permanently terminate or reduce all or any portion of the unfunded Delayed Draw Term Loan Commitment of each Class without any fees, premiums or penalties (other than pursuant to Section 4.01(a)); provided that such reductions shall be in an amount greater than or equal to $1,000,000 or, if less, the remaining Aggregate Delayed Draw Term Loan Commitment of such Class or Classes. All reductions of the Aggregate Delayed Draw Term Loan A Commitment shall be allocated pro rata among all Delayed Draw Term Loan A Lenders. All reductions of the Aggregate Delayed Draw Term Loan B Commitment shall be allocated pro rata among all Delayed Draw Term Loan B Lenders.

(iv) Funding of Delayed Draw Term Loans. The Administrative Agent shall notify each Lender with an applicable Delayed Draw Term Loan Commitment promptly after receipt of a Delayed Draw Term Loan Notice of the details thereof. Each such Lender shall, severally and not jointly, make the amount of such Lender's pro rata share of each Delayed Draw Term Loan available to the Administrative Agent in same day funds by wire transfer to the Administrative Agent's account not later than 2:00 p.m. (New York time) on the requested funding date so that the Administrative Agent may make such Delayed Draw Term Loan available to the Borrower in same day funds by wire transfer to Borrower's account.

(v) Amounts borrowed as an Initial Term Loan or Delayed Draw Term Loan which are repaid or prepaid may not be reborrowed.

(c) [Reserved].

(d) Incremental Facilities.

(i) Requests. The Borrower may at any time or from time to time (on one or more occasions) after the Closing Date, add one or more additional Classes of term loans (an "***Incremental Facility***") and/or increase the principal amount of the Term Loans by requesting new term loan commitments to be added to such Loans (an "***Incremental Term Increase***", and together with any Incremental

Facility, the "***Incremental Term Loans***"). Notwithstanding anything to the contrary herein, the aggregate principal amount of the Incremental Facilities that can be incurred at any time shall not exceed the Maximum Incremental Amount at such time. Each Incremental Facility shall be in a minimum principal amount of $10,000,000 and integral multiples of $1,000,000 in excess thereof (unless the Borrower and the Administrative Agent otherwise agree); provided that the principal amount may be less than such amount or integral multiple if such amount represents all the remaining availability under the aggregate principal amount of Incremental Facilities set forth above.

(ii) Lenders. After the satisfaction of the requirements set forth in Section 2.01(d)(i), the Required Lenders, the Administrative Agent, the Collateral Agent and the Borrower shall mutually and reasonably determine the Persons who will provide such remaining Incremental Facility; provided that, the Borrower may select one (1) or more additional Lenders reasonably satisfactory to the Required Lenders, the Administrative Agent and Collateral Agent to provide such Incremental Facility, subject to any consents that would otherwise be required for assignments to such Lender(s)) (it being understood that no existing Lender will have any obligation to provide all or any portion of such Incremental Facility).

(iii) Conditions. No Incremental Facility shall become effective under this Section 2.01(d) unless, immediately after giving effect to such Incremental Facility, the Loans to be made thereunder (and assuming that the cash proceeds of such Incremental Facility are not netted), and the application of the proceeds therefrom,

(A) no Event of Default shall exist; provided that in the case of Incremental Facilities being used to finance a Limited Condition Acquisition, compliance with this clause (A) shall be determined as of the LCA Test Date and no Specified Event of Default (other than a Specified Event of Default pursuant to Section 11.01(c)) shall exist at the time of consummation of such Limited Condition Acquisition;

(B) [reserved];

(C) all representations and warranties made by each Credit Party contained herein or in the other Credit Documents shall be true and correct in all material respects, in each case, with the same effect as though such representations and warranties had been made on and as of the date of such Credit Extension (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date); provided, that any representation or warranty that, by its terms, is qualified as to "materiality", "Material Adverse Effect" or similar language or subject to dollar thresholds, shall be true and correct in all respects in accordance with its terms on such respective dates; provided further that, if the proceeds of such Incremental Term Loan are being used to finance a Limited Condition Acquisition, then the condition in this clause (B) shall instead be that no Lender shall be obligated to fund the Incremental Term Loan with respect thereto unless the representations and warranties contained in the agreement relating to the Limited Condition Acquisition as are material to the interests of the Agent and the Lenders shall be true and correct, but

only to the extent that a Credit Party, or an Affiliate of a Credit Party, has the right to terminate its obligations under such agreement (or the right not to consummate the Limited Condition Acquisition under such agreement) as a result of the failure of such representations and warranties to be true and correct as of such date (except to the extent relating to an earlier date, in which case as of such earlier date);

(D) the proceeds of such Incremental Facility shall be used for Investments permitted by this Agreement, general working capital, general corporate purposes, capital expenditures and Permitted Acquisitions, permitted Restricted Payments and any other transaction permitted by this Agreement, and

(E) the Administrative Agent shall have received a certificate of an Authorized Officer of the Borrower at least three (3) Business Days prior to the proposed date of such incurrence certifying as to the foregoing.

(iv) Terms.

(A) The final maturity date of any Incremental Term Loan shall be no earlier than the maturity date of the Initial Term Loans and the weighted average life to maturity of any such Incremental Term Loan shall not be shorter than the remaining weighted average life to maturity of the Initial Term Loans (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of Term Loans prior to such date of determination). The Effective Yield and giving effect to any amendments to such that became effective subsequent to the Closing Date but prior to the time any such Incremental Term Loan is requested, but excluding any arrangement, commitment, structuring and underwriting fees and any amendment fees paid or payable to the lead arrangers (or their Affiliates) in their respective capacities as such in connection with the existing Term Loan Facility or to one or more arrangers (or their Affiliates) in their capacities as such applicable to such Incremental Term Loan shall be excluded (unless such fees are payable to all lenders (or any of their Affiliates) under such Incremental Term Loan), applicable to any Incremental Term Loan shall not be more than 0.50% per annum higher than the corresponding Effective Yield (determined on the same basis) applicable to the then outstanding Initial Term Loans or the Delayed Draw Term Loan Facility, unless the interest rate margin (and the interest rate floor, if applicable) with respect to the then outstanding Initial Term Loans or the Delayed Draw Term Loan Facility is increased by an amount equal to the difference between (1) the Effective Yield with respect to the Incremental Term Loan and (2) the Effective Yield on the then outstanding Initial Term Loans or any Delayed Draw Term Loan Facility, as applicable, minus 0.50% per annum; provided that to the extent the Effective Yield with respect to such Incremental Facility is greater than such Effective Yield with respect to the then outstanding Initial Term Loans or the Delayed Draw Term Loan Facility solely as a result of a higher interest rate floor, then the interest rate margin increase shall be effectuated solely by increasing the interest rate floor on the then outstanding Initial Term Loans or the Delayed Draw Term Loan Facility, but only to the extent an increase in the interest rate floor on the then outstanding Initial Term Loans or the Delayed Draw Term Loan Facility would cause an increase in the interest rate then in effect thereunder (the adjustments pursuant to this sentence, the "***MFN Adjustment***"). Except with respect to pricing, interest rate margins, discounts, premiums, rate floors and fees and (subject to this clause (A)) maturity

and amortization, any Incremental Term Loan shall be on terms consistent with the Initial Term Loans and shall have such other terms as agreed to between the Borrower and the "required lenders" or "required holders" providing such Incremental Term Loan; provided that representations, warranties, covenants and events of default or other provisions agreed to between the Borrower and the "required lenders" or "required holders" providing such Incremental Term Loan with respect to such Incremental Term Loan may be inconsistent with the initial Term Loans so long as, if any such representation, warranty, covenant or event of default or other provision are more restrictive (taken as a whole) than, or otherwise more favorable (taken as a whole) (in each case, as reasonably determined by the Borrower) to the Lenders providing such Incremental Term Loans than, those applicable to the initial Term Loans, either (x) the initial Term Loans shall receive the benefit of any such additional or more restrictive representation, warranty, covenant or event of default or other provision or (y) such representations, warranties, covenants or events of default or other provisions shall be effective after the indefeasible satisfaction in full and discharge of the initial Term Loans. There shall be no borrower or guarantor in respect of any Incremental Facility that is not the Borrower or a Guarantor (or joined as such substantially concurrently with the incurrence of such Incremental Facility).

(B) Any Incremental Facility shall (i) rank pari passu with any then-existing Class of Loans, as applicable, in right of payment and/or security, (ii) not be secured by any assets other than the Collateral securing the Secured Obligations, (iii) not be guaranteed by any Person which is not a Credit Party and (iv) be subject to the Intercreditor Agreement or other intercreditor arrangements reasonably satisfactory to the Agent.

(v) Required Amendments. Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Facility, this Agreement may be amended to the extent (but only to the extent) necessary to reflect the existence of such Incremental Facility and the Loans evidenced thereby, and any joinder agreement or amendment may without the consent of the other Lenders effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, the Collateral Agent and the Borrower, to effectuate the provisions of this Section 2.01(d), and, for the avoidance of doubt, this Section 2.01(d)(v) shall supersede any provisions in Section 13.01. From and after each Incremental Effective Date, the Loans and Commitments established pursuant to this Section 2.01(d), which for the avoidance of doubt, shall consist of Incremental Term Loans secured on a pari passu basis with the initial Term Loans, shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Credit Documents, and shall, without limiting the foregoing, benefit equally and ratably from the guarantees and security interests created by the applicable Security Documents, unless the Borrowers and the Lenders in respect of any such Incremental Term Loans elect lesser sharing of guarantees or Collateral. The Credit Parties shall take any actions reasonably required by the Agent to ensure and/or demonstrate that the Liens and security interests granted by the applicable Security Documents continue to be perfected under the UCC or otherwise after giving effect to the establishment of any such new Loans and Commitments.

(e) LIBOR Rate Loans. Each Lender, may at its option, make any LIBOR Rate Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such LIBOR Rate Loan; provided, that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such LIBOR Rate Loan and (ii) in exercising such option, such Lender shall use its reasonable efforts to minimize any increased costs to the Borrower resulting therefrom (which obligation of the Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it determines would be otherwise disadvantageous to it).

Section 2.02 [Reserved]

Section 2.03 Notice of Borrowing. The Borrower shall give the Administrative Agent prior written notice (i) prior to 1:00 p.m. (New York time) at least three (3) Business Days prior to each Borrowing of Term Loans which are to be initially LIBOR Rate Loans (or such shorter period as the Administrative Agent may agree in the case of the Borrowing of Term Loans on the Closing Date or in connection with any Incremental Facility), and (ii) prior to 12:00 noon (New York time) at least one (1) Business Day prior to each Borrowing of Term Loans which are to be ABR Loans. Such notice in the form of Exhibit E (a "***Notice of Borrowing***"), except as otherwise expressly provided in Section 2.10, shall be irrevocable and shall specify (A) the aggregate principal amount of the Term Loans to be made, (B) the date of the Borrowing (which shall be, (x) in the case of Term Loans, the Closing Date and (y) in the case of any Incremental Term Loans, the applicable Closing Date for such tranche) and (C) whether the Term Loans shall consist of ABR Loans and/or LIBOR Term Loans and, if the Term Loans are to include LIBOR Term Loans, the LIBOR Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of Term Loans, of such Lender's proportionate share thereof and of the other matters covered by the related Notice of Borrowing.

Section 2.04 Disbursement of Funds. (a) No later than 2:00 p.m. (New York time), in the case of each Borrowing of Term Loans for which all conditions to the making of such Loan set forth in this Agreement have been met prior to 10:00 a.m. (New York time) on the requested date of such Borrowing specified in the Notice of Borrowing therefor, each Lender will make available its *pro rata* portion, if any, of such Borrowing requested to be made on such date in the manner provided below.

(b) Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing, in immediately available funds to the Administrative Agent, and the Administrative Agent will make available to the Borrower, by depositing in an account designated by the Borrower to the Administrative Agent in writing, the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available the same to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower shall promptly pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower, to the date such

corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if paid by such Lender, the Federal Funds Rate or (ii) if paid by the Borrower, the then-applicable rate of interest, calculated in accordance with Section 2.08, applicable to ABR Loans. If the Borrower and such Lender shall pay interest to the Administrative Agent for the same (or a portion of the same) period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period.

(c) Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

Section 2.05 Payment of Loans; Evidence of Debt

(a) [Reserved].

(b) Term Loans. The Borrower agrees to pay to the Administrative Agent, for the benefit of the Lenders of the Term Loans, beginning on June 30, 2020 and on the last day of each calendar quarter thereafter (each, a "***Term Loan Repayment Date***"), an amount equal to 0.25% of the original principal amount of the Initial Term Loan on the Closing Date (as the same may be adjusted from time to time pursuant to Section 2.01(b)(ii) or Section 5.04, each a "***Term Loan Repayment Amount***"). The Borrower agrees to pay to the Administrative Agent, for the benefit of the applicable Lenders, on the Term Loan Maturity Date, all then outstanding Term Loans. For the avoidance of doubt, no amounts repaid on the Term Loans pursuant to this Section 2.05(b) may be reborrowed.

(c) Pro Rata Adjustments. The Administrative Agent may, at the time of incurrence thereof, adjust the amortization payment to be made to any applicable Lender in conjunction with the incurrence of any Delayed Draw Term Loans, Incremental Term Loans or Extended Term Loans (in each case, solely to the extent such Delayed Draw Term Loans, Incremental Term Loans or Extended Term Loans otherwise have the same terms and conditions as existing Term Loans) in order to maintain the pro rata allocation of amortization payments between and among Term Loans that otherwise have the same terms and conditions but are incurred on different dates. With respect to any Incremental Term Loan or Extended Term Loan, such amortization payment shall be as specified in the applicable amendment, Extension Offer or joinder agreement.

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(e) The Borrower agrees that from time to time on and after the Closing Date, upon the request to the Agent by any Lender, at the Borrower's own expense, the Borrower will execute and deliver to such Lender a Note, evidencing the Loans made by, and payable to such Lender or its registered assigns in a maximum principal amount equal to such Lender's share of the outstanding principal amount of the Term Loans or the applicable Aggregate Delayed Draw Term Loan Commitment, as the case may be. The Borrower hereby irrevocably authorizes each Lender to make (or cause to be made) appropriate notations on the grid attached to such Lender's Note (or on any continuation of such grid), which notations, if made, shall evidence, inter alia, the date of,

the outstanding principal amount of, and the interest rate and LIBOR Period applicable to, the Loans evidenced thereby. Such notations shall, to the extent not inconsistent with notations made by the Administrative Agent in the Register, be conclusive and binding on each Credit Party absent manifest error; provided, that the failure of any Lender to make any such notations shall not limit or otherwise affect any Obligations of any Credit Party. The Administrative Agent shall maintain the Register pursuant to Section 13.06(b)(iv), and a subaccount for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, the Type of each Loan made and the LIBOR Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender and its registered assigns hereunder and (iii) the amount of any sum received by the Agent from the Borrower and each Lender's and/or its registered assigns' share thereof. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(f) The entries made in the Register and accounts and subaccounts maintained pursuant to paragraphs (d) and (e) of this Section 2.05 shall, to the extent permitted by Applicable Law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, that the failure of any Lender or the Agent to maintain such account, such Register or such subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

Section 2.06 Conversions and Continuations. (a) The Borrower shall have the option on any Business Day to convert all or a portion of the outstanding principal amount of Term Loans of one Type into a Borrowing or Borrowings of another Type and the Borrower shall have the option on any Business Day to continue the outstanding principal amount of any LIBOR Term Loans as LIBOR Term Loans, for an additional LIBOR Period; provided, that (i) ABR Loans may not be converted into LIBOR Rate Loans if an Event of Default is in existence on the date of the proposed conversion and the Administrative Agent has, or the Required Lenders in respect of the Credit Facility that is the subject of such conversion have, determined in its or their sole discretion not to permit such conversion, (ii) LIBOR Rate Loans may not be continued as LIBOR Rate Loans if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has, or the Required Lenders in respect of the Credit Facility that is the subject of such conversion have, determined in its or their sole discretion not to permit such continuation and (iii) Borrowings resulting from conversions pursuant to this Section 2.06 shall be limited in number as provided in Section 2.01. Each such conversion or continuation shall be effected by the Borrower by giving the Administrative Agent written notice prior to 1:00 p.m. (New York time) at least three (3) Business Days (or one (1) Business Day in the case of a conversion into ABR Loans) (and in either case on not more than ten (10) Business Days) prior to such proposed conversion or continuation, in the form of Exhibit F (each, a "***Notice of Conversion or Continuation***") specifying the Loans to be so converted or continued, the Type of Loans to be converted or continued into and, if such Loans are to be converted into or continued as LIBOR Rate Loans, the LIBOR Period to be initially applicable thereto. The Administrative Agent shall give each Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans.

(b) If any Event of Default is in existence at the time of any proposed continuation of any LIBOR Rate Loans and the Administrative Agent has, or the Required Lenders have, determined in its or their sole discretion not to permit such continuation, such LIBOR Rate Loans shall be automatically converted on the last day of the current LIBOR Period into ABR Loans effective as of the expiration date of such current LIBOR Period. If, upon the expiration of any LIBOR Period in respect of LIBOR Rate Loans, the Borrower has failed to elect a new LIBOR Period to be applicable thereto as provided in Section 2.06(a), the Borrower shall be deemed to have elected a LIBOR Period of one month's duration.

Section 2.07 Pro Rata Borrowings. Each Borrowing of Initial Term Loans under this Agreement shall be granted by the Lenders*pro rata* on the basis of their then-applicable Initial Term Loan Commitments. Each Borrowing of Delayed Draw Term Loans under this Agreement shall be granted by the Lenders *pro rata* on the basis of their then-applicable Delayed Draw Term Loan Commitments. Each Borrowing of Incremental Term Loans under this Agreement shall be granted by the Lenders *pro rata* on the basis of their then-applicable Incremental Facilities. It is understood that no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder.

Section 2.08 Interest. (a) The unpaid principal amount of each Term Loan that is an ABR Loan shall bear interest from the date of the Borrowing thereof at a rate per annum that shall at all times be the Applicable Margin plus the ABR in effect from time to time.

(b) The unpaid principal amount of each Term Loan that is a LIBOR Rate Loan shall bear interest from the date of the Borrowing thereof until maturity thereof at a rate per annum that shall at all times be the Applicable Margin in effect from time to time plus the relevant LIBOR Rate.

(c) Automatically from and after the occurrence of a Specified Event of Default (other than a Specified Event of Default pursuant to Section 11.01(c)) (which may be applicable on a retroactive basis to such date of occurrence of such Specified Event of Default), the Borrower shall pay interest (i) on the overdue outstanding principal amount of all Loans and all other overdue and unpaid amounts of the Obligations (after giving effect to any applicable grace period) to the extent permitted by Applicable Law, at the rate described in Section 2.08(a) or Section 2.08(b), as applicable, plus two (2) percentage points (2%) per annum, and (ii) on any fees in connection with the facilities hereunder (after giving effect to any applicable grace period) to the extent permitted by Applicable Law, plus two (2) percentage points (2%) per annum in excess of the rate otherwise applicable to ABR Loans. All such interest shall be payable on demand and in immediately available funds.

(d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment or prepayment thereof and shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last day of each March, June, September and December, beginning with the quarter during which the Closing Date occurs, (ii) in respect of each LIBOR Rate Loan, on the last day of each LIBOR Period applicable thereto and, in the case of an LIBOR Period in excess of three months, on each date occurring at three-month intervals after the first day of such LIBOR Period, and (iii) in respect of each Loan, on the date of prepayment thereof (on the amount prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(e) All computations of interest hereunder shall be made in accordance withSection 5.05.

(f) The Administrative Agent, upon determining the interest rate for any Borrowing of LIBOR Rate Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

(g) Notwithstanding the foregoing and to the extent in compliance with Section 2.18, Loans extended in connection with an Extension Offer shall bear interest at the rate set forth in the Extension Amendment to the extent a different interest rate is specified therein.

Section 2.09 LIBOR Periods. At the time the Borrower gives a Notice of Borrowing or a Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of LIBOR Rate Loans (in the case of the initial LIBOR Period applicable thereto) or prior to 1:00 p.m. (New York time) on the third (3rd) Business Day (and in any event, on not more than ten (10) Business Days' notice) prior to the expiration of an LIBOR Period applicable to a Borrowing of LIBOR Rate Loans, the Borrower shall have, by giving the Administrative Agent written notice the right to elect the LIBOR Period applicable to such Borrowing, which LIBOR Period shall, at the option of the Borrower, be a one, two, three or six month period (or, if available to all relevant affected Lenders, a twelve month period):

(a) the initial LIBOR Period for any Borrowing of LIBOR Rate Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each LIBOR Period occurring thereafter in respect of such Borrowing shall commence on the day on which the immediately preceding LIBOR Period expires;

(b) if any LIBOR Period relating to a Borrowing of LIBOR Rate Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such LIBOR Period, such LIBOR Period shall end on the last Business Day of the calendar month at the end of such LIBOR Period;

(c) if any LIBOR Period would otherwise expire on a day that is not a Business Day, such LIBOR Period shall expire on the next succeeding Business Day; provided, that if any LIBOR Period in respect of a LIBOR Rate Loan would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such LIBOR Period shall expire on the immediately preceding Business Day; and

(d) the Borrower shall not be entitled to elect any LIBOR Period in respect of any LIBOR Rate Loan if such LIBOR Period would extend beyond the applicable Maturity Date of such Loan.

Section 2.10 Alternate Rate of Interest. Notwithstanding anything to the contrary in this Agreement or any other Credit Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Required Lenders notify the Administrative Agent (with a copy to the Borrower) that the Required Lenders have determined, that:

(i) adequate and reasonable means do not exist for ascertaining LIBOR Rate for any requested Interest Period, including, without limitation, because the LIBOR Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) the supervisor for the administrator of the LIBOR Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBOR Rate shall no longer be made available, or used for determining the interest rate of loans (such specific date, the "Scheduled Unavailability Date"),

then, after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement to replace the LIBOR Rate with an alternate benchmark rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein) that has been broadly accepted by the syndicated loan market in the United States in lieu of LIBOR (any such proposed rate, a "LIBOR Successor Rate"), together with any proposed LIBOR Successor Rate Conforming Changes and, notwithstanding anything to the contrary in Section 13.01, any such amendment shall become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent notice that such Required Lenders do not accept such amendment.

If no LIBOR Successor Rate has been determined and the circumstances under clause (i) above exist, the obligation of the Lenders to make or maintain LIBOR Rate Loans shall be suspended (to the extent of the affected LIBOR Rate Loans or Interest Periods). Upon receipt of such notice, the Borrower may revoke any pending request for a LIBOR Rate Borrowing of, conversion to or continuation of LIBOR Rate Loans (to the extent of the affected LIBOR Rate Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of ABR Loans in the amount specified therein.

Notwithstanding anything else herein, any definition of LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for purposes of this Agreement.

For purposes hereof, "LIBOR Successor Rate Conforming Changes" shall mean, with respect to any proposed LIBOR Successor Rate, any conforming changes to the definition of ABR, Interest Period, timing and frequency of determining rates and making payments of interest and other administrative matters as may be appropriate, in the discretion of the Administrative Agent (in consultation with the Borrower), to reflect the adoption of such LIBOR Successor Rate and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent determines that adoption of any portion of such market practice is not administratively feasible or that no market practice for the administration of such LIBOR Successor Rate exists, in such other manner of administration as the Administrative Agent determines in consultation with the Borrower).

Section 2.11 Compensation. If (a) any payment of principal of a LIBOR Rate Loan is made by the Borrower to or for the account of a Lender other than on the last day of the LIBOR Period for such LIBOR Rate Loan as a result of a payment or conversion pursuant to Section 2.05, 2.06, 2.10, 4.01 or 4.02, as a result of acceleration of the maturity of the Loans pursuant to Article XI or for any other reason, (b) any Borrowing of LIBOR Rate Loans is not made as a result of a withdrawn Notice of Borrowing (except with respect to a revocation as provided in Section 2.10), (c) any ABR Loan is not converted into a LIBOR Rate Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any LIBOR Rate Loan is not continued as a LIBOR Rate Loan as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of a LIBOR Rate Loan is not made as a result of a withdrawn notice of prepayment pursuant to Section 5.01 or 5.02, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to convert, failure to continue, failure to prepay, reduction or failure to reduce, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain such LIBOR Rate Loan. For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 2.11, each Lender shall be deemed to have funded each LIBOR Rate Loan made by it at the LIBOR Rate for such LIBOR Rate Loan by a matching deposit or other borrowing in the London interbank market for a comparable amount and for a comparable period, whether or not such LIBOR Rate Loan was in fact so funded.

Section 2.12 Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the LIBOR Rate); or

(ii) subject any Lender to any Tax with respect to any Credit Document (other than (A) Taxes indemnifiable under Section 5.04, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes); or

(iii) impose on any Lender or the London interbank market any other condition affecting this Agreement or LIBOR Rate Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any LIBOR Rate Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered promptly after such Lender has made a request in compliance with this Section 2.12.

(b) If any Lender determines that any Change in Law regarding capital requirements or liquidity has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered promptly after such Lender has made a request in compliance with this Section 2.12.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in clause (a) or (b) of this Section 2.12 shall be delivered to the Borrower and shall be conclusive absent manifest error; provided, that any such certificate claiming amounts described in clause (x) or (y) of the definition of "Change in Law" shall, in addition, state the basis upon which such amount has been calculated and certify that such Lender's demand for payment of such costs hereunder, and such method of allocation is not inconsistent with its treatment of other borrowers which, as a credit matter, are similarly situated to the Borrower and which are subject to similar provisions. The Borrower shall pay such Lender the amount shown as due on any such certificate within 15 days after receipt thereof.

(d) Promptly after any Lender has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Lender shall notify the Borrower thereof. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Lender's right to demand such compensation; provided, that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.13 Break Funding Payments. In the event of (a) the payment of any principal of any LIBOR Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any LIBOR Rate Loan other than on the last day of the Interest Period applicable thereto or (c) the failure to borrow (other than due to the default of the relevant Lender), convert, continue or prepay any LIBOR Rate Loan on the date specified in any notice delivered pursuant hereto, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event promptly after such Lender has made a request in compliance with this Section 2.13. In the case of a LIBOR Rate Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the LIBOR Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a LIBOR Rate Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Dollars of a comparable amount and period from other banks in the eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.13 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 2.14 [Reserved].

Section 2.15 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 13.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 6.02(f) or Article XI or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 13.09), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy such Defaulting Lender's potential future funding with respect to Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event

of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.15(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender shall not be entitled to receive any Fees set forth in Section 4.01(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such Fees that otherwise would have been required to have been paid to that Defaulting Lender).

(iv) [Reserved].

(v) [Reserved].

(vi) Responsibility. The failure of any Defaulting Lender to fund any purchase of any participation to be made or funded by it, or to make any payment required by it under any Credit Document on the date set forth shall not relieve any other Lender of its obligations to make such loan, fund the purchase of any such participation, or make any other such required payment on such date, and neither the Agent nor, other than as expressly set forth herein, any other Lender shall be responsible for the failure of any Defaulting Lender to make a loan, fund the purchase of a participation or make any other required payment under any Credit Document.

(b) Defaulting Lender Cure. Once the Defaulting Lender has cured such default in a manner reasonably satisfactory to the Administrative Agent and the Borrower, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held on a pro rata basis by the Lenders in accordance with their Commitment), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to a Lender that is not a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.16 [Reserved].

Section 2.17 [Reserved].

Section 2.18 Extensions of Term Loans. (a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "***Extension Offer***") made from time to time by the Borrower after the date that is two (2) years after the date hereof to all Lenders of Term Loans with a like

maturity date on a pro rata basis (based on the aggregate outstanding principal amount of the respective Term Loans with a like maturity date) and on the same terms to each such Lender, the Borrower is hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender's Term Loans (and, if applicable, by modifying the interest rate or fees payable in respect of such Term Loans and/or modifying the amortization schedule in respect of such Term Loans) (each, an "***Extension***", and each group of Term Loans so extended, as well as the original Term Loans not so extended, being a "***tranche***"; any Extended Term Loans shall constitute a separate tranche of Term Loans from the tranche of Term Loans from which they were extended), so long as the following terms are satisfied: (i)(1) except as to pricing (including interest rates, fees, funding discounts and prepayment premiums), amortization, maturity, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (i)(2), (i)(3) and (ii), be set forth in the relevant Extension Offer), the Term Loans of any Term Loan Lender that agrees to an Extension with respect to such Term Loans (an "***Extending Term Lender***") extended pursuant to any Extension ("***Extended Term Loans***") shall have the same terms the terms and conditions of the tranche of Term Loans subject as to such Extension Offer, (2) the weighted average life to maturity of any Extended Term Loans shall be no shorter than the remaining weighted average life to maturity of the Class extended thereby and (3) any Extended Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis), in each case after giving effect to any Extended Term Loans, in any voluntary or mandatory repayments or prepayments of Term Loans hereunder, in each case as specified in the respective Extension Offer, (ii) if the aggregate principal amount of Term Loans (calculated on the face amount thereof), in respect of which Term Loan Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans of such Term Loan Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Term Loan Lenders have accepted such Extension Offer and (iii) all documentation in respect of such Extension shall be consistent with the foregoing.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.18, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of this Agreement and (ii) each Extension Offer shall specify the minimum amount of Term Loans to be tendered. The transactions contemplated by this Section 2.18 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Offer) shall not require the consent of any Lender or any other Person (other than as set forth in clause (c) below).

(c) No consent of any Lender or any other Person shall be required to effectuate any Extension, other than the consent of the Borrower, each Lender agreeing to such Extension with respect to one or more of its Term Loans (or a portion thereof), the Collateral Agent and the Administrative Agent. All Extended Term Loans and all obligations in respect thereof shall be Obligations under this Agreement and the other Credit Documents that are secured by the Collateral on a *pari passu* basis with all other applicable Obligations under this Agreement and the other Credit Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Credit Documents (an "***Extension Amendment***") with the Borrower as may be necessary in order to establish new tranches orsub-tranches in respect of Term Loans so extended and such technical amendments as may be necessary or appropriate in the opinion of the Administrative Agent and the Collateral Agent and the Borrower to effect the provisions of this Section 2.18 (including in connection with the establishment of such new tranches orsub-tranches on terms consistent with this Section 2.18).

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent and the Collateral Agent at least five (5) Business Days (or such shorter period as may be agreed by the Administrative Agent and the Collateral Agent) prior written notice thereof, and shall agree to such procedures (including regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent and the Collateral Agent, in each case acting reasonably to accomplish the purposes of this Section 2.18.

(e) Notwithstanding anything to the contrary above, at any time and from time to time following the establishment of a Class of Extended Term Loans, the Borrower may offer any Lender of a Term Loan Facility that had been subject to an Extension Amendment (without being required to make the same offer to any or all other Lenders) who had not elected to participate in such Extension Amendment the right to convert all or any portion of its Term Loans into such Class of Extended Term Loans; provided, that (i) such offer and any related acceptance shall be in accordance with such procedures, if any, as may be reasonably requested by, or acceptable to, the Administrative Agent; (ii) such additional Extended Term Loans, (x) shall be on identical terms (including as to the proposed interest rates and fees payable, but excluding any arrangement, structuring or other fees payable in connection therewith that are not generally shared with the relevant Lenders) with the existing Extended Term Loans, and (y) with respect to any additional Extended Term Loans shall result in proportionate increases to the scheduled amortization payments otherwise owing with respect to any such Extended Term Loans, (iii) any Lender which elects to participate in an Extension Facility pursuant to this clause (e) shall enter into a joinder agreement to the respective Extension Amendment, in form and substance reasonably satisfactory to the Administrative Agent and the Collateral Agent and executed by such Lender, the Administrative Agent and the Collateral Agent, the Borrower and the other Credit Parties and (iv) any such additional Extended Term Loans shall be in an aggregate principal amount that is not less than $1,000,000 (or, in the case of an outstanding Class with an entire outstanding principal amount of existing Term Loans less than a $1,000,000 that is to be refinanced in full, such outstanding principal amount or commitments), unless each of the Borrower and the Administrative Agent and the Collateral Agent otherwise consents. Notwithstanding anything to the contrary contained herein, any Loans made as provided above shall be treated as part of the Class to which such Loans are added, and shall not constitute a new Class of Extended Term Loans.

ARTICLE IV

Fees and Commitment Terminations

Section 4.01 Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Delayed Draw Term Loan Lender, an amount equal to 1.00% per annum multiplied by the daily balance undrawn amount of the Delayed Draw Term Loan Commitment of such Delayed Draw Term Loan Lender during the preceding calendar quarter (the "***Unused Delayed Draw Term Loan Commitment Fee***"). The total Unused Delayed Draw Term Loan Commitment Fee paid by the Borrower will be equal to the sum of all of the Unused Delayed Draw Term Loan Commitment Fees due to the Lenders. Such fee shall be payable quarterly in arrears on the last Business Day of each March, June, September and December following the date hereof and upon the funding of any Delayed Draw funding date and on the applicable Delayed Draw Term Loan Commitment Expiration Date. The Unused Delayed Draw Term Loan Commitment Fee provided in this Section 4.01(a) shall accrue at all times from and after the Closing Date through the applicable Delayed Draw Term Loan Commitment Expiration Date; provided that, for the avoidance of doubt, as of the Second Amendment Effective Date, the Unused Delayed Draw Term Loan Commitment Fee provided in this Section 4.01(a) shall be $292,916.67.

(b) The Borrower agrees to pay to the Arranger, the Administrative Agent and the Lenders all the Fees required to be paid herein, or pursuant to the Fee Letter and any other document(s) entered into in connection herewith, at the times and in the amounts specified therein.

(c) The Borrower agrees to pay to the Collateral Agent (i) all the Fees required to be paid herein, or pursuant to any document(s) entered into in connection herewith, at the times and in the amounts specified therein and (ii) any fees arising out of services rendered by third-parties in connection with the duties of the Collateral Agent hereunder.

Section 4.02 Mandatory Termination of Commitments. (a) The Initial Term Loan Commitment shall terminate immediately following the closing of the Transactions on the Closing Date.

(b) The Delayed Draw Term Loan A Commitment shall terminate on the Delayed Draw Term Loan A Commitment Expiration Date.

(c) The Delayed Draw Term Loan B Commitment shall terminate on the Delayed Draw Term Loan B Commitment Expiration Date.

ARTICLE V

Payments

Section 5.01 Voluntary Prepayments and Optional Commitment Reductions.

(a) The Borrower shall have the right to voluntarily prepay Term Loans, subject to the payment of the Applicable Prepayment Premium, in whole or in part from time to time.

(b) Upon the giving of a notice of prepayment (substantially in the form of Exhibit M, which may be conditioned upon the occurrence of certain events), the principal amount of Loans specified to be prepaid shall become due and payable on the date specified for such prepayment subject to the following terms and conditions: (i) the Borrower shall give the Agent written notice of (A) its intent to make such prepayment, (B) the amount of such prepayment and (C) in the case of LIBOR Rate Loans, the specific Borrowing(s) pursuant to which made, no later than (x) in the case of LIBOR Rate Loans, 1:00 p.m. (New York time) three (3) Business Days prior to, and (y) in the case of ABR Loans, 12:00 p.m. (New York time) one (1) Business Day prior to the date of such prepayment, and such notice shall promptly be transmitted by the Administrative Agent to each of the relevant Lenders, as the case may be; (ii) each partial prepayment of any Term Loans shall be in a multiple of $500,000 and in an aggregate principal amount of at least $500,000; and (iii) any prepayment of LIBOR Rate Loans pursuant to this Section 5.01 on any day other than the last day of a LIBOR Period applicable thereto shall be subject to compliance by the Borrower with the applicable provisions of Section 2.11. Each prepayment in respect of any tranche of Term Loans pursuant to this Section 5.01 shall be applied in direct order of maturity of such scheduled installments. For the avoidance of doubt, all prepayments shall be applied pro rata between the Initial Term Loan funded on the Closing Date and any Delayed Draw Term Loans based on the then outstanding principal balances thereof.

Section 5.02 Mandatory Prepayments and Commitment Reductions.

(a) (i) Subject to the last paragraph of this Section 5.02(a) and subject to the Intercreditor Agreement, on or prior to the tenth (10th) Business Day after the date on which the Borrower is required to deliver a Compliance Certificate pursuant to Section 9.01(d)(iii) (the "***ECF Payment Date***"), commencing with the fiscal year ending December 31, 2021, the Borrower shall prepay the Loans in an amount equal to: (A) fifty percent (50%) of Consolidated Excess Cash Flow (if any) for such fiscal year, to be applied as set forth in Section 5.02(a)(ix); provided, that if, with respect to any fiscal year in which a mandatory prepayment pursuant to this Section 5.02(a)(i) is otherwise due, the Total Leverage Ratio as of the last day of such fiscal year is (x) equal to 0.50x less than the applicable Closing Date Leverage Ratio, then the Borrower shall prepay the Loans in an amount equal to twenty-five percent (25%) of Consolidated Excess Cash Flow (if any) for such fiscal year, or (y) equal to 1.00x less than the applicable Closing Date Leverage Ratio, then the Borrower shall prepay the Loans in an amount equal to zero percent (0%) of Consolidated Excess Cash Flow (if any) for such fiscal year; minus (B) to the extent not funded with the proceeds of Indebtedness (and to the extent funded with the proceeds of equity, such proceeds shall not increase any other basket hereunder), the sum of all voluntary prepayment of the Loans (to the extent permitted hereunder) made during such fiscal year and, at the Borrower's option, during the period after the end of such fiscal year and before the applicable ECF Payment Date (provided, that any such prepayment made after the end of such fiscal year but before the applicable ECF Payment Date that Borrower elects to deduct from the payment required under this provision in respect of the prior fiscal year shall not reduce Consolidated Excess Cash Flow for the fiscal year in which such payment is made).

(ii) Upon the incurrence or issuance of any Indebtedness by any Credit Party or any of their respective Subsidiaries (other than Indebtedness permitted under Section 10.01 (including any Permitted Refinancing (other than any refinancing of the Term Loan Facility))), the Borrower shall prepay the Loans in an amount equal to one hundred percent (100%) of such Net Debt Proceeds plus the Applicable Prepayment Premium, to be applied as set forth in Section 5.02(a)(vi). Nothing in this Section 5.02(a)(ii) shall be construed to permit or waive any Default or Event of Default arising from any incurrence or issuance of Indebtedness not permitted under the terms of this Agreement.

(iii) Subject to the last paragraph of this Section 5.02(a), no later than five (5) Business Days after the receipt by any Credit Party or any of their respective Subsidiaries of any cash proceeds from any Disposition (other than any Disposition permitted under Section 10.04(a), Section 10.04(b) (solely with respect to proceeds constituting (x) M&T Priority Collateral and solely to the extent that such proceeds are required by the terms of any M&T Real Estate Debt to be used to prepay such M&T Real Estate Debt or (y) ABL Priority Collateral and solely to the extent that such proceeds are required by the terms of the Existing Credit Agreement or the Intercreditor Agreement to be used to prepay any Indebtedness thereunder or (z) Other Real Estate Priority Collateral and solely to the extent that such proceeds are required by the terms of the Real Estate Facility and/or the ARKO Real Estate Facility to be used to prepay any Indebtedness thereunder), Section 10.04(c), Section 10.04(d), Section 10.04(e), Section 10.04(f), Section 10.04(g), Section 10.04(h), Section 10.04(i), Section 10.04(j), Section 10.04(k), Section 10.04(l), Section 10.04(m), Section 10.04(n), Section 10.04(p), Section 10.04(q), Section 10.04(r), Section 10.04(s) (solely with respect to Permitted Liens arising in the ordinary course of business), Section 10.04(u), Section 10.04(v), Section 10.04(w), Section 10.04(y) and Section 10.04(z)), the Credit Parties or any of their respective Subsidiaries shall prepay the Loans in an

amount equal to one hundred percent (100%) of the Net Disposition Proceeds from such Disposition, only to the extent the aggregate amount of such Net Disposition Proceeds in any fiscal year exceeds $2,000,000 in the aggregate and then only in the amount of such excess, plus the Applicable Prepayment Premium, to be applied as set forth inSection 5.02(a)(vi); provided, that any Credit Party or their respective Subsidiaries may, at their option by notice in writing to the Agent on or prior to the fifth (5th) Business Day after the occurrence of the Disposition giving rise to such Net Disposition Proceeds, elect to reinvest such Net Disposition Proceeds in assets that are used or useful in the business of any Credit Party or their Subsidiaries (including Permitted Acquisitions, other permitted Investments, permitted sale leaseback transactions and permitted exchange transactions under Section 1031 of the Code) to the extent that any Credit Party or such Subsidiary makes such reinvestment within twelve (12) months following the occurrence of the Disposition; provided, however, any Credit Party or such Subsidiary may consummate such reinvestment within eighteen (18) months after the occurrence of the Disposition, so long as any Credit Party or such Subsidiary shall have entered into a definitive agreement for the purchase of assets or property within the first twelve (12) month period. Nothing in this Section 5.02(a)(iii) shall be construed to permit or waive any Default or Event of Default arising from any Disposition not permitted under the terms of this Agreement.

