XI. LENDERS' RIGHTS AND REMEDIES AFTER DEFAULT.

11.1. Rights and Remedies.

(a) Upon the occurrence of: (i) an Event of Default pursuant to Section 10.7, all Obligations shall be immediately due and payable and this Agreement and the obligation of Lenders to make Advances shall be deemed terminated; and, (ii) any of the other Events of Default and at any time thereafter, at the option of Required Lenders, all Obligations shall be immediately

due and payable and Lenders shall have the right to terminate this Agreement and to terminate the obligation of Lenders to make Advances; and (iii) a filing of a petition against any Borrower in any involuntary case under any state or federal bankruptcy laws, all Obligations shall be immediately due and payable and the obligation of Lenders to make Advances hereunder shall be terminated other than as may be required by an appropriate order of the bankruptcy court having jurisdiction over such Borrower. Upon the occurrence of any Event of Default, Agent shall have the right to exercise any and all rights and remedies provided for herein, under the Other Documents, under the Uniform Commercial Code and at law or equity generally, including the right to foreclose the security interests granted herein and to realize upon any Collateral by any available judicial procedure and/or to take possession of and sell any or all of the Collateral with or without judicial process. Agent may enter any of any Borrower's premises or other premises without legal process and without incurring liability to any Borrower therefor, and Agent may thereupon, or at any time thereafter, in its discretion without notice or demand, take the Collateral and remove the same to such place as Agent may deem advisable and Agent may require Borrowers to make the Collateral available to Agent at a convenient place. With or without having the Collateral at the time or place of sale, Agent may sell the Collateral, or any part thereof, at public or private sale, at any time or place, in one or more sales, at such price or prices, and upon such terms, either for cash, credit or future delivery, as Agent may elect. Except as to that part of the Collateral which is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Agent shall give Borrowers reasonable notification of such sale or sales, it being agreed that in all events written notice mailed to Borrowing Agent at least ten (10) days prior to such sale or sales is reasonable notification. At any public sale Agent or any Lender may bid for and become the purchaser, and Agent, any Lender or any other purchaser at any such sale thereafter shall hold the Collateral sold absolutely free from any claim or right of whatsoever kind, including any equity of redemption and all such claims, rights and equities are hereby expressly waived and released by each Borrower. In connection with the exercise of the foregoing remedies, including the sale of Inventory, Agent is granted a perpetual nonrevocable, royalty free, nonexclusive license and Agent is granted permission to use all of each Borrower's (i) trademarks, trade styles, trade names, patents, patent applications, copyrights, service marks, licenses, franchises and other proprietary rights which are used or useful in connection with Inventory for the purpose of marketing, advertising for sale and selling or otherwise disposing of such Inventory and (ii) Equipment for the purpose of completing the manufacture of unfinished goods. The cash proceeds realized from the sale of any Collateral shall be applied to the Obligations in the order set forth in Section 11.5 hereof. Noncash proceeds will only be applied to the Obligations as they are converted into cash. If any deficiency shall arise, Borrowers shall remain liable to Agent and Lenders therefor.

(b) To the extent that Applicable Law imposes duties on the Agent to exercise remedies in a commercially reasonable manner, each Borrower acknowledges and agrees that it is not commercially unreasonable for the Agent: (i) to fail to incur expenses reasonably deemed significant by the Agent to prepare Collateral for disposition or otherwise to complete raw material or work in process into finished goods or other finished products for disposition; (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of; (iii) to fail to exercise collection remedies against Customers or other Persons obligated on Collateral or to remove Liens on or any adverse claims

against Collateral; (iv) to exercise collection remedies against Customers and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists; (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature; (vi) to contact other Persons, whether or not in the same business as any Borrower, for expressions of interest in acquiring all or any portion of such Collateral; (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature; (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets; (ix) to dispose of assets in wholesale rather than retail markets; (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure the Agent against risks of loss, collection or disposition of Collateral or to provide to the Agent a guaranteed return from the collection or disposition of Collateral; or (xii) to the extent deemed appropriate by the Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the Agent in the collection or disposition of any of the Collateral. Each Borrower acknowledges that the purpose of this Section 11.1(b) is to provide non-exhaustive indications of what actions or omissions by the Agent would not be commercially unreasonable in the Agent's exercise of remedies against the Collateral and that other actions or omissions by the Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 11.1(b). Without limitation upon the foregoing, nothing contained in this Section 11.1(b) shall be construed to grant any rights to any Borrower or to impose any duties on Agent that would not have been granted or imposed by this Agreement or by Applicable Law in the absence of this Section 11.1(b).

(c) Without limiting any other provision hereof:

(i) At any bona fide public sale, and to the extent permitted by Applicable Law, at any private sale, Agent shall be free to purchase all or any part of the Investment Property. Any such sale may be on cash or credit. Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing the Investment Property for their own account in compliance with Regulation D of the Securities Act or any other applicable exemption available under the Securities Act. Agent will not be obligated to make any sale if it determines not to do so, regardless of the fact that notice of the sale may have been given. Agent may adjourn any sale and sell at the time and place to which the sale is adjourned. If the Investment Property is customarily sold on a recognized market or threatens to decline speedily in value, Agent may sell such Investment Property at any time without giving prior notice to any Borrower or other Person.

(ii) Each Borrower recognizes that Agent may be unable to effect or cause to be effected a public sale of the Investment Property by reason of certain prohibitions of the Securities Act, so that Agent may be compelled to resort to one or more private sales to a restricted group of purchasers who will be obligated to agree, among other things, to acquire the Investment Property for their own account, for investment and without a view to the distribution or resale thereof. Each Borrower understands that private sales so made may be at prices and on other terms less favorable to the seller than if the Investment Property were sold at public sales,

and agrees that Agent has no obligation to delay or agree to delay the sale of any of the Investment Property for the period of time necessary to permit the issuer of the securities which are part of the Investment Property (even if the issuer would agree), to register such securities for sale under the Securities Act. Each Borrower agrees that private sales made under the foregoing circumstances shall be deemed to have been made in a commercially reasonable manner.

(iii) The net cash proceeds arising from the disposition of the Investment Property after deducting expenses incurred by Agent will be applied to the Obligations pursuant to Section 11.5 hereof. If any excess remains after the discharge of all of the Obligations, the same will be paid to the applicable Borrower or to any other Person that may be legally entitled thereto.

At any time after the occurrence and during the continuance of an Event of Default (A) Agent may transfer any or all of the Investment Property into its name or that of its nominee and may exercise all voting rights with respect to the Investment Property, but no such transfer shall constitute a taking of such Investment Property in satisfaction of any or all of the Obligations, and (B) Agent shall be entitled to receive, for application to the Obligations, all cash or stock dividends and distributions, interest and premiums declared or paid on the Investment Property.

11.2. Agent's Discretion. Agent shall have the right in its sole discretion to determine which rights, Liens, security interests or remedies Agent may at any time pursue, relinquish, subordinate, or modify or to take any other action with respect thereto and such determination will not in any way modify or affect any of Agent's or Lenders' rights hereunder.

11.3. Setoff. Subject to Section 14.12, in addition to any other rights which Agent or any Lender may have under Applicable Law, upon the occurrence of an Event of Default hereunder, Agent and such Lender shall have a right, immediately and without notice of any kind, to apply any Borrower's property held by Agent and such Lender to reduce the Obligations.

11.4. Rights and Remedies not Exclusive. The enumeration of the foregoing rights and remedies is not intended to be exhaustive and the exercise of any rights or remedy shall not preclude the exercise of any other right or remedies provided for herein or otherwise provided by law, all of which shall be cumulative and not alternative.

11.5. Allocation of Payments After Event of Default. Notwithstanding any other provisions of this Agreement to the contrary, after the occurrence and during the continuance of an Event of Default, all amounts collected or received by the Agent on account of the Obligations or any other amounts outstanding under any of the Other Documents or in respect of the Collateral may, at Agent's discretion, be paid over or delivered as follows:

FIRST, to the payment of all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees) of the Agent in connection with enforcing its rights and the rights of the Lenders under this Agreement and the Other Documents and any protective advances made by the Agent with respect to the Collateral under or pursuant to the terms of this Agreement;

SECOND, to payment of any fees owed to the Agent;

THIRD, to the payment of all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees) of each of the Lenders to the extent owing to such Lender pursuant to the terms of this Agreement;

FOURTH, to the payment of all of the Obligations consisting of accrued interest on account of the Swing Loans;

FIFTH, to the payment of the outstanding principal amount of the Obligations consisting of Swing Loans;

SIXTH, to the payment of all of the Obligations consisting of accrued fees and interest (other than interest in respect of Swing Loans paid pursuant to clause FOURTH above);

SEVENTH, to the payment of the outstanding principal amount of the Obligations (other than principal in respect of Swing Loans paid pursuant to clause FIFTH above) including Cash Management Liabilities and Hedge Liabilities (to the extent reserves for such Cash Management Liabilities and Hedge Liabilities have been established by Agent) and the payment or cash collateralization of any outstanding Letters of Credit);

EIGHTH, to all other Obligations and other obligations which shall have become due and payable under the Other Documents or otherwise and not repaid pursuant to clauses "FIRST" through "SEVENTH" above; and

NINTH, to the payment of the surplus, if any, to whoever may be lawfully entitled to receive such surplus.

In carrying out the foregoing, (i) amounts received shall be applied in the numerical order provided until exhausted prior to application to the next succeeding category; (ii) each of the Lenders shall receive (so long as it is not a Defaulting Lender) an amount equal to its pro rata share (based on the proportion that the then outstanding Advances, Cash Management Liabilities and Hedge Liabilities held by such Lender bears to the aggregate then outstanding Advances, Cash Management Liabilities and Hedge Liabilities) of amounts available to be applied pursuant to clauses "SIXTH," "SEVENTH," "EIGHTH" and "NINTH" above; (iii) to the extent that any amounts available for distribution pursuant to clause "SEVENTH" above are attributable to the issued but undrawn amount of outstanding Letters of Credit, such amounts shall be held by the Agent in a cash collateral account and applied (A) first, to reimburse the Issuer from time to time for any drawings under such Letters of Credit and (B) then, following the expiration of all Letters of Credit, to all other obligations of the types described in clauses "SEVENTH" and "EIGHTH above in the manner provided in this Section 11.5; and (iv) notwithstanding anything to the contrary in this Section 11.5, no Swap Obligations of any Non-Qualifying Party shall be paid with amounts received from such Non-Qualifying Party under its Guaranty (including sums received as a result of the exercise of remedies with respect to such Guaranty) or from the proceeds of such Non-Qualifying Party's Collateral if such Swap Obligations would constitute Excluded Hedge Liabilities, provided, however, that to the extent possible appropriate adjustments shall be made with respect to payments and/or the proceeds of Collateral from other Borrowers that are Eligible Contract Participants with respect to such Swap Obligations to preserve the allocation to Obligations otherwise set forth above in this Section 11.5.

XII. WAIVERS AND JUDICIAL PROCEEDINGS.

12.1. Waiver of Notice. Each Borrower hereby waives notice of non-payment of any of the Receivables, demand, presentment, protest and notice thereof with respect to any and all instruments, notice of acceptance hereof, notice of loans or advances made, credit extended, Collateral received or delivered, or any other action taken in reliance hereon, and all other demands and notices of any description, except such as are expressly provided for herein.

12.2. Delay. No delay or omission on Agent's or any Lender's part in exercising any right, remedy or option shall operate as a waiver of such or any other right, remedy or option or of any Default or Event of Default.

12.3. Jury Waiver. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING UNDER THIS AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR (B) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE AND EACH PARTY HEREBY CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENTS OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

XIII. EFFECTIVE DATE AND TERMINATION.

13.1. Term. This Agreement, which shall inure to the benefit of and shall be binding upon the respective successors and permitted assigns of each Borrower, Agent and each Lender, shall become effective on the date hereof and shall continue in full force and effect until the earlier of (a) December 22, 2022 and (b) the date that is ninety (90) days prior to three (3) months before the "Eighth Anniversary Effective Date" under (and as defined in) the GPMI Operating Agreement (which, as of the Closing Date, is February 28, 2028) (the "Term"), unless sooner terminated as herein provided. Borrowers may terminate this Agreement at any time upon ninety (90) days' prior written notice upon payment in full of the Obligations.

13.2. Termination. The termination of the Agreement shall not affect any Borrower's, Agent's or any Lender's rights, or any of the Obligations having their inception prior to the effective date of such termination, and the provisions hereof shall continue to be fully operative until all transactions entered into, rights or interests created or Obligations have been fully and indefeasibly paid, disposed of, concluded or liquidated. The security interests, Liens and rights granted to Agent and Lenders hereunder and the financing statements filed hereunder shall continue in full force and effect, notwithstanding the termination of this Agreement or the fact that

Borrowers' Account may from time to time be temporarily in a zero or credit position, until all of the Obligations of each Borrower have been indefeasibly paid and performed in full after the termination of this Agreement or each Borrower has furnished Agent and Lenders with an indemnification satisfactory to Agent and Lenders with respect thereto. Accordingly, each Borrower waives any rights which it may have under the Uniform Commercial Code to demand the filing of termination statements with respect to the Collateral, and Agent shall not be required to send such termination statements to each Borrower, or to file them with any filing office, unless and until this Agreement shall have been terminated in accordance with its terms and all Obligations have been indefeasibly paid in full in immediately available funds. All representations, warranties, covenants, waivers and agreements contained herein shall survive termination hereof until all Obligations are indefeasibly paid and performed in full.

XIV. REGARDING AGENT.

14.1. Appointment. Each Lender hereby designates PNC to act as Agent for such Lender under this Agreement and the Other Documents. Each Lender hereby irrevocably authorizes Agent to take such action on its behalf under the provisions of this Agreement and the Other Documents and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto and Agent shall hold all Collateral, payments of principal and interest, fees (except the fees set forth in the Fee Letter), charges and collections (without giving effect to any collection days) received pursuant to this Agreement, for the ratable benefit of Lenders. Agent may perform any of its duties hereunder by or through its agents or employees. As to any matters not expressly provided for by this Agreement (including collection of the Note) Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions shall be binding; provided, however, that Agent shall not be required to take any action which exposes Agent to liability or which is contrary to this Agreement or the Other Documents or Applicable Law unless Agent is furnished with an indemnification reasonably satisfactory to Agent with respect thereto.

14.2. Nature of Duties. Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and the Other Documents. Neither Agent nor any of its officers, directors, employees or agents shall be (i) liable for any action taken or omitted by them as such hereunder or in connection herewith, unless caused by their gross (not mere) negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment), or (ii) responsible in any manner for any recitals, statements, representations or warranties made by any Borrower or any officer thereof contained in this Agreement, or in any of the Other Documents or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any of the Other Documents or for the value, validity, effectiveness, genuineness, due execution, enforceability or sufficiency of this Agreement, or any of the Other Documents or for any failure of any Borrower to perform its obligations hereunder. Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any of the Other Documents, or to inspect the properties, books or records of any Borrower. The duties of Agent as respects the Advances to Borrowers shall be mechanical and administrative in nature; Agent shall not have by reason of this Agreement a fiduciary relationship in respect of any Lender; and nothing in this Agreement, expressed or implied, is intended to or shall be so construed as to impose upon Agent any obligations in respect of this Agreement except as expressly set forth herein.

14.3. Lack of Reliance on Agent and Resignation. Independently and without reliance upon Agent or any other Lender, each Lender has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of each Borrower and each Guarantor in connection with the making and the continuance of the Advances hereunder and the taking or not taking of any action in connection herewith, and (ii) its own appraisal of the creditworthiness of each Borrower and each Guarantor. Agent shall have no duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before making of the Advances or at any time or times thereafter except as shall be provided by any Borrower pursuant to the terms hereof. Agent shall not be responsible to any Lender for any recitals, statements, information, representations or warranties herein or in any agreement, document, certificate or a statement delivered in connection with or for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency of this Agreement or any Other Document, or of the financial condition of any Borrower or any Guarantor, or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement, the Note, the Other Documents or the financial condition of any Borrower, or the existence of any Event of Default or any Default.

Agent may resign on sixty (60) days' written notice to each of Lenders and Borrowing Agent and upon such resignation, the Required Lenders will promptly designate a successor Agent reasonably satisfactory to Borrowers.

Any such successor Agent shall succeed to the rights, powers and duties of Agent, and shall in particular succeed to all of Agent's right, title and interest in and to all of the Liens in the Collateral securing the Obligations created hereunder or any Other Document, and the term "Agent" shall mean such successor agent effective upon its appointment, and the former Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Agent. However, notwithstanding the foregoing, if at the time of the effectiveness of the new Agent's appointment, any further actions need to be taken in order to provide for the legally binding and valid transfer of any Liens in the Collateral from former Agent to new Agent and/or for the perfection of any Liens in the Collateral as held by new Agent or it is otherwise not then possible for new Agent to become the holder of a fully valid, enforceable and perfected Lien as to any of the Collateral, former Agent shall continue to hold such Liens solely as agent for perfection of such Liens on behalf of new Agent until such time as new Agent can obtain a fully valid, enforceable and perfected Lien on all Collateral, provided that Agent shall not be required to or have any liability or responsibility to take any further actions after such date as such agent for perfection to continue the perfection of any such Liens (other than to forego from taking any affirmative action to release any such Liens). After Agent's resignation as Agent, the provisions of this Article XIV, and any indemnification rights under this Agreement, including without limitation, rights arising under Section 16.5 hereof, shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement (and in the event resigning Agent continues to hold any Liens pursuant to the provisions of the immediately preceding sentence, the provisions of this Article XIV and any indemnification rights under this Agreement, including without limitation, rights arising under Section 16.5 hereof, shall inure to its benefit as to any actions taken or omitted to be taken by it in connection with such Liens).

14.4. Certain Rights of Agent. If Agent shall request instructions from Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any Other Document, Agent shall be entitled to refrain from such act or taking such action unless and until Agent shall have received instructions from the Required Lenders; and Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, Lenders shall not have any right of action whatsoever against Agent as a result of its acting or refraining from acting hereunder in accordance with the instructions of the Required Lenders.

14.5. Reliance. Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, order or other document or telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person or entity, and, with respect to all legal matters pertaining to this Agreement and the Other Documents and its duties hereunder, upon advice of counsel selected by it. Agent may employ agents and attorneys-in-fact and shall not be liable for the default or misconduct of any such agents orattorneys-in-fact selected by Agent with reasonable care.

14.6. Notice of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder or under the Other Documents, unless Agent has received notice from a Lender or Borrowing Agent referring to this Agreement or the Other Documents, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that Agent receives such a notice, Agent shall give notice thereof to Lenders. Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until Agent shall have received such directions, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of Lenders.

14.7. Indemnification. To the extent Agent is not reimbursed and indemnified by Borrowers, each Lender will reimburse and indemnify Agent in proportion to its respective portion of the Advances (or, if no Advances are outstanding, according to its Commitment Percentage), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against Agent in performing its duties hereunder, or in any way relating to or arising out of this Agreement or any Other Document; provided that, Lenders shall not be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from Agent's gross (not mere) negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment).

14.8. Agent in its Individual Capacity. With respect to the obligation of Agent to lend under this Agreement, the Advances made by it shall have the same rights and powers hereunder as any other Lender and as if it were not performing the duties as Agent specified herein; and the term "Lender" or any similar term shall, unless the context clearly otherwise indicates, include Agent in its individual capacity as a Lender. Agent may engage in business with any Borrower as if it were not performing the duties specified herein, and may accept fees and other consideration from any Borrower for services in connection with this Agreement or otherwise without having to account for the same to Lenders.

14.9. Delivery of Documents. To the extent Agent receives financial statements required under Sections 9.7, 9.8, 9.9, 9.12 and 9.13 or Borrowing Base Certificates from any Borrower pursuant to the terms of this Agreement which any Borrower is not obligated to deliver to each Lender, Agent will promptly furnish such documents and information to Lenders.

14.10. Borrowers' Undertaking to Agent. Without prejudice to their respective obligations to Lenders under the other provisions of this Agreement, each Borrower hereby undertakes with Agent to pay to Agent from time to time on demand all amounts from time to time due and payable by it for the account of Agent or Lenders or any of them pursuant to this Agreement to the extent not already paid. Any payment made pursuant to any such demand shall pro tanto satisfy the relevant Borrower's obligations to make payments for the account of Lenders or the relevant one or more of them pursuant to this Agreement.

14.11. No Reliance on Agent's Customer Identification Program. To the extent the Advances or this Agreement is, or becomes, syndicated in cooperation with other Lenders, each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the USA PATRIOT Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121 (as hereafter amended, modified, supplemented or replaced, the "CIP Regulations"), or any other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with any of the Borrowers, their Affiliates or their agents, the Other Documents or the transactions hereunder or contemplated hereby: (a) any identity verification procedures, (b) any recordkeeping, (c) comparisons with government lists, (d) customer notices or (e) other procedures required under the CIP Regulations or such Anti-Terrorism Laws.

14.12. Other Agreements. Each of the Lenders agrees that it shall not, without the express consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the request of Agent, set off against the Obligations, any amounts owing by such Lender to any Borrower or any deposit accounts of any Borrower now or hereafter maintained with such Lender. Anything in this Agreement to the contrary notwithstanding, each of the Lenders further agrees that it shall not, unless specifically requested to do so by Agent, take any action to protect or enforce its rights arising out of this Agreement or the Other Documents, it being the intent of Lenders that any such action to protect or enforce rights under this Agreement and the Other Documents shall be taken in concert and at the direction or with the consent of Agent or Required Lenders.

XV. BORROWING AGENCY.

15.1. Borrowing Agency Provisions.

(a) Each Borrower hereby irrevocably designates Borrowing Agent to be its attorney and agent and in such capacity to borrow, sign and endorse notes, and execute and deliver all instruments, documents, writings and further assurances now or hereafter required hereunder, on behalf of such Borrower or Borrowers, and hereby authorizes Agent to pay over or credit all loan proceeds hereunder in accordance with the request of Borrowing Agent.

(b) The handling of this credit facility as a co-borrowing facility with a borrowing agent in the manner set forth in this Agreement is solely as an accommodation to Borrowers and at their request. Neither Agent nor any Lender shall incur liability to Borrowers as a result thereof. To induce Agent and Lenders to do so and in consideration thereof, each Borrower hereby indemnifies Agent and each Lender and holds Agent and each Lender harmless from and against any and all liabilities, expenses, losses, damages and claims of damage or injury asserted against Agent or any Lender by any Person arising from or incurred by reason of the handling of the financing arrangements of Borrowers as provided herein, reliance by Agent or any Lender on any request or instruction from Borrowing Agent or any other action taken by Agent or any Lender with respect to this Section 15.1 except due to willful misconduct or gross (not mere) negligence by the indemnified party (as determined by a court of competent jurisdiction in a final and non-appealable judgment).

(c) All Obligations shall be joint and several, and each Borrower shall make payment upon the maturity of the Obligations by acceleration or otherwise, and such obligation and liability on the part of each Borrower shall in no way be affected by any extensions, renewals and forbearance granted to Agent or any Lender to any Borrower, failure of Agent or any Lender to give any Borrower notice of borrowing or any other notice, any failure of Agent or any Lender to pursue or preserve its rights against any Borrower, the release by Agent or any Lender of any Collateral now or thereafter acquired from any Borrower, and such agreement by each Borrower to pay upon any notice issued pursuant thereto is unconditional and unaffected by prior recourse by Agent or any Lender to the other Borrowers or any Collateral for such Borrower's Obligations or the lack thereof. Each Borrower waives all suretyship defenses.

15.2. Waiver of Subrogation. Each Borrower expressly waives any and all rights of subrogation, reimbursement, indemnity, exoneration, contribution of any other claim which such Borrower may now or hereafter have against the other Borrowers or other Person directly or contingently liable for the Obligations hereunder, or against or with respect to the other Borrowers' property (including, without limitation, any property which is Collateral for the Obligations), arising from the existence or performance of this Agreement, until termination of this Agreement and repayment in full of the Obligations.

XVI. MISCELLANEOUS.

16.1. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania applied to contracts to be performed wholly within the Commonwealth of Pennsylvania. Any judicial proceeding brought by or against any Borrower with respect to any of the Obligations, this Agreement, the Other Documents or any related agreement may be brought in any court of competent jurisdiction in the Commonwealth of Pennsylvania, United States of America, and, by execution and delivery of this Agreement, each Borrower accepts for itself and in connection with its properties, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement. Each Borrower hereby waives personal service of any and all process upon it and consents that all such service of process may

be made by registered mail (return receipt requested) directed to Borrowing Agent at its address set forth in Section 16.6 and service so made shall be deemed completed five (5) days after the same shall have been so deposited in the mails of the United States of America, or, at the Agent's option, by service upon Borrowing Agent which each Borrower irrevocably appoints as such Borrower's Agent for the purpose of accepting service within the Commonwealth of Pennsylvania. Nothing herein shall affect the right to serve process in any manner permitted by law or shall limit the right of Agent or any Lender to bring proceedings against any Borrower in the courts of any other jurisdiction. Each Borrower waives any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon forum non conveniens. Each Borrower waives the right to remove any judicial proceeding brought against such Borrower in any state court to any federal court. Any judicial proceeding by any Borrower against Agent or any Lender involving, directly or indirectly, any matter or claim in any way arising out of, related to or connected with this Agreement or any related agreement, shall be brought only in a federal or state court located in Philadelphia County, the Commonwealth of Pennsylvania.

16.2. Entire Understanding.

(a) This Agreement and the documents executed concurrently herewith contain the entire understanding between each Borrower, Agent and each Lender and supersedes all prior agreements and understandings, if any, relating to the subject matter hereof. Any promises, representations, warranties or guarantees not herein contained and hereinafter made shall have no force and effect unless in writing, signed by each Borrower's, Agent's and each Lender's respective officers. Neither this Agreement nor any portion or provisions hereof may be changed, modified, amended, waived, supplemented, discharged, cancelled or terminated orally or by any course of dealing, or in any manner other than by an agreement in writing, signed by the party to be charged. Each Borrower acknowledges that it has been advised by counsel in connection with the execution of this Agreement and Other Documents and is not relying upon oral representations or statements inconsistent with the terms and provisions of this Agreement.

(b) The Required Lenders, Agent with the consent in writing of the Required Lenders, and Borrowers may, subject to the provisions of this Section 16.2 (b), from time to time enter into written supplemental agreements to this Agreement or the Other Documents executed by Borrowers, for the purpose of adding or deleting any provisions or otherwise changing, varying or waiving in any manner the rights of Lenders, Agent or Borrowers thereunder or the conditions, provisions or terms thereof or waiving any Event of Default thereunder, but only to the extent specified in such written agreements; provided, however, that no such supplemental agreement shall:

(i) increase the Revolving Commitment Percentage or the maximum dollar amount of the Revolving Commitment Amount of any Lender without the consent of such Lender directly affected thereby;

(ii) whether or not any Advances are outstanding, extend the Term or the time for payment of principal or interest of any Advance (excluding the due date of any mandatory prepayment of an Advance), or any fee payable to any Lender, or reduce the principal amount of or the rate of interest borne by any Advances or reduce any fee payable to any Lender, without the consent of each Lender directly affected thereby (except that Required Lenders may elect to waive or rescind any imposition of the Default Rate under Section 3.1 or of default rates of Letter of Credit fees under Section 3.2 (unless imposed by Agent));

(iii) except in connection with any increase pursuant to Section 2.25 hereof, increase the Maximum Revolving Advance Amount without the consent of all Lenders;

(iv) alter the definition of the term Required Lenders or alter, amend or modify this Section 16.2(b) without the consent of all Lenders;

(v) alter, amend or modify the provisions of Section 11.5 without the consent of all Lenders;

(vi) release any Collateral during any calendar year (other than in accordance with the provisions of this Agreement) having an aggregate value in excess of $1,000,000 without the consent of all Lenders;

(vii) change the rights and duties of Agent without the consent of all Lenders;

(viii) subject to clauses (e) and (f) below, permit any Revolving Advance to be made if after giving effect thereto the total of Revolving Advances outstanding hereunder would exceed the Formula Amount for more than sixty (60) consecutive Business Days or exceed one hundred and ten percent (110%) of the Formula Amount without the consent of all Lenders; or

(ix) increase the Advance Rates above the Advance Rates in effect on the Closing Date without the consent of all Lenders.

(c) Any such supplemental agreement shall apply equally to each Lender and shall be binding upon Borrowers, Lenders and Agent and all future holders of the Obligations. In the case of any waiver, Borrowers, Agent and Lenders shall be restored to their former positions and rights, and any Event of Default waived shall be deemed to be cured and not continuing, but no waiver of a specific Event of Default shall extend to any subsequent Event of Default (whether or not the subsequent Event of Default is the same as the Event of Default which was waived), or impair any right consequent thereon.

(d) In the event that Agent requests the consent of a Lender pursuant to this Section 16.2 and such Lender fails to respond or reply to Agent in writing within five (5) days of delivery of such request, such Lender shall be deemed to have consented to the matter that was the subject of the request. In the event that Agent requests the consent of a Lender pursuant to this Section 16.2 and such consent is denied, then Agent may, at its option, require such Lender to assign its interest in the Advances to Agent or to another Lender or to any other Person designated by the Agent (the "Designated Lender"), for a price equal to (i) the then outstanding principal amount thereof plus (ii) accrued and unpaid interest and fees due such Lender, which interest and fees shall be paid when collected from Borrowers. In the event Agent elects to require any Lender to assign its interest to Agent or to the Designated Lender, Agent will so notify such Lender in

writing within fortyfive (45) days following such Lender's denial, and such Lender will assign its interest to Agent or the Designated Lender no later than five (5) days following receipt of such notice pursuant to a Commitment Transfer Supplement executed by such Lender, Agent or the Designated Lender, as appropriate, and Agent.

(e) Notwithstanding (i) the existence of a Default or an Event of Default, (ii) that any of the other applicable conditions precedent set forth in Section 8.2 hereof have not been satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason, or (iii) any other contrary provision of this Agreement, Agent may at its discretion and without the consent of any Lender, voluntarily permit the outstanding Revolving Advances at any time to exceed the Formula Amount by up to ten percent (10%) of the Formula Amount for up to sixty (60) consecutive Business Days (the "Out-of-Formula Loans"). If Agent is willing in its sole and absolute discretion to permit suchOut-of-Formula Loans, the Lenders holding the Revolving Commitments shall be obligated to fund such Out-of-Formula Loans in accordance with their respective Revolving Commitment Percentages, and such Out-of-Formula Loans shall be payable on demand and shall bear interest at the Default Rate for Revolving Advances consisting of Domestic Rate Loans; provided that, if Agent does permit Out-of-Formula Loans, neither Agent nor Lenders shall be deemed thereby to have changed the limits of Section 2.1(a) nor shall any Lender be obligated to fund Revolving Advances in excess of its Revolving Commitment Amount. For purposes of this paragraph, the discretion granted to Agent hereunder shall not preclude involuntary overadvances that may result from time to time due to the fact that the Formula Amount was unintentionally exceeded for any reason, including, but not limited to, Collateral previously deemed to be any of "Eligible Receivables," "Eligible Inventory," "Eligible Vendor Receivables," "Eligible Credit Card Receivables" or "Eligible Fuel Inventory," as applicable, becomes ineligible, collections of Receivables applied to reduce outstanding Revolving Advances are thereafter returned for insufficient funds or overadvances are made to protect or preserve the Collateral. In the event Agent involuntarily permits the outstanding Revolving Advances to exceed the Formula Amount by more than ten percent (10%), Agent shall use its efforts to have Borrowers decrease such excess in as expeditious a manner as is practicable under the circumstances and not inconsistent with the reason for such excess. Revolving Advances made after Agent has determined the existence of involuntary overadvances shall be deemed to be involuntary overadvances and shall be decreased in accordance with the preceding sentence. To the extent any Out-of-Formula Loans are not actually funded by the other Lenders as provided for in this Section 16.2(e), Agent may elect in its discretion to fund such Out-of-Formula Loans and any such Out-of-Formula Loans so funded by Agent shall be deemed to be Revolving Advances made by and owing to Agent, and Agent shall be entitled to all rights (including accrual of interest) and remedies of a Lender holding a Revolving Commitment under this Agreement and the Other Documents with respect to such Revolving Advances.

(f) In addition to (and not in substitution of) the discretionary Revolving Advances permitted above in this Section 16.2, the Agent is hereby authorized by Borrowers and the Lenders, at any time in the Agent's sole discretion, regardless of (i) the existence of a Default or an Event of Default, (ii) whether any of the other applicable conditions precedent set forth in Section 8.2 hereof have not been satisfied or the commitments of Lenders to make Revolving Advances hereunder have been terminated for any reason, or (iii) any other contrary provision of this Agreement, to make Revolving Advances to Borrowers on behalf of the Lenders which Agent, in

its reasonable business judgment, deems necessary or desirable (a) to preserve or protect the Collateral, or any portion thereof, (b) to enhance the likelihood of, or maximize the amount of, repayment of the Advances and other Obligations, or (c) to pay any other amount chargeable to Borrowers pursuant to the terms of this Agreement (the "Protective Advances"); provided, that the Protective Advances made hereunder shall not exceed one hundred ten percent (110%) of the Formula Amount in the aggregate and provided further that at any time after giving effect to any such Protective Advances, the outstanding Revolving Advances and Maximum Undrawn Amount of all outstanding Letters of Credit do not exceed the Maximum Revolving Advance Amount. The Lenders holding the Revolving Commitments shall be obligated to fund such Protective Advances and effect a settlement with Agent therefore upon demand of Agent in accordance with their respective Revolving Commitment Percentages. To the extent any Protective Advances are not actually funded by the other Lenders as provided for in this Section 16.2(f), any such Protective Advances funded by Agent shall be deemed to be Revolving Advances made by and owing to Agent, and Agent shall be entitled to all rights (including accrual of interest) and remedies of a Lender holding a Revolving Commitment under this Agreement and the Other Documents with respect to such Revolving Advances.

16.3. Successors and Assigns; Participations; New Lenders.

(a) This Agreement shall be binding upon and inure to the benefit of Borrowers, Agent, each Lender, all future holders of the Obligations and their respective successors and assigns, except that no Borrower may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of Agent and each Lender.

(b) Each Borrower acknowledges that in the regular course of commercial banking business one or more Lenders may at any time and from time to time sell participating interests in the Advances to any Person (each such transferee or purchaser of a participating interest, a "Participant"). Each Participant may exercise all rights of payment (including rights of set-off) with respect to the portion of such Advances held by it or other Obligations payable hereunder as fully as if such Participant were the direct holder thereof provided that Borrowers shall not be required to pay to any Participant more than the amount which it would have been required to pay to Lender which granted an interest in its Advances or other Obligations payable hereunder to such Participant had such Lender retained such interest in the Advances hereunder or other Obligations payable hereunder and in no event shall Borrowers be required to pay any such amount arising from the same circumstances and with respect to the same Advances or other Obligations payable hereunder to both such Lender and such Participant. Each Borrower hereby grants to any Participant a continuing security interest in any deposits, moneys or other property actually or constructively held by such Participant as security for the Participant's interest in the Advances.

(c) Any Lender, with the consent of Agent which shall not be unreasonably withheld or delayed, may sell, assign or transfer all or any part of its rights and obligations under or relating to Revolving Advances under this Agreement and the Other Documents to one or more Persons and one or more Persons may commit to make Advances hereunder (each a "Purchasing Lender"), in minimum amounts of not less than $5,000,000, pursuant to a Commitment Transfer Supplement, executed by a Purchasing Lender, the transferor Lender, and Agent and delivered to Agent for recording. Upon such execution, delivery, acceptance and recording, from and after the

transfer effective date determined pursuant to such Commitment Transfer Supplement, (i) Purchasing Lender thereunder shall be a party hereto and, to the extent provided in such Commitment Transfer Supplement, have the rights and obligations of a Lender thereunder with a Revolving Commitment Percentages as set forth therein, and (ii) the transferor Lender thereunder shall, to the extent provided in such Commitment Transfer Supplement, be released from its obligations under this Agreement, the Commitment Transfer Supplement creating a novation for that purpose. Such Commitment Transfer Supplement shall be deemed to amend this Agreement to the extent, and only to the extent, necessary to reflect the addition of such Purchasing Lender and the resulting adjustment of the Revolving Commitment Percentages arising from the purchase by such Purchasing Lender of all or a portion of the rights and obligations of such transferor Lender under this Agreement and the Other Documents. Each Borrower hereby consents to the addition of such Purchasing Lender and the resulting adjustment of the Revolving Commitment Percentages arising from the purchase by such Purchasing Lender of all or a portion of the rights and obligations of such transferor Lender under this Agreement and the Other Documents. Borrowers shall execute and deliver such further documents and do such further acts and things in order to effectuate the foregoing.

(d) Any Lender, with the consent of Agent which shall not be unreasonably withheld or delayed, may directly or indirectly sell, assign or transfer all or any portion of its rights and obligations under or relating to Revolving Advances under this Agreement and the Other Documents to an entity, whether a corporation, partnership, trust, limited liability company or other entity that (i) is engaged in making, purchasing, holding or otherwise investing in bank loans and similar extensions of credit in the ordinary course of its business and (ii) is administered, serviced or managed by the assigning Lender or an Affiliate of such Lender (a "Purchasing CLO" and together with each Participant and Purchasing Lender, each a "Transferee" and collectively the "Transferees"), pursuant to a Commitment Transfer Supplement modified as appropriate to reflect the interest being assigned ("Modified Commitment Transfer Supplement"), executed by any intermediate purchaser, the Purchasing CLO, the transferor Lender, and Agent as appropriate and delivered to Agent for recording. Upon such execution and delivery, from and after the transfer effective date determined pursuant to such Modified Commitment Transfer Supplement, (i) Purchasing CLO thereunder shall be a party hereto and, to the extent provided in such Modified Commitment Transfer Supplement, have the rights and obligations of a Lender thereunder and (ii) the transferor Lender thereunder shall, to the extent provided in such Modified Commitment Transfer Supplement, be released from its obligations under this Agreement, the Modified Commitment Transfer Supplement creating a novation for that purpose. Such Modified Commitment Transfer Supplement shall be deemed to amend this Agreement to the extent, and only to the extent, necessary to reflect the addition of such Purchasing CLO. Each Borrower hereby consents to the addition of such Purchasing CLO. Borrowers shall execute and deliver such further documents and do such further acts and things in order to effectuate the foregoing.

(e) Agent shall maintain at its address a copy of each Commitment Transfer Supplement and Modified Commitment Transfer Supplement delivered to it and a register (the "Register") for the recordation of the names and addresses of each Lender and the outstanding principal, accrued and unpaid interest and other fees due hereunder. The entries in the Register shall be conclusive, in the absence of manifest error, and each Borrower, Agent and Lenders may treat each Person whose name is recorded in the Register as the owner of the Advance recorded

therein for the purposes of this Agreement. The Register shall be available for inspection by Borrowing Agent or any Lender at any reasonable time and from time to time upon reasonable prior notice. Agent shall receive a fee in the amount of $3,500 payable by the applicable Purchasing Lender and/or Purchasing CLO upon the effective date of each transfer or assignment (other than to an intermediate purchaser) to such Purchasing Lender and/or Purchasing CLO.

(f) Each Borrower authorizes each Lender to disclose to any Transferee and any prospective Transferee any and all financial information in such Lender's possession concerning such Borrower which has been delivered to such Lender by or on behalf of such Borrower pursuant to this Agreement or in connection with such Lender's credit evaluation of such Borrower.

(g) Notwithstanding anything to the contrary set forth in this Agreement, any Lender may at any time and from time to time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

16.4. Application of Payments. Agent shall have the continuing and exclusive right to apply or reverse and re-apply any payment and any and all proceeds of Collateral to any portion of the Obligations. To the extent that any Borrower makes a payment or Agent or any Lender receives any payment or proceeds of the Collateral for any Borrower's benefit, which are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver, custodian or any other party under any bankruptcy law, common law or equitable cause, then, to such extent, the Obligations or part thereof intended to be satisfied shall be revived and continue as if such payment or proceeds had not been received by Agent or such Lender.

16.5. Indemnity and Release.

(a) Each Borrower shall indemnify Agent, each Lender and each of their respective officers, directors, Affiliates, attorneys, employees and agents from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever (including reasonable fees and disbursements of counsel) which may be imposed on, incurred by, or asserted against Agent or any Lender in any claim, litigation, proceeding or investigation instituted or conducted by any Governmental Body or instrumentality or any other Person with respect to any aspect of, or any transaction contemplated by, or referred to in, or any matter related to this Agreement or the Other Documents, except to the extent that any of the foregoing arises out of the gross negligence or willful misconduct of the party being indemnified (as determined by a court of competent jurisdiction in a final and non-appealable judgment). Without limiting the generality of the foregoing, this indemnity shall extend to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever (including fees and disbursements of counsel) asserted against or incurred by any of the indemnitees described above in this Section 16.5(a) by any Person under any Environmental Laws or similar laws by reason of any Borrower's or any other Person's failure to comply with laws applicable to

solid or hazardous waste materials, including Hazardous Substances and Hazardous Waste, or other Toxic Substances. Additionally, if any taxes (excluding taxes imposed upon or measured solely by the net income of Agent and Lenders, but including any intangibles taxes, stamp tax, recording tax or franchise tax) shall be payable by Agent, Lenders or Borrowers on account of the execution or delivery of this Agreement, or the execution, delivery, issuance or recording of any of the Other Documents, or the creation or repayment of any of the Obligations hereunder, by reason of any Applicable Law now or hereafter in effect, Borrowers will pay (or will promptly reimburse Agent and Lenders for payment of) all such taxes, including interest and penalties thereon, and will indemnify and hold the indemnitees described above in this Section 16.5(a) harmless from and against all liability in connection therewith. In addition, to the extent Agent makes any payment on account of any recording taxes pursuant to this Section 16.5(a), the amount of such payment by Agent may be charged to Borrowers' Account as a Revolving Advance maintained as a Domestic Rate Loan and added to the Obligations.

(b) **As consideration for the extension of credit and the making of Advances by Agent and Lenders as set forth herein, each Borrower, for themselves and for each of their successors, assigns, affiliates, predecessors, employees, agents, heirs and executors, as applicable, by signing below, hereby releases and discharges Agent and Lenders, and all directors, officers, employees, attorneys and agents of Agent and Lenders, from any and all claims, demands, actions or causes of action of every kind or nature whatsoever, whether known or unknown, arising out of or in any way relating to the Existing Loan Documents. The release in this paragraph shall survive any termination of this Agreement. If any Borrower asserts or commences any claim, counter-claim, demand, obligation, liability or cause of action in violation of the foregoing, then the Borrowers agree to pay in addition to such other damages as Agent or any Lender may sustain as a result of such violation, all attorneys' fees and expenses incurred by Agent or any such Lender as a result of such violation.**

16.6. Notice. Any notice or request hereunder may be given to Borrowing Agent or any Borrower or to Agent or any Lender at their respective addresses set forth below or at such other address as may hereafter be specified in a notice designated as a notice of change of address under this Section. Any notice, request, demand, direction or other communication (for purposes of this Section 16.6 only, a "Notice") to be given to or made upon any party hereto under any provision of this Loan Agreement shall be given or made by telephone or in writing (which includes by means of electronic transmission (i.e., "e-mail") or by setting forth such Notice on a site on the World Wide Web (a "Website Posting") if Notice of such Website Posting (including the information necessary to access such site) has previously been delivered to the applicable parties hereto by another means set forth in this Section 16.6) in accordance with this Section 16.6. Any such Notice must be delivered to the applicable parties hereto at the addresses and numbers set forth under their respective names on Section 16.6 hereof or in accordance with any subsequent unrevoked Notice from any such party that is given in accordance with this Section 16.6. Any Notice shall be effective:

(a) In the case of hand-delivery, when delivered;

(b) If given by mail, four days after such Notice is deposited with the United States Postal Service, with first-class postage prepaid, return receipt requested;

(c) In the case of a telephonic Notice, when a party is contacted by telephone, if delivery of such telephonic Notice is confirmed no later than the next Business Day by hand delivery, an electronic transmission, a Website Posting or an overnight courier delivery of a confirmatory Notice (received at or before noon on such next Business Day);

(d) [reserved];

(e) In the case of electronic transmission, when actually received;

(f) In the case of a Website Posting, upon delivery of a Notice of such posting (including the information necessary to access such site) by another means set forth in this Section 16.6; and

(g) If given by any other means (including by overnight courier), when actually received.

Any Lender giving a Notice to Borrowing Agent or any Borrower shall concurrently send a copy thereof to the Agent, and the Agent shall promptly notify the other Lenders of its receipt of such Notice.

16.7. Survival. The obligations of Borrowers under Sections 2.2(g), 3.7, 3.8, 3.9, 4.19(h), and 16.5 and the obligations of Lenders under Section 14.7, shall survive termination of this Agreement and the Other Documents and payment in full of the Obligations.

16.8. Severability. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under Applicable Laws or regulations, such provision shall be inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder hereof shall not be invalidated thereby and shall be given effect so far as possible.

16.9. Expenses. All costs and expenses including reasonable attorneys' fees and (including the allocated costs of in house counsel) disbursements incurred by Agent on its behalf or on behalf of Lenders (a) in all efforts made to enforce payment of any Obligation or effect collection of any Collateral or enforcement of this Agreement or any of the Other Documents, or (b) in connection with the entering into, modification, amendment and administration of this Agreement or any of the Other Documents or any consents or waivers hereunder or thereunder and all related agreements, documents and instruments, or (c) in instituting, maintaining, preserving, enforcing and foreclosing on Agent's security interest in or Lien on any of the Collateral, or maintaining, preserving or enforcing any of Agent's or any Lender's rights hereunder or under any of the Other Documents and under all related agreements, documents and instruments, whether through judicial proceedings or otherwise, or (d) in defending or prosecuting any actions or proceedings arising out of or relating to Agent's or any Lender's transactions with any Borrower or any Guarantor or (e) in connection with any advice given to Agent or any Lender with respect to its rights and obligations under this Agreement or any of the Other Documents and all related agreements, documents and instruments, may be charged to Borrowers' Account and shall be part of the Obligations.

16.10. Injunctive Relief. Each Borrower recognizes that, in the event any Borrower fails to perform, observe or discharge any of its obligations or liabilities under this Agreement, or threatens to fail to perform, observe or discharge such obligations or liabilities, any remedy at law may prove to be inadequate relief to Lenders; therefore, Agent, if Agent so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving that actual damages are not an adequate remedy.

16.11. Consequential Damages. Neither Agent nor any Lender, nor any agent or attorney for any of them, shall be liable to any Borrower or any Guarantor (or any Affiliate of any such Person) for indirect, punitive, exemplary or consequential damages arising from any breach of contract, tort or other wrong relating to the establishment, administration or collection of the Obligations or as a result of any transaction contemplated under this Agreement or any Other Document.

The Eurodollar Rate shall be adjusted with respect to Eurodollar Rate Loans without notice or demand of any kind on the effective date of any change in the Reserve Percentage as of such effective date. Upon and after the occurrence of an Event of Default, and during the continuation thereof, (i) at the option of Agent or at the direction of

Required Lenders, the Obligations other than Eurodollar Rate Loans shall bear interest at the applicable Contract Rate for Domestic Rate Loans plus two (2%) percent per annum and (ii) Eurodollar Rate Loans shall bear interest at the Term Loan Rate for Eurodollar Rate Loans plus two (2%) percent per annum (as applicable, the "Default Rate").

3.2. [Reserved].

3.3. [Reserved].

3.4. [Reserved].

3.5. Computation of Interest and Fees. Interest and fees hereunder shall be computed on the basis of a year of 360 days and for the actual number of days elapsed. If any payment to be made hereunder becomes due and payable on a day other than a Business Day, the due date thereof shall be extended to the next succeeding Business Day and interest thereon shall be payable at the applicable Contract Rate during such extension.

3.6. Maximum Charges. In no event whatsoever shall interest and other charges charged hereunder exceed the highest rate permissible under law. In the event interest and other charges as computed hereunder would otherwise exceed the highest rate permitted under law, such excess amount shall be first applied to any unpaid principal balance owed by Borrowers, and if the then remaining excess amount is greater than the previously unpaid principal balance, Lenders shall promptly refund such excess amount to Borrowers and the provisions hereof shall be deemed amended to provide for such permissible rate.

3.7. Increased Costs. In the event that any Applicable Law or any Change in Law or compliance by any Lender (for purposes of this Section 3.7, the term "Lender" shall include Agent or any Lender and any corporation or bank controlling Agent, any Lender and the office or branch where Agent, any Lender (as so defined) makes or maintains any Eurodollar Rate Loans) with any request or directive (whether or not having the force of law) from any central bank or other financial, monetary or other authority, shall:

(a) subject Agent or any Lender to any tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan, or change the basis of taxation of payments to Agent or such Lender in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 3.10 and the imposition of, or any change in the rate of, any Excluded Tax payable by Agent, or such Lender);

(b) impose, modify or deem applicable any reserve, special deposit, assessment, compulsory loan, insurance charge or similar requirement against assets held by, or deposits in or for the account of, advances or loans by, or other credit extended by, any office of Agent or any Lender, including pursuant to Regulation D of the Board of Governors of the Federal Reserve System; or

(c) impose on Agent or any Lender (or the London interbank LIBOR market) any other condition, loss or expense (other than Taxes) affecting this Agreement or any Other Document or any Advance made by any Lender;

and the result of any of the foregoing is to increase the cost to Agent or any Lender of making, converting to, continuing, renewing or maintaining its Advances hereunder by an amount that Agent or such Lender deems to be material or to reduce the amount of any payment (whether of principal, interest or otherwise) in respect of any of the Advances by an amount that Agent or such Lender deems to be material, then, in any case Borrowers shall promptly pay Agent or such Lender within five (5) days of receiving a reasonably detailed written demand therefor, such additional amount as will compensate Agent or such Lender for such additional cost or such reduction, as the case may be, provided that the foregoing shall not apply to increased costs which are reflected in the Eurodollar Rate, as the case may be. Agent or such Lender shall certify the amount of such additional cost or reduced amount to Borrowing Agent, and such certification shall be conclusive absent manifest error. Each Lender shall give prompt notice to Borrowers of any claim for additional amounts pursuant to this Section 3.7; provided, that any failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.7 shall not constitute a waiver of such Lender's right to demand such compensation; provided further, the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.7 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrowers of the Change in Law or other circumstance giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, the six month period referred to above shall be extended to include the period of retroactive effect thereof).

3.8. Basis For Determining Interest Rate Inadequate or Unfair. In the event that Agent or any Lender shall have determined that:

(a) reasonable means do not exist for ascertaining the Eurodollar Rate applicable pursuant to Section 2.2 hereof for any Interest Period; or

(b) Dollar deposits in the relevant amount and for the relevant maturity are not available in the London interbank Eurodollar market, with respect to an outstanding Eurodollar Rate Loan, a proposed Eurodollar Rate Loan, or a proposed conversion of a Domestic Rate Loan into a Eurodollar Rate Loan, or

(c) the Eurodollar Rate will not adequately and fairly reflect the cost to such Lender of the establishment or maintenance of any Eurodollar Rate Loan,

then Agent shall give Borrowing Agent prompt written or telephonic notice of such determination. If such notice is given, (i) any such requested Eurodollar Rate Loan shall be made as a Domestic Rate Loan, unless Borrowing Agent shall notify Agent no later than 10:00 A.M. two (2) Business Days prior to the date of such proposed borrowing, that its request for such borrowing shall be cancelled or made as an unaffected type of Eurodollar Rate Loan, (ii) any Domestic Rate Loan or Eurodollar Rate Loan which was to have been converted to an affected type of Eurodollar Rate Loan shall be continued as or converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 10:00 A.M. two (2) Business Days prior to the proposed conversion, shall be maintained as an unaffected type of Eurodollar Rate Loan, and (iii) any outstanding affected Eurodollar Rate Loans shall be converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 10:00 A.M. two (2)

Business Days prior to the last Business Day of the then current Interest Period applicable to such affected Eurodollar Rate Loan, shall be converted into an unaffected type of Eurodollar Rate Loan, on the last Business Day of the then current Interest Period for such affected Eurodollar Rate Loans. Until such notice has been withdrawn, Lenders shall have no obligation to make an affected type of Eurodollar Rate Loan or maintain outstanding affected Eurodollar Rate Loans and no Borrower shall have the right to convert a Domestic Rate Loan or an unaffected type of Eurodollar Rate Loan into an affected type of Eurodollar Rate Loan.

3.9. Capital Adequacy.

(a) In the event that Agent or any Lender shall have determined that any Applicable Law or guideline regarding capital adequacy or liquidity, or any Change in Law or any change in the interpretation or administration thereof by any Governmental Body, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by Agent or any Lender (for purposes of this Section 3.9, the term "Lender" shall include Agent or any Lender and any corporation or bank controlling Agent or any Lender and the office or branch where Agent or any Lender (as so defined) makes or maintains any Eurodollar Rate Loans) with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on Agent or any Lender's capital as a consequence of its obligations hereunder to a level below that which Agent or such Lender could have achieved but for such adoption, change or compliance (taking into consideration Agent's and each Lender's policies with respect to capital adequacy and liquidity) by an amount deemed by Agent or any Lender to be material, then, from time to time, Borrowers shall pay, within ten (10) days of receiving a reasonably detailed written demand therefor, to Agent or such Lender such additional amount or amounts as will compensate Agent or such Lender for such reduction. In determining such amount or amounts, Agent or such Lender may use any reasonable averaging or attribution methods. The protection of this Section 3.9 shall be available to Agent and each Lender regardless of any possible contention of invalidity or inapplicability with respect to the Applicable Law, rule, regulation, guideline or condition.

(b) A certificate of Agent or such Lender setting forth such amount or amounts as shall be necessary to compensate Agent or such Lender with respect to Section 3.9(a) hereof when delivered to Borrowing Agent shall be conclusive absent manifest error.

(c) Each Lender shall give prompt notice to Borrowers of any claim for additional amounts pursuant to this Section 3.9; provided, that any failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.9 shall not constitute a waiver of such Lender's right to demand such compensation; provided further that the Borrowers shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 3.9 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrowers of the Change in Law or other circumstance giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, the six month period referred to above shall be extended to include the period of retroactive effect thereof).

3.10. Taxes.

(a) Any and all payments made to the Agent, Lender or Participant (each, individually, a "Payee," and collectively, the "Payees") with respect to any Obligations hereunder or under any Other Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes; provided that if the Borrowers shall be required by Applicable Law to withhold or deduct any Taxes from such payments, then (i) if the Taxes are Indemnified Taxes, the sum payable shall be increased as necessary so that after making all required deductions or withholding for Indemnified Taxes (including deductions applicable to additional sums payable under this Section 3.10) the Payee or Payees, as the case may be, receives an amount equal to the sum it would have received had no such withholding or deductions been made (the "Gross-Up Payment"), (ii) if such Taxes are Excluded Taxes, the sum payable shall not be increased and any amount withheld or deducted by the Borrower pursuant to clause (iii) shall be treated as paid to such Payee or Payees, as the case may be, for all purposes under this Agreement and the Other Documents, (iii) the Borrowers shall make such withholding or deductions, and (iv) the Borrowers shall timely pay the full amount deducted to the relevant Governmental Body in accordance with Applicable Law.

(b) Without limiting the provisions of Section 3.10(a) above, the Borrowers shall timely pay any Other Taxes to the relevant Governmental Body in accordance with Applicable Law.

(c) Each Borrower shall indemnify Agent, each Lender and any Participant, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by Agent, such Lender or such Participant, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Body. A certificate as to the amount of such payment or liability delivered to the Borrowers by any Lender, Participant (with a copy to Agent), or by Agent on its own behalf or on behalf of a Lender shall be conclusive absent manifest error. The Borrowers shall not be required to compensate any Agent, Lender or Participant pursuant to the foregoing provisions of this Section 3.10 for any Indemnified Taxes paid more than nine (9) months prior to the date that such Agent, Lender or Participant notifies the Borrower of such payment of Indemnified Taxes and of such Agent, Lender or Participant's intention to claim compensation therefor.

(d) As soon as practicable after any payment of Indemnified Taxes by any Borrower to a Governmental Body, the Borrowers shall deliver to Agent the original or a certified copy of a receipt issued by such Governmental Body evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Agent.

(e) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which any Borrower is formed or is resident for tax purposes, or under any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any Other Document shall deliver to the Borrowers (with a copy to Agent), at the time or times prescribed by Applicable Law or reasonably requested by the

Borrowers or Agent, such properly completed and executed documentation prescribed by Applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. Notwithstanding the submission of such documentation claiming a reduced rate of or exemption from U.S. withholding tax, any Borrower or Agent shall be entitled to withhold United States federal income Taxes at the full 30% withholding rate if in its reasonable judgment it is required to do so under the due diligence requirements imposed upon a withholding agent under § 1.1441-7(b) of the United States income Tax Regulations, FATCA or other Applicable Law. Further, such Borrower or Agent is indemnified under § 1.1461-1(e) of the United States income Tax Regulations or against any claims and demands of any Lender or permitted assignee or participant of a Lender for the amount of any tax it deducts and withholds in accordance with regulations under § 1441 of the Code or FATCA. In addition, any Lender, if requested by the Borrowers or Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrowers or Agent as will enable the Borrowers or Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Without limiting the generality of the foregoing, in the event that any Borrower is resident for tax purposes in or formed under the laws of the United States of America, each State thereof and the District of Columbia, any Foreign Lender (or other Lender) shall deliver to the Borrowers and Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender (or other Lender) becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrowers or the Agent, but only if such Foreign Lender (or other Lender) is legally entitled to do so), whichever of the following is applicable:

(i) two (2) duly completed valid originals of IRS Form W-8BEN claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(ii) two (2) duly completed valid originals of IRS Form W-8ECI,

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not (A) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrowers within the meaning of section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (y) two duly completed valid originals of IRS Form W-8BEN, or

(iv) any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in United States Federal withholding tax duly completed together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrowers to determine the withholding or deduction required to be made.

(f) To the extent that any Lender is not a Foreign Lender, such Lender shall submit to Agent two (2) originals of an IRS Form W-9 or any other form prescribed by Applicable Law reasonably requested by Borrowers or Agent demonstrating that such Lender is not a Foreign Lender and not subject to backup withholding.

(g) If a payment made to a Payee under any Document would be subject to

U.S. Federal withholding Tax imposed by FATCA if such Person fails to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Payee shall deliver to the Agent (in the case of a Lender or Participant) and the Borrowers (A) a certification signed by the chief financial officer, principal accounting officer, treasurer or controller of such Person, and (B) other documentation reasonably requested by the Agent or any Borrower sufficient for Agent and the Borrowers to comply with their obligations under FATCA and to determine that such Payee has complied with such applicable reporting requirements.

(h) If the Agent, a Lender, or a Participant determines, in its sole discretion, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to this Section, it shall pay to the Borrowers an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund); net of all out-of-pocket expenses of the Agent, such Lender or Participant, as the case may be, and without interest (other than any interest paid by the relevant Governmental Body with respect to such refund), provided that the Borrowers, upon the request of the Agent, such Lender or Participant agrees to repay the amount paid over to the Borrowers (plus any penalties, interest or other charges imposed by the relevant Governmental Body) to the Agent, such Lender or Participant in the event the Agent, such Lender or Participant is required to repay such refund to such Governmental Body. This Section shall not be construed to require the Agent, any Lender or Participant to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrowers or any other Person.

3.11. Replacement of Lenders. If any Lender (an "Affected Lender") is a Defaulting Lender, Borrowers may, within ninety (90) days of such Lender becoming a Defaulting Lender, by notice (a "Replacement Notice") in writing to the Agent and such Affected Lender (i) request the Affected Lender to cooperate with Borrowers in obtaining a replacement Lender satisfactory to the Agent and Borrowers (the "Replacement Lender"); (ii) request the non-Affected Lenders to acquire and assume all of the Affected Lender's Advances and its Term Loan Commitment Percentages, as applicable, as provided herein, but none of such Lenders shall be under any obligation to do so; or (iii) propose a Replacement Lender subject to approval by the Agent in its good faith business judgment. If any satisfactory Replacement Lender shall be obtained, and/or if any one or more of the non-Affected Lenders shall agree to acquire and assume all of the Affected Lender's Advances and its Term Loan Commitment Percentages, as applicable, then such Affected Lender shall assign, in accordance with Section 16.3 hereof, all of its Advances and its and Term Loan Commitment Percentage, as applicable, and other rights and obligations under this Loan Agreement and the Other Documents to such Replacement Lender or non-Affected Lenders, as the case may be, in exchange for payment of the principal amount so assigned and all interest and fees accrued on the amount so assigned, *plus* all other Obligations then due and payable to the Affected Lender.

All charges, expenses and fees Agent may incur in doing any of the foregoing, and any local taxes relating thereto, shall be added to the Obligations, or, at Agent's option, shall be paid to Agent for its benefit and for the ratable benefit of Lenders immediately upon demand.

4.3. Disposition of Collateral. Each Borrower will safeguard and protect all Collateral for Agent's general account and make no disposition thereof whether by sale, lease or otherwise.

4.4. Preservation of Collateral. Following the occurrence of a Default or Event of Default, in addition to the rights and remedies set forth in Section 11.1 hereof, Agent: may at any time take such steps as Agent deems necessary to protect Agent's interest in and to preserve the Collateral. Each Borrower shall cooperate fully with all of Agent's efforts to preserve the Collateral and will take such actions to preserve the Collateral as Agent may direct. All of Agent's expenses of preserving the Collateral, including any expenses relating to the bonding of a custodian, shall be added to the Obligations.

4.5. Ownership of Collateral.

(a) With respect to the Collateral, at the time the Collateral becomes subject to Agent's security interest: (i) each Borrower shall be the sole owner of and fully authorized and able to sell, transfer, pledge and/or grant a first priority security interest in each and every item of its respective Collateral to Agent; and, except for Permitted Encumbrances the Collateral shall be free and clear of all Liens and encumbrances whatsoever; (ii) each document and agreement executed by each Borrower or delivered to Agent or any Lender in connection with this Agreement shall be true and correct in all material respects; and (iii) all signatures and endorsements of each Borrower that appear on such documents and agreements shall be genuine and each Borrower shall have full capacity to execute same.

(b) Schedule 4.5 hereto sets forth a correct and complete list as of the Closing Date of the chief executive officer of each Borrower.

4.6. Defense of Agent's and Lenders' Interests. Until (a) payment and performance in full of all of the Obligations and (b) termination of this Agreement, Agent's interests in the Collateral shall continue in full force and effect. During such period no Borrower shall, without Agent's prior written consent, pledge, sell, assign, transfer, create or suffer to exist a Lien upon or encumber or allow or suffer to be encumbered in any way except for Permitted Encumbrances, any part of the Collateral. Each Borrower shall defend Agent's interests in the Collateral against any and all Persons whatsoever. At any time following demand by Agent for payment of all Obligations, Agent shall have the right to take possession of the indicia of the Collateral and the Collateral in whatever physical form contained, including: labels, stationery, documents, instruments and advertising materials. If Agent exercises this right to take possession of the Collateral, Borrowers shall, upon demand, assemble it in the best manner possible and make it available to Agent at a place reasonably convenient to Agent. In addition, with respect to all Collateral, Agent and Lenders shall be entitled to all of the rights and remedies set forth herein and further provided by the Uniform Commercial Code or other Applicable Law. Each Borrower shall, and Agent may, at its option, instruct all suppliers, carriers, forwarders, warehousers or others receiving or holding cash, checks, Inventory, documents or instruments in which Agent holds a security interest to deliver same to Agent and/or subject to Agent's order and if they shall come into any Borrower's possession, they, and each of them, shall be held by such Borrower in trust as Agent's trustee, and such Borrower will immediately deliver them to Agent in their original form together with any necessary endorsement.

4.7. Books and Records. Each Borrower shall (a) keep proper books of record and account in which full, true and correct entries will be made of all dealings or transactions of or in relation to its business and affairs; (b) set up on its books accruals with respect to all taxes, assessments, charges, levies and claims; and (c) on a reasonably current basis set up on its books, from its earnings, allowances against doubtful Receivables, advances and investments and all other proper accruals (including by reason of enumeration, accruals for premiums, if any, due on required payments and accruals for depreciation, obsolescence, or amortization of properties), which should be set aside from such earnings in connection with its business. All determinations pursuant to this subsection shall be made in accordance with, or as required by, GAAP consistently applied in the opinion of such independent public accountant as shall then be regularly engaged by Borrowers.

4.8. Financial Disclosure. Each Borrower hereby irrevocably authorizes and directs all accountants and auditors employed by such Borrower at any time during the Term to exhibit and deliver to Agent and each Lender copies of any of such Borrower's financial statements, trial balances or other accounting records of any sort in the accountant's or auditor's possession, and to disclose to Agent and each Lender any information such accountants may have concerning such Borrower's financial status and business operations. Each Borrower hereby authorizes all Governmental Bodies to furnish to Agent and each Lender copies of reports or examinations relating to such Borrower, whether made by such Borrower or otherwise; however, Agent and each Lender will attempt to obtain such information or materials directly from such Borrower prior to obtaining such information or materials from such accountants or Governmental Bodies.

4.9. Compliance with Laws. Each Borrower shall comply with all Applicable Laws with respect to the Collateral or any part thereof or to the operation of such Borrower's business the non-compliance with which could reasonably be expected to have a Material Adverse Effect.

4.10. Reserved.

4.11. Insurance.

(a) The assets and properties of each Borrower at all times shall be maintained in accordance with the requirements of all insurance carriers which provide insurance with respect to the assets and properties of such Borrower so that such insurance shall remain in full force and effect. As between Lenders and Borrowers, each Borrower shall bear the full risk of any loss of any nature whatsoever with respect to the Collateral. At each Borrower's own cost and expense in amounts and with carriers acceptable to Agent, each Borrower shall (a) keep all its insurable properties and properties in which such Borrower has an interest insured against the hazards of fire, flood, sprinkler leakage, those hazards covered by extended coverage insurance and such other hazards, and for such amounts, as is customary in the case of companies engaged in businesses similar to such Borrower's including business interruption insurance; (b) reserved; (c) maintain public and product liability insurance against claims for personal injury, death or property damage suffered by others; (d) maintain all such worker's compensation or similar insurance as may be required under the laws of any state or jurisdiction in which such Borrower is engaged in business; (e) reserved; (f) furnish Agent with (i) evidence of the maintenance of such policies set forth on Acord 25 and 28 by the renewal thereof at least fourteen (14) days before any expiration date, (ii) binders with respect to the policies at least seven (7) days prior to the renewal date and(iii) copies of the policies at least ninety (90) days following the renewal date.

4.12. Failure to Pay Insurance. If any Borrower fails to obtain insurance as hereinabove provided, or to keep the same in force, Agent, if Agent so elects, may obtain such insurance and pay the premium therefor on behalf of such Borrower, and charge Borrowers' Account therefor and such expenses so paid shall be part of the Obligations.

4.13. Payment of Taxes. Each Borrower will pay, when due, all material taxes, assessments and other Charges lawfully levied or assessed upon such Borrower or any of the Collateral including material real and personal property taxes, assessments and charges and all material franchise, income, employment, social security benefits, withholding, and sales taxes, except for such taxes (i) that are not yet delinquent or (ii) that are being contested in good faith and by appropriate proceedings. If any tax by any Governmental Body is or may be imposed on or as a result of any transaction between any Borrower and Agent or any Lender which Agent or any Lender may be required to withhold or pay or if any taxes, assessments, or other Charges remain unpaid after the date fixed for their payment, or if any claim shall be made which, in Agent's or any Lender's opinion, may possibly create a valid Lien on the Collateral, Agent may without notice to Borrowers pay the taxes, assessments or other Charges and each Borrower hereby indemnifies and holds Agent and each Lender harmless in respect thereof. The amount of

any payment by Agent under this Section 4.13 shall be charged to Borrowers' Account and added to the Obligations and, until Borrowers shall furnish Agent with an indemnity therefor (or supply Agent with evidence satisfactory to Agent that due provision for the payment thereof has been made), Agent may hold without interest any balance standing to Borrowers' credit and Agent shall retain its security interest in and Lien on any and all Collateral held by Agent.

4.14. Payment of Leasehold Obligations. Each Borrower shall at all times pay, when and as due, its rental obligations under all leases under which it is a tenant, and shall otherwise comply, in all material respects, with all other terms of such leases and keep them in full force and effect, except to the extent the failure to so comply could not reasonably be expected to cause a Material Adverse Effect, and, at Agent's request will provide evidence of having done so.

4.15. Collateral Securities Account. Borrowers shall not, as of the last day of any calendar month, cause or suffer or permit the value of the Investment Property contained in or credited to the Collateral Securities Account to be less than 98% of the principal amount of the Term Loan outstanding at such time; provided that to the extent such value is less than 98% at such time as reflected in any report received at such time from the securities intermediary (or escrow agent) that maintains the Collateral Securities Account or, upon notice from Agent, at any other time, Borrowers shall have three (3) Business Days to increase such value by adding additional assets to the Collateral Securities Account (provided, further, that, no Default or Event of Default shall be deemed to have occurred until the expiration of such period).

4.16. [Reserved].

4.17. [Reserved].

4.18. Exculpation of Liability. Nothing herein contained shall be construed to constitute Agent or any Lender as any Borrower's agent for any purpose whatsoever, nor shall Agent or any Lender be responsible or liable for any shortage, discrepancy, damage, loss or destruction of any part of the Collateral wherever the same may be located and regardless of the cause thereof. Neither Agent nor any Lender, whether by anything herein or in any assignment or otherwise, assume any of any Borrower's obligations under any contract or agreement assigned to Agent or such Lender, and neither Agent nor any Lender shall be responsible in any way for the performance by any Borrower of any of the terms and conditions thereof.

4.19. Environmental Matters.

(a) Borrowers shall ensure that the Real Property and all operations and businesses conducted thereon remains in material compliance with all Environmental Laws and they shall not place or permit to be placed any Hazardous Substances on any Real Property except as in material compliance with Applicable Law or appropriate governmental authorities.

(b) Borrowers shall establish and maintain an environmental compliance management system to assure and monitor continued compliance with all applicable Environmental Laws which system shall include periodic reviews of such compliance.

(c) Reserved.

(d) In the event any Borrower obtains, gives or receives notice of any Release or threat of Release of a reportable quantity of any Hazardous Substances at the Real Property (any such event being hereinafter referred to as a "Hazardous Discharge") or receives any notice of violation, request for information or notification that it is potentially responsible for investigation or cleanup of environmental conditions at the Real Property, demand letter or complaint, order, citation, or other written notice with regard to any Hazardous Discharge or violation of Environmental Laws affecting the Real Property or any Borrower's interest therein (any of the foregoing is referred to herein as an "Environmental Complaint") from any Person, including any state agency responsible in whole or in part for environmental matters in the state in which the Real Property is located or the United States Environmental Protection Agency (any such person or entity hereinafter the "Authority"), in each case to the extent material, then Borrowing Agent shall, within ten (10) Business Days, give written notice of same to Agent detailing facts and circumstances of which any Borrower is aware giving rise to the Hazardous Discharge or Environmental Complaint. Such information is to be provided to allow Agent to protect its security interest in and Lien on the Real Property and the Collateral and is not intended to create nor shall it create any obligation upon Agent or any Lender with respect thereto.

(e) Borrowing Agent shall promptly forward to Agent copies of any request for information, notification of potential liability, demand letter relating to potential responsibility with respect to the investigation or cleanup of Hazardous Substances at any other site owned, operated or used by any Borrower to dispose of Hazardous Substances, to the extent such request relates to a potential material liability, and shall continue to forward copies of correspondence between any Borrower and the Authority regarding such claims to Agent until the claim is settled. Borrowing Agent shall promptly forward to Agent copies of all documents and reports concerning a Hazardous Discharge at the Real Property that any Borrower is required to file under any Environmental Laws. Such information is to be provided solely to allow Agent to protect Agent's security interest in and Lien on the Real Property and the Collateral.

(f) Borrowers shall respond promptly to any Hazardous Discharge or Environmental Complaint and take all necessary action in order to safeguard the health of any Person and to avoid subjecting the Collateral or Real Property to any Lien. If any Borrower shall fail to respond promptly to any Hazardous Discharge or Environmental Complaint or any Borrower shall fail to comply with any of the requirements of any Environmental Laws and such failure is a potential material liability, Agent on behalf of Lenders may, but without the obligation to do so, for the sole purpose of protecting Agent's interest in the Collateral: (i) give such notices or (ii) enter onto the Real Property (or authorize third parties to enter onto the Real Property) and take such actions as Agent (or such third parties as directed by Agent) deem reasonably necessary or advisable, to clean up, remove, mitigate or otherwise deal with any such Hazardous Discharge or Environmental Complaint. 10.21. Breach of Supply Agreements. Termination of, without replacement of such terminated agreement with an agreement with identical or more beneficial terms for Borrower (including, pricing, payment terms and minimum gallons), or breach under, any of the Supply Agreements, or similar agreements that remain uncured beyond any applicable cure or grace period, except in each case to the extent that such termination or noncompliance could not reasonably be expected to have a Material Adverse Effect;

10.22. Reportable Compliance Event. The occurrence of any Reportable Compliance Event, or any Borrower's failure to promptly report a Reportable Compliance Event in accordance with Section 16.18 hereof; or

XI. LENDERS' RIGHTS AND REMEDIES AFTER DEFAULT.

11.1. Rights and Remedies.

(a) Upon the occurrence of: (i) an Event of Default pursuant to Section 10.7 all Obligations shall be immediately due and payable and this Agreement and the obligation of Lenders to make Advances shall be deemed terminated; and, (ii) any of the other Events of Default and at any time thereafter, at the option of Required Lenders all Obligations shall be immediately due and payable and Lenders shall have the right to terminate this Agreement and to terminate the obligation of Lenders to make Advances; and (iii) a filing of a petition against any Borrower in any involuntary case under any state or federal bankruptcy laws, all Obligations shall be immediately due and payable and the obligation of Lenders to make Advances hereunder shall be terminated other than as may be required by an appropriate order of the bankruptcy court having jurisdiction over such Borrower. Upon the occurrence of any Event of Default, Agent shall have the right to exercise any and all rights and remedies provided for herein, under the Other Documents, under the Uniform Commercial Code and at law or equity generally, including the right to foreclose the security interests granted herein and to realize upon any Collateral by any available judicial procedure and/or to take possession of and sell any or all of the Collateral with or without judicial process. Agent may enter any of any Borrower's premises or other premises without legal process and without incurring liability to any Borrower therefor, and Agent may thereupon, or at any time thereafter, in its discretion without notice or demand, take the Collateral and remove the same to such place as Agent may deem advisable and Agent may require Borrowers to make the Collateral available to Agent at a convenient place. With or without having the Collateral at the time or place of sale, Agent may sell the Collateral, or any

part thereof, at public or private sale, at any time or place, in one or more sales, at such price or prices, and upon such terms, either for cash, credit or future delivery, as Agent may elect. Except as to that part of the Collateral which is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Agent shall give Borrowers reasonable notification of such sale or sales, it being agreed that in all events written notice mailed to Borrowing Agent at least ten (10) days prior to such sale or sales is reasonable notification. At any public sale Agent or any Lender may bid for and become the purchaser, and Agent, any Lender or any other purchaser at any such sale thereafter shall hold the Collateral sold absolutely free from any claim or right of whatsoever kind, including any equity of redemption and all such claims, rights and equities are hereby expressly waived and released by each Borrower. In connection with the exercise of the foregoing remedies, including the sale of Inventory, Agent is granted a perpetual nonrevocable, royalty free, nonexclusive license and Agent is granted permission to use all of each Borrower's (a) trademarks, trade styles, trade names, patents, patent applications, copyrights, service marks, licenses, franchises and other proprietary rights which are used or useful in connection with Inventory for the purpose of marketing, advertising for sale and selling or otherwise disposing of such Inventory and (b) Equipment for the purpose of completing the manufacture of unfinished goods. The cash proceeds realized from the sale of any Collateral shall be applied to the Obligations in the order set forth in Section 11.5 hereof. Noncash proceeds will only be applied to the Obligations as they are converted into cash. If any deficiency shall arise, Borrowers shall remain liable to Agent and Lenders therefor.

(b) To the extent that Applicable Law imposes duties on the Agent to exercise remedies in a commercially reasonable manner, each Borrower acknowledges and agrees that it is not commercially unreasonable for the Agent: (i) to fail to incur expenses reasonably deemed significant by the Agent to prepare Collateral for disposition or otherwise to complete raw material or work in process into finished goods or other finished products for disposition; (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of; (iii) to fail to exercise collection remedies against Customers or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral; (iv) to exercise collection remedies against Customers and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists; (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature; (vi) to contact other Persons, whether or not in the same business as any Borrower, for expressions of interest in acquiring all or any portion of such Collateral; (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature; (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets; (ix) to dispose of assets in wholesale rather than retail markets; (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure the Agent against risks of loss, collection or disposition of Collateral or to provide to the Agent a guaranteed return from the collection or disposition of Collateral; or (xii) to the extent deemed appropriate by the Agent, to obtain the services of other brokers, investment bankers, consultants and other professionals to assist the

Agent in the collection or disposition of any of the Collateral. Each Borrower acknowledges that the purpose of this Section 11.1(b) is to provide non-exhaustive indications of what actions or omissions by the Agent would not be commercially unreasonable in the Agent's exercise of remedies against the Collateral and that other actions or omissions by the Agent shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 11.1(b). Without limitation upon the foregoing, nothing contained in this Section 11.1(b) shall be construed to grant any rights to any Borrower or to impose any duties on Agent that would not have been granted or imposed by this Agreement or by Applicable Law in the absence of this Section 11.1(b).

11.2. Agent's Discretion. Agent shall have the right in its sole discretion to determine which rights, Liens, security interests or remedies Agent may at any time pursue, relinquish, subordinate, or modify or to take any other action with respect thereto and such determination will not in any way modify or affect any of Agent's or Lenders' rights hereunder.

11.3. Setoff. Subject to Section 14.12, in addition to any other rights which Agent or any Lender may have under Applicable Law, upon the occurrence of an Event of Default hereunder, Agent and such Lender shall have a right, immediately and without notice of any kind, to apply any Borrower's property held by Agent and such Lender to reduce the Obligations.