(iv) Subject to the last paragraph of this Section 5.02(a), no later than five (5) Business Days after the receipt by any Credit Party or any of their respective Subsidiaries of any cash proceeds from any Casualty Event (for the avoidance of doubt, other than proceeds constituting (x) M&T Priority Collateral solely to the extent that such proceeds are required by the terms of any M&T Real Estate Debt to be used to prepay such M&T Real Estate Debt or (y) ABL Priority Collateral and solely to the extent that such proceeds are required by the terms of the Existing Credit Agreement or the Intercreditor Agreement to be used to prepay any Indebtedness thereunder or (z) Other Real Estate Priority Collateral and solely to the extent that such proceeds are required by the terms of the Real Estate Facility and/or the ARKO Real Estate Facility to be used to prepay any Indebtedness thereunder), the Borrower shall prepay the Loans in an amount equal to one hundred percent (100%) of such Net Casualty Proceeds, plus the Applicable Prepayment Premium, to be applied as set forth in Section 5.02(a)(vi); provided, that the any Credit Party or their respective Subsidiaries may, at their option by notice in writing to the Agent no later than thirty (30) days following the occurrence of the Casualty Event resulting in such Net Casualty Proceeds), use such Net Casualty Proceeds to repair or reinvest such Net Casualty Proceeds in assets that are used or useful in the business of such Credit Party or such Subsidiaries (including Permitted Acquisitions and other permitted Investments) to the extent that such Credit Party or such Subsidiary makes such repair or reinvestment within twelve (12) months following the occurrence of the Casualty Event (or, so long as applicable permits and approvals are being diligently pursued by the Borrower in respect of such repair or reinvestment, eighteen (18) months); provided, however, the Credit Parties or such Subsidiary may consummate such repair or reinvestment within eighteen (18) months after the occurrence of the Casualty Event (or, so long as applicable permits and approvals are being diligently pursued by the Borrower in respect of such repair or reinvestment, twenty-four (24) months), so long as such Credit Party or such Subsidiary shall have entered into a definitive agreement for the repair or the purchase of assets or property

within the first twelve (12) month period. Any amounts of Net Casualty Proceeds unused after such period shall be applied as set forth in Section 5.02(a)(vi).Nothing in this Section 5.02(a)(iv) shall be construed to permit or waive any Default or Event of Default arising from, directly or indirectly, any Casualty Event.

(v) [reserved].

(vi) Amounts to be applied in connection with prepayments and Commitment reductions made pursuant toSection 5.02 shall be applied to the principal installments of the Term Loans pursuant to Section 2.05(b) pro rata (other than the final scheduled installment on the Term Loan Maturity Date). For the avoidance of doubt, all prepayments that are to be applied to the Term Loans shall be applied pro rata between the Initial Term Loan funded on the Closing Date and any Delayed Draw Term Loans based on the then outstanding principal balances thereof.

(vii) Each Lender holding any Term Loans may reject all of its pro rata share or other applicable share of any mandatory prepayment (such declined amounts, the "***Declined Proceeds***") of Term Loans required to be made pursuant toSection 5.02(a) (other than clause (ii) thereof) by providing written notice to the Administrative Agent and the Borrower no later than 5:00 p.m., New York City time, one Business Day after the date of such Lender's receipt of such prepayment. If a Lender holding any Term Loans fails to deliver a notice of such rejection to the Administrative Agent within the time frame specified above, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans unless the Borrower and the Administrative Agent agree to an extension of time for such failure to be corrected. Any Declined Proceeds shall be retained by the Borrower, and may be used for general corporate purposes subject to the restrictions herein.

(viii) Notwithstanding anything to the contrary contained herein, all mandatory prepayments to be made by the Credit Parties pursuant to Section 5.02(a)(i), (iii) and (iv) shall be limited to the extent that the Administrative Agent (with the consent of the Required Lenders) reasonably determines in good faith that such prepayment would result in material adverse tax consequences to the Borrower or its direct or indirect owners resulting from a repatriation of cash from a Foreign Subsidiary (for the avoidance of doubt, other than de minimis tax consequences, and after taking into account any foreign tax credit or other tax benefit realized in connection with such repatriation) (which, for the avoidance of doubt, includes, but is not limited to, any prepayment whereby doing so the Borrower and its respective Subsidiaries (or, in the case of a flow-through tax structure, their respective equity investors) would incur a Tax liability, including in connection with a taxable dividend or a withholding Tax) or would be prohibited, restricted or delayed by Applicable Law, in which case such repatriation shall not be required (and in the case of a material adverse tax consequence, only to the extent of such consequence). All mandatory prepayments are subject to permissibility under (a) local law (e.g., financial assistance, corporate benefit, restrictions on upstreaming of cash intra-group and the fiduciary and statutory duties of the directors of the relevant Subsidiaries), (b) applicable rules, regulations and guidance published by any Regulatory Supervising Organization and (c) material constituent document restrictions (including as a result of minority

ownership) and other material agreements. The non-application of any prepayment amounts as a result of this Section 5.02(a)(viii) will not, for the avoidance of doubt, constitute a Default or an Event of Default, and such amounts shall be available for working capital purposes of the Credit Parties and their respective Subsidiaries as long as such amounts are not required to be prepaid in accordance with the foregoing provisions in this Section 5.02. The Borrower and its Subsidiaries will undertake to use commercially reasonable efforts for a period of one (1) year to overcome or eliminate any such restrictions (subject to the considerations above and as determined in the Borrower's reasonable business judgment) to make the relevant prepayment, but in no event shall the Borrower be required to repatriate cash at Foreign Subsidiaries to the extent of any material adverse tax consequence to the Borrower or its direct or indirect owners. Notwithstanding the foregoing, any prepayments required after application of the above provision shall be net of any costs, expenses or taxes incurred by the Borrower or any of its Affiliates or any of its equity partners (including, without duplication, any Tax Distributions permitted by Section 10.06) and arising as a result of compliance with the preceding sentence. Any Consolidated Excess Cash Flow or proceeds excluded from the mandatory prepayment requirements by operation of this Section 5.02(a)(viii) (the "***Excluded Foreign Prepayment Proceeds***") shall not increase the Available Amounts Basket.

(b) [reserved].

(c) [reserved].

(d) Application to Term Loans. With respect to each prepayment of Term Loans elected by the Borrower pursuant to Section 5.01(b) or required by Section 5.02(b), the Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; provided, that the Borrower pays any amounts, if any, required to be paid pursuant to Section 2.11 with respect to prepayments of LIBOR Term Loans made on any date other than the last day of the applicable LIBOR Period. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11. Each such prepayment shall be accompanied by all accrued interest on the Loans so prepaid, through the date of such prepayment.

(e) [reserved].

(f) Application of Collateral Proceeds. Subject to the Intercreditor Agreement and notwithstanding anything to the contrary in Section 5.01 or this Section 5.02, all proceeds of Collateral received by any Collateral Agent pursuant to the exercise of remedies against the Collateral, and all payments received upon and after the acceleration of any of the Obligations shall be, subject to the provisions of Section 2.14 and the Intercreditor Agreement, applied as set forth in this clause (f), as follows (subject to adjustments pursuant to any agreements entered into among the Lenders):

(i) first, to pay any costs and expenses of the Collateral Agent and fees then due to the Collateral Agent under the Credit Documents, and any indemnities then due to the Agent under the Credit Documents, until paid in full,

(ii) second, to pay any fees or premiums then due to the Administrative Agent or any of the Lenders under the Credit Documents until paid in full,

(iii) third, ratably to pay any costs or expense reimbursements of Lenders and indemnities then due to any of the Lenders under the Credit Documents until paid in full,

(iv) fourth, ratably to pay interest due in respect of the outstanding the Term Loans until paid in full,

(v) fifth, to pay any other Obligations, and

(vi) sixth, to the Borrower or such other Person entitled thereto under Applicable Law.

Section 5.03 Payment of Obligations; Method and Place of Payment (a) The obligations of the Borrower hereunder and under each other Credit Document are not subject to counterclaim, set-off, rights of rescission, or any other defense. Subject to Section 5.04, and except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, rights of rescission, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Secured Parties entitled thereto, as the case may be, not later than 2:00 p.m. (New York time) on the date when due and shall be made in immediately available funds in Dollars to the Administrative Agent, and any amounts received after such time on such date shall be deemed received on such date for purposes of determining whether an Event of Default has occurred (provided, that such amounts shall be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon). The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 2:00 p.m. (New York time), on such day) like funds relating to the payment of principal or interest or Fees ratably to the Secured Parties entitled thereto, as applicable.

(b) For purposes of computing interest or fees, any payments under this Agreement that are made later than 2:00 p.m. (New York time), shall be deemed to have been made on the next succeeding Business Day. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall continue to accrue during such extension at the applicable rate in effect immediately prior to such extension.

(c) The Borrower hereby authorizes Administrative Agent to, at its option (or upon the direction of the Collateral Agent or the Required Lenders), from time to time, without prior notice to the Borrower, charge the Borrower's loan account for any and all Obligations that remain unpaid after the due date therefor (after giving effect to any grace periods provided for in Section 11.01(a)) and, with respect to Obligations that are not fees, interest or principal payments, are not the subject of a bona fide dispute. All amounts so charged to the Borrower's loan account thereafter shall constitute Term Loans hereunder and, subject to Section 2.08(c), shall accrue interest at the rate then applicable to Term Loans that are ABR Loans.

Section 5.04 Net Payments. (a) All payments made by or on behalf of any Credit Party under this Agreement or any other Credit Document shall be made without deduction or withholding for or on account of any Taxes, except as required by Applicable Law. If any Taxes are required to be withheld from any amounts payable by or on behalf of any Credit Party under this Agreement or any other Credit Document (as determined in the good faith discretion of the applicable withholding agent), then the applicable

withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law, and if such Tax is a Non-Excluded Tax, then the applicable Credit Party shall increase the amounts payable to the applicable Recipient to the extent necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made. Whenever any Taxes are paid by a Credit Party pursuant to this Section 5.04(a), as soon as practicable thereafter, the Borrower shall send to the Administrative Agent the original or a certified copy of a receipt issued by the relevant Governmental Authority, a copy of the return reporting such payment, or other evidence of such payment reasonably satisfactory to the Administrative Agent. The Borrower shall indemnify the Agent and the Lenders for any Non-Excluded Taxes (including Non-Excluded Taxes imposed or asserted on or attributable to amounts payable under this Section 5.04(a)) that are paid by the Agent or Lender or that are required to be withheld or deducted from a payment to the Agent or Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Non-Excluded Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority, within ten (10) days after demand therefor. A certificate as to the amount of such payment or liability delivered to the Borrower by an Agent or Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. In addition, the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with Applicable Law, or at the option of the Administrative Agent, shall timely reimburse it for the payment of any Other Taxes. The agreements in this Section 5.04(a) shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(b) (i) Each Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by Applicable Law or reasonably requested by the Borrower or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate; provided, that such Lender is legally entitled to complete, execute and deliver such documentation. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Each Person that shall become a Participant pursuant to Section 13.06 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 5.04(b) as if it were a Lender; provided, that in the case of a Participant such Participant shall furnish all such required forms and statements to the Lender from which the related participation shall have been purchased. Notwithstanding any other provision of this paragraph, no Lender shall be required to deliver any form (other than such documentation required by Sections 5.04(b)(ii)(A)-(C) and (iii)) that in such Lender's reasonable judgment would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a "United States Person" as defined in Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or about the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not a "United States Person" as defined in Section 7701(a)(30) of the Code (a"Non-U.S. Lender") shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall reasonably be requested) on or about the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit L-1 to the effect that such Non-U.S. Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a controlled foreign corporation related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Non-U.S. Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-2 or Exhibit L-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-4 on behalf of each such direct and indirect partner;

(C) Any Non-U.S. Lender shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made;

(iii) Without limiting the generality of the foregoing, if a payment made to a Recipient under any Credit Document would be subject to United States federal withholding tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i), of the Code and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment under FATCA, if any. Solely for the purposes of this clause (iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(i) Each Recipient agrees that if any form or certification it previously delivered pursuant to this Section 5.04(b) expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(c) If any Lender or the Agent determines, in its sole discretion exercised in good faith, that it has received a refund of a Tax for which it has been indemnified by the Borrower pursuant to this Section 5.04 (including by the payment of additional amounts by the Borrower pursuant to this Section 5.04), then such Lender or such Agent, as the case may be, shall reimburse the Borrower for such amount (but only to the extent of indemnity payments made by the Borrower under this Section 5.04 with respect to the Tax giving rise to such refund), net of all out-of-pocket expenses of such Agent or such Lender (including any Taxes imposed on the receipt of such refund) and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that the Borrower, upon the request of such Agent or such Lender, shall repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (c), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (c) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Agent or any Lender to make available its tax returns (or any other information relating to its Taxes which it deems confidential) to the Borrower or any other Person.

(d) Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Non-Excluded Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Non-Excluded Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 13.06 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in

each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(e) Each party's obligations under this Section 5.04 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

Section 5.05 Computations of Interest and Fees. (a) All interest and fees shall be computed on the basis of the actual number of days (including the first day but excluding the last day) occurring during the period for which such interest or fee is payable over a year comprised of (a) 365 (or 366 as appropriate) days in the case of ABR Loans on which ABR is determined by reference to the "Prime Rate" and (b) 360 days in all other cases. Payments due on a day that is not a Business Day shall (except as otherwise required by Section 2.09(c)) be made on the next succeeding Business Day and such extension of time shall be included in computing interest and fees in connection with that payment.

(b) Fees shall be calculated on the basis of a 360-day year for the actual days elapsed.

Section 9.09 Additional Guarantors and Grantors.

(a) Subject to any applicable limitations set forth herein or in the Guarantee Agreement and the Security Pledge Agreement, as applicable, the Credit Parties will within thirty (30) days after the formation or acquisition thereof (or such longer period as may be agreed to in writing by the Collateral Agent and the Administrative Agent) cause any Subsidiary (other than (x) an Excluded Subsidiary or (y) a merger subsidiary formed in connection with a merger or acquisition, including a Permitted Acquisition, so long as such merger subsidiary is merged out of existence pursuant to and upon the consummation of such transaction) formed or otherwise purchased or acquired after the Closing Date, or which becomes a Subsidiary (other than (x) an Excluded Subsidiary or (y) a merger subsidiary formed in connection with a merger or acquisition, including a Permitted Acquisition, so long as such merger subsidiary is merged out of existence pursuant to and upon the consummation of such transaction) after the Closing Date to execute a (x) supplement to the Guarantee Agreement in the form of Annex I to the Guarantee Agreement or a guarantee in form and substance reasonably satisfactory to the Collateral Agent and the Administrative Agent, and (y) supplement to the Security Pledge Agreement in the form of Annex I to the Security Pledge Agreement, or a security agreement in form and substance reasonably satisfactory to the Collateral Agent. If, at any time after a guarantee has been provided pursuant to this Section 9.09(a), adverse tax consequences (that are not de minimis) would result to any Credit Party or its Subsidiaries if such guarantee were to continue, as reasonably determined by Borrower in good faith in consultation with the Collateral Agent and the Administrative Agent, the Collateral Agent and Administrative Agent will release the applicable Subsidiary from such guarantee; provided, however, that no such Subsidiary shall be released without the prior consent of Collateral Agent and the Administrative Agent, which shall not be unreasonably withheld, conditioned or delayed.

(b) The Borrower may from time to time (subject, in the case of any Foreign Subsidiary to the consent of the Collateral Agent and the Administrative Agent), add any Subsidiary as a Guarantor by (i) causing such Subsidiary to enter into the Guarantee Agreement and applicable Security Documents and taking such other actions and delivering such other documentation and instruments as is reasonably satisfactory to the Collateral Agent and the Administrative Agent and (ii) delivering such proof of corporate, partnership or limited liability company action, incumbency of officers, opinions of counsel (only if requested by Administrative Agent) and other documents as is consistent with those delivered pursuant to Section 6.01 or as the Administrative Agent or the Collateral Agent shall have reasonably requested; provided however, any such Subsidiary shall not guarantee the Obligations if provision of such guaranty would constitute an investment in "United States property" by a CFC that would reasonably be expected to result in material adverse tax consequences to the Borrower or its direct or indirect owners as reasonably determined by Borrower in good faith in consultation with the Collateral Agent and the Administrative Agent.

(c) Subject to any applicable limitations set forth herein or in the Guarantee Agreement and the Security Pledge Agreement, as applicable, if any Subsidiary ceases to be an Excluded Subsidiary after the Closing Date, the Credit Parties will, within sixty (60) days after the next following date on which the Borrower is required to deliver a Compliance Certificate pursuant to Section 9.01(d) (or such longer period as may be agreed to in writing by the Collateral Agent and the Administrative Agent), cause such Subsidiary to execute a (x) supplement to the Guarantee Agreement in the form of Annex I to the Guarantee Agreement or a guarantee in form and substance reasonably satisfactory to the Collateral Agent and the Administrative Agent, and (y) supplement to the Security Pledge Agreement in the form of Annex I to the Security Pledge Agreement, or a security agreement in form and substance reasonably satisfactory to Collateral Agent. If, at any time after a guarantee has been provided pursuant to this Section 9.09(c), adverse tax consequences (that are not de minimis) would result to the Borrower or its direct or indirect owners if such guarantee were to continue, as reasonably determined by Borrower in good faith in consultation with the Collateral Agent and the Administrative Agent, the Collateral Agent and Administrative Agent will release the applicable Subsidiary from such guarantee; provided, however, that no such Subsidiary shall be released without the prior consent of Collateral Agent and the Administrative Agent, which shall not be unreasonably withheld, conditioned or delayed.

Section 9.10 Pledges of Additional Stock. Subject to any applicable limitations set forth herein or in the Security Pledge Agreement, the Credit Parties will pledge to the Collateral Agent for the benefit of the Secured Parties within the time periods set forth in Section 9.09, (i) all the Capital Stock of each Subsidiary (other than (x) an Excluded Subsidiary, or (y) a merger subsidiary formed in connection with a merger or acquisition, including a Permitted Acquisition, so long as such merger subsidiary is merged out of existence pursuant to and upon the consummation of such transaction) after the Closing Date, provided, that if the provision of such pledge would constitute an investment in "United States property" by a CFC that would reasonably be expected to result in material adverse tax consequences to the Borrower or its direct or indirect owners as reasonably determined by Borrower in good faith in consultation with the Administrative Agent and the Collateral Agent, the amount of Capital Stock in such Subsidiary that will be pledged shall not exceed 65% of the voting Capital Stock (and 100% of the non-voting Capital Stock) of such Subsidiary, (ii) any promissory notes executed after the Closing Date evidencing Indebtedness of any Credit Party or Subsidiary of any Credit Party that is owing to any other Credit Party and (iii) all other written evidences of Indebtedness in excess of $3,000,000 received by the Credit Parties; provided, that no Indebtedness shall be required to be pledged to the extent constituting Investments or advances in respect of transfer pricing and cost sharing arrangements (i.e., "cost plus" arrangements) that are (x) in the ordinary course of business and consistent with Borrower's historical practices and (y) funded not more than one hundred twenty (120) days in advance of the applicable transfer pricing and cost sharing payment. Notwithstanding anything to the contrary in this Agreement, the Credit Parties and their Subsidiaries will not pledge to the Collateral Agent for the benefit of the Secured Parties any asset to the extent such pledge would result in adverse tax consequences (that are not de minimis) to any Credit Party or its Subsidiaries, as reasonably determined by Borrower in good faith in consultation with the Collateral Agent and the Administrative Agent. If, at any time after a pledge of Capital Stock has been provided pursuant to this Section 9.10, material adverse tax consequences would result to any Credit Party or its Subsidiaries if such pledge were to continue, as reasonably determined by the Borrower in good faith in consultation with the Collateral Agent and the Administrative Agent, the Collateral Agent will release such pledge (other than any pledge of the Capital Stock of the Borrower); provided, that, except in connection with a Disposition, merger, dissolution or other action expressly permitted hereunder or any other Credit Document, no such Capital Stock shall be released without the prior consent of the Collateral Agent and the Administrative Agent, which shall not be unreasonably withheld, conditioned or delayed.

Section 9.11 Use of Proceeds. The proceeds of: (a) the Initial Term Loan Facility will be used (i) to fund the Refinancing, (ii) in an aggregate amount up to $20,000,000 for working capital and general corporate purposes of the Borrower and its Subsidiaries (including, without duplication, any Restricted

Payment pursuant to Section 10.06(g)) and (iii) to pay fees and expenses related thereto, (b) the Delayed Draw Term A Facility will be used by the Borrower (i) to fund the Empire Acquisition, including providing working capital associated with the Empire Acquisition, or to contribute to GPMP in exchange for increased equity in GPMP and (ii) to pay fees and expenses related thereto, (c) the Delayed Draw Term B Loans will be used (i) to fund Permitted Acquisitions, (ii) to fund certain renovations and/or remodelings of Borrower's and its Subsidiaries' convenience stores and (iii) to pay fees and expenses related thereto, and (d) any Incremental Facility shall be used for repayments of Indebtedness, Investments permitted by this Agreement, general working capital, capital expenditures, Permitted Acquisitions, purchase price adjustments, Earn-Outs (to the extent due and payable), Restricted Payments and general corporate purposes of the Borrower and its Subsidiaries and other transactions to the extent permitted by this Agreement.

Section 9.12 Further Assurances. (a) Subject to any applicable limitations set forth herein, the Guarantee Agreement, the Security Pledge Agreement or any other Credit Document, the Credit Parties will execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements and other documents), which may be required under any Applicable Law, or which the Collateral Agent or the Administrative Agent may reasonably request, in order to grant, preserve, protect and perfect the validity and priority of the security interests created or intended to be created by the Security Pledge Agreement or any other Security Document, all at the sole cost and expense of the Borrower; provided, however, in no event shall the Credit Parties be required to provideforeign-law governed security documents, including with respect to any share pledges and any Intellectual Property registered in any non-U.S. jurisdiction.

(b) Notwithstanding anything herein or in any other Credit Document to the contrary, if the Collateral Agent and the Administrative Agent determine that the cost of creating or perfecting any Lien on any property is excessive in relation to the practical benefits afforded to the Lenders thereby, then such property may be excluded from the Collateral for all purposes of the Credit Documents.

Section 9.13 [Reserved].

Section 9.14 Senior Obligations.

Borrower and each Credit Party shall take all such actions that are necessary or that otherwise are reasonably requested by the Administrative Agent, Collateral Agent or Required Lenders to ensure that the Obligations are and remain "Designated Senior Debt", "Senior Debt", "Senior Indebtedness", "Guarantor Senior Debt" or "Senior Secured Financing" (or any comparable term) under, and as defined in, any indenture or document governing any applicable Junior Indebtedness and any other Indebtedness that is subordinated in right of payment to the Obligations.

Section 11.03 Right to Cure. Notwithstanding anything to the contrary contained in Section 11.01, in the event that Borrower fails (or, but for the operation of this Section 11.03, would fail) to comply with the Financial Performance Covenant, as of the last day of any fiscal quarter in which such Financial Performance Covenant is required to be tested, at any time after the last day of such fiscal quarter until the day that is 10 Business Days after the date that financial statements for such Fiscal Quarter are required to be delivered pursuant to Section 9.01(b) or 9.01(c), Borrower shall have the right (the "***Cure Right***") to issue Qualified Capital Stock for cash or otherwise receive cash contributions in respect of Qualified Capital Stock which is promptly contributed to the capital of Borrower, and thereupon such Financial Performance Covenant shall be recalculated by increasing Consolidated EBITDA by the amount (the "***Cure Amount***") of such Specified Equity Contribution with respect to such fiscal quarter and any four-quarter period that contains such fiscal quarter; provided that, (a) in each 4 consecutive fiscal quarter period, there shall be no more than 2 fiscal quarters in which a Specified Equity Contribution is made, (b) no more than 5 Specified Equity Contributions may be made in the aggregate during the term of this Agreement, (c) the amount of any Specified Equity Contribution shall be no greater than the amount required to cause Borrower to be in compliance with the Financial Performance Covenant, (d) there shall be no pro forma or other reduction of the amount of Indebtedness by the amount of any Cure Amount for purposes of determining compliance with Section 10.12 for the fiscal quarter in respect of which the Cure Right was exercised (other than, with respect to any future period, to the extent of any portion of such Cure Amount that is actually applied to repay Indebtedness), and (e) any adjustment on a pro forma basis to Consolidated EBITDA resulting from any Specified Equity Contribution shall be counted as Consolidated EBITDA solely for purposes of determining compliance with the Financial Performance Covenant and shall not be included for any other purpose (including for purposes of determining the Applicable Margin or any financial ratio-based conditions or any "baskets") during any fiscal quarter in which the pro forma adjustment applies. If, after giving effect to the adjustments in this paragraph, Borrower shall then be in compliance with the requirements of the Financial Performance Covenant, Borrower shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Performance Covenant that had occurred shall be deemed cured for the purposes of this Agreement.

ARTICLE XII

The Agent

Section 12.01 Appointment. Each Lender (and, if applicable, each other Secured Party) hereby appoints Ares Capital Corporation as its Administrative Agent and as its Collateral Agent under and for purposes of each Credit Document, and hereby authorizes the Administrative Agent and Collateral Agent to act on behalf of such Lender (and, if applicable, each other Secured Party) under each Credit Document and, in the absence of other written instructions from the Lenders pursuant to the terms of the Credit Documents received from time to time by the Administrative Agent and Collateral Agent, to exercise such powers hereunder and thereunder as are specifically delegated to or required of the Administrative Agent and Collateral Agent by the terms hereof and thereof, together with such powers as may be incidental thereto. Each Lender (and, if applicable, each other Secured Party) hereby irrevocably designates and appoints the Agent as the agent of such Lender (and, if applicable, each other Secured Party). Notwithstanding any provision to the contrary elsewhere in this Agreement, the Agent shall not have any duties or responsibilities, except those expressly set forth herein (or in the other Credit Documents), or any fiduciary relationship with any Lender or other Secured Party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Agent.

Section 12.02 Delegation of Duties. The Agent may execute any of its duties under this Agreement and the other Credit Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Agent shall not be responsible for the negligence or misconduct of any agent or attorneys-in-fact selected by it with reasonable care.

Section 12.03 Exculpatory Provisions. Neither the Agent nor any of their respective officers, directors, employees, agents, attorneys in fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Credit Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders or any other Secured Party for any recitals, statements, representations or warranties made by any Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document or for any failure of any Credit Party or other Person to perform its obligations hereunder or thereunder. The Agent shall not be required to take any action that, in its reasonable opinion or the reasonable opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any bankruptcy or insolvency law or other similar law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any bankruptcy or insolvency law or other similar law. The Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party; provided, that, upon the reasonable request of any Lender, the Agent shall confirm receipt of any Borrower deliverables required to have been delivered hereunder, including the requirements for Borrower to deliver to the Agent the certifications, documents and instruments required under Section 9.01 hereof. Notwithstanding anything herein to the contrary, the Administrative Agent shall have no responsibility for, or liability in connection with, monitoring or enforcing the prohibition on assignments or participations to Excluded Transferees. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is an Excluded Transferee or (y) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information, to, or the restrictions on any exercise of rights or remedies of, any Excluded Transferee.

Section 12.04 Reliance by Agent. The Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, electronic communication, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Credit Parties), independent accountants and other experts selected by such Agent. The Agent may deem and treat the payee of any note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Agent. As to any matters not clearly and expressly provided for by the Credit Documents, the Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other requisite Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the other Agent and/or the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans and all other Secured Parties.

Section 12.05 Notice of Default. The Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder, except with respect to any Default or Event of Default in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that an Agent receives such a notice, such Agent shall give notice thereof to the other Agent and the Lenders. The Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement); provided, that unless and until the Agent shall have received such directions, the Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as the Agent shall deem advisable in the best interests of the Secured Parties.

Section 12.06 Non Reliance on Agent and Other Lenders. Each Lender (and, if applicable, each other Secured Party) expressly acknowledges that neither the Agent nor any of their respective officers, directors, employees, agents, attorneys in fact or Affiliates have made any representations or warranties to it and that no act by the Agent hereafter taken, including any review of the affairs of a Credit Party or any Affiliate of a Credit Party, shall be deemed to constitute any representation or warranty by the Agent to any Lender or any other Secured Party. Each Lender (and, if applicable, each other Secured Party) represents to the Agent that it has, independently and without reliance upon the Agent or any other Lender or any other Secured Party, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Credit Parties and their Affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender (and, if applicable, each other Secured Party) also represents that it will, independently and without reliance upon the Agent or any other Lender or any other Secured Party, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Credit Parties and their Affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Agent hereunder, the Agent shall not have any duty or responsibility to provide any Lender or any other Secured Party with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Credit Party or any Affiliate of a Credit Party that may come into the possession of such Agent or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates.

Section 12.07 Indemnification. The Lenders agree to indemnify the Agent in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective Total Credit Exposure in effect on the date on which indemnification is sought under this Section 12.07 (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Total Credit Exposure immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of, the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The agreements in this Section 12.07 shall survive the payment of the Loans and all other amounts payable hereunder.

Section 12.08 Agent in Its Individual Capacity. The Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Credit Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, the Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender", "Lenders", "Secured Party" and "Secured Parties" shall include the Agent in its individual capacity.

Section 12.09 Successor Agent. The Administrative Agent or Collateral Agent may resign as Administrative Agent or Collateral Agent, respectively, upon thirty (30) days' notice to the Lenders, such other Agent and the Borrower. If the Administrative Agent or Collateral Agent shall resign as such Agent in its applicable capacity under this Agreement and the other Credit Documents, then the Required Lenders shall appoint from among the Lenders a successor agent, which successor agent shall (unless an Event of Default shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of such Agent in its applicable capacity, and the term "Administrative Agent" or "Collateral Agent", as the case may be, shall mean such successor agent effective upon such appointment and approval, and the former Agent's rights, powers and duties as the Administrative Agent or the Collateral Agent, in its applicable capacity, shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans. If no applicable successor agent has accepted appointment as such Agent in its applicable capacity by the date that is thirty (30) days following such retiring Agent's notice of resignation, such retiring Agent's resignation shall nevertheless thereupon become effective and the Lenders shall assume and perform all of the duties of such Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Agent's resignation as the Administrative Agent or the Collateral Agent, as applicable, the provisions of this Article XII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was an Agent under this Agreement and the other Credit Documents.

Section 12.10 Agent Generally. Except as expressly set forth herein, the Agent shall not have any duties or responsibilities hereunder in its capacity as such.

Section 12.11 Restrictions on Actions by Lenders; Sharing of Payments

(a) Each of the Lenders agrees that it shall not, without the express written consent of the Collateral Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the written request of the Collateral Agent, set off against the Obligations, any amounts owing by such Lender to any Credit Party or any of their respective Subsidiaries or any deposit accounts of any Credit Party or any of their respective Subsidiaries now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by the Collateral Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any Credit Document against any Credit Party or to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

(b) Subject to Section 13.09 and except in connection with any Extension Offer pursuant to Section 2.18, if, at any time or times any Lender shall receive (i) by payment, foreclosure, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from the Agent pursuant to the terms of this Agreement, or (ii) payments from the Agent in excess of such Lender's pro rata share of all such distributions by Agent, such Lender promptly shall (A) turn the same over

to the Administrative Agent, in kind, and with such endorsements as may be required to negotiate the same to the Administrative Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their pro rata shares; provided, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

Section 12.12 Agency for Perfection. Collateral Agent hereby appoints each other Secured Party as its agent (and each Secured Party hereby accepts such appointment) for the purpose of perfecting the Collateral Agent's Liens in assets which, in accordance with Article VII or Article VIII, as applicable, of the Uniform Commercial Code of any applicable state can be perfected only by possession or control. Should any Secured Party obtain possession or control of any such Collateral, such Secured Party shall notify Collateral Agent thereof, and, promptly upon Collateral Agent's request therefor shall deliver possession or control of such Collateral to Collateral Agent or in accordance with Collateral Agent's instructions.

Section 12.13 Lead Arrangers and Bookrunners. Anything herein to the contrary notwithstanding, the joint lead arrangers and the joint bookrunners shall not have any right, power, obligation, liability, responsibility or duty under this Agreement, except in their respective capacities, if applicable, as an Agent or a Lender hereunder.

Section 12.14 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arranger, and each other Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

Section 13.03 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Section 13.04 Survival of Representations and Warranties. All representations and warranties made hereunder and in the other Credit Documents shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

Section 13.05 Payment of Expenses; Indemnification. The Borrower agrees, on the Closing Date to the extent invoiced, or at any time following the Closing Date (a) to pay or reimburse the Agent for all their respective out-of-pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of their respective counsel to the Agent; provided that the amount that

Borrower shall pay pursuant to this clause (a) shall not be in excess of $750,000, (b) to pay or reimburse each Lender and the Agent for all their respective out-of-pocket costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement (including retention of financial advisors), the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of counsel to the Lenders and of counsel to the Agent, (c) [reserved], (d) to pay or reimburse each of the Administrative Agent and the Collateral Agent for all reasonable fees and expenses incurred in exercising its rights under Section 9.12, (e) to pay, indemnify and hold harmless the Administrative Agent, the Collateral Agent and each Lender from and against any and all actual liabilities, obligations, losses (other than lost profits), damages, penalties, actions, judgments, suits, and out-of-pocket costs, expenses or disbursements of any kind or nature whatsoever (other than Taxes, which shall be governed by Section 5.05), and (f) to pay, indemnify and hold harmless each Lender and the Agent, their transferees, and their respective Related Parties (the "***Indemnified Parties***") from and against any and all other liabilities, obligations, losses (other than lost profits), damages, penalties, actions, judgments, suits, and out-of-pocket costs, expenses or disbursements of any kind or nature whatsoever, including fees, disbursements and other charges of counsel, with respect to the Transactions, the enforcement, preservation or protection of its rights under, this Agreement (and the execution, delivery, performance and administration of this Agreement, the other Credit Documents and any such other documents solely with respect to the Agent), the other Credit Documents and any such other documents, including all such costs and expenses incurred during any workout, restructuring or negotiations in respect of the Obligations (including retention of financial advisors) and any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law, or any actual or alleged presence of Hazardous Materials, in each case applicable to the operations of each Credit Party, any of their respective Subsidiaries or any of their real property (all the foregoing in this clause (f), collectively, the "***indemnified liabilities***"); provided, that the Credit Parties shall have no obligation hereunder to the applicable Indemnified Party with respect to indemnified liabilities to the extent determined in a final judgment of a court of competent jurisdiction to have (x) arisen primarily from gross negligence or willful misconduct of such Indemnified Party, or (y) arisen out of any claim, litigation, investigation or proceeding brought by such Indemnified Party solely against one or more other Indemnified Party that does not involve any act or omission of any Credit Party or any of their respective subsidiaries or affiliates; provided further, that the Borrower shall not be required to reimburse the legal fees and expenses of more than one primary outside counsel, one special or regulatory counsel and up to one local counsel in each applicable material local jurisdiction) for all Persons indemnified hereunder taken as a whole unless, in the reasonable opinion of the Administrative Agent, Collateral Agent or the reasonable opinion of its counsel, representation of all such indemnified Persons by such counsels would be inappropriate due to the existence of an actual or potential conflict of interest. The agreements in this Section 13.05 shall survive repayment of the Loans and all other amounts payable hereunder and termination of this Agreement. To the fullest extent permitted by Applicable Law, no Credit Party, no Lender and the Agent shall not assert, and each Credit Party, each Lender and the Agent hereby waives, any claim against any of the Indemnified Parties or any of the Credit Parties, as applicable, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. Except with respect to matters involving fraud on the part of any Credit Party, to the fullest extent permitted by Applicable Law, no Indemnified Party shall assert, and each Indemnified Party hereby waives, any claim against any of the Credit Parties, on any theory of liability, for special, exemplary or punitive damages arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. None of the Indemnified Parties shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby. This Section 13.05 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc., arising from any non-Tax claim.

Section 13.06 Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as set forth in Section 10.03, no Credit Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Credit Party without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.06. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section 13.06) and, to the extent expressly contemplated hereby, the Related Parties of the Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement. Notwithstanding anything to the contrary herein, (a) any Lender shall be permitted to pledge or grant a security interest in all or any portion of such Lender's rights hereunder including, but not limited to, any Loans (without the consent of, or notice to or any other action by, any other party hereto) to secure the obligations of such Lender or any of its Affiliates to any Person providing any loan, or other extension of credit to or for the account of such Lender or any of its Affiliates and the Agent, trustee or representative of such Person and (b) the Agent shall be permitted to pledge or grant a security interest in all or any portion of their respective rights hereunder or under the other Credit Documents, including, but not limited to, rights to payment (without the consent of, or notice to or any other action by, any other party hereto), to secure the obligations of such Agent or any of its Affiliates to any Person providing any loan or other extension of credit to or for the account of such Agent or any of its Affiliates and the Agent, trustee or representative of such Person.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (other than to a Defaulting Lender or, except with respect to assignments of the Term Loans permitted under paragraph (b)(ii)(A) below, to the Borrower or to any of the Borrower's Affiliates or Subsidiaries) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (which consent in each case shall not be unreasonably withheld or delayed) of:

(A) the Borrower; provided, that (1) no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, to any other assignee and (2) the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) days after having received notice thereof; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) [reserved];

(B) [reserved];

(C) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans of any Class, the amount of the Term Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be at least $1,000,000 and in multiples of $250,000 in excess thereof, unless each of the Borrower and the Administrative Agent otherwise consents, which consent, in each case, shall not be unreasonably withheld or delayed; provided, however, that no such consent of the Borrower shall be required if a Specified Event of Default or a Financial Covenant or Financial Reporting Event of Default has occurred and is continuing; provided further, that contemporaneous assignments to a single assignee made by affiliated Lenders or related Approved Funds and contemporaneous assignments by a single assignor to affiliated Lenders or related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided, that this paragraph shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loan provided, further, that, except with respect to Delayed Draw Term Loans that have been tranched into a separate Class of term loans by Administrative Agent pursuant to Section 2.01(a)(ii)(E), unfunded Delayed Draw Term Loan Commitments and funded Delayed Draw Term Loans thereunder shall be required to be assigned ratably;

(E) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of $3,500 (unless waived by Administrative Agent); provided, that no such fee shall be payable for any assignment to a Lender, an Affiliate of a Lender or an Approved Fund;

(F) in no event shall any assignee be an Excluded Transferee except (solely in the case of clauses (i) and (ii) of the definition of Excluded Transferee) upon the written consent of the Borrower; provided, that no such consent shall be required if a Specified Event of Default has occurred and is continuing; and

(G) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(H) [reserved].

Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Loans and/or Commitments to any Affiliated Debt Fund, and any Affiliated Debt Fund may, from time to time, purchase Loans and/or Commitments (x) on a pro rata basis through Dutch auctions or other offers open to all applicable Lenders or (y) through open market purchases (which purchases may be effected at any price as agreed between such Lender and such Affiliated Debt Fund in their respective sole discretion), in each case, notwithstanding the requirements set forth in this clause (b) (for the avoidance of doubt, without requiring any representation or warranty as to the possession of material non-public information by such Affiliated Debt Fund or any Affiliate thereof); provided that the Loans and unused Commitments held by all Affiliated Debt Funds shall not account for more than 49.9% of the amounts included in determining whether the Required Lenders have (A) consented to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (B) otherwise acted on

any matter related to any Credit Document or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document; it being understood and agreed that the portion of the Loans and unused Commitments that accounts for more than 49.9% of the relevant Required Lender shall be deemed to be voted pro rata along with other applicable Lenders that are not Affiliated Debt Funds. Any Loans acquired by any Affiliated Debt Fund may (but shall not be required to) be contributed to the Borrower or any other Subsidiary and in exchange therefor such Affiliated Debt Fund may receive debt or equity securities otherwise permitted to be issued by such entity.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to such assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee (by its execution and delivery of the applicable Assignment and Acceptance to the Administrative Agent) and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under Applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section 13.06, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and be subject to the obligations of) Sections 2.10, 2.11, 5.04 and 13.05); provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.06 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 13.06.

(iv) The Administrative Agent, acting for this purpose on behalf of the Borrower as anon-fiduciary, shall maintain a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Total Commitments of, and principal amount (and stated interest) of the Loans pursuant to the terms hereof from time to time (the "***Register***"). The entries in the Register shall be conclusive absent manifest error, and the Credit Parties, the Agent and the Lenders shall treat each Person

whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register, as in effect at the close of business on the preceding Business Day, shall be available for inspection by the Borrower, the Administrative Agent and its Affiliates and any Lender, at any reasonable time and from time to time upon reasonable prior notice; provided that each Lender's access to the Register shall be limited to the entries with respect to such Lender including the Commitment of, or principal amount of and stated interest on the Loans owing to such Lender.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder) and any written consent to such assignment required by paragraph (b)(i) of this Section 13.06, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless and until it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrower, sell participations to one or more financial institutions or other entities (other than a natural person, a Defaulting Lender, the Borrower, any of the Borrower's Affiliates or Subsidiaries, or any Excluded Transferee, to the extent the list thereof is made available by the Borrower to such Lender) (each, a "***Participant***") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided, that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i) of the first proviso to Section 13.01. Subject to paragraph (c)(ii) of this Section 13.06, the Borrower agrees that each Participant shall be entitled to the benefits of (and be subject to the obligations of) Sections 2.10, 2.11 and 5.04 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 13.06. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 13.09(b) as though it were a Lender, provided, that such Participant agrees to be subject to Section 13.09(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11 or 5.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "***Participant Register***"); provided that no Lender shall have any

obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the proposed United States Treasury Regulations (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

Section 13.07 Replacements of Lenders Under Certain Circumstances (a) The Borrower, at its sole cost and expense, shall be permitted to either (x) replace any Lender (or any Participant), other than an Affiliate of the Agent, and (y) terminate the Commitments of such Lender, in each case, that (i) requests reimbursement for amounts owing pursuant to Section 2.10, Section 2.11, Section 3.05 or Section 5.04, (ii) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken or (iii) is a Defaulting Lender,provided, that (A) such replacement does not conflict with any Applicable Law, (B) no Default or Event of Default shall have occurred and be continuing at the time of such replacement, (C) the Borrower shall repay (or the replacement institution shall purchase, at par, plus any Applicable Prepayment Premium) all Loans and other amounts (other than any disputed amounts) pursuant to Section 2.10, Section 2.11, Section 3.05 or Section 5.04, as the case may be, owing to such replaced Lender prior to the date of replacement, (D) the replacement institution, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (E) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.06 (except that such replaced Lender shall not be obligated to pay any processing and recordation fee required pursuant thereto), (F) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Agent or any other Lender shall have against the replaced Lender, and (G) in the case of any such assignment resulting from a claim for compensation under Section 2.10 or payments required to be made pursuant to Section 5.04, such assignment will result in a reduction in such compensation or payments thereafter. In connection with any such replacement, if any such replaced Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Acceptance reflecting such replacement within five (5) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Acceptance to such replaced Lender, then such replaced Lender shall be deemed to have executed and delivered such Assignment and Acceptance without any action on the part of the replaced Lender.

(b) If any Lender (a "***Non-Consenting Lender***") has (x) failed to consent to a proposed amendment, waiver, discharge or termination, which pursuant to the terms of Section 13.01 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent or (y) becomes a Defaulting Lender, then, provided that no Default or Event of Default then exists, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent), at their own cost and expense, to replace suchNon-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans and Commitments to one or more assignees reasonably acceptable to the Administrative Agent, provided, that: (i) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to suchNon-Consenting Lender concurrently with such assignment and (ii) the replacement Lender or the Borrower, as the case may be, shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereofplus accrued and unpaid interest thereon,plus

any Applicable Prepayment Premium. In connection with any such assignment, the Borrower, the Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.06 (except that such Non-Consenting Lender shall not be obligated to pay any processing and recordation fee required pursuant thereto); provided that if any such Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Acceptance reflecting such replacement within five (5) Business Days of the date on which the assignee Lender executes and delivers such Assignment and Acceptance to such Non-Consenting Lender, then such Non-Consenting Lender shall be deemed to have executed and delivered such Assignment and Acceptance without any action on the part of the replaced Lender.

Section 13.08 [Reserved]

Section 13.09 Adjustments; Set-off. (a) If any Lender (a "***Benefited Lender***") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.01(g), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans or interest thereon, such Benefited Lender shall (i) notify the Administrative Agent of such fact and (ii) purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loans, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, that (i) if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest and (ii) the provisions of this Section shall not be construed to apply to any payment made by or on behalf of the Borrower pursuant to and in accordance with the express terms of this Agreement (including (x) the application of funds arising from the existence of a Defaulting Lender or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant (as to which the provisions of this Section shall apply).

Notwithstanding the foregoing, in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff.

Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

(b) After the occurrence and during the continuance of an Event of Default, to the extent consented to by Administrative Agent, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower or any other Credit Party, any such notice being expressly waived by the Credit Parties to the extent permitted by Applicable Law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower, as the case may be. Each Lender agrees promptly to notify the Borrower and the Agent after any such set-off and application made by such Lender; provided, that the failure to give such notice shall not affect the validity of such set-off and application.

Section 13.10 Counterparts. This Agreement and the other Credit Documents may be executed by one or more of the parties thereto on any number of separate counterparts (including by electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower, the Collateral Agent and the Administrative Agent.

Section 13.11 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 13.11, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by bankruptcy, insolvency, fraudulent conveyance, moratorium, reorganization and other similar laws relating to or affecting creditors' rights generally and general principles of equity (whether considered in a proceeding in equity or law), as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 13.12 Integration. This Agreement and the other Credit Documents represent the agreement of the Credit Parties, the Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by any party hereto or thereto relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

Section 13.14 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the applicable party at its respective address set forth on Schedule 13.02 or on Schedule 1.01(a) or at such other address of which the Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction;

(e) waives, to the maximum extent not prohibited by law, all rights of rescission, setoff, counterclaims, and other defenses in connection with the repayment of the Obligations; and

(f) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 13.14 any special, exemplary, punitive or consequential damages.

Section 13.15 Acknowledgments. Each Credit Party hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents;

(b) neither the Agent nor any Lender has any fiduciary relationship with or duty to the Credit Parties arising out of or in connection with this Agreement or any of the other Credit Documents, and the relationship between the Agent and Lenders, on one hand, and the Credit Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

Section 13.17 Confidentiality. The Agent and Lender shall hold all non-public information relating to any Credit Party or any Subsidiary or Affiliate of any Credit Party obtained pursuant to the requirements of this Agreement, the other Credit Documents or in connection with such Lender's evaluation of whether to become a Lender hereunder ("***Confidential Information***") confidential in accordance with its customary procedure for handling confidential information of this nature and (in the case of a Lender that is a bank) in accordance with safe and sound banking practices; provided, that Confidential Information may be disclosed by the Agent or Lender:

(iv) any Hedging Agreement entered into or proposed to be entered into in connection with the Loans made hereunder, to actual or proposed direct or indirect contractual counterparties;

(v) any actual or proposed credit facility for loans, letters of credit or other extensions of credit to or for the account of such Agent or Lender or any of its Affiliates, to any Person providing or proposing to provide such loan or other extension of credit or the Agent, trustee or representative of such Person; and

(vi) to the extent necessary or customary for, inclusion in league table measurements or in any tombstone or other advertising or marketing materials;

(g) otherwise to the extent consisting of general portfolio information that does not identify borrowers; or

(h) with the consent of the Borrower;

provided, that in the case of clause (e) hereof, the Person to whom Confidential Information is so disclosed is advised of and has been directed to comply with the provisions of this Section 13.17.

Notwithstanding the foregoing, (A) the Agent, the Lenders and any Affiliate thereof is hereby expressly permitted by the Credit Parties to refer to any Credit Party and any of their respective Subsidiaries in connection with any promotion or marketing undertaken by such Agent, Lender or Affiliate in connection with this Agreement and the other Credit Documents, and, for such purpose, such Agent, Lender or Affiliate may utilize any trade name, trademark, logo or other distinctive symbol associated with such Credit Party or such Subsidiary or any of their businesses (subject to Borrower's reasonable quality control standards) and any other reasonable requirements of the Credit Parties, including those related to the timing of such disclosure, and (B) any information that is or becomes generally available to the public (other than as a result of prohibited disclosure by the Agent or Lender) shall not be subject to the provisions of this Section 13.17. Upon termination of the Agreement, the Administration Agent, the Lenders and any Affiliate thereof shall, upon request of the Credit Parties, remove such references from any websites and any other materials to the extent reasonably practicable.

EACH LENDER ACKNOWLEDGES THAT CONFIDENTIAL INFORMATION (AS DEFINED IN THIS SECTION 13.17) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING EACH CREDIT PARTY AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING WAIVERS AND AMENDMENTS, FURNISHED BY THE CREDIT PARTIES OR THE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE INFORMATION WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE CREDIT PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE CREDIT PARTIES AND THE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

Section 13.18 Press Releases, etc.

(a) Each Credit Party will not, and will not permit any of its respective Subsidiaries, directly or indirectly, to publish any press release or other similar public disclosure or announcements (including any marketing materials) regarding this Agreement, the other Credit Documents, the Transaction Documents, or any of the Transactions, without the consent of the Administrative Agent and the Collateral Agent, except to the extent required by any legal requirement including, without limitation, the rules of the Tel Aviv Stock Exchange (in which case such Credit Party or such Subsidiary shall, to the extent permitted by law, promptly notify the Agent in writing of such legal requirement in advance of such disclosure; provided, that if such Credit Party or Subsidiary is unable to notify the Agent of such legal requirement in advance of such disclosure, such written notice shall be delivered to the Agent promptly thereafter and, in any event, within three Business Days of such disclosure)); provided, further that no notification shall be required for publication of financial statements, quarterly reports, and annual reports, and presentations published to accompany such reports.

(b) The Administrative Agent or any Lender may (to the extent the Administrative Agent or such Lender has presented any materials for the prior approval of the Credit Parties and the Credit Parties have consented to the disclosure thereof) publish any press releases, tombstones, advertising or other promotional materials (whether by means of electronic transmission, posting to a website or other internet application, print media or otherwise) containing customary market information relating to the financing transactions contemplated by this Agreement and the other Credit Documents using the name, product photographs, logo, trademark or related information of the Borrower and its Subsidiaries, all at the expense of the Administrative Agent or such Lender, as applicable. Notwithstanding the foregoing and for the avoidance of doubt, such information disclosed or provided by the Agent or their Affiliates or managed funds shall not include equity contribution levels, purchase price, financial or operating statistics or leverage multiples or any fees payable in connection with the transactions contemplated hereby.

Section 13.19 Releases of Guarantees and Liens. (a) Notwithstanding anything to the contrary contained herein or in any other Credit Document, the Collateral Agent is hereby irrevocably authorized by each Secured Party (without requirement of notice to or consent of any Secured Party except as expressly required by Section 13.01) to take, and shall take, any action requested by the Borrower having the effect of releasing any Collateral or Guarantee Obligations (i) to the extent necessary to permit consummation of any transaction not prohibited by any Credit Document or that has been consented to in accordance with Section 13.01 or (ii) under the circumstances described in paragraph (b) below.

(b) At such time as (A) (i) the Loans and the other Obligations (other than Unasserted Contingent Obligations) shall have been paid in full and (ii) the Commitments have been terminated or (B) any item of Collateral (including, without limitation, as a result of a Disposition of a Subsidiary that owns Collateral) is subject to a Disposition permitted under this Agreement, such Collateral shall automatically be released from the Liens and security interests created by the Security Documents, and the Security Documents and, with respect to the happening of the event described in clauses (A)(i) and (ii), all obligations (other than those expressly stated to survive such termination) of the Collateral Agent and each Credit Party under the Security Documents shall terminate, all without delivery of any instrument or performance of any act by any Person.

(c) Upon request by the Collateral Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release its interest in particular types or items of property, or to release any Guarantee Obligations pursuant to this Section 13.19. In each case as specified in this Section 13.19, the Collateral Agent will (and each Lender irrevocably authorizes the Collateral Agent to), at the Borrower's expense, execute and deliver to the applicable Credit Party such documents as such Credit Party may reasonably request to evidence the release of such item of Collateral or Guarantee Obligation from the assignment and security interest granted under the Security Documents, in each case in accordance with the terms of the Credit Documents and this Section 13.19.

Section 13.20 USA Patriot Act. Each Lender hereby notifies each Credit Party that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "***Patriot Act***"), it is required to obtain, verify and record information that identifies the Credit Parties, which information includes the name and address of each Credit Party and other information that will allow such Lender to identify each Credit Party in accordance with the Patriot Act. Each Credit Party agrees to provide all such information to the Lenders upon request by the Agent at any time, whether with respect to any Person who is a Credit Party on the Closing Date or who becomes a Credit Party thereafter.

Section 13.21 No Fiduciary Duty. Each Credit Party, on behalf of itself and its Subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Credit Parties, their respective Subsidiaries and Affiliates, on the one hand, and the Agent, the Lenders and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Agent, the Lenders or their respective Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications.

Section 13.22 Authorized Officers. The execution of any certificate requirement hereunder by an Authorized Officer shall be considered to have been done solely in such Authorized Officer's capacity as an officer of the applicable Credit Party (and not individually). Notwithstanding anything to the contrary set forth herein, the Secured Parties shall be entitled to rely and act on any certificate, notice or other document delivered by or on behalf of any Person purporting to be an Authorized Officer of a Credit Party and shall have no duty to inquire as to the actual incumbency or authority of such Person.

Section 13.23 Intercreditor Agreement. Notwithstanding anything to the contrary set forth herein, this Agreement is subject to the terms and provisions of the Intercreditor Agreement. In the event of any inconsistency between the provisions of this Agreement and the Intercreditor Agreement, the provisions of the Intercreditor Agreement govern and control. The Lenders hereby authorize the Administrative Agent and/or Collateral Agent to (a) enter into the Intercreditor Agreement, (b) bind the Lenders on the terms set forth in the Intercreditor Agreement and (c) perform and observe its obligations under the Intercreditor Agreement.

Section 13.24 [Reserved].

Section 13.25 Currency.

(a) Currency Conversion Procedures for Judgments. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder or under any other Credit Document in any currency (the "***Original Currency***") into another currency (the "***Other Currency***"), the parties hereby agree, to the fullest extent permitted by Applicable Law, that the rate of exchange used shall be that at which, on the relevant date, in accordance with its normal procedures, Administrative Agent could purchase the Original Currency with the Other Currency after any premium and costs of exchange on the Business Day preceding that on which final judgment is given.

(b) Indemnity in Certain Events. The obligation of the Borrower in respect of any sum due from the Borrower to any Secured Party hereunder shall, notwithstanding any judgment in any Other Currency, whether pursuant to a judgment or otherwise, be discharged only to the extent that, on the Business Day of receipt (if received by 1:00 p.m. (New York time), and otherwise on the following Business Day) by any Secured Party of any sum adjudged to be so due in such Other Currency, such Secured Party may, on the relevant date, in accordance with its normal procedures, purchase the Original Currency with such Other Currency. If the amount of the Original Currency so purchased is less than the sum originally due to such Secured Party in the Original Currency, the Borrower agrees, as a separate obligation and notwithstanding such judgment or payment, to indemnify such Secured Party against such loss.

(c) Currency Conversion Procedures Generally. For purposes of determining compliance with any incurrence or expenditure tests set forth in Articles IX and/or X or with Dollar-based basket levels appearing hereunder or in definitions contained in Section 1.01, any amounts so incurred, expended or utilized (to the extent incurred, expended or utilized in a currency other than Dollars) shall be converted into Dollars on the basis of the exchange rates (as shown on *Reuters ECB page 37* or on such other basis as is reasonably satisfactory to the Administrative Agent) as in effect on the date of such incurrence, expenditure or utilization under any provision of any such Section or definition that has an aggregate Dollar limitation provided for therein (and to the extent the respective incurrence, expenditure or utilization test regulates the aggregate amount outstanding at any time and it is expressed in terms of Dollars, all outstanding amounts originally incurred or spent in currencies other than Dollars shall be converted into Dollars on the basis of the exchange rates (as shown on *Reuters ECB page 37* or on such other basis as is reasonably satisfactory to the Administrative Agent) as in effect on the date of any new incurrence, expenditure or utilization made under any provision of any such Section that regulates the Dollar amount outstanding at any time).

Section 13.26 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Solely to the extent any Lender that is an EEA Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding

among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Exhibit 10.17

THIRD AMENDMENT TO CREDIT AGREEMENT

This Third Amendment to Credit Agreement, dated as of August 27, 2020 (this "Amendment"), is entered into by and among GPM Investments, LLC, a Delaware limited liability company (the "Borrower"), the Lenders signatory hereto, the Guarantors signatory hereto, and Ares Capital Corporation, as administrative agent for the Lenders (in such capacity, together with its successors and permitted assigns in such capacity, the "Administrative Agent"). Capitalized terms used but not defined herein shall have the meanings assigned to such capitalized terms in the Credit Agreement referred to below.

RECITALS:

WHEREAS, *inter alia*, the Borrower, the Administrative Agent, the Guarantors and the Lenders entered into that certain Credit Agreement, dated as of February 28, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified, the "Credit Agreement");

NOW, THEREFORE, in consideration of the premises and agreements and provisions herein contained, the parties hereto agree as follows:

1. **Certain Amendments to the Credit Agreement.** As of the Effective Date (as defined below), the Credit Agreement is hereby amended as follows:

   The definition of "Delayed Draw Term Loan A Commitment Expiration Date" in Section 1.01 (Defined Terms) of the Credit Agreement is hereby amended and restated to read in its entirety as follows:

   "***Delayed Draw Term Loan A Commitment Expiration Date***" shall mean the earliest to occur of (a) the date on which the entire amount of the Aggregate Delayed Draw Term Loan A Commitment has been drawn, (b) the date on which the aggregate Delayed Draw Term Loan A Commitment has been terminated or reduced to zero in accordance with the terms of this Agreement and (c) October 10, 2020.

2. **Effectiveness.** This Amendment will become effective on the date first written above (the "Effective Date").

3. **Representations and Warranties.** In order to induce the Administrative Agent to enter into this Amendment, the Borrower hereby represents and warrants as of the date hereof as follows:

   (a) the execution, delivery and performance by the Borrower of this Amendment and the consummation of the transactions contemplated herein, (i) are within the Borrower's corporate or other organizational powers, (ii) have been duly authorized by all necessary corporate or other organizational action, and (iii) do not contravene (A) Borrower's constituent documents or (B) any applicable law or governmental order or any contractual restriction binding on or affecting the Borrower;

   (b) the legal representative of the Borrower has the requisite authority to execute this Amendment, which authority has not been revoked, modified or limited in any manner whatsoever;

(c) no authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body or any other third party is required for the consummation, due execution, delivery or performance by the Borrower of this Amendment, except for (i) authorizations, approvals, notices or filings that have already been obtained and remain in effect as of the date hereof and (ii) notices (and copies of this Amendment) to be provided to PNC Bank, National Association and M&T Bank following execution hereof; and

(d) this Amendment has been duly executed and delivered by the Borrower.

4. **Acknowledgment and Reaffirmation; Reference to and Effect on Credit Documents.** On and after the date hereof, each reference in the Credit Agreement to "this Agreement," "hereunder," "hereof," "herein" or words of like import referring to the Credit Agreement, and each reference in the other Credit Documents to the "Credit Agreement," "thereunder," "thereof" or words of like import referring to the Credit Agreement shall mean and be a reference to Credit Agreement as amended by this Amendment. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Secured Parties under the Credit Agreement or any other Credit Document, and shall not alter, modify, amend or in any way affect any of the obligations or any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or of any other Credit Document, all of which are ratified, confirmed, affirmed and reaffirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle any Credit Party to a consent to, or a waiver, amendment, modification or other change of, any of the obligations or any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Credit Document in similar or different circumstances.

The parties hereto acknowledge and agree that: (i) this Amendment and any other Credit Documents or other documents or instruments executed and delivered in connection herewith do not constitute a novation, or termination of the obligations as in effect immediately prior to the date hereof; and (ii) such obligations are in all respects continuing with only the terms thereof being modified to the extent expressly provided in this Amendment. Without limiting the generality of the foregoing, the execution, delivery and performance of this Amendment shall not constitute a waiver of any provision of, or operate as a waiver of any right, power or remedy of the Secured Parties under, the Credit Agreement or any of the other Credit Documents.

The Borrower hereby (A) confirms its indebtedness, liabilities and other obligations under the Credit Agreement and the other Credit Documents constitute Secured Obligations under and as defined in the Security Pledge Agreement, and (B) acknowledges, confirms and reaffirms that each of the Credit Agreement and each other Credit Document to which it is a party or otherwise bound shall continue in full force and effect as modified by this Amendment, and that all of its indebtedness, liabilities and obligations thereunder are valid and enforceable and shall not be impaired or limited by the execution or effectiveness of this Amendment, and all such indebtedness, liabilities and obligations are hereby confirmed, reaffirmed and ratified in all respects.

This Amendment shall be deemed to be a Credit Document, as such term is defined in the Credit Agreement.

5. **Entire Agreement.** This Amendment, the Credit Agreement and the other Credit Documents constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties or any of them with respect to the subject matter hereof and thereof.

6. **GOVERNING LAW. THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF AND ANY DETERMINATIONS WITH RESPECT TO POST-JUDGMENT INTEREST) SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

7. **Severability.** Any term or provision of this Amendment which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Amendment or affecting the validity or enforceability of any of the terms or provisions of this Amendment in any other jurisdiction. If any provision of this Amendment is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as would be enforceable.

8. **Counterparts.** This Amendment may be executed in counterparts (including by facsimile or other electronic transmission), each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Amendment by e-signature, facsimile or in electronic format (e.g., "pdf" or "tif" file format) shall be effective as delivery of a manually executed counterpart of this Amendment. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Amendment or any document to be signed in connection with this Amendment or any Credit Document shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other state laws based on the Uniform Electronic Transactions Act, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

9. **Costs and Expenses; Indemnity.** The Borrower acknowledges and agrees that the provisions of Section 13.05 of the Credit Agreement shall apply to this Amendment and to the transactions contemplated hereby, *mutatis mutandis*, as if fully set forth herein.

AGREEMENT:

ARTICLE I

DEFINITIONS

Section 1.1 Defined Terms.

As used in this Agreement, the following terms have the following meanings:

"Acquisition" shall mean any transaction or series of related transactions for the purpose or resulting, directly or indirectly, in the acquisition (whether for cash, property, services, assumption of Indebtedness, securities or otherwise) of (a) Equity Interests, other ownership interests or other securities of any Person, (b) bonds, notes or debentures of any Person, (c) any assets of any Person, or (d) any Person by way of merger, consolidation, amalgamation or any combination with such Person.

"Administrative Agent" shall have the meaning set forth in the first paragraph of this Agreement and shall include any successors in such capacity.

"Administrative Questionnaire" shall mean an Administrative Questionnaire in a form supplied by the Administrative Agent.

"Affiliate" shall mean, with respect to a specified Person, another Person that directly, or indirectly through one or more intermediaries, Controls or is Controlled by, or is under common Control with, the Person specified.

"Agreement" shall have the meaning set forth in the first paragraph of this Agreement.

"Alternate Base Rate" shall mean, for any day, a rate per annum equal to the greatest of (a) the Prime Rate in effect on such day, (b) the Federal Funds Effective Rate in effect on such day plus 1/2 of 1% and (c) the sum of (i) LIBOR (as determined pursuant to the definition of LIBOR), for an Interest Period of one (1) month commencing on such day plus (ii) 1.00%, in each instance as of such date of determination. For purposes hereof: "Prime Rate" shall mean, at any time, the rate of interest per annum publicly announced or otherwise identified from time to time by the Administrative Agent at its principal office in the United States of America as its prime rate. Each change in the Prime Rate shall be effective as of the opening of business on the day such change in the Prime Rate occurs. The parties hereto acknowledge that the rate announced publicly by the Administrative Agent as its Prime Rate is an index or base rate and shall not necessarily be its lowest or best rate charged to its customers or other banks; and "Federal Funds Effective Rate" shall mean, for any day, the weighted average of the rates on overnight federal funds transactions with members of the Federal Reserve System arranged by federal funds brokers, as published on the next succeeding Business Day by the Federal Reserve Bank of New York, or, if such rate is not so published on the next succeeding Business Day, the average of the quotations for the day of such transactions received by the Administrative Agent from three federal funds brokers of recognized standing selected by it. If for any reason the Administrative Agent shall have determined (which determination shall be conclusive in the absence of manifest error) (A) that it is unable to ascertain the Federal Funds Effective Rate, for any reason, including the inability or failure of the Administrative Agent to obtain sufficient quotations in accordance with the terms above or (B) that the Prime Rate or LIBOR no longer accurately reflects an accurate determination of the prevailing Prime Rate or LIBOR, the Administrative Agent may select a reasonably comparable index or source to use as the basis for the Alternate Base Rate, until the circumstances giving rise to such inability no longer exist. Any change in the Alternate Base Rate due to a change in any of the foregoing will become effective on the effective date of such change in the Federal Funds Effective Rate, the Prime Rate or LIBOR for an Interest Period of one (1) month.

"Alternate Base Rate Loans" shall mean Loans that bear interest at an interest rate based on the Alternate Base Rate.

"Alternative Interest Rate Election Event" shall have the meaning set forth in Section 2.12(b).

"Applicable Margin" shall mean, for any day, the rate per annum set forth below opposite the applicable level then in effect (based on the Consolidated Total Leverage Ratio), it being understood that the Applicable Margin for (a) Revolving Loans that are Alternate Base Rate Loans shall be the percentage set forth under the column "Alternate Base Rate Margin," (b) Revolving Loans that are LIBOR Rate Loans shall be the percentage set forth under the column "LIBOR Margin & L/C Fee," (c) the Letter of Credit Fee shall be the percentage set forth under the column "LIBOR Margin & L/C Fee," and (d) the Commitment Fee shall be the percentage set forth under the column "Commitment Fee":

Applicable Margin				
Level	Consolidated Total Leverage Ratio	LIBOR Margin & L/C Fee	Alternate Base Rate Margin	Commitment Fee
I	Less than 2.50 to 1:00	2.25%	1.25%	0.300%
II	Greater than or equal to 2.50 to 1.00 but less than 3.00 to 1.00	2.50%	1.50%	0.375%
III	Greater than or equal to 3.00 to 1.00 but less than 3.50 to 1.00	2.75%	1.75%	0.375%
IV	Greater than or equal to 3.50 to 1.00 but less than 4.00 to 1.00	3.00%	2.00%	0.500%
V	Greater than or equal to 4.00 to 1.00	3.25%	2.25%	0.500%

The Applicable Margin shall, in each case, be determined and adjusted quarterly on the date five (5) Business Days after the date on which the Administrative Agent has received from the Borrower the quarterly financial information (in the case of the first three fiscal quarters of the Borrower's fiscal year), the annual financial information (in the case of the fourth fiscal quarter of the Borrower's fiscal year) and the certifications required to be delivered to the Administrative Agent and the Lenders in accordance with the provisions of Section 5.1(a), Section 5.1(b) and Section 5.2(a) (each an "Interest Determination Date"). Such Applicable Margin shall be effective from such Interest Determination Date until the next such Interest Determination Date. After the Closing Date, if the Credit Parties fail to provide the financial information or certifications in accordance with the provisions of Section 5.1(a), Section 5.1(b) and Section 5.2(a), the Applicable Margin shall, on the date five (5) Business Days after the date by which the Credit Parties were so required to provide such financial information or certifications to the Administrative Agent and the Lenders, be based on Level V until such date as such information or certifications or corrected information or corrected certificates are provided, whereupon the Level shall be determined by the then current Consolidated Total Leverage Ratio. Notwithstanding the foregoing, the initial Applicable Margin shall be determined based on the pro forma Consolidated Total Leverage Ratio as certified by a Responsible Officer of the Borrower on the Closing Date pursuant to Section 4.1(l) until the financial information and certificates required to be delivered pursuant toSection 5.1(b) and Section 5.2(a) for the first fiscal quarter to occur following the Closing Date have been delivered to the Administrative Agent, for distribution to the Lenders. In the event that any financial statement or certification delivered pursuant to Section 5.1 or Section 5.2 is shown to be inaccurate (regardless of whether this Agreement or the Commitments are in effect when such inaccuracy is discovered), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin for any period (an "Applicable Period") than the Applicable Margin applied for such Applicable Period, the Borrower shall immediately (a) deliver to the Administrative Agent a corrected Compliance Certificate for such Applicable Period, (b) determine the Applicable Margin for such Applicable Period based upon the corrected Compliance Certificate, and (c) immediately pay to the Administrative Agent for the benefit of the Lenders the accrued additional interest and other fees owing as a result of such increased Applicable Margin for such Applicable Period, which payment shall be promptly distributed by the Administrative Agent to the Lenders entitled thereto. It is acknowledged and agreed that nothing contained herein shall limit the rights of the Administrative Agent and the Lenders under the Credit Documents, including their rights under Section 2.7 and Section 7.1.

"Applicable Percentage" shall mean, with respect to any Revolving Lender, the percentage of the total Revolving Commitments represented by such Revolving Lender's Revolving Commitment. Section 2.1 Revolving Loans.

(a) Revolving Commitment. During the Commitment Period, subject to the terms and conditions hereof, the Revolving Lenders severally, but not jointly, agree to make revolving credit loans in Dollars ("Revolving Loans") to the Borrower from time to time in an aggregate principal amount of up to $300,000,000 (as increased from time to time as provided in Section 2.20(a) and as such aggregate maximum amount may be reduced from time to time as provided in Section 2.5, the "Revolving Committed Amount") for the purposes hereinafter set forth (such facility, the "Revolving Facility"); provided, however, that (i) with regard to each Revolving Lender individually, the sum of such Revolving Lender's Revolving Commitment Percentage of the aggregate principal amount of outstanding Revolving Loans plus such Revolving Lender's Revolving Commitment Percentage of outstanding Swingline Loans plus such Revolving Lender's Revolving Commitment Percentage of outstanding LOC Obligations shall not exceed such Revolving Lender's Revolving Commitment and (ii) with regard to the Revolving Lenders collectively, the sum of the aggregate principal amount of outstanding Revolving Loans plus outstanding Swingline Loans plus outstanding LOC Obligations shall not exceed the Revolving Committed Amount then in effect. Revolving Loans may consist of Alternate Base Rate Loans or LIBOR Rate Loans, or a combination thereof, as the Borrower may request, and may be repaid and reborrowed in accordance with the provisions hereof. LIBOR Rate Loans shall be made by each Revolving Lender at its LIBOR Lending Office and Alternate Base Rate Loans at its Domestic Lending Office.

(b) Revolving Loan Borrowings.

(i) Notice of Borrowing. The Borrower shall request a Revolving Loan borrowing by delivering a written Notice of Borrowing (or telephone notice promptly confirmed in writing by delivery of a written Notice of Borrowing, which delivery may be by fax) to the Administrative Agent not later than 11:00 A.M. on the proposed date of the requested borrowing in the case of Alternate Base Rate Loans, and on the third (3rd) Business Day prior to the date of the requested borrowing in the case of LIBOR Rate Loans. Each such Notice of Borrowing shall be irrevocable and shall specify (A) that a Revolving Loan is requested, (B) the date of the requested borrowing (which shall be a Business Day), (C) the aggregate principal amount to be borrowed, and (D) whether the borrowing shall be comprised of Alternate Base Rate Loans, LIBOR Rate Loans or a combination thereof, and if LIBOR Rate Loans are requested, the Interest Period(s) therefor. If the Borrower shall fail to specify in any such Notice of Borrowing (1) an applicable Interest Period in the case of a LIBOR Rate Loan, then such notice shall be deemed to be a request for an Interest Period of one month, or (2) the type of Revolving Loan requested, then such notice shall be deemed to be a request for a LIBOR Rate Loan for an Interest Period of one month. The Administrative Agent shall give notice to each Revolving Lender promptly upon receipt of each Notice of Borrowing, the contents thereof and each such Revolving Lender's share thereof.

(ii) Minimum Amounts. Each Revolving Loan that is made as an Alternate Base Rate Loan shall be in a minimum aggregate amount of $1,000,000 and in integral multiples of $100,000 in excess thereof (or the remaining amount of the Revolving Committed Amount, if less). Each Revolving Loan that is made as a LIBOR Rate Loan shall be in a minimum aggregate amount of $1,000,000 and in integral multiples of $100,000 in excess thereof (or the remaining amount of the Revolving Committed Amount, if less).

(iii) Advances. Each Revolving Lender will make its Revolving Commitment Percentage of each Revolving Loan borrowing available to the Administrative Agent for the account of the Borrower at the office of the Administrative Agent specified in Section 9.2, or at such other office as the Administrative Agent may designate in writing, by 2:00 P.M. on the date specified in the applicable Notice of Borrowing, in Dollars and in funds immediately available to the Administrative Agent. Such borrowing will then be made available to the Borrower by the Administrative Agent by crediting the account of the Borrower on the books of such office (or such other account that the Borrower may designate in writing to the Administrative Agent) with the aggregate of the amounts made available to the Administrative Agent by the Revolving Lenders and in like funds as received by the Administrative Agent.

(c) Repayment. Subject to the terms of this Agreement, Revolving Loans may be borrowed, repaid and reborrowed during the Commitment Period, subject to Section 2.6(a). The principal amount of all Revolving Loans shall be due and payable in full on the Revolving Facility Termination Date, unless accelerated sooner pursuant to Section 7.2.

(d) Interest. Subject to the provisions of Section 2.7, Revolving Loans shall bear interest as follows:

(i) Alternate Base Rate Loans. During such periods as any Revolving Loans shall be comprised of Alternate Base Rate Loans, each such Alternate Base Rate Loan shall bear interest at a per annum rate equal to the sum of the Alternate Base Rate plus the Applicable Margin; and

(ii) LIBOR Rate Loans. During such periods as Revolving Loans shall be comprised of LIBOR Rate Loans, each such LIBOR Rate Loan shall bear interest at a per annum rate equal to the sum of the LIBOR Rate plus the Applicable Margin.

Interest on Revolving Loans shall be payable in arrears on each Interest Payment Date.

(e) Revolving Loan Notes; Covenant to Pay. The Borrower's obligation to pay each Revolving Lender shall be evidenced by this Agreement and, upon such Revolving Lender's request, by a duly executed promissory note of the Borrower to such Revolving Lender substantially in the form of Exhibit 2.1(e). The Borrower covenants and agrees to pay the Revolving Loans in accordance with the terms of this Agreement.

Section 2.2 Letter of Credit Subfacility.

(a) Issuance. Subject to the terms and conditions hereof and of the LOC Documents, during the Commitment Period the Issuing Lender shall issue, and the Revolving Lenders shall participate in, standby Letters of Credit for the account of the Borrower from time to time upon request in a form acceptable to the Issuing Lender; provided, however, that (i) the aggregate amount of LOC Obligations shall not at any time exceed $10,000,000 (the "LOC Committed Amount"), (ii) the sum of the aggregate principal amount of outstanding Revolving Loans plus outstanding Swingline Loans plus outstanding LOC Obligations shall not at any time exceed the Revolving Committed Amount then in effect, (iii) all Letters of Credit shall be denominated in Dollars and (iv) Letters of Credit shall be issued for any lawful business purposes and shall be issued as standby letters of credit, including in connection with workers' compensation and other insurance programs. Except as expressly agreed in writing upon by all the Revolving Lenders, no Letter of Credit shall have an original expiry date more than twelve (12) months from the date of issuance; provided, however, so long as no Default or Event of Default has occurred and is continuing and subject to the other terms and conditions to the issuance of Letters of Credit hereunder, the expiry dates of Letters of Credit may be extended periodically from time to time on the request of the Borrower or annually in accordance with Section 2.2(l); provided, further, that no Letter of Credit, as originally issued or as extended, shall have an expiry date extending beyond the date that is seven (7) days prior to the Revolving Maturity Date (the "Letter of Credit Expiration Date"). Each Letter of Credit shall comply with the related LOC Documents. The issuance and expiry date of each Letter of Credit shall be a Business Day. Each Letter of Credit issued hereunder shall be in a minimum original face amount of $50,000 or such lesser amount as approved by the Issuing Lender. No Letter of Credit shall be issued if it would be in contravention of any applicable law or the standard policies and practices and of the Issuing Lender applicable to all applicants.

(b) Notice and Reports. The request for the issuance of a Letter of Credit shall be submitted to the Issuing Lender at least five (5) Business Days prior to the requested date of issuance, along with a duly executed copy of the Issuing Lender's standard form of application and agreement for letters of credit. The Issuing Lender will promptly upon request provide to the Administrative Agent for dissemination to the Revolving Lenders a detailed report specifying the Letters of Credit which are then issued and outstanding and any activity with respect thereto which may have occurred since the date of any prior report, and including therein, among other things, the account party, the beneficiary, the face amount, expiry date as well as any payments or expirations which may have occurred. The Issuing Lender will further provide to the Administrative Agent promptly upon request copies of the Letters of Credit. The Issuing Lender will provide to the Administrative Agent promptly upon request a summary report of the nature and extent of LOC Obligations then outstanding.

(c) Participations. Each Revolving Lender, upon issuance of a Letter of Credit, shall be deemed to have purchased without recourse a risk participation from the Issuing Lender in such Letter of Credit and the obligations arising thereunder and any Collateral relating thereto, in each case in an amount equal to its Revolving Commitment Percentage of the obligations under such Letter of Credit and shall absolutely, unconditionally and irrevocably assume, as primary obligor and not as surety, and be obligated to pay to the Issuing Lender therefor and discharge when due, its Revolving Commitment Percentage of the obligations arising under such Letter of Credit; provided that any Person that becomes a Revolving Lender after the Closing Date shall be deemed to have purchased a Participation Interest in all outstanding Letters of Credit on the date it becomes a Lender hereunder and any Letter of Credit issued on or after such date, in each case

in accordance with the foregoing terms. Without limiting the scope and nature of each Revolving Lender's participation in any Letter of Credit, to the extent that the Issuing Lender has not been reimbursed as required hereunder or under any LOC Document, each such Revolving Lender shall pay to the Issuing Lender its Revolving Commitment Percentage of such unreimbursed drawing in same day funds pursuant to and in accordance with the provisions of subsection (d) hereof. The obligation of each Revolving Lender to so reimburse the Issuing Lender shall be absolute and unconditional and shall not be affected by the occurrence of a Default, an Event of Default or any other occurrence or event, including those set forth in Section 2.2(e). Any such reimbursement shall not relieve or otherwise impair the obligation of the Borrower to reimburse the Issuing Lender under any Letter of Credit, together with interest as hereinafter provided.