11.4. Rights and Remedies not Exclusive. The enumeration of the foregoing rights and remedies is not intended to be exhaustive and the exercise of any rights or remedy shall not preclude the exercise of any other right or remedies provided for herein or otherwise provided by law, all of which shall be cumulative and not alternative.

11.5. Allocation of Payments After Event of Default. Notwithstanding any other provisions of this Agreement to the contrary, after the occurrence and during the continuance of an Event of Default, all amounts collected or received by the Agent on account of the Obligations or any other amounts outstanding under any of the Other Documents or in respect of the Collateral may, at Agent's discretion, be paid over or delivered as follows:

FIRST, to the payment of all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees) of the Agent in connection with enforcing its rights and the rights of the Lenders under this Agreement and the Other Documents and any protective advances made by the Agent with respect to the Collateral under or pursuant to the terms of this Agreement;

SECOND, to payment of any fees owed to the Agent;

THIRD, to the payment of all reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees) of each of the Lenders to the extent owing to such Lender pursuant to the terms of this Agreement;

FOURTH, to the payment of all of the Obligations consisting of accrued fees and interest;

FIFTH, to the payment of the outstanding principal amount of the Obligations;

SIXTH, to all other Obligations and other obligations which shall have become due and payable under the Other Documents or otherwise and not repaid pursuant to clauses "FIRST" through "FIFTH" above; and

SEVENTH, to the payment of the surplus, if any, to whoever may be lawfully entitled to receive such surplus.

In carrying out the foregoing, (i) amounts received shall be applied in the numerical order provided until exhausted prior to application to the next succeeding category; and (ii) each of the Lenders shall receive (so long as it is not a Defaulting Lender) an amount equal to its pro rata share (based on the proportion that the then outstanding Advances held by such Lender bears to the aggregate then outstanding Advances) of amounts available to be applied pursuant to clauses "FOURTH," "FIFTH" and "SIXTH" above.

XII. WAIVERS AND JUDICIAL PROCEEDINGS.

12.1. Waiver of Notice. Each Borrower hereby waives notice ofnon-payment of any of the Receivables, demand, presentment, protest and notice thereof with respect to any and all instruments, notice of acceptance hereof, notice of loans or advances made, credit extended, Collateral received or delivered, or any other action taken in reliance hereon, and all other demands and notices of any description, except such as are expressly provided for herein.

12.2. Delay. No delay or omission on Agent's or any Lender's part in exercising any right, remedy or option shall operate as a waiver of such or any other right, remedy or option or of any Default or Event of Default.

12.3. Jury Waiver. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (A) ARISING UNDER THIS AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR (B) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE AND EACH PARTY HEREBY CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENTS OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

XIII. EFFECTIVE DATE AND TERMINATION.

13.1. Term. This Agreement, which shall inure to the benefit of and shall be binding upon the respective successors and permitted assigns of each Borrower, Agent and each Lender,

shall become effective on the date hereof and shall continue in full force and effect until January 12, 2019 (the "Term") unless sooner terminated as herein provided. Borrowers may terminate this Agreement at any time upon ninety (90) days' prior written notice upon payment in full of the Obligations. Except as provided in Section 2.2(f), no prepayment fees shall be due in connection with such prepayment.

13.2. Termination. The termination of the Agreement shall not affect any Borrower's, Agent's or any Lender's rights, or any of the Obligations having their inception prior to the effective date of such termination, and the provisions hereof shall continue to be fully operative until all transactions entered into, rights or interests created or Obligations have been fully and indefeasibly paid, disposed of, concluded or liquidated. The security interests, Liens and rights granted to Agent and Lenders hereunder and the financing statements filed hereunder shall continue in full force and effect, notwithstanding the termination of this Agreement or the fact that Borrowers' Account may from time to time be temporarily in a zero or credit position, until all of the Obligations of each Borrower have been indefeasibly paid and performed in full after the termination of this Agreement or each Borrower has furnished Agent and Lenders with an indemnification satisfactory to Agent and Lenders with respect thereto. Accordingly, each Borrower waives any rights which it may have under the Uniform Commercial Code to demand the filing of termination statements with respect to the Collateral, and Agent shall not be required to send such termination statements to each Borrower, or to file them with any filing office, unless and until this Agreement shall have been terminated in accordance with its terms and all Obligations have been indefeasibly paid in full in immediately available funds. All representations, warranties, covenants, waivers and agreements contained herein shall survive termination hereof until all Obligations are indefeasibly paid and performed in full.

XIV. REGARDING AGENT.

14.1. Appointment. Each Lender hereby designates PNC to act as Agent for such Lender under this Agreement and the Other Documents. Each Lender hereby irrevocably authorizes Agent to take such action on its behalf under the provisions of this Agreement and the Other Documents and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto and Agent shall hold all Collateral, payments of principal and interest, fees (except the fees set forth in Section 3.3), charges and collections (without giving effect to any collection days) received pursuant to this Agreement, for the ratable benefit of Lenders. Agent may perform any of its duties hereunder by or through its agents or employees. As to any matters not expressly provided for by this Agreement (including collection of the Note) Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders, and such instructions shall be binding; provided, however, that Agent shall not be required to take any action which exposes Agent to liability or which is contrary to this Agreement or the Other Documents or Applicable Law unless Agent is furnished with an indemnification reasonably satisfactory to Agent with respect thereto.

14.2. Nature of Duties. Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and the Other Documents. Neither Agent nor any of its officers, directors, employees or agents shall be (i) liable for any action taken or omitted by them as such hereunder or in connection herewith, unless caused by their gross (not mere) negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment), or (ii) responsible in any manner for any recitals, statements, representations or warranties made by any Borrower or any officer thereof contained in this Agreement, or in any of the Other Documents or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any of the Other Documents or for the value, validity, effectiveness, genuineness, due execution, enforceability or sufficiency of this Agreement, or any of the Other Documents or for any failure of any Borrower to perform its obligations hereunder. Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any of the Other Documents, or to inspect the properties, books or records of any Borrower. The duties of Agent as respects the Advances to Borrowers shall be mechanical and administrative in nature; Agent shall not have by reason of this Agreement a fiduciary relationship in respect of any Lender; and nothing in this Agreement, expressed or implied, is intended to or shall be so construed as to impose upon Agent any obligations in respect of this Agreement except as expressly set forth herein.

14.3. Lack of Reliance on Agent and Resignation. Independently and without reliance upon Agent or any other Lender, each Lender has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of each Borrower and each Guarantor in connection with the making and the continuance of the Advances hereunder and the taking or not taking of any action in connection herewith, and (ii) its own appraisal of the creditworthiness of each Borrower and each Guarantor. Agent shall have no duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before making of the Advances or at any time or times thereafter except as shall be provided by any Borrower pursuant to the terms hereof. Agent shall not be responsible to any Lender for any recitals, statements, information, representations or warranties herein or in any agreement, document, certificate or a statement delivered in connection with or for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency of this Agreement or any Other Document, or of the financial condition of any Borrower or any Guarantor, or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement, the Note, the Other Documents or the financial condition of any Borrower, or the existence of any Event of Default or any Default.

Agent may resign on sixty (60) days' written notice to each of Lenders and Borrowing Agent and upon such resignation, the Required Lenders will promptly designate a successor Agent reasonably satisfactory to Borrowers.

Any such successor Agent shall succeed to the rights, powers and duties of Agent, and the term "Agent" shall mean such successor agent effective upon its appointment, and the former Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Agent. After any Agent's resignation as Agent, the provisions of this Article XIV shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement.

14.4. Certain Rights of Agent. If Agent shall request instructions from Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any Other Document, Agent shall be entitled to refrain from such act or taking such action unless and until Agent shall have received instructions from the Required Lenders; and Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, Lenders shall not have any right of action whatsoever against Agent as a result of its acting or refraining from acting hereunder in accordance with the instructions of the Required Lenders.

14.5. Reliance. Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, teletype or telecopier message, cablegram, order or other document or telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person or entity, and, with respect to all legal matters pertaining to this Agreement and the Other Documents and its duties hereunder, upon advice of counsel selected by it. Agent may employ agents and attorneys-in-fact and shall not be liable for the default or misconduct of any such agents or attorneys-in-fact selected by Agent with reasonable care.

14.6. Notice of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder or under the Other Documents, unless Agent has received notice from a Lender or Borrowing Agent referring to this Agreement or the Other Documents, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that Agent receives such a notice, Agent shall give notice thereof to Lenders. Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided, that, unless and until Agent shall have received such directions, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of Lenders.

14.7. Indemnification. To the extent Agent is not reimbursed and indemnified by Borrowers, each Lender will reimburse and indemnify Agent in proportion to its respective portion of the Advances (or, if no Advances are outstanding, according to its Commitment Percentage), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against Agent in performing its duties hereunder, or in any way relating to or arising out of this Agreement or any Other Document; provided that, Lenders shall not be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from Agent's gross (not mere) negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment).

14.8. Agent in its Individual Capacity. With respect to the obligation of Agent to lend under this Agreement, the Advances made by it shall have the same rights and powers hereunder as any other Lender and as if it were not performing the duties as Agent specified herein; and the term "Lender" or any similar term shall, unless the context clearly otherwise indicates, include Agent in its individual capacity as a Lender. Agent may engage in business with any Borrower as if it were not performing the duties specified herein, and may accept fees and other consideration from any Borrower for services in connection with this Agreement or otherwise without having to account for the same to Lenders.

14.9. Delivery of Documents. To the extent Agent receives financial statements required under Sections 9.7, 9.8, 9.9, 9.12 and 9.13 or Borrowing Base Certificates from any Borrower pursuant to the terms of this Agreement which any Borrower is not obligated to deliver to each Lender, Agent will promptly furnish such documents and information to Lenders.

14.10. Borrowers' Undertaking to Agent. Without prejudice to their respective obligations to Lenders under the other provisions of this Agreement, each Borrower hereby undertakes with Agent to pay to Agent from time to time on demand all amounts from time to time due and payable by it for the account of Agent or Lenders or any of them pursuant to this Agreement to the extent not already paid. Any payment made pursuant to any such demand shall pro tanto satisfy the relevant Borrower's obligations to make payments for the account of Lenders or the relevant one or more of them pursuant to this Agreement.

14.11. No Reliance on Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on the Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the USA PATRIOT Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121 (as hereafter amended or replaced, the "CIP Regulations"), or any other Anti-Terrorism Law, including any programs involving any of the following items relating to or in connection with any Borrower, its Affiliates or its agents, this Agreement, the Other Documents or the transactions hereunder or contemplated hereby: (1) any identity verification procedures, (2) any record-keeping, (3) comparisons with government lists, (4) customer notices or (5) other procedures required under the CIP Regulations or such other laws.

14.12. Other Agreements. Each of the Lenders agrees that it shall not, without the express consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the request of Agent, set off against the Obligations, any amounts owing by such Lender to any Borrower or any deposit accounts of any Borrower now or hereafter maintained with such Lender. Anything in this Agreement to the contrary notwithstanding, each of the Lenders further agrees that it shall not, unless specifically requested to do so by Agent, take any action to protect or enforce its rights arising out of this Agreement or the Other Documents, it being the intent of Lenders that any such action to protect or enforce rights under this Agreement and the Other Documents shall be taken in concert and at the direction or with the consent of Agent or Required Lenders.

XV. BORROWING AGENCY.

15.1. Borrowing Agency Provisions.

(a) Each Borrower hereby irrevocably designates Borrowing Agent to be its attorney and agent and in such capacity to borrow, sign and endorse notes, and execute and deliver all instruments, documents, writings and further assurances now or hereafter required hereunder, on behalf of such Borrower or Borrowers, and hereby authorizes Agent to pay over or credit all loan proceeds hereunder in accordance with the request of Borrowing Agent.

(b) The handling of this credit facility as a co-borrowing facility with a borrowing agent in the manner set forth in this Agreement is solely as an accommodation to Borrowers and at their request. Neither Agent nor any Lender shall incur liability to Borrowers as a result thereof. To induce Agent and Lenders to do so and in consideration thereof, each Borrower hereby indemnifies Agent and each Lender and holds Agent and each Lender harmless from and against any and all liabilities, expenses, losses, damages and claims of damage or injury asserted against Agent or any Lender by any Person arising from or incurred by reason of the handling of the financing arrangements of Borrowers as provided herein, reliance by Agent or any Lender on any request or instruction from Borrowing Agent or any other action taken by Agent or any Lender with respect to this Section 15.1 except due to willful misconduct or gross (not mere) negligence by the indemnified party (as determined by a court of competent jurisdiction in a final and non-appealable judgment).

(c) All Obligations shall be joint and several, and each Borrower shall make payment upon the maturity of the Obligations by acceleration or otherwise, and such obligation and liability on the part of each Borrower shall in no way be affected by any extensions, renewals and forbearance granted to Agent or any Lender to any Borrower, failure of Agent or any Lender to give any Borrower notice of borrowing or any other notice, any failure of Agent or any Lender to pursue or preserve its rights against any Borrower, the release by Agent or any Lender of any Collateral now or thereafter acquired from any Borrower, and such agreement by each Borrower to pay upon any notice issued pursuant thereto is unconditional and unaffected by prior recourse by Agent or any Lender to the other Borrowers or any Collateral for such Borrower's Obligations or the lack thereof. Each Borrower waives all suretyship defenses.

15.2. Waiver of Subrogation. Each Borrower expressly waives any and all rights of subrogation, reimbursement, indemnity, exoneration, contribution of any other claim which such Borrower may now or hereafter have against the other Borrowers or other Person directly or contingently liable for the Obligations hereunder, or against or with respect to the other Borrowers' property (including, without limitation, any property which is Collateral for the Obligations), arising from the existence or performance of this Agreement, until termination of this Agreement and repayment in full of the Obligations.

XVI. MISCELLANEOUS.

16.1. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania applied to contracts to be performed wholly within the Commonwealth of Pennsylvania. Any judicial proceeding brought by or against any Borrower with respect to any of the Obligations, this Agreement, the Other Documents or any related agreement may be brought in any court of competent jurisdiction in the Commonwealth of Pennsylvania, United States of America, and, by execution and delivery of this Agreement, each Borrower accepts for itself and in connection with its properties, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement. Each Borrower hereby waives personal service of any and all process upon it and consents that all such service of process may be made by registered mail (return receipt requested) directed to Borrowing Agent at its address set forth in Section 16.6 and service so made shall be deemed completed five (5) days after the same shall have been so deposited in the

mails of the United States of America, or, at the Agent's option, by service upon Borrowing Agent which each Borrower irrevocably appoints as such Borrower's Agent for the purpose of accepting service within the Commonwealth of Pennsylvania. Nothing herein shall affect the right to serve process in any manner permitted by law or shall limit the right of Agent or any Lender to bring proceedings against any Borrower in the courts of any other jurisdiction. Each Borrower waives any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon forum non conveniens. Each Borrower waives the right to remove any judicial proceeding brought against such Borrower in any state court to any federal court. Any judicial proceeding by any Borrower against Agent or any Lender involving, directly or indirectly, any matter or claim in any way arising out of, related to or connected with this Agreement or any related agreement, shall be brought only in a federal or state court located in Philadelphia County, the Commonwealth of Pennsylvania.

16.2. Entire Understanding.

(a) This Agreement and the documents executed concurrently herewith contain the entire understanding between each Borrower, Agent and each Lender and supersedes all prior agreements and understandings, if any, relating to the subject matter hereof. Any promises, representations, warranties or guarantees not herein contained and hereinafter made shall have no force and effect unless in writing, signed by each Borrower's, Agent's and each Lender's respective officers. Neither this Agreement nor any portion or provisions hereof may be changed, modified, amended, waived, supplemented, discharged, cancelled or terminated orally or by any course of dealing, or in any manner other than by an agreement in writing, signed by the party to be charged. Each Borrower acknowledges that it has been advised by counsel in connection with the execution of this Agreement and Other Documents and is not relying upon oral representations or statements inconsistent with the terms and provisions of this Agreement.

(b) The Required Lenders, Agent with the consent in writing of the Required Lenders, and Borrowers may, subject to the provisions of this Section 16.2 (b), from time to time enter into written supplemental agreements to this Agreement or the Other Documents executed by Borrowers, for the purpose of adding or deleting any provisions or otherwise changing, varying or waiving in any manner the rights of Lenders, Agent or Borrowers thereunder or the conditions, provisions or terms thereof or waiving any Event of Default thereunder, but only to the extent specified in such written agreements; provided, however, that no such supplemental agreement shall:

(i) increase the Term Loan Commitment Percentage, or the maximum dollar amount of the Term Loan Commitment Amount, of any Lender without the consent of such Lender directly affected thereby;

(ii) whether or not any Advances are outstanding, extend the Term or the time for payment of principal or interest of any Advance (excluding the due date of any mandatory prepayment of an Advance), or any fee payable to any Lender, or reduce the principal amount of or the rate of interest borne by any Advances or reduce any fee payable to any Lender, without the consent of each Lender directly affected thereby (except that Required Lenders may elect to waive or rescind any imposition of the Default Rate under Section 3.1 (unless imposed by Agent));

(iii) [Reserved]

(iv) alter the definition of the term Required Lenders or alter, amend or modify this Section 16.2(b) without the consent of all Lenders;

(v) alter, amend or modify the provisions of Section 11.5 without the consent of all Lenders;

(vi) release any Collateral during any calendar year (other than in accordance with the provisions of this Agreement) having an aggregate value in excess of $1,000,000 without the consent of all Lenders;

(vii) change the rights and duties of Agent without the consent of all Lenders;

(viii) [Reserved]

(ix) [Reserved]

(x) release any Guarantor or Borrower without the consent of all Lenders.

(c) Any such supplemental agreement shall apply equally to each Lender and shall be binding upon Borrowers, Lenders and Agent and all future holders of the Obligations. In the case of any waiver, Borrowers, Agent and Lenders shall be restored to their former positions and rights, and any Event of Default waived shall be deemed to be cured and not continuing, but no waiver of a specific Event of Default shall extend to any subsequent Event of Default (whether or not the subsequent Event of Default is the same as the Event of Default which was waived), or impair any right consequent thereon.

(d) In the event that Agent requests the consent of a Lender pursuant to this Section 16.2 and such Lender fails to respond or reply to Agent in writing within five (5) days of delivery of such request, such Lender shall be deemed to have consented to the matter that was the subject of the request. In the event that Agent requests the consent of a Lender pursuant to this Section 16.2 and such consent is denied, then Agent may, at its option, require such Lender to assign its interest in the Advances to Agent or to another Lender or to any other Person designated by the Agent (the "Designated Lender"), for a price equal to (i) the then outstanding principal amount thereof plus (ii) accrued and unpaid interest and fees due such Lender, which interest and fees shall be paid when collected from Borrowers. In the event Agent elects to require any Lender to assign its interest to Agent or to the Designated Lender, Agent will so notify such Lender in writing within forty five (45) days following such Lender's denial, and such Lender will assign its interest to Agent or the Designated Lender no later than five (5) days following receipt of such notice pursuant to a Commitment Transfer Supplement executed by such Lender, Agent or the Designated Lender, as appropriate, and Agent.

(e) [Reserved]

(f) [Reserved]

16.3. Successors and Assigns; Participations; New Lenders.

(a) This Agreement shall be binding upon and inure to the benefit of Borrowers, Agent, each Lender, all future holders of the Obligations and their respective successors and assigns, except that no Borrower may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of Agent and each Lender.

(b) Each Borrower acknowledges that in the regular course of commercial banking business one or more Lenders may at any time and from time to time sell participating interests in the Advances to any Person (each such transferee or purchaser of a participating interest, a "Participant"). Each Participant may exercise all rights of payment (including rights of set-off) with respect to the portion of such Advances held by it or other Obligations payable hereunder as fully as if such Participant were the direct holder thereof provided that Borrowers shall not be required to pay to any Participant more than the amount which it would have been required to pay to Lender which granted an interest in its Advances or other Obligations payable hereunder to such Participant had such Lender retained such interest in the Advances hereunder or other Obligations payable hereunder and in no event shall Borrowers be required to pay any such amount arising from the same circumstances and with respect to the same Advances or other Obligations payable hereunder to both such Lender and such Participant. Each Borrower hereby grants to any Participant a continuing security interest in any deposits, moneys or other property actually or constructively held by such Participant as security for the Participant's interest in the Advances.

(c) Any Lender, with the consent of Agent which shall not be unreasonably withheld or delayed, may sell, assign or transfer all or any part of its rights and obligations under or relating to Term Loans under this Agreement and the Other Documents to one or more Persons and one or more Persons may commit to make Advances hereunder (each a "Purchasing Lender"), in minimum amounts of not less than $5,000,000, pursuant to a Commitment Transfer Supplement, executed by a Purchasing Lender, the transferor Lender, and Agent and delivered to Agent for recording. Upon such execution, delivery, acceptance and recording, from and after the transfer effective date determined pursuant to such Commitment Transfer Supplement, (i) Purchasing Lender thereunder shall be a party hereto and, to the extent provided in such Commitment Transfer Supplement, have the rights and obligations of a Lender thereunder with a Term Loan Commitment Percentage as set forth therein, and (ii) the transferor Lender thereunder shall, to the extent provided in such Commitment Transfer Supplement, be released from its obligations under this Agreement, the Commitment Transfer Supplement creating a novation for that purpose. Such Commitment Transfer Supplement shall be deemed to amend this Agreement to the extent, and only to the extent, necessary to reflect the addition of such Purchasing Lender and the resulting adjustment of Term Loan Commitment Percentages arising from the purchase by such Purchasing Lender of all or a portion of the rights and obligations of such transferor Lender under this Agreement and the Other Documents. Each Borrower hereby consents to the

addition of such Purchasing Lender and the resulting adjustment of the Term Loan Commitment Percentage arising from the purchase by such Purchasing Lender of all or a portion of the rights and obligations of such transferor Lender under this Agreement and the Other Documents. Borrowers shall execute and deliver such further documents and do such further acts and things in order to effectuate the foregoing.

(d) Any Lender, with the consent of Agent which shall not be unreasonably withheld or delayed, may directly or indirectly sell, assign or transfer all or any portion of its rights and obligations under or relating to Advances under this Agreement and the Other Documents to an entity, whether a corporation, partnership, trust, limited liability company or other entity that (i) is engaged in making, purchasing, holding or otherwise investing in bank loans and similar extensions of credit in the ordinary course of its business and (ii) is administered, serviced or managed by the assigning Lender or an Affiliate of such Lender (a "Purchasing CLO" and together with each Participant and Purchasing Lender, each a "Transferee" and collectively the "Transferees"), pursuant to a Commitment Transfer Supplement modified as appropriate to reflect the interest being assigned ("Modified Commitment Transfer Supplement"), executed by any intermediate purchaser, the Purchasing CLO, the transferor Lender, and Agent as appropriate and delivered to Agent for recording. Upon such execution and delivery, from and after the transfer effective date determined pursuant to such Modified Commitment Transfer Supplement, (i) Purchasing CLO thereunder shall be a party hereto and, to the extent provided in such Modified Commitment Transfer Supplement, have the rights and obligations of a Lender thereunder and (ii) the transferor Lender thereunder shall, to the extent provided in such Modified Commitment Transfer Supplement, be released from its obligations under this Agreement, the Modified Commitment Transfer Supplement creating a novation for that purpose. Such Modified Commitment Transfer Supplement shall be deemed to amend this Agreement to the extent, and only to the extent, necessary to reflect the addition of such Purchasing CLO. Each Borrower hereby consents to the addition of such Purchasing CLO. Borrowers shall execute and deliver such further documents and do such further acts and things in order to effectuate the foregoing.

(e) Agent shall maintain at its address a copy of each Commitment Transfer Supplement and Modified Commitment Transfer Supplement delivered to it and a register (the "Register") for the recordation of the names and addresses of each Lender and the outstanding principal, accrued and unpaid interest and other fees due hereunder. The entries in the Register shall be conclusive, in the absence of manifest error, and each Borrower, Agent and Lenders may treat each Person whose name is recorded in the Register as the owner of the Advance recorded therein for the purposes of this Agreement. The Register shall be available for inspection by Borrowing Agent or any Lender at any reasonable time and from time to time upon reasonable prior notice. Agent shall receive a fee in the amount of $3,500 payable by the applicable Purchasing Lender and/or Purchasing CLO upon the effective date of each transfer or assignment (other than to an intermediate purchaser) to such Purchasing Lender and/or Purchasing CLO.

(f) Each Borrower authorizes each Lender to disclose to any Transferee and any prospective Transferee any and all financial information in such Lender's possession concerning such Borrower which has been delivered to such Lender by or on behalf of such Borrower pursuant to this Agreement or in connection with such Lender's credit evaluation of such Borrower.

16.4. Application of Payments. Agent shall have the continuing and exclusive right to apply or reverse and re-apply any payment and any and all proceeds of Collateral to any portion of the Obligations. To the extent that any Borrower makes a payment or Agent or any Lender receives any payment or proceeds of the Collateral for any Borrower's benefit, which are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver, custodian or any other party under any bankruptcy law, common law or equitable cause, then, to such extent, the Obligations or part thereof intended to be satisfied shall be revived and continue as if such payment or proceeds had not been received by Agent or such Lender.

16.5. Indemnity and Release.

(a) Each Borrower shall indemnify Agent, each Lender and each of their respective officers, directors, Affiliates, attorneys, employees and agents from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever (including reasonable fees and disbursements of counsel) which may be imposed on, incurred by, or asserted against Agent or any Lender in any claim, litigation, proceeding or investigation instituted or conducted by any Governmental Body or instrumentality or any other Person with respect to any aspect of, or any transaction contemplated by, or referred to in, or any matter related to this Agreement or the Other Documents. Without limiting the generality of the foregoing, this indemnity shall extend to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever (including fees and disbursements of counsel) asserted against or incurred by any of the indemnitees described above in this Section 16.5(a) by any Person under any Environmental Laws or similar laws by reason of any Borrower's or any other Person's failure to comply with laws applicable to solid or hazardous waste materials, including Hazardous Substances and Hazardous Waste, or other Toxic Substances. Additionally, if any taxes (excluding taxes imposed upon or measured solely by the net income of Agent and Lenders, but including any intangibles taxes, stamp tax, recording tax or franchise tax) shall be payable by Agent, Lenders or Borrowers on account of the execution or delivery of this Agreement, or the execution, delivery, issuance or recording of any of the Other Documents, or the creation or repayment of any of the Obligations hereunder, by reason of any Applicable Law now or hereafter in effect, Borrowers will pay (or will promptly reimburse Agent and Lenders for payment of) all such taxes, including interest and penalties thereon, and will indemnify and hold the indemnitees described above in this Section 16.5(a) harmless from and against all liability in connection therewith. In addition, to the extent Agent makes any payment on account of any recording taxes pursuant to this Section 16.5(a), the amount of such payment by Agent shall be added to the Obligations.

(b) As consideration for the extension of credit and the making of Advances by Agent and Lenders as set forth herein, each Borrower, for themselves and for each of their successors, assigns, affiliates, predecessors, employees, agents, heirs and executors, as applicable, by signing below, hereby releases and discharges Agent and Lenders, and all directors, officers, employees, attorneys and agents of Agent and Lenders, from any and all claims, demands, actions or causes of action of every kind or nature whatsoever, whether known or unknown, arising out of or in any way relating to the Existing Loan Documents. The release in this paragraph shall survive any termination of this Agreement. If any Borrower asserts or

commences any claim, counter-claim, demand, obligation, liability or cause of action in violation of the foregoing, then the Borrowers agree to pay in addition to such other damages as Agent or any Lender may sustain as a result of such violation, all attorneys' fees and expenses incurred by Agent or any such Lender as a result of such violation.

16.6. Notice. Any notice or request hereunder may be given to Borrowing Agent or any Borrower or to Agent or any Lender at their respective addresses set forth below or at such other address as may hereafter be specified in a notice designated as a notice of change of address under this Section. Any notice, request, demand, direction or other communication (for purposes of this Section 16.6 only, a "Notice") to be given to or made upon any party hereto under any provision of this Loan Agreement shall be given or made by telephone or in writing (which includes by means of electronic transmission (i.e., "e-mail") or facsimile transmission or by setting forth such Notice on a site on the World Wide Web (a "Website Posting") if Notice of such Website Posting (including the information necessary to access such site) has previously been delivered to the applicable parties hereto by another means set forth in this Section 16.6) in accordance with this Section 16.6. Any such Notice must be delivered to the applicable parties hereto at the addresses and numbers set forth under their respective names on Exhibit 16.6 hereof or in accordance with any subsequent unrevoked Notice from any such party that is given in accordance with this Section 16.6. Any Notice shall be effective:

(a) In the case of hand-delivery, when delivered;

(b) If given by mail, four days after such Notice is deposited with the United States Postal Service, with first-class postage prepaid, return receipt requested;

(c) In the case of a telephonic Notice, when a party is contacted by telephone, if delivery of such telephonic Notice is confirmed no later than the next Business Day by hand delivery, a facsimile or electronic transmission, a Website Posting or an overnight courier delivery of a confirmatory Notice (received at or before noon on such next Business Day);

(d) In the case of a facsimile transmission, when sent to the applicable party's facsimile machine's telephone number, if the party sending such Notice receives confirmation of the delivery thereof from its own facsimile machine;

(e) In the case of electronic transmission, when actually received;

(f) In the case of a Website Posting, upon delivery of a Notice of such posting (including the information necessary to access such site) by another means set forth in this Section 16.6; and

(g) If given by any other means (including by overnight courier), when actually received.

Any Lender giving a Notice to Borrowing Agent or any Borrower shall concurrently send a copy thereof to the Agent, and the Agent shall promptly notify the other Lenders of its receipt of such Notice.

16.7. Survival. The obligations of Borrowers under Sections 2.2(f), 3.7, 3.8, 3.9, 4.19(h), and 16.5 and the obligations of Lenders under Section 14.7, shall survive termination of this Agreement and the Other Documents and payment in full of the Obligations.

16.8. Severability. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under Applicable Laws or regulations, such provision shall be inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder hereof shall not be invalidated thereby and shall be given effect so far as possible.

16.9. Expenses. All costs and expenses including reasonable attorneys' fees and (including the allocated costs of in house counsel) disbursements incurred by Agent on its behalf or on behalf of Lenders (a) in all efforts made to enforce payment of any Obligation or effect collection of any Collateral or enforcement of this Agreement or any of the Other Documents, or (b) in connection with the entering into, modification, amendment and administration of this Agreement or any of the Other Documents or any consents or waivers hereunder or thereunder and all related agreements, documents and instruments, or (c) in instituting, maintaining, preserving, enforcing and foreclosing on Agent's security interest in or Lien on any of the Collateral, or maintaining, preserving or enforcing any of Agent's or any Lender's rights hereunder or under any of the Other Documents and under all related agreements, documents and instruments, whether through judicial proceedings or otherwise, or (d) in defending or prosecuting any actions or proceedings arising out of or relating to Agent's or any Lender's transactions with any Borrower or any Guarantor or (e) in connection with any advice given to Agent or any Lender with respect to its rights and obligations under this Agreement or any of the Other Documents and all related agreements, documents and instruments, may be charged to Borrowers' Account and shall be part of the Obligations.

16.10. Injunctive Relief. Each Borrower recognizes that, in the event any Borrower fails to perform, observe or discharge any of its obligations or liabilities under this Agreement, or threatens to fail to perform, observe or discharge such obligations or liabilities, any remedy at law may prove to be inadequate relief to Lenders; therefore, Agent, if Agent so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving that actual damages are not an adequate remedy.

16.11. Consequential Damages. Neither Agent nor any Lender, nor any agent or attorney for any of them, shall be liable to any Borrower or any Guarantor (or any Affiliate of any such Person) for indirect, punitive, exemplary or consequential damages arising from any breach of contract, tort or other wrong relating to the establishment, administration or collection of the Obligations or as a result of any transaction contemplated under this Agreement or any Other Document.

16.12. Captions. The captions at various places in this Agreement are intended for convenience only and do not constitute and shall not be interpreted as part of this Agreement.

16.13. Counterparts; Facsimile Signatures. This Agreement may be executed in any number of and by different parties hereto on separate counterparts, all of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same agreement. Any signature delivered by a party by facsimile or electronic transmission shall be deemed to be an original signature hereto.

16.14. Construction. The parties acknowledge that each party and its counsel have reviewed this Agreement and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or any amendments, schedules or exhibits thereto.

16.15. Confidentiality; Sharing Information. Agent, each Lender and each Transferee shall hold all non-public information obtained by Agent, such Lender or such Transferee pursuant to the requirements of this Agreement in accordance with Agent's, such Lender's and such Transferee's customary procedures for handling confidential information of this nature; provided, however, Agent, each Lender and each Transferee may disclose such confidential information (a) to its examiners, Affiliates, outside auditors, counsel and other professional advisors, (b) to Agent, any Lender or to any prospective Transferees, and (c) as required or requested by any Governmental Body or representative thereof or pursuant to legal process; provided, further that (i) unless specifically prohibited by Applicable Law, Agent, each Lender and each Transferee shall use its reasonable best efforts prior to disclosure thereof, to notify the applicable Borrower of the applicable request for disclosure of such non-public information (A) by a Governmental Body or representative thereof (other than any such request in connection with an examination of the financial condition of a Lender or a Transferee by such Governmental Body) or (B) pursuant to legal process and (ii) in no event shall Agent, any Lender or any Transferee be obligated to return any materials furnished by any Borrower other than those documents and instruments in possession of Agent or any Lender in order to perfect its Lien on the Collateral once the Obligations have been paid in full and this Agreement has been terminated. Each Borrower acknowledges that from time to time financial advisory, investment banking and other services may be offered or provided to such Borrower or one or more of its Affiliates (in connection with this Agreement or otherwise) by any Lender or by one or more Subsidiaries or Affiliates of such Lender and each Borrower hereby authorizes each Lender to share any information delivered to such Lender by such Borrower and its Subsidiaries pursuant to this Agreement, or in connection with the decision of such Lender to enter into this Agreement, to any such Subsidiary or Affiliate of such Lender, it being understood that any such Subsidiary or Affiliate of any Lender receiving such information shall be bound by the provisions of this Section 16.15 as if it were a Lender hereunder. Such authorization shall survive the repayment of the other Obligations and the termination of this Agreement.

16.16. Publicity. Each Borrower and each Lender hereby authorizes Agent to make appropriate announcements of the financial arrangement entered into among Borrowers, Agent and Lenders, including announcements which are commonly known as tombstones, in such publications and to such selected parties as Agent shall in its sole and absolute discretion deem appropriate, so long as such disclosures are not made during any "quiet period" in which disclosures regarding GPM or its Affiliates are limited under the Securities Act; provided, that, Agent obtains GPM's approval of the contents of such announcement.

16.17. Certifications From Banks and Participants; USA PATRIOT Act.

(a) Each Lender or assignee or participant of a Lender that is not incorporated under the Laws of the United States of America or a state thereof (and is not excepted from the certification requirement contained in Section 313 of the USA PATRIOT Act and the applicable regulations because it is both (i) an affiliate of a depository institution or foreign bank that

maintains a physical presence in the United States or foreign country, and (ii) subject to supervision by a banking authority regulating such affiliated depository institution or foreign bank) shall deliver to the Agent the certification, or, if applicable, recertification, certifying that such Lender is not a "shell" and certifying to other matters as required by Section 313 of the USA PATRIOT Act and the applicable regulations: (1) within 10 days after the Closing Date, and (2) as such other times as are required under the USA PATRIOT Act.

(b) The USA PATRIOT Act requires all financial institutions to obtain, verify and record certain information that identifies individuals or business entities which open an "account" with such financial institution. Consequently, Lender may from time to time request, and Borrower shall provide to Lender, Borrower's name, address, tax identification number and/or such other identifying information as shall be necessary for Lender to comply with the USA PATRIOT Act and any other Anti-Terrorism Law.

16.18. Anti-Money Laundering/International Trade Law Compliance. Each Borrower represents and warrants to the Agent, as of the date of this Agreement, the date of each Advance, the date of any renewal, extension or modification of this Agreement, and at all times until this Agreement has been terminated and all Obligations have been indefeasibly paid in full, that: (a) no Covered Entity (i) is a Sanctioned Person; (ii) has any of its assets in a Sanctioned Country or in the possession, custody or control of a Sanctioned Person; or (iii) does business in or with, or derives any of its operating income from investments in or transactions with, any Sanctioned Country or Sanctioned Person in violation of any law, regulation, order or directive enforced by any Compliance Authority; (b) the Advances will not be used to fund any operations in, finance any investments or activities in, or, make any payments to, a Sanctioned Country or Sanctioned Person in violation of any law, regulation, order or directive enforced by any Compliance Authority; (c) the funds used to repay the Obligations are not derived from any unlawful activity; and (d) each Covered Entity is in compliance with, and no Covered Entity engages in any dealings or transactions prohibited by, any laws of the United States, including but not limited to any Anti-Terrorism Laws. The Borrowers covenant and agree that they shall immediately notify the Agent in writing upon the occurrence of a Reportable Compliance Event.

Each of the parties has signed this Agreement as of the day and year first above written.

EXHIBIT 8.1(e)

FINANCIAL CONDITION CERTIFICATE

TO: **PNC BANK, NATIONAL ASSOCIATION** ("PNC"), in connection with that certain Term Loan and Security Agreement of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Loan Agreement"), among **GPM PETROLEUM, LP**, a Delaware limited partnership (together with each Person joined thereto as a borrower from time to time, collectively, the "Borrowers", and each a "Borrower"), the financial institutions which are now or which hereafter become a party thereto as lenders (referred to herein, collectively, as the "Lenders" and each, individually, as a "Lender") and PNC, in its capacity as agent for the Lenders (in such capacity, the "Agent") and in its capacity as a Lender.

In connection with the Loan Agreement and the Other Documents, I hereby certify that, effective as of the execution of the Loan Agreement and each of the Other Documents, I am the duly elected, qualified and acting Chief Financial Officer of GPM Petroleum GP, LLC, a Delaware limited liability company and the general partner of Borrowers, and, solely in such capacity, I hereby conclude to my knowledge that:

The execution and delivery of the Loan Agreement and each of the Other Documents and the granting of any security interests or liens pursuant to the Loan Agreement and any of the Other Documents by Borrowers and the consummation of the Transactions will not render Borrowers insolvent. I understand that, in this context, "insolvent" with respect to Borrowers means that the present saleable value of Borrowers' assets, calculated on an ongoing basis, is less than the amount of its liabilities.

I conclude that the execution and delivery of the Loan Agreement and each of the Other Documents and the granting of the security interests and liens pursuant to the Loan Agreement and any of the Other Documents by Borrowers will not leave Borrowers with property remaining in its hands which would constitute unreasonably small capital for Borrowers' business. In reaching this conclusion, I understand that "unreasonably small capital" depends upon the nature of Borrowers' business as presently conducted, and I have reached my conclusion based on the actual and reasonably anticipated needs for capital of the business anticipated to be conducted by Borrowers and consistent with the Projections (as such term is defined below) and other information described herein.

I conclude that Borrowers will not likely incur debts beyond their ability to pay as such debts mature. This conclusion is based, in part, upon my review of the projections provided by the Borrowers to the Agent ("Projections"), which project that Borrowers will have positive cash flow after paying all of its scheduled and anticipated indebtedness as it matures. I have concluded that the realization from Borrowers' assets in the ordinary and usual course of business will be sufficient to pay their recurring current debt, short term debt, and long term debt as such debts require.