(d) Reimbursement. In the event of any drawing under any Letter of Credit, the Issuing Lender will promptly notify the Borrower and the Administrative Agent. The Borrower shall reimburse the Issuing Lender on the day of drawing under any Letter of Credit if notified prior to 1:00 P.M. on a Business Day or, if after 1:00 P.M., on the following Business Day (either with the proceeds of a Revolving Loan obtained hereunder or otherwise) in same day funds as provided herein or in the LOC Documents. If the Borrower fails to reimburse the Issuing Lender as provided herein, the unreimbursed amount of such drawing shall automatically bear interest at a per annum rate equal to the Default Rate. Unless the Borrower immediately notifies the Issuing Lender and the Administrative Agent of its intent to otherwise reimburse the Issuing Lender, the Borrower shall be deemed to have requested a Mandatory LOC Borrowing in the amount of the drawing as provided in subsection (e) hereof, the proceeds of which will be used to satisfy the Reimbursement Obligations. The Borrower's Reimbursement Obligations hereunder shall be absolute and unconditional under all circumstances irrespective of any rights of set-off, counterclaim or defense to payment the Borrower may claim or have against the Issuing Lender, the Administrative Agent, the Lenders, the beneficiary of the Letter of Credit drawn upon or any other Person, including, without limitation, any defense based on any failure of the Borrower to receive consideration or the legality, validity, regularity or unenforceability of the Letter of Credit. The Administrative Agent will promptly notify the other Revolving Lenders of the amount of any unreimbursed drawing and each Revolving Lender shall promptly pay to the Administrative Agent for the account of the Issuing Lender, in Dollars and in immediately available funds, the amount of such Revolving Lender's Revolving Commitment Percentage of such unreimbursed drawing. Such payment shall be made on the Business Day such notice is received by such Revolving Lender from the Administrative Agent if such notice is received at or before 2:00 P.M., otherwise such payment shall be made at or before 12:00 P.M. on the Business Day next succeeding the Business Day such notice is received. If such Revolving Lender does not pay such amount to the Administrative Agent for the account of the Issuing Lender in full upon such request, such Revolving Lender shall, on demand, pay to the Administrative Agent for the account of the Issuing Lender interest on the unpaid amount during the period from the date of such drawing until such Revolving Lender pays such amount to the Administrative Agent for the account of the Issuing Lender in full at a rate per annum equal to, if paid within two (2) Business Days of the date of drawing, the Federal Funds Effective Rate and thereafter at a rate equal to the Alternate Base Rate. Each Revolving Lender's obligation to make such payment to the Issuing Lender, and the right of the Issuing Lender to receive the same, shall be absolute and unconditional, shall not be affected by any circumstance whatsoever and without regard to the termination of this Agreement or the Commitments hereunder, the existence of a Default or Event of Default or the acceleration of the Obligations hereunder and shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Obligations Absolute, Etc. The Borrower's obligation to reimburse the Issuing Lender for amounts paid on account of drafts honored under Letters of Credit shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (1) any lack of validity or enforceability of this Agreement or any other Credit Document, any Letter of Credit, any LOC Document, or any term or provision therein, (2) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit, any Issuing Lender or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction, (3) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (4) payment by the Issuing Lender under a Letter of Credit issued by the Issuing Lender against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or any LOC Document, or any payment made by any Issuing Lender under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit, or (5) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this subsection (e), constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor the Issuing Lender, nor any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Lender; provided that the foregoing shall not be construed to excuse the Issuing Lender from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by the Issuing Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuing Lender (as finally determined by a court of competent jurisdiction), such Issuing Lender shall be deemed to have exercised all requisite care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Lender that issued such Letter of Credit may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit. The Borrower hereby waives presentment for payment (except the presentment required by the terms of any Letter of Credit) and notice of dishonor, protest and notice of protest with respect to drafts honored under the Letters of Credit.

(f) Repayment with Revolving Loans. On any day the Borrower requests, or is deemed to have requested, a Revolving Loan to reimburse a drawing under a Letter of Credit, the Administrative Agent shall give notice to the Revolving Lenders that a Revolving Loan has been requested or deemed requested in connection with a drawing under a Letter of Credit, in which case a Revolving Loan borrowing comprised entirely of Alternate Base Rate Loans (each such borrowing, a "Mandatory LOC Borrowing") shall be made (without giving effect to any termination of the Commitments pursuant to Section 7.2) pro rata based on each Revolving Lender's respective Revolving Commitment Percentage (determined before giving effect to any termination of the Commitments pursuant to Section 7.2) and the proceeds thereof shall be paid directly to the Administrative Agent for the account of the Issuing Lender for application to the respective LOC Obligations. Each Revolving Lender hereby irrevocably agrees to make such Revolving Loans on the day such notice is received by the Revolving Lenders from the Administrative Agent if such notice is received at or before 2:00 P.M., otherwise such payment shall be made at or before 12:00 P.M. on the Business Day next succeeding the day such notice is received, in each case notwithstanding (i) the amount of Mandatory LOC Borrowing may not comply with the minimum amount for borrowings of Revolving Loans otherwise required hereunder, (ii) whether any conditions specified in Section 4.2 are then satisfied, (iii) whether a Default or an Event of Default then exists, (iv) failure for any such request or deemed request for Revolving Loan to be made by the time otherwise required in Section 2.1(b), (v) the date of such Mandatory LOC Borrowing, or (vi) any reduction in the Revolving Committed Amount after any such Letter of Credit may have been drawn upon. In the event that any Mandatory LOC Borrowing cannot for any reason be made on the date otherwise required above (including, without limitation, as a result of the occurrence of a Bankruptcy Event), then each such Revolving Lender hereby agrees that it shall forthwith fund its Participation Interests in the outstanding LOC Obligations on the Business Day such notice to fund is received by such Revolving Lender from the Administrative Agent if such notice is received at or before 2:00 P.M., otherwise such payment shall be made at or before 12:00 P.M. on the Business Day next succeeding the Business Day such notice is received; provided, further, that in the event any Lender fails to fund its Participation Interest as required herein, then the amount of such Revolving Lender's unfunded Participation Interest therein shall automatically bear interest payable by such Revolving Lender to the Administrative Agent for the account of the Issuing Lender upon demand, at the rate equal to, if paid within two (2) Business Days of such date, the Federal Funds Effective Rate, and thereafter at a rate equal to the Alternate Base Rate.

(g) Modification, Extension. The issuance of any supplement, modification, amendment, renewal, or extension to any Letter of Credit shall, for purposes hereof, be treated in all respects the same as the issuance of a new Letter of Credit hereunder.

(h) ISP98 and UCP. Unless otherwise expressly agreed by the Issuing Lender and the Borrower or other account party, when a Letter of Credit is issued, (i) the rules of the "International Standby Practices 1998," published by the Institute of International Banking Law & Practice (or such later version thereof as may be in effect at the time of issuance) shall apply to each standby Letter of Credit, and (ii) the rules of The Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance, shall apply to each documentary Letter of Credit.

(i) Conflict with LOC Documents. In the event of any conflict between this Agreement and any LOC Document, this Agreement shall control.

(j) Designation of Subsidiaries as Account Parties. Notwithstanding anything to the contrary set forth in this Agreement, including, without limitation, Section 2.2(a), if a Letter of Credit is in support of any obligations of, or is for the account of a Credit Party or a Subsidiary of the Borrower, the Borrower shall be obligated to reimburse each Issuing Lender hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Credit Parties or its other Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Credit Parties or other Subsidiaries.

(k) Cash Collateral. At any point in time in which there is a Defaulting Lender, or as of the Letter of Credit Expiration Date, any LOC Obligations for any reason remain outstanding, the Issuing Lender may require the Borrower to Cash Collateralize the LOC Obligations pursuant to Section 2.18.

(l) Auto-Extension Letter of Credit. At the request of the Borrower in any notice delivered pursuant to Section 2.2(b), the Issuing Lender may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit the Issuing Lender to prevent any such extension at least once in each twelve-month period (commencing with the date of the issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Issuing Lender, the Borrower shall not be required to make a specific request to the Issuing Lender for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Revolving Lenders shall be deemed to have authorized (but may not require) the Issuing Lender to permit the extension of such Letter of Credit at any time; provided, however, that the Issuing Lender shall not permit any such extension if (A) the Issuing Lender has determined that it would not be permitted, or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.2(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Lenders have elected not to permit such extension or (2) from the Administrative Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions specified in Section 4.2 is not then satisfied, and in each such case directing the Issuing Lender not to permit such extension.

Section 2.3 Swingline Loan Subfacility.

(a) Swingline Commitment. During the Commitment Period, subject to the terms and conditions hereof, the Swingline Lender, in its individual capacity, may, in its discretion and in reliance upon the agreements of the other Lenders set forth in this Section, make certain revolving credit loans to the Borrower (each a "Swingline Loan" and, collectively, the "Swingline Loans") for the purposes hereinafter set forth; provided, however, (i) the aggregate principal amount of Swingline Loans outstanding at any time shall not exceed $15,000,000 (the "Swingline Committed Amount"), and (ii) the sum of the aggregate principal amount of outstanding Revolving Loans plus outstanding Swingline Loans plus outstanding LOC Obligations shall not exceed the Revolving Committed Amount then in effect. Swingline Loans hereunder may be repaid and reborrowed in accordance with the provisions hereof.

(b) Swingline Loan Borrowings.

(i) Notice of Borrowing and Disbursement. To request a Swingline Loan, the Borrower shall notify the Administrative Agent and Swingline Lender by telephone (and shall subsequently confirm and deliver, by hand delivery, facsimile or (subject to compliance with below) e-mail, a duly completed and executed Notice of Borrowing to the Administrative Agent and the Swingline Lender), not later than 1:00 P.M. on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day) and the amount of the requested Swingline Loan. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to the general deposit account of Borrower with the Swingline Lender or otherwise to an account as directed by Borrower in the applicable Notice of Borrowing by 3:00 p.m. on the requested date of such Swingline Loan. The Borrower shall not request a Swingline Loan if at the time of or immediately after giving effect to such request a Default has occurred and is continuing or would result therefrom. Swingline Loans shall be made in minimum amounts of $100,000, shall bear interest at the Alternate Base Rate plus the Applicable Margin and shall be payable in full by the Borrower upon demand of the Swingline Lender. Swingline Loan borrowings hereunder shall be made in minimum amounts of $100,000 (or the remaining available amount of the Swingline Committed Amount if less) and in integral amounts of $100,000 in excess thereof.

(ii) Repayment of Swingline Loans. Each Swingline Loan borrowing shall be due and payable on the Revolving Maturity Date. The Swingline Lender may, at any time, in its sole discretion, repay outstanding Swingline Loans by debiting any deposit account maintained by the Borrower or any other Credit Party with the Swingline Lender (to the extent of any funds available in such account at the time) or, by written notice to the Borrower and the Administrative Agent, demand repayment of its Swingline Loans by way of a Revolving Loan borrowing, in which case the Borrower shall be deemed to have requested a Revolving Loan borrowing comprised entirely of Alternate Base Rate Loans in the amount of such Swingline Loans; provided, however, that, in the following circumstances, any such demand shall also be deemed to have been given one Business Day prior to each of (A) the Revolving Maturity Date, (B) the occurrence of any Bankruptcy Event, (C) upon acceleration of the Obligations hereunder, whether on account of a Bankruptcy Event or any other Event of Default, and (D) the exercise of remedies in accordance with the provisions of Section 7.2 (each such Revolving Loan borrowing made on account of any such deemed request therefor as provided herein

being hereinafter referred to as "Mandatory Swingline Borrowing"). Each Revolving Lender hereby irrevocably agrees to make such Revolving Loans promptly upon any such request or deemed request on account of each Mandatory Swingline Borrowing in the amount and in the manner specified in the preceding sentence on the date such notice is received by the Revolving Lenders from the Administrative Agent if such notice is received at or before 2:00 P.M., otherwise such payment shall be made at or before 12:00 P.M. on the Business Day next succeeding the date such notice is received notwithstanding (1) the amount of Mandatory Swingline Borrowing may not comply with the minimum amount for borrowings of Revolving Loans otherwise required hereunder, (2) whether any conditions specified in Section 4.2 are then satisfied, (3) whether a Default or an Event of Default then exists, (4) failure of any such request or deemed request for Revolving Loans to be made by the time otherwise required in Section 2.1(b)(i), (5) the date of such Mandatory Swingline Borrowing, or (6) any reduction in the Revolving Committed Amount or termination of the Revolving Commitments immediately prior to such Mandatory Swingline Borrowing or contemporaneously therewith. In the event that any Mandatory Swingline Borrowing cannot for any reason be made on the date otherwise required above (including, without limitation, as a result of the commencement of a proceeding under the Bankruptcy Code), then each Revolving Lender hereby agrees that it shall forthwith purchase (as of the date the Mandatory Swingline Borrowing would otherwise have occurred, but adjusted for any payments received from the Borrower on or after such date and prior to such purchase) from the Swingline Lender such Participation Interest in the outstanding Swingline Loans as shall be necessary to cause each such Revolving Lender to share in such Swingline Loans ratably based upon its respective Revolving Commitment Percentage (determined before giving effect to any termination of the Commitments pursuant to Section 7.2); provided that (x) all interest payable on the Swingline Loans shall be for the account of the Swingline Lender until the date as of which the respective Participation Interest is purchased, and (y) at the time any purchase of a Participation Interest pursuant to this sentence is actually made, the purchasing Revolving Lender shall be required to pay to the Swingline Lender interest on the principal amount of such Participation Interest purchased for each day from and including the day upon which the Mandatory Swingline Borrowing would otherwise have occurred to but excluding the date of payment for such Participation Interest, at the rate equal to, if paid within two (2) Business Days of the date of the Mandatory Swingline Borrowing, the Federal Funds Effective Rate, and thereafter at a rate equal to the Alternate Base Rate. The Borrower shall have the right to repay the Swingline Loan in whole or in part from time to time in accordance with Section 2.6(a).

(c) Interest on Swingline Loans. Subject to the provisions of Section 2.7, Swingline Loans shall bear interest at a per annum rate equal to the Alternate Base Rate plus the Applicable Margin for Revolving Loans that are Alternate Base Rate Loans. Interest on Swingline Loans shall be payable in arrears on each Interest Payment Date.

(d) Swingline Loan Note; Covenant to Pay. The Swingline Loans shall be evidenced by this Agreement and, upon request of the Swingline Lender, by a duly executed promissory note of the Borrower in favor of the Swingline Lender in the original amount of the Swingline Committed Amount and substantially in the form of Exhibit 2.4(d). The Borrower covenants and agrees to pay the Swingline Loans in accordance with the terms of this Agreement.

(e) Cash Collateral. At any point in time in which there is a Defaulting Lender, the Swingline Lender may require the Borrower to Cash Collateralize the outstanding Swingline Loans pursuant to Section 2.18.

Section 2.4 Fees.

(a) Commitment Fee. Subject to Section 2.19, in consideration of the Revolving Commitments, the Borrower agrees to pay to the Administrative Agent, for the ratable benefit of the Revolving Lenders, a commitment fee (the "Commitment Fee") in an amount equal to the Applicable Margin per annum on the average daily unused amount of the Revolving Committed Amount. The Commitment Fee shall be calculated quarterly in arrears. For purposes of computation of the Commitment Fee, LOC Obligations shall be considered usage of the Revolving Committed Amount but Swingline Loans shall not be considered usage of the Revolving Committed Amount. The Commitment Fee shall be payable quarterly in arrears on the last Business Day of each calendar quarter, commencing on the first date to occur after the Closing Date, and on the Revolving Facility Termination Date.

(b) Letter of Credit Fees. Subject to Section 2.19, in consideration of the LOC Commitments, the Borrower agrees to pay to the Administrative Agent, for the ratable benefit of the Revolving Lenders, a fee (the "Letter of Credit Fee") equal to the Applicable Margin for Revolving Loans that are LIBOR Rate Loans per annum on the average daily maximum amount available to be drawn under each Letter of Credit from the date of issuance to the date of expiration. The Letter of Credit Fee shall be payable quarterly in arrears on the last Business Day of each calendar quarter, commencing on the first date to occur after the Closing Date, and on the Revolving Facility Termination Date.

(c) Issuing Lender Fees. In addition to the Letter of Credit Fees payable pursuant tosubsection (b) hereof, the Borrower shall pay to the Issuing Lender for its own account without sharing by the other Lenders the reasonable and customary charges from time to time of the Issuing Lender with respect to the amendment, transfer, administration, cancellation and conversion of, and drawings under, such Letters of Credit (collectively, the "Issuing Lender Fees"). The Issuing Lender may charge, and retain for its own account without sharing by the other Lenders, an additional facing fee (the "Letter of Credit Facing Fee") of 0.125% per annum on the average daily maximum amount available to be drawn under each such Letter of Credit issued by it. The Issuing Lender Fees and the Letter of Credit Facing Fee shall be payable quarterly in arrears on the last Business Day of each calendar quarter, commencing on the first date to occur after the Closing Date, and on the Revolving Facility Termination Date.

(d) Administrative Fee. The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times in the Capital One Engagement Letter or as separately agreed in writing between the Borrower and the Administrative Agent.

Section 2.5 Commitment Reductions.

(a) Voluntary Reductions. The Borrower shall have the right to terminate or permanently reduce the unused portion of the Revolving Committed Amount at any time or from time to time upon not less than five (5) Business Days' prior written notice to the Administrative Agent (which shall notify the Lenders thereof as soon as practicable) of each such termination or reduction, which notice shall specify the effective date thereof and the amount of any such reduction which shall be in a minimum amount of $5,000,000 or a whole multiple of $1,000,000 in excess thereof and shall be irrevocable and effective upon receipt by the Administrative Agent; provided that no such reduction or termination shall be permitted if after giving effect thereto, and to any prepayments of the Revolving Loans made on the effective date thereof, the sum of the aggregate principal amount of outstanding Revolving Loans plus outstanding Swingline Loans plus outstanding LOC Obligations would exceed the Revolving Committed Amount then in effect. Any reduction in the Revolving Committed Amount shall be applied to the Revolving Commitment of each Revolving Lender in according to its Revolving Commitment Percentage.

(b) LOC Committed Amount. If the Revolving Committed Amount is reduced below the then current LOC Committed Amount, the LOC Committed Amount shall automatically be reduced by an amount such that the LOC Committed Amount equals the Revolving Committed Amount.

(c) Swingline Committed Amount. If the Revolving Committed Amount is reduced below the then current Swingline Committed Amount, the Swingline Committed Amount shall automatically be reduced by an amount such that the Swingline Committed Amount equals the Revolving Committed Amount.

(d) Commitment Terminations. The Revolving Commitments, the Swingline Commitment and the LOC Commitment shall automatically terminate on the Revolving Facility Termination Date.

Section 2.6 Prepayments.

(a) Optional Prepayments and Repayments. The Borrower shall have the right to repay the Loans in whole or in part from time to time; provided, however, that each partial prepayment or repayment of (i) Loans that are Alternate Base Rate Loans shall be in a minimum principal amount of $1,000,000 and integral multiples of $100,000 in excess thereof (or the remaining outstanding principal amount), (ii) Loans that are LIBOR Rate Loans shall be in a minimum principal amount of $1,000,000 and integral multiples of $100,000 in excess thereof (or the remaining outstanding principal amount) and (iii) Swingline Loans shall be in a minimum principal amount of $100,000 and integral multiples of $100,000 in excess thereof (or the remaining outstanding principal amount). The Borrower shall give three Business Days' irrevocable notice of prepayment in the case of LIBOR Rate Loans and same-day irrevocable notice on any Business Day in the case of Alternate Base Rate Loans, to the Administrative Agent (which shall notify the Lenders thereof as soon as practicable). To the extent the Borrower elects to repay the Revolving Loans and/or Swingline Loans, amounts prepaid under this Section shall be applied to the Revolving Loans and/or Swingline Loans, as applicable of the Revolving Lenders in accordance with their respective Revolving Commitment Percentages. Within the foregoing

parameters, prepayments under this Section shall be applied first to Alternate Base Rate Loans and then to LIBOR Rate Loans in direct order of Interest Period maturities. All prepayments under this Section shall be subject to Section 2.14, but otherwise without premium or penalty. Interest on the principal amount prepaid shall be payable on the next occurring Interest Payment Date that would have occurred had such loan not been prepaid or, at the request of the Administrative Agent, interest on the principal amount prepaid shall be payable on any date that a prepayment is made hereunder through the date of prepayment.

(b) Mandatory Prepayments.

(i) Revolving Committed Amount. If at any time after the Closing Date, the sum of the aggregate principal amount of outstanding Revolving Loans plus outstanding Swingline Loans plus outstanding LOC Obligations exceed the Revolving Committed Amount, the Borrower shall immediately prepay the Revolving Loans and Swingline Loans and (after all Revolving Loans and Swingline Loans have been repaid) Cash Collateralize the LOC Obligations in an amount sufficient to eliminate such excess (such prepayment to be applied as set forth in Section 2.6(b)(iv) below).

(ii) Immediately upon receipt by any Credit Party or any Subsidiary of any Credit Party of the proceeds of the incurrence of Indebtedness (other than proceeds from the incurrence of Indebtedness permitted under Section 6.1), the Borrower shall deliver, or cause to be delivered, to the Administrative Agent an amount equal to such proceeds for application in accordance with Section 2.6(b)(iv) below.

(iii) Within five (5) Business Days of the IPO, the Borrower shall deliver, or cause to be delivered, to the Administrative Agent an amount equal to the net cash proceeds raised in the IPO for application in accordance with Section 2.6(b)(iv) below.

(iv) Application of Mandatory Prepayments. All amounts required to be prepaid pursuant toSection 2.6(b)(i), (b)(ii) and (b)(iii) shall be applied (1) first to the outstanding Swingline Loans, (2) second to the outstanding Revolving Loans, and (3) third to Cash Collateralize the LOC Obligations.

Section 2.7 Default Rate and Payment Dates.

(a) If all or a portion of the principal amount of any Loan which is a LIBOR Rate Loan is not paid when due or continued as a LIBOR Rate Loan in accordance with the provisions of Section 2.8 (whether at the stated maturity, by acceleration or otherwise), such overdue principal amount of such Loan shall be converted to an Alternate Base Rate Loan at the end of the Interest Period applicable thereto.

(b) Upon the occurrence and during the continuance of a (i) Bankruptcy Event or a Payment Event of Default, the principal of and, to the extent permitted by law, interest on, the Loans and any other amounts owing hereunder or under the other Credit Documents shall automatically bear interest at a rate per annum which is equal to the Default Rate and (ii) any other

Event of Default hereunder, at the option of the Required Lenders, the principal of and, to the extent permitted by law, interest on the Loans and any other amounts owing hereunder or under the other Credit Documents shall automatically bear interest, at a per annum rate which is equal to the Default Rate, in each case from the date of such Event of Default until such Event of Default is waived in accordance with Section 9.1. Any default interest owing under this Section 2.7(b) shall be due and payable on the earlier to occur of (x) demand by the Administrative Agent (which demand the Administrative Agent shall make if directed by the Required Lenders) and (y) the Revolving Maturity Date.

Section 2.8 Conversion Options.

(a) The Borrower may, in the case of Revolving Loans, elect from time to time to convert Alternate Base Rate Loans to LIBOR Rate Loans or to continue LIBOR Rate Loans, by delivering a Notice of Conversion/Extension to the Administrative Agent at least three Business Days prior to the proposed date of conversion or continuation. In addition, the Borrower may elect from time to time to convert all or any portion of a LIBOR Rate Loan to an Alternate Base Rate Loan by giving the Administrative Agent irrevocable written notice thereof by 11:00 A.M. one (1) Business Day prior to the proposed date of conversion. If the date upon which an Alternate Base Rate Loan is to be converted to a LIBOR Rate Loan is not a Business Day, then such conversion shall be made on the next succeeding Business Day and during the period from such last day of an Interest Period to such succeeding Business Day such Loan shall bear interest as if it were an Alternate Base Rate Loan. LIBOR Rate Loans may only be converted to Alternate Base Rate Loans on the last day of the applicable Interest Period. If the date upon which a LIBOR Rate Loan is to be converted to an Alternate Base Rate Loan is not a Business Day, then such conversion shall be made on the next succeeding Business Day and during the period from such last day of an Interest Period to such succeeding Business Day such Loan shall bear interest as if it were an Alternate Base Rate Loan. All or any part of outstanding Alternate Base Rate Loans may be converted as provided herein; provided that (i) no Loan may be converted into a LIBOR Rate Loan when any Default or Event of Default has occurred and is continuing and (ii) partial conversions shall be in an aggregate principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof. All or any part of outstanding LIBOR Rate Loans may be converted as provided herein; provided that partial conversions shall be in an aggregate principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof.

(b) Any LIBOR Rate Loans may be continued as such upon the expiration of an Interest Period with respect thereto by compliance by the Borrower with the notice provisions contained in Section 2.8(a); provided, that no LIBOR Rate Loan may be continued as such when any Default or Event of Default has occurred and is continuing, in which case such Loan shall be automatically converted to an Alternate Base Rate Loan at the end of the applicable Interest Period with respect thereto. If the Borrower fails to give timely notice of an election to continue a LIBOR Rate Loan, or the continuation of LIBOR Rate Loans is not permitted hereunder, such LIBOR Rate Loans shall be automatically converted to Alternate Base Rate Loans at the end of the applicable Interest Period with respect thereto.

Section 2.9 Computation of Interest and Fees; Usury.

(a) Interest payable hereunder with respect to any Alternate Base Rate Loan based on the Prime Rate shall be calculated on the basis of a year of 365 days (or 366 days, as applicable) for the actual days elapsed. All other fees, interest and all other amounts payable hereunder shall be calculated on the basis of a 360-day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the Lenders of each determination of a LIBOR Rate on the Business Day of the determination thereof. Any change in the interest rate on a Loan resulting from a change in the Alternate Base Rate shall become effective as of the opening of business on the day on which such change in the Alternate Base Rate becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the Lenders of the effective date and the amount of each such change.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the computations used by the Administrative Agent in determining any interest rate.

(c) It is the intent of the Lenders and the Credit Parties to conform to and contract in strict compliance with applicable usury law from time to time in effect. All agreements between the Lenders and the Credit Parties are hereby limited by the provisions of this subsection which shall override and control all such agreements, whether now existing or hereafter arising and whether written or oral. In no way, nor in any event or contingency (including, but not limited to, prepayment or acceleration of the maturity of any Obligation), shall the interest taken, reserved, contracted for, charged, or received under this Agreement, under the Notes or otherwise, exceed the maximum nonusurious amount permissible under applicable law. If, from any possible construction of any of the Credit Documents or any other document, interest would otherwise be payable in excess of the maximum nonusurious amount, any such construction shall be subject to the provisions of this paragraph and such interest shall be automatically reduced to the maximum nonusurious amount permitted under applicable law, without the necessity of execution of any amendment or new document. If any Lender ever receives anything of value which is characterized as interest on the Loans under applicable law and which would, apart from this provision, be in excess of the maximum nonusurious amount, an amount equal to the amount which would have been excessive interest shall, without penalty, be applied to the reduction of the principal amount owing on the Loans and not to the payment of interest, or refunded to the Borrower or the other payor thereof if and to the extent such amount which would have been excessive exceeds such unpaid principal amount of the Loans. The right to demand payment of the Loans or any other Indebtedness evidenced by any of the Credit Documents does not include the right to receive any interest which has not otherwise accrued on the date of such demand, and the Lenders do not intend to charge or receive any unearned interest in the event of such demand. All interest paid or agreed to be paid to the Lenders with respect to the Loans shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term (including any renewal or extension) of the Loans so that the amount of interest on account of such Indebtedness does not exceed the maximum nonusurious amount permitted by applicable law.

Section 2.10 Pro Rata Treatment and Payments.

(a) Allocation of Payments Prior to Exercise of Remedies. Each borrowing of Loans and any reduction of the Commitments shall be made pro rata according to the respective Revolving Commitment Percentages, of the Lenders. Unless otherwise required by the terms of this Agreement, each payment under this Agreement shall be applied, first, to any fees then due and owing by the Borrower pursuant toSection 2.4, second, to interest then due and owing hereunder by the Borrower and, third, to principal then due and owing hereunder and under this Agreement by the Borrower. Each payment on account of any fees pursuant to Section 2.4 shall be made pro rata in accordance with the respective amounts due and owing (except as to the Letter of Credit Facing Fees and the Issuing Lender Fees which shall be paid to the Issuing Lender). Each optional repayment and prepayment by the Borrower on account of principal of and interest on the Loans shall be applied to such Loans, as applicable, on a pro rata basis and, to the extent applicable, in accordance with the terms of Section 2.6(a). Each mandatory prepayment on account of principal of the Loans shall be applied to such Loans, as applicable, on a pro rata basis and, to the extent applicable, in accordance with Section 2.6(b). All payments (including prepayments) to be made by the Borrower on account of principal, interest and fees shall be made without defense, set-off or counterclaim and shall be made to the Administrative Agent for the account of the Lenders at the Administrative Agent's office specified on Section 9.2 in Dollars and in immediately available funds not later than 1:00 P.M. on the date when due. The Administrative Agent shall distribute such payments to the Lenders entitled thereto promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the LIBOR Rate Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a LIBOR Rate Loan becomes due and payable on a day other than a Business Day, such payment date shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day.

(b) Allocation of Payments After Exercise of Remedies. All proceeds realized from the liquidation or other Disposition of Collateral or otherwise received after maturity of the Revolving Loans, whether by acceleration or otherwise, shall be applied: (1) first, to payment or reimbursement of that portion of the Obligations constituting fees, expenses and indemnities payable to the Administrative Agent in its capacity as such; (2) second, pro rata to payment or reimbursement of that portion of the Obligations constituting fees, expenses and indemnities payable to the Revolving Lenders and each Issuing Lender and Swingline Lender; (3) third, pro rata to payment of accrued interest on the Revolving Loans and the Swingline Loans; (4) fourth, pro rata to payment of (A) principal outstanding on the Revolving Loans and the Swingline Loans, (B) Obligations referred to in clause (b) of the definition of the term "Obligations" owing to a Secured Hedging Agreement Counterparty, and (C) Obligations referred to in clause (c) of the definition of the term "Obligations" owing to a Treasury Management Counterparty; (5) fifth, to serve as Cash Collateral to be held by the Administrative Agent to secure the LOC Obligations; (6) sixth, all other Obligations and (7) seventh, any excess, after all of the Obligations shall have been indefeasibly paid in full in cash, shall be paid to the Borrower or as otherwise required by any Requirement of Law.

Section 2.11 Non-Receipt of Funds by the Administrative Agent.

(a) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent receives written notice from a Lender prior to the proposed date of any Extension of Credit that such Lender will not make available to the Administrative Agent such Lender's share of such Extension of Credit, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with this Agreement and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Extension of Credit available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (ii) in the case of a payment to be made by the Borrower, the interest rate applicable to Alternate Base Rate Loans. If the Borrower and such Lender pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Extension of Credit to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Extension of Credit. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(b) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent receives notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Lender hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Lender, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Lender, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the Issuing Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing undersubsections (a) and (b) of this Section shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Extension of Credit set forth in Article IV are not satisfied or waived in accordance with the terms thereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swingline Loans and to make payments pursuant to Section 9.5(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any such payment under Section 9.5(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.5(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

Section 2.12 Inability to Determine Interest Rate; Alternative Interest Rate Election Event

(a) Notwithstanding any other provision of this Agreement, if (i) the Administrative Agent reasonably determines (which determination shall be conclusive and binding absent manifest error) that, by reason of circumstances affecting the relevant market, reasonable and adequate means do not exist for ascertaining the LIBOR Rate for such Interest Period, or (ii) the Required Lenders reasonably determine (which determination shall be conclusive and binding absent manifest error) that the LIBOR Rate does not adequately and fairly reflect the cost to such Lenders of funding LIBOR Rate Loans that the Borrower has requested be outstanding as a LIBOR Tranche during such Interest Period, the Administrative Agent shall forthwith give telephone notice of such determination, confirmed in writing, to the Borrower, and the Lenders at least two (2) Business Days prior to the first day of such Interest Period. Unless the Borrower shall have notified the Administrative Agent upon receipt of such telephone notice that it wishes to rescind or modify its request regarding such LIBOR Rate Loans, any Loans that were requested to be made as LIBOR Rate Loans shall be made as Alternate Base Rate Loans and any Loans that were requested to be converted into or continued as LIBOR Rate Loans shall remain as or be converted into Alternate Base Rate Loans. Until any such notice has been withdrawn by the Administrative Agent, no further Loans shall be made as, continued as, or converted into, LIBOR Rate Loans for the Interest Periods so affected.

(b) Notwithstanding the other provisions of this Agreement, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower and Required Lenders notify the Administrative Agent in writing, that either (i) the circumstances set forth in clause (a) have arisen and such circumstances are unlikely to be temporary, (ii) syndicated or comparable loans are currently being executed and/or amended to include or adopt a new benchmark rate or rates (including, without limitation, credit or similar adjustments, in each case, to such rate or rates) or (iii) the circumstances set forth in clause (a) have not arisen but the supervisor for the administrator of LIBOR (or any component thereof) or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which LIBOR (or any component thereof) will no longer

be published for use in determining interest rates for loans (in the case of either such clause (i), (ii) or (iii), an "Alternative Interest Rate Election Event"), then reasonably promptly thereafter the Administrative Agent and Borrower may endeavor to establish an alternate rate of interest to LIBOR that gives due consideration to the then prevailing market convention for determining a rate of interest for leveraged syndicated loans in the United States at such time (which may include such credit adjustments or other adjustments, in each case, to such rate as are present in the market for leveraged syndicated loans in the United States at such time), and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (including, without limitation operational, term, conforming and other changes as may be reasonably determined by the Administrative Agent). Notwithstanding anything to the contrary in Section 9.1 or any other provision of this Agreement, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent has not received, within five (5) Business Days after the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that they object to such amendment (which amendment shall not be effective prior to the end of such five (5) Business Day notice period). To the extent an alternate rate of interest is adopted as contemplated hereby, the approved rate shall be applied in a manner consistent with prevailing market convention; provided that, to the extent such prevailing market convention is not administratively feasible for the Administrative Agent, such approved rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent and the Borrower. From such time as an Alternative Interest Rate Election Event has occurred and continuing until an alternate rate of interest has been determined in accordance with the terms and conditions of this paragraph, (A) any Notice of Borrowing that requests the conversion of any Loan to, or continuation of any Loan as, a LIBOR Rate Loan shall be ineffective, and (B) if any Notice of Borrowing requests a LIBOR Rate Loan, such Loan shall be made as an Alternate Base Rate Loan; provided that, to the extent such Alternative Interest Rate Election Event is as a result of clause (ii) above, then clauses (A) and (B) of this sentence shall apply during such period only if LIBOR for such Interest Period is not available or published at such time on a current basis. Notwithstanding anything contained herein to the contrary, if such alternate rate of interest as determined in this paragraph is determined to be less than 0 % per annum, such rate shall be deemed to be 0% percent per annum for the purposes of this Agreement.

Section 2.13 Yield Protection.

(a) Increased Costs Generally. If any Change in Law:

(i) imposes, modifies or deems applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the LIBOR Rate) or the Issuing Lender;

(ii) subjects any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) imposes on any Lender or the Issuing Lender or the London interbank market any other condition, cost or expense (in each case, other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing is to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, such Issuing Lender or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender, Issuing Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, Issuing Lender or other Recipient, the Borrower will pay to such Lender, Issuing Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, Issuing Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or the Issuing Lender determines that any Change in Law affecting such Lender or the Issuing Lender or any lending office of such Lender or such Lender's or the Issuing Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuing Lender's capital or on the capital of such Lender's or the Issuing Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by the Issuing Lender, to a level below that which such Lender or the Issuing Lender or such Lender's or the Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Lender's policies and the policies of such Lender's or the Issuing Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or the Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Lender or such Lender's or the Issuing Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the Issuing Lender setting forth the amount or amounts necessary to compensate such Lender or the Issuing Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or the Issuing Lender, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the Issuing Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or the Issuing Lender pursuant to this Section for any increased costs incurred or reductions suffered more than 180 days prior to the date such Lender or Issuing Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or Issuing Lender's intention to claim compensation therefore (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.14 Compensation for Losses.

(a) Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly, but in any event, within ten (10) Business Days, compensate such Lender for and hold such Lender harmless from any loss, cost or expense (in each case, other than Taxes) incurred by it as a result of:

(i) any continuation, conversion, payment or prepayment of any Loan other than an Alternate Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(ii) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than an Alternate Base Rate Loan on the date or in the amount notified by the Borrower; or

(iii) any assignment of a LIBOR Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 2.17;

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section, each Lender shall be deemed to have funded each LIBOR Rate Loan made by it at the LIBOR Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such LIBOR Rate Loan was in fact so funded. With respect to Section 2.12, Section 2.14 and Section 2.16, each Lender shall treat the Borrower in the same manner as such Lender treats other similarly situated borrowers.

Section 2.15 Taxes.

(a) Issuing Lender. For purposes of this Section 2.15, the term "Lender" includes any Issuing Lender.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Credit Party under any Credit Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable

Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrower. The Credit Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. The Credit Parties shall jointly and severally indemnify each Recipient, within thirty (30) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within thirty (30) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.6(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Credit Party to a Governmental Authority pursuant to this Section 2.15, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.15(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed copies of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit 2.15(a) to the effect that (A) such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(iv) to the extent a Foreign Lender is not the beneficial owner executed copies of IRS FormW-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.15(b) or Exhibit 2.15(c), IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.15(d) on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.15 (including by the payment of additional amounts pursuant to this Section 2.15), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 2.15 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

Section 2.16 Illegality. Notwithstanding any other provision of this Agreement, if any Change in Law makes it unlawful for such Lender or its LIBOR Lending Office to make or maintain LIBOR Rate Loans as contemplated by this Agreement or to obtain in the interbank eurodollar market through its LIBOR Lending Office the funds with which to make such Loans, (a) such Lender shall promptly notify the Administrative Agent and the Borrower thereof, (b) the commitment of such Lender hereunder to make LIBOR Rate Loans or continue LIBOR Rate Loans as such shall forthwith be suspended until the Administrative Agent gives notice that the condition or situation which gave rise to the suspension no longer exists, and (c) such Lender's Loans then outstanding as LIBOR Rate Loans, if any, shall be converted on the last day of the Interest Period for such Loans or within such earlier period as required by law as Alternate Base Rate Loans. The Borrower hereby agrees to promptly pay any Lender, upon its demand, any additional amounts necessary to compensate such Lender for actual and direct costs (but not including anticipated

profits) reasonably incurred by such Lender in making any repayment in accordance with this Section including, but not limited to, any interest or fees payable by such Lender to lenders of funds obtained by it in order to make or maintain its LIBOR Rate Loans hereunder. A certificate (which certificate shall include a description of the basis for the computation) as to any additional amounts payable pursuant to this Section submitted by such Lender, through the Administrative Agent, to the Borrower shall be conclusive in the absence of manifest error. Each Lender agrees to use reasonable efforts (including reasonable efforts to change its LIBOR Lending Office) to avoid or to minimize any amounts which may otherwise be payable pursuant to this Section; provided, however, that such efforts shall not cause the imposition on such Lender of any additional costs or legal or regulatory burdens deemed by such Lender in its sole discretion to be material.

Section 2.17 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.13, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, or cannot make or maintain LIBOR Rate Loans pursuant to Section 2.16, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.13, Section 2.15 or Section 2.16, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 2.14, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, or if any Lender cannot make or maintain LIBOR Rate Loans pursuant to Section 2.18, or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.6), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.13, Section 2.15 or Section 2.16) and obligations under this Agreement and the related Credit Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified inSection 9.6(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 2.14) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.13 or payments required to be made pursuant to Section 2.15 or Section 2.16, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable law; and

(v) in the case of any assignment resulting from a Lender becoming a Non- Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 2.18 Cash Collateral.

(a) Cash Collateral. At any time that there exists a Defaulting Lender, or if, as of the Letter of Credit Expiration Date, any LOC Obligations for any reason remain outstanding, in each case, within one (1) Business Day following the written request of the Administrative Agent, the Issuing Lender (with a copy to the Administrative Agent) or any Swingline Lender (with a copy to the Administrative Agent), the Borrower shall Cash Collateralize (i) all Fronting Exposure of the Issuing Lender and the Swingline Lender with respect to such Defaulting Lender (determined after giving effect to Section 2.19 and any Cash Collateral provided by the Defaulting Lender) and (ii) if the Letter of Credit Expiration Date has occurred, all LOC Obligations then outstanding.