Borrowers have not executed the Loan Agreement or any of the Other Documents or made any transfer or incurred any obligations thereunder with actual intent to hinder, delay, or defraud either present or future creditors.

I understand that the Agent and the Lenders are relying on the truth and accuracy of the foregoing in connection with the extensions of credit under the Loan Agreement and that no one else shall be entitled to rely on this Certificate. All initially capitalized terms used herein shall have the respective meanings ascribed to them in the Loan Agreement, unless specifically defined herein. Unless the context of this Certificate clearly requires otherwise, the term "or" includes the inclusive meaning represented by the phrase "and/or."

[SIGNATURE TO FOLLOW ON SEPARATE PAGE]

I hereby represent and certify, solely in my capacity as Chief Financial Officer of each Borrower, and not in my personal capacity, that the foregoing information is true and correct and execute this certificate as of January 12, 2016.

"3.8 Alternate Rate of Interest.

3.8.1 Interest Rate Inadequate or Unfair. In the event that Agent or any Lender shall have determined that:

(a) reasonable means do not exist for ascertaining the LIBOR Rate for any Interest Period;

(d) the LIBOR Rate will not adequately and fully reflect the cost to such Lender of the establishment or maintenance of any LIBOR Rate Loan,

then Agent shall give Borrowing Agent prompt written or telephonic notice of such determination. If such notice is given prior to a Benchmark Replacement Date (as defined below), (i) any such requested LIBOR Rate Loan shall be made as a Domestic Rate Loan, unless Borrowing Agent shall notify Agent no later than 1:00 p.m. (New York time) two (2) Business Days prior to the date of such proposed borrowing, that its request for such borrowing shall be cancelled or made as an unaffected type of LIBOR Rate Loan, (ii) any Domestic Rate Loan or LIBOR Rate Loan which was to have been converted to an affected type of LIBOR Rate Loan shall be continued as or converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 1:00 p.m. (New York time) two (2) Business Days prior to the proposed conversion, shall be maintained as an unaffected type of LIBOR Rate Loan, and (iii) any outstanding affected LIBOR Rate Loans shall be converted into a Domestic Rate Loan, or, if Borrowing Agent shall notify Agent, no later than 1:00 p.m. (New York time) two (2) Business Days prior to the last Business Day of the then current Interest Period applicable to such affected LIBOR Rate Loan, shall be converted into an unaffected type of LIBOR Rate Loan, on the last Business Day of the then current Interest Period for such affected LIBOR Rate Loans (or sooner, if any Lender cannot continue to lawfully maintain such affected LIBOR Rate Loan). Until such notice has been withdrawn, Lenders shall have no obligation to make an affected type of LIBOR Rate Loan or maintain outstanding affected LIBOR Rate Loans and no Borrower shall have the right to convert a Domestic Rate Loan or an unaffected type of LIBOR Rate Loan into an affected type of LIBOR Rate Loan.

3.8.2 Successor LIBOR Rate Index.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in the Other Documents, if Agent determines that a Benchmark Transition Event or an Early Opt-in Event has occurred, Agent and Borrowing Agent may amend this Agreement to replace the LIBOR Rate with a Benchmark Replacement and any such amendment will become effective at 5:00 p.m. New York City time on the fifth (5th) Business Day after Agent has provided such proposed amendment to all Lenders,

so long as Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. Until the Benchmark Replacement is effective, each Advance and each conversion and renewal of a LIBOR Rate Loan will continue to bear interest with reference to the LIBOR Rate; provided, however, during a Benchmark Unavailability Period (i) any pending selection of, conversion to or renewal of a LIBOR Rate Loan that has not yet gone into effect shall be deemed to be a selection of, conversion to or renewal of a Domestic Rate Loan, (ii) all outstanding LIBOR Rate Loans shall automatically be converted to Domestic Rate Loans at the expiration of the existing Interest Period (or sooner, if Agent cannot continue to lawfully maintain such affected LIBOR Rate Loan) and (iii) the component of the Alternate Base Rate based upon the LIBOR Rate will not be used in any determination of the Alternate Base Rate.

(b) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in the Other Documents, any amendments to this Agreement implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

Any determination, decision or election that may be made by Agent or Lenders pursuant to this Section 3.8.2, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.8.2.

(d) Certain Defined Terms. As used in this Section 3.8.2, the following terms shall have the following meanings:

"Benchmark Replacement" shall mean the sum of: (a) the alternate benchmark rate that has been selected by Agent and Borrowing Agent giving due consideration to (i) any selection or recommendation of a replacement rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a rate of interest as a replacement to the LIBOR Rate for U.S. dollar-denominated credit facilities and (b) the Benchmark Replacement Adjustment; provided that, if the Benchmark Replacement as so determined would be less than zero, the Benchmark Replacement will be deemed to be zero for purposes of this Agreement.

"Benchmark Replacement Adjustment" shall mean, with respect to any replacement of the LIBOR Rate with an alternate benchmark rate for each applicable Interest Period, the spread adjustment or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by Agent and Borrowing Agent (a) after giving due consideration to (i) any selection or recommendation of a spread adjustment or method for calculating or determining such spread adjustment for the replacement of the LIBOR Rate with the applicable Benchmark Replacement (excluding such spread adjustment) by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a spread adjustment or method for calculating or determining such spread adjustment for such replacement of the LIBOR Rate for U.S. dollar denominated credit facilities at such time and (b) after reflecting adjustments to account for (i) the effects of the transition from the LIBOR Rate to the Benchmark Replacement and (ii) yield- or risk-based differences between the LIBOR Rate and the Benchmark Replacement.

"Benchmark Replacement Conforming Changes" shall mean, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "Base Rate," the definition of "Interest Period," the timing and frequency of determining rates and making payments of interest and other administrative matters) that Agent decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by Agent in a manner substantially consistent with market practice (or, if Agent decides that adoption of any portion of such market practice is not administratively feasible or if Agent determines that no market practice for the administration of the Benchmark Replacement exists, in such other manner of administration as Agent decides is reasonably necessary in connection with the administration of this Agreement).

"Benchmark Replacement Date" shall mean the earlier to occur of the following events with respect to the LIBOR Rate:

(1) in the case of clause (1) or (2) of the definition of "Benchmark Transition Event", the later of (A) the date of the public statement or publication of information referenced therein and (B) the date on which the administrator of the LIBOR Rate permanently or indefinitely ceases to provide the LIBOR Rate; or

(2) a public statement or publication of information by a Governmental Body having jurisdiction over Agent, the regulatory supervisor for the administrator of the LIBOR Rate, the U.S. Federal Reserve System, an insolvency official with jurisdiction over the administrator for the LIBOR Rate, a resolution authority with jurisdiction over the administrator for the LIBOR Rate or a court or an entity with similar insolvency or resolution authority over the administrator for the LIBOR Rate, which states that the administrator of the LIBOR Rate has ceased or will cease to provide the LIBOR Rate, permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the LIBOR Rate; or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of the LIBOR Rate or a Governmental Body having jurisdiction over Agent announcing that the LIBOR Rate is no longer representative.

"Benchmark Unavailability Period" shall mean, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the LIBOR Rate and solely to the extent that the LIBOR Rate has not been replaced with a Benchmark Replacement, the period (x) beginning at the time that such Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the LIBOR Rate for all purposes hereunder in accordance with this Section 3.8.2 and (y) ending at the time that a Benchmark Replacement has replaced the LIBOR Rate for all purposes hereunder pursuant to this Section 3.8.2.

"Early Opt-in Event" shall mean a determination by Agent that U.S. dollar denominated credit facilities being executed at such time, or that include language similar to that contained in this Section 3.8.2, are being executed or amended, as applicable, to incorporate or adopt a new benchmark interest rate to replace the LIBOR Rate.

"Relevant Governmental Body" shall mean the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

g. **Joint and Several; Successors and Assigns.** If there is more than one Borrower, each of them shall be jointly and severally liable for all amounts, which become due, and the performance of all obligations under this Agreement, and the term "the Borrower" shall include each as well as all of them. This Agreement shall be binding upon the Borrower and upon its heirs and legal representatives, its successors and assignees, and shall inure to the benefit of, and be enforceable by, the Bank, its successors and assignees and each direct or indirect assignee or other transferee of any of the Loan; provided, however, that this Agreement may not be assigned by the Borrower without the prior written consent of the Bank.

h. **Waivers; Changes in Writing.** No failure or delay of the Bank in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The Borrower expressly disclaims any reliance on any course of dealing or usage of trade or oral representation of the Bank (including representations to make loans to the Borrower) and agrees that none of the foregoing shall operate as a waiver of any right or remedy of the Bank. No notice to or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless made specifically in writing by the Bank and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No modification to any provision of this Agreement shall be effective unless made in writing in an agreement signed by the Borrower and the Bank.

i. **Interpretation.** Unless the context otherwise clearly requires, references to plural includes the singular and references to the singular include the plural; references to "individual" shall mean a natural person and shall include a natural person doing business under an assumed name (*e.g.*, a "DBA"); the word "or" has the inclusive meaning represented by the phrase "and/or;" the word "including," "includes" and "include" shall be deemed to be followed by the words "without limitation;" and captions or section headings are solely for convenience and not part of the substance of this Agreement. Any representation, warranty, covenant or agreement herein shall survive execution and delivery of this Agreement and shall be deemed continuous. Each provision of this Agreement shall be interpreted as consistent with existing law and shall be deemed amended to the extent necessary to comply with any conflicting law. If any provision nevertheless is held invalid, the other provisions shall remain in effect. The Borrower agrees that in any legal proceeding, a photocopy of this Agreement kept in the Bank's course of business may be admitted into evidence as an original.

j. **Waiver of Jury Trial. THE BORROWER AND THE BANK HEREBY KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVE ANY RIGHT TO TRIAL BY JURY THE BORROWER AND THE BANK MAY HAVE IN ANY ACTION OR PROCEEDING, IN LAW OR IN EQUITY, IN CONNECTION WITH THIS AGREEMENT OR ANY TRANSACTIONS RELATED HERETO. THE BORROWER REPRESENTS AND WARRANTS THAT NO REPRESENTATIVE OR AGENT OF THE BANK HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE BANK WILL NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THIS JURY TRIAL WAIVER. THE BORROWER ACKNOWLEDGES THAT THE BANK HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE PROVISIONS OF THIS SECTION.**

k. **Amendment, Restatement and Consolidation**. This Amended, Restated and Consolidated Credit Agreement hereby amends, restates and consolidates, in all respects, (1) that certain Credit Agreement dated as of June 26, 2012 by and between GPM and Bank, as modified, amended, renewed, restated or replaced from time to time; (2) that certain Credit Agreement dated as of April 26, 2013 by and between GPM and Bank, as modified, amended, renewed, restated or replaced from time to time; (3) that certain Credit Agreement dated as of August 1, 2013 by and between Borrower and Bank, as modified, amended, renewed, restated or replaced from time to time; (4) that certain Credit Agreement dated as of June 26, 2012 by and between GPM and Bank, as modified, amended, renewed, restated or replaced from time to time; and (5) that certain Credit Agreement dated as of March 21, 2013 by and between GPM and Bank, as modified, amended, renewed, restated or replaced from time to time. No novation is intended hereby.

AGREEMENT

NOW, THEREFORE, effective as of the date first written above, Obligors and Bank, in consideration of Bank's continued extension of credit and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by each of the foregoing, hereby agree that the Credit Agreement shall be, and the same hereby is, modified and amended as follows:

A. Conditions Precedent to Effectiveness of Modification. This Amendment shall not be effective unless each of the following conditions shall have been satisfied in Bank's sole discretion or waived by Bank, for whose sole benefit such conditions exist: (a) Obligors shall have executed and delivered this Amendment to Bank; (b) Bank shall have executed this Amendment; and (c) Borrower shall have paid to Bank all fees due and payable in connection with this Amendment, including, without limitation, all administrative expenses, legal fees (including attorneys' fees) and/or out-of-pocket expenses.

B. Modifications. Upon satisfaction of the foregoing conditions precedent, the Credit Agreement shall be, without further act or deed, modified and amended as follows:

CERTAIN CONFIDENTIAL INFORMATION CONTAINED IN THIS DOCUMENT, MARKED BY [***], HAS BEEN OMITTED BECAUSE IT IS NOT MATERIAL AND WOULD LIKELY CAUSE COMPETITIVE HARM TO THE COMPANY IF PUBLICLY DISCLOSED.

Primary Supplier Distribution Agreement
(Mountain Empire Oil Company)

This Primary Supplier Distribution Agreement (this "Agreement") is entered into on effective as of**February 1, 2019** and is between (a) Core-Mark International, Inc. Delaware corporation on behalf of itself and its subsidiaries (collectively "Supplier" and (b) Mountain Empire Oil Company, a Tennessee corporation ("Customer").

Supplier regularly supplies goods and services to convenience stores for resale. Customer is a convenience store operator that desires to purchase from Supplier goods and services for resale in its various convenience stores.

Supplier also supplies goods and services to Customer's affiliates GPM Investments, LLC, GPM Southeast, LLC, GPM Midwest, LLC, GPM Apple, LLC, WOC Southeast Holding Corp., and Admiral Petroleum Company (collectively, the "Affiliate") under separate distribution agreements.

The parties therefore agree as follows:

1. **Term; Transition**.

The initial term of this Agreement is for a period commencing on or around April 1, 2019 and ending [***]; provided, however, that this Agreement shall renew automatically for a successive one-year period unless one of the parties provides notice of termination to the other party at least 30 days prior to expiration of the initial term, or any renewal term thereof. During the term of this Agreement, in addition to its rights to terminate for breach, Customer may cancel this Agreement [***] in the event of performance issues by Supplier or in the event Supplier's all-in pricing (which includes rebates and incentives) is not the same or lower than Supplier's competitors. The initial term and any renewal terms provided for in this Paragraph 1 are referred to herein as the "Term."

Supplier understands and agrees that the stores to be served under this Agreement are being transitioned from being serviced by [***] and agrees to work in a cooperative manner with Customer and [***] to transfer the stores to being serviced by Core-Mark in an efficient and smooth manner. Core-Mark and Customer shall mutually agree in writing on a schedule for transitioning the stores.

Without limiting the foregoing, Supplier agrees to provide adequate manpower to reset and retag stores to meet an aggressive rollout plan. In lieu of being required to pick-up, itemize, and salvage non-guaranteed items, Supplier agrees to pay Customer [***] per store as a credit for such items. Such amount shall be paid immediately upon all stores listed in Exhibit C being services by Supplier.

With respect to Customer's proprietary items that are in all [***] warehouse at time of transition, for Customer proprietary items purchased by [***], Supplier agrees to buy such proprietary items and, for Customer proprietary items owned by Customer, Supplier agrees to transition such items to the Core-Mark warehouses at no additional charge. All proprietary items shall be picked up from the Charles Park warehouse within 14 days of the date that such [***] warehouse is no longer supplying Customer or, with respect to the final transition of all stores to Core-Mark, such earlier date as required by [***].

2. **Sale and Delivery of Products**.

During the Term of this Agreement, Customer shall purchase from Supplier such products and services Customer requires for resale in the normal course of operating its business and as mutually agreed upon between Supplier and Customer (the "Products"). Supplier shall deliver the quantity and kind of Products ordered by Customer, or its agents and employees, to the extent available out of its inventory, at the specified mark-ups, fees and prices as set forth in the Non Cigarette Markup "Exhibit A" and Cigarette Pricing "Exhibit B" attached to this Agreement. The mark-ups, fees and prices are subject to change upon the mutual consent of Supplier and Customer; provided, however, that list prices of cigarettes are subject to change without notice pursuant to manufacturer price increases or alterations in manufacturer marketing programs.

3. **Private Label and Proprietary Products.**

During the Term of this Agreement, if Customer shall purchase from Supplier any proprietary products and/or private label products bearing Customer's trade name, logo or insignia in such types, sizes and classes that Customer shall require for resale or items bought exclusively for the Customer ("Custom Products") and the manufacturer of any Custom Products from which Supplier sources such products requires that a minimum quantity of products be purchased, then to the extent the minimum quantity exceeds the quantity ordered by Customer, Supplier shall procure the minimum quantity of the particular Custom Product and Customer shall purchase such minimum quantity from Supplier provided that Supplier informs Customer that the minimum order quantity exceeds the order amount prior to placing order. Supplier may raise the up-charges on Custom Products when Customer is unable to accept for delivery such minimum quantity or because of inventory turns on such Custom Products, Supplier must retain such Custom Product in inventory.

In the event of an early termination of this Agreement or its termination at the end of its Term, Supplier shall deliver to Customer within 10 days from the date of such termination all Custom Products remaining in Supplier's inventory and Customer shall accept and pay for the Custom Products in accordance with the terms of this Agreement.

Regarding limited time offers (LTOs), Supplier will deliver to Customer within 10 days from promotion end date, any promotional items remaining in Supplier's inventory and Customer shall accept and pay for the Promotional Products in accordance with the terms of this Agreement.

4. **Orders**.

Customer, or its agents and employees, using commercially reasonable means of communication, shall place weekly orders for Products and Custom Products, if any, from Supplier (each an "Order") and upon actual receipt of any such Order, Supplier shall deliver the Products and Custom

Products so ordered to each Customer store location at such day and time of week all as set forth by a mutually agreed upon Delivery Schedule, "Exhibit C." Customer and Supplier may amend the Delivery Schedule at any time by mutual consent and Supplier may amend the Delivery Schedule, in its reasonable discretion, at any time consistent with seasonal fluctuations in its deliveries or for other reasons, provided that such changes are made on not less than two (2) weeks notification and do not materially impair Customer's ability to do business. Customer and Supplier may also arrange for special deliveries, if necessary, upon the parties' mutual consent.

5. **Payment**.

Upon delivery at each Customer store location, Supplier will provide to Customer employee or agent an invoice showing the amount owed to Supplier by Customer for such Order (the "Invoice"). Customer shall pay for the Products and Custom Products actually delivered by ACH [***].

Supplier reserves the right to alter or restrict the above terms of payment or to require payment prior to the scheduled delivery time if, in Supplier's sole discretion, Customer's financial condition has materially deteriorated or other circumstances do not reasonably warrant delivery on the terms originally specified in the Delivery Schedule, "Exhibit C." Supplier agrees that any changes in terms will not be made unreasonably. Supplier shall give Customer reasonable notice before such changes to any payment or delivery terms are made due to the foregoing reasons.

6. **Allowances**.

A. Marketing Allowance.

Supplier will pay to Customer a quarterly marketing allowance of [***] per operating location listed on Exhibit C. All payments will be paid in arrears for each active location within ten (10) days after each quarter ends during the term of the Agreement. The payment for the first period from and after the Effective Date shall be prorated.

If new stores are opened or if existing stores are closed in the same geographical regions as the stores listed on Exhibit C, Supplier will pay Customer a prorated amount of the marketing allowance as set forth in this Section 6.A. based on the number of full months the store is operated within the quarter.

B. Prorations.

This Section 6 will survive any termination or expiration of this Agreement or the parties Customer- Supplier relationship. Upon termination of this Agreement for any reason, other than due to breach by Customer, Supplier shall pay Customer the prorata portion of all amount due under this Section 6 for the most recent quarter then ended, if such payment has not been made prior to the date of termination and for the quarter in which the termination occurs.

7. **Trade Rebates, Discounts & Allowances.**

All manufacturer retail rebates, discounts, and allowances will be passed onto the Customer during the stated dates per the manufacturer.

Supplier pricing to Customer is predicated upon manufacturers continuing to provide Supplier with current marketing programs, payment terms and discounts. Should Cigarette and/or Non Cigarette manufacturers change marketing programs, payment terms and/or terms discount, or in any other way increase net cost to Supplier, the impact of such manufacturer changes will result in negotiations between Supplier and Customer to determine appropriate price changes needed to compensate Supplier for such manufacturer changes.

8. **Significant Change**.

If the number of stores the Customer and the Affiliate collectively operate and which are serviced by Supplier changes by 40% or more then the parties shall have the right to renegotiate the terms of this Agreement. If either party invokes their right to renegotiate the terms of this Agreement by notifying the other party and the parties, after negotiating in good faith, fail to agree upon new terms, then this Agreement may be terminated by either party immediately upon 30 days written notice to the other party. The parties hereto agree that the terms set forth in this Agreement are based on the addition of multiple stores and the parties' negotiations with respect thereto. Therefore, the parties waive any additional rights which they or their Affiliates may have under Section 8 of any agreement with the Affiliates to further renegotiate the terms of the such other agreement or to terminate the such other agreement with respect to the "significant change" which may be deemed to exist in store count resulting from the addition of 92 stores under this Agreement.

9. **Cigarette Pricing.**

Cigarette Rebates

Any cigarette discounts will be based on manufacture list price at a rate of
[***] per carton Premium carton and [***] on all discount cartons. Specific brands that do not have normal manufacture programs are not included in any discounts. Please see "Exhibit B."

Due to state mandated fair-trade laws on cigarettes, the cigarette rebates will apply only tonon-fair trade states

The delivered cost of cigarettes does not include any discounts due to manufacturer's payment terms. The delivered cost does reflect any manufacturer's invoice allowances, as outlined in "Exhibit B." Manufacturer invoice allowances are subject to change, at any time, by the manufacturer.

Cigarette discounts will be deducted from ACH statement.

In the event of a change in manufacturer list price, state or local tax rates or manufacturer program funds (e.g. payment discounts, taxes, or manufacturer/distributor program funds), Supplier will adjust the cigarette price accordingly. When available, [***]. Price changes can only be the amount of the manufacturer price increase, unless a change in the manufacturer program to the wholesaler results in a negative or positive financial impact, e.g. terms change or wholesale program change. Also, any government imposed tax or fees would be included.

10. **Terms Equalization**

Supplier pricing assumes a minimum of [***] terms ([***]) received from manufacturers. If a manufacturer provides terms less than [***] to CMDI, CMDI will impute the difference to cost of goods before a markup added.

11. **Non-Cigarette Price Protection.**

Supplier will provide Customer a minimum of 14 calendar day notification via email reports for all price changes onnon-cigarette products. This information will be sent as it is received by the manufacturers and will list item description, old cost, new cost and current retail if applicable. Market priced items such as produce, chicken, milk, etc., change weekly, therefore Supplier cannot provide advance price change notification, [***].

12. **Non-Cigarette Pricing, Policies, and Programs.**

d) Some cooler products (i.e. sandwiches, meats, etc.) that are agreed to by both parties, will be guaranteed at a rate of [***] of cost, but must maintain a minimum sell-through rate of [***]. In the event the [***] sell through threshold is not met, the guarantee rate will be reduced to [***] the next quarter forward.

13. **Fee-Based Services.**

a) Second Deliveries To the extent Exhibit C attached hereto lists the frequency of deliveries as 1.5 per week, there shall be [***]. Additionally, stores with purchases of [***] or more per week can request a second delivery at no additional charge. Stores with purchases of less than [***] per week can request a second delivery at a cost of [***] per week (or [***] per delivery).

b) Fuel Surcharge [***].

c) Tote & Crate Returns Totes and crates (dairy) are detailed on our Driver's load list. An inbound and outbound count will be verified and signed for by the store employee and driver at the completion of the delivery. This is a memo billing process at the time of delivery. Reports will be run at month end and any serious out of balance will be brought forward with the attempt to collect the actual totes or crates. Store will be billed [***] per tote or crate if the out of balance remains.

d) [***].

14. **Merchandising & Reset Assistance**

Primary Supplier Distribution Agreement
(Southeast and Midwest)

This Primary Supplier Distribution Agreement (this "Agreement") is entered into on effective as of **January 1, 2016** and is between (a) Core-Mark International, Inc. Delaware corporation on behalf of itself and its subsidiaries (collectively "Supplier" and (b) GPM Southeast, LLC, a Delaware limited liability company and GPM Midwest, LLC, a Delaware limited liability company (collectively, "Customer").

Supplier regularly supplies goods and services to convenience stores for resale. Customer is a convenience store operator that desires to purchase from Supplier goods and services for resale in its various convenience stores.

Supplier also supplies goods and services to Customer's affiliate WOC Southeast Holding Corp. (the "Affiliate") under a separate distribution agreement dated as of the date hereof.

The parties therefore agree as follows:

1. **Term**.

The initial term of this Agreement is for a [***] period commencing on **January 1, 2016** and ending **[***]**; provided, however, that this Agreement shall renew automatically for a successive one year period unless one of the parties provides notice of termination to the other party at least 30 days prior to expiration of the initial term, or any renewal term thereof. During the term of this Agreement, Customer may cancel this Agreement [***]. The initial term and any renewal terms provided for in this Paragraph 1 are referred to herein as the "Term."

2. **Sale and Delivery of Products**.

During the Term of this Agreement, Customer shall purchase from Supplier such products and services Customer requires for resale in the normal course of operating its business and as mutually agreed upon between Supplier and Customer (the "Products"). Supplier shall deliver the quantity and kind of Products ordered by Customer, or its agents and employees, to the extent available out of its inventory, at the specified mark-ups, fees and prices as set forth in the Non Cigarette Markup "Exhibit A" and Cigarette Pricing "Exhibit B" attached to this Agreement. The mark-ups, fees and prices are subject to change upon the mutual consent of Supplier and Customer; provided, however, that list prices of cigarettes are subject to change without notice pursuant to manufacturer price increases or alterations in manufacturer marketing programs.

3. **Private Label and Proprietary Products.**

During the Term of this Agreement, if Customer shall purchase from Supplier any proprietary products and/or private label products bearing Customer's trade name, logo or insignia in such types, sizes and classes that Customer shall require for resale or items bought exclusively for the Customer ("Custom Products") and the manufacturer of any Custom Products from which Supplier

sources such products requires that a minimum quantity of products be purchased, then to the extent the minimum quantity exceeds the quantity ordered by Customer, Supplier shall procure the minimum quantity of the particular Custom Product and Customer shall purchase such minimum quantity from Supplier provided that Supplier informs Customer that the minimum order quantity exceeds the order amount prior to placing order. Supplier may raise the up-charges on Custom Products when Customer is unable to accept for delivery such minimum quantity or because of inventory turns on such Custom Products, Supplier must retain such Custom Product in inventory.

In the event of an early termination of this Agreement or its termination at the end of its Term, Supplier shall deliver to Customer within 10 days from the date of such termination all Custom Products remaining in Supplier's inventory and Customer shall accept and pay for the Custom Products in accordance with the terms of this Agreement.

Regarding limited time offers (LTOs), Supplier will deliver to Customer within 10 days from promotion end date, any promotional items remaining in Supplier's inventory and Customer shall accept and pay for the Promotional Products in accordance with the terms of this Agreement.

4. **Orders**.

Customer, or its agents and employees, using commercially reasonable means of communication, shall place weekly orders for Products and Custom Products, if any, from Supplier (each an "Order") and upon actual receipt of any such Order, Supplier shall deliver the Products and Custom Products so ordered to each Customer store location at such day and time of week all as set forth by a mutually agreed upon Delivery Schedule, "Exhibit C." Customer and Supplier may amend the Delivery Schedule at any time by mutual consent and Supplier may amend the Delivery Schedule, in its reasonable discretion, at any time consistent with seasonal fluctuations in its deliveries or for other reasons, provided that such changes are made on not less than two (2) weeks notification and do not materially impair Customer's ability to do business. Customer and Supplier may also arrange for special deliveries, if necessary, upon the parties' mutual consent.

5. **Payment**.

Upon delivery at each Customer store location, Supplier will provide to Customer employee or agent an invoice showing the amount owed to Supplier by Customer for such Order (the "Invoice"). Customer shall pay for the Products and Custom Products actually delivered by ACH [***].

Supplier reserves the right to alter or restrict the above terms of payment or to require payment prior to the scheduled delivery time if, in Supplier's sole discretion, Customer's financial condition has materially deteriorated or other circumstances do not reasonably warrant delivery on the terms originally specified in the Delivery Schedule, "Exhibit C." Supplier agrees that any changes in terms will not be made unreasonably. Supplier shall give Customer reasonable notice before such changes to any payment or delivery terms are made due to the foregoing reasons.

6. **Allowances**.

A. Southeast Business Unit:

i. **Annual Merchandise Allowance**. Supplier shall pay to Customer a quarterly annual merchandise allowance ("AMA"). The AMA is intended to be used at the discretion of Customer to build store traffic and sales of product categories provided by Supplier. The AMA payment shall be equal to [***] quarterly, or [***] annually multiplied by the number of Customer stores in the Carolina servicing division (as indicated on Exhibit "C"). The computed amount due will be paid within ten (10) days following each quarter-end.

ii. If new stores are opened or if existing stores are closed within the Carolina servicing division, Supplier will pay to Customer a prorated amount of the AMA based on the number of full months the stores operated within the quarter.

B. Midwest Business Unit:

i. **Annual Marketing Allowance.** As an additional consideration for Customer to use Supplier as its exclusive supplier to the stores listed on Exhibit C hereto (as the same may be amended from time to time) of all core categories including food service during the term of this Agreement, Supplier shall pay to Customer an annual marketing allowance (the "Midwest Allowance") for all stores not within the Carolina servicing division as follows:

The Midwest Allowance will be based on 42 stores. Customer shall be paid quarterly at a rate equal to [***] per store for a total annual estimated Midwest Allowance to Customer of [***].

If new stores are opened or if existing stores are closed outside of the Carolina servicing division, Supplier will pay to Customer a prorated amount of the Midwest Allowance based on the number of full months the stores operated within the quarter.

ii. **Patronage Allowance.** An allowance (the "Midwest Patronage Allowance") will be paid outside of the Carolina servicing division to help support marketing programs of Supplier products in Customer stores. The Midwest Patronage Allowance is in addition to the Midwest Allowance.

The Midwest Patronage Allowance will be based on 42 stores. Customer shall be paid quarterly at a rate equal to [***] per store for a total annual Midwest Patronage Allowance to Customer of [***].

If new stores are opened or if existing stores are closed outside of the Carolina servicing division Supplier will pay to Customer a prorated amount based on the number of full months the stores operated within the quarter.

C. New Store Acquisition Incentive

If during the Term of this Agreement, the Customer acquires stores, Supplier shall pay Customer a Store Acquisition Incentive ("SAI") for each store acquired equal to [***], provided that Supplier continues to service the store for the duration of the then current term of the Agreement (i.e. the initial term or renewal term, as applicable). The SAI will be paid

to the Customer within 10 days of the first Supplier delivery to the acquired store. If the new store which receives a SAI is not served for the duration of the then current term, a prorated portion of the SAI received for such store will be refunded to Supplier. The SAI is separate from the AMA, Midwest Allowance, Midwest Patronage Allowance and any other additional allowances or marketing funds that are provided to the Customer by Supplier and once the new store is acquired, such store will be eligible for the AMA (if served by the Carolina servicing division) or the Midwest Allowance and Midwest Patronage Allowance (if served by any other division of CMDI) and all other allowances or marketing funds that are provided to the Customer by Supplier.

D. [***]

E. Prorations.

This Section 6 will survive any termination or expiration of this Agreement or the parties Customer- Supplier relationship. Upon termination of this Agreement for any reason, other than due to breach by Customer, Supplier shall pay Customer the prorata portion of all amount due under this Section 6 for the most recent quarter then ended, if such payment has not been made prior to the date of termination and for the quarter in which the termination occurs.

7. **Trade Rebates, Discounts & Allowances.**

All manufacturer retail rebates, discounts, and allowances will be passed onto the Customer during the stated dates per the manufacturer.

Supplier pricing to Customer is predicated upon manufacturers continuing to provide Supplier with current marketing programs, payment terms and discounts. Should Cigarette and/or Non Cigarette manufacturers change marketing programs, payment terms and/or terms discount, or in any other way increase net cost to Supplier, the impact of such manufacturer changes will result in negotiations between Supplier and Customer to determine appropriate price changes needed to compensate Supplier for such manufacturer changes.

8. **Significant Change**.

If the number of stores the Customer and the Affiliate collectively operate and which are serviced by Supplier changes by 40% or more then the parties shall have the right to renegotiate the terms of this Agreement. If either party invokes their right to renegotiate the terms of this Agreement by notifying the other party and the parties, after negotiating in good faith, fail to agree upon new terms, then this Agreement may be terminated by either party immediately upon 30 days written notice to the other party.

9. **Cigarette Pricing.**

Cigarette discounts will be deducted from ACH statement.

In the event of a change in manufacturer list price, state or local tax rates or manufacturer program funds (e.g. payment discounts, taxes, or manufacturer/distributor program funds), Supplier will adjust the cigarette price accordingly. When available, Supplier will pass on [***]. Also, any government imposed tax or fees would be included.

Any Products not rejected as defective, damaged ornon-conforming in accordance with the Check-In Procedures shall be deemed accepted and in full compliance with Supplier's obligations. Any attempted or actual revocation of acceptance by Customer of any Product for any reason after acceptance as provided in this Section shall be considered a failure by Customer to perform its obligations hereunder.

Insolvency of Customer or Supplier. ***If either the Customer or Supplier files a petition in bankruptcy, makes an assignment for the benefit of creditors, is subject to the appointment of a receiver, or is otherwise insolvent ("Insolvent Party"), which determination of insolvency shall be made by the other party in such party's reasonable discretion, then such other party may terminate the Master Sales Agreement upon written notice to the Insolvent Party and Supplier may refuse to make further deliveries to Customer if Customer is the Insolvent Party, or Customer may refuse to continue to order Products from Supplier if Supplier is the Insolvent Party and, in either case, shall have no liability to the Insolvent Party for such refusal.***

Terms of Payment and Collection: If the Customer fails to pay in full for the Products as agreed, except for disputed items, within the agreed-upon time period, then Customer shall pay interest on any unpaid Invoice amount at the Prime rate plus five percent per annum (5%) from the invoice date to the date of payment. In addition, Supplier may, in its sole discretion, suspend delivery of all Products and Custom Products for such time that any undisputed invoice remains unpaid. If Supplier employs an attorney for collection of any amount due by Customer and Supplier prevails in such collection action, then Customer shall be liable for Supplier's reasonable attorney fees for collection.

Force Majeure: Supplier shall not be liable for any delay or failure of performance due to strikes, lockouts or other labor disputes; fires; acts of God; or other causes beyond Supplier's reasonable control.

Insurance*: For the Term of the Agreement, Supplier shall maintain insurance as follows:*

a. Worker's compensation insurance meeting at least statutory minimums and including employer's liability insurance, in an amount of not less than $1,000,000; commercial general liability insurance (covering auto, bodily injury and property damage), in an amount of not less than $1,000,000; and an umbrella liability policy in an amount not less than $3,000,000 in excess of primary insurance, in each case with insurers reasonably acceptable to Customer.

b. "GPM INVESTMENTS, LLC, ITS OFFICERS, MEMBERS, MANAGERS AND ALL SUCCESSORS, ASSIGNEES, SUBSIDIARIES AND AFFILIATES AND ALL PARTIES WHOM THEY ARE REQUIRED TO INDEMNIFY BY WRITTEN CONTRACT" shall be listed as additional insured under Supplier's commercial general liability policy. Supplier shall forward a certificate of insurance verifying such insurance and naming Customer as additional insured upon execution of this Agreement and at any other time upon the Customer's written request. Such certificate shall indicate that such insurance policies may not be cancelled before the expiration of a thirty (30) day notification period and that the Customer will be immediately notified in writing of any such notice of termination.

Warranty: Supplier makes no warranty of any kind on the Products sold to Customer. To the extent permissible by Supplier's contracts with its suppliers, Supplier passes such warranty to Customer without Supplier's liability for such warranty.

EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE PRODUCTS ARE SOLD ON AN "AS IS" BASIS. SUPPLIER HEREBY DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO THE PRODUCTS, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NON-INFRINGEMENT. CUSTOMER ACKNOWLEDGES THAT IT HAS RELIED ON NO WARRANTIES OTHER THAN THE EXPRESS WARRANTY SET FORTH IN THIS SECTION. NOTWITHSTANDING THE FOREGOING, SUPPLIER WARRANTS THAT THE PRODUCTS SHALL BE FREE FROM DEFECT CAUSED BY THE WILLFUL MISCONDUCT OR NEGLIGENCE OF SUPPLIER.

SUPPLIER SHALL NOT BE LIABLE TO CUSTOMER FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, OR SIMILAR DAMAGES ARISING OUT OF THE SALE OF THE PRODUCTS TO THE CUSTOMER, INCLUDING SUPPLIER'S DELIVERY OF THE PRODUCTS TO THE CUSTOMER, WHETHER BASED ON BREACH OF CONTRACT, TORT, WARRANTY, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE GROUNDS, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR BUSINESS INTERRUPTION, OR OTHER PECUNIARY LOSS.

Default and Termination: The following constitute defaults by either party (each a "Default" and several, "Defaults"):

(i) any misrepresentation or materially inaccurate misstatement by Customer;

(ii) failure by one party to pay any undisputed amounts owing to the other party, which failure to pay continues for a period of seven (7) days after receipt of notice from the other party regarding such non-payment; or

(iii) failure by one party to perform any obligations, duties or responsibilities arising under the Documents, which failure to perform continues for a period of 30 days after receipt of notice from the other party.

Upon the occurrence of a Default, the non-defaulting party may terminate the Master Sales Agreement upon written notice to the defaulting party, but any such termination shall be without prejudice to any other legal remedy the non-defaulting party may have on account of such Default.

Waiver: Notwithstanding any other provision to the contrary, the failure of any party to enforce at any time any of the provisions of the Master Sales Agreement or these Standard Terms and Conditions shall not be construed to be a waiver of any such provision, nor affect the validity of the Documents or any part thereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach or Default under the Master Sales Agreement or these Standard Terms and Conditions shall be held to be a waiver of any other or subsequent breach or Default.

Indemnification.

Customer or Supplier, as applicable (the "Indemnifying Party"), will indemnify and hold Supplier or Customer, as applicable, harmless, respectively (the "Indemnified Party"), against any loss, injury, damage, and costs (including reasonable attorney fees) directly caused by the Indemnifying Party's malfeasance, gross negligence, breach of contract or breach of warranty. The amount paid by the Indemnifying Party under the foregoing indemnification obligation shall be reduced by the amount of any proceeds to which the Indemnified Party has a right to claim and receive under any insurance policy. Notwithstanding anything in this Agreement to the contrary, neither Supplier nor its successors or assigns, subsidiaries, affiliates, or representatives shall have any liability or responsibility in any manner whatsoever to Customer or its successors or assigns, subsidiaries, affiliates or representatives, for costs, expenses, or liabilities (including but not limited to claims, losses, actions, suits, judgments, damages, payments, obligations, settlements and attorneys' fees (whether or not any of the foregoing result from or arise out of third party claims)) arising in any manner from the consumption of tobacco and/or cigarettes and/or tobacco related products (including but not limited to electronic cigarettes) (including but not limited to the buying of such products, the use of such products, or the consequences or effects (whether to the consumer or other persons) from the use of such products).

Notwithstanding anything else in this Agreement or otherwise, neither party will be liable to the other party or any other person or entity with respect to any subject matter of this Agreement under any contract, negligence, strict liability or other legal or equitable theory for any (a) consequential, special, incidental or indirect damages, (b) lost profits, lost business, interruption of use or lost or corrupted or inaccurate data, or (c) cost of procurement of substitute products, goods, services or technology. Both parties acknowledge and agree that the amounts payable under this Agreement are based in part upon the limitations set forth in this "Indemnification" paragraph and further agree that such limitations shall apply even if the remedies provided for in this Agreement fail of their essential purpose and even if either party has been advised of the possibility or probability of such damages.

The Indemnifying Party shall, when requested to do so and given reasonable notice of the pendency of any suits, claims or demands that are subject to indemnity hereunder, assume the defense of the Indemnified Party entitled to indemnification against any such suits, claims or demands. The terms of this "Indemnification" paragraph shall survive the termination or cancellation of the Master Sales Agreement or the parties' Customer-Supplier relationship.

Notice: All notices, requests, demands and other communications hereunder shall be in writing and shall be deemed to have been given if delivered by hand, by electronic mail or mailed, certified or registered mail, return receipt requested, with postage prepaid. Notices sent by electronic mail shall also be forwarded by hand or mail, however notice will be effective upon delivery by electronic mail. This Amendment No. 3 (this "Amendment") to the Primary Supplier Distribution Agreement (Southeast and Midwest) among Core-Mark International, Inc.("Core-Mark") and GPM Investments, LLC, GPM Southeast, LLC, GPM Midwest, LLC, and GPM Apple, LLC (collectively, "GPM") is made effective as of March 31, 2018 (the "Effective Date") and amends that certain Primary Supplier Distribution Agreement (Southeast and Midwest) (the "Agreement") originally executed by GPM Southeast, LLC and GPM Midwest, LLC (and to which GPM Midwest, LLC was added by amendment and GPM Apple, LLC is added herein) and Core-Mark with an effective date of January 1, 2016 (as amended, the "Agreement").

AMENDMENT

Now therefore, in consideration of the covenants and promises in the Agreement and in this Amendment, the sufficiency and adequacy of which is agreed to and acknowledged, the parties hereto agree to amend the following specific terms of the Agreement as set forth herein. All other terms and conditions and provisions of the agreement shall continue in full force and effect.

1. Joinder

GPM Apple, LLC is hereby added as a Customer under the Agreement. Upon the Effective Date, the term "Customer" shall mean GPM Investments, LLC, GPM Midwest, LLC, GPM Southeast, LLC and GPM Apple, LLC, collectively.

2. **Term**

This Amendment will become effective on the Effective Date with the new stores being added in phases as mutually agreed in writing in accordance with Section 4 of this Amendment.

3. **Marketing Allowance**

Section 6.E. of the Agreement (Prorations) is hereby amended to become Section 6.F. of the Agreement. Any existing references in the Agreement to Section 6.E. shall now refer to Section 6.F.

The following is hereby added as Section 6.E. of the Agreement:

Supplier will pay to Customer a quarterly marketing allowance of [***] per operating location listed on Exhibit A to Amendment 3 to the Agreement. All payments will be paid in arrears for each active location within ten (10) days after each quarter ends during the term of the Agreement. The payment for the first period from and after the date of Amendment 3 shall be prorated.

If new stores are opened or if existing stores are closed in the same geographical regions as the stores listed on Exhibit A to Amendment 3 to the Agreement, Supplier will pay Customer a prorated amount of the marketing allowance as set forth in this Section 6.E. based on the number of full months the store is operated within the quarter.

4. **Added Locations/Onetime Conversion Allowance/Transition**

The 285 stores listed on Exhibit A attached hereto are hereby added as locations under the Agreement with the respective delivery schedules set forth in such schedule. No other locations of GPM or its affiliates are added to the Agreement. A onetime conversion allowance will be paid to help support the supplier conversion of the stores included in Exhibit A attached hereto. The onetime conversion allowance is in addition to any other allowance provided for in the Agreement.

The onetime conversion allowance will be based on the attached 285-store list. The onetime conversion allowance shall be paid in phases within 30 days of the initial deliveries to each phase of converted stores at a rate equal to [***] per store.

Core-Mark understands and agrees that the additional stores are being transitioned from being serviced by [***] and agrees to work in a cooperative manner with GPM and [***] to transfer the stores to being serviced by Core-Mark in an efficient and smooth manner. Core-Mark and GPM shall mutually agree in writing on a schedule for transitioning the stores.

Without limiting the foregoing, Core-Mark agrees to provide adequate manpower to reset and retag stores to meet an aggressive rollout plan. In lieu of being required to pick-up, itemize, and salvage non-guaranteed items, Core-Mark agrees to pay Customer [***] per store as a credit for such items. Such amount shall be paid at the same time as the onetime conversion allowance is paid.

With respect to Customer's proprietary items that are in all [***] warehouse at time of transition, for Customer proprietary items purchased by [***], Core-Mark agrees to buy such proprietary items and, for Customer proprietary items owned by Customer, Core-Mark agrees to transition such items to the Core-Mark warehouses at no additional charge. All proprietary items shall be picked up from each [***] warehouse within 14 days of the date that such [***] warehouse is no longer supplying Customer or, with respect to the final transition of all stores to Core-Mark, such earlier date as required by [***].

5. **Delivery Charges.** To the extent Exhibit A attached hereto lists the frequency of deliveries as two per week, there shall be no additional charge for such second delivery. Additionally, stores with purchases of [***] or more per week can request a second delivery at no additional charge. Stores with purchases of less than [***] per week can request a second delivery at a cost of [***] per week (or [***] per delivery).

CERTAIN CONFIDENTIAL INFORMATION CONTAINED IN THIS DOCUMENT, MARKED BY [***], HAS BEEN OMITTED BECAUSE IT IS NOT MATERIAL AND WOULD LIKELY CAUSE COMPETITIVE HARM TO THE COMPANY IF PUBLICLY DISCLOSED.

6. **Account Management**. Section 16 of the Agreement requires Core-Mark to assign two (2) Account Managers to Customer. Core-Mark hereby agrees to assign a third Account Manager who will work full time out of Customer's Richmond, Virginia office.

7. **Significant Change.** The parties hereto agree that the terms set forth in this Amendment are based on the addition of multiple stores and the parties' negotiations with respect thereto. Therefore, the parties waive any additional rights which they may have under Section 8 of the Agreement to further renegotiate the terms of the Agreement or to terminate the Agreement with respect to the "significant change" in store count resulting from the addition of these 285 stores.

Primary Supplier Distribution Agreement
(WOC Southeast Holding Corp.)

This Primary Supplier Distribution Agreement (this "Agreement") is entered into on effective as of **January 1, 2016** and is between (a) Core-Mark International, Inc. Delaware corporation on behalf of itself and its subsidiaries (collectively "Supplier" and (b) WOC Southeast Holding Corp. a Delaware corporation ("Customer").

Supplier regularly supplies goods and services to convenience stores for resale. Customer is a convenience store operator that desires to purchase from Supplier goods and services for resale in its various convenience stores.

Supplier also supplies goods and services to Customer's affiliates GPM Southeast, LLC, and GPM Midwest, LLC (collectively, the "Affiliate") under a separate distribution agreement dated as of the date hereof.

The parties therefore agree as follows:

1. **Term**.

The initial term of this Agreement is for a [***] period commencing on **January 1, 2016** and ending **[***]**; provided, however, that this Agreement shall renew automatically for a successive one year period unless one of the parties provides notice of termination to the other party at least 30 days prior to expiration of the initial term, or any renewal term thereof. During the term of this Agreement, Customer may cancel this Agreement [***]. The initial term and any renewal terms provided for in this Paragraph 1 are referred to herein as the "Term."

2. **Sale and Delivery of Products**.

During the Term of this Agreement, Customer shall purchase from Supplier such products and services Customer requires for resale in the normal course of operating its business and as mutually agreed upon between Supplier and Customer (the "Products"). Supplier shall deliver the quantity and kind of Products ordered by Customer, or its agents and employees, to the extent available out of its inventory, at the specified mark-ups, fees and prices as set forth in the Non Cigarette Markup "Exhibit A" and Cigarette Pricing "Exhibit B" attached to this Agreement. The mark-ups, fees and prices are subject to change upon the mutual consent of Supplier and Customer; provided, however, that list prices of cigarettes are subject to change without notice pursuant to manufacturer price increases or alterations in manufacturer marketing programs.

3. **Private Label and Proprietary Products.**

During the Term of this Agreement, if Customer shall purchase from Supplier any proprietary products and/or private label products bearing Customer's trade name, logo or insignia in such types, sizes and classes that Customer shall require for resale or items bought exclusively for the Customer ("Custom Products") and the manufacturer of any Custom Products from which Supplier

sources such products requires that a minimum quantity of products be purchased, then to the extent the minimum quantity exceeds the quantity ordered by Customer, Supplier shall procure the minimum quantity of the particular Custom Product and Customer shall purchase such minimum quantity from Supplier provided that Supplier informs Customer that the minimum order quantity exceeds the order amount prior to placing order. Supplier may raise the up-charges on Custom Products when Customer is unable to accept for delivery such minimum quantity or because of inventory turns on such Custom Products, Supplier must retain such Custom Product in inventory.

In the event of an early termination of this Agreement or its termination at the end of its Term, Supplier shall deliver to Customer within 10 days from the date of such termination all Custom Products remaining in Supplier's inventory and Customer shall accept and pay for the Custom Products in accordance with the terms of this Agreement.

Regarding limited time offers (LTOs), Supplier will deliver to Customer within 10 days from promotion end date, any promotional items remaining in Supplier's inventory and Customer shall accept and pay for the Promotional Products in accordance with the terms of this Agreement.

4. **Orders**.

Customer, or its agents and employees, using commercially reasonable means of communication, shall place weekly orders for Products and Custom Products, if any, from Supplier (each an "Order") and upon actual receipt of any such Order, Supplier shall deliver the Products and Custom Products so ordered to each Customer store location at such day and time of week all as set forth by a mutually agreed upon Delivery Schedule, "Exhibit C." Customer and Supplier may amend the Delivery Schedule at any time by mutual consent and Supplier may amend the Delivery Schedule, in its reasonable discretion, at any time consistent with seasonal fluctuations in its deliveries or for other reasons, provided that such changes are made on not less than two (2) weeks notification and do not materially impair Customer's ability to do business. Customer and Supplier may also arrange for special deliveries, if necessary, upon the parties' mutual consent.

5. **Payment**.

Upon delivery at each Customer store location, Supplier will provide to Customer employee or agent an invoice showing the amount owed to Supplier by Customer for such Order (the "Invoice"). Customer shall pay for the Products and Custom Products actually delivered by ACH [***].

Supplier reserves the right to alter or restrict the above terms of payment or to require payment prior to the scheduled delivery time if, in Supplier's sole discretion, Customer's financial condition has materially deteriorated or other circumstances do not reasonably warrant delivery on the terms originally specified in the Delivery Schedule, "Exhibit C." Supplier agrees that any changes in terms will not be made unreasonably. Supplier shall give Customer reasonable notice before such changes to any payment or delivery terms are made due to the foregoing reasons.

CERTAIN CONFIDENTIAL INFORMATION CONTAINED IN THIS DOCUMENT, MARKED BY [***], HAS BEEN OMITTED BECAUSE IT IS NOT MATERIAL AND WOULD LIKELY CAUSE COMPETITIVE HARM TO THE COMPANY IF PUBLICLY DISCLOSED.

6. **Allowances**.

A. Annual Marketing Allowance.

As an additional consideration for Customer to use Supplier as its exclusive supplier to the stores listed on Exhibit C hereto (as the same may be amended from time to time) of all core categories including food service during the term of this Agreement, Supplier shall pay to Customer an annual marketing allowance (the "Marketing Allowance").

The Marketing Allowance will be based on 162 stores. Customer shall be paid quarterly at a rate equal to [***] per store for a total annual estimated Marketing Allowance to Customer of [***].

If new stores are opened or if existing stores are closed, Supplier will pay to Customer a prorated amount of the Marketing Allowance based on the number of full months the stores operated within the quarter.

B. Patronage Allowance.

An allowance (the "Patronage Allowance") will be paid to help support marketing programs of Supplier products in Customer stores. The Patronage Allowance is in addition to the Marketing Allowance.

The Patronage Allowance will be based on 162 stores. Customer shall be paid quarterly at a rate equal to [***] per store for a total annual Patronage Allowance to Customer of [***].

If new stores are opened or if existing stores are closed, Supplier will pay to Customer a prorated amount based on the number of full months the stores operated within the quarter.

C. New Store Acquisition Incentive

If during the Term of this Agreement, the Customer acquires stores, Supplier shall pay Customer a Store Acquisition Incentive ("SAI") for each store acquired equal to [***], provided that Supplier continues to service the store for the duration of the then current term of the Agreement (i.e. the initial term or renewal term, as applicable). The SAI will be paid to the Customer within 10 days of the first Supplier delivery to the acquired store. If the new store which receives a SAI is not served for the duration of the then current term, a prorated portion of the SAI received for such store will be refunded to Supplier. The SAI is separate from the Marketing Allowance, Patronage Allowance and any other additional allowances or marketing funds that are provided to the Customer by Supplier and once the new store is acquired, such store will be eligible for the Marketing Allowance and Patronage Allowance and all other allowances or marketing funds that are provided to the Customer by Supplier.

D. [***]

E. Prorations.

This Section 6 will survive any termination or expiration of this Agreement or the parties Customer- Supplier relationship. Upon termination of this Agreement for any reason, other than due to breach by Customer, Supplier shall pay Customer the prorata portion of all amount due under this Section 6 for the most recent quarter then ended, if such payment has not been made prior to the date of termination and for the quarter in which the termination occurs.

7. **Trade Rebates, Discounts & Allowances.**

All manufacturer retail rebates, discounts, and allowances will be passed onto the Customer during the stated dates per the manufacturer.

Supplier pricing to Customer is predicated upon manufacturers continuing to provide Supplier with current marketing programs, payment terms and discounts. Should Cigarette and/or Non Cigarette manufacturers change marketing programs, payment terms and/or terms discount, or in any other way increase net cost to Supplier, the impact of such manufacturer changes will result in negotiations between Supplier and Customer to determine appropriate price changes needed to compensate Supplier for such manufacturer changes.

8. **Significant Change**.

If the number of stores the Customer and the Affiliate collectively operate and which are serviced by Supplier changes by 40% or more then the parties shall have the right to renegotiate the terms of this Agreement. If either party invokes their right to renegotiate the terms of this Agreement by notifying the other party and the parties, after negotiating in good faith, fail to agree upon new terms, then this Agreement may be terminated by either party immediately upon 30 days written notice to the other party.

9. **Cigarette Pricing.**

Cigarette Rebates

Any cigarette discounts will be based on manufacture list price at a rate of [***] cents per carton Premium carton and [***] cents on all discount cartons. Specific brands that do not have normal manufacture programs are not included in any discounts. Please see "Exhibit B."

Due to state mandated fair-trade laws on cigarettes, the cigarette rebates will apply only tonon-fair trade states

Terms of Payment and Collection: If the Customer fails to pay in full for the Products as agreed, except for disputed items, within the agreed-upon time period, then Customer shall pay interest on any unpaid Invoice amount at the Prime rate plus five percent per annum (5%) from the invoice date to the date of payment. In addition, Supplier may, in its sole discretion, suspend delivery of all Products and Custom Products for such time that any undisputed invoice remains unpaid. If Supplier employs an attorney for collection of any amount due by Customer and Supplier prevails in such collection action, then Customer shall be liable for Supplier's reasonable attorney fees for collection.

Force Majeure: Supplier shall not be liable for any delay or failure of performance due to strikes, lockouts or other labor disputes; fires; acts of God; or other causes beyond Supplier's reasonable control.

Warranty: Supplier makes no warranty of any kind on the Products sold to Customer. To the extent permissible by Supplier's contracts with its suppliers, Supplier passes such warranty to Customer without Supplier's liability for such warranty.

EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE PRODUCTS ARE SOLD ON AN "AS IS" BASIS. SUPPLIER HEREBY DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO THE PRODUCTS, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NON-INFRINGEMENT. CUSTOMER ACKNOWLEDGES THAT IT HAS RELIED ON NO WARRANTIES OTHER THAN THE EXPRESS WARRANTY SET FORTH IN THIS SECTION. NOTWITHSTANDING THE FOREGOING, SUPPLIER WARRANTS THAT THE PRODUCTS SHALL BE FREE FROM DEFECT CAUSED BY THE WILLFUL MISCONDUCT OR NEGLIGENCE OF SUPPLIER.

SUPPLIER SHALL NOT BE LIABLE TO CUSTOMER FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, OR SIMILAR DAMAGES ARISING OUT OF THE SALE OF THE PRODUCTS TO THE CUSTOMER, INCLUDING SUPPLIER'S DELIVERY OF THE PRODUCTS TO THE CUSTOMER, WHETHER BASED ON BREACH OF CONTRACT, TORT, WARRANTY, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE GROUNDS, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR BUSINESS INTERRUPTION, OR OTHER PECUNIARY LOSS.

Default and Termination: The following constitute defaults by either party (each a "Default" and several, "Defaults"):

(iii) failure by one party to perform any obligations, duties or responsibilities arising under the Documents, which failure to perform continues for a period of 30 days after receipt of notice from the other party.

Upon the occurrence of a Default, the non-defaulting party may terminate the Master Sales Agreement upon written notice to the defaulting party, but any such termination shall be without prejudice to any other legal remedy the non-defaulting party may have on account of such Default.

Waiver: Notwithstanding any other provision to the contrary, the failure of any party to enforce at any time any of the provisions of the Master Sales Agreement or these Standard Terms and Conditions shall not be construed to be a waiver of any such provision, nor affect the validity of the Documents or any part thereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach or Default under the Master Sales Agreement or these Standard Terms and Conditions shall be held to be a waiver of any other or subsequent breach or Default.

Indemnification: Customer or Supplier, as applicable (the "Indemnifying Party"), will indemnify and hold Supplier or Customer, as applicable, harmless, respectively (the "Indemnified Party"), against any loss, injury, damage, and costs (including reasonable attorney fees) directly caused by the Indemnifying Party's malfeasance, gross negligence, breach of contract or breach of warranty. The amount paid by the Indemnifying Party under the foregoing indemnification obligation shall be reduced by the amount of any proceeds to which the Indemnified Party has a right to claim and receive under any insurance policy. Notwithstanding anything in this Agreement to the contrary, neither Supplier nor its successors or assigns, subsidiaries, affiliates, or representatives shall have any liability or responsibility in any manner whatsoever to Customer or its successors or assigns, subsidiaries, affiliates or representatives, for costs, expenses, or liabilities (including but not limited to claims, losses, actions, suits, judgments, damages, payments, obligations, settlements and attorneys' fees (whether or not any of the foregoing result from or arise out of third party claims)) arising in any manner from the consumption of tobacco and/or cigarettes and/or tobacco related products (including but not limited to electronic cigarettes) (including but not limited to the buying of such products, the use of such products, or the consequences or effects (whether to the consumer or other persons) from the use of such products).

Notwithstanding anything else in this Agreement or otherwise, neither party will be liable to the other party or any other person or entity with respect to any subject matter of this Agreement under any contract, negligence, strict liability or other legal or equitable theory for any (a) consequential, special, incidental or indirect damages, (b) lost profits, lost business, interruption of use or lost or corrupted or inaccurate data, or (c) cost of procurement of substitute products, goods, services or technology. Both parties acknowledge and agree that the amounts payable under this Agreement are based in part upon the limitations set forth in this "Indemnification" paragraph and further agree that such limitations shall apply even if the remedies provided for in this Agreement fail of their essential purpose and even if either party has been advised of the possibility or probability of such damages.

The Indemnifying Party shall, when requested to do so and given reasonable notice of the pendency of any suits, claims or demands that are subject to indemnity hereunder, assume the defense of the Indemnified Party entitled to indemnification against any such suits, claims or demands. The terms of this "Indemnification" paragraph shall survive the termination or cancellation of the Master Sales Agreement or the parties' Customer-Supplier relationship.

Dear Chris:

This letter agreement (hereafter referred to as the "Agreement"), documents our recent discussions concerning GSC Enterprises, Inc. d/b/a: Grocery Supply Company ("GSC") supplying GPM Southeast, LLC ("GPM"; collectively with GSC referred to as the "Parties"). GSC agrees to service GPM's E-Z Mart branded stores with certain product categories including cigarettes, other tobacco products, grocery, foodservice, candy, health and beauty care, general merchandise, and other products. This Agreement shall not apply to any stores operated by GPM or its affiliates that are not branded E-Z Mart unless otherwise mutually agreed by the Parties. Additionally, this Agreement also does not apply to products delivered by DSD vendors or, unless requested by GPM, products which are delivered to the E-Z Mart stores through other vendors in connection with a test, promotion, orone-time buy.

Length of Agreement and Other Conditions

A. The Agreement between GSC and GPM covers the period of June 1, 2018 (the "Effective Date") through May 31, 2023 (the "Term"). This Agreement shall expire at the end of the Term unless extended in writing by the Parties or terminated earlier.

B. GSC's enclosed designated pricing shall remain the same unless a significant reason caused by manufacturer's inside monies, business expenses, or profit margins causes a change (higher or lower) in the pricing plan. Any designated pricing will only be changed after mutual discussion with GPM and agreement by the Parties to amend the enclosed designated pricing; which discussion can occur no more than once per calendar year. All price increases or decreases will result in an increase or decrease in price as directed by the manufacturer.

C. Upon execution of the Agreement, GSC will forgive the remaining balance of the existing agreement in the amount of [***] for the Promotion Allowance and Image Shelf Retail Label funding. This funding would not have been fully earned until September 30, 2018. In addition, GSC agrees to not require GPM to repay any portion of the [***] that was paid per the addendum to the original agreement dated November 3, 2014.

GPM Promotional Allowance

[***]

Details of Promotional Allowance:

The promotional allowance monies of [***] per store per year paid by GSC to GPM will remain in place through the Agreement Term which ends May 31, 2023.

The promotional allowance of [***] per store per year for the period of June 1, 2018 to May 31, 2019 will be paid effective June 1, 2018. [***].

The remaining annual payments will be paid each June 1, beginning June 1, 2019, during the Term of the Agreement. Provided the store count remains constant, the annual payment will be [***]. [***].

The annual promotional allowance is for the Term of the Agreement enabling GPM to facilitatenon-cigarette in store promotion, store growth, expansion and other similar activities to help both GSC and GPM increase non-cigarette sales. Each annual promotional allowance shall be paid in advance. Each annual payment shall be earned during the applicable twelve (12) month period. Each additional promotional allowance will be paid on each June 1, beginning June 1, 2019, of this Agreement during the Term hereof and shall be in an amount equal to [***] per store based on the then current store count. Evaluation will be conducted during the term of the Agreement to examine the success of this initiative. At the end of the Term, subject to another five (5) year extension, GSC will again provide funds on the same basis, subject to the success of the initial initiative. GPM and GSC understand and agree that any and all incentives are exclusive of cigarettes and are not contingent, tied to, or in any way related to cigarette sales as per fair trade laws.

MASTER INCENTIVE AGREEMENT
CUSTOM

This *Master Incentive Agreement* ("***Agreement***") is executed on the date set forth beneath each party's signature, to be effective for all purposes as of **April 1, 2016** ("***Effective Date***") by and between **VALERO MARKETING AND SUPPLY COMPANY** ("***VMSC***") and **GPM PETROLEUM, LLC** ("***Distributor***").

RECITALS

A. Distributor and VMSC are parties to a *Branded Distributor Marketing Agreement (Multi-Brand)*, dated **January 1, 2012** (as amended, or any replacement upon expiration, the "***Distributor Agreement***"), under which VMSC sells branded motor fuels to Distributor for resale at "***Stations***" (as defined in the Distributor Agreement). Capitalized terms used in this Agreement that are not specifically defined herein have the meanings given to them in the Distributor Agreement.

B. VMSC has offered to pay Distributor certain incentive amounts as consideration for Distributor's commitment to purchase certain volumes of branded gasoline (under one or more of VMSC's brands) from VMSC to be sold to the public at the Covered Stations (as defined below), on the terms and conditions set forth in this Agreement.

Therefore, in consideration of the terms, conditions, and covenants set forth in this Agreement, VMSC and Distributor agree as follows:

1. Term. The term of this Agreement (the "***Term***") shall commence on the Effective Date and shall expire on **March 31, 2026** (the "***Expiration Date***"), unless earlier terminated in accordance with the terms of this Agreement.

2. Certain Definitions. As used in this Agreement, the following capitalized terms have the following meanings:

"***Covered Station***" means each Station that is listed on Exhibit A to the Distributor Agreement from time to time. ***Notwithstanding anything to the contrary contained herein, unless expressly agreed in writing by VMSC at its sole discretion in no event will any Station that is added to Exhibit A of the Distributor Agreement after the Effective Date of this Agreement be considered to be Covered Stations where any one or more of the following apply***: (a) the Station was physically branded with one of the VMSC brands immediately prior to the Station Addition Date; and/or (b) regardless of whether or not physically branded immediately prior to the Station Addition Date, the Station is/was subject to a valid agreement under which either Distributor or a third party had an obligation to purchase branded gasoline from VMSC not expiring prior to or on the Station Addition Date; and/or (c) the Station is/was "assigned" to Distributor from any other branded distributor's contract, regardless whether Distributor has agreed to assume any unamortized amounts on any agreements with VMSC related thereto.

"***Covered Station Monthly Contract Volume***" means, for a given calendar month during the Term, the total number of gallons of gasoline set forth on Exhibit A of the Distributor Agreement, to be purchased by Distributor from VMSC for the relevant month for all Covered Stations.

"***Minimum Monthly Purchase Threshold***" means **[***]**.

"***Monthly Incentive***" is defined in Section 3.

"***Monthly Incentive Reimbursement Amount***" is equal to the total of all Monthly Incentives actually paid by VMSC under this Agreement through the date of termination of this Agreement, ***multiplied by***, a fraction, the numerator of which is the total number of calendar months and portions thereof remaining in the Term as of the date of termination of this Agreement, and the denominator of which **120**.

"***Monthly Purchases***" means, when referring to a particular calendar month during the Term, the total number of gallons of gasoline purchased during that calendar month by Distributor from VMSC pursuant to the Distributor Agreement that are delivered only to Covered Stations.

"***Station Addition Date***" means the date on which a Station is added as a Station supplied under the Distributor Agreement.

3. Incentive Payments. For each calendar month during the Term that both: (1) the Monthly Purchases for that month are not less than **[***]** of the Covered Station Monthly Contract Volume for that month; and (2) Distributor is not otherwise in default of any of its obligations under the Distributor Agreement, this Agreement, or any other agreement between Distributor and VMSC, Distributor shall earn an incentive (the "***Monthly Incentive***"), in an amount in dollars equal to the Monthly Purchases *multiplied by* **[***]**. Monthly Incentives will be calculated on a **[***]** basis and paid to Distributor on a **[***]** basis within **[***]** after the end of each **[***]** during the Term. Notwithstanding anything to the contrary contained herein, in no event shall VMSC be required to pay any Monthly Incentives on any Monthly Purchases in excess of **[***]** of the Covered Station Monthly Contract Volume.

4. Minimum Monthly Purchases. Distributor represents and warrants to VMSC that, during each and every calendar month during the Term, Monthly Purchases will be equal to or greater than the Minimum Monthly Purchase Threshold.

5. Termination.

a. This Agreement shall terminate automatically upon the Expiration Date.

b. This Agreement shall otherwise terminate automatically prior to the expiration of the Term upon: (i) the nonrenewal of (or failure to enter into a replacement for) the Distributor Agreement; or (ii) the termination of the entirety of the Distributor Agreement.

c. This Agreement may be terminated by VMSC prior to the expiration of the Term if: (i) Distributor makes any false or misleading statement which induces VMSC to enter into this Agreement or continue under this Agreement (specifically including any representations and/or warranties contained in this Agreement), or which is relevant to the relationship of VMSC and Distributor including, but not limited to, Distributor's performance of this Agreement; (ii) Distributor's Monthly Purchases are less than the Minimum Monthly Purchase Threshold for more than 3 consecutive months during the Term; and/or (iii) Distributor materially breaches any agreement between Distributor and VMSC, or materially defaults in any of its obligations under this Agreement, the Distributor Agreement, or any other agreement between Distributor and VMSC. Termination of this Agreement by VMSC shall be without prejudice to any rights, claims, causes of action or remedies which VMSC may otherwise have against Distributor.

d. If this Agreement terminates for any reason prior to the expiration of the Term, VMSC has no further obligation under this Agreement, and Distributor shall pay to VMSC the Monthly Incentive Reimbursement Amount in immediately available funds within 3 business days after the termination.

6. Transfer of Agreement. This Agreement may only be transferred by Distributor in conjunction with a permitted transfer of the Distributor Agreement in its entirety. This Agreement is fully assignable by VMSC, provided that any such assignee fully assumes the obligations of VMSC under this Agreement.

7. Withdrawal or Amendment of Program. VMSC reserves the right to withdraw or to amend any program in its entirety or in any market as determined by VMSC. However, this Agreement will remain in effect notwithstanding any such withdrawal or amendment.

8. Miscellaneous.

a. *Attorney's Fees*. In the event of any lawsuit between VMSC and Distributor arising out of or relating to this Agreement (regardless whether such action alleges breach of contract, tort, violation of a statute or any other cause of action), the substantially prevailing party shall be entitled to recover its reasonable costs of suit including its reasonable attorneys' fees. If a party substantially prevails on some aspects of such action but not others, the court may apportion any award of costs or attorneys' fees in such manner as it deems equitable.

b. *Choice of Law.* This Agreement shall be governed by the laws of the state applicable to the Distributor Agreement.

c. *Notices*. Any notice, request or other communication required or permitted by or pertaining to this Agreement shall be in writing and given in accordance with the terms of and to the addresses specified in the Distributor Agreement.

d. *No Third Party Beneficiaries*. This Agreement is not intended to benefit any third parties.

e. *Entire Agreement.* This Agreement constitutes the entire agreement and understanding between Distributor and VMSC with respect to the matters covered thereby. There are no representations, stipulations, warranties, agreements or understandings with respect to the subject matter of this Agreement which are not fully expressed herein and which are not superseded hereby. The provisions of this Agreement shall not be reformed, altered, or modified in any way by any practice or course of dealing prior to or during the Term, and can only be reformed, altered, or modified by a writing signed by Distributor and an officer of VMSC. Distributor specifically acknowledges that Distributor has not been induced to enter into this Agreement by any representation, stipulation, warranty, agreement, or understanding of any kind other than expressed herein.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this Agreement to be effective as of the Effective Date.

This *First Amendment to Master Incentive Agreement - Custom* ("***Amendment***"), is dated effective as of **July 1, 2019** (the "***Effective Date***"), by and between VALERO MARKETING AND SUPPLY COMPANY, a Delaware corporation ("***VMSC***"), and GPM PETROLEUM, LLC (*"**Marketer***").

RECITALS

A. VMSC and Marketer, entered into a *Master Incentive Agreement - Custom*, dated effective as of April 1, 2016 (as amended hereby, the "***Agreement***"). All capitalized terms used in this Amendment that are not specifically defined herein, have the meanings given to them in the Agreement.

B. Distributor and VMSC now desire to amend the Agreement from and after the Effective Date, on the terms and conditions set forth herein.

NOW THEREFORE, in consideration of the terms, conditions, and covenants set forth in this Agreement, VMSC and Marketer agree as follows:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein.

2. Amendments. From and after the Effective Date, the Agreement is amended as follows:

a. Section 1 is entirely replaced with the following:

1. Term. The term of this Agreement (the "***Term***") shall commence on the Effective Date and shall expire on **June 30, 2029** (the "***Expiration Date***"), unless earlier terminated in accordance with the terms of this Agreement.

b. The following definitions are added to Section 2:

"***[***] Stations***" means, with respect to a particular calendar month during the Term, all Covered Stations for which the [***] for [***] are [***].

"***[***] Station Monthly Purchases***" means, with respect to a particular calendar month during the Term, the total number of gallons of gasoline purchased during that calendar month by Distributor from VMSC pursuant to the Distributor Agreement [***] for and [***] Stations.

"***[***] Stations***" means, with respect to a particular calendar month during the Term, all Covered Stations for which the Monthly Purchases for that month are [***].

"***[***] Station Monthly Purchases***" means, with respect to a particular calendar month during the Term, the total number of gallons of gasoline purchased during that calendar month by Distributor from VMSC pursuant to the Distributor Agreement [***] for and [***] Stations.

c. Section 3 is entirely replaced with the following:

3. Incentive Payments. For each calendar month during the Term from and after July 1, 2019 that both: (1) the Monthly Purchases for that month are not less than [***] of the Covered Station Monthly Contract Volume for that month; and (2) Distributor is not otherwise in default of any of its obligations under the Distributor Agreement, this Agreement, or any other agreement between Distributor and VMSC, Distributor shall earn an incentive (the "***Monthly Incentive***"), in an amount in dollars equal to: (a) the [***] Station Monthly Purchases*multiplied by* **$**[***]**; *plus*** (b) the [***] Station Monthly Purchases, *multiplied by* **$**[***]. Monthly Incentives will be calculated on a [***] basis and paid to Distributor on a [***] basis within [***] after the end of each [***] during the Term. Notwithstanding anything to the contrary contained herein, in no event shall VMSC be required to pay any Monthly Incentives on any Monthly Purchases in excess of [***] of the Covered Station Monthly Contract Volume.

d. A new Section 9 is added as follows:

9. RFS Program Changes. The incentive rates set in this Agreement are based on an expectation that VMSC refining affiliates will, during the entire Term, continue to be obligated parties under the Environmental Protection Agency's Renewable Fuel Standard Program (the "***Program***"), to ensure compliance by obtaining adequate RINs to meet their Renewable Volume Obligation, which is based on the volume of gasoline/diesel fuel those refining affiliates produce. If, after the Effective Date the Program is modified (the effective date of modification is the "***Program Change Date***"), such that the Renewable Volume Obligation is no longer based on the volume of gasoline/diesel produced by refiners, and is instead based on the amount of gasoline/diesel fuel distributed at truck rack terminals, then VMSC shall have the right, by written notice (the "[***] ***Notice***") to Distributor, to [***], at any time during the Term beginning no earlier than 180 days after the Program Change Date, to a [***] based on the change to the branded wholesale gasoline market conditions caused by the change to the Program, ***provided however***, that VMSC shall have no right to either: (a) [***] to a [***] that is [***], or (b) [***] the [***] by [***] made to [***] at any of the [***] at which [***] under the Distributor Agreement as of the proposed effective date of the [***]. VMSC shall state in the [***] Notice, the new [***] for [***] Monthly Purchases, [***] Monthly Purchases and the effective date of the [***], which may be no earlier than the first day of the calendar quarter (Jan 1, April 1, July 1 or Oct 1) following the date on which the [***] Notice is given. Distributor shall have the right to a third party blind audit (at Distributor's expense) to ensure VMSC's compliance if VMSC sends Distributor an [***] Notice; ***provided however***, that if such audit determines that VMSC is not in compliance with this provision, then in addition to the [***] being [***] to the extent necessary to achieve compliance with this provision, VMSC shall reimburse Distributor for its reasonable expenses in connection with the audit. Notwithstanding anything to the contrary contained herein, Distributor [***] by sending written notice to VMSC thereof (a "***Program Change*** [***]"), not more than 180 days after it receives an [***] Notice, and if Distributor [***] pursuant to this Section 9, then, and only then, will the Monthly Incentive Reimbursement Amount be [***].

3. Miscellaneous.

a. Except as amended hereby, the Agreement remains full force and effect and is hereby ratified and confirmed by the parties.

b. This Amendment shall be binding on and inure to the benefit of the parties and their permitted successors and assigns.

c. In the event of a conflict or discrepancy between the terms of this Amendment and the Agreement, this Amendment shall control.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this Amendment as of the Effective Date.

Ratable Lifting: the purchase of Products by BUYER, directly from SELLER, in approximately equal quantities, with such frequency as will satisfy the Requirements of the Branded Outlets and the Minimum Volume throughout an entire month; except that the purchase by BUYER, on any day of a month, of a volume of Gasoline in excess of 150% of that number of gallons determined by dividing the month's Exhibit A Volume by the number of days in the month is not the purchase of Gasoline by Ratable Lifting.

2. PURCHASE, SALE AND DELIVERY OF PRODUCTS

2.1 Purchase and Sale.

SELLER (itself and through Affiliate, if applicable) will sell to BUYER, and BUYER agrees to purchase and receive, Products sufficient to satisfy the Requirements of each Branded Outlet during the Term, in such grade or grades as SELLER has or may have available, at designated terminals (if so indicated on Exhibit A) and in the Exhibit A Volumes.

BUYER acknowledges and agrees that both SELLER and Affiliate may be identified as the seller of Products purchased and sold under this Agreement out of a given terminal, and that SELLER and Affiliate, as the case may be, may invoice BUYER for the same. BUYER agrees to pay invoices issued by either SELLER or Affiliate for purchases made under this Agreement pursuant to the terms of this Agreement.

2.2 Volume Limitation.

If SELLER determines, in good faith, that BUYER is not purchasing a Product by Ratable Lifting in a month, SELLER may, but is not obligated to, implement an allocation program for BUYER's subsequent purchases of the Product during the month, at such terminals and of such duration and volume limitations as SELLER, acting with commercial reasonableness and for the purpose of restoring Ratable Lifting of the Product, determines. SELLER will utilize its terminal reporting systems to implement limitations on BUYER's purchases of the Product in the month. If, however, SELLER's terminal reporting systems are not available, or if SELLER determines that its terminal reporting systems have failed or are unable to implement a limitation on BUYER's purchases of the Product in the month, SELLER will notify BUYER of the unavailability, failure or inability, and of any per gallon liquidated damage amount for which BUYER will be liable for purchases of the Product in excess of the limitation in the month. BUYER agrees that, upon receipt of SELLER's notice in any month, BUYER will bear the sole responsibility for compliance with the terms of SELLER's allocation program. If, following receipt of SELLER's notice, BUYER purchases a Product in excess of a limitation established by SELLER for a Product in a month, BUYER will be liable to SELLER for liquidated damages in an amount calculated by multiplying (a) the number of gallons of the Product purchased by BUYER in the month, after receipt of SELLER's notice, in excess of the limitation by (b) a cents per gallon amount determined by SELLER, in good faith, as reasonable compensation for supplying BUYER the Product in volumes which exceed the limitation.

2.3 Minimum Purchase Obligation.

Section 2.1 notwithstanding, BUYER will purchase from SELLER and Affiliate, if applicable, in each month during the Term, Products in a quantity not less than the Minimum Volume. SELLER and its Affiliate have no obligation to sell Products in excess of the Minimum Volume.

(a) The agreement to sell the Minimum Volume is not a representation or guaranty by SELLER or Affiliate that the BUYER will sell the Minimum Volume or that the Requirements of the Branded Outlets for Products in that month will equal the Minimum Volume. BUYER's purchase of Products in excess of the Minimum Volume during any month will not be applied to offset BUYER's failure to purchase the Minimum Volume during any other month. BUYER's obligation to purchase the Minimum Volume from SELLER or Affiliate is not affected by BUYER's loss or termination of any Branded Outlet, or by the establishment or existence of an outlet or facility selling Products established or operated by SELLER, Affiliate, or by another customer or distributor of SELLER or Affiliate. SELLER's or Affiliate's sale of Products during any period in excess of the Minimum Volume will not affect the Minimum Volume as to any future period.