(b) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Administrative Agent, the Issuing Lenders and the Lenders (including the Swingline Lender), and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligations to which such Cash Collateral may be applied pursuant to clause (c) below. If at any time the Administrative Agent, Issuing Lender or Swingline Lender determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided, or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure, the Borrower will, promptly upon demand by the Administrative Agent, Issuing Lender or Swingline Lender pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section or Section 2.19 in respect of Letters of Credit or Swingline Loans, shall be held and applied to the satisfaction of the specific LOC Obligations, Swingline Loans, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may be provided for herein.

(d) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall no longer be required to be held as Cash Collateral pursuant to this Section 2.18 following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent, each Issuing Lender and each Swingline Lender that there exists excess Cash Collateral; provided that, subject to Section 2.19, the Person providing Cash Collateral and each Issuing Lender and Swingline Lender may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations.

Section 2.19 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders and Section 9.1.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.7 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first,* to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second,* to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Lender or Swingline Lender hereunder; *third,* to Cash Collateralize the Issuing Lender's or Swingline Lender's Fronting Exposure in accordance withSection 2.18; *fourth,* as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth,* if so determined by the Administrative Agent and the Borrower, to be held in a non- interest bearing deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Lender's and the Swingline Lender's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement in accordance with Section 2.18; *sixth,* to the payment of any amounts owing to the Lenders, the Issuing Lenders or Swingline Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Lenders or

Swingline Lenders against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh,* so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth,* to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (A) such payment is a payment of the principal amount of any Loans or LOC Obligations in respect of which such Defaulting Lender has not fully funded its appropriate share and (B) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LOC Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LOC Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in LOC Obligations and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments under the applicable facility without giving effect to Section 2.19(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.19(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) Commitment Fees. No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Letter of Credit Fees. Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant Section 2.18.

(C) Reallocation of Fees. With respect to any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in LOC Obligations or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Lender and Swingline Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Lender's or Swingline Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such Letter of Credit Fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in LOC Obligations and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (calculated without regard to such Defaulting Lender's Revolving Commitment) but only to the extent that (x) the conditions set forth in Section 4.2 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time) and (y) such reallocation does not cause the aggregate Committed Funded Exposure of any Non- Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral, Repayment of Swingline Loans. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, (x) *first,* prepay Swingline Loans in an amount equal to the Swingline Lender's Fronting Exposure and (y) *second,* Cash Collateralize the Issuing Lender's Fronting Exposure in accordance with the procedures set forth in Section 2.18.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and each Swingline Lender and Issuing Lender, in their sole discretion, agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.19(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Swingline Loans/Letters of Credit. So long as any Lender is a Defaulting Lender, (i) the Swingline Lender shall not be required to fund any Swingline Loans unless it is satisfied that it will have no Fronting Exposure after giving effect to such Swingline Loan and (ii) no Issuing Lender shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

Section 2.20 Incremental Revolving Facility.

(a) Request for Increase. Provided no Default or Event of Default has occurred and is continuing, upon notice to the Administrative Agent (which shall promptly notify the Lenders), the Borrower shall have the right at any time after the Closing Date to effectuate on one or more occasions, but limited to four in the aggregate, an increase in the Revolving Committed Amount (and the aggregate Revolving Commitments of the Lenders) by sending a notice to the Administrative Agent requesting such increase and increasing the Revolving Commitment of a Lender or by causing a Person that at such time is not a Lender to become a Lender (without the consent of any other Lender); provided that (i) any such request for an increase shall be in a minimum amount of $25,000,000, and the aggregate amount of all such increases shall not exceed $200,000,000, (ii) after giving effect to such increase in the Revolving Commitments, the Revolving Committed Amount does not exceed $500,000,000, and (iii) no Lender's Revolving Commitment shall be increased without such Lender's prior written consent. No Lender shall have any obligation to agree to such increase and no Lender shall have any right of first refusal (or similar right) to provide such increase in the Revolving Commitments.

(b) Lender Elections to Increase. Any increase in the Revolving Commitments of an existing Lender shall be pursuant to an increase agreement in form and substance satisfactory to the Administrative Agent and its counsel.

(c) Additional Lenders. The Borrower may also invite additional Eligible Assignees (subject to any required approvals that would be applicable under Section 9.6(b)(iii)) to become Lenders pursuant to a joinder agreement in form and substance satisfactory to the Administrative Agent and its counsel.

(d) Effective Date and Allocations. If the Revolving Committed Amount is increased in accordance with this Section, the Administrative Agent and the Borrower shall determine the effective date (the "Increase Effective Date") and the final allocation of such increase. The Administrative Agent shall promptly notify the Borrower and the Lenders of the final allocation of such increase and the Increase Effective Date.

(e) Conditions to Effectiveness of Increase. As a condition precedent to such increase, the Borrower shall deliver to the Administrative Agent a certificate of each Credit Party dated as of the Increase Effective Date (in sufficient copies for each Lender) signed by a Responsible Officer of such Credit Party (i) certifying and attaching the resolutions adopted by such Credit Party approving or consenting to such increase, and (ii) in the case of the Borrower, certifying that, before and after giving effect to such increase, (A) the representations and warranties contained in Article III and the other Credit Documents are true and correct in all material respects on and as of the Increase Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct in all material respects as of such earlier date, and (B) no Default or Event of Default has occurred and is continuing. Any increase pursuant to this Section 2.20 shall be subject to the following additional conditions:

(i) as of such date, giving effect to amounts drawn or to be drawn pursuant to this Agreement (as increased pursuant to this Section 2.20) as of such date and the anticipated use of the proceeds thereof, the Borrower shall be in *pro forma* compliance (including any *pro forma* Consolidated EBITDA of any planned acquisition to be funded with such increase) with the financial covenants contained in Section 5.9 as of the last day of the most recent fiscal quarter of the Borrower for which financial statements have been delivered pursuant to Section 5.1(a) or (b);

(ii) the Borrower shall have delivered a certificate of a Responsible Officer of each Credit Party certifying as to attached resolutions or written consents approving or consenting to such increase in the Revolving Commitments; and

(iii) to the extent reasonably requested by the Administrative Agent, the Borrower shall have delivered customary legal opinions and other documents, which shall in no event be more extensive than those requirements set forth in Section 4.1.

(f) Unless otherwise consented to by the Administrative Agent and the Lenders, the Borrower shall prepay any Revolving Loans outstanding on the Increase Effective Date (and pay any additional amounts required pursuant to Section 2.14) to the extent necessary to keep the outstanding Revolving Loans ratable with any revised Applicable Percentages arising from any nonratable increase in the Revolving Commitments under this Section.

(g) Amendments. The Administrative Agent is authorized to enter into, on behalf of the Lenders, the Issuing Lender and the Swingline Lender any amendment to this Agreement or any other Credit Document as may be necessary to incorporate the terms of any such increase in the Revolving Commitments under this Section.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

To induce the Lenders to enter into this Agreement and to make the Extensions of Credit herein provided for, the Credit Parties (to the extent applicable to each such Credit Party) hereby represent and warrant to the Administrative Agent and to each Lender that:

Section 3.1 Financial Statements.

(a) The Borrower has furnished to the Administrative Agent and the Lenders complete and correct copies of: (i) the audited consolidated balance sheets of the Borrower and its consolidated Subsidiaries for the fiscal year ended December 31, 2016, December 31, 2017 and December 31, 2018 and the related audited consolidated statements of income, shareholders' equity, and cash flows of the Borrower and its consolidated Subsidiaries for such fiscal years, accompanied by the report thereon of Grant Thornton LLP or other nationally recognized accounting firm reasonably acceptable to the Administrative Agent; (ii) the interim unaudited consolidated balance sheet, and the related statements of income and of cash flows, of the Borrower and its Subsidiaries for each quarterly period ended since December 31, 2018, for which financial statements are available; (iii) the pro forma balance sheet and income statement of the

Borrower and its Subsidiaries for the four-quarter period most recently ended prior to the Closing Date for which financial statements are available giving pro forma effect to the Transactions as if the Transactions occurred at the beginning of such period; and (iv) the pro forma balance sheet of the Borrower and its Subsidiaries as of the Closing Date giving pro forma effect to the Transactions as if the Transactions had occurred as of such date. All such financial statements have been prepared in accordance with GAAP, consistently applied (except as stated therein). The financial statements referred to in clauses (i) and (ii) fairly present in all material respects the financial position of the Borrower and its Subsidiaries as of the respective dates indicated and the consolidated results of their operations and cash flows for the respective periods indicated, subject in the case of any such financial statements that are unaudited, to normal audit adjustments. The financial statements referred to in clauses (iii) and (iv) fairly present in all material respects the financial position of the Borrower and its Subsidiaries, it being acknowledged and agreed by the Lenders that such financial statements were prepared on the basis of assumptions, data, information, tests, or conditions believed to be reasonable at the time such financial statements were prepared. The Borrower and its Subsidiaries did not have, as of the date of the latest financial statements referred to above, and will not have as of the Closing Date after giving effect to the incurrence of Loans hereunder and the consummation of the other Transactions, any material or significant contingent liability or liability for taxes, long-term lease or unusual forward or long-term commitment that is not reflected in the foregoing financial statements or the notes thereto in accordance with GAAP.

(b) The financial projections of the Borrower and its Subsidiaries (which shall be annually for the term of the Revolving Facility) delivered to the Administrative Agent and the Lenders prior to the Closing Date (collectively, the "Financial Projections") were prepared on behalf of the Borrower in good faith after taking into account historical levels of business activity of the Borrower and its Subsidiaries, known trends, including general economic trends, and all other information, assumptions and estimates considered by management of the Borrower and its Subsidiaries to be pertinent thereto; provided, however, that no representation or warranty is made as to the impact of future general economic conditions or as to whether the projected consolidated results as set forth in the Financial Projections will actually be realized, it being recognized by the Lenders that such projections as to future events are not to be viewed as facts and that actual results for the periods covered by the Financial Projections may differ materially from the Financial Projections. No facts are known to the Borrower as of the Closing Date which, if reflected in the Financial Projections, would result in a Material Adverse Effect. The Financial Projections shall not be inconsistent with any information provided to the Lenders in connection with the Revolving Facility.

Section 3.2 No Material Adverse Effect. Since December 31, 2018, there has been no development or event which has had or could reasonably be expected to have a Material Adverse Effect.

Section 3.3 Corporate Existence; Compliance with Law; Patriot Act Information. Each of the Credit Parties (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation, organization or formation, (b) has the requisite power and authority and the legal right to own and operate all its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged and has taken all actions necessary to maintain all rights, privileges, licenses and franchises necessary or required in the

normal conduct of its business except those rights, privileges, licenses and franchises, the lack of which could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (c) is duly qualified to conduct business and in good standing under the laws of (i) the jurisdiction of its organization or formation, (ii) the jurisdiction where its chief executive office is located and (iii) each other jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification except to the extent that the failure to so qualify or be in good standing in any such other jurisdiction could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect and (d) is in compliance with all Requirements of Law, except to the extent such non-compliance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Set forth on Schedule 3.3 as of the Closing Date is the following information for each Credit Party: the exact legal name and any former legal names of such Credit Party in the four (4) months prior to the Closing Date, the state of incorporation or organization, the type of organization, the jurisdictions in which such Credit Party is qualified to do business, the chief executive office, the principal place of business, the organization identification number and the federal tax identification number.

Section 3.4 Corporate Power; Authorization; Enforceable Obligations. The Transactions are within each Credit Party's corporate, limited liability company, or partnership powers and have been duly authorized by all necessary corporate, limited liability company, or partnership action and, if required, equity owner action (including, without limitation, any action required to be taken by any class of directors of the Borrower or any other Person, whether interested or disinterested, in order to ensure the due authorization of the Transactions). Each Credit Document to which it is a party has been duly executed and delivered on behalf of each Credit Party. Each Credit Document to which it is a party constitutes a legal, valid and binding obligation of each Credit Party, enforceable against such Credit Party in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, by the unenforceability under certain circumstances under law or court decisions of provisions providing for the indemnification or contribution to a party with respect to liability when such indemnification or contribution is contrary to public policy and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

Section 3.5 Approvals; No Conflicts; No Default. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority or any other third Person (including shareholders or any class of directors, whether interested or disinterested, of any Credit Party or any other Person), nor is any such consent, approval, registration, filing or other action necessary for the validity or enforceability of any Credit Document or the consummation of the transactions contemplated thereby, except such as have been obtained or made and are in full force and effect other than (i) the recording and filing of the Security Documents as required by this Agreement and (ii) those third party approvals or consents which, if not made or obtained, would not cause a Default hereunder, could not reasonably be expected to have a Material Adverse Effect or do not have an adverse effect on the enforceability of the Credit Documents, (b) will not violate any Requirement of Law applicable to the Borrower or any other Credit Party, or any order of any Governmental Authority, (c) will not violate or result in a default under any indenture or other agreement regarding Indebtedness of the Borrower or any other Credit Party or give rise to a right thereunder to require any payment to be made by the Borrower or such Credit Party, (d) will not violate or result in a default under any

Material Contract, or give rise to a right thereunder to require any payment to be made by the Borrower or such Credit Party, and (e) will not result in the creation or imposition of any Lien on any property of the Borrower or any other Credit Party (other than the Liens created by (i) the Credit Documents and (ii) the PNC Term Loan Documents, to the extent permitted pursuant to Section 6.2(r)). No Default or Event of Default has occurred and is continuing.

Section 3.6 No Material Litigation. No litigation, investigation, claim, criminal prosecution, civil investigative demand, imposition of criminal or civil fines and penalties, or any other proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Credit Parties, without a duty to investigate, threatened in writing by or against any Credit Party or any of its Subsidiaries or against any of its or their respective properties or revenues (a) with respect to the Credit Documents or any Extension of Credit or any of the Transactions, or (b) which could reasonably be expected to have a Material Adverse Effect. No permanent injunction, temporary restraining order or similar decree has been issued against any Credit Party or any of its Subsidiaries which could reasonably be expected to have a Material Adverse Effect.

The Credit Parties and their Subsidiaries (a) are not engaged, principally or as one of their important activities, in the business of extending credit for the purpose of "purchasing" or "carrying" "margin stock" within the respective meanings of each of such terms under Regulation U and (b) taken as a group do not own "margin stock" except as identified in the financial statements referred to in Section 3.1 or delivered pursuant to Section 5.1 and the aggregate value of all "margin stock" owned by the Credit Parties and their Subsidiaries taken as a group does not exceed 25% of the value of their assets.

No termination of a Single Employer Plan has occurred resulting in any liability that has remained underfunded, and no Lien on the assets of the Borrower or any Commonly Controlled Entity in favor of the PBGC or a Plan has arisen, during such five-year period. The present value of all accrued benefits under each Single Employer Plan (based on those assumptions used to fund such Plans) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to such accrued benefits by an amount that could reasonably be excepted to have a Material Adverse Effect. None of the Credit Parties or any of their respective Subsidiaries is currently subject to any liability for a complete or partial withdrawal from a Multiemployer Plan. Except as set forth on Schedule 3.9, no Commonly Controlled Entity (other than the Borrower and its Subsidiaries) is currently subject to any liability for a complete or partial withdrawal from a Multiemployer Plan.

(a) The Credit Parties and their respective Subsidiaries conduct in the ordinary course of business a review of the effect of Environmental Laws and claims alleging potential liability or responsibility under any Environmental Law or for violation of any Environmental Law on their respective businesses, operations and properties, and as a result thereof the Credit Parties have reasonably concluded that such Environmental Laws (including any costs to comply with Environmental Laws) and claims could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Except for notices or listings of any release, discharge, or disposal of any Materials of Environmental Concern, any storage tanks, impoundments, septic tanks, pits, sumps, lagoons, contamination, or asbestos as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, none of the Credit Parties and their respective Subsidiaries have received from any Person, including but not limited to any Governmental Authority, any written notice of liability or potential liability under any Environmental Law; none of the properties currently owned or operated by any Credit Party or any of its Subsidiaries is listed or proposed for listing on the NPL or on the CERCLIS or any analogous foreign, state or local list or, to the knowledge of the Credit Parties and their Subsidiaries, is adjacent to any such property and neither any Credit Party nor any of its Subsidiaries has received any written notice that any property formerly owned or operated by any Credit Party or any of its Subsidiaries is listed on the NPL or on the CERCLIS or any analogous foreign, state or local list or is adjacent to any such property; there are no and, to knowledge of the Credit Parties and their Subsidiaries, never have been any surface impoundments, septic tanks, pits, sumps or lagoons in which Materials of Environmental Concern are being or have been treated, stored or disposed on any property currently owned or operated by any Credit Party or any of its Subsidiaries or, to the best of the knowledge of the Borrower, on any property formerly owned or operated by the Borrower or any of its Subsidiaries; during the period of ownership or operation of any property by any Credit Party or any of its Subsidiaries, no contamination has been found in any well located on property currently owned or operated by any Credit Party or any of its Subsidiaries; there is no asbestos or asbestos-containing material on any property currently owned or operated by the Borrower or any of its Subsidiaries; and Materials of Environmental Concern have not been released, discharged or disposed of on, under, at, or migrating to or from any property currently or, to the knowledge of the Credit Parties or their Subsidiaries, formerly owned or operated by any Credit Party or any of its Subsidiaries.

Section 3.13 Ownership. Each of the Credit Parties and its Subsidiaries is the owner of, and has record title to or a valid leasehold interest in, all of its real property and good title or a valid license to use all of its other assets except for defects that do not materially interfere with the ordinary conduct of its business. Such real property and other assets constitute all assets in the aggregate material to the conduct of the business of the Credit Parties and their Subsidiaries, and (after giving effect to the Transactions) none of such assets is subject to any Lien other than Permitted Liens. The Borrower and each other Credit Party owns, or is licensed to use, all trademarks, tradenames, copyrights, patents and other intellectual property material to its business, and the use thereof by the Borrower and such Credit Party does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

The Credit Parties are solvent on a consolidated basis and are able to pay their debts and other liabilities, contingent obligations and other commitments as they mature in the normal course of business, and the fair saleable value of the Credit Parties' assets, measured on a going concern basis, exceeds all probable liabilities, including those to be incurred pursuant to this Agreement. The Credit Parties do not have, on a consolidated basis, unreasonably small capital in relation to the business in which they are or propose to be engaged. The Credit Parties have not incurred, on a consolidated basis, and the Credit Parties do not believe that they will incur debts beyond their ability to pay such debts as they become due. In executing the Credit Documents and consummating the Transactions, none of the Credit Parties intends to hinder, delay or defraud either present or future creditors or other Persons to which one or more of the Credit Parties is or will become indebted. None of the Material Contracts prohibits or in any way restricts the Transactions. Each of the Material Contracts is currently in the name of, or has been assigned to, a Credit Party (with the consent or acceptance of each other party thereto if and to the extent that such consent or acceptance is required thereunder), and, except as a result of anti-assignment provisions that are not rendered unenforceable by applicable laws (as described on Schedule 3.19), a security interest in each of the Material Contracts may be granted to the Administrative Agent. The Borrower and the other Credit Parties have delivered to the Administrative Agent a complete and current copy of each Material Contract existing on the Closing Date.

Section 3.20 Brokers' Fees. No unfair labor practice complaint is pending against any Credit Party or any of its Subsidiaries. There are no strikes, walkouts, work stoppages or other material labor difficulty pending or threatened against any Credit Party.

Section 3.22 Accuracy and Completeness of Information. None of the written factual information heretofore (other than any projections, any third-party data and any information of a general economic or industry-specific nature) or contemporaneously furnished by or on behalf of any Credit Party or any of its Subsidiaries to the Administrative Agent, the Arrangers, any Issuing Lender or any Lender for purposes of or in connection with this Agreement or any other Credit Document, or any Transaction (in each case as modified or supplemented by other information so furnished), contains a material misstatement of a fact or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading in any material respect. As of the Closing Date, the information included in the Beneficial Ownership Certification is true and correct in all respects.

Section 3.23 Common Enterprise. The successful operation and condition of each of the Credit Parties is dependent on the continued successful performance of the functions of the Credit Parties as a whole and the successful operation of each of the Credit Parties is dependent on the successful performance and operation of each other Credit Party. Each Credit Party expects to derive benefit (and its board of directors or other governing body has determined that it may reasonably be expected to derive benefit), directly and indirectly, from (i) the successful operations of each of the other Credit Parties and (ii) the credit extended by the Lenders to the Borrower

hereunder, both in their separate capacities and as members of the group of companies. Each Credit Party has determined that execution, delivery, and performance of this Agreement and any other Credit Documents to be executed by such Credit Party is within its purpose, will be of direct and indirect benefit to such Credit Party, and is in its best interest.

Section 3.24 Insurance. The properties of the Credit Parties and their Subsidiaries are insured with companies having an A.M. Best Rating of at least A- and are not Affiliates of the Credit Parties, in such amounts, with such deductibles and covering such risks as are customarily carried by companies engaged in similar businesses and owning similar properties in localities where any Credit Party or the applicable Subsidiary operates. Such insurance coverage complies with the requirements set forth in Section 5.5(b).

Section 3.25 Security Documents. The provisions of the Security Documents are effective to create in favor of the applicable Secured Parties described therein a legal, valid and enforceable first priority Lien (subject to Permitted Liens) on all right, title and interest of the respective Credit Parties in the Collateral described therein. Except for filings completed prior to the Closing Date or as contemplated hereby and by the Security Documents, no filing or other action will be necessary to perfect or protect such Liens required to be perfected hereby or thereby.

Section 3.26 Classification of Senior Indebtedness. The Obligations constitute "Senior Indebtedness," "Designated Senior Indebtedness" or any similar designation under and as defined in any agreement governing any Subordinated Debt and the subordination provisions set forth in each such agreement are legally valid and enforceable against the parties thereto, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally, by the unenforceability under certain circumstances under law or court decisions of provisions providing for the indemnification or contribution to a party with respect to liability when such indemnification or contribution is contrary to public policy and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

The Credit Parties, each of their Subsidiaries and each of their Affiliates are in compliance with all laws related to terrorism or money laundering, including (a) all applicable requirements of the Currency and Foreign

ARTICLE VIII

THE ADMINISTRATIVE AGENT

Section 8.1 Appointment and Authority. Each of the Lenders and the Issuing Lender hereby irrevocably appoints Capital One to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Lender, and neither the Borrower nor any other Credit Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

Section 8.2 Nature of Duties. Anything herein to the contrary notwithstanding, none of the bookrunners, Arrangers or other agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender, the Swingline Lender or the Issuing Lender hereunder. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any subagents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 8.3 Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents, and its obligations hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Credit Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 9.1 and Section 7.2) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent in writing by the Borrower, a Lender or an Issuing Lender.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 8.4 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the Issuing Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender or the Issuing Lender unless the Administrative Agent shall have received notice to the contrary from such Lender or the Issuing Lender prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 8.5 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided, however, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement expressly requires that such action be taken, or not taken, only with the consent or upon the authorization of the Required Lenders, or all of the Lenders, as the case may be.

Section 8.6 Non-Reliance on Administrative Agent and Other Lenders. Each Lender and the Issuing Lender expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representation or warranty to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of any Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender. Each Lender and the Issuing Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and the Issuing Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Credit Document or any related agreement or any document furnished hereunder or thereunder.

Section 8.7 Indemnification. The Lenders severally agree to indemnify the Administrative Agent, the Issuing Lender, and the Swingline Lender in its capacity hereunder and their Affiliates and their respective officers, directors, agents and employees (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective Revolving Commitment Percentages, in effect on the date on which indemnification is sought under this Section, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the payment of the Obligations) be imposed on, incurred by, or asserted against any such indemnitee in any way relating to or arising out of any Credit Document or any documents contemplated by or referred to herein or therein or the Transactions or any action taken or omitted by any such indemnitee under or in connection with any of the foregoing; provided, however, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent resulting from such indemnitee's gross negligence, bad faith or willful misconduct, as determined by a court of competent jurisdiction. The agreements in this Section shall survive the termination of this Agreement and payment of the Notes, any Reimbursement Obligation and all other amounts payable hereunder.

Section 8.8 Administrative Agent in Its Individual Capacity. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Credit Parties or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 8.9 Resignation of Administrative Agent. The Administrative Agent may at any time give notice of its resignation to the Lenders, the Issuing Lender and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders and the Issuing Lender, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall nonetheless become effective in accordance with such notice on the Resignation Effective Date.

(a) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, in consultation with the Borrower, appoint a successor. If no such successor has been so appointed by the Required Lenders and has accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(b) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any Collateral held by the Administrative Agent on behalf of the Lenders or the Issuing Lender under any of the Credit Documents, the retiring Administrative Agent shall continue to hold such Collateral until such time as a successor Administrative Agent is appointed) and (ii) except for any indemnity payments owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the Issuing Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring or removed Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Article and Section 9.5 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

(c) Any resignation by or removal of Capital One, as Administrative Agent pursuant to this Section shall also constitute its resignation or removal of as Issuing Lender and Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers,

privileges and duties of the retiring or removed Issuing Lender and Swingline Lender, (ii) the retiring or removed Issuing Lender and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (iii) the successor Issuing Lender shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring or removed Issuing Lender to effectively assume the obligations of the retiring or removed Issuing Lender with respect to such Letters of Credit.

Section 8.10 Collateral and Guaranty Matters.

(a) The Lenders irrevocably authorize and direct the Administrative Agent:

(i) to release any Lien on any Collateral granted to or held by the Administrative Agent under any Credit Document (A) upon termination of the Commitments and payment in full in cash of all Obligations (other than contingent indemnification obligations for which no claim has been made or cannot be reasonably identified by an Indemnitee based on the then-known facts and circumstances) and the expiration or termination of all Letters of Credit, (B) that is transferred or to be transferred as part of or in connection with any sale or other disposition permitted under Section 6.4, or (C) subject to Section 9.1, if approved, authorized or ratified in writing by the Required Lenders;

(ii) to subordinate any Lien on any Collateral granted to or held by the Administrative Agent under any Credit Document to the holder of any Lien on such Collateral that is permitted by Section 6.2; and

(iii) to release any Guarantor from its obligations under the applicable Guaranty if such Person ceases to be a Guarantor as a result of a transaction permitted hereunder.

(b) In connection with a termination or release pursuant to this Section, the Administrative Agent shall promptly execute and deliver to the applicable Credit Party, at the Borrower's expense, all documents that the applicable Credit Party reasonably requests to evidence such termination or release. Upon request by the Administrative Agent at any time, the Required Lenders shall confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of Collateral, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section.

Section 8.11 [Reserved.]

Section 8.12 Agency for Perfection. The Administrative Agent and each Lender hereby appoints the Administrative Agent and each other Lender as agent and bailee for the purpose of perfecting the security interests in and Liens upon the Collateral in assets that, in accordance with Article 9 of the UCC, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and the Administrative Agent and each Lender hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Administrative Agent and the Lenders as secured party. Should any Lender obtain possession or control of any such

Collateral, such Lender shall notify the Administrative Agent thereof, and, promptly upon the Administrative Agent's request therefor shall deliver such Collateral to the Administrative Agent or in accordance with the Administrative Agent's instructions. Without limiting the generality of the foregoing, each Lender hereby appoints the Administrative Agent for the purpose of perfecting the Administrative Agent's Liens on all deposit accounts and securities accounts of any Credit Party. Each Credit Party by its execution and delivery of this Agreement hereby consents to the foregoing.

Section 8.13 Proof of Claim. The Lenders and the Credit Parties hereby agree that in case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Borrower or any of the Guarantors, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent has made any demand on the Borrower or any of the Guarantors) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of principal and interest owing and unpaid in respect of the Loans and any other Obligations that are owing and unpaid and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their agents and counsel and all other amounts due the Lenders and the Administrative Agent hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent consents to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent and other agents hereunder. Nothing herein contained shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lenders or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding. Further, nothing contained in this Section shall affect or preclude the ability of any Lender to (i) file and prove such a claim in the event that the Administrative Agent has not acted within ten (10) days prior to any applicable bar date and (ii) require an amendment of the proof of claim to accurately reflect such Lender's outstanding Obligations.

Section 8.14 Treasury Management Agreements and Secured Hedging Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Security Document, no Treasury Management Counterparty or Secured Hedging Agreement Counterparty that obtains the benefits of Section 2.10(b), any Guaranty, or any Security Document by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action

or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Article VIII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Treasury Management Agreements or Secured Hedging Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Treasury Management Counterparty or Secured Hedging Agreement Counterparty, as the case may be.

(ii) no change, waiver or other modification or termination shall:

(A) release the Borrower from any of its obligations hereunder without the written consent of each Lender;

(B) release the Borrower or any other Credit Party from obligations under Article X without the written consent of each Lender affected thereby, *except,* in the case of a Guarantor, in accordance with a transaction permitted under this Agreement,;

(C) release all or substantially all of the Collateral without the written consent of each Lender, *except* in connection with a transaction permitted under this Agreement;

(D) amend, modify or waive any provision of this Section 9.1, Section 2.10 or any other provision of any of the Credit Documents pursuant to which the consent or approval of all Lenders, or a number or specified percentage or other required grouping of Lenders or Lenders having Commitments, is by the terms of such provision explicitly required without the written consent of each Lender affected thereby;

(E) reduce the percentage specified in, or otherwise modify, the definition of Required Lenders without the written consent of each Lender;

(F) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement without the written consent of each Lender; or

(G) amend, modify or waive any provision of Section 2.6(b)(ii), Section 2.10(b) or Section 9.7(b) without the written consent of each Lender affected thereby.

Notwithstanding the foregoing, any amendment, change, waiver or other modification to the Capital One Engagement Letter shall only require the written agreement of the parties thereto. The Administrative Agent and the Borrower may, without the consent of any Lender, enter into amendments or modifications to this Agreement or any of the other Credit Documents or to enter into additional Credit Documents as the Administrative Agent reasonably deems appropriate to effectuate the terms of Section 2.12(b) in accordance with the terms of Section 2.12(b).

Any waiver or consent with respect to this Agreement given or made in accordance with this Section shall be effective only in the specific instance and for the specific purpose for which it was given or made.

(b) No provision of Section 2.2 or any other provision in this Agreement specifically relating to Letters of Credit or the rights and duties of any Issuing Lender may be amended without the consent of any Issuing Lender adversely affected thereby.

(c) No provision of Article VIII may be amended without the consent of the Administrative Agent and no provision of Section 2.3 may be amended without the consent of the Swingline Lender.

(d) In no event shall the Required Lenders, without the prior written consent of each Lender, direct the Administrative Agent to accelerate and demand payment of the Loans held by one Lender without accelerating and demanding payment of all other Loans or to terminate the Commitments of one or more Lenders without terminating the Commitments of all Lenders. Each Lender agrees that, except as otherwise provided in any of the Credit Documents and without the prior written consent of the Required Lenders, it will not take any legal action or institute any action or proceeding against any Credit Party with respect to any of the Obligations or Collateral, or accelerate or otherwise enforce its portion of the Obligations. Without limiting the generality of the foregoing, none of Lenders may exercise any right that it might otherwise have under applicable law to credit bid at foreclosure sales, uniform commercial code sales or other similar sales or dispositions of any of the Collateral except as authorized by the Required Lenders. Notwithstanding anything to the contrary set forth in this Section 9.1(d) or elsewhere herein, each Lender shall be authorized to take such action to preserve or enforce its rights against any Credit Party where a deadline or limitation period is otherwise applicable and would, absent the taking of specified action, bar the enforcement of Obligations held by such Lender against such Credit Party, including the filing of proofs of claim in any insolvency proceeding.

(e) Notwithstanding any of the foregoing to the contrary, the consent of the Borrower and the other Credit Parties shall not be required for any amendment, modification or waiver of the provisions of Article VIII (other than the provisions of Section 8.9).

(f) Notwithstanding any of the foregoing to the contrary, the Credit Parties and the Administrative Agent, without the consent of any Lender, may enter into any amendment, modification or waiver of any Credit Document, or enter into any new agreement or instrument, to (i) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or (ii) correct any obvious error or omission of a technical nature, in each case that is immaterial (as determined by the Administrative Agent), in any provision of any Credit Document, if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

(g) Notwithstanding the fact that the consent of all the Lenders is required in certain circumstances as set forth above, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except (i) that the Commitment of such Lender may not be increased or extended without the consent of such Lender and (ii) to the extent such amendment, waiver or consent impacts such Defaulting Lender more than the other Lenders.

(h) For the avoidance of doubt and notwithstanding any provision to the contrary contained in this Section 9.1, this Agreement may be amended (or amended and restated) with the written consent of the Credit Parties and the Administrative Agent in accordance with Section 2.20(g).

Section 9.2 Notices.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as set forth on Schedule 9.2.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day). Notices delivered through electronic communications to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Electronic Communications. Notices and other communications to the Lenders, the Swingline Lender and the Issuing Lender hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender, the Swingline Lender or the Issuing Lender pursuant to Article II if such Lender, the Swingline Lender or the Issuing Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) Change of Address, Etc. Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

(i) Each Credit Party agrees that the Administrative Agent may make the Communications (as defined below) available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "Platform").

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower or the other Credit Parties, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's, any Credit Party's or the Administrative Agent's transmission of communications through the Platform. "Communications" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Credit Party pursuant to any Credit Document or the transactions contemplated therein which is distributed to the Administrative Agent, any Lender or any Issuing Lender by means of electronic communications pursuant to this Section, including through the Platform.

Section 9.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent or any Lender, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Section 9.4 Survival of Representations and Warranties. All representations and warranties made hereunder and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the Notes and the making of the Loans; provided that all such representations and warranties shall terminate on the date upon which the Commitments have been terminated and all Obligations have been paid in full in cash.

Section 9.5 Payment of Expenses and Taxes; Indemnity.

(a) Costs and Expenses. The Credit Parties shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable fees, charges and disbursements of counsel for the Administrative Agent), in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Credit Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the Transactions are consummated), (ii) all reasonable out-of-pocket expenses incurred by the Issuing Lender and the Swingline Lender in connection with the issuance, amendment, renewal or extension of any Letter of Credit or Swingline Loan or any demand for payment thereunder and (iii) all out-of-pocket expenses incurred by the Administrative Agent, any Lender, the Issuing Lender or the Swingline Lender (including the fees, charges and disbursements of any counsel for the Administrative Agent, any Lender, the Swingline Lender or the Issuing Lender), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Credit Documents, including its rights under this Section, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) Indemnification by the Credit Parties. The Credit Parties shall indemnify the Arrangers, the Administrative Agent (and anysub-agent thereof), each Lender, the Issuing Lender and the Swingline Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, penalties, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Credit Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Credit Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the Transactions, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Materials of Environmental Concern on or from any property owned or operated by any Credit Party or any of its Subsidiaries, or any liability under Environmental Law related in any way to any Credit Party or any of its Subsidiaries or any of their respective properties, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Credit Party, and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from (A) the gross negligence or willful misconduct of such Indemnitee, (B) a breach in bad faith by such Indemnitee of its obligations under the Credit Documents or (C) disputes solely among Indemnitees not involving

any act or omission by the Borrower or any other Credit Party (other than any claims against an Indemnitee in its capacity or fulfilling its role as the Administrative Agent or an Arranger with respect to the Revolving Facility), in the case of each of the foregoing clauses (A), (B) and (C), as determined by a court of competent jurisdiction by a final and non-appealable judgment. This Section (b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from non-Tax claims.

(c) Reimbursement by Lenders. To the extent that the Credit Parties for any reason fail to indefeasibly pay any amount required under paragraph (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), the Issuing Lender, Swingline Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the Issuing Lender, Swingline Lender or such Related Party, as the case may be, such Lender's Revolving Commitment Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Issuing Lender or Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), Issuing Lender or Swingline Lender in connection with such capacity.

(d) Waiver of Consequential Damages, Etc. Without limiting the Credit Parties' indemnity obligations set forth above, to the fullest extent permitted by applicable law, no party hereto shall assert, and each of the parties hereto hereby waives, any claim against any such other party or any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the Transactions.

(e) Payments. All amounts due under this Section shall be payable promptly and in no event later than five (5) days after demand therefor.

(f) Survival. The agreements contained in this Section shall survive the resignation of the Administrative Agent, the Swingline Lender and the Issuing Lender, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of the Obligations.

Section 9.6 Successors and Assigns; Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Credit Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of

the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (f) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of a Commitment of an assigning Lender and the Loans at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in paragraph (b)(i)(B) of this Section or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (b)(i)(A) of this Section, the aggregate amount of a Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than $5,000,000; (provided, however, that simultaneous assignments shall be aggregated in respect of a Lender and its Approved Funds), unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Tranches on a non-pro rata basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by paragraph (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment, or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of a Commitment if such assignment is to a Person that is not a Lender with a Commitment in respect of such facility, an Affiliate of such Lender or an Approved Fund with respect to such Lender; and

(C) the consent of the Issuing Lender and Swingline Lender (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of a Revolving Commitment.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made to (A) any Credit Party or any Credit Party's Affiliates or Subsidiaries or (B) any Defaulting Lender or any of its Subsidiaries or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person.

(vii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the

applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon), and (B) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 2.13 and Section 9.5 with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person or GPM Investments or the Borrower or any of their respective Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Administrative Agent, the Issuing Lenders and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.5(c) with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 9.1 that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Section 2.13, Section 2.14 and Section 2.15 (subject to the requirements and limitations therein, including the requirements under Section 2.15(g) (it being understood that the documentation required under Section 2.15(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Section 2.17 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.13 or Section 2.15, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.17 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.7 as though it were a Lender; provided that such Participant agrees to be subject to Section 9.7 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Credit Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Industry Competitors.

(i) No assignment or participation shall be made to any Person that was an Industry Competitor as of the date (the "Trade Date") on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered an Industry Competitor for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes an Industry Competitor after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of the term "Industry Competitor"), (A) such assignee shall not retroactively be disqualified from becoming a Lender and (B) the execution by the Borrower of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered an Industry Competitor. Any assignment in violation of this clause (f)(i) shall not be void, but the other provisions of this clause (f) shall apply.

(ii) If any assignment or participation is made to any Industry Competitor without the Borrower's prior written consent in violation of clause (i) above, or if any Person becomes an Industry Competitor after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Industry Competitor and the Administrative Agent, (A) terminate any Commitment of such Industry Competitor and repay all obligations of the Borrower owing to such Industry Competitor in connection with such Commitment, (B) require such Industry Competitor to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.6), all of its interest, rights and obligations under this Agreement to one or more Persons that meet the requirements to be an Eligible Assignee and is not an Industry Competitor.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Industry Competitors that become Lenders or Participants (A) will not (x) have the right to receive information, reports or other materials provided to the Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B)(x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Credit Document, each such Industry Competitor will be deemed to have consented in the same proportion as the Lenders that are not Industry Competitors consented to such matter, and (y) for purposes of voting on any reorganization or plan of liquidation pursuant to any Debtor Relief Laws (each a "Debtor Plan"), each Industry Competitor party hereto hereby agrees (1) not to vote on such Debtor Plan, (2) if such Industry Competitor does vote on

such Debtor Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Debtor Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

Section 9.7 Right of Set-off; Sharing of Payments.

(a) If an Event of Default has occurred and is continuing, each Lender, the Issuing Lender, the Swingline Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, the Issuing Lender, the Swingline Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Credit Party against any and all of the obligations of the Borrower or such Credit Party now or hereafter existing under this Agreement or any other Credit Document to such Lender, the Swingline Lender or the Issuing Lender, irrespective of whether or not such Lender, the Swingline Lender or the Issuing Lender has made any demand under this Agreement or any other Credit Document and although such obligations of the Borrower or such Credit Party may be contingent or unmatured or are owed to a branch, office or affiliate of such Lender, the Swingline Lender or the Issuing Lender different from the branch, office or Affiliate holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender exercises any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.19 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Lender, the Swingline Lender and the other Lenders, and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, the Swingline Lender, the Issuing Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the Swingline Lender, the Issuing Lender or their respective Affiliates may have. Each Lender, the Swingline Lender and the Issuing Lender agree to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

(b) If any Lender, by exercising any right of setoff or counterclaim or otherwise, obtains payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify the Administrative Agent of such fact, and (ii) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(A) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(B) the provisions of this paragraph shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in Letters of Credit to any assignee or participant, other than to any Credit Party or any Subsidiary thereof (as to which the provisions of this paragraph shall apply) or (z) (1) any amounts applied by the Swingline Lender to outstanding Swingline Loans and (2) any amounts received by the Issuing Lender and/or Swingline Lender to secure the obligations of a Defaulting Lender to fund risk participations hereunder.

(b) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 9.11 Integration. This Agreement and the other Credit Documents represent the entire agreement of the Borrower, the other Credit Parties, the Administrative Agent and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent, the Borrower, the other Credit Parties, or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or therein. This Agreement and the other Credit Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

Section 9.18 Resolution of Drafting Ambiguities. Each Credit Party acknowledges and agrees that it was represented by counsel in connection with the execution and delivery of this Agreement and the other Credit Documents to which it is a party, that it and its counsel reviewed and participated in the preparation and negotiation hereof and thereof and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be employed in the interpretation hereof or thereof.

Section 9.19 Subordination of Intercompany Debt. Each Credit Party agrees that all intercompany Indebtedness among Credit Parties (the "Intercompany Debt") is subordinated in right of payment, to the prior payment in full in cash of all Obligations. Notwithstanding any provision of this Agreement to the contrary, provided that no Event of Default has occurred and is continuing, the Credit Parties may make and receive payments with respect to the Intercompany Debt to the extent otherwise permitted by this Agreement; provided that in the event of and during the continuation of any Event of Default, no payment shall be made by or on behalf of any Credit Party on account of any Intercompany Debt. Section 9.20 Continuing Agreement. This Agreement shall be a continuing agreement and shall remain in full force and effect until all Obligations (other than those obligations that expressly survive the termination of this Agreement) have been paid in full in cash and all Commitments and Letters of Credit have been terminated. Upon termination, the Credit Parties shall have no further obligations (other than those obligations that expressly survive the termination of this Agreement) under the Credit Documents and the Administrative Agent shall, at the request and expense of the Borrower, deliver all the Collateral in its possession to the Borrower and release all Liens on the Collateral; provided that should any payment, in whole or in part, of the Obligations be rescinded or otherwise required to be restored or returned by the Administrative Agent or any Lender, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, then the Credit Documents shall automatically be reinstated and all Liens of the Administrative Agent shall reattach to the Collateral and all amounts required to be restored or returned and all costs and expenses incurred by the Administrative Agent or any Lender in connection therewith shall be deemed included as part of the Obligations.

Section 9.21 Press Releases and Related Matters. The Credit Parties and their Affiliates agree that they will not in the future issue any press releases or other public disclosure using the name of Administrative Agent or any Lender or their respective Affiliates or referring to this Agreement or any of the Credit Documents without the prior written consent of such Person, unless (and only to the extent that) the Credit Parties or such Affiliate is required to do so under law and then, in any event, the Credit Parties or such Affiliate will use commercially reasonable efforts to consult with such Person before issuing such press release or other public disclosure. Subject to the prior consent of the Credit Parties, which consent shall not be unreasonably withheld, the Administrative Agent or any Lender may publish customary advertising material relating to the Transactions using the name, product photographs, logo or trademark of the Credit Parties.

Section 9.22 Appointment of Borrower. Each of the Guarantors hereby appoints the Borrower to act as its agent for all purposes under this Agreement and agrees that (a) the Borrower may execute such documents on behalf of such Guarantor as the Borrower deems appropriate in its sole discretion and each Guarantor shall be obligated by all of the terms of any such document executed on its behalf, (b) any notice or communication delivered by the Administrative Agent or the Lender to the Borrower shall be deemed delivered to each Guarantor and (c) the Administrative Agent or the Lenders may accept, and be permitted to rely on, any document, instrument or agreement executed by the Borrower on behalf of each Guarantor.

Section 9.23 No Advisory or Fiduciary Responsibility. In connection with all aspects of each Transaction, each of the Credit Parties acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document) are an arm's-length commercial transaction between the Credit Parties and their Affiliates, on the one hand, and the Administrative Agent, Arrangers, Co-Syndication Agents, Issuing Lender and Lenders on the other hand, and the Credit Parties are capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the Transactions and by the other Credit Documents (including any amendment, waiver or other modification hereof or thereof); (b) in connection with the process leading to such transaction, the Administrative Agent, Arrangers, Co-Syndication Agents, Issuing Lender and Lenders are not and have not been acting solely as a principal and is not the financial advisor, agent or fiduciary, for any Credit Party or any of their Affiliates, stockholders, creditors or employees or any other Person; (c) none of the Administrative Agent, Arrangers, Co-Syndication Agents, Issuing Lender and Lenders has assumed or will assume an advisory, agency or fiduciary responsibility in favor of any Credit Party with respect to any of the Transactions or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Credit Document (irrespective of whether the Administrative Agent, Arrangers, Co-Syndication Agents, Issuing Lender and Lenders have advised or are currently advising any Credit Party or any of its Affiliates on other matters) and none of the Administrative Agent, Arrangers, Co-Syndication Agents, Issuing Lender and Lenders, have any obligation to any Credit Party or any of their Affiliates with respect to the Transactions except those obligations set forth herein and in the other Credit Documents; (d) each of the Administrative Agent, Arrangers, Co-Syndication Agents, Issuing Lender and Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Credit Parties and their Affiliates, and none of the Administrative Agent, Arrangers, Co-Syndication Agents, Issuing Lender and Lenders have any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (e) none of the Administrative Agent, Arrangers, Co-Syndication Agents, Issuing Lender and Lenders have

provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the Transactions (including any amendment, waiver or other modification hereof or of any other Credit Document) and the Credit Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. Each of the Credit Parties hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against each of the Administrative Agent, Arrangers, Co-Syndication Agents, Issuing Lender and Lenders with respect to any breach or alleged breach of agency or fiduciary duty.

Section 9.24 Responsible Officers. The Administrative Agent and each of the Lenders are authorized to rely upon the continuing authority of the Responsible Officers with respect to all matters pertaining to the Credit Documents including, but not limited to, the selection of interest rates, the submission of requests for Extensions of Credit and certificates with regard thereto. Such authorization may be changed only upon written notice to Administrative Agent accompanied by (a) an updated incumbency certificate and (b) evidence, reasonably satisfactory to Administrative Agent, of the authority of the Person giving such notice and such notice shall be effective not sooner than five (5) Business Days following receipt thereof by Administrative Agent (or such earlier time as agreed to by the Administrative Agent).

Section 9.25 Amendment and Restatement.

(a) On the Closing Date, the commitments, loans, rights and obligations and the liens and security interests under the Existing Credit Agreement shall be assigned to the Lenders and the Administrative Agent, as applicable, pursuant to the Master Assignment and the Existing Credit Agreement shall be amended and restated in its entirety by this Agreement, and the Existing Credit Agreement shall thereafter be of no further force and effect, except that the Borrower, the Administrative Agent and the Lenders agree that (i) the "Indebtedness" incurred by the Borrower under and as defined in the Existing Credit Agreement (whether or not such Indebtedness is contingent as of the Closing Date) shall continue to exist under and be evidenced by this Agreement and the other Credit Documents, (ii) the Lenders under the Existing Credit Agreement hereby waive the reimbursement of any breakage costs incurred on the Closing Date under Section 2.17 of the Existing Credit Agreement, (iii) the Existing Credit Agreement shall continue to evidence the representations and warranties made by the Borrower prior to the Closing Date, (iv) except as expressly stated herein or amended, amended and restated or otherwise modified, the other Credit Documents are ratified and confirmed as remaining unmodified and in full force and effect with respect to all Indebtedness, and (v) the Existing Credit Agreement shall continue to evidence any action or omission performed or required to be performed pursuant to the Existing Credit Agreement prior to the Closing Date (including any failure, prior to the Closing Date, to comply with the covenants contained in the Existing Credit Agreement). The amendments and restatements set forth herein shall not cure any breach thereof or any "Default" or "Event of Default" under and as defined in the Existing Credit Agreement existing prior to the Closing Date. This Agreement is not in any way intended to constitute a novation of the obligations and liabilities existing under the Existing Credit Agreement or evidence payment of all or any portion of such obligations and liabilities.

(b) The terms and conditions of this Agreement and the Administrative Agent's, the Lenders', the Swingline Lender's and the Issuing Lender's rights and remedies under this Agreement and the other Credit Documents shall apply to all of the Indebtedness incurred under the Existing Credit Agreement and the Letters of Credit issued thereunder.

(c) On and after the Closing Date, (i) all references to the Existing Credit Agreement (or to any amendment or any amendment and restatement thereof) in the Credit Documents (other than this Agreement) shall be deemed to refer to the Existing Credit Agreement, as amended and restated hereby (as it may be further amended, modified or restated), (ii) all references to any section (or subsection) of the Existing Credit Agreement in any Credit Document (but not herein) shall be amended to become, *mutatis mutandis*, references to the corresponding provisions of this Agreement and (iii) except as the context otherwise provides, on or after the Closing Date, all references to this Agreement herein (including for purposes of indemnification and reimbursement of fees) shall be deemed to be references to the Existing Credit Agreement, as amended and restated hereby (as it may be further amended, modified or restated).

(d) This amendment and restatement is limited as written and is not a consent to any other amendment, restatement or waiver, whether or not similar and, except as expressly provided herein or in any other Credit Document, all terms and conditions of the Credit Documents remain in full force and effect unless specifically amended hereby or by any other Credit Document.

(e) The "Lenders" party to the Existing Credit Agreement and any Lenders not party to the Existing Credit Agreement have agreed among themselves, if applicable, effective as of the Closing Date, to reallocate the respective Commitments (as defined in the Existing Credit Agreement) and corresponding outstanding Loans of such "Lenders" under the Existing Credit Agreement to be the Commitments and corresponding outstanding Loans hereunder as contemplated by Schedule 1.1 to this Agreement. On the Closing Date and after giving effect to such reallocation and adjustment of the Commitments, the Commitments of each Lender shall be as set forth on Schedule 1.1 hereto and each Lender shall own its Revolving Commitment Percentage of the outstanding Loans. The reallocation and adjustment to the Commitments of each Lender as contemplated by this Section 9.25 shall be deemed to have been consummated pursuant to the terms of the Assignment and Assumption attached as Exhibit 1.1(a) hereto as if each of the Lenders had executed an Assignment and Assumption with respect to such reallocation and adjustment. The Borrower and the Administrative Agent hereby consent to such reallocation and adjustment of the Commitments. The Administrative Agent hereby waives the processing and recordation fee set forth in Section 9.6 with respect to the assignments and reallocations of the Commitments contemplated by this Section 9.25.

Section 9.26 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 9.27 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Document or any documents related hereto or thereto).

Section 9.28 Acknowledgement Regarding Any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for Secured Hedging Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC

and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.28, the following terms have the following meanings:

"BHC Act Affiliate" of a party shall mean an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

ARTICLE X

GUARANTY

Section 10.1 The Guaranty. In order to induce the Lenders to enter into this Agreement and to extend credit hereunder and in recognition of the direct benefits to be received by the Guarantors from the Extensions of Credit hereunder, each of the Guarantors hereby unconditionally and irrevocably jointly and severally guarantees as primary obligor and not merely as surety the full and prompt payment when due, whether upon maturity, by acceleration or otherwise, of any and all of the Obligations. The Guaranty set forth in this Article X is a guaranty of timely payment and not of collection. The word "indebtedness" is used in this Article X in its most comprehensive sense and includes any and all advances, debts, obligations and liabilities of the Credit Parties, including specifically all Obligations, arising in connection with this Agreement or any of the other Credit Documents, Secured Hedging Agreement or Treasury Management Agreement, in each case, heretofore, now, or hereafter made, incurred or created, whether voluntarily or involuntarily, absolute or contingent, liquidated or unliquidated, determined or undetermined, whether or not such indebtedness is from time to time reduced, or extinguished and thereafter increased or incurred, whether the Credit Parties may be liable individually or jointly with others, whether or not recovery upon such indebtedness may be or hereafter become barred by any statute of limitations, and whether or not such indebtedness may be or hereafter become otherwise unenforceable.

Notwithstanding any provision to the contrary contained herein or in any other of the Credit Documents, to the extent the obligations of a Guarantor are adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers) then the obligations of each such Guarantor hereunder shall be limited to the maximum amount that is permissible under applicable law (whether federal or state and including, without limitation, the Bankruptcy Code).

Section 10.2 Bankruptcy. Additionally, each of the Guarantors unconditionally and irrevocably guarantees jointly and severally the payment of any and all Obligations whether or not due or payable by any Credit Party upon the occurrence of any Bankruptcy Event and unconditionally promises to pay such Obligations to the Administrative Agent for the account of the Lenders and to any Secured Hedging Agreement Counterparty or Treasury Management Counterparty, on demand, in lawful money of the United States. Each of the Guarantors further agrees that to the extent that any Credit Party shall make a payment or a transfer of an interest in any property to the Administrative Agent, any Lender or any Secured Hedging Agreement Counterparty or Treasury Management Counterparty, which payment or transfer or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, or otherwise is avoided, and/or required to be repaid to such Credit Party, the estate of such Credit Party, a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then to the extent of such avoidance or repayment, the obligation or part thereof intended to be satisfied shall be revived and continued in full force and effect as if said payment had not been made.

Section 10.3 Nature of Liability. The liability of each Guarantor hereunder is exclusive and independent of any security for or other guaranty of the Obligations whether executed by any such Guarantor, any other Guarantor or by any other party, and no Guarantor's liability hereunder shall be affected or impaired by (a) any direction as to application of payment by any Credit Party or by any other party, or (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the Obligations, or (c) any payment on or in reduction of any such other guaranty or undertaking, or (d) any dissolution, termination or increase, decrease or change in personnel by any Credit Party, or (e) any payment made to the Administrative Agent, the Lenders or any Secured Hedging Agreement Counterparty or Treasury Management Counterparty on the Obligations which the Administrative Agent, such Lenders or such Secured Hedging Agreement Counterparty or Treasury Management Counterparty received from any Credit Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each of the Guarantors waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding.

Section 10.4 Independent Obligation. The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor or the Borrower, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor or the Borrower and whether or not any other Guarantor or the Borrower is joined in any such action or actions.

Section 10.5 Authorization. Each of the Guarantors authorizes each of the Administrative Agent, the Lenders, the Treasury Management Counterparties and the Secured Hedging Agreement Counterparties without notice or demand (except as shall be required by applicable statute and cannot be waived), and without affecting or impairing its liability hereunder, from time to time to (a) renew, compromise, extend, increase, accelerate or otherwise change the time for payment of, or otherwise change the terms of the Obligations or any part thereof in accordance with this Agreement, including any increase or decrease of the rate of interest thereon, (b) take and hold security from any Guarantor or any other party for the payment of this Guaranty or the Obligations and exchange, enforce waive and release any such security, (c) apply such security and direct the order or manner of sale thereof as the Administrative Agent and the Lenders in their discretion may determine, (d) release or substitute any one or more endorsers, Guarantors, the Borrower or other obligors and (e) to the extent otherwise permitted herein, release or substitute any Collateral.

Section 10.6 Reliance. It is not necessary for the Administrative Agent, the Lenders or any Secured Hedging Agreement Counterparty or Treasury Management Counterparty to inquire into the capacity or powers of any Credit Party or the officers, directors, members, partners or agents acting or purporting to act on its behalf, and any Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

Section 10.7 Waiver.

(a) Each of the Guarantors waives any right (except as shall be required by applicable statute and cannot be waived) to require the Administrative Agent, any Lender or any Secured Hedging Agreement Counterparty or Treasury Management Counterparty to (i) proceed against the Borrower, any other Guarantor or any other party, (ii) proceed against or exhaust any security held from the Borrower, any other Guarantor or any other party, or (iii) pursue any other remedy. Each of the Guarantors waives any defense based on or arising out of any defense of the Borrower, any other Guarantor or any other party other than payment in full in cash of the Obligations (other than contingent indemnification obligations for which no claim has been made or cannot be reasonably identified by an Indemnitee based on the then-known facts and circumstances), including, without limitation, any defense based on or arising out of the disability of the Borrower, any other Guarantor or any other party, or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Credit Party other than payment in full in cash of the Obligations. The Administrative Agent may, at its election, foreclose on any security held by the Administrative Agent or a Lender, Treasury Management Counterparty or Secured Hedging Counterparty by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Administrative Agent or any Lender, Treasury Management Counterparty or Secured Hedging Counterparty may have against the Credit Party or any other party, or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Obligations have been paid in full in cash and the Commitments have been terminated. Each of the Guarantors waives any defense arising out of any such election by the Administrative Agent or any of the Lenders, Treasury Management Counterparties or Secured Hedging Counterparties even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of the Guarantors against the Borrower or any other party or any security.

(b) Each of the Guarantors waives all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notice of protest, notices of dishonor, notices of acceptance of this Guaranty, and notices of the existence, creation or incurring of new or additional Obligations. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any Lender shall have any duty to advise such Guarantor of information known to it regarding such circumstances or risks.

(c) Each of the Guarantors hereby agrees it will not exercise any rights of subrogation which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the U.S. Bankruptcy Code, or otherwise) to the claims of the Administrative Agent or any Lender, any Secured Hedging Agreement Counterparty or any Treasury Management Counterparty against the Borrower or any other Guarantor of the Obligations owing to the Administrative Agent or the Lenders or such Secured Hedging Agreement Counterparty or Treasury Management Counterparty (collectively, the "Other Parties") or any contractual, statutory or common law rights of reimbursement, contribution or indemnity from any Other Party which it may at any time otherwise have as a result of this Guaranty until such time as the Obligations shall have been paid in full in cash and the Commitments have been terminated. Each of the Guarantors hereby further agrees not to exercise any right to enforce any other remedy which the Administrative Agent, the Lenders or any Secured Hedging Agreement Counterparty or Treasury Management Counterparty may now have or may hereafter have against any Other Party, any endorser or any other guarantor of all or any part of the Obligations and any benefit of, and any right to participate in, any security or collateral given to or for the benefit of the Lenders and/or the Secured Hedging Agreement Counterparties and Treasury Management Counterparties to secure payment of the Obligations until such time as the Obligations (other than contingent indemnification obligations for which no claim has been made or cannot be reasonably identified by an Indemnitee based on the then-known facts and circumstances) shall have been paid in full in cash and the Commitments have been terminated.

Section 10.8 Limitation on Enforcement. This Guaranty may be enforced only by the action of the Administrative Agent acting upon the instructions of the Required Lenders and that no Lender, Secured Hedging Agreement Counterparty or Treasury Management Counterparty shall have any right individually to seek to enforce or to enforce this Guaranty, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent for the benefit of the Lenders under the terms of this Agreement and for the benefit of any Secured Hedging Agreement Counterparty or Treasury Management Counterparty under its Secured Hedging Agreement or Treasury Management Agreement, as applicable.

Section 10.9 Confirmation of Payment. The Administrative Agent and the Lenders will, upon request after payment of the Obligations which are the subject of this Guaranty and termination of the Commitments relating thereto, confirm to the Borrower, the Guarantors or any other Person that such indebtedness and obligations have been paid and the Commitments relating thereto terminated, subject to the provisions of Section 10.2.

Section 10.10 Eligible Contract Participant. Notwithstanding anything to the contrary in any Credit Document, no Guarantor shall be deemed under this Article X to be a guarantor of any Swap Obligations if such Guarantor was not an "eligible contract participant" as defined in § 1a(18) of the Commodity Exchange Act, at the time the guarantee under this Article X becomes effective with respect to such Swap Obligation and to the extent that the providing of such guarantee by such Guarantor would violate the Commodity Exchange Act; provided, however, that in determining whether any Guarantor is an "eligible contract participant" under the Commodity Exchange Act, the guarantee of the Obligations of such Guarantor under this Article X by a Guarantor that is also a Qualified ECP Guarantor shall be taken into account.

Section 10.11 Keepwell. Without limiting anything in this Article X, each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time to each Guarantor that is not an "eligible contract participant" under the Commodity Exchange Act at the time the guarantee under this Article X becomes effective with respect to any Swap Obligation, to honor all of the Obligations of such Guarantor under this Article X in respect of such Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 10.11 for the maximum amount of such liability that can be hereby incurred without rendering its undertaking under this Section 10.11, or otherwise under this Article X, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The undertaking of each Qualified ECP Guarantor under this Section 10.11 shall remain in full force and effect until termination of the Commitments and payment in full in cash of all Loans and other Obligations. Each Qualified ECP Guarantor intends that this Section 10.11 constitute, and this Section 10.11 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each Guarantor that would otherwise not constitute an "eligible contract participant" under the Commodity Exchange Act.

WHEREAS, pursuant to Section 2.20 of the Credit Agreement, the Administrative Agent and the Borrower may amend the Credit Agreement in order to evidence the existence and terms of the Incremental Revolving Commitments without the consent of other Lenders; and

WHEREAS, the Borrower has requested, and the Administrative Agent and the Lenders party hereto have agreed, to make certain amendments to the Credit Agreement, each as provided for herein.

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants herein contained, the parties hereto agree as follows:

SECTION 1. Incremental Revolving Commitments.

(a) Each Incremental Lender party hereto hereby commits to provide its respective Incremental Revolving Commitment as set forth on Schedule 1 annexed hereto, on the terms and subject to the conditions set forth below (provided, that without limitation, the availability of Credit Extensions pursuant to such Incremental Revolving Commitments shall be subject to the occurrence of the Specified Acquisition Closing Date (as defined below)).

(b) On the Specified Acquisition Closing Date, (i) each of the existing Lenders shall assign to each of the Incremental Lenders, and each of the Incremental Lenders shall purchase from each of such existing Lenders, at the principal amount thereof, such interests in the outstanding Loans and participations in Letters of Credit and Swingline Loans outstanding on the Specified Acquisition Closing Date that will result in, after giving effect to all such assignments and purchases, such Loans and participations in Letters of Credit and Swingline Loans being held by such existing Lenders and the Incremental Lenders ratably in accordance with their Revolving Commitments after giving effect to the addition of the Incremental Revolving Commitments hereby; (ii) each Incremental Revolving Commitment shall be deemed, for all purposes, a Revolving Commitment and each loan made thereunder shall be deemed, for all purposes, a Loan and have the same terms as any existing Loan and (iii) each Incremental Lender shall become a Lender with respect to the Incremental Revolving Commitments and all matters relating thereto.

(c) Each Incremental Lender (i) confirms that it has received a copy of the Credit Agreement and the other Credit Documents, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Agreement; (ii) agrees that it will, independently and without reliance upon the Administrative Agent or any other Lender or agent thereunder and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under the Credit Agreement and the other Credit Documents as are delegated to Administrative Agent by the terms thereof, together with such powers as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Credit Agreement are required to be performed by it as a Lender.

2.2. Procedure for Revolving Advances Borrowing.

(b) Notwithstanding the provisions of subsection (a) above, in the event any Borrower desires to obtain a LIBOR Rate Loan (other than a Swing Loan), Borrowing Agent shall give Agent written notice by no later than 3:00 P.M. on the day which is three (3) Business Days prior to the date such LIBOR Rate Loan is to be borrowed, specifying (i) the date of the proposed borrowing (which shall be a Business Day), (ii) the type of borrowing and the amount on the date of such Advance to be borrowed, which amount shall be in a minimum amount of $1,000,000 and in integral multiples of $100,000 thereafter, and (iii) the duration of the first Interest Period therefor. Interest Periods for LIBOR Rate Loans shall be for one, two or three months; provided, if an Interest Period would end on a day that is not a Business Day, it shall end on the next succeeding Business Day unless such day falls in the next succeeding calendar month in which case the Interest Period shall end on the next preceding Business Day. Any Interest Period that begins on the last Business Day of a calendar month (or a day for which there is no numerically corresponding day in the last calendar month of such Interest Period) shall end on the last Business Day of the last calendar month of such Interest Period. Upon and after the occurrence of an Event of Default, and during the continuation thereof, at the option of Agent or at the direction of Required Lenders, no LIBOR Rate Loan shall be made available to any Borrower. After giving effect to each requested LIBOR Rate Loan, including those which are converted from a Domestic Rate Loan under Section 2.2(d), there shall not be outstanding more than four (4) LIBOR Rate Loans, in the aggregate.

(c) Each Interest Period of a LIBOR Rate Loan shall commence on the date such LIBOR Rate Loan is made and shall end on such date as Borrowing Agent may elect as set forth in subsection (b)(iii) above provided that the exact length of each Interest Period shall be determined in accordance with the practice of the interbank market for offshore Dollar deposits and no Interest Period shall end after the last day of the Term.

(d) Borrowing Agent shall elect the initial Interest Period applicable to a LIBOR Rate Loan by its notice of borrowing given to Agent pursuant to Section 2.2(b) or by its notice of conversion given to Agent pursuant to Section 2.2(d), as the case may be. Borrowing Agent shall elect the duration of each succeeding Interest Period by giving irrevocable written notice to Agent of such duration not later than 3:00 P.M. on the day which is three (3) Business Days prior to the last day of the then current Interest Period applicable to such LIBOR Rate Loan. If Agent does not receive timely notice of the Interest Period elected by Borrowing Agent, Borrowing Agent shall be deemed to have elected to convert to a Domestic Rate Loan subject to Section 2.2(d) herein below.

(e) Provided that no Event of Default shall have occurred and be continuing, Borrowing Agent may, on the last Business Day of the then current Interest Period applicable to any outstanding LIBOR Rate Loan, or on any Business Day with respect to Domestic Rate Loans, convert any such loan into a loan of another type in the same aggregate principal amount provided that any conversion of a LIBOR Rate Loan shall be made only on the last Business Day of the then current Interest Period applicable to such LIBOR Rate Loan. If Borrowing Agent desires to convert a loan, Borrowing Agent shall give Agent written notice by no later than 3:00 P.M. (i) on the day which is three (3) Business Days' prior to the date on which such conversion is to occur with respect to a conversion from a Domestic Rate Loan to a LIBOR Rate Loan, or (ii) on the day which is one (1) Business Day prior to the date on which such conversion is to occur with respect to a conversion from a LIBOR Rate Loan to a Domestic Rate Loan, specifying, in each case, the date of such conversion, the loans to be converted and if the conversion is from a Domestic Rate Loan to any other type of loan, the duration of the first Interest Period therefor.

(f) At its option and upon written notice given prior to 3:00 P.M. at least three (3) Business Days' prior to the date of such prepayment, any Borrower may prepay the LIBOR Rate Loans in whole at any time or in part from time to time with accrued interest on the principal being prepaid to the date of such repayment. Such Borrower shall specify the date of prepayment of Advances which are LIBOR Rate Loans and the amount of such prepayment. In the event that any prepayment of a LIBOR Rate Loan is required or permitted on a date other than the last Business Day of the then current Interest Period with respect thereto, such Borrower shall indemnify Agent and Lenders therefor in accordance with Section 2.2(g) hereof.

(g) Each Borrower shall indemnify Agent and Lenders and hold Agent and Lenders harmless from and against any and all losses or expenses that Agent and Lenders may sustain or incur as a consequence of any prepayment, conversion of or any default by any Borrower in the payment of the principal of or interest on any LIBOR Rate Loan or failure by any Borrower to complete a borrowing of, a prepayment of or conversion of or to a LIBOR Rate Loan after notice thereof has been given, including, but not limited to, any interest payable by Agent or Lenders to lenders of funds obtained by it in order to make or maintain its LIBOR Rate Loans hereunder. A certificate as to any additional amounts payable pursuant to the foregoing sentence submitted by Agent or any Lender to Borrowing Agent shall be conclusive absent manifest error.

(h) Notwithstanding any other provision hereof, if any Applicable Law, treaty, regulation or directive, or any change therein or in the interpretation or application thereof, including without limitation any Change in Law, shall make it unlawful for Lenders or any Lender (for purposes of this subsection (h), the term "Lender" shall include any Lender and the office or

branch where any Lender or any Person controlling such Lender makes or maintains any LIBOR Rate Loans) to make or maintain its LIBOR Rate Loans, the obligation of Lenders (or such affected Lender) to make LIBOR Rate Loans hereunder shall forthwith be cancelled and Borrowers shall, if any affected LIBOR Rate Loans are then outstanding, promptly upon request from Agent, either pay all such affected LIBOR Rate Loans or convert such affected LIBOR Rate Loans into loans of another type. If any such payment or conversion of any LIBOR Rate Loan is made on a day that is not the last day of the Interest Period applicable to such LIBOR Rate Loan, Borrowers shall pay Agent, upon Agent's request, such amount or amounts set forth in clause (g) above. A certificate as to any additional amounts payable pursuant to the foregoing sentence submitted by Lenders to Borrowing Agent shall be conclusive absent manifest error.

(i) Anything to the contrary contained herein notwithstanding, neither any Agent nor any Lender, nor any of their participants, is required actually to acquire LIBOR deposits to fund or otherwise match fund any Obligation as to which interest accrues based on the LIBOR Rate. The provisions set forth herein shall apply as if each Lender or its participants had match funded any Obligation as to which interest is accruing based on the LIBOR Rate by acquiring LIBOR deposits for each Interest Period in the amount of the LIBOR Rate Loans.

2.3. Disbursement of Advance Proceeds. All Advances shall be disbursed from whichever office or other place Agent may designate from time to time and, together with any and all other Obligations of Borrowers to Agent or Lenders, shall be charged to Borrowers' Account on Agent's books. During the Term, Borrowers may use the Revolving Advances and Swing Loans by borrowing, prepaying and reborrowing, all in accordance with the terms and conditions hereof. The proceeds of each Revolving Advance or Swing Loan requested by Borrowing Agent on behalf of any Borrower or deemed to have been requested by any Borrower under Sections 2.2(a) or 2.4, hereof shall, with respect to requested Revolving Advances to the extent Lenders make such Revolving Advances, and with respect to Swing Loans made upon any request or deemed request by Borrowing Agent for a Revolving Advance to the extent Swing Loan Lender makes such Swing Loan in accordance with Section 2.4(b) hereof, be made available to the applicable Borrower on the day so requested by way of credit to such Borrower's operating account at PNC, or such other bank as Borrowing Agent may designate following notification to Agent, in immediately available federal funds or other immediately available funds or, with respect to Revolving Advances deemed to have been requested by any Borrower or Swing Loans made upon any deemed request for a Revolving Advance by any Borrower, be disbursed to Agent to be applied to the outstanding Obligations giving rise to such deemed request.

(a) Subject to the terms and conditions set forth in this Agreement, and in order to minimize the transfer of funds between Lenders and Agent for administrative convenience, Agent, Revolving Lenders and Swing Loan Lender agree that in order to facilitate the administration of this Agreement, Swing Loan Lender may, at its election and option made in its sole discretion cancelable at any time for any reason whatsoever, make swing loan advances ("Swing Loans") available to Borrowers as provided for in this Section 2.4 at any time or from time to time after the Closing Date to, but not including, the last day of the Term, in an aggregate principal amount up to but not in excess of the Maximum Swing Loan Advance Amount, provided that the outstanding aggregate principal amount of Swing Loans and the Revolving Advances at

any one time outstanding shall not exceed an amount equal to the lesser of (i) the Maximum Revolving Advance Amount less the Maximum Undrawn Amount of all outstanding Letters of Credit or (ii) the Formula Amount. All Swing Loans shall be Domestic Rate Loans only. Borrowers may borrow (at the option and election of Swing Loan Lender), repay and re-borrow (at the option and election of Swing Loan Lender) Swing Loans and Swing Loan Lender may make Swing Loans as provided in this Section 2.4 during the period between Settlement Dates. All Swing Loans shall be evidenced by a secured promissory note (the "Swing Loan Note") substantially in the form attached as Exhibit 2.4(a) hereto. Swing Loan Lender's agreement to make Swing Loans under this Agreement is cancelable at any time for any reason whatsoever and the making of Swing Loans by Swing Loan Lender from time to time shall not create any duty or obligation, or establish any course of conduct, pursuant to which Swing Loan Lender shall thereafter be obligated to make Swing Loans in the future.

(b) Upon either (i) any request by Borrowing Agent for a Revolving Advance made pursuant to Section 2.2(a) hereof or (ii) the occurrence of any deemed request by Borrowers for a Revolving Advance pursuant to the provisions of Section 2.2(a) hereof, Swing Loan Lender may elect, in its sole discretion, to have such request or deemed request treated as a request for a Swing Loan, and may advance same day funds to Borrowers as a Swing Loan; provided that notwithstanding anything to the contrary provided for herein, Swing Loan Lender may not make Swing Loan Advances if Swing Loan Lender has been notified by Agent or by Required Lenders that one or more of the applicable conditions set forth in Section 8.2 hereof have not been satisfied or the Revolving Commitments have been terminated for any reason.

(c) Upon the making of a Swing Loan (whether before or after the occurrence of a Default or an Event of Default and regardless of whether a Settlement has been requested with respect to such Swing Loan), each Revolving Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from Swing Loan Lender, without recourse or warranty, an undivided interest and participation in such Swing Loan in proportion to its Revolving Commitment Percentage. Swing Loan Lender or Agent may, at any time, require the Revolving Lenders to fund such participations by means of a Settlement as provided for in Section 2.20(b) hereof. From and after the date, if any, on which any Revolving Lender is required to fund, and funds, its participation in any Swing Loans purchased hereunder, Agent shall promptly distribute to such Lender its Revolving Commitment Percentage of all payments of principal and interest and all proceeds of Collateral received by Agent in respect of such Swing Loan; provided that no Revolving Lender shall be obligated in any event to make Revolving Advances in an amount in excess of its Revolving Commitment Amount minus its Participation Commitment (taking into account any reallocations under Section 2.23 hereof) of the Maximum Undrawn Amount of all outstanding Letters of Credit.

2.5. Maximum Advances. The aggregate balance of Revolving Advances and Swing Loans outstanding at any time shall not exceed the least of (a) the Maximum Revolving Advance Amount less the Maximum Undrawn Amount of all issued and outstanding Letters of Credit, or (b) the Formula Amount.

2.6. Repayment of Advances.

(a) The Revolving Advances and Swing Loans shall be due and payable in full on the last day of the Term subject to earlier prepayment as herein provided. Notwithstanding the foregoing, all Advances shall be subject to earlier repayment upon (x) acceleration upon the occurrence of an Event of Default under this Agreement or (y) termination of this Agreement. Each payment (including each prepayment) by any Borrower on account of the principal of and interest on the Advances shall be applied, first to the outstanding Swing Loans and next, pro rata according to the applicable Revolving Commitment Percentages of the Lenders, to the outstanding Revolving Advances (subject to any contrary provisions of Section 2.23).

(b) Each Borrower recognizes that the amounts evidenced by checks, notes, drafts or any other items of payment relating to and/or proceeds of Collateral may not be collectible by Agent on the date received by Agent. Agent shall conditionally credit Borrowers' Account for each item of payment on the next Business Day after the Business Day on which such item of payment is received by Agent (and the Business Day on which each such item of payment is so credited shall be referred to, with respect to such item, as the "Application Date"). Agent is not, however, required to credit Borrowers' Account for the amount of any item of payment which is unsatisfactory to Agent and Agent may charge Borrowers' Account for the amount of any item of payment which is returned, for any reason whatsoever, to Agent unpaid. Subject to the foregoing, Borrowers agree that for purposes of computing the interest charges under this Agreement, each item of payment received by Agent shall be deemed applied by Agent on account of the Obligations on its respective Application Date. Borrowers further agree that, during a Cash Dominion Period, there is a monthly float charge payable to Agent for Agent's sole benefit, in an amount equal to (y) the face amount of all items of payment received each day during the prior month (including items of payment received by Agent as a wire transfer or electronic depository check) multiplied by (z) the Revolving Interest Rate with respect to Domestic Rate Loans for one (1) day (i.e. the Revolving Interest Rate divided by 360 or 365/366 as applicable). During a Cash Dominion Period, the monthly float charge shall be calculated daily and charged once per month, relating to all payments collected in the prior month. All proceeds received by Agent shall be applied to the Obligations in accordance with Section 4.15(h). Agent acknowledges and agrees to continue to provide earned credit as has historically been provided to offset certain treasury management fees.

(c) All payments of principal, interest and other amounts payable hereunder, or under any of the Other Documents shall be made to Agent at the Payment Office not later than 2:00 P.M. on the due date therefor in lawful money of the United States of America in federal funds or other funds immediately available to Agent. Agent shall have the right to effectuate payment on any and all Obligations due and owing hereunder by charging Borrowers' Account or by making Advances as provided in Section 2.2 hereof.

(d) Borrowers shall pay principal, interest, and all other amounts payable hereunder, or under any related agreement, without any deduction whatsoever, including, but not limited to, any deduction for any setoff or counterclaim.

2.7. Repayment of Excess Advances. The aggregate balance of Advances outstanding at any time in excess of the maximum amount of Advances permitted hereunder shall be immediately due and payable without the necessity of any demand, at the Payment Office, whether or not a Default or Event of Default has occurred.

2.8. Statement of Account. Agent shall maintain, in accordance with its customary procedures, a loan account ("Borrowers' Account") in the name of GPM in which shall be recorded the date and amount of each Advance made by Agent and the date and amount of each payment in respect thereof; provided, however, the failure by Agent to record the date and amount of any Advance shall not adversely affect Agent or any Lender. Each month, Agent shall send to Borrowing Agent a statement showing the accounting for the Advances made, payments made or credited in respect thereof, and other transactions between Agent and Borrowers during such month. The monthly statements shall be deemed correct and binding upon Borrowers in the absence of manifest error and shall constitute an account stated between Lenders and Borrowers unless Agent receives a written statement of Borrowers' specific exceptions thereto within thirty (30) days after such statement is received by Borrowing Agent. The records of Agent with respect to the loan account shall be conclusive evidence absent manifest error of the amounts of Advances and other charges thereto and of payments applicable thereto.

2.9. Letters of Credit. Subject to the terms and conditions hereof, Agent shall issue or cause the issuance of standby and/or trade letters of credit ("Letters of Credit") for the account of any Borrower; provided, however, that Agent will not be required to issue or cause to be issued any Letters of Credit to the extent that the issuance of such Letters of Credit would then cause the sum of (i) the outstanding Revolving Advances plus (ii) the outstanding Swing Loans, plus (iii) the Maximum Undrawn Amount of all outstanding Letters of Credit to exceed the least of (x) the Maximum Revolving Advance Amount or (y) the Formula Amount (without giving effect to Section 2.1(a)(y)(v)). The Maximum Undrawn Amount of outstanding Letters of Credit shall not exceed in the aggregate at any time the Letter of Credit Sublimit. All disbursements or payments related to Letters of Credit shall be deemed to be Domestic Rate Loans consisting of Revolving Advances and shall bear interest at the applicable Contract Rate; Letters of Credit that have not been drawn upon shall not bear interest.

2.10. Issuance of Letters of Credit.

(a) Borrowing Agent, on behalf of Borrowers, may request Agent to issue or cause the issuance of a Letter of Credit by delivering to Agent at the Payment Office, prior to 10:00 A.M., at least five (5) Business Days' prior to the proposed date of issuance, Agent's form of Letter of Credit Application (the "Letter of Credit Application") completed to the satisfaction of Agent; and, such other certificates, documents and other papers and information as Agent may reasonably request. Borrowing Agent, on behalf of Borrowers, also has the right to give instructions and make agreements with respect to any application, any applicable letter of credit and security agreement, any applicable letter of credit reimbursement agreement and/or any other applicable agreement, any letter of credit and the disposition of documents, disposition of any unutilized funds, and to agree with Agent upon any amendment, extension or renewal of any Letter of Credit.

(b) Each Letter of Credit shall, among other things, (i) provide for the payment of sight drafts, other written demands for payment, or acceptances of usance drafts when presented for honor thereunder in accordance with the terms thereof and when accompanied by the documents described therein and (ii) have an expiry date not later than twelve (12) months after such Letter of Credit's date of issuance and in no event later than the last day of the Term. Each standby Letter of Credit shall be subject either to the Uniform Customs and Practice for Documentary Credits as most recently published by the International Chamber of Commerce at

the time a Letter of Credit is issued (the "UCP") or the International Standby Practices (ISP98-International Chamber of Commerce Publication Number 590) (the "ISP98 Rules"), and any subsequent revision thereof at the time a standby Letter of Credit is issued, as determined by Agent, and each trade Letter of Credit shall be subject to the UCP.