(b) If BUYER fails to purchase the Minimum Volume from SELLER or Affiliate in: (i) any three consecutive months, or (ii) six months of any twelve-month period, then SELLER will have the right, but not the obligation, to reduce the Minimum Volume by the average of the ratios of the actual purchases of Products to the Minimum Volume, in the months in which BUYER failed to purchase the Minimum Volume. Exhibit A will then be deemed to be amended and SELLER will issue a revised Exhibit A to reflect such reduction.

(c) No amendment of Exhibit A or Exhibit B will alter or relieve the parties' respective obligations under any other agreement between them.

2.4 Sections 2.1 and 2.3 notwithstanding, SELLER may, but is not obligated to, sell more than the Maximum Volume to BUYER in any month.

2.5 Amending Exhibits.

(a) BUYER and SELLER agree that they will periodically, but no less frequently than once in each twelve (12) month period during the Term, review Exhibits A and B to consider (1) the addition or deletion of Branded Outlets from Exhibit B, (2) change in Requirements at one or more existing Branded Outlet, and (3) any recalculation of the Exhibit A Volume in SELLER'S sole discretion. Exhibits A and B may be amended according to the Parties' agreement on one or more of these factors. The Exhibit A Volume will be increased by the mutually agreed projected monthly sales of Product at each existing or added Branded Outlet. Any increases in the Exhibit A Volume associated with the addition of a Branded Outlet will be effective as of the first day of the month in which the installation of the Marks is completed.

(b) Exhibits A and B may be amended in electronic form via electronic communication such as an email expressing the acceptance of the amended Exhibits by SELLER and BUYER.

(c) No amendment of Exhibit A or B pursuant to this Section 2.5 will alter or relieve the Parties' respective obligations under any Improvement Agreement, Master Agreement, Conversion Agreement, Branding Agreement, Wholesale Assistance Agreement, Rollover Agreement or other agreement between them.

(d) Exhibits A and B will be amended to add an outlet or storage facility that is, at the time, the subject of another agreement for the supply of Products to which SELLER is a party if, but only if:

(1) SELLER determines, in its reasonable judgment, that amending Exhibits A and B to add the outlet or storage facility will not result in the breach of, or actionable interference with, any contractual relationship between the operator of the outlet or storage facility and the supplier of Products to the outlet or storage facility; and

(2) BUYER assumes the obligations of the other supplier under any Improvement Agreement, Master Agreement, Conversion Agreement, Branding Agreement, Rollover Agreement, Wholesaler Assistance Agreement, or other agreement with SELLER relating to the outlet or storage facility.

2.6 Products; Characteristics. BUYER will not supply or sell at the Branded Outlets any Products having octane levels different than the octane levels SELLER is at that time offering without the prior written consent of SELLER. SELLER reserves the right to change the grade, specifications, characteristics, delivery package, brand name or other distinctive designation of any Product from time to time, and to discontinue marketing any of the Products at any time without liability or further obligation to BUYER with respect to the purchase and sale thereof.

2.7 Purchase and Sale of Motor Oils and Lubricants. BUYER agrees to use commercially reasonable efforts to purchase and offer a representative stock of SELLER's and Affiliate's branded motor oils and lubricants for sale at all Branded Outlets operated by BUYER, and will use commercially reasonable efforts to cause a representative stock of branded motor oils and lubricants to be offered for sale at Branded Outlets operated by Operators.

3. COMMERCIAL TERMS

3.1 Price.

(a) Subject to change or substitution as provided below, BUYER agrees to pay the following prices for the products sold hereunder:

(1) for Products: SELLER's or Affiliate's established branded jobber terminal price per gallon, f.o.b. terminal for the particular Product, in the particular Brand, in effect on the date and time of completion of loading and at the terminal of delivery to BUYER; and,

(2) for motor oils, lubricants, industrial oils, antifreeze, and related merchandise: SELLER's or Affiliate's branded jobber automotive oil, lubricant and merchandise price schedule in effect on the date of BUYER's order.

The stated prices are exclusive of applicable taxes, inspection fees, and other governmental charges and assessments. All taxes or other charges now or hereafter imposed by law on any Products sold hereunder, or on the production, manufacture, sale, transportation or delivery thereof, or on this Agreement or the transactions contemplated hereby, which SELLER is required to pay or collect, shall be added to the applicable price and paid by BUYER.

(b) SELLER or Affiliate, if applicable, may assess and state, as a separate line item on its invoices for some or all Products purchased and sold hereunder, a per gallon charge to defray a portion of the costs incurred in advertising the Brands from time to time.

(c) SELLER and Affiliate reserve the right to unilaterally change any prices at any time, and also reserve the right to change its pricing notification system including, but not limited to, the method by which prices are posted, at any time.

3.2 Measurement. BUYER shall be invoiced for the actual number of U.S. gallons of Products delivered to BUYER by SELLER and Affiliate, with or without correction for temperature, at SELLER's option, using standards accepted by government agency or industry-accepted practice (e.g., API, ASTM); provided, however, that upon request of BUYER by thirty (30) days' advance written notice once, but only once, in any period of twelve (12) consecutive months, SELLER will change the method of measurement of invoiced Products to be with or without temperature correction. The foregoing notwithstanding, in any jurisdiction in which applicable law dictates the method of measurement of Products delivered, such method shall be used.

3.3 Payment.

(a) BUYER agrees to pay for all Products and other goods and merchandise sold hereunder in the manner, at the times and on such credit terms as SELLER's Credit Department may establish from time to time. Payment terms established for sale of Products to BUYER are subject to change by SELLER at any time.

(b) If BUYER fails to make timely payment of any amount due and owing under this Agreement, SELLER and Affiliate may:

(1) impose a late payment charge not to exceed the maximum amount allowed by law;

(2) immediately setoff any amounts owed by BUYER to SELLER or Affiliate against amounts owed by SELLER or Affiliate to BUYER under this or any other agreement between the Parties, or between BUYER and any affiliate of SELLER; or,

(3) treat such failure as a failure by BUYER to comply with a reasonable and materially significant provision of this Agreement, entitling SELLER to terminate this Agreement and the relationship between SELLER and BUYER.

PAYMENTS TENDERED IN FULL SETTLEMENT OF A DISPUTED AMOUNT MUST BE SENT BY CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO "COMMERCIAL CREDIT MANAGER, MARATHON PETROLEUM COMPANY LP, 539 SOUTH MAIN STREET, FINDLAY, OHIO 45840."

(c) If SELLER decides, in its reasonable discretion, that the creditworthiness of BUYER is at any time unsatisfactory, SELLER shall have the right to require assurances of BUYER's ability to perform its obligations under this Agreement including, but not limited to, any or all of the following, until BUYER's creditworthiness becomes satisfactory in SELLER's reasonable discretion:

(1) SELLER may require payment in cash in advance of each purchase of Products;

(2) SELLER may discontinue further sales or shipments of Product until all payments due have been received; or,

(3) SELLER may withhold payment for Transaction Card sale transaction receipts due to BUYER under this Agreement for transactions at any Branded Outlet, whether operated by BUYER or an Operator.

(d) BUYER shall promptly pay when due all taxes, or other governmental assessments, levied or assessed by reason of BUYER's operations and its performance under this Agreement. BUYER shall also pay when due any tax (including, but not limited to, sales, use, value added, occupation, gross receipts, registration, ad valorem, excise, environmental (including Superfund), and documentary taxes, including any interest charge or penalty that may result therefrom), duty, fee or other governmental charge, or any other public or private fee, charge or assessment now or hereafter levied on any Products delivered hereunder, or on SELLER or Affiliate, or required to be paid or collected by SELLER or Affiliate, by reason of the purchase, receipt, importation, manufacture, or removal of such Products by SELLER or Affiliate, or levied on or incurred in connection with or incidental to the sale, transportation, storage, delivery, use or removal of such Products, insofar as the same is not expressly included in the prices hereunder. BUYER shall furnish SELLER with satisfactory tax exemption certificates where an exemption is claimed. With respect to any equipment or personal property which SELLER may loan to BUYER, BUYER shall be responsible for reporting and paying all personal property taxes associated with such equipment or personal property. Upon SELLER's request, BUYER shall provide SELLER proof of proper reporting and payment of all taxes for which the BUYER is responsible under this Agreement. BUYER shall not permit or allow any tax or governmental lien, tax sale, or seizure by levy or execution of similar writ or warrant to occur against BUYER's Branded Outlet, or any of the inventory, supplies, or equipment located thereon.

SELLER and Affiliate may institute a line-item charge reflecting any carbon taxes, fees, assessment and similar charges or cost of compliance levied, assessed or otherwise incurred as a result of compliance with regulatory requirements by any government or instrumentality or subdivision thereof, applicable to the manufacture, sale, purchase, import, distribution, exchange, use, resale, transportation, delivery, inspection or handling of the Products sold, or proportionately upon feedstock from which Products are derived, including taxes, fees, assessment and any other cost of compliance related to the Low Carbon Fuel Standard for transportation fuels, Cap-at-the-Rack assessment, or similar governmental or regulatory requirements established by a state or federal government (collectively, the "Carbon Surcharge"). BUYER shall bear any Carbon Surcharge incurred, levied or assessed after the date of the Agreement by any government authority or regulatory authority upon the transactions provided for in the Agreement, whether or not paid directly to the government authority.

(e) Nothing in this Section shall operate or be construed as the waiver by SELLER or Affiliate of any legal or equitable remedy to which they are entitled as a result of BUYER's failure to pay any amount when due. No failure on the part of SELLER or Affiliate to exercise any rights or remedies upon BUYER's failure to make timely payment of any amount due and owing shall be construed as a waiver of those rights in the event of any subsequent failure.

3.4 Delivery.

(a) SELLER and Affiliate shall not be required or obligated to make any delivery outside of their usual business hours or in any quantity which would exceed maximum load weights permitted by law. Except as set forth in Section 3.4(b), deliveries of Products shall be made f.o.b. the terminal(s) listed at Exhibit A, as amended from time to time;

Title to, and risk of loss, of all Products delivered at terminal(s) shall pass to BUYER when such Products pass the inlet flange on the transport trucks of BUYER or BUYER's common carrier, except that SELLER or Affiliate shall retain title to any vapors or condensate recovered during delivery. Title to and risk of loss of products other than the Products shall pass to BUYER when such products are loaded for delivery at the point of origin.

(b) Deliveries of all Products delivered to BUYER, directly or through hired common carrier, shall be made, and title to and risk of loss of such Products shall pass to BUYER, as the Product enters BUYER's storage tanks. Transportation arranged for BUYER shall be at BUYER's cost and shall not affect title and risk of loss.

(c) SELLER and Affiliate shall have no obligation to deliver Products to BUYER at any terminal unless BUYER, its agents, and its carriers have entered into, and are in compliance with, agreements with the terminal operator governing access to the terminal.

(d) The place of delivery of any Product(s) may be changed by giving BUYER at least fifteen (15) days prior written notice, or such lesser time as is reasonable under the circumstances, in which case the new supply terminal shall be added to Exhibit A where appropriate and the no longer available supply terminal shall be deleted. If a Product is discontinued at the only terminal for such Product and a different terminal is not designated for that Product, then both SELLER (and Affiliate, if applicable) and BUYER shall be relieved of any further obligation hereunder with respect to that Product.

3.5 Warranty. SELLER and Affiliate, if applicable, warrants good title to all Products supplied hereunder at the time of delivery to BUYER, and that each Product supplied hereunder shall comply with all applicable federal, state and local rules and regulations in effect at the time and place title thereto passes to BUYER.

SELLER AND AFFILIATE DISCLAIM ANY AND ALL OTHER WARRANTIES AND REPRESENTATIONS WITH RESPECT TO THE PERFORMANCE OR QUALITY OF PRODUCTS SUPPLIED HEREUNDER INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR BUYER'S PARTICULAR OR INTENDED PURPOSES OR USAGE. FURTHERMORE, UNDER NO CIRCUMSTANCES WILL SELLER AND AFFILIATE BE LIABLE FOR INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUNTIAL DAMAGES, WHETHER UNDER WARRANTY, TORT, CONTRACT, STRICT LIABILITY, OR OTHERWISE.

3.6 Safety and Health. BUYER has received Material Safety Data Sheets (a/k/a Safety Data Sheets) and other information about the safety and health aspects of Products, shall communicate this information to its employees, agents, carriers and customers, and shall require them to further communicate this information. Material Safety Data Sheets (MSDS) for Products are also available at the following Internet address:

https://www.marathonbrand.com/Products/Safety_Data_Sheets_and_Labels//

or such other address as may be designated from time to time.

3.7 Audit Rights. To verify BUYER's performance under this Agreement and any related agreements, or in furtherance of compliance and quality assurance programs instituted and amended by SELLER or Affiliate from time to time:

(a) BUYER will cooperate fully and completely with audits and inspections conducted by SELLER from time to time. SELLER shall have the right to audit records in the possession or control of BUYER, inspect the Branded Outlets, inspect and copy each Branded Outlet's daily inventory control and reconciliation records, conduct audits of dispensers and meter readings, and obtain and remove samples of Products taken from underground tanks, dispensers or other components of each Branded Outlet's motor fuel delivery system. SELLER may delegate the conduct of such audits to Affiliate or a third party designee.

(b) BUYER will ensure that each Operator cooperates fully and completely with such audits and inspections. SELLER will have the right to enter and inspect the facilities at any Branded Outlet operated by the Operator, sample Products stored in underground tanks or located elsewhere in equipment within the possession or control of the Operator, and inspect the books, records, daily inventory control and reconciliation records, and meter readings of the Operator relating to operation of any Branded Outlet operated by the Operator, wherever such books, records and readings are located.

3.8 Electronic Communication.

(a) BUYER agrees that all Branded Outlets operated by BUYER, and by any Operator, will be and remain, during the Term, equipped with hardware and software, including upgrades, as necessary for e-mail capability and access to the Internet, so that SELLER or Affiliate may communicate and exchange business transaction and other information via SELLER's eMpowered Marketing portal, TSO Connect, or other designated means or portal established by SELLER or Affiliate in replacement thereof.

(b) BUYER consents to the receipt of notices, advertisements, announcements, brochures and other information pursuant to or relating to this Agreement via facsimile, telephone, e-mail and other modes of electronic communication. BUYER further agrees that electronic signature methods are valid means of executing this Agreement as well as any other related agreements between BUYER and SELLER or Affiliate.

4. ALLOCATION OF RISK

4.1 Supply Shortage.

(a) Any term or provision of this Agreement to the contrary notwithstanding, if SELLER or Affiliate anticipates a shortage of Products, crude oil, raw materials, fuels, or refining capacity, from whatever cause, and regardless of whether such shortage is anticipated to affect its own or its other regular sources of supply, or supply in the industry generally, which in its sole discretion determines will require a limitation generally on the type or quantities of Products to be supplied hereunder, or if such a limitation is recommended or imposed by any governmental authority, whether or not ultimately held to be valid, SELLER or Affiliate may implement a plan, formula or method to reduce demand for Products, allocate supply of Products among BUYER and its other customers, or both.

(b) SELLER and Affiliate will not be required to make up Product volumes not supplied to BUYER as a result of, and are not liable to BUYER for damages, losses, freight or other costs or expenses incurred by BUYER in connection with, a plan, formula or method instituted pursuant to Section 4.1(a).

(c) In any month in which measures pursuant to Section 4.1(a) are implemented, the Exhibit A Volume will apply only on a pro rata basis to those days of the month in which the allocation is not in effect. The Exhibit A Volume in any month following the month in which such measures cease shall be as provided in this Agreement.

4.2 Force Majeure.

SELLER and Affiliate will be excused from delay or nonperformance if they are unable to meet the demand for Products at their usual distribution points, for reasons including a refinery turnaround, unavailability of Products or an element or component necessary in the production or delivery of Products, unavailability of or interference with usual sources of Products or crude oils or other constituent materials, or the usual means of transporting any of the same. SELLER, Affiliate, or BUYER will be excused from their respective obligations under this Agreement to the extent that performance of any obligation is delayed or prevented by circumstances beyond the non-performing party's reasonable control, including the following: acts of God, acts of federal, state or local governments or agencies, compliance with requests, recommendations, laws or orders of any governmental authority or any instrumentality thereof, fire, explosion, mechanical breakdown, strikes, plant slow down or shutdown, riots or other civil disturbances ("Event of Force Majeure"). Promptly upon an Event of Force Majeure that will materially delay or prevent performance of a party, the party experiencing the Event of Force Majeure shall give notice to the other party specifying the nature of the Event of Force Majeure and the expected time that it will continue. Neither party shall be relieved of any obligation to pay any sums due on the basis of an Event of Force Majeure. If, due to any of the foregoing reasons, there should be a shortage of any Product from any source, SELLER and Affiliate shall not be obligated to purchase supplies from any other than their usual sources or to divert supplies in order to perform this Agreement and may allocate available supplies in their sole discretion among their customers and internal uses in any manner they find reasonable.

4.3 Indemnification.

To the fullest extent authorized under applicable law, except to the extent of SELLER's or Affiliate's sole negligence, SELLER's or Affiliate's willful misconduct, or SELLER's breach of this Agreement, BUYER agrees to indemnify, defend and hold harmless SELLER (including its directors, officers, agents, employees and Affiliate) from and against any and all claims, actions, liabilities, losses, costs and expenses (including reasonable attorneys' fees and expert witness fees) for or involving any property damage, personal injury, bodily injury, death, remediation or clean-up, fines, penalties, taxes, business interruption, or any other cause of action or claim of every nature or kind whatsoever, in any way arising out of or incident to or related to BUYER's purchase of Products under this Agreement or its sale or consignment of Products to any Branded Outlet, including, but not by way of limitation, any and all claims arising out of or based on (i) any breach by BUYER of any provision of this Agreement or of any duty owed by BUYER to SELLER, to Affiliate or to the public, (ii) BUYER's purchase, storage, use, sale, transportation, loading or unloading, delivery, or disposal of Products, including any claims in any way arising out of BUYER's or BUYER's agents, servants, employees, Operators, contractors, or carriers entering, leaving or being upon SELLER's premises (SELLER's premises as used herein shall mean any delivery point or any location where Products are made available to BUYER under this Agreement), (iii) any violation of any federal, state or local regulations, by BUYER or its agents, servants, workmen, employees, Operators, contractors, or carriers, (iv) any cleanup, remediation, or damages caused in whole or in part by any release or discharge of Products (or other pollutant or hazardous substance) by BUYER, or BUYER's agents, servants, employees, Operators, carriers, or contractors, (v) the use or occupancy of BUYER's Branded Outlet or a Branded Outlet, (vi) BUYER's or an Operator's operation of its business or the use, custody or operation of equipment owned by SELLER or Affiliate, or any other equipment, or BUYER's or its Operators' failure to perform any obligations hereunder, including but not limited to the obligations set forth in 5.5(c); (vii) any sale or consignment of Products to any Branded Outlet (including any dispute related to the terms of sale (e.g., price) or the condition, quantity, or quality of the Products sold), (viii) BUYER's breach of or failure to perform any contractual or other duty owed to an Operator or to any third person, or (ix) any intentional or unintentional violation by BUYER of any

legal duty, obligation, or requirement applicable to BUYER's business, BUYER's Branded Outlet, BUYER's storage, transportation, or sale of Products, or the disclosure or warning of risks associated with Products at BUYER's Branded Outlet or any Branded Outlet, (ix) for any or otherwise fines, penalties, damages, claims or assessments incurred by SELLER or Affiliate as a result of any violation or alleged violation of PCI DSS or any other applicable laws, rules and regulations pertaining to Transaction Cards and credit card security by BUYER or any Operator. To the extent that BUYER may be immune from any liability under or by virtue of any applicable industrial insurance or workers' compensation statute, BUYER agrees to waive such immunity to the extent such immunity would otherwise extend to its defense and indemnification obligations under this Agreement. The provisions of this Paragraph shall survive the termination or expiration of this Agreement.

4.4 Notice of Claim and Limitations on BUYER's Claims.

BUYER shall notify SELLER in writing of the exact nature of any nonconformity in the type, quantity, quality, or price of any Products delivered to or purchased by BUYER under this Agreement within thirty (30) calendar days after taking delivery of the Products. BUYER hereby waives any claim based on any such nonconformity, including any product defect, of which BUYER does not so notify SELLER. Should BUYER claim that any Product sold was in any way defective, BUYER shall promptly furnish samples of the Product claimed to be defective, but SELLER and Affiliate shall have the right to take their own samples, and BUYER shall preserve an adequate quantity of the Product for a reasonable period of time to allow SELLER and Affiliate to take such samples. In any event, SELLER and Affiliate shall not be liable for any claim in excess of the purchase price of the Product or for any special, indirect, incidental, or consequential damages of any kind, whether based in contract, tort (including negligence or strict liability), warranty or otherwise. Every notice of claim shall set forth fully the facts on which the claim is based.

4.5 Insurance.

Without limiting in any way BUYER's obligations and liabilities under this Agreement, BUYER shall procure and maintain at its expense, for the duration of the Term, the following insurance policies:

(a) Worker's Compensation and Employer's Liability covering the employees of BUYER for all compensation and other benefits required of BUYER by the Worker's Compensation law or other statutory insurance laws in the state having jurisdiction over such employees and the location of their employment with BUYER. Employer's Liability Insurance shall have limits of not less than Five Hundred Thousand Dollars ($500,000) per occurrence. The Workers' Compensation and Employer's Liability policies shall provide that all rights of subrogation against SELLER and its affiliates are waived when permitted by law.

(b) General Liability Insurance, including contractual liability, XCU (explosion, collapse and underground) hazards, premises and completed operations, and products liability, to cover liability for bodily injury and property damage, with a combined single limit of not less than Two Million Dollars ($2,000,000) per occurrence.

(c) Insurance for BUYER's garagekeeper's legal liability for property under BUYER's care, custody and control, where BUYER operates repair or lubrication bays at Branded Outlets, including coverage for fire, theft, or collision of automobiles, and including vandalism and malicious mischief with such insurance having limits of not less than One Hundred Thousand Dollars ($100,000); and

(d) Automobile Liability Insurance covering bodily injury including death, and property damage for the operation of owned, hired, or otherwise operated non-owned automotive equipment used in performance of the business of BUYER, with a single limit of not less than One Million Dollars ($1,000,000).

BUYER's insurance under Sections 4.5(b), (c), and (d) shall be endorsed to include SELLER and Affiliate as additional insureds with respect to liability arising out of BUYER's operations or any premises owned or leased by BUYER. BUYER shall furnish SELLER with certificates of insurance which document that all coverages and endorsements required by this Section 4.5 have been obtained. Renewal certificates shall be obtained by BUYER as and when necessary, and copies thereof shall be forwarded to SELLER as soon as same are available and in any event prior to the expiration of the policy so renewed. These certificates shall provide that the insurer shall give thirty (30) days written notice to SELLER prior to change or cancellation of any policy. In no event shall SELLER's acceptance of an insurance certificate that does not comply with this Section 4.5 constitute a waiver of any requirement of this Section 4.5.

5. USING, PROTECTING THE MARKS

5.1 Grant of License.

(a) Upon and subject to the terms and conditions of this Agreement, SELLER grants to BUYER thenon-exclusive and limited right to use the Marks in connection with the advertising, distribution, and resale of Products at the Branded Outlets owned, operated or supplied by BUYER, while this Agreement remains in effect. BUYER will use the Marks in strict accordance with this Agreement.

(b) Upon and subject to the terms and conditions of this Agreement generally and, specifically, the following, SELLER consents to BUYER's grant of use of the Marks to Operators for use, in strict accordance with this Agreement, in connection with the advertising and resale of Products at Branded Outlets operated by Operators, while this Agreement remains in effect:

(1) BUYER represents that each Operator as of the date of this Agreement has been identified and disclosed to SELLER. BUYER agrees to disclose to SELLER, and obtain SELLER's prior approval of, any other party to whom BUYER desires to sublicense the Marks during the Term.

(2) SELLER has the right, and not the obligation, to approve the grant of use of the Marks to any Operator. SELLER will not unreasonably withhold its approval, but BUYER agrees that in making its decision to approve an Operator, SELLER may consider all factors relevant to the protection of SELLER's or Affiliate's rights to, and preservation of the brand value of, the Marks including, but not limited to:

(i) the location, appearance, operations, volumes, canopies, dispensers, payment card readers and other improvements, facilities or equipment of any retail location(s) that will become Branded Outlets;

(ii) the then-current image and identification standards for the Brand proposed for the location;

(iii) SELLER's and Affiliate's marketing strategies and development plans; and

(iv) Geographic density.

BUYER agrees not to enter into any agreement, relationship or arrangement for the supply of Products to, or the use of the Marks by, any third party until SELLER has approved the third party as an Operator.

(c) SELLER's approval notwithstanding, Exhibit B shall not list, add, or be amended with respect to add any Branded Outlet of any Operator unless BUYER shall have delivered to the Operator copies of SELLER's or Affiliate's then-current Credit Card Handbook, the then-current image and identification standards for the Brand proposed for the location, and SELLER or Affiliate's then-current appearance and customer service objectives and expectations for Branded Outlets. If the Operator will use the STP® mark and related logos, BUYER shall also deliver to the Operator a copy of the then-current STP® Program rules attached as Exhibit "C" to this Agreement and incorporated herein by reference ("STP® Program Rules"). BUYER may deliver the above-referenced information to Operator by referring Operator to an appropriate web site where the above-referenced information has been posted by SELLER or Affiliate.

5.2 Rights and Benefits Derivative.

BUYER acknowledges that all of its rights to display, use and sublicense the Marks are derived from this Agreement, and that BUYER's use and the use by Operators of the Marks shall inure fully to the benefit of SELLER. BUYER acknowledges that the Marks are a valuable and important property right of SELLER or Affiliate and BUYER agrees to refrain, and to cause the Operators to refrain from any action to infringe upon or dilute SELLER's and Affiliate's rights to the Marks.

5.3 Limitations on Scope of License.

No right to use any variant of the Marks is granted under this Agreement. Neither BUYER nor any Operator shall use any of the Marks as part of a company name, or the name of any subsidiary now existing or acquired later. Neither BUYER nor any Operator shall use any of the Marks in connection with any advertisement or other display that, in SELLER's sole judgment, is likely to cause confusion as to the ownership of the Marks or reflects unfavorably upon SELLER's or Affiliate's reputation, business, or any of their Brands. **SELLER has the exclusive right to determine which Marks will be available to each Branded Outlet, and the manner in which the Marks will be used or displayed at each Branded Outlet.**

5.4 Image and Identification Standards.

While this Agreement remains in effect, BUYER agrees to:

(a) use, and to cause the Operators to use, the Marks in strict compliance with this Agreement and the image and identification standards established from time to time by SELLER for the Marks. BUYER acknowledges that BUYER has received, read, and understands SELLER's image and identification standards for the Marks, as published via SELLER's and Affiliate's web portals for branded jobbers. SELLER reserves the right to change, from time to time, all or part of its image and identification standards, effective ten (10) days after written notice of the changes is given to BUYER.

(b) cause the Branded Outlets and the Operators to store only Products in Branded Outlet storage tanks and receptacles, dispense only Products from Branded Outlet dispensers, refrain from the dilution, adulteration, mixture or blending of Products with any other product or substance, whether supplied by SELLER or another party, and otherwise to refrain from the commingling of Products with other petroleum products, whether branded or unbranded, including but not limited to SELLER's or Affiliate's unbranded petroleum products.

The Parties agree that only the Brand of Products identified in Exhibit B as approved for sale at each Branded Outlet may be sold to the public at Branded Outlets, unless required by law or by written approval of SELLER. The Parties further agree that the adulteration of Products, the misbranding as Products of petroleum products from a source other than SELLER and Affiliate, the sale of a Brand of Product other than the Brand approved for sale at the Branded Outlet as set forth on Exhibit B, or the misbranding of unbranded gasoline as Products at any Branded Outlet, constitutes grounds for termination or non-renewal of this Agreement under the PMPA. If gasoline or diesel products other than the Products are allowed to be sold at a Branded Outlet, all such products must (i) be clearly identified to SELLER's sole satisfaction as NOT being SELLER or Affiliate branded Products and, (ii) unless otherwise allowed by law, be sold out of dispensers not located under a branded canopy.

(c) notify SELLER and take immediate corrective action upon discovery of any Product commingling, adulteration, dilution, mixing, blending, or misbranding, regardless of source, and regardless whether discovered by BUYER, SELLER, Affiliate or an Operator.

5.5 BUYER Property and Websites.

(a) BUYER may use the Marks, in strict compliance with this Agreement and the identification standards established from time to time by SELLER and Affiliate for the Marks, in conjunction with BUYER's websites, business forms, advertising materials, vehicles and other property related to the advertising, distribution or sale of Products, provided BUYER is clearly identified as a "jobber" or otherwise as a distributor of Products in connection with such use. SELLER has the right to approve any such use of the Marks in advance and revoke its approval at any time and for any reason.

(b) In connection with transporting and delivering Products to Branded Outlets, BUYER may use a transport, delivery vehicle or tankwagon which does not carry the Marks; provided that, other than the trademark, trade name, logotype, or other identification of BUYER, such vehicle shall not bear the trademark, trade name or other identification of any other gasoline or related products refiner, marketer or distributor.

(c) Site Approval and Marks Revocation; De-Branding. SELLER will have the right to revoke its prior approval identifying Branded Outlet if the site no longer conforms to or fails to conform to: the terms or conditions of this Agreement and related agreements; SELLER's then current image programs or standards (both operational and visual), as amended from time to time. BUYER agrees that its right to use the Marks under this Agreement will be subject to SELLER's and Affiliate's then-current retail marketing strategies and development plans, as amended from time to time. SELLER may, but is not obligated to, give conditional approval to display the Marks before all standards are implemented at a Branded Outlet. In such event, SELLER will have the right to revoke its prior approval or any conditional approval identifying a Branded Outlet if after six months from such conditional approval, the site is not fully identified with approved Marks or sites are not equipped with required equipment. If SELLER revokes its approval to use the Marks at any Branded Outlet, BUYER will immediately cease using or displaying, or cause its Operator to cease using or displaying the Marks at that location, including obliterating the Marks such that a reasonable consumer would not be misled as to the identity, brand and origination of the products being sold at such location. BUYER agrees to bear the full costs associated with causing its Operators to cease using or displaying the Marks, and to fully reimburse SELLER and Affiliate in the event that SELLER and Affiliate incur costs and expenses, including attorneys' fees, in

association with causing BUYER and BUYER's Operators to cease using or displaying the Marks. SELLER will also have the right, at any time and for any reason, to revoke its prior approval to use certain or all of its Marks at certain or all Branded Outlets (or at certain locations at an approved Branded Outlet) and, where applicable and in its sole discretion, to substitute any other Marks in their place.

5.6 Signs.

(a) SELLER may, but is not obligated to, provide to BUYER and the Operators, for use on buildings, dispensers, canopies, valance skirts, and other equipment at Branded Outlets, such Brand Signage and related items bearing the Marks as SELLER deems necessary, and on such terms and conditions as SELLER may establish from time to time. BUYER will locate and display all Brand Signage at the Branded Outlets in compliance with SELLER's image and identification standards for branded retail outlets then in effect and as amended from time to time.

(b) If SELLER supplies to BUYER Brand Signage incorporating the STP® mark or STP® logo, BUYER's use of such Brand Signage shall be subject to the STP® Program Rules. Moreover, BUYER agrees and acknowledges that in such case, BUYER's right to use the STP® mark or STP® logo at any specific Branded Outlet (including BUYER's right to enter into trademark use agreements with Operators governing use of the STP® mark or STP® logo) is contingent upon the continuation of SELLER's license to these marks from the owner of the STP® mark with respect to the specific Branded Outlet at issue, and upon termination of such license by the owner of the STP® mark in total, or with respect to the specific Branded Outlet at issue, BUYER's use of such Brand Signage will terminate and be of no force or effect, either in total or with respect to the specific Branded Outlet at issue.

(c) Unless otherwise agreed in writing by SELLER and BUYER, any Brand Signage provided by SELLER to BUYER or an Operator at any time shall be and shall remain the property of BUYER. BUYER shall not relocate any Brand Signage furnished by SELLER from one Branded Outlet to another, or to any other retail location, without SELLER's prior written consent.

(d) BUYER shall be responsible for all of the costs and expenses of maintenance and operation of all Brand Signage. BUYER agrees to keep, and to cause each Operator to keep, all Brand Signage in good repair and condition at all times.

(e) Prior to the sale, lease or other disposition of a Branded Outlet upon which Brand Signage owned by SELLER (if any) is located, BUYER will, or will cause the Operator of the Branded Outlet to inform the other party to such transaction of SELLER's ownership thereof.

5.7 Use of Confidential Information.

SELLER and Affiliate may make available to BUYER certain Confidential Information. BUYER shall not use the Confidential Information for any purpose other than the performance of BUYER's obligations under this Agreement. BUYER agrees that it shall return all Confidential Information to SELLER after termination of this Agreement, and agrees further that during the Term, BUYER shall not disclose or provide any Confidential Information to third parties and shall take precautions to guard against the inappropriate disclosure of Confidential Information to third parties by BUYER's officers, directors, employees, agents, and representatives.

5.8 Change of Brand.
In addition to the provisions of Section 5.4 concerning Image and Identification Standards, SELLER has the right, on One Hundred Eighty (180) days prior written notice, to change the Brand set forth in Exhibit B for any Branded Outlet supplied by BUYER under this Agreement. If a rebranding of a Branded Location is required under this Section 5.8, SELLER and BUYER will negotiate and agree to the terms of an incentive program applicable to such rebrand.

5.9 Nonexclusive Distributor.

BUYER is a nonexclusive distributor of the Products specified in this Agreement. BUYER's right to sell any Product and BUYER's right under this Agreement to use or further grant the use of the Marks is not exclusive and BUYER has no exclusive territory. SELLER and Affiliate specifically reserve, without limitation, the unqualified right to sell and distribute the Products and other branded products and to directly compete with BUYER and Branded Outlets and to establish, either directly or through other jobbers, wholesalers and distributors, gasoline outlets and facilities, whether using the Marks, other brands or no brand.

5.10 Independent Business Relationship.

This Agreement does not establish a partnership, joint venture, or fiduciary relationship between the Parties. BUYER is, and at all times shall remain, an independent contractor, and shall not make any representations or take any action which might establish any actual or apparent agency, joint venture, partnership, or employment relationship with SELLER or Affiliate, and SELLER and Affiliate shall not be obligated in any manner by any agreements, warranties, or representations made by BUYER to third parties. Nothing in this Agreement shall be construed as reserving to SELLER or Affiliate any right to exercise any control over, or to direct in any respect the conduct or management of BUYER's or its Operators' businesses or operations related to this Agreement.

6. PRESERVING BRAND VALUE

6.1 Appearance and Customer Satisfaction.

BUYER acknowledges that the appearance of, and customer experience at, every Branded Outlet reflects on the good will value of the Brands to every customer, SELLER and Affiliate, and are essential to the reputation of the Marks, Brands and Products. BUYER accordingly agrees, and agrees to cause the Operators, while this Agreement remains in effect, to:

(a) fulfill, at each Branded Outlet, the appearance and customer service objectives and expectations established from time to time by SELLER for its branded outlets, including those set forth in Section 6.2, below;

(b) refrain from use, and from allowing the use, of any Branded Outlet for sale, use, storage, rent, display, or offering of:

(1) pornographic or sexually explicit magazines, videotapes, compact disks, digital video disks, electronic and digital media, and similar literature or items of merchandise;

(2) illegal gambling, illegal gaming, or any gaming that, in SELLER's sole judgment, may constitute an unlawful activity, regardless of whether such sale, use, storage, rent, display or offering is lawful, including without limitation, such activities at a facility that may be confused by the consuming public as associated with the Branded Outlet;

(3) scheduled or controlled substances, illegal drugs and any item that, in SELLER's sole judgment, would have the potential to negatively impact its brand reputation or is analogous to a scheduled or controlled substance, regardless of its labeling and regardless whether its sale, use or distribution is lawful, including but not limited to, substances known or marketed as synthetic drugs, "spice", "herbal incense", "K2", "bath salts" or the like; and

(4) any item that, in SELLER's sole judgment, is intended or designed for use in ingesting, inhaling, or otherwise consuming an illegal drug or for manufacturing or processing of an illegal drug, including but not limited to, pipes, tubes, roach clips, instructions or descriptive materials, or containers for concealing illegal drugs or drug paraphernalia;

(c) refrain from charging unlawful prices for Products sold during a declared or undeclared crisis or emergency; and

(d) train employees and establish and enforce reasonable controls, procedures and safeguards for the detection and prevention at the Branded Outlets of:

(1) skimming, identity theft, and other forms of fraud involving the use of Transaction Cards; and

(2) the sale of tobacco or alcohol content products, and any otherage-restricted products, to underage customers.

For the avoidance of doubt, the appearance and customer service objectives and expectations of SELLER in effect on the date of this Agreement are represented by the requirements of this Agreement and by "mystery shop" assessments conducted pursuant to SELLER's and Affiliate's then-existing guidelines, including as set forth in the then-current "Customer First Improvement Program" or any similar program then in effect. SELLER reserves the right to change, from time to time during the Term, the appearance and customer service objectives and expectations, to change the terms and conditions of, and manner of implementing the "Customer First Improvement Program" guide or any similar guide of its Affiliate (as well as all "mystery shop" assessments), to discontinue the "Customer First Improvement Program", and to institute other programs and assessment methods in furtherance of SELLER's appearance and customer service objectives and expectations, provided that such changes shall be applicable to all members of SELLER's branded jobber class of trade.

6.2 Operation of Branded Outlets.

BUYER shall at all times operate, or cause the Operators to operate, each Branded Outlet in accordance with the standards of operation and appearance which SELLER may from time to time specify to protect SELLER's and its Affiliate's goodwill and the value of the Marks and Brands. In the absence of any other written specification or standard to the contrary which may be issued by SELLER, BUYER shall at all times operate, or cause the Operators to operate, each Branded Outlet in accordance with the following standards of operation and appearance, but the means and manner of performance shall be within the sole discretion of BUYER or its Operators:

(a) Merchandising. BUYER shall diligently and efficiently merchandise and promote the Products which may be offered for resale under the Marks. Branded Outlets shall not display or offer merchandise or paraphernalia, which SELLER, in its sole discretion, deems morally offensive or distasteful to the general public.

(b) Service Work. All service work, if any, shall be done in such a manner as not to disparage the Marks or the goodwill of the Brand or Marks.

(c) Staffing. Branded Outlets shall maintain an adequate and competent staff of employees, considering the volume and nature of the business activity, to meet the standards specified in this Paragraph.

(d) Customer Complaints. BUYER or its Operator shall conduct the operations of the Branded Outlet in a professional and business-like manner in order to avoid customer complaints. BUYER and the Operator shall, within ten (10) days, courteously respond to any customer complaints received.

(e) Maintenance – Housekeeping. Branded Outlets and equipment (including adjacent sidewalks and driveways, easements and all landscaped areas) shall be maintained in good condition and repair, and restroom shall be neat, clean and well maintained.

(f) Vehicles – Other Mobile Equipment. Branded Outlets shall be kept clear of vehicles, other mobile equipment and obstructions, which may restrict traffic flow, endanger customer safety or detract from appearance.

(g) Uniforms. Branded Outlet personnel shall wear neat, clean clothing of a consistent type and style, with name tags prominently displayed at all times.

(h) Lighting. Sufficient lighting and illuminated signs to provide full visibility of the Branded Outlet, including enclosed areas, at all times while open for operation shall be used.

(i) Signs. Except as may otherwise be required by law, or in compliance with SELLER's trademark or trade dress requirements, the Branded Outlets shall not display any signs, posters, flags, pennants or other advertising devices without SELLER's prior written consent, and shall in no event place such signs in a position which would block any view of the Marks.

(j) Image. Branded Outlets shall be maintained in compliance with the trademark and trade dress requirements provided by SELLER, and which SELLER may change from time to time. Within one hundred eighty (180) days after execution of this Agreement, BUYER agrees that all Branded Outlets shall have, at BUYER's expense, completed all renovations, improvements, or upgrades necessary to conform to and comply with the then current trademark and trade dress standards and specifications provided by SELLER.

(k) Reputation; Publicity. BUYER and its Operators must at all times operate Branded Outlets in a manner that promotes the favorable reputation of SELLER, its Affiliate, the Marks, the Products and the Brands. If, in SELLER's sole judgment, a Branded Outlet gains a negative reputation or generates negative publicity in the general or social media for reasons including, but not limited to, excessive instances of customer fraud, multiple instances of skimmers discovered on dispensers, loitering, crimes against persons or property, unsafe conditions, discrimination and other situations likely to impact the reputation and goodwill of SELLER or its Affiliate, SELLER reserves the right to require the de-branding of such Branded Outlet in accordance with Section 7 of this Agreement.

6.3 Assessments.
BUYER acknowledges that BUYER has received, read and understands, and will ensure that each Operator has received, read and understands SELLER's "Customer First Improvement Program" guide, as such guide may be amended from time to time, or the analogous guide associated with Brands being offered to BUYER (each an "Assessment Guide"). If a "mystery shop" or other assessment of a Branded Outlet indicates that SELLER's appearance and customer service objectives and expectations are not being fulfilled at a Branded Outlet, BUYER agrees to promptly take, or to cause the Operator of the Branded Outlet to take, any corrective measures recommended by SELLER and reasonably related to the improvement of customer service at, or the appearance of, the Branded Outlet. BUYER agrees that the failure of any Branded Outlet to achieve a satisfactory score on "mystery shop" or other assessments of the Branded Outlet due to causes reasonably related to the improvement of appearance or customer satisfaction at the Branded Outlet, as described further in the applicable Assessment Guide, is a failure to fulfill SELLER's appearance and customer service objectives and expectations. SELLER reserves the right to charge BUYER for all or a portion of the cost incurred in conducting any "mystery shop" or other assessments, including the cost of follow-up compliance assessments to evaluate cure actions, at the Branded Outlets, as set forth in the Assessment Guides.

6.4 Care and Handling of Products; Product Quality Assurance.

BUYER acknowledges that the quality of the Products at every one of the Branded Outlets reflects on the goodwill value of the Brands, and are essential to the reputation of SELLER, Affiliate, the Marks, the Products and the Brands. BUYER accordingly agrees, and shall cause each Operator, to:

(a) establish, for the Branded Outlets, procedures for the routine inspection and sampling of above ground and underground storage tanks (including, but not limited, to fill caps and gaskets) and dispenser filters, to detect the presence of excessive water or sediment levels, microbiological growth, equipment damage, or other potential causes of Product contamination;

(b) take immediate corrective action upon discovery of any defective Products at a Branded Outlet, regardless of cause, and regardless whether discovered by BUYER, SELLER, Affiliate or an Operator, and discontinue the sale of defective Products immediately upon discovery;

(c) refrain from the sale of Products which do not comply with applicable Reid Vapor Pressure, oxygenated gasoline, low-sulfur diesel, and reformulated gasoline standards;

(d) comply with all applicable laws, regulations and ordinances (1) relating to the storage, transportation, dispensing, and sale of the Products; or (2) otherwise relevant to the operation of motor fuel retail outlets;

(e) keep all dispensers, dispenser filters, pumps, nozzles, tanks (including but not limited to fill caps and gaskets), hoses, Stage II Vapor Recovery equipment (where applicable) and other equipment designed and intended for the storage, dispensing, and sale of the Products clean and in good working condition at all times;

(f) periodically train BUYER employees and Operator employees in handling, sampling, and oversight for "Reid Vapor Pressure", oxygenated gasoline, low-sulfur diesel, and reformulated gasoline standards compliance; and

(g) to take, or to cause the Operator of a Branded Outlet to take, any corrective measures recommended by SELLER or Affiliate and reasonably related to the cure of non-compliance with product quality assurance expectations at the Branded Outlet.

The product quality assurance expectations of SELLER in effect on the date of this Agreement are represented by the requirements of this Agreement and by SELLER's "Product Quality Assurance Program" guide, as may be amended from time to time. From time to time during the Term, SELLER reserves the right to change its product quality assurance expectations, to change the terms and conditions of, and manner of implementing the "Product Quality Assurance Program" (including, but not limited to, reviews of the Branded Outlets conducted in connection with such product quality assurance expectations), to discontinue the "Product Quality Assurance Program", and to institute other programs and review methods in furtherance of SELLER's product quality assurance expectations.

6.5 Transaction Cards.

(a) If SELLER or Affiliate elects to issue its own or accept specified third party credit cards, debit cards, fleet cards, credit identifications, or other transaction authorization cards, including electronic or mobile, virtual or biometric payment methods in the marketing area in which Branded Outlets are located, BUYER shall honor, and shall cause the Operators to honor, all such Transaction Cards at all Branded Outlets, and account for all such transactions, in strict compliance with the provisions of this Agreement, the issuers of any such Transaction Cards and any Transaction Card procedures and requirements furnished to BUYER included in the then current guidance provided or made available to BUYER for use of BUYER and the Operators and pertaining to the specific Brand authorized by SELLER for use at each Branded Outlet, as amended from time to time ("Credit Card Handbook"). BUYER acknowledges and agrees that there may be one Credit Card Handbook applicable to Branded Outlets operated under the MARATHON® Brand, and a separate Credit Card Handbook applicable to Branded Outlets operated under the ARCO® Brand. SELLER and Affiliate shall accept from BUYER all authorized invoices or transactions based on Transaction Cards, and, at SELLER's or Affiliate's option, shall pay the amount of the invoice or transaction to BUYER by check, credit the amount to BUYER's bank account electronically or set off the amount against BUYER's account, in each case after deducting any service charge to BUYER in effect under the then current Credit Card Handbook. For each invoice or transaction or portion thereof which is not authorized, which is for any reason disputed by the customer, or which is otherwise subject to chargeback by the issuer or under the Credit Card Handbook, SELLER or Affiliate may either charge the invoice or amount to BUYER's account or require BUYER to make immediate refund of the invoice amount, including refund by draft or EFT or other electronic or digital means initiated by SELLER or Affiliate without deduction for any service charge previously earned thereon by SELLER or Affiliate. SELLER or Affiliate may at its option and without limitation of any other rights or remedies available to it under the Agreement or otherwise, limit or cancel the right of BUYER or any Operator to participate in the program for Transaction Cards. BUYER (i) acknowledges that the Credit Card Handbook and any revision thereof have been made available to BUYER, and (ii) shall comply with SELLER's and Affiliate's procedures as set forth in the Credit Card Handbook and in any future revision thereof. SELLER and Affiliate may also, without limitation of any other rights or remedies available to it under this Agreement or otherwise, charge and collect from BUYER any and all fines or fees referenced in the Credit Card Handbook. BUYER shall be responsible for and shall not be paid for any chargebacks, regardless of fault. BUYER shall be responsible for compliance and shall ensure compliance at all Branded Outlets with all applicable Payment Card Industry Data Security Standards ("PCI DSS") and any other applicable laws, rules and regulations pertaining to any Transaction Card and credit card security, as further set forth in the Credit Card Handbook.

(b) Point of Sale Equipment and Software. SELLER and Affiliate may issue, amend, or otherwise modify certain policies or requirements pertaining to BUYER's and the Operators' acceptance of Transaction Cards or payment methods. BUYER agrees to comply with such policies or requirements as may be issued or modified. Without limitation, such policies or requirements may require BUYER to purchase, lease and install at all Branded Outlets approved electronic point-of sale equipment, hardware, and software, and to comply with all rules or requirements that may be issued by an approved third-party processor. All payment points at the Branded Outlets will have near field communication capability. SELLER or Affiliate may sell, loan, or license to BUYER and the Operators certain POS software or hardware, and, in such event, BUYER acknowledges, and shall cause the Operators to acknowledge, that BUYER and the Operators shall have no right, title or ownership interest in any such POS software or hardware, that such software and hardware is proprietary, and that BUYER and the Operators shall not reverse engineer, decompile, disassemble or otherwise attempt to derive the source code for such POS software or hardware, or in any way alter its intended functionality. BUYER agrees to pay additional costs or fees associated with the purchase, loan, operation of the POS equipment or software by BUYER or Operators, including but not limited to, the price of the equipment, costs associated with satellite connections, telecommunications charges, and installation and upgrading of POS equipment or software. BUYER shall be responsible for repair and maintenance of such equipment and software. SELLER or Affiliate may provide managed network services at BUYER's expense. BUYER shall ensure access to all Branded Outlets for such services.

(c) BUYER acknowledges that (1) BUYER has received, read and understands the Credit Card Handbook(s) in effect on the date of this Agreement; and (2) current versions of the Credit Card Handbooks are accessible in electronic form via SELLER's Marketing portal, whether the eMpowered portal, TSO Connect, or another such portal as may be developed from time to time. SELLER reserves the right to revise or consolidate the Credit Card Handbooks from time to time.

(d) BUYER will ensure that each of BUYER's Operators receives, reads and understands these rules, regulations, requirements and procedures for accepting and processing Transaction Card receipts in effect from time to time and set forth in the applicable Credit Card Handbooks.

(e) BUYER WILL USE, AND WILL ENSURE THAT EACH OPERATOR USES:

(1) POINT OF SALE EQUIPMENT AND ASSOCIATED SOFTWARE THAT HAVE BEEN CERTIFIED BY SELLER OR AFFILIATE FOR ELECTRONICALLY SUBMITTING RECEIPTS FOR TRANSACTION CARD SALES TRANSACTIONS TO SELLER'S OR AFFILIATE'S PROPRIETARY PAYMENT CARD SYSTEM; AND,

(2) SELLER'S OR AFFILIATE'S PROPRIETARY PAYMENT CARD SYSTEM FOR THE PROCESSING RECEIPTS FOR ALL TRANSACTION CARD TRANSACTIONS INVOLVING BRANDED PRODUCTS.

SELLER and Affiliate may from time to time provide software updates for use with certified point of sale equipment. BUYER will install, and ensure that each Operator installs, such updates in a timely manner.

(f) BUYER acknowledges and agrees that fraud resulting from theft, copying, skimming or other compromise of the security and privacy of electronic information contained in Transaction Cards processed at any of the Branded Outlets reflect negatively on SELLER, Affiliate, the Marks, the Brands and the reputation of the Products, such that prevention thereof is reasonable and of material significance to the relationship between the Parties.

(g) BUYER agrees that SELLER and Affiliate shall have the right, but not the obligation, to withhold amounts due under this Agreement to BUYER and its Operators for Transaction Card receipts, and apply such amounts toward the payment of any indebtedness owed by BUYER to SELLER, Affiliate or their subsidiaries.

(h) BUYER agrees to accept any and all gift cards offered by SELLER and Affiliate from time to time, regardless of the Brand displayed on such gift cards and regardless of whether such gift card is formatted as plastic, paper, electronic, virtual, biometric or otherwise.

7. TERMINATION, NONRENEWAL, REVOCATION OF APPROVAL

7.1 Termination/Revocation of Approval.

(a) BUYER's use of the Marks in connection with the sale of Products from or supply of Products to Branded Outlets is subject to and governed by the PMPA. Nothing in this Agreement should be interpreted to limit in any way the right of SELLER to terminate or non-renew its relationship with BUYER for any reason authorized by the PMPA. SELLER's right to terminate or non-renew its relationship with BUYER under the PMPA shall be in addition to any and all other rights and remedies otherwise available to it under this Agreement or otherwise.

(b) SELLER has the right to revoke its approval of the use of the Marks and Brand Signage at any Branded Outlet that is not in compliance with (i) the terms and conditions of this Agreement relating to the use of the Marks and Brand Signage, (ii) SELLER's then current image and identification standards, or (iii) then-current appearance and customer service objectives and expectations.

(c) Revocation of SELLER approval of any Branded Outlet does not constitute a waiver, abandonment, or modification of SELLER's rights under any restrictive deed covenant associated with such Branded Outlet, nor does it constitute a termination or nonrenewal of this Agreement or the relationship between SELLER and BUYER.

(d) SELLER has the right to revoke its approval of the use of the Marks by any Operator determined by SELLER at any time during the Term as: (i) being identified on, or as having a shareholder, member, owner or group of owners of a controlling interest, director, officer, employee, agent, representative, or contractor identified on, the SDN List, or on any other such list maintained by the U.S. Government from time to time, or (ii) having terminated its contractual relationship with BUYER for the supply of Products.

(e) Abandonment; Temporary Closure. If a Branded Outlet is abandoned, not operated, ceases processing Transaction Cards on the SELLER proprietary payment card system, or is no longer supplied by BUYER, or if a sufficient amount of all applicable grades of Products are not continuously offered for sale at a Branded Outlet for seven (7) consecutive days, or such lesser period which under the facts and circumstances constitutes an unreasonable period of time, BUYER must notify SELLER, immediately de-identify the Branded Outlet, and then notify SELLER of the de-identification. If BUYER indicates that it would like to place such a Branded Outlet on "Temporary Closed" status to bring the Branded Outlet back into compliance with this Agreement, SELLER, in its sole discretion, may grant BUYER up to one hundred eighty (180) days to do so. In no event will this period last longer than one hundred and eighty (180) days. In the event a Branded Outlet goes on "Temporary Closed" status, BUYER will cover the Marks displayed at the Branded Outlet in such a way as to indicate that the location is not currently offering Products. In addition, BUYER will ensure that a Temporary Closed location is maintained in a neat and clean manner, and will prohibit the storage of motor vehicles, the accumulation of rubbish, the establishment of temporary human living encampments and all other conditions not found at an operational Branded Outlet.

(f) Unless otherwise agreed by the Parties, no termination of this Agreement or nonrenewal of the relationship between them, by mutual agreement or otherwise, shall release the obligations of the Parties under any Improvement Agreement, Master Agreement, Conversion Agreement, Branding Agreement, Rollover Agreement, Wholesaler Assistance Agreement or similar incentive agreement between the Parties, however denominated, and whenever executed.

(g) BUYER hereby acknowledges that Arie Kotler and Chris Giacobone ("each a "Keyperson" and together "Keypersons"") is a stockholder, member, partner, owner, or key employee of BUYER and that the active continuing involvement of Keypersons in the business affairs of BUYER is essential to the success of BUYER and the performance of BUYER's obligations under this Agreement. Accordingly, the parties agree that SELLER shall have the right, upon ninety (90) days' prior written notice to BUYER, to terminate or non-renew this Agreement in the event that any of the following events shall occur: (i) Keypersons dies or becomes incapacitated; (ii) Keypersons leaves the employ of BUYER or otherwise terminates his or her relationship with BUYER; (iii) Keypersons divests his or her stock, membership, partnership, or ownership interest in BUYER; or (iv) the death or incapacity of any other member, partner or owner of BUYER, excluding, if BUYER is a corporation, the death or incapacity of the beneficial owner(s) of less than a majority of BUYER's voting stock. BUYER and SELLER agree that the occurrence of any one of such events is an event relevant to and is a ground for termination or non-renewal of the relationship between SELLER and BUYER. In the event that any of the foregoing events should occur, BUYER shall promptly provide SELLER with written notice thereof.

7.2 BUYER's Debranding Obligations.

Upon termination of this Agreement or nonrenewal of the relationship between SELLER and BUYER, or in the event of the revocation of SELLER's approval of the use of the Marks at any Branded Outlet or by any Operator, BUYER will, or will cause the Operator to, as applicable, immediately comply with SELLER"s and Affiliate's debranding guidance, including but not limited to taking the following actions:

(a) cease the use and display of the Marks and Brand Signage at any Branded Outlet that is subject to such termination, nonrenewal or revocation;

(b) remove, obliterate or permanently paint over (in color(s) which shall not be confused with SELLER's colors) all Brand Signage and other items, at any such Branded Outlet, bearing any of the Marks (including the STP Marks, and whether used on buildings, dispensers, canopies, valance skirts, equipment, tanks, trucks, automobiles, websites or stationery and other business documents);

(c) at BUYER's expense, destroy all Brand Signage and certify to SELLER, in writing, that BUYER has complied with such requirement; and

(d) discontinue use of SELLER's and Affiliate's proprietary payment card system and, with respect to Transaction Card processing, comply with the debranding guidelines set forth in the Credit Card Handbook as amended from time to time.

7.3 SELLER's Debranding Remedies.

If, upon termination of this Agreement or nonrenewal of the relationship between SELLER and BUYER, or in the event of the revocation of SELLER's approval of the use of the Marks and Brand Signage at any Branded Outlet or by any Operator, BUYER or such Operator shall fail or refuse to comply with the requirements set forth in Section 7.2, BUYER agrees that SELLER may take such action as may be reasonably necessary to terminate use and infringement of the Marks and to obtain possession of its

Brand Signage and other property including, but not limited to, the right to enter upon Branded Outlet premises and remove or obliterate all or any part of the Brand Signage and Marks, which actions shall be at BUYER's cost and expense, including payment of attorneys fees and other legal costs incurred in taking such action.

8. ASSIGNMENT

8.1 Assignment by BUYER.

This Agreement is personal to BUYER and BUYER shall not, subject to any valid requirements of any applicable statute, assign any rights or delegate any duties that BUYER may have under this Agreement, either voluntarily, involuntarily or by operation of law, or otherwise, without the prior written consent of SELLER. BUYER shall advise SELLER in writing of any proposed assignment, and shall provide SELLER such information and documentation relating to the proposed assignment and assignee as SELLER may reasonably require, including a fully completed BUYER Application in SELLER's then-current form, together with all financial statements and other attachments designated in such application. BUYER agrees and acknowledges that any attempted or purported assignment or transfer of this Agreement without SELLER's knowledge or SELLER's prior written consent shall be of no effect as to SELLER and may result in the termination of this Agreement and the non-renewal of any franchise relationship.

8.2 Change in Control of BUYER.

This Section 8.2 applies if BUYER is a corporation, limited liability company, or partnership. Any sale, conveyance, alienation, transfer or other change of interest in or title to or beneficial ownership of any voting stock of BUYER (or securities convertible into voting stock of BUYER) or other voting, profit, capital or partnership interest of BUYER, which results in a change in the control of BUYER, whether voluntarily or by operation of law, merger or other corporate proceedings, or otherwise, shall be construed as an assignment of BUYER's rights under this agreement. A change in the control of BUYER shall be deemed to occur whenever a party gains the ability to influence the business and affairs of BUYER directly or indirectly. A party who owns 25 percent or more of the voting stock of BUYER (or securities convertible into such voting stock) or other voting, profit, capital or partnership interest of BUYER, shall be deemed to have such ability. In the case of a limited partnership, a party who owns 25 percent or more of the general partner interest in the limited partnership shall also be deemed to have such ability.

Thus, for example, any of the following would constitute an assignment of BUYER's rights under this agreement and require SELLER's prior written consent:

(a) If BUYER is a corporation:

(1) Transfer of 25 percent or more of the voting stock of BUYER.

(2) Transfer of a lesser percentage of such stock to an existing stockholder who thereby would own 25 percent or more of BUYER's voting stock.

(3) Transfer of a lesser percentage of such stock which as a practical matter results in a change in the control of BUYER.

(b) If BUYER is a partnership:

(1) Transfer of 25 percent or more of the beneficial interest in BUYER.

(2) Transfer of 25 percent or more of the general partner interest in BUYER.

(3) Transfer of a lesser percentage of such interests in BUYER to an existing partner who would thereby own 25 percent or more of the total partnership or 25 percent or more of the general partner interest in BUYER.

(4) Transfer of a lesser percentage of such partnership interests which as a practical matter results in a change in the control of BUYER.

8.3 Assignment by SELLER.

SELLER and Affiliate shall have the right at any time to assign its rights and delegate their respective duties under this Agreement without BUYER's consent. In the event of any such assignment by SELLER, the prices to be paid by BUYER pursuant to this Agreement shall be such prices as may be set in good faith by the assignee. In the event of SELLER's assignment of its rights and obligations under this Agreement, BUYER agrees that SELLER shall have no further liability to BUYER after the effective date of such assignment and delegation, and all references to "SELLER" in this Agreement shall be substituted with the name of the party to whom this Agreement has been assigned. In the event of SELLER's assignment to a supplier of brands other than the Brands authorized under this Agreement, an alternate brand or brands shall be substituted in the definition of "Brand" and "Marks" in this Agreement.

8.4 No Release.

Any such assignment or other transfer by BUYER or SELLER shall not relieve BUYER or SELLER of their obligations under this agreement.

9. MISCELLANEOUS

9.1 Compliance With Laws.

(a) BUYER agrees to comply, and to cause its Operators to comply, with all federal, state and municipal laws, rules, regulations, permits and court orders or decrees ("Laws") applicable to BUYER or the subject matter of this Agreement. Without limiting the foregoing, BUYER shall comply with all requirements of federal, state and local occupational, health and safety agencies, and environmental protection agencies, concerning the receipt, storage and dispensing of petroleum products, the disposal of waste materials, and other activities at BUYER's Branded Outlets. BUYER agrees that it will cause its Operators to comply with Laws applicable to Operator's business at the Branded Outlets.

(b) BUYER agrees to comply with the USA Patriot Act, Homeland Security Act and Executive Order No. 13224 dated September 24, 2001 and the sanctions, regulations and executive orders administered by the U.S. Treasury Department, Office of Foreign Assets Control. In furtherance and not limitation of the foregoing, BUYER agrees to adopt such operating and administrative measures and practices as will reasonably ensure that neither BUYER nor any shareholder, member, owner or group of owners of a controlling interest in BUYER, director, officer, employee, agent, representative, contractor or Operator of BUYER is identified on the SDN List, or on any other such list maintained by the U.S. Government from time to time.

9.2 Notices.

Except as otherwise expressly provided in this Agreement, all notices shall be in writing and shall be deemed to have been given when delivered personally, when sent by certified mail, return receipt requested, or when sent by a national overnight courier service.

No claim or notice required by this Agreement to be given to SELLER shall be valid unless addressed or delivered as follows: Manager, Brand Marketing, Marathon Petroleum Company LP, 539 South Main Street, Findlay, Ohio 45840.

No claim or notice required by this Agreement to be given to BUYER shall be valid unless addressed or delivered as follows: GPM Petroleum, LLC, Attn: Gary Poythress and Maury Bricks, 8565 Magellan Parkway, Suite 400, Richmond, VA 23227

9.3 No Waiver.

No failure to exercise or election not to exercise any of a Party's rights hereunder will constitute any waiver or modification of such rights, or be deemed to be a course of performance or dealing, modifying or waiving the Parties' rights, remedies, duties, obligations or liabilities under this Agreement or any part thereof. This Agreement shall not be reformed, altered, or modified in any way by any course of dealing during the Term of the Agreement or by any representations, warranties, or understandings, express or implied, except as expressly set forth herein or unless and to the extent subsequently be set forth in a signed written amendment or agreement by the authorized representatives of the Parties.

9.4 Governing Law.

This Agreement shall be governed by the laws of the State in which BUYER's principal office is located, without giving effect to the principles of conflicts of law rules. Anything in this Agreement to the contrary notwithstanding, where the laws of the state of governing law require, the text of this Agreement is revised in accordance with such laws, which terms shall be added to or shall pre-empt the terms of this Agreement as applicable.

9.5 Third Party Beneficiaries.

Affiliate is a third party beneficiary of this Agreement, and AASTP is a third party beneficiary of those provisions of this Agreement that relate to Brand Signage and the MARATHON® brand. There are no other third party beneficiaries of or to this Agreement.

9.6 SELLER Mandatory Programs and Other Charges.

During the Term, SELLER and Affiliate may offer or introduce various marketing or other programs or services, and may update and change its current manuals including, but not limited to, the Credit Card Handbook, Mystery Shop/Customer Expectations Program, and brand image standards. BUYER understands that BUYER's participation, and the participation of the Operators, in these programs is mandatory. In such event, BUYER shall fully comply, and shall cause the Operators to fully comply, with all requirements and terms of such programs. BUYER also understands and acknowledges that BUYER's participation in such mandatory programs may require BUYER to purchase equipment, goods, or services from SELLER, Affiliate or third parties.

9.7 Authority.

BUYER hereby represents that as of the date hereof, BUYER has the authority to enter into this Agreement and that no consents of third parties other than those which have been obtained and are attached hereto are necessary to enable BUYER to perform its obligations hereunder. BUYER represents that as of the date of this Agreement, BUYER is in compliance with all leases, contracts, and agreements affecting the BUYER's Branded Outlet and BUYER's use and possession of the BUYER's Branded Outlet.

9.8 Further Assurances.

BUYER agrees to execute and deliver such other documents and take such other action as may be necessary to more effectively consummate the purposes and subject matter of this Agreement.

9.9 No Representations or Reliance.

BUYER ACKNOWLEDGES THAT BUYER HAS ENTERED INTO THIS AGREEMENT AFTER MAKING AN INDEPENDENT INVESTIGATION OF THE BUSINESS AND OPERATIONS BEING ENTERED INTO AND NOT UPON ANY REPRESENTATION OR PROMISE AS TO PROFITS OR REVENUES WHICH BUYER MIGHT BE EXPECTED TO REALIZE, NOR HAS ANY SELLER OR AFFILIATE REPRESENTATIVE OR EMPLOYEE MADE ANY OTHER REPRESENTATION OR PROMISE WHICH IS NOT EXPRESSLY SET FORTH HEREIN TO INDUCE BUYER TO ACCEPT THIS FRANCHISE OR TO EXECUTE THIS AGREEMENT.

9.10 Survival.

BUYER's payment obligations as well as those set forth in Sections 4.3, 4.4, 5.2 and 5.7 shall survive termination of the Agreement.

9.11 Severability.

The invalidity or unenforceability of any part of the Agreement shall not affect the validity or enforceability of its remaining provisions.

9.12 Entire Agreement.

This Agreement and the exhibits attached to it embody the entire agreement between the parties as of the date hereof, and there are no oral promises or other representations or understandings inducing its execution or qualifying its terms. Any prior agreement between the parties, oral or written, pertaining to the supply of any product or the relationship of the Parties is superseded by this Agreement. No amendment, qualification, or modification of this Agreement shall be valid or binding unless made in writing and signed by both parties, except as may otherwise be provided herein.

9.13 Counterparts.

This Agreement may be executed in one or more counterparts, any or all of which shall constitute one and the same instrument. Either Party, at its option, may supply any document required by or referenced in this Agreement in either paper or electronic form (including, but not limited to, an electronically imaged, faxed, photocopied, or online posted version), and any such version shall be sufficient for all purposes under this Agreement.

This Addendum to Branded Product Supply and Trademark License Agreement ("**Addendum**") is made and entered into by and between Marathon Petroleum Company LP, a Delaware limited partnership having its principal place of business at 539 South Main Street, Findlay, Ohio 45840 ("**MPC**"), and **GPM Petroleum, LLC.**, a Delaware limited liability company having its principal place of business at 8565 Magellan Parkway, Suite 400, Richmond, VA 23227 ("**BUYER**").

MPC and BUYER intend to enter into a Branded Product Supply and Trademark License Agreement with a term commensurate with the term of this Addendum ("**Supply Agreement**").

BUYER's purchases of gasoline pursuant to the Supply Agreement may occur within the state of North Carolina during the Term.

MPC and BUYER therefore agree:

1. RECITALS; SUPPLY AGREEMENT.

(a) The recitals are hereby incorporated by reference.

(b) This Addendum does not modify, alter or amend the terms and conditions set forth in the Supply Agreement.

(c) The Supply Agreement and this attached Addendum constitute the entire agreement among the Parties relating to this subject matter and may be amended or modified only by a written instrument signed by each of the parties.

2. DEFINITIONS. For purposes of this Addendum, the following terms shall have the indicated meanings:

(a) "**Blend-Grade Gasoline**" means unbranded gasoline, in the grade(s) selected by MPC from time to time, having an octane of 83 or greater, purchased by BUYER directly from MPC pursuant to this Addendum.

(b) "**Blended Product**" means Blend-Grade Gasoline that has been blended with denatured fuel ethanol after delivery to BUYER.

(c) "**Conforming Product**" means Blend-Grade Gasoline that has been blended with denatured fuel ethanol after delivery to BUYER blended, monitored and otherwise handled by BUYER in strict conformity with all terms and conditions of this Addendum.

(d) "**5-Day Volume**" and "**Monthly Volume**" refer to the MPC terminals and the associated quantities (in gallons) listed in the table in the attached Schedule B, if applicable.

(e) "**Terminal**" means the terminal(s) specified on Schedule A to this Addendum, which schedule is incorporated by reference.

(f) "**Month**" (capitalized or not) means a calendar month.

(g) "**Termination Event**" means:

(1) the failure of BUYER to pay when due any amount due from BUYER to MPC pursuant to this Addendum;

(2) the assignment by JOBBER of any of its rights or interests, in whole or in part, or the delegation by JOBBER of any of its duties, under this Addendum without the prior written consent of MPC;

(3) the occurrence of any material breach or nonperformance by JOBBER of any of its respective obligations under this Addendum that is not cured within ten (10) days following the date written notice of breach or nonperformance is sent, via certified mail, return receipt requested, by MPC to JOBBER; or

(4) modification, repeal or invalidation of Section 75-90 of the North Carolina General Statutes.

Capitalized terms used and not specifically defined in this Addendum, including but not limited to "Term" and "Branded Outlet" have the meaning given to them in the Supply Agreement.

3. TERM. This Addendum will be effective as to each Party upon execution by both Parties, for the Term, unless terminated earlier by a Party as provided for in this Addendum.

4. PURCHASE AND DELIVERY OF BLEND-GRADE GASOLINE

(a) Quantity. **(1)** During each Month, BUYER shall purchase 100% of the Monthly Volume of Blend-Grade Gasoline at the associated Terminal as shown in the table set forth in Schedule B, which schedule is hereby incorporated by reference. **(2)** During each 5-Day Period, BUYER shall purchase the 5- Day Volume of Blend-Grade Gasoline at the associated Terminal as shown in the table set forth in Schedule B**(3)** MPC is not obligated to supply more than 115% of the 5-Day Volumes shown in the table set forth in Schedule B. (B) During any5-Day Period, all purchases of Blend-Grade Gasoline over 115% of the respective 5-Day Volumes shall not apply toward BUYER's obligation to purchase the Monthly Volumes.**(4)** In the event the needs of BUYER increase beyond the volumes specified in the table set forth in Schedule B, BUYER shall notify MPC in writing of the additional volume requested at least 30 days prior to lifting. MPC shall assess Blend-Grade Gasoline availability, and if the Parties mutually agree, shall amend the volumes in the table.

(b) Price. The price for any given load of Blend-Grade Gasoline shall be the applicable MPC established terminal rack price per gallon, in effect for the Blend-Grade Gasoline at the Terminal as of the time that lifting ends. BUYER acknowledges and agrees that MPC may use the terminal rack price to manage customer liftings when MPC's Blend-Grade Gasoline supply at a Terminal is limited. The stated prices are exclusive of applicable taxes, inspection fees, and other governmental charges and assessments. All taxes or other charges now or hereafter imposed by law on any Blend-Grade Gasoline sold hereunder, or on the production, manufacture, sale, transportation or delivery thereof, or on this Addendum or the transactions contemplated hereby, which MPC is required to pay or collect shall be added to the applicable price and paid by BUYER.

(c) Ratable Lifting. **(1)** If BUYER fails to lift the Monthly Volumes of Blend-Grade Gasoline at the associated Terminal as shown in the table in the attached Schedule B, then BUYER shall pay MPC within 15 days after the last day in the month in question an underlifting fee of $[***] per gallon not lifted. MPC shall invoice BUYER on a monthly basis for underlifting fees. **(2)** MPC may cancel this Addendum upon 15 days' advance written notice if, for any two consecutive months, BUYER fails to purchase the Monthly Volumes of Blend-Grade Gasoline at the associated Terminal as shown in the table set forth in Schedule B to this Addendum. **(3)** If a supply interruption occurs at a Terminal, MPC may request BUYER, to the extent logistically feasible, to lift Blend-Grade Gasoline at another MPC Terminal.

(d) Blend-Grade Characteristics. MPC reserves the right to change the grade, specifications, characteristics, delivery package, brand name or other distinctive designation of Blend-Grade Gasoline from time to time, and to discontinue marketing Blend-Grade Gasoline at any time without liability or further obligation to BUYER with respect to the purchase and sale thereof.

(e) Purchases of Blend-Grade. BUYER's purchases of Blend-Grade Gasoline shall be in addition to the BUYER's "Requirements" as defined in the Supply Agreement.

(f) Delivery. All sales of Blend-Grade Gasoline shall be F.O.B. Terminal. MPC shall have no obligation to deliver Blend-Grade Gasoline at a Terminal unless BUYER, its agents, and its carriers have entered into, and are in compliance with, agreements governing access to the Terminal. Title to, and risk of loss of, Blend-Grade Gasoline shall pass to BUYER at the Terminal as Blend-Grade Gasoline passes the transport truck inlet flange. MPC retains title to any vapors or condensate recovered during delivery. Quantities shall be determined by calibrated meters or by any applicable ASTM method, at MPC's option, and may be temperature-adjusted to 60ºF using built-in temperature compensators or ASTM methods, at MPC's option.

(g) Warranties. MPC warrants that Blend-Grade Gasoline shall meet applicable MPC specifications and that it has good title to Blend-Grade Gasoline, free of all liens. **THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE**. MPC shall, at its option and its cost (including expense of return and re-delivery), remedy the defect in, replace, or refund the purchase price of, any Product that fails to meet this warranty.**THIS IS BUYER'S EXCLUSIVE REMEDY FOR BREACH OF WARRANTY WITH RESPECT TO BLEND-GRADE GASOLINE**.

(h) Terminals. BUYER acknowledges and agrees that Schedule A to this Addendum will be amended to remove any light products terminals at which MPC no longer offers motor fuels for sale. MPC will provide notification of such amendment in writing on or before the 20th day of the calendar month immediately preceding the calendar month in which the change is to become effective.

5. PAYMENT.

BUYER and MPC agree that the terms and conditions of Section 3.3 of the Supply Agreement shall apply to Blend-Grade Gasoline sold hereunder. BUYER agrees to pay for all Blend-Grade Gasoline sold hereunder in accordance with the terms and conditions set forth in Section 3.3 of the Supply Agreement.

6. MARKS.

(a) The Blend-Grade Gasoline sold hereunder is not a Marathon® branded product. Buyer shall not use MPC's name, trademarks (including, but not limited to, the Marathon® trademark), trade dress, logos, slogans or the like ("**MPC's Marks**") in any way with regard to the Blend-Grade Gasoline.

(b) BUYER shall not sell or otherwise distribute Blend-Grade Gasoline until such Blend-Grade Gasoline is blended with denatured fuel ethanol in compliance with applicable laws and regulations, including but not limited to, required octane certification and posting.

(c) Notwithstanding the provisions of Section 5.4 of the Supply Agreement, Conforming Product may be distributed to, stored, and resold from the Branded Outlets as a "Product," as permitted under Section 5 of the Supply Agreement. Any Blended Product that is not in strict compliance with the terms and conditions of this Addendum shall not be distributed to, stored at, or resold from a Branded Outlet. BUYER shall not use the Marks in connection with Blend-Grade Gasoline or any Blended Product other than Conforming Product. BUYER shall maintain, for all Blend-Grade Gasoline purchased under this Addendum and all resulting Blended Product, an oversight program to ensure fuel quality and safety and to ensure compliance with all applicable laws and regulations. Prior to purchase of any Blend- Grade Gasoline, BUYER shall provide a copy of BUYER's oversight program to MPC.

(2) BUYER shall sample and test Blended Product not less frequently than once each month at each Branded Outlet to which such Blended Product has been distributed. Gasoline Blended Product shall be tested for ethanol content, octane and Reid Vapor Pressure. Testing shall be performed by a third party testing laboratory reasonably suitable to MPC. BUYER shall notify MPC of the results of such testing not later than the twentieth 20th day of the following calendar month.

(3) On or before the 20th day of each calendar month, BUYER shall provide to MPC a written listing of those Branded Outlets to which it intends to deliver Conforming Product in the successive calendar month.

(4) Notwithstanding the provisions of Section 4.4 of the Supply Agreement, BUYER shall maintain General Liability Insurance, including contractual liability, XCU (explosion, collapse and underground) hazards, premises and completed operations, and products liability, to cover liability for bodily injury and property damage, with a combined single limit of not less than Five Million Dollars ($5,000,000) per occurrence. BUYER's insurance under this Section 7(b)(4) shall be endorsed to include MPC as an additional insured with respect to liability arising out of BUYER's operations, including but not limited to BUYER's blending, storage, and distribution of motor fuel, or any premises owned or leased by BUYER. BUYER shall furnish MPC with certificates of insurance which document that all coverages and endorsements required by this Section 7(b)(4) and Section 4.4 of the Supply Agreement have been obtained. Renewal certificates shall be obtained by BUYER as and when necessary, and copies thereof shall be forwarded to MPC as soon as same are available and in any event prior to the expiration of the policy so renewed. These certificates shall provide that the insurer shall give thirty (30) days written notice to MPC prior to change or cancellation of any policy. In no event shall MPC's acceptance of an insurance certificate that does not comply with this Section 7(b)(4) or Section 4.4 of the Supply Agreement constitute a waiver of any requirement of any such provisions. The provisions of this Section 7(c)(4) apply to the extent BUYER has elected, by indicating on the attached Schedule B, to purchase Blend-Grade Gasoline or has actually purchased Blend-Grade Gasoline. MPC shall have no obligation to deliver Blend-Grade Gasoline unless BUYER demonstrates, to MPC's satisfaction, compliance with the provisions of this Section 7(c)(4).

(c) Strict Compliance. No Blended Product shall be considered Conforming Product if any of the foregoing provisions is not strictly complied with in all respects. Blended Product shall be considered Conforming Product only upon (1) BUYER's demonstration, to MPC's satisfaction, that all requirements of this Addendum are satisfied, and (2) MPC's prior approval of Blended Product as Conforming Product.

8. RENEWABLE IDENTIFICATION NUMBERS (RINs). By the twentieth (20th) day of the month following the end of each calendar month, BUYER shall prepare and forward to MPC a transfer document transferring a quantity of RINs equal to the number of gallons of Blend-Grade Gasoline purchased by BUYER from MPC pursuant to this Addendum for the prior calendar month divided by nine (9). All RINs shall be transferred via a Product Transfer Document that is compliant with 40 CFR 80.1453 and shall be entered into the EPA Moderated Transaction System (EMTS) in accordance with 40 CFR 80.1452. For Blend-Grade Gasoline delivered between January 1 and January 31, transferred RINs shall have been generated in the year of transfer or in the previous year. For Blend-Grade Gasoline delivered between February 1 and December 31, transferred RINs will be generated in the year of transfer. All transferred RINs will be unassigned RINs (K code = 2). In the event that any transferred RINs are later determined to be invalid RINs within the meaning of 40 CFR 80.1431, or to have been retired prior to the title transfer date, then BUYER shall transfer an equal amount of valid, unretired replacement RINs to MPC by the twentieth (20th) day of the month following the calendar month in which the transferred RINs were determined to be invalid or retired.