(c) Agent shall use its reasonable efforts to notify Lenders of the request by Borrowing Agent for a Letter of Credit hereunder.

(d) Nothing contained in this Agreement shall be construed under any circumstances as an agreement by Agent and/or Lenders to extend the Term or require or obligate in any way Agent, Lenders and/or Issuer to make any Revolving Advances or to issue any new Letters of Credit (or extend or renew any existing Letters of Credit) on or after the last day of the Term.

2.11. Requirements For Issuance of Letters of Credit.

(a) Borrowing Agent shall authorize and direct any Issuer to name the applicable Borrower as the "Applicant" or "Account Party" of each Letter of Credit. If Agent is not the Issuer of any Letter of Credit, Borrowing Agent shall authorize and direct the Issuer to deliver to Agent all instruments, documents, and other writings and property received by the Issuer pursuant to the Letter of Credit and to accept and rely upon Agent's instructions and agreements with respect to all matters arising in connection with the Letter of Credit, the application therefor or any acceptance thereof.

(b) In connection with all Letters of Credit issued or caused to be issued by Agent under this Agreement, each Borrower hereby appoints Agent, or its designee, as its attorney, with full power and authority if an Event of Default shall have occurred, (i) to sign and/or endorse such Borrower's name upon any warehouse or other receipts, letter of credit applications and acceptances, (ii) to sign such Borrower's name on bills of lading; (iii) to clear Inventory through the United States of America Customs Department ("Customs") in the name of such Borrower or Agent or Agent's designee, and to sign and deliver to Customs officials powers of attorney in the name of such Borrower for such purpose; and (iv) to complete in such Borrower's name or Agent's, or in the name of Agent's designee, any order, sale or transaction, obtain the necessary documents in connection therewith, and collect the proceeds thereof. Neither Agent nor its attorneys will be liable for any acts or omissions nor for any error of judgment or mistakes of fact or law, except for Agent's or its attorney's gross negligence or willful misconduct. This power, being coupled with an interest, is irrevocable as long as any Letters of Credit remain outstanding.

2.12. Disbursements, Reimbursement.

(a) Immediately upon the issuance of each Letter of Credit, each Lender holding a Revolving Commitment Percentage shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from Agent a participation in such Letter of Credit and each drawing thereunder in an amount equal to such Lender's Revolving Commitment Percentage of the Maximum Face Amount of such Letter of Credit and the amount of such drawing, respectively.

(b) In the event of any request for a drawing under a Letter of Credit by the beneficiary or transferee thereof, Agent will promptly notify Borrowing Agent. Provided that Borrowing Agent shall have received such notice, the Borrowers shall reimburse (such obligation to reimburse Agent shall sometimes be referred to as a "Reimbursement Obligation") Agent prior to 12:00 Noon, on each date that an amount is paid by Agent under any Letter of Credit (each such date, a "Drawing Date") in an amount equal to the amount so paid by Agent. In the event Borrowers fail to reimburse Agent for the full amount of any drawing under any Letter of Credit by 12:00 Noon, on the Drawing Date, Agent will promptly notify each Lender holding a Revolving Commitment Percentage thereof, and Borrowers shall be deemed to have requested that a Revolving Advance maintained as a Domestic Rate Loan be made by the Lenders holding a Revolving Commitment Percentages to be disbursed on the Drawing Date under such Letter of Credit, subject to the amount of the unutilized portion of the least of (i) the Maximum Revolving Advance Amount, less the Maximum Undrawn Amount of all outstanding Letters of Credit, (ii) the Formula Amount or (iii) the Average Cash Collection, and, in each case, subject to Section 8.2 hereof. Any notice given by Agent pursuant to this Section 2.12(b) may be oral if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(c) Each Lender holding a Revolving Commitment Percentage shall upon any notice pursuant to Section 2.12(b) make available to Agent an amount in immediately available funds equal to its Revolving Commitment Percentage of the amount of the drawing, whereupon the participating Lenders shall (subject to Section 2.12(d)) each be deemed to have made a Revolving Advance maintained as a Domestic Rate Loan to Borrowers in that amount. If any Lender holding a Revolving Commitment Percentage so notified fails to make available to Agent the amount of such Lender's Revolving Commitment Percentage of such amount by no later than 2:00 P.M., on the Drawing Date, then interest shall accrue on such Lender's obligation to make such payment, from the Drawing Date to the date on which such Lender makes such payment (i) at a rate per annum equal to the Federal Funds Effective Rate during the first (3) three days following the Drawing Date and (ii) at a rate per annum equal to the rate applicable to Revolving Advances maintained as a Domestic Rate Loans on and after the fourth day following the Drawing Date. Agent will promptly give notice of the occurrence of the Drawing Date, but failure of Agent to give any such notice on the Drawing Date or in sufficient time to enable any Lender holding a Revolving Commitment Percentage to effect such payment on such date shall not relieve such Lender from its obligation under this Section 2.12(c), provided that such Lender shall not be obligated to pay interest as provided in Section 2.12(c) (i) and (ii) until and commencing from the date of receipt of notice from Agent of a drawing.

(d) With respect to any unreimbursed drawing that is not converted into a Revolving Advance maintained as a Domestic Rate Loan to Borrowers in whole or in part as contemplated by Section 2.12(b), because of Borrowers' failure to satisfy the conditions set forth in Section 8.2 hereof (other than any notice requirements) or for any other reason, Borrowers shall be deemed to have incurred from Agent a borrowing (each a "Letter of Credit Borrowing") in the amount of such drawing. Such Letter of Credit Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the rate per annum applicable to a Revolving Advance maintained as a Domestic Rate Loan. Each Lender's payment to Agent pursuant to Section 2.12(c) shall be deemed to be a payment in respect of its participation in such Letter of Credit Borrowing and shall constitute a "Participation Advance" from such Lender in satisfaction of its Participation Commitment under this Section 2.12.

(e) Each Lender's Participation Commitment shall continue until the last to occur of any of the following events: (x) Agent ceases to be obligated to issue or cause to be issued Letters of Credit hereunder; (y) no Letter of Credit issued or created hereunder remains outstanding and uncancelled; and (z) all Persons (other than the Borrowers) have been fully reimbursed for all payments made under or relating to Letters of Credit.

2.13. Repayment of Participation Advances.

(a) Upon (and only upon) receipt by Agent for its account of immediately available funds from Borrowers (i) in reimbursement of any payment made by the Agent under the Letter of Credit with respect to which any Lender has made a Participation Advance to Agent, or (ii) in payment of interest on such a payment made by Agent under such a Letter of Credit, Agent will pay to each Lender, in the same funds as those received by Agent, the amount of such Lender's Revolving Commitment Percentage of such funds, except Agent shall retain the amount of the Revolving Commitment Percentage of such funds of any Lender that did not make a Participation Advance in respect of such payment by Agent (and, to the extent that any of the other Lender(s) holding the Revolving Commitment have funded any portion such Defaulting Lender's Participation Advance in accordance with the provisions of Section 2.23, Agent will pay over to such Non-Defaulting Lenders a pro rata portion of the funds so withheld from such Defaulting Lender).

(b) If Agent is required at any time to return to any Borrower, or to a trustee, receiver, liquidator, custodian, or any official in any insolvency proceeding, any portion of the payments made by Borrowers to Agent pursuant to Section 2.13(a) in reimbursement of a payment made under the Letter of Credit or interest or fee thereon, each Lender holding a Revolving Commitment Percentage shall, on demand of Agent, forthwith return to Agent the amount of its Revolving Commitment Percentage of any amounts so returned by Agent plus interest at the Federal Funds Effective Rate.

2.14. Documentation. Each Borrower agrees to be bound by the terms of the Letter of Credit Application and by Agent's reasonable interpretations of any Letter of Credit issued on behalf of such Borrower and by Agent's written regulations and customary practices relating to letters of credit, though Agent's interpretations may be different from such Borrower's own. In the event of a conflict between the Letter of Credit Application and this Agreement, this Agreement shall govern. It is understood and agreed that, except in the case of gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment), Agent shall not be liable for any error, negligence and/or mistakes, whether of omission or commission, in following the Borrowing Agent's or any Borrower's instructions or those contained in the Letters of Credit or any modifications, amendments or supplements thereto.

2.15. Determination to Honor Drawing Request. In determining whether to honor any request for drawing under any Letter of Credit by the beneficiary thereof, Agent shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit and that any other drawing condition appearing on the face of such Letter of Credit has been satisfied in the manner so set forth.

2.16. Nature of Participation and Reimbursement Obligations. Each Lender's obligation in accordance with this Agreement to make the Revolving Advances or Participation Advances as a result of a drawing under a Letter of Credit, and the obligations of Borrowers to reimburse Agent upon a draw under a Letter of Credit, shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Section 2.16 under all circumstances, including the following circumstances:

(i) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against Agent, any Borrower or any other Person for any reason whatsoever;

(ii) the failure of any Borrower or any other Person to comply, in connection with a Letter of Credit Borrowing, with the conditions set forth in this Agreement for the making of a Revolving Advance, it being acknowledged that such conditions are not required for the making of a Letter of Credit Borrowing and the obligation of the Lenders to make Participation Advances under Section 2.12;

(iii) any lack of validity or enforceability of any Letter of Credit;

(iv) any claim of breach of warranty that might be made by Borrower or any Lender against the beneficiary of a Letter of Credit, or the existence of any claim, set-off, recoupment, counterclaim, cross-claim, defense or other right which any Borrower or any Lender may have at any time against a beneficiary, any successor beneficiary or any transferee of any Letter of Credit or the proceeds thereof (or any Persons for whom any such transferee may be acting), Agent or any Lender or any other Person, whether in connection with this Agreement, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between any Borrower or any Subsidiaries of such Borrower and the beneficiary for which any Letter of Credit was procured);

(v) the lack of power or authority of any signer of (or any defect in or forgery of any signature or endorsement on) or the form of or lack of validity, sufficiency, accuracy, enforceability or genuineness of any draft, demand, instrument, certificate or other document presented under or in connection with any Letter of Credit, or any fraud or alleged fraud in connection with any Letter of Credit, or the transport of any property or provisions of services relating to a Letter of Credit, in each case even if Agent or any of Agent's Affiliates has been notified thereof;

(vi) payment by Agent under any Letter of Credit against presentation of a demand, draft or certificate or other document which does not comply with the terms of such Letter of Credit;

(vii) the solvency of, or any acts or omissions by, any beneficiary of any Letter of Credit, or any other Person having a role in any transaction or obligation relating to a Letter of Credit, or the existence, nature, quality, quantity, condition, value or other characteristic of any property or services relating to a Letter of Credit;

(viii) any failure by the Agent or any of Agent's Affiliates to issue any Letter of Credit in the form requested by Borrowing Agent, unless the Agent has received written notice from Borrowing Agent of such failure within three (3) Business Days after the Agent shall have furnished Borrowing Agent a copy of such Letter of Credit and such error is material and no drawing has been made thereon prior to receipt of such notice;

(ix) any Material Adverse Effect;

(x) any breach of this Agreement or any Other Document by any party thereto;

(xi) the occurrence or continuance of an insolvency proceeding with respect to any Borrower or any Guarantor;

(xii) the fact that a Default or Event of Default shall have occurred and be continuing;

(xiii) the fact that the Term shall have expired or this Agreement or the Obligations hereunder shall have been terminated; and

(xiv) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

2.17. Indemnity. In addition to amounts payable as provided in Section 16.5(a), each Borrower hereby agrees to protect, indemnify, pay and save harmless Agent and any of Agent's Affiliates that have issued a Letter of Credit from and against any and all claims, demands, liabilities, damages, taxes, penalties, interest, judgments, losses, costs, charges and expenses (including reasonable fees, expenses and disbursements of counsel and allocated costs of internal counsel) which the Agent or any of Agent's Affiliates may incur or be subject to as a consequence, direct or indirect, of the issuance of any Letter of Credit, other than as a result of (a) the gross negligence or willful misconduct of the Agent as determined by a final and non-appealable judgment of a court of competent jurisdiction or (b) the wrongful dishonor by the Agent or any of Agent's Affiliates of a proper demand for payment made under any Letter of Credit, except if such dishonor resulted from any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Governmental Body (all such acts or omissions herein called "Governmental Acts").

2.18. Liability for Acts and Omissions. As between Borrowers and Issuer, Swing Loan Lender, Agent and Lenders, each Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit by, the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the foregoing, Agent shall not be responsible for: (i) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for an issuance of any such Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged (even if Agent shall have been notified thereof); (ii) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or

ineffective for any reason; (iii) the failure of the beneficiary of any such Letter of Credit, or any other party to which such Letter of Credit may be transferred, to comply fully with any conditions required in order to draw upon such Letter of Credit or any other claim of any Borrower against any beneficiary of such Letter of Credit, or any such transferee, or any dispute between or among any Borrower and any beneficiary of any Letter of Credit or any such transferee; (iv) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, facsimile, telex or otherwise, whether or not they be in cipher; (v) errors in interpretation of technical terms; (vi) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof; (vii) the misapplication by the beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (viii) any consequences arising from causes beyond the control of Agent, including any governmental acts, and none of the above shall affect or impair, or prevent the vesting of, any of Agent's rights or powers hereunder. Nothing in the preceding sentence shall relieve Agent from liability for Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment) in connection with actions or omissions described in such clauses (i) through (viii) of such sentence. In no event shall Agent or Agent's Affiliates be liable to any Borrower for any indirect, consequential, incidental, punitive, exemplary or special damages or expenses (including without limitation attorneys' fees), or for any damages resulting from any change in the value of any property relating to a Letter of Credit.

Without limiting the generality of the foregoing, Agent and each of its Affiliates: (i) may rely on any oral or other communication believed in good faith by Agent or such Affiliate to have been authorized or given by or on behalf of the applicant for a Letter of Credit; (ii) may honor any presentation if the documents presented appear on their face substantially to comply with the terms and conditions of the relevant Letter of Credit; (iii) may honor a previously dishonored presentation under a Letter of Credit, whether such dishonor was pursuant to a court order, to settle or compromise any claim of wrongful dishonor, or otherwise, and shall be entitled to reimbursement to the same extent as if such presentation had initially been honored, together with any interest paid by Agent or its Affiliates; (iv) may honor any drawing that is payable upon presentation of a statement advising negotiation or payment, upon receipt of such statement (even if such statement indicates that a draft or other document is being delivered separately), and shall not be liable for any failure of any such draft or other document to arrive, or to conform in any way with the relevant Letter of Credit; (v) may pay any paying or negotiating bank claiming that it rightfully honored under the laws or practices of the place where such bank is located; and (vi) may settle or adjust any claim or demand made on Agent or its Affiliate in any way related to any order issued at the applicant's request to an air carrier, a letter of guarantee or of indemnity issued to a carrier or any similar document (each an "Order") and honor any drawing in connection with any Letter of Credit that is the subject of such Order, notwithstanding that any drafts or other documents presented in connection with such Letter of Credit fail to conform in any way with such Letter of Credit.

In furtherance and extension and not in limitation of the specific provisions set forth above, any action taken or omitted by Agent under or in connection with the Letters of Credit issued by it or any documents and certificates delivered thereunder, if taken or omitted in good faith and without gross negligence (as determined by a court of competent jurisdiction in a final non-appealable judgment), shall not put Agent under any resulting liability to any Borrower or any Lender.

2.19. Additional Payments. Any sums expended by Agent or any Lender due to any Borrower's failure to perform or comply with its obligations under this Agreement or any Other Document including any Borrower's obligations under Sections 3.4, 4.2, 4.4, 4.12, 4.13, 4.14 and 6.1 hereof, may be charged to Borrowers' Account as a Revolving Advance and added to the Obligations.

2.20. Manner of Borrowing and Payment

(a) Each borrowing of Revolving Advances shall be advanced according to the applicable Revolving Commitment Percentages of Lenders. Each borrowing of Swing Loans shall be advanced by Swing Loan Lender alone.

(b) Promptly after receipt by Agent of a request or a deemed request for a Revolving Advance pursuant to Section 2.2(a) hereof and, with respect to Revolving Advances, to the extent Agent elects not to provide a Swing Loan or the making of a Swing Loan would result in the aggregate amount of all outstanding Swing Loans exceeding the maximum amount permitted in Section 2.4(a) hereof, Agent shall notify the Revolving Lenders of its receipt of such request specifying the information provided by Borrowing Agent and the apportionment among Lenders of the requested Revolving Advance as determined by Agent in accordance with the terms hereof. Each Lender shall remit the principal amount of each Revolving Advance to Agent such that Agent is able to, and Agent shall, to the extent the applicable Lenders have made funds available to it for such purpose and subject to Section 8.2 hereof, fund such Revolving Advance to Borrowers in U.S. Dollars and immediately available funds at the Payment Office prior to the close of business, on the applicable borrowing date; provided that if any applicable Lender fails to remit such funds to Agent in a timely manner, Agent may elect in its sole discretion to fund with its own funds the Revolving Advance of such Lender on such borrowing date, and such Lender shall be subject to the repayment obligation in Section 2.20(c) hereof.

(c) Agent, on behalf of Swing Loan Lender, shall demand settlement (a "Settlement") of all or any Swing Loans with Revolving Lenders on at least a weekly basis, or on any more frequent date that Agent elects or that Swing Loan Lender at its option exercisable for any reason whatsoever may request, by notifying Revolving Lenders of such requested Settlement by facsimile, telephonic or electronic transmission no later than 3:00 p.m. on the date of such requested Settlement (the "Settlement Date"). Subject to any contrary provisions of Section 2.23 hereof, each Revolving Lender shall transfer the amount of such Lender's Revolving Commitment Percentage of the outstanding principal amount (plus interest accrued thereon to the extent requested by Agent) of the applicable Swing Loan with respect to which Settlement is requested by Agent, to such account of Agent as Agent may designate not later than 5:00 p.m. on such Settlement Date if requested by Agent by 3:00 p.m., otherwise not later than 5:00 p.m. on the next Business Day. Settlements may occur at any time notwithstanding that the conditions precedent to making Revolving Advances set forth in Section 8.2 hereof have not been satisfied or the Revolving Commitments shall have otherwise been terminated at such time. All amounts so transferred to Agent shall be applied against the amount of outstanding Swing Loans and, when so applied shall constitute Revolving Advances of such Lenders accruing interest as Domestic Rate Loans. If any such amount is not transferred to Agent by any Revolving Lender on such Settlement Date, Agent shall be entitled to recover such amount on demand from such Lender together with interest thereon as specified in Section 2.20(c) hereof.

(d) If any Lender or Participant (a "Benefited Lender") shall at any time receive any payment of all or part of its Advances, or interest thereon, or receive any Collateral in respect thereof (whether voluntarily or involuntarily or by set-off) in a greater proportion than any such payment to and Collateral received by any other Lender, if any, in respect of such other Lender's Advances, or interest thereon, and such greater proportionate payment or receipt of Collateral is not expressly permitted hereunder, such Benefited Lender shall purchase for cash from the other Lenders a participation in such portion of each such other Lender's Advances, or shall provide such other Lender with the benefits of any such Collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such Collateral or proceeds ratably with each of the other Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest. Each Lender so purchasing a portion of another Lender's Advances may exercise all rights of payment (including rights of set-off) with respect to such portion as fully as if such Lender were the direct holder of such portion.

(e) Unless Agent shall have been notified by telephone, confirmed in writing, by any Lender that such Lender will not make the amount which would constitute its applicable Commitment Percentage of the Advances available to Agent, Agent may (but shall not be obligated to) assume that such Lender shall make such amount available to Agent on the next Settlement Date and, in reliance upon such assumption, make available to Borrowers a corresponding amount. Agent will promptly notify Borrowing Agent of its receipt of any such notice from a Lender. If such amount is made available to Agent on a date after such next Settlement Date, such Lender shall pay to Agent on demand an amount equal to the product of (i) the daily average Federal Funds Effective Rate (computed on the basis of a year of 360 days) during such period as quoted by Agent, times (ii) such amount, times (iii) the number of days from and including such Settlement Date to the date on which such amount becomes immediately available to Agent. A certificate of Agent submitted to any Lender with respect to any amounts owing under this paragraph (e) shall be conclusive, in the absence of manifest error. If such amount is not in fact made available to Agent by such Lender within three (3) Business Days after such Settlement Date, Agent shall be entitled to recover such an amount, with interest thereon at the rate per annum then applicable to such Revolving Advances hereunder, on demand from Borrowers; provided, however, that Agent's right to such recovery shall not prejudice or otherwise adversely affect Borrowers' rights (if any) against such Lender.

2.21. Mandatory Prepayments.

(a) Subject to Section 7.1(b) hereof and the Intercreditor Agreement, when any Borrower sells or otherwise disposes of any Collateral other than Inventory in the Ordinary Course of Business, Borrowers shall repay the Advances in an amount equal to the net proceeds of such sale (i.e., gross proceeds less the reasonable costs of such sales or other dispositions, and after the repayment of any outstanding debt required to be repaid in connection with such sale), such repayments to be made promptly but in no event more than (i) three (3) Business Days following

receipt of such net proceeds in the event the disposition resulted in net proceeds in excess of or equal to $200,000 and (ii) five (5) Business Days following receipt of such net proceeds in the event the disposition resulted in net proceeds less than $200,000, and until the date of payment, such proceeds shall be held in trust for Agent. The foregoing shall not be deemed to be implied consent to any such sale otherwise prohibited by the terms and conditions hereof. Such prepayments shall be applied to the Advances (including cash collateralization of all Obligations relating to any outstanding Letters of Credit in accordance with the provisions of Section 3.2(b) hereof; provided however that if no Default or Event of Default has occurred and is continuing, such prepayments shall be applied to cash collateralize any Obligations related to outstanding Letters of Credit last) in such order as Agent may determine, subject to Borrowers' ability to re-borrow Revolving Advances in accordance with the terms hereof.

(b) In the event that any Borrower receives Cure Proceeds with respect to a cure of a financial covenant in Section 6.5(a), Borrowers shall, immediately upon receipt thereof, repay the Advances in an amount equal to 100% of such Cure Proceeds.

2.22. Use of Proceeds.

(a) Borrowers shall apply the proceeds of Advances (i) to pay fees and expenses relating to the Transactions, (ii) to provide for their working capital needs and reimburse drawings under Letters of Credit, (iii) to acquire Inventory in connection with the Empire Acquisition in connection with the Maximum Revolving Advance Amount being increased pursuant to Section 2.25, (iv) to acquire Inventory in connection with any other Permitted Acquisition, (v) to pay diligence costs and closing costs in connection with Permitted Acquisitions or acquisitions that were not consummated and (vi) to pay other obligations to the extent permitted herein.

(b) Without limiting the generality of Section 2.22(a) above, neither the Borrowers, the Guarantors nor any other Person which may in the future become party to this Agreement or the Other Documents as a Borrower or Guarantor, intends to use nor shall they use any portion of the proceeds of the Advances, directly or indirectly, for any purpose in violation of any Applicable Law.

2.23. Defaulting Lender.

(a) Notwithstanding anything to the contrary contained herein, in the event any Lender is a Defaulting Lender, all rights and obligations hereunder of such Defaulting Lender and of the other parties hereto shall be modified to the extent of the express provisions of this Section 2.23 so long as such Lender is a Defaulting Lender.

(b)

(i) Except as otherwise expressly provided for in this Section 2.23, Revolving Advances shall be made pro rata from Lenders holding Revolving Commitments which are not Defaulting Lenders based on their respective Revolving Commitment Percentages, and no Revolving Commitment Percentage of any Lender or any pro rata share of any Revolving Advances required to be advanced by any Lender shall be increased as a result of any Lender being a Defaulting Lender. Amounts received in respect of principal of any type of Revolving Advances

shall be applied to reduce such type of Revolving Advances of each Lender (other than any Defaulting Lender) holding a Revolving Commitment in accordance with their Revolving Commitment Percentages; provided, that, Agent shall not be obligated to transfer to a Defaulting Lender any payments received by Agent for the Defaulting Lender's benefit, nor shall a Defaulting Lender be entitled to the sharing of any payments hereunder (including any principal, interest or fees). Amounts payable to a Defaulting Lender shall instead be paid to or retained by Agent. Agent may hold and, in its discretion, re-lend to a Borrower the amount of such payments received or retained by it for the account of such Defaulting Lender.

(ii) Fees pursuant to Section 3.3 hereof shall cease to accrue in favor of such Defaulting Lender.

(iii) If any Swing Loans are outstanding or any Letter of Credit Obligations (or drawings under any Letter of Credit for which the Issuer has not been reimbursed) are outstanding or exist at the time any such Lender holding a Revolving Commitment becomes a Defaulting Lender, then:

(A) the Defaulting Lender's Participation Commitment in the outstanding Swing Loans and of the Maximum Undrawn Amount of all outstanding Letters of Credit shall be reallocated among the Non-Defaulting Lenders holding Revolving Commitments in proportion to the respective Revolving Commitment Percentages of such Non-Defaulting Lenders to the extent (but only to the extent) that (x) such reallocation does not cause the aggregate sum of outstanding Revolving Advances made by any such Non-Defaulting Lender holding a Revolving Commitment plus such Lender's reallocated Participation Commitment in the outstanding Swing Loans plus such Lender's reallocated Participation Commitment in the aggregate Maximum Undrawn Amount of all outstanding Letters of Credit to exceed the Revolving Commitment Amount of any such Non-Defaulting Lender, and (y) no Default or Event of Default has occurred and is continuing at such time;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, the Borrowers shall within one Business Day following notice by the Agent (x) first, prepay any outstanding Swing Loans that cannot be reallocated, and (y) second, cash collateralize for the benefit of the Issuer the Borrowers' obligations corresponding to such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit (after giving effect to any partial reallocation pursuant to clause (A) above) in accordance with Section 3.2(b) for so long as such Obligations are outstanding;

(C) if the Borrowers cash collateralize any portion of such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit pursuant to clause (B) above, the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.2(a) with respect to such Defaulting Lender's Revolving Commitment Percentage of Maximum Undrawn Amount of all Letters of Credit during the period such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit are cash collateralized;

(D) if the Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit is reallocated pursuant to clause (A) above, then the fees payable to the Lenders holding Revolving Commitments pursuant to Section 3.2(a) shall be adjusted and reallocated to the Non-Defaulting Lenders holding Revolving Commitments in accordance with such reallocation; and

(E) if all or any portion of such Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit is neither reallocated nor cash collateralized pursuant to clause (A) or (B) above, then, without prejudice to any rights or remedies of the Issuer or any other Lender hereunder, all Letter of Credit Fees payable under Section 3.2(a) with respect to such Defaulting Lender's Revolving Commitment Percentage of the Maximum Undrawn Amount of all Letters of Credit shall be payable to the Issuer (and not to such Defaulting Lender) until (and then only to the extent that) such Revolving Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit is reallocated and/or cash collateralized.

(iv) So long as any Lender holding a Revolving Commitment is a Defaulting Lender, Swing Loan Lender shall not be required to fund any Swing Loans and the Issuer shall not be required to issue, amend or increase any Letter of Credit, unless such Issuer is satisfied that the related exposure and the Defaulting Lender's Participation Commitment in the Maximum Undrawn Amount of all Letters of Credit and all Swing Loans (after giving effect to any such issuance, amendment, increase or funding) will be fully allocated to the Non-Defaulting Lenders holding Revolving Commitments and/or cash collateral for such Letters of Credit will be provided by the Borrowers in accordance with clauses (A) and (B) above, and participating interests in any newly made Swing Loans or any newly issued or increased Letter of Credit shall be allocated among the Non-Defaulting Lenders in a manner consistent with Section 2.23(b)(iii)(A) above (and such Defaulting Lender shall not participate therein).

(c) A Defaulting Lender shall not be entitled to give instructions to Agent or to approve, disapprove, consent to or vote on any matters relating to this Agreement and the Other Documents, and all amendments, waivers and other modifications of this Agreement and the Other Documents may be made without regard to a Defaulting Lender and, for purposes of the definition of "Required Lenders," a Defaulting Lender shall not be deemed to be a Lender, to have any outstanding Advances or a Commitment Percentage, provided, that this clause (c) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification described in clauses (i) or (ii) of Section 16.2(b).

(d) Other than as expressly set forth in this Section 2.23, the rights and obligations of a Defaulting Lender (including the obligation to indemnify Agent) and the other parties hereto shall remain unchanged. Nothing in this Section 2.23 shall be deemed to release any Defaulting Lender from its obligations under this Agreement and the Other Documents, shall alter such obligations, shall operate as a waiver of any default by such Defaulting Lender hereunder, or shall prejudice any rights which any Borrower, Agent or any Lender may have against any Defaulting Lender as a result of any default by such Defaulting Lender hereunder.

(e) In the event that the Agent, the Borrowers, Swing Loan Lender and the Issuer agree in writing that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Agent will so notify the parties hereto, and, if such cured Defaulting Lender is a Lender holding a Revolving Commitment, then Participation Commitments of the Lenders holding Revolving Commitments (including such cured Defaulting Lender) of the Swing Loans and Maximum Undrawn Amount of all outstanding Letters of Credit shall be reallocated to reflect the inclusion of such Lender's Revolving Commitment, and on such date such Lender shall purchase at par such of the Revolving Advances of the other Lenders as the Agent shall determine may be necessary in order for such Lender to hold such Revolving Advances in accordance with its Revolving Commitment Percentage.

(f) If Swing Loan Lender or Issuer has a good faith belief that any Lender holding a Revolving Commitment has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, Swing Loan Lender shall not be required to fund any Swing Loans and Issuer shall not be required to issue, amend or increase any Letter of Credit, unless Swing Loan Lender or Issuer, as the case may be, shall have entered into arrangements with the Borrower or such Lender, satisfactory to Issuer, as the case may be, to defease any risk to it in respect of such Lender hereunder.

2.24. Existing Indebtedness. This Agreement amends and restates the Existing Credit Agreement and the existing Indebtedness under the Existing Credit Agreement ("Existing Indebtedness"), subject to the prepayment of the Term Loans (as defined therein) thereunder, shall be deemed to constitute an Advance hereunder. The execution and delivery of this Agreement and the Other Documents, however, does not evidence or represent a refinancing, repayment, accord and/or satisfaction or novation of the Existing Indebtedness. All of the obligations of Borrowers to Agent and Lenders with respect to Advances to be made concurrently herewith or after the date hereof, whether made under the Existing Credit Agreement or this Agreement, are set forth in this Agreement. All liens and security interests previously granted to Agent, for the benefit of Lenders, pursuant to the Existing Loan Documents are acknowledged and reconfirmed (as amended and restated hereby and by the Other Documents) and remain in full force and effect and are not intended to be released, replaced or impaired. The Existing Letters of Credit shall be deemed to constitute an Advance under this Agreement for so long as such Existing Letters of Credit are outstanding.

III. INTEREST AND FEES.

3.1. Interest. Interest on Advances shall be payable in arrears on the tenth (10th) day of each month with respect to Domestic Rate Loans and, with respect to LIBOR Rate Loans, at the end of each Interest Period. Interest charges shall be computed on the actual principal amount of Advances outstanding during the month at a rate per annum equal to the applicable Revolving Interest Rate (as applicable, the "Contract Rate"). Whenever, subsequent to the date of this Agreement, the Alternate Base Rate is increased or decreased, the applicable Contract Rate for Domestic Rate Loans shall be similarly changed without notice or demand of any kind by an amount equal to the amount of such change in the Alternate Base Rate during the time such change

or changes remain in effect. The LIBOR Rate shall be adjusted with respect to LIBOR Rate Loans without notice or demand of any kind on the effective date of any change in the Reserve Percentage as of such effective date. Upon and after the occurrence of an Event of Default, and during the continuation thereof, (i) at the option of Agent or at the direction of Required Lenders, the Obligations other than LIBOR Rate Loans shall bear interest at the applicable Contract Rate for Domestic Rate Loans plus two (2%) percent per annum and (ii) LIBOR Rate Loans shall bear interest at the Revolving Interest Rate for LIBOR Rate Loans plus two (2%) percent per annum (as applicable, the "Default Rate").

3.2. Letter of Credit Fees.

(a) Borrowers shall pay (x) to Agent, for the ratable benefit of Lenders holding a Revolving Commitment Percentage, fees for each Letter of Credit for the period from and excluding the date of issuance of same to and including the date of expiration or termination, equal to the aggregate daily face amount of each outstanding Letter of Credit multiplied by the Applicable Margin for Letter of Credit Fees, such fees to be calculated on the basis of a 360-day year for the actual number of days elapsed and to be payable quarterly in arrears on the first day of each quarter and on the last day of the Term, and (y) to the Issuer, a fronting fee of one eighth of one percent (0.125%) per annum, together with any and all administrative, issuance, amendment, payment and negotiation charges with respect to Letters of Credit and all fees and expenses as agreed upon by the Issuer and the Borrowing Agent in connection with any Letter of Credit, including in connection with the opening, amendment or renewal of any such Letter of Credit and any acceptances created thereunder and shall reimburse Agent for any and all fees and expenses, if any, paid by Agent to the Issuer (all of the foregoing fees, the "Letter of Credit Fees"). All Letter of Credit Fees shall be deemed earned in full on the date when the same are due and payable hereunder and shall not be subject to rebate or pro-ration upon the termination of this Agreement for any reason. Any such charge in effect at the time of a particular transaction shall be the charge for that transaction, notwithstanding any subsequent change in the Issuer's prevailing charges for that type of transaction. Upon and after the occurrence of an Event of Default, and during the continuation thereof, at the option of Agent or at the direction of Required Lenders, the Letter of Credit Fees described in clause (x) of this Section 3.2(a) shall be increased by an additional two percent (2.0%) per annum.

(b) At any time following the occurrence and during the continuance of any Event of Default or the expiration of the Term, Borrowers will cause cash to be deposited and maintained in an account with Agent, as cash collateral, in an amount equal to one hundred five percent (105%) of the Maximum Undrawn Amount of all outstanding Letters of Credit, and each Borrower hereby irrevocably authorizes Agent, in its discretion, on such Borrower's behalf and in such Borrower's name, to open such an account and to make and maintain deposits therein, or in an account opened by such Borrower, in the amounts required to be made by such Borrower, out of the proceeds of Receivables or other Collateral or out of any other funds of such Borrower coming into any Lender's possession at any time. Agent will invest such cash collateral (less applicable reserves) in such short-term money-market items as to which Agent and such Borrower mutually agree and the net return on such investments shall be credited to such account and constitute additional cash collateral. No Borrower may withdraw amounts credited to any such account except upon the occurrence of all of the following: (x) payment and performance in full of all Obligations; (y) expiration of all Letters of Credit; and (z) termination of this Agreement.

3.3. Reserved.

3.4. Payment of Fees.

(a) Borrowers shall pay the amounts required to be paid in the Fee Letter in the manner and at the times required by the Fee Letter.

(b) All of the fees and out-of-pocket costs and expenses of any appraisals conducted pursuant to Section 4.21 hereof shall be paid for when due, in full and without off-set, by Borrowers.

3.5. Computation of Interest and Fees. Interest and fees hereunder shall be computed on the basis of a year of 360 days and for the actual number of days elapsed. If any payment to be made hereunder becomes due and payable on a day other than a Business Day, the due date thereof shall be extended to the next succeeding Business Day and interest thereon shall be payable at the applicable Contract Rate during such extension.

3.6. Maximum Charges. In no event whatsoever shall interest and other charges charged hereunder exceed the highest rate permissible under law. In the event interest and other charges as computed hereunder would otherwise exceed the highest rate permitted under law, such excess amount shall be first applied to any unpaid principal balance owed by Borrowers, and if the then remaining excess amount is greater than the previously unpaid principal balance, Lenders shall promptly refund such excess amount to Borrowers and the provisions hereof shall be deemed amended to provide for such permissible rate.

3.7. Increased Costs. In the event that any Applicable Law or any Change in Law or compliance by any Lender (for purposes of this Section 3.7, the term "Lender" shall include Agent, Swing Loan Lender, any Issuer or Lender and any corporation or bank controlling Agent, any Lender or Issuer and the office or branch where Agent, Swing Loan Lender, any Lender or Issuer (as so defined) makes or maintains any LIBOR Rate Loans) with any request or directive (whether or not having the force of law) from any central bank or other financial, monetary or other authority, shall:

(a) subject Agent, Swing Loan Lender, any Lender or Issuer to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any LIBOR Rate Loan, or change the basis of taxation of payments to Agent, such Lender or Issuer in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 3.10 and the imposition of, or any change in the rate of, any Excluded Tax payable by Agent, such Lender or the Issuer);

(b) impose, modify or deem applicable any reserve, special deposit, assessment, compulsory loan, insurance charge or similar requirement against assets held by, or deposits in or for the account of, advances or loans by, or other credit extended by, any office of Agent, Swing Loan Lender, Issuer or any Lender, including pursuant to Regulation D of the Board of Governors of the Federal Reserve System; or

(c) impose on Agent, Swing Loan Lender, any Lender or Issuer (or the London interbank LIBOR market) any other condition, loss or expense (other than Taxes) affecting this Agreement or any Other Document or any Advance made by any Lender, or any Letter of Credit or participation therein;

and the result of any of the foregoing is to increase the cost to Agent, Swing Loan Lender any Lender or Issuer of making, converting to, continuing, renewing or maintaining its Advances hereunder by an amount that Agent, Swing Loan Lender, such Lender or Issuer deems to be material or to reduce the amount of any payment (whether of principal, interest or otherwise) in respect of any of the Advances by an amount that Agent, Swing Loan Lender, such Lender or Issuer deems to be material, then, in any case Borrowers shall promptly pay Agent, Swing Loan Lender, such Lender or Issuer, within five (5) days of receiving a reasonably detailed written demand therefor, such additional amount as will compensate Agent, Swing Loan Lender, such Lender or Issuer for such additional cost or such reduction, as the case may be, provided that the foregoing shall not apply to increased costs which are reflected in the LIBOR Rate, as the case may be. Agent, Swing Loan Lender, such Lender or Issuer shall certify the amount of such additional cost or reduced amount to Borrowing Agent, and such certification shall be conclusive absent manifest error. Each Lender shall give prompt notice to Borrowers of any claim for additional amounts pursuant to this Section 3.7; provided, that any failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.7 shall not constitute a waiver of such Lender's right to demand such compensation; provided further, the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.7 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrowers of the Change in Law or other circumstance giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, the six month period referred to above shall be extended to include the period of retroactive effect thereof).

3.8. Alternate Rate of Interest.

(a) Interest Rate Inadequate or Unfair. In the event that Agent or any Lender shall have determined that:

(i) reasonable means do not exist for ascertaining the LIBOR Rate applicable pursuant to Section 2.2 hereof for any Interest Period; or

(ii) Dollar deposits in the relevant amount and for the relevant maturity are not available in the London interbank LIBOR market, with respect to an outstanding LIBOR Rate Loan, a proposed LIBOR Rate Loan, or a proposed conversion of a Domestic Rate Loan into a LIBOR Rate Loan,

(iii) the making, maintenance or funding of any LIBOR Rate Loan has been made impracticable or unlawful by compliance by Agent or such Lender in good faith with any Applicable Law or any interpretation or application thereof by any Governmental Body or with any request or directive of any such Governmental Body (whether or not having the force of law), or

(iv) the LIBOR Rate will not adequately and fairly reflect the cost to such Lender of the establishment or maintenance of any LIBOR Rate Loan,

then Agent shall give Borrowing Agent prompt written or telephonic notice of such determination. If such notice is given prior to a Benchmark Replacement Date (as defined below), (i) any such requested LIBOR Rate Loan shall be made as a Domestic Rate Loan, unless Borrowing Agent shall notify Agent no later than 10:00 A.M. two (2) Business Days prior to the date of such proposed borrowing, that its request for such borrowing shall be cancelled or made as an unaffected type of LIBOR Rate Loan, (ii) any Domestic Rate Loan or LIBOR Rate Loan which was to have been converted to an affected type of LIBOR Rate Loan shall be continued as or converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 10:00 A.M. two (2) Business Days prior to the proposed conversion, shall be maintained as an unaffected type of LIBOR Rate Loan, and (iii) any outstanding affected LIBOR Rate Loans shall be converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 10:00 A.M. two (2) Business Days prior to the last Business Day of the then current Interest Period applicable to such affected LIBOR Rate Loan, shall be converted into an unaffected type of LIBOR Rate Loan, on the last Business Day of the then current Interest Period for such affected LIBOR Rate Loans. Until such notice has been withdrawn, Lenders shall have no obligation to make an affected type of LIBOR Rate Loan or maintain outstanding affected LIBOR Rate Loans and no Borrower shall have the right to convert a Domestic Rate Loan or an unaffected type of LIBOR Rate Loan into an affected type of LIBOR Rate Loan.

(b) Successor LIBOR Rate Index.

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in the Other Documents, if the Agent determines that a Benchmark Transition Event or an Early Opt-in Event has occurred, the Agent may amend this Agreement to replace the LIBOR Rate with a Benchmark Replacement in accordance with this Section 3.8(b); and any such amendment shall be in writing, shall specify the date that the Benchmark Replacement is effective and will not require any further action or consent of any other party to this Agreement, including the Borrowers. Until the Benchmark Replacement is effective, each advance, conversion and renewal of a LIBOR Rate Loan will continue to bear interest with reference to the LIBOR Rate; provided, however, during a Benchmark Unavailability Period (A) any pending selection of, conversion to or renewal of a LIBOR Rate Loan that has not yet gone into effect shall be deemed to be a selection of, conversion to or renewal of a Domestic Rate Loan, (B) all outstanding LIBOR Rate Loans shall automatically be converted to Domestic Rate Loans at the expiration of the existing Interest Period (or sooner, if Agent cannot continue to lawfully maintain such affected LIBOR Rate Loan) and (C) the component of the Alternate Base Rate based upon the LIBOR Rate will not be used in any determination of the Alternate Base Rate.

(ii) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in the Other Documents, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iii) Notices; Standards for Decisions and Determinations. The Agent will promptly notify the Borrowers of (A) the effectiveness of any Benchmark Replacement Conforming Changes and (B) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Agent pursuant to this Section 3.8(b) including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.8(b).

(iv) Certain Defined Terms. As used in this Section 3.8(b).

"Benchmark Replacement" means the sum of: (a) the alternate benchmark rate that has been selected by the Agent and the Borrowers giving due consideration to (i) any selection or recommendation of a replacement rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a rate of interest as a replacement to the LIBOR Rate for U.S. dollar-denominated credit facilities and (b) the Benchmark Replacement Adjustment; provided that, if the Benchmark Replacement as so determined would be less than zero, the Benchmark Replacement will be deemed to be zero for the purposes of this Agreement.

"Benchmark Replacement Adjustment" means, with respect to any replacement of the LIBOR Rate with an alternate benchmark rate for each applicable Interest Period, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Agent and the Borrowers (a) giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the LIBOR Rate with the applicable Benchmark Replacement (excluding such spread adjustment) by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for such replacement of the LIBOR Rate for U.S. dollar denominated credit facilities at such time and (b) which may also reflect adjustments to account for (i) the effects of the transition from the LIBOR Rate to the Benchmark Replacement and (ii) yield- or risk-based differences between the LIBOR Rate and the Benchmark Replacement.

"Benchmark Replacement Conforming Changes" means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "Base Rate," the definition of "Interest Period," timing and frequency of determining rates and making payments of interest and other administrative matters) that the Agent decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Agent in a manner substantially consistent with market practice (or, if the Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Agent determines that no market practice for the administration of the Benchmark Replacement exists, in such other manner of administration as the Agent decides is reasonably necessary in connection with the administration of this Agreement).

"Benchmark Replacement Date" means the earlier to occur of the following events with respect to the LIBOR Rate:

(1) in the case of clause (1) or (2) of the definition of "Benchmark Transition Event," the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of the LIBOR Rate permanently or indefinitely ceases to provide the LIBOR Rate; or

(2) in the case of clause (3) of the definition of "Benchmark Transition Event," the date of the public statement or publication of information referenced therein.

"Benchmark Transition Event" means the occurrence of one or more of the following events with respect to the LIBOR Rate:

(1) a public statement or publication of information by or on behalf of the administrator of the LIBOR Rate announcing that such administrator has ceased or will cease to provide the LIBOR Rate, permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the LIBOR Rate;

(2) a public statement or publication of information by a Governmental Body having jurisdiction over the Agent, the regulatory supervisor for the administrator of the LIBOR Rate, the U.S. Federal Reserve System, an insolvency official with jurisdiction over the administrator for the LIBOR Rate, a resolution authority with jurisdiction over the administrator for the LIBOR Rate or a court or an entity with similar insolvency or resolution authority over the administrator for the LIBOR Rate, which states that the administrator of the LIBOR Rate has ceased or will cease to provide the LIBOR Rate permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the LIBOR Rate; or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of the LIBOR Rate or a Governmental Body having jurisdiction over the Agent announcing that the LIBOR Rate is no longer representative.

"Benchmark Unavailability Period" means, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the LIBOR Rate and solely to the extent that the LIBOR Rate has not been replaced with a Benchmark Replacement, the period (x) beginning at the time that such Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the LIBOR Rate for all purposes hereunder in accordance with Section 3.8(b) and (y) ending at the time that a Benchmark Replacement has replaced the LIBOR Rate for all purposes hereunder pursuant to Section 3.8(b).

"Early Opt-in Event" means a determination by the Agent that U.S. dollar denominated credit facilities being executed at such time, or that include language similar to that contained in this Section 3.8(b), are being executed or amended, as applicable, to incorporate or adopt a new benchmark interest rate to replace the LIBOR Rate.

"Relevant Governmental Body" means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

3.9. Capital Adequacy.

(a) In the event that Agent, Swing Loan Lender, any Lender shall have determined that any Applicable Law or guideline regarding capital adequacy, or any Change in Law or any change in the interpretation or administration thereof by any Governmental Body, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by Agent, Swing Loan Lender, Issuer or any Lender (for purposes of this Section 3.9, the term "Lender" shall include Agent, Swing Loan Lender, Issuer or any Lender and any corporation or bank controlling Agent, Swing Loan Lender, any Lender and the office or branch where Agent, Swing Loan Lender, any Lender (as so defined) makes or maintains any LIBOR Rate Loans) with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on Agent, Swing Loan Lender, any Lender's capital as a consequence of its obligations hereunder (including the making of any Swing Loans) to a level below that which Agent, Swing Loan Lender, such Lender could have achieved but for such adoption, change or compliance (taking into consideration Agent's, Swing Loan Lender's, such Issuer's and such Lender's policies with respect to capital adequacy) by an amount deemed by Agent, Swing Loan Lender, any Lender, any Issuer to be material, then, from time to time, Borrowers shall pay, within ten (10) days of receiving a reasonably detailed written demand therefor, to Agent, Swing Loan Lender, such Issuer or such Lender such additional amount or amounts as will compensate Agent, Swing Loan Lender, such Issuer or such Lender for such reduction. In determining such amount or amounts, Agent, Swing Loan Lender, such Issuer or such Lender may use any reasonable averaging or attribution methods. The protection of this Section 3.9 shall be available to Agent, Swing Loan Lender, each Issuer and each Lender regardless of any possible contention of invalidity or inapplicability with respect to the Applicable Law, rule, regulation, guideline or condition.

(b) A certificate of Agent, Swing Loan Lender, such Issuer or such Lender setting forth such amount or amounts as shall be necessary to compensate Agent, Swing Loan Lender, such Issuer or such Lender with respect to Section 3.9(a) hereof when delivered to Borrowing Agent shall be conclusive absent manifest error.

(c) Each Lender shall give prompt notice to Borrowers of any claim for additional amounts pursuant to this Section 3.9; provided, that any failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.9 shall not constitute a waiver of such Lender's right to demand such compensation; provided further that the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.9 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrowers of the Change in Law or other circumstance giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, the six month period referred to above shall be extended to include the period of retroactive effect thereof).

3.10. Taxes.

(a) Any and all payments made to the Agent, Lender, Swing Loan Lender, Issuer or Participant (each, individually, a "Payee," and collectively, the "Payees") with respect to any Obligations hereunder or under any Other Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes; provided that if the Borrowers shall be required by Applicable Law to withhold or deduct any Taxes from such payments, then (i) if the Taxes are Indemnified Taxes, the sum payable shall be increased as necessary so that after making all required deductions or withholding for Indemnified Taxes (including deductions applicable to additional sums payable under this Section 3.10) the Payee or Payees, as the case may be, receives an amount equal to the sum it would have received had no such withholding or deductions been made (the "Gross-Up Payment"), (ii) if such Taxes are Excluded Taxes, the sum payable shall not be increased and any amount withheld or deducted by the Borrower pursuant to clause (iii) shall be treated as paid to such Payee or Payees, as the case may be, for all purposes under this Agreement and the Other Documents, (iii) the Borrowers shall make such withholding or deductions, and (iv) the Borrowers shall timely pay the full amount deducted to the relevant Governmental Body in accordance with Applicable Law.

(b) Without limiting the provisions of Section 3.10(a) above, the Borrowers shall timely pay any Other Taxes to the relevant Governmental Body in accordance with Applicable Law.

(c) Each Borrower shall indemnify Agent, each Lender, Swing Loan Lender, Issuer and any Participant, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by Agent, such Lender, Swing Loan Lender, Issuer, or such Participant, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Body. A certificate as to the amount of such payment or liability delivered to the Borrowers by any Lender, Participant, Swing Loan Lender or the Issuer (with a copy to Agent), or by Agent on its own behalf or on behalf of a Lender, Swing Loan Lender or the Issuer, shall be conclusive absent manifest error. The Borrowers shall not be required to compensate any Agent, Lender, Swing Loan Lender, Issuer, or Participant pursuant to the foregoing provisions of this Section 3.10 for any Indemnified Taxes paid more than nine (9) months prior to the date that such Agent, Lender, Swing Loan Lender, Issuer, or Participant notifies the Borrower of such payment of Indemnified Taxes and of such Agent, Lender, Swing Loan Lender, Issuer or Participant's intention to claim compensation therefor.

(d) As soon as practicable after any payment of Indemnified Taxes by any Borrower to a Governmental Body, the Borrowers shall deliver to Agent the original or a certified copy of a receipt issued by such Governmental Body evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Agent.

(e) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which any Borrower is formed or is resident for tax purposes, or under any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any Other Document shall deliver to the Borrowers (with a copy to Agent), at the time or times prescribed by Applicable Law or reasonably requested by the Borrowers or Agent, such properly completed and executed documentation prescribed by Applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. Notwithstanding the submission of such documentation claiming a reduced rate of or exemption from U.S. withholding tax, any Borrower or Agent shall be entitled to withhold United States federal income Taxes at the full 30% withholding rate if in its reasonable judgment it is required to do so under the due diligence requirements imposed upon a withholding agent under § 1.1441-7(b) of the United States income Tax Regulations, FATCA or other Applicable Law. Further, such Borrower or Agent is indemnified under § 1.1461-1(e) of the United States income Tax Regulations or against any claims and demands of any Lender, Issuer or permitted assignee or participant of a Lender or Issuer for the amount of any tax it deducts and withholds in accordance with regulations under § 1441 of the Code or FATCA. In addition, any Lender, if requested by the Borrowers or Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrowers or Agent as will enable the Borrowers or Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Without limiting the generality of the foregoing, in the event that any Borrower is resident for tax purposes in or formed under the laws of the United States of America, each State thereof and the District of Columbia, any Foreign Lender (or other Lender) shall deliver to the Borrowers and Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender (or other Lender) becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrowers or the Agent, but only if such Foreign Lender (or other Lender) is legally entitled to do so), whichever of the following is applicable:

(i) two (2) duly completed valid originals of IRS FormW-8BEN claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(ii) two (2) duly completed valid originals of IRS FormW-8ECI,

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrowers within the meaning of section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (y) two duly completed valid originals of IRS Form W-8BEN, or

(iv) any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in United States Federal withholding tax duly completed together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrowers to determine the withholding or deduction required to be made.

(f) To the extent that any Lender is not a Foreign Lender, such Lender shall submit to Agent two (2) originals of an IRS Form W-9 or any other form prescribed by Applicable Law reasonably requested by Borrowers or Agent demonstrating that such Lender is not a Foreign Lender and not subject to backup withholding.

(g) If a payment made to a Payee under any Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Person fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Payee shall deliver to the Agent (in the case of a Lender, Participant or Issuer) and the Borrowers (A) a certification signed by the chief financial officer, principal accounting officer, treasurer or controller of such Person, and (B) other documentation reasonably requested by the Agent or any Borrower sufficient for Agent and the Borrowers to comply with their obligations under FATCA and to determine that such Payee has complied with such applicable reporting requirements.

(h) If the Agent, a Lender, a Participant, Swing Loan Lender or the Issuer determines, in its sole discretion, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to this Section, it shall pay to the Borrowers an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund); net of all out-of-pocket expenses of the Agent, such Lender, Participant, Swing Loan Lender or the Issuer, as the case may be, and without interest (other than any interest paid by the relevant Governmental Body with respect to such refund), provided that the Borrowers, upon the request of the Agent, such Lender, Participant, Swing Loan Lender or the Issuer, agrees to repay the amount paid over to the Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Body) to the Agent, such Lender, Participant, Swing Loan Lender or the Issuer in the event the Agent, such Lender, Participant, Swing Loan Lender or the Issuer is required to repay such refund to such Governmental Body. This Section shall not be construed to require the Agent, any Lender, Participant, Swing Loan Lender or the Issuer to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrowers or any other Person.

3.11. Replacement of Lenders. If any Lender (an "Affected Lender") is a Defaulting Lender, Borrowers may, within ninety (90) days of such Lender becoming a Defaulting Lender, by notice (a "Replacement Notice") in writing to the Agent and such Affected Lender (i) request the Affected Lender to cooperate with Borrowers in obtaining a replacement Lender satisfactory to the Agent and Borrowers (the "Replacement Lender"); (ii) request the non-Affected Lenders to acquire and assume all of the Affected Lender's Advances and its Revolving Commitment Percentage, as provided herein, but none of such Lenders shall be under any obligation to do so; or (iii) propose a Replacement Lender subject to approval by the Agent in its good faith business judgment. If any satisfactory Replacement Lender shall be obtained, and/or if any one or more of the non-Affected Lenders shall agree to acquire and assume all of the Affected Lender's Advances and its Revolving Commitment Percentage, then such Affected Lender shall assign, in accordance with Section 16.3 hereof, all of its Advances and its Revolving Commitment Percentage and other rights and obligations under this Loan Agreement and the Other Documents to such Replacement Lender or non-Affected Lenders, as the case may be, in exchange for payment of the principal amount so assigned and all interest and fees accrued on the amount so assigned, *plus* all other Obligations then due and payable to the Affected Lender.

IV. COLLATERAL: GENERAL TERMS

4.1. Security Interest in the Collateral. To secure the prompt payment and performance to Agent and each Lender (and each other holder of any Obligations) of the Obligations, each of GPM Empire, GPM RE and GPM Gas Mart hereby assigns, pledges and grants to Agent for its benefit and for the ratable benefit of each Lender, a continuing security interest in and to and Lien on all of its Collateral, whether now owned or existing or hereafter created, acquired or arising and wherever located. Each other Borrower hereby acknowledges, confirms and agrees that Agent, for the ratable benefit of Lenders (and each other holder of any Obligations), has and shall continue to have a lien upon and security interests in all Collateral heretofore granted to Agent, for the benefit of Lenders, pursuant to the Existing Credit Agreement and the Existing Loan Documents to secure the Obligations and, to the extent not otherwise granted thereunder, to secure the prompt payment and performance to Agent and each Lender of the Obligations (and each other holder of any Obligations), each Borrower hereby assigns, pledges and grants to Agent for its benefit and for the ratable benefit of each Lender (and each other holder of any Obligations) a continuing security interest in and to and Lien on all of its Collateral, whether now owned or existing or hereafter acquired or arising and wheresoever located. Each Borrower shall mark its books and records as may be necessary or appropriate to evidence, protect and perfect Agent's security interest and shall cause its financial statements to reflect such security interest. Each Borrower shall promptly provide Agent with written notice of all commercial tort claims, such notice to contain the case title together with the applicable court and a brief description of the claim(s). Upon delivery of each such notice, such Borrower shall be deemed to hereby grant to Agent a security interest and lien in and to such commercial tort claims and all proceeds thereof.

4.2. Perfection of Security Interest. Each Borrower shall take all action that may be necessary or desirable, or that Agent may reasonably request, so as at all times to maintain the validity, perfection, enforceability and priority of Agent's security interest in and Lien on the Collateral or to enable Agent to protect, exercise or enforce its rights hereunder and in the Collateral, including, but not limited to, (a) immediately discharging all Liens other than Permitted Encumbrances, (b) obtaining Lien Waiver Agreements, (c) delivering to Agent, endorsed or accompanied by such instruments of assignment as Agent may reasonably specify, and stamping or marking, in such manner as Agent may reasonably specify, any and all chattel paper, instruments, letters of credits and advices thereof and documents evidencing or forming a part of the Collateral, (d) entering into warehousing, lockbox and other custodial arrangements reasonably satisfactory to Agent, and (e) executing and delivering financing statements, control agreements, instruments of pledge, mortgages, notices and assignments, in each case in form and substance satisfactory to Agent, relating to the creation, validity, perfection, maintenance or continuation of Agent's security interest and Lien under the Uniform Commercial Code or other Applicable Law. By its signature hereto, each Borrower hereby authorizes Agent to file against such Borrower, one or more financing, continuation or amendment statements pursuant to the Uniform Commercial Code in form and substance reasonably satisfactory to Agent (which statements may have a description of collateral which is broader than that set forth herein). All charges, expenses and fees Agent may incur in doing any of the foregoing, and any local taxes relating thereto, shall be charged to Borrowers' Account as a Revolving Advance of a Domestic Rate Loan and added to the Obligations, or, at Agent's option, shall be paid to Agent for its benefit and for the ratable benefit of Lenders immediately upon demand.

4.3. [Reserved].

4.4. Preservation of Collateral. Following the occurrence of a Default or Event of Default, in addition to the rights and remedies set forth in Section 11.1 hereof, Agent: (a) may at any time take such steps as Agent deems necessary to protect Agent's interest in and to preserve the Collateral, including the hiring of such security guards or the placing of other security protection measures as Agent may deem appropriate; (b) may employ and maintain at any of any Borrower's premises a custodian who shall have full authority to do all acts necessary to protect Agent's interests in the Collateral; (c) may lease warehouse facilities to which Agent may move all or part of the Collateral; (d) may use any Borrower's owned or leased lifts, hoists, trucks and other facilities or equipment for handling or removing the Collateral; and (e) shall have, and is hereby granted, a right of ingress and egress to the places where the Collateral is located, and may proceed over and through any of Borrowers' owned or leased property. Each Borrower shall cooperate fully with all of Agent's efforts to preserve the Collateral and will take such actions to preserve the Collateral as Agent may direct. All of Agent's expenses of preserving the Collateral, including any expenses relating to the bonding of a custodian, shall be charged to Borrowers' Account as a Revolving Advance maintained as a Domestic Rate Loan and added to the Obligations.

4.5. Ownership of Collateral.

(a) With respect to the Collateral, at the time the Collateral becomes subject to Agent's security interest: (i) each Borrower shall be the sole owner of and fully authorized and able to sell, transfer, pledge and/or grant a first priority security interest in each and every item of its respective Collateral to Agent; and, except for Permitted Encumbrances the Collateral shall be free and clear of all Liens and encumbrances whatsoever; (ii) each document and agreement executed by each Borrower or delivered to Agent or any Lender in connection with this Agreement shall be true and correct in all material respects; (iii) all signatures and endorsements of each Borrower that appear on such documents and agreements shall be genuine and each Borrower shall have full capacity to execute same; and (iv) each Borrower's Equipment and Inventory shall (I) be located as set forth on Schedule 4.5, (II) with respect to Inventory, constitute Inventory that is being sold on consignment and meets the requirements set forth in section (d) of the definition of "Eligible Inventory," or (III) with respect to Equipment, be Equipment that is located at open dealer locations in the Ordinary Course of Business, and in each such case must remain at one of such locations unless the prior written consent of Agent is obtained, except with respect to the sale of Inventory in the Ordinary Course of Business and Equipment to the extent permitted in Section 7.1(b) hereof and for Inventory in transit.

(b) (i) There is no location at which any Borrower has any Inventory (except for Inventory in transit) other than those locations listed on Schedule 4.5 (which schedule should specify which locations constitute Bailee Locations); (ii) Schedule 4.5 hereto contains a correct and complete list, as of the Closing Date, of the legal names and addresses of each warehouse at which Inventory of any Borrower is stored; none of the receipts received by any Borrower from any warehouse states that the goods covered thereby are to be delivered to bearer or to the order

of a named Person or to a named Person and such named Person's assigns; (iii) Schedule 4.5 hereto sets forth a correct and complete list as of the Closing Date of (A) each place of business of each Borrower and (B) the chief executive officer of each Borrower; and (iv) Schedule 4.5 hereto sets forth a correct and complete list as of the Closing Date of the location, by state and street address, of all Real Property owned or leased by each Borrower, together with the names and addresses of any landlords.

4.6. Defense of Agent's and Lenders' Interests. Until (a) payment and performance in full of all of the Obligations and (b) termination of this Agreement, Agent's interests in the Collateral shall continue in full force and effect. During such period no Borrower shall, without Agent's prior written consent, pledge, sell (except Inventory in the Ordinary Course of Business and Equipment to the extent permitted in Section 7.1(b) hereof), assign, transfer, create or suffer to exist a Lien upon or encumber or allow or suffer to be encumbered in any way except for Permitted Encumbrances, any part of the Collateral. Each Borrower shall defend Agent's interests in the Collateral against any and all Persons whatsoever. At any time following demand by Agent for payment of all Obligations, Agent shall have the right to take possession of the indicia of the Collateral and the Collateral in whatever physical form contained, including: labels, stationery, documents, instruments and advertising materials. If Agent exercises this right to take possession of the Collateral, Borrowers shall, upon demand, assemble it in the best manner possible and make it available to Agent at a place reasonably convenient to Agent. In addition, with respect to all Collateral, Agent and Lenders shall be entitled to all of the rights and remedies set forth herein and further provided by the Uniform Commercial Code or other Applicable Law. Each Borrower shall, and Agent may, at its option, instruct all suppliers, carriers, forwarders, warehousers or others receiving or holding cash, checks, Inventory, documents or instruments in which Agent holds a security interest to deliver same to Agent and/or subject to Agent's order and if they shall come into any Borrower's possession, they, and each of them, shall be held by such Borrower in trust as Agent's trustee, and such Borrower will immediately deliver them to Agent in their original form together with any necessary endorsement.

4.7. Books and Records. Each Borrower shall (a) keep proper books of record and account in which full, true and correct entries will be made of all dealings or transactions of or in relation to its business and affairs; (b) set up on its books accruals with respect to all taxes, assessments, charges, levies and claims; and (c) on a reasonably current basis set up on its books, from its earnings, allowances against doubtful Receivables, advances and investments and all other proper accruals (including by reason of enumeration, accruals for premiums, if any, due on required payments and accruals for depreciation, obsolescence, or amortization of properties), which should be set aside from such earnings in connection with its business. All determinations pursuant to this subsection shall be made in accordance with, or as required by, GAAP consistently applied in the opinion of such independent public accountant as shall then be regularly engaged by Borrowers.

4.8. Financial Disclosure. Each Borrower hereby irrevocably authorizes and directs all accountants and auditors employed by such Borrower at any time during the Term to exhibit and deliver to Agent and each Lender copies of any of such Borrower's financial statements, trial balances or other accounting records of any sort in the accountant's or auditor's possession, and to disclose to Agent and each Lender any information such accountants may have concerning such Borrower's financial status and business operations. Each Borrower hereby authorizes all

Governmental Bodies to furnish to Agent and each Lender copies of reports or examinations relating to such Borrower, whether made by such Borrower or otherwise; however, Agent and each Lender will attempt to obtain such information or materials directly from such Borrower prior to obtaining such information or materials from such accountants or Governmental Bodies.

4.9. Compliance with Laws. Each Borrower shall comply with all Applicable Laws with respect to the Collateral or any part thereof or to the operation of such Borrower's business the non-compliance with which could reasonably be expected to have a Material Adverse Effect.

4.10. Inspection of Premises. At all reasonable times Agent and each Lender shall have full access to and the right to audit, check, inspect and make abstracts and copies from each Borrower's books, records, audits, correspondence and all other papers relating to the Collateral and the operation of each Borrower's business. Agent, any Lender and their agents may enter upon any premises of any Borrower at any time during business hours and at any other reasonable time, and from time to time, for the purpose of inspecting the Collateral and any and all records pertaining thereto and the operation of such Borrower's business.

4.11. Insurance.

(a) The assets and properties of each Borrower at all times shall be maintained in accordance with the requirements of all insurance carriers which provide insurance with respect to the assets and properties of such Borrower so that such insurance shall remain in full force and effect. As between Lenders and Borrowers, each Borrower shall bear the full risk of any loss of any nature whatsoever with respect to the Collateral. At each Borrower's own cost and expense in amounts and with carriers acceptable to Agent, each Borrower shall (a) keep all its insurable properties and properties in which such Borrower has an interest insured against the hazards of fire, flood, sprinkler leakage, those hazards covered by special form insurance and such other hazards, and for such amounts, as is customary in the case of companies engaged in businesses similar to such Borrower's including business interruption insurance; (b) reserved; (c) maintain public and product liability insurance against claims for personal injury, death or property damage suffered by others; (d) maintain all such worker's compensation or similar insurance as may be required under the laws of any state or jurisdiction in which such Borrower is engaged in business; (e) reserved; (f) furnish Agent with (i) evidence of the maintenance of such policies set forth on Acord 25 and 28 by the renewal thereof before any expiration date, (ii) binders with respect to the policies prior to the renewal date, (iii) copies of the policies at least ninety (90) days following the renewal date and (iv) appropriate loss payable endorsements in form and substance satisfactory to Agent, naming Agent as a co-insured and lender loss payee as its interests may appear with respect to all insurance coverage referred to in clauses (a) and (c) above, and providing (A) that all proceeds thereunder shall be payable to Agent, (B) to the extent available by endorsement, no such insurance shall be affected by any act or neglect of the insured or owner of the property described in such policy, and (C) that such policy and loss payable clauses may not be cancelled, amended or terminated unless at least thirty (30) days' prior written notice is given to Agent. In the event of any loss thereunder, the carriers named therein hereby are directed by Agent and the applicable Borrower to make payment for such loss to Agent and not to such Borrower and Agent jointly. If any insurance losses are paid by check, draft or other instrument payable to any Borrower and Agent jointly, Agent may endorse such Borrower's name thereon and do such other things as Agent may deem advisable to reduce the same to cash. If an Event of Default has occurred and is

continuing, Agent is hereby authorized to adjust and compromise claims under insurance coverage referred to in clauses (a) and (c) above. All loss recoveries received by Agent upon any such insurance may be applied to the Obligations, in such order as Agent in its sole discretion shall determine. Any surplus shall be paid by Agent to Borrowers or applied as may be otherwise required by law. Any deficiency thereon shall be paid by Borrowers to Agent, on demand. Anything hereinabove to the contrary notwithstanding, and subject to the fulfillment of the conditions set forth below, Agent shall remit to Borrowing Agent insurance proceeds received by Agent during any calendar year under insurance policies procured and maintained by Borrowers which insure Borrowers' insurable properties to the extent such insurance proceeds do not exceed $350,000 in the aggregate during such calendar year or $50,000 per occurrence. In the event the amount of insurance proceeds received by Agent for any occurrence exceeds $50,000, then Agent may, in its sole discretion, either remit the insurance proceeds to Borrowing Agent upon Borrowing Agent providing Agent with evidence reasonably satisfactory to Agent that the insurance proceeds will be used by Borrowers to repair, replace or restore the insured property which was the subject of the insurable loss, or apply the proceeds to the Obligations. In the event Borrowing Agent has previously received (or, after giving effect to any proposed remittance by Agent to Borrowing Agent would receive) insurance proceeds which equal or exceed $350,000 in the aggregate during any calendar year, then Agent may, in its sole discretion, either remit the insurance proceeds to Borrowing Agent upon Borrowing Agent providing Agent with evidence reasonably satisfactory to Agent that the insurance proceeds will be used by Borrowers to repair, replace or restore the insured property which was the subject of the insurable loss, or apply the proceeds to the Obligations, as aforesaid. The agreement of Agent to remit insurance proceeds in the manner above provided shall be subject in each instance to satisfaction of each of the following conditions: (x) no Event of Default or Default shall then have occurred, and (y) Borrowers shall use such insurance proceeds to repair, replace or restore the insurable property which was the subject of the insurable loss and for no other purpose. At each Borrower's own cost and expense, each Borrower shall extend the existing environmental policy (or obtain replacement coverage) through at least the end of the Term and Borrower shall furnish Agent with (i) evidence of the maintenance and extension of such environmental policy or an alternative environmental policy which provides substantially similar coverage acceptable to Agent in its reasonable discretion prior to the expiration date and (ii) copies of the environmental policies within ninety (90) days following the expiration date. For avoidance of doubt, all requirements to turn over proceeds of insurance to the Agent are subject to the terms of the Intercreditor Agreement.

(b) Each Borrower shall take all actions requested by Agent to assist in ensuring that each Lender is in compliance with the Flood Laws applicable to the Collateral, including, but not limited to, providing Agent with the address and/or GPS coordinates of each structure on any real property that will be subject to a mortgage in favor of Agent, for the benefit of the Lenders, and, to the extent required, obtaining flood insurance for such property, structures and contents prior to such property, structures and contents becoming Collateral, and thereafter maintaining such flood insurance in full force and effect for so long as required by Agent.

4.12. Failure to Pay Insurance. If any Borrower fails to obtain insurance as hereinabove provided, or to keep the same in force, Agent, if Agent so elects, may obtain such insurance and pay the premium therefor on behalf of such Borrower, and charge Borrowers' Account therefor as a Revolving Advance of a Domestic Rate Loan and such expenses so paid shall be part of the Obligations.

4.13. Payment of Taxes. Each Borrower will pay, when due, all taxes, assessments and other Charges lawfully levied or assessed upon such Borrower or any of the Collateral including real and personal property taxes, assessments and charges and all franchise, income, employment, social security benefits, withholding, and sales taxes. If any tax by any Governmental Body is or may be imposed on or as a result of any transaction between any Borrower and Agent or any Lender which Agent or any Lender may be required to withhold or pay or if any taxes, assessments, or other Charges remain unpaid after the date fixed for their payment, or if any claim shall be made which, in Agent's or any Lender's opinion, may possibly create a valid Lien on the Collateral, Agent may without notice to Borrowers pay the taxes, assessments or other Charges and each Borrower hereby indemnifies and holds Agent and each Lender harmless in respect thereof. The amount of any payment by Agent under this Section 4.13 shall be charged to Borrowers' Account as a Revolving Advance maintained as a Domestic Rate Loan and added to the Obligations and, until Borrowers shall furnish Agent with an indemnity therefor (or supply Agent with evidence satisfactory to Agent that due provision for the payment thereof has been made), Agent may hold without interest any balance standing to Borrowers' credit and Agent shall retain its security interest in and Lien on any and all Collateral held by Agent.

4.14. Payment of Leasehold Obligations. Each Borrower shall at all times pay, when and as due, its rental obligations under all leases under which it is a tenant, and shall otherwise comply, in all material respects, with all other terms of such leases and keep them in full force and effect, except to the extent the failure to so comply could not reasonably be expected to cause a Material Adverse Effect, and, at Agent's request will provide evidence of having done so.

4.15. Receivables.

(a) Nature of Receivables. Each of the Receivables shall be a bona fide and valid account representing a bona fide indebtedness incurred by the Customer therein named, for a fixed sum as set forth in the invoice relating thereto (provided immaterial or unintentional invoice errors shall not be deemed to be a breach hereof) with respect to an absolute sale or lease and delivery of goods upon stated terms of a Borrower, or work, labor or services theretofore rendered by a Borrower as of the date each Receivable is created. Same shall be due and owing in accordance with the applicable Borrower's standard terms of sale without dispute, setoff or counterclaim except as may be stated on the accounts receivable schedules delivered by Borrowers to Agent.

(b) Solvency of Customers. Each Customer, to the best of each Borrower's knowledge, as of the date each Receivable is created, is and will be solvent and able to pay all Receivables on which the Customer is obligated in full when due or with respect to such Customers of any Borrower who are not solvent such Borrower has set up on its books and in its financial records bad debt reserves adequate to cover such Receivables.

(c) Location of Borrowers. Each Borrower's chief executive office is located at 8565 Magellan Parkway, Suite 400, Richmond, Virginia 23227 (Henrico County). Until written notice is given to Agent by Borrowing Agent of any other office at which any Borrower keeps its records pertaining to Receivables, all such records shall be kept at such executive office.

(d) Collection of Receivables

(i) Borrowers shall instruct their Customers to deliver all remittances upon Receivables to such lockbox account or Blocked Account and/or Depository Accounts (and any associated lockboxes) as Agent shall designate from time to time as contemplated by Section 4.15(h) hereof or as otherwise agreed to from time to time by Agent. Notwithstanding the foregoing, to the extent any Borrower directly receives any remittances upon Receivables, such Borrower will, at such Borrower's sole cost and expense, but on Agent's behalf and for Agent's account, collect as Agent's property and in trust for Agent all amounts received on Receivables, and shall not use the same except to pay Obligations. Each Borrower shall deposit (it being understood that a "night deposit" shall be deemed to be deposited on the day such amounts were deposited in the night drop box) in the Blocked Account and/or Depository Accounts or, upon request by Agent, deliver to Agent, in original form and on the date of receipt thereof, all checks, drafts, notes, money orders, acceptances, cash and other evidences of Indebtedness (other than the Daily Cash Amounts). The Borrowers shall cause the ACH or wire transfer of all payments due from credit card processors, including any remittances from any Primary Supplier of proceeds of the Credit Card Receivables (whether or not there are then any outstanding Obligations), to be made to a Blocked Account and/or Depository Accounts as such presently occurs and with such frequency as is consistent with the Borrowers' current business practices as in effect on the Closing Date; it being understood that under the Supply Agreements, Borrowers shall only receive the net Receivables. Prior to and after any Cash Dominion Period, payments made by a Borrower's Customers remitted directly to Agent will be deposited by Agent in the Blocked Accounts, and Customer remittances shall only be treated as a repayment of Advances if the Borrowers so elect in a written notice to Agent.

(ii) Borrowers shall deliver to the Agent copies of notifications (each, a "Credit Card Notification") substantially in the form attached hereto as Exhibit 4.15(d)(ii) which have been executed on behalf of such Borrower and delivered to such Borrower's credit card clearinghouses and processors listed on Schedule 5.31.

(e) Notification of Assignment of Receivables. At any time following the occurrence of an Event of Default, Agent shall have the right to send notice of the assignment of, and Agent's security interest in and Lien on, the Receivables to any and all Customers or any third party holding or otherwise concerned with any of the Collateral. Thereafter, Agent shall have the sole right to collect the Receivables, take possession of the Collateral, or both. Agent's actual collection expenses, including, but not limited to, stationery and postage, telephone and telegraph, secretarial and clerical expenses and the salaries of any collection personnel used for collection, may be charged to Borrowers' Account and added to the Obligations.

(f) Power of Agent to Act on Borrowers' Behalf. Agent shall have the right to receive, endorse, assign and/or deliver in the name of Agent or any Borrower any and all checks, drafts and other instruments for the payment of money relating to the Receivables and each Borrower hereby waives notice of presentment, protest and non-payment of any instrument so endorsed. Each Borrower hereby constitutes Agent or Agent's designee as such Borrower's

attorney with power (i) at any time; (A) to endorse such Borrower's name upon any notes, acceptances, checks, drafts, money orders or other evidences of payment or Collateral; (B) to sign such Borrower's name on any invoice or bill of lading relating to any of the Receivables, drafts against Customers, assignments and verifications of Receivables; (C) to send verifications of Receivables to any Customer; (D) to sign such Borrower's name on all financing statements or any other documents or instruments deemed necessary or appropriate by Agent to preserve, protect, or perfect Agent's interest in the Collateral and to file same; and (E) to receive, open and dispose of all mail addressed to any Borrower; and (ii) at any time following the occurrence of a Default or Event of Default: (A) to demand payment of the Receivables; (B) to enforce payment of the Receivables by legal proceedings or otherwise; (C) to exercise all of such Borrower's rights and remedies with respect to the collection of the Receivables and any other Collateral; (D) to settle, adjust, compromise, extend or renew the Receivables; (E) to settle, adjust or compromise any legal proceedings brought to collect Receivables; (F) to prepare, file and sign such Borrower's name on a proof of claim in bankruptcy or similar document against any Customer; (G) to prepare, file and sign such Borrower's name on any notice of Lien, assignment or satisfaction of Lien or similar document in connection with the Receivables; and (H) to do all other acts and things necessary to carry out this Agreement. All acts of said attorney or designee are hereby ratified and approved, and said attorney or designee shall not be liable for any acts of omission or commission nor for any error of judgment or mistake of fact or of law, unless done maliciously or with gross (not mere) negligence (as determined by a court of competent jurisdiction in a final non-appealable judgment); this power being coupled with an interest is irrevocable while any of the Obligations remain unpaid. Agent shall have the right at any time to change the address for delivery of mail addressed to any Borrower.

(g) No Liability. Neither Agent nor any Lender shall, under any circumstances or in any event whatsoever, have any liability for any error or omission or delay of any kind occurring in the settlement, collection or payment of any of the Receivables or any instrument received in payment thereof, or for any damage resulting therefrom. If at any time following the occurrence of an Event of Default, Agent may, without notice or consent from any Borrower, sue upon or otherwise collect, extend the time of payment of, compromise or settle for cash, credit or upon any terms any of the Receivables or any other securities, instruments or insurance applicable thereto and/or release any obligor thereof. If at any time following the occurrence of an Event of Default, Agent is authorized and empowered to accept the return of the goods represented by any of the Receivables, without notice to or consent by any Borrower, all without discharging or in any way affecting any Borrower's liability hereunder.

(h) Establishment of a Lockbox Account, Dominion Account. All proceeds of Collateral shall be deposited by Borrowers into either (i) a lockbox account, dominion account or such other "blocked account" ("Blocked Accounts") established at a bank or banks (each such bank, a "Blocked Account Bank") pursuant to an arrangement with such Blocked Account Bank as may be selected by Borrowing Agent and be acceptable to Agent, (ii) depository accounts ("Depository Accounts") established at the Agent for the deposit of such proceeds, or (iii) subject to the restrictions contained in Section 7.23, the Other Deposit Accounts. Each applicable Borrower, Agent and each Blocked Account Bank shall enter into a deposit account control agreement in form and substance satisfactory to Agent that is sufficient to give Agent "control" (for purposes of Articles 8 and 9 of the Uniform Commercial Code) over such Blocked Accounts.

At any time during a Cash Dominion Period, at Agent's discretion, (i) Agent shall have the sole and exclusive right to direct, and is hereby authorized to give instructions pursuant to such deposit account control agreements directing, the disposition of funds in the Blocked Accounts and Depository Accounts (any such instructions, an "Activation Notice") to Agent on a daily basis, and (ii) Agent may direct Borrowers to direct, and Borrowers shall so direct, the disposition of funds in the Blocked Accounts, Depository Accounts and/or the Other Deposit Accounts on a daily basis, in the case of clauses (i) and (ii), either to a deposit account maintained by Agent at PNC or by wire transfer to a deposit account at PNC, which such funds may be applied by Agent to repay the Obligations, and, if an Event of Default has occurred and is continuing, to cash collateralize outstanding Letters of Credit in accordance with Section 3.2(b) hereof. If a Cash Dominion Period has not occurred and is continuing, the Borrowers shall retain the right to direct the disposition of funds in the Blocked Accounts, the Depository Accounts and the Other Deposit Accounts.