9. REMEDIES. MPC may, at its option, suspend sale and delivery of Blend-Grade Gasoline in the event of BUYER's non-compliance with any or all of the requirements of Section 7, Section 8, and Section 10 of this Addendum. MPC may require BUYER to provide reasonable assurances of future, continued compliance as a condition to resuming sale and delivery of Blend-Grade Gasoline. The rights and remedies of the MPC set forth in this Addendum are cumulative and the use of one remedy shall not be taken to exclude or waive the right to use another.

10. INDEMNIFICATION. BUYER agrees to protect, indemnify, defend and hold MPC harmless from any and all costs and expenses (including reasonable attorneys fees and litigation expenses), liabilities, losses, claims, causes of action and damages (for injury to or death of any person, or loss or destruction of any property), directly or indirectly resulting or arising from:

(a) the handling, use, storage, distribution, labeling, or sale of Blended Product or Blend-Grade Gasoline subsequent to the delivery thereof to BUYER;

(b) the handling, use, storage, distribution, labeling, or sale of Blended Product;

(c) the conduct of BUYER's business or the business of any Sublicensee or other party purchasing Blended Product from BUYER; or

(d) the use or condition of the equipment or premises used for the storage, handling and dispensing of Blended Product or Blend-Grade Gasoline, including, but not limited to, use or condition of underground storage tank or lines resulting in groundwater or soil contamination or both, at the Branded Outlets.

The foregoing notwithstanding, BUYER shall not have any obligation to indemnify MPC for any costs, expenses, liabilities, losses, claims, causes of action or damages arising from the sole negligence of MPC, its agents or employees. BUYER's obligations under this Section 10 are not negated in the event its insurance carrier or carriers provide or deny coverage to either BUYER or MPC. BUYER's obligations under this Section 10 shall extend to MPC's affiliates, subsidiaries, parent companies, agents, officers, directors, employees, predecessors and successors.

The provisions of this Section 10 shall be in addition to, and not in limitation of, the provisions of Section 4.3 of the Supply Agreement.

11. TERMINATION

This Addendum shall terminate upon the termination or non-renewal, within the meaning of PMPA, of the Supply Agreement or the franchise relationship created or embodied by the Product Supply Agreement. Upon the occurrence of any Termination Event, MPC shall have the right, at its sole option, to immediately terminate this Addendum without advance notice of termination, written or otherwise, from MPC.

12. MISCELLANEOUS

(a) Compliance With Laws. BUYER, its agents, and its carriers shall comply with all laws, regulations, and standards applicable to the sale, delivery, transportation, storage, use, and disposition of Blend-Grade Gasoline and Blended Product, and Buyer shall not deliver, or allow to be delivered, any product that would be in violation of U.S. EPA regulations or state fuel quality regulations applicable to the area where the product is delivered. BUYER has received Material Safety Data Sheets and other information about the safety and health aspects of Blend-Grade Gasoline, shall communicate this information to its employees, agents, carriers and customers, and shall require them to further communicate this information in a like manner.

(c) Confidentiality. This Addendum, as well as all information disclosed by either party to the other party pursuant to this Addendum, other than such information as may be generally available to the public or the industry, is and will be used by the other party in confidence and solely in connection with this Addendum. The parties agree to keep such information and the terms of this Addendum including secret and confidential from all third parties for a period of one (1) year following expiration of the Term, except in response to a valid subpoena, civil investigative demand or court order issued by a court of competent jurisdiction. If either party is served with process to obtain such information, that party shall immediately notify the other party, which shall have the right to seek to quash such process, or to take such other actions necessary to protect the confidentiality of the information. The provisions of this Section 12(c) shall survive termination of this Addendum regardless of cause.

(d) Claims. All claims must be in writing. Product quality or quantity claims relating to the goods sold by MPC to BUYER pursuant to this Addendum must be delivered to MPC within 30 days after delivery of the product, and all other claims by Buyer must be delivered to MPC within 60 days after the event giving rise to the claim. BUYER shall preserve, and permit MPC to inspect and sample, the subject product. **ANY LAWSUIT AGAINST MPC WHICH INVOLVES THESE TERMS OR THE SALE OF PRODUCTS MUST BE BROUGHT WITHIN ONE YEAR AFTER THE CAUSE OF ACTION ACCRUES**.

(e) Limitation of Liability. **IN NO EVENT SHALL MPC'S LIABILITY FOR DAMAGES (WHETHER ARISING FROM BREACH OF CONTRACT OR WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE) EXCEED THE PURCHASE PRICE OF THE PRODUCT CONCERNED NOR SHALL MPC BE LIABLE FOR PUNITIVE, INCIDENTAL, CONSEQUENTIAL, OR SPECIAL DAMAGES (INCLUDING LOST PROFITS), EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**

3. TERM. This Addendum will be effective as to each Party upon execution by both Parties, for the Term, unless terminated earlier by a Party as provided for in this Addendum.

4. PURCHASE AND DELIVERY OF BLEND-GRADE GASOLINE AND BLEND-GRADE DISTILLATE

(a) Quantity. **(1)** During each Month, BUYER shall purchase 100% of the Monthly Volumes of each Blend-Grade Gasoline and Blend-Grade Distillate at the associated Terminal as shown in the table set forth in Schedule B, which schedule is hereby incorporated by reference. **(2)** During each 5-Day Period, BUYER shall purchase the 5-Day Volumes each of Blend-Grade Gasoline and Blend-Grade Distillate at the associated Terminal as shown in the table set forth in Schedule B. **(3)** MPC is not obligated to supply more than 115% of the 5-Day Volumes shown in the table set forth in Schedule B. (B) During any 5-Day Period, all purchases of Blend-Grade Gasoline and Blend-Grade Distillate over 115% of the respective5-Day Volumes shall not apply toward BUYER's obligation to purchase the Monthly Volumes. **(4)** In the event the needs of BUYER increase beyond the volumes specified in the table set forth in Schedule B, BUYER shall notify MPC in writing of the additional volume requested at least 30 days prior to lifting. MPC shall assess Blend-Grade Gasoline and Blend-Grade Distillate availability, and if the Parties mutually agree, shall amend the volumes in the table.

(b) Price. The price for any given load of Blend-Grade Gasoline or Blend-Grade Distillate shall be the applicable MPC established terminal rack price per gallon, in effect for the Blend-Grade Gasoline or Blend-Grade Distillate at the Terminal as of the time that lifting ends. BUYER acknowledges and agrees that MPC may use the terminal rack price to manage customer liftings when MPC's Blend- Grade Gasoline or Blend-Grade Distillate supply at a Terminal is limited. The stated prices are exclusive of applicable taxes, inspection fees, and

other governmental charges and assessments, or surcharges for increased levels of detergent additives that may be assessed by MPC from time to time. All taxes or other charges now or hereafter imposed by law on any Blend-Grade Gasoline or Blend-Grade Distillate sold hereunder, or on the production, manufacture, sale, transportation or delivery thereof, or on this Addendum or the transactions contemplated hereby, which MPC is required to pay or collect shall be added to the applicable price and paid by BUYER.

(c) Ratable Lifting. **(1)** If BUYER fails to lift the Monthly Volumes of each Blend-Grade Gasoline or Blend-Grade Distillate at the associated Terminal as shown in the table in the attached Schedule B, then BUYER shall pay MPC within 15 days after the last day in the month in question an underlifting fee of $[***] per gallon not lifted. MPC shall invoice BUYER on a monthly basis for underlifting fees. **(2)** MPC may cancel this Addendum upon 15 days' advance written notice if, for any two consecutive months, BUYER fails to purchase the Monthly Volumes of Blend-Grade Gasoline or Blend- Grade Distillate at the associated Terminal as shown in the table set forth in Schedule B to this Addendum. **(3)** If a supply interruption occurs at a Terminal, MPC may request BUYER, to the extent logistically feasible, to lift Blend-Grade Gasoline or Blend-Grade Distillate at another MPC Terminal.

(d) Blend-Grade Characteristics. MPC reserves the right to change the grade, specifications, characteristics, delivery package, brand name or other distinctive designation of Blend-Grade Gasoline and/or Blend-Grade Distillate from time to time, and to discontinue marketing Blend-Grade Gasoline and/or Blend-Grade Distillate at any time without liability or further obligation to BUYER with respect to the purchase and sale thereof.

(e) Purchases of Blend-Grade. BUYER's purchases of Blend-Grade Gasoline and Blend- Grade Distillate shall be in addition to the BUYER's "Requirements" as defined in the Supply Agreement.

(f) Delivery. All sales of Blend-Grade Gasoline and Blend-Grade Distillate shall be F.O.B. Terminal. MPC shall have no obligation to deliver Blend-Grade Gasoline or Blend-Grade Distillate at a Terminal unless BUYER, its agents, and its carriers have entered into, and are in compliance with, agreements governing access to the Terminal. Title to, and risk of loss of, Blend-Grade Gasoline and Blend-Grade Distillate shall pass to BUYER at the Terminal as Blend-Grade Gasoline or Blend-Grade Distillate passes the transport truck inlet flange. MPC retains title to any vapors or condensate recovered during delivery. Quantities shall be determined by calibrated meters or by any applicable ASTM method, at MPC's option, and may be temperature-adjusted to 60ºF using built-in temperature compensators or ASTM methods, at MPC's option.

(g) Warranties. MPC warrants that Blend-Grade Gasoline and Blend-Grade Distillate shall meet applicable MPC specifications and that it has good title to Blend-Grade Gasoline and Blend-Grade Distillate, free of all liens. **THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE**. MPC shall, at its option and its cost (including expense of return and re-delivery), remedy the defect in, replace, or refund the purchase price of, any Product that fails to meet this warranty. **THIS IS BUYER'S EXCLUSIVE REMEDY FOR BREACH OF WARRANTY WITH RESPECT TO BLEND-GRADE GASOLINE AND BLEND-GRADE DISTILLATE.**

(h) Terminals. BUYER acknowledges and agrees that Schedule A to this Addendum will be amended to remove any light products terminals at which MPC no longer offers motor fuels for sale. MPC will provide notification of such amendment in writing on or before the 20th day of the calendar month immediately preceding the calendar month in which the change is to become effective.

5. PAYMENT.

BUYER and MPC agree that the terms and conditions of Section 3.3 of the Supply Agreement shall apply to Blend-Grade Gasoline and Blend-Grade Distillate sold hereunder. BUYER agrees to pay for all Blend- Grade Gasoline and Blend-Grade Distillate sold hereunder in accordance with the terms and conditions set forth in Section 3.3 of the Supply Agreement.

CERTAIN CONFIDENTIAL INFORMATION CONTAINED IN THIS DOCUMENT, MARKED BY [***], HAS BEEN OMITTED BECAUSE IT IS NOT MATERIAL AND WOULD LIKELY CAUSE COMPETITIVE HARM TO THE COMPANY IF PUBLICLY DISCLOSED.

6. MARKS.

(a) The Blend-Grade Gasoline and Blend-Grade Distillate sold hereunder are not Marathon® branded products. Buyer shall not use MPC's name, trademarks (including, but not limited to, the Marathon® trademark), trade dress, logos, slogans or the like ('**MPC's Marks**") in any way with regard to the Blend-Grade Gasoline or Blend-Grade Distillate.

(b) BUYER shall not sell or otherwise distribute Blend-Grade Gasoline until such Blend-Grade Gasoline is blended with denatured fuel ethanol in compliance with applicable laws and regulations, including but not limited to, required octane certification and posting.

(c) Notwithstanding the provisions of Section 5.4 of the Supply Agreement, Conforming Product may be distributed to, stored, and resold from the Branded Outlets as a "Product," as permitted under Section 5 of the Supply Agreement. Any Blended Product that is not in strict compliance with the terms and conditions of this Addendum shall not be distributed to, stored at, or resold from a Branded Outlet. BUYER shall not use the Marks in connection with Blend-Grade Gasoline, Blend-Grade Distillate or any Blended Product other than Conforming Product. Conforming Product does not constitute Marathon® branded product purchased directly from MPC; Conforming Product is not eligible for the earning or crediting of rebates.

7. BLENDING REQUIREMENTS AND QUALITY CONTROL PROGRAM.

(a) Ethanol Blending Specifications.

BUYER shall maintain, for all Blend-Grade Gasoline and Blend- Grade Distillate purchased under this Addendum and all resulting Blended Product, an oversight program to ensure fuel quality and safety and to ensure compliance with all applicable laws and regulations. Prior to purchase of any Blend-Grade Gasoline or Blend-Grade Distillate, BUYER shall provide a copy of BUYER's oversight program to MPC.

BUYER shall sample and test Blended Product not less frequently than once each month at each Branded Outlet to which such Blended Product has been distributed. Gasoline Blended Product shall be tested for ethanol content, octane and Reid Vapor Pressure. Distillate Blended Product shall be tested for biodiesel content. Testing shall be performed by a third party testing laboratory reasonably suitable to MPC. BUYER shall notify MPC of the results of such testing not later than the twentieth 20th day of the following calendar month.

On or before the 20th day of each calendar month, BUYER shall provide to MPC a written listing of those Branded Outlets to which it intends to deliver Conforming Product in the successive calendar month.

Notwithstanding the provisions of Section 4.4 of the Supply Agreement, BUYER shall maintain General Liability Insurance, including contractual liability, XCU (explosion, collapse and underground) hazards, premises and completed operations, and products liability, to cover liability for bodily injury and property damage, with a combined single limit of not less than Five Million Dollars ($5,000,000) per occurrence. BUYER's insurance under this Section 7(c)(4) shall be endorsed to include MPC as an additional insured with respect to liability arising out of BUYER's operations, including but not limited to BUYER's blending, storage, and distribution of motor fuel, or any premises owned or leased by BUYER. BUYER shall furnish MPC with certificates of insurance which document that all coverages and endorsements required by this Section 7(c)(4) and Section 4.4 of the Supply Agreement have been obtained. Renewal certificates shall be obtained by BUYER as and when necessary, and copies thereof shall be forwarded to MPC as soon as same are available and in any event prior to the expiration of the policy so renewed. These certificates shall provide that the insurer shall give thirty (30) days written notice to MPC prior to change or cancellation of any policy. In no event shall MPC's acceptance of an insurance certificate that does not comply with this Section 7(c)(4) or Section 4.4 of the Supply Agreement constitute a waiver of any requirement of any such provisions. The provisions of this Section 7(c)(4) apply to the extent BUYER has elected, by indicating on the attached Schedule B, to purchase Blend- Grade Distillate or Blend-Grade Gasoline or has actually purchased Blend-Grade Distillate or Blend- Grade Gasoline. MPC shall have no obligation to deliver Blend-Grade Gasoline or Blend-Grade Distillate unless BUYER demonstrates, to MPC's satisfaction, compliance with the provisions of this Section 7(c)(4).

(d) Strict Compliance. No Blended Product shall be considered Conforming Product if any of the foregoing provisions is not strictly complied with in all respects. Blended Product shall be considered Conforming Product only upon (1) BUYER's demonstration, to MPC's satisfaction, that all requirements of this Addendum are satisfied, and (2) MPC's prior approval of Blended Product as Conforming Product.

8. RENEWABLE IDENTIFICATION NUMBERS (RINs). By the twentieth (20th) day of the month following the end of each calendar month, BUYER shall prepare and forward to MPC a transfer document transferring a quantity of RINs equal to the number of gallons of Blend-Grade Gasoline purchased by BUYER from MPC pursuant to this Addendum for the prior calendar month divided by nine (9), plus the number of gallons of biodiesel blended into Blend-Grade Distillate purchased by BUYER from MPC pursuant to this Addendum for the prior calendar month multiplied by one and one-half (1.5). All RINs shall be transferred via a Product Transfer Document that is compliant with 40 CFR 80.1453 and shall be entered into the EPA Moderated Transaction System (EMTS) in accordance with 40 CFR 80.1452. For Blend-Grade Gasoline and Blend-Grade Distillate delivered between January 1 and January 31, transferred RINs shall have been generated in the year of transfer or in the previous year. For Blend- Grade Gasoline and Blend-Grade Distillate delivered between February 1 and December 31, transferred RINs will be generated in the year of transfer. All transferred RINs will be unassigned RINs (K code = 2), and RINs transferred for biodiesel blending shall be biomass-based diesel RINs (D code = 4 or 7). In the event that any transferred RINs are later determined to be invalid RINs within the meaning of 40 CFR 80.1431, or to have been retired prior to the title transfer date, then BUYER shall transfer an equal amount of valid, unretired replacement RINs to MPC by the twentieth (20th) day of the month following the calendar month in which the transferred RINs were determined to be invalid or retired.

9. REMEDIES. MPC may, at its option, suspend sale and delivery of Blend-Grade Gasoline and Blend-Grade Distillate in the event of BUYER's non-compliance with any or all of the requirements of Section 7, Section 8, and Section 10 of this Addendum. MPC may require BUYER to provide reasonable assurances of future, continued compliance as a condition to resuming sale and delivery of Blend-Grade Gasoline and Blend-Grade Distillate. The rights and remedies of the MPC set forth in this Addendum are cumulative and the use of one remedy shall not be taken to exclude or waive the right to use another.

10. INDEMNIFICATION. BUYER agrees to protect, indemnify, defend and hold MPC harmless from any and all costs and expenses (including reasonable attorneys fees and litigation expenses), liabilities, losses, claims, causes of action and damages (for injury to or death of any person, or loss or destruction of any property), directly or indirectly resulting or arising from:

(b) the handling, use, storage, distribution, labeling, or sale of Blended Product;

(c) the conduct of BUYER's business or the business of any Sublicensee or other party purchasing Blended Product from BUYER; or

(d) the use or condition of the equipment or premises used for the storage, handling and dispensing of Blended Product, Blend-Grade Gasoline, or Blend-Grade Distillate including, but not limited to, use or condition of underground storage tank or lines resulting in groundwater or soil contamination or both, at the Branded Outlets.

The foregoing notwithstanding, BUYER shall not have any obligation to indemnify MPC for any costs, expenses, liabilities, losses, claims, causes of action or damages arising from the sole negligence of MPC, its agents or employees. BUYER's obligations under this Section 10 are not negated in the event its insurance carrier or carriers provide or deny coverage to either BUYER or MPC. BUYER's obligations under this Section 10 shall extend to MPC's affiliates, subsidiaries, parent companies, agents, officers, directors, employees, predecessors and successors.

The provisions of this Section 10 shall be in addition to, and not in limitation of, the provisions of Section 4.3 of the Supply Agreement.

11. TERMINATION

This Addendum shall terminate upon the termination or non-renewal, within the meaning of PMPA, of the Supply Agreement or the franchise relationship created or embodied by the Product Supply Agreement. 4. PURCHASE AND DELIVERY OF BLEND-GRADE GASOLINE AND BLEND-GRADE DISTILLATE

(a) Quantity. (1) During each Month, BUYER shall purchase 100% of the Monthly Volumes of each Blend-Grade Gasoline and Blend-Grade Distillate at the associated Terminal as shown in the table set forth in Schedule B, which schedule is hereby incorporated by reference. (2) During each 5Day Period, BUYER shall purchase the 5-Day Volumes each of Blend-Grade Gasoline and BlendGrade Distillate at the associated Terminal as shown in the table set forth in Schedule B. (3) MPC is not obligated to supply more than 115% of the 5-Day Volumes shown in the table set forth in Schedule B. (B) During any 5-Day Period, all purchases of Blend-Grade Gasoline and Blend-Grade Distillate over 115% of the respective5-Day Volumes shall not apply toward BUYER's obligation to purchase the Monthly Volumes. (4) In the event the needs of BUYER increase beyond the volumes specified in the table set forth in Schedule B, BUYER shall notify MPC in writing of the additional volume requested at least 30 days prior to lifting. MPC shall assess Blend- Grade Gasoline and Blend-Grade Distillate availability, and if the Parties mutually agree, shall amend the volumes in the table.

(b) Price. The price for any given load of Blend-Grade Gasoline or Blend-Grade Distillate shall be the applicable MPC established terminal rack price per gallon, in effect for the Blend-Grade Gasoline or Blend-Grade Distillate at the Terminal as of the time that lifting ends. BUYER acknowledges and agrees that MPC may use the terminal rack price to manage customer liftings when MPC's Blend-Grade Gasoline or Blend-Grade Distillate supply at a Terminal is limited. The stated prices are exclusive of applicable taxes, inspection fees, and other governmental charges and assessments. All taxes or other charges now or hereafter imposed by law on any Blend-Grade Gasoline or Blend-Grade Distillate sold hereunder, or on the production, manufacture, sale, transportation or delivery thereof, or on this Addendum or the transactions contemplated hereby, which MPC is required to pay or collect shall be added to the applicable price and paid by BUYER.

(c) Ratable Lifting. (1) If BUYER fails to lift the Monthly Volumes of each Blend-Grade Gasoline or Blend-Grade Distillate at the associated Terminal as shown in the table in the attached Schedule B, then BUYER shall pay MPC within 15 days after the last day in the month in question an underlifting fee of $[***] per gallon not lifted. MPC shall invoice BUYER on a monthly basis for underlifting fees. (2) MPC may cancel this Addendum upon 15 days' advance written notice if, for any two consecutive months, BUYER fails to purchase the Monthly Volumes of Blend-Grade Gasoline or Blend-Grade Distillate at the associated Terminal as shown in the table set forth in Schedule B to this Addendum. (3) If a supply interruption occurs at a Terminal, MPC may request BUYER, to the extent logistically feasible, to lift Blend-Grade Gasoline or Blend-Grade Distillate at another MPC Terminal.

(d) Blend-Grade Characteristics. MPC reserves the right to change the grade, specifications, characteristics, delivery package, brand name or other distinctive designation of BlendGrade Gasoline and/or Blend-Grade Distillate from time to time, and to discontinue marketing BlendGrade Gasoline and/or Blend-Grade Distillate at any time without liability or further obligation to BUYER with respect to the purchase and sale thereof.

(e) Purchases of Blend-Grade. BUYER's purchases of Blend-Grade Gasoline and BlendGrade Distillate shall be in addition to the BUYER's "Requirements" as defined in the Supply Agreement.

(f) Delivery. All sales of Blend-Grade Gasoline and Blend-Grade Distillate shall be F.O.B. Terminal. MPC shall have no obligation to deliver Blend-Grade Gasoline or Blend-Grade Distillate at a Terminal unless BUYER, its agents, and its carriers have entered into, and are in compliance with, agreements governing access to the Terminal. Title to, and risk of loss of, Blend-Grade Gasoline and Blend-Grade Distillate shall pass to BUYER at the Terminal as Blend-Grade Gasoline or Blend-Grade Distillate passes the transport truck inlet flange. MPC retains title to any vapors or condensate recovered during delivery. Quantities shall be determined by calibrated meters or by any applicable ASTM method, at MPC's option, and may be temperature-adjusted to 60ºF using built-in temperature compensators or ASTM methods, at MPC's option.

(g) Warranties. MPC warrants that Blend-Grade Gasoline and Blend-Grade Distillate shall meet applicable MPC specifications and that it has good title to Blend-Grade Gasoline and Blend-Grade Distillate, free of all liens. THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. MPC shall, at its option and its cost (including expense of return and re-delivery), remedy the defect in, replace, or refund the purchase price of, any Product that fails to meet this warranty. THIS IS BUYER'S EXCLUSIVE REMEDY FOR BREACH OF WARRANTY WITH RESPECT TO BLEND- GRADE GASOLINE AND BLEND-GRADE DISTILLATE.

(h) Terminals. BUYER acknowledges and agrees that Schedule A to this Addendum will be amended to remove any light products terminals at which MPC no longer offers motor fuels for sale. MPC will provide notification of such amendment in writing on or before the 20th day of the calendar month immediately preceding the calendar month in which the change is to become effective.

5. PAYMENT.

BUYER and MPC agree that the terms and conditions of Section 3.3 of the Supply Agreement shall apply to Blend-Grade Gasoline and Blend-Grade Distillate sold hereunder. BUYER agrees to pay for all Blend- Grade Gasoline and Blend-Grade Distillate sold hereunder in accordance with the terms and conditions set forth in Section 3.3 of the Supply Agreement.

6. MARKS.

(a) The Blend-Grade Gasoline and Blend-Grade Distillate sold hereunder are not Marathon® branded products. Buyer shall not use MPC's name, trademarks (including, but not limited to, the Marathon® trademark), trade dress, logos, slogans or the like ('**MPC's Marks**") in any way with regard to the Blend-Grade Gasoline or Blend-Grade Distillate.

(b) BUYER shall not sell or otherwise distribute Blend-Grade Gasoline until such BlendGrade Gasoline is blended with denatured fuel ethanol in compliance with applicable laws and regulations, including but not limited to, required octane certification and posting.

(c) Notwithstanding the provisions of Section 5.4 of the Supply Agreement, Conforming Product may be distributed to, stored, and resold from the Branded Outlets as a "Product," as permitted under Section 5 of the Supply Agreement. Any Blended Product that is not in strict compliance with the terms and conditions of this Addendum shall not be distributed to, stored at, or resold from a Branded Outlet. BUYER shall not use the Marks in connection with Blend-Grade Gasoline, Blend-Grade Distillate or any Blended Product other than Conforming Product. Conforming Product does not constitute Marathon® branded product purchased directly from MPC; Conforming Product is not eligible for the earning or crediting of rebates.

7. BLENDING REQUIREMENTS AND QUALITY CONTROL PROGRAM.

(a) Ethanol Blending Specifications.

(1) Blended Gasoline Product shall include only Blend-Grade Gasoline and denatured fuel ethanol meeting the most recent version of ASTM D 4806, "Standard Specification for Denatured Fuel Ethanol for Blending with Gasolines for Use as Automotive Spark-Ignition Fuel."

(2) The rate of blending shall be not less than 9.8 volume percent nor more than 10.2 volume percent denatured fuel ethanol.

(b) Biodiesel Blending Specifications.

(1) Blended Distillate Product shall include only Blend-Grade Distillate and biodiesel meeting the most recent version of ASTM D 6751, "Standard Specification for Biodiesel Fuel Blend Stock (B100) for Middle Distillate Fuels." Biodiesel blended with Blend-Grade Distillate between December 1 and February 28 (or 29) shall have a cloud point specification no higher than thirty-seven degrees Fahrenheit (37° F).

(2) The rate of blending shall be not more than 20 volume percent biodiesel.

(c) Quality Control Program.

(1) Written program. BUYER shall maintain, for all Blend-Grade Gasoline and Blend- Grade Distillate purchased under this Addendum and all resulting Blended Product, an oversight program to ensure fuel quality and safety and to ensure compliance with all applicable laws and regulations. Prior to purchase of any Blend-Grade Gasoline or Blend-Grade Distillate, BUYER shall provide a copy of BUYER's oversight program to MPC.

(2) BUYER shall sample and test Blended Product not less frequently than once each month at each Branded Outlet to which such Blended Product has been distributed. Gasoline Blended Product shall be tested for ethanol content, octane and Reid Vapor Pressure. Distillate Blended Product shall be tested for biodiesel content. Testing shall be performed by a third party testing laboratory reasonably suitable to MPC. BUYER shall notify MPC of the results of such testing not later than the twentieth 20th day of the following calendar month.

(3) On or before the 20th day of each calendar month, BUYER shall provide to MPC a written listing of those Branded Outlets to which it intends to deliver Conforming Product in the successive calendar month.

(4) Notwithstanding the provisions of Section 4.4 of the Supply Agreement, BUYER shall maintain General Liability Insurance, including contractual liability, XCU (explosion, collapse and underground) hazards, premises and completed operations, and products liability, to cover liability for bodily injury and property damage, with a combined single limit of not less than Five Million Dollars ($5,000,000) per occurrence. BUYER's insurance under this Section 7(c)(4) shall be endorsed to include MPC as an additional insured with respect to liability arising out of BUYER's operations, including but not limited to BUYER's blending, storage, and distribution of motor fuel, or any premises owned or leased by BUYER. BUYER shall furnish MPC with certificates of insurance which document that all coverages and endorsements required by this Section 7(c)(4) and Section 4.4 of the Supply Agreement have been obtained. Renewal certificates shall be obtained by BUYER as and when necessary, and copies thereof shall be forwarded to MPC as soon as same are available and in any event prior to the expiration of the policy so renewed. These certificates shall provide that the insurer shall give thirty (30) days written notice to MPC prior to change or cancellation of any policy. In no event shall MPC's acceptance of an insurance certificate that does not comply with this Section 7(c)(4) or Section 4.4 of the Supply Agreement constitute a waiver of any requirement of any such provisions. The provisions of this Section 7(c)(4) apply to the extent BUYER has elected, by indicating on the attached Schedule B, to purchase Blend-Grade Distillate or Blend-Grade Gasoline or has actually purchased Blend-Grade Distillate or Blend-Grade Gasoline. MPC shall have no obligation to deliver Blend-Grade Gasoline or Blend-Grade Distillate unless BUYER demonstrates, to MPC's satisfaction, compliance with the provisions of this Section 7(c)(4).

(d) Strict Compliance. No Blended Product shall be considered Conforming Product if any of the foregoing provisions is not strictly complied with in all respects. Blended Product shall be considered Conforming Product only upon (1) BUYER's demonstration, to MPC's satisfaction, that all requirements of this Addendum are satisfied, and (2) MPC's prior approval of Blended Product as Conforming Product.

8. RENEWABLE IDENTIFICATION NUMBERS (RINs). By the twentieth (20th) day of the month following the end of each calendar month, BUYER shall prepare and forward to MPC a transfer document transferring a quantity of RINs equal to the number of gallons of Blend-Grade Gasoline purchased by BUYER from MPC pursuant to this Addendum for the prior calendar month divided by nine (9), plus the number of gallons of biodiesel blended into Blend-Grade Distillate purchased by BUYER from MPC pursuant to this Addendum for the prior calendar month multiplied by one and onehalf (1.5). All RINs shall be transferred via a Product Transfer Document that is compliant with 40 CFR 80.1453 and shall be entered into the EPA Moderated Transaction System (EMTS) in accordance with 40 CFR 80.1452. For Blend-Grade Gasoline and Blend-Grade Distillate delivered between January 1 and January 31, transferred RINs shall have been generated in the year of transfer or in the previous year. For Blend-Grade Gasoline and Blend-Grade Distillate delivered between February 1 and December 31, transferred RINs will be generated in the year of transfer. All transferred RINs will be unassigned RINs (K code = 2), and RINs transferred for biodiesel blending shall be biomass-based diesel RINs (D code = 4 or 7). In the event that any transferred RINs are later determined to be invalid RINs within the meaning of 40 CFR 80.1431, or to have been retired prior to the title transfer date, then BUYER shall transfer an equal amount of valid, unretired replacement RINs to MPC by the twentieth (20th) day of the month following the calendar month in which the transferred RINs were determined to be invalid or retired.

9. REMEDIES. MPC may, at its option, suspend sale and delivery of Blend-Grade Gasoline and Blend-Grade Distillate in the event of BUYER's non-compliance with any or all of the requirements of Section 7, Section 8, and Section 10 of this Addendum. MPC may require BUYER to provide reasonable assurances of future, continued compliance as a condition to resuming sale and delivery of Blend-Grade Gasoline and Blend-Grade Distillate. The rights and remedies of the MPC set forth in this Addendum are cumulative and the use of one remedy shall not be taken to exclude or waive the right to use another.

10. INDEMNIFICATION. BUYER agrees to protect, indemnify, defend and hold MPC harmless from any and all costs and expenses (including reasonable attorneys fees and litigation expenses), liabilities, losses, claims, causes of action and damages (for injury to or death of any person, or loss or destruction of any property), directly or indirectly resulting or arising from:

(a) the handling, use, storage, distribution, labeling, or sale of Blended Product, BlendGrade Gasoline, or Blend-Grade Distillate subsequent to the delivery thereof to BUYER;

(b) the handling, use, storage, distribution, labeling, or sale of Blended Product;

(c) the conduct of BUYER's business or the business of any Sublicensee or other party purchasing Blended Product from BUYER; or

(d) the use or condition of the equipment or premises used for the storage, handling and dispensing of Blended Product, Blend-Grade Gasoline, or Blend-Grade Distillate including, but not limited to, use or condition of underground storage tank or lines resulting in groundwater or soil contamination or both, at the Branded Outlets.

The foregoing notwithstanding, BUYER shall not have any obligation to indemnify MPC for any costs, expenses, liabilities, losses, claims, causes of action or damages arising from the sole negligence of MPC, its agents or employees. BUYER's obligations under this Section 10 are not negated in the event its insurance carrier or carriers provide or deny coverage to either BUYER or MPC. BUYER's obligations under this Section 10 shall extend to MPC's affiliates, subsidiaries, parent companies, agents, officers, directors, employees, predecessors and successors.

The provisions of this Section 10 shall be in addition to, and not in limitation of, the provisions of Section 4.3 of the Supply Agreement.

11. TERMINATION

This Addendum shall terminate upon the termination or non-renewal, within the meaning of PMPA, of the Supply Agreement or the franchise relationship created or embodied by the Product Supply Agreement. Upon the occurrence of any Termination Event, MPC shall have the right, at its sole option, to immediately terminate this Addendum without advance notice of termination, written or otherwise, from MPC.

This Addendum, as well as all information disclosed by either party to the other party pursuant to this Addendum, other than such information as may be generally available to the public or the industry, is and will be used by the other party in confidence and solely in connection with this Addendum. The parties agree to keep such information and the terms of this Addendum including secret and confidential from all third parties for a period of one (1) year following expiration of the Term, except in response to a valid subpoena, civil investigative demand or court order issued by a court of competent jurisdiction. If either party is served with process to obtain such information, that party shall immediately notify the other party, which shall have the right to seek to quash such process, or to take such other actions necessary to protect the confidentiality of the information. The provisions of this Section 12(c) shall survive termination of this Addendum regardless of cause.

(d) Claims. All claims must be in writing. Product quality or quantity claims relating to the goods sold by MPC to BUYER pursuant to this Addendum must be delivered to MPC within 30 days after delivery of the product, and all other claims by Buyer must be delivered to MPC within 60 days after the event giving rise to the claim. BUYER shall preserve, and permit MPC to inspect and sample, the subject product. ANY LAWSUIT AGAINST MPC WHICH INVOLVES THESE TERMS OR THE SALE OF PRODUCTS MUST BE BROUGHT WITHIN ONE YEAR AFTER THE CAUSE OF ACTION ACCRUES.

(e) Limitation of Liability. IN NO EVENT SHALL MPC'S LIABILITY FOR DAMAGES (WHETHER ARISING FROM BREACH OF CONTRACT OR WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE) EXCEED THE PURCHASE PRICE OF THE PRODUCT CONCERNED NOR SHALL MPC BE LIABLE FOR PUNITIVE, INCIDENTAL, CONSEQUENTIAL, OR SPECIAL DAMAGES (INCLUDING LOST PROFITS), EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

IN WITNESS WHEREOF, the Parties have executed this addendum on the day and year as shown on the last page.

If JOBBER does not deliver the Minimum Annual Gasoline Volume to the Retail Outlets for resale at retail, in any Contract Year, and JOBBER is currently failing to meet the Minimum Station Count, JOBBER will, at JOBBER's option: (i) pay MPC the Gasoline Deficiency Amount due as described in Section 3(h)(1) ("Payment Option"); or, (ii) extend the Term as described in Section 3(h)(2) ("Extension Option"). MPC will invoice JOBBER for Gasoline Deficiency Amounts within sixty (60) days following the end of each Contract Year for which the Gasoline Deficiency Amount is due. To elect the Extension Option and extend the Term, JOBBER must provide written notice to MPC within five (5) days from JOBBER's receipt of the Gasoline Deficiency Amount invoice. If (a) JOBBER fails to provide timely written notice to MPC; (b) JOBBER has already exercised the Extension Option on three (3) prior occasions during the Term; or (c) the Extension Option would extend the Extension Period to a period of more than two (2) calendar years, then JOBBER shall pay the Gasoline Deficiency Amount invoice as described in the Payment Option.

(1) Payment Option. Payment of the Gasoline Deficiency Amount shall be due from JOBBER via electronic funds transfer (EFT) within ten (10) days of receipt of invoice.

(2) Extension Option. MPC and JOBBER shall execute an amendment to this Agreement, to extend the Extension Period by the number of calendar quarters calculated as follows:

Additional Calendar Quarter(s)
= (1 - (A+ Minimum Annual Gasoline Volume)) x 4

Where:

A = The number of gallons of MARA THON® branded gasoline purchased by JOBBER directly from MPC and delivered to the Retail Outlets, for resale at retail in the applicable Contract Year; and
Additional Calendar Quarter(s) is rounded up to the nearest number of calendar quarters.

In illustration, and not limitation of the foregoing, if the Minimum Annual Gasoline Volume is [***] gallons and JOBBER purchases [***] gallons in the applicable Contract Year:

Additional Calendar Quarter(s) [***]

The Additional Calendar Quarter(s), calculated as [***], is rounded up to the nearest number of calendar quarters, which is one (1) calendar quarter.

In the event that this Agreement terminates during a Contract Year, the total volume of MARATHON® branded gasoline which JOBBER has purchased from the Anniversary Date of the Contract Year to the effective date of termination shall be compared to the prorated Minimum Annual Gasoline Volume in calculating the Gasoline Deficiency Amount, if any, due for the Contract Year. The Minimum Annual Gasoline Volume for the Contract Year shall be prorated by comparing the number of calendar months after the month termination is effective, taken to the closest month, to the twelve months of the Contract Year.

Notwithstanding the foregoing, no Gasoline Deficiency Amount will be due, regardless of volume, if JOBBER is meeting the Minimum Station Count.

4. **Rebates**.

(a) **Gasoline Rebates**.

(1) **Calculation of Gasoline Rebates**. For any calendar month of any Contract Year in which JOBBER has purchased and delivered the volume of MARATHON® branded gasoline indicated in the table below directly from MPC to the Retail Outlets for resale at retail, monthly MPC shall pay JOBBER the corresponding rebate amount, on the corresponding rebate volume of MARATHON® branded gasoline purchased by JOBBER directly from MPC and delivered to the Retail Outlets, for resale at retail, in the calendar month:

[***]

(2) **Gasoline Rebate Limits**. Any term, provision or condition of this Agreement to the contrary notwithstanding, JOBBER acknowledges and agrees that:

(A) no rebates shall be earned or paid with respect to gallons of MARATHON® branded gasoline purchased directly from MPC and delivered to the Retail Outlets, for resale at retail, in any calendar month of any Contract Year in which JOBBER purchases directly from MPC at a Select Terminal and delivers to the Retail Outlets, for resale at retail, less than [***] gallons of MARA THON® branded gasoline;

(B) no rebates shall be earned or paid with respect to gallons of MARA THON® branded gasoline purchased directly from MPC at a Select Terminal and delivered to the Retail Outlets in any calendar month of any Contract Year in excess of [***] gallons; and

(C) no rebates shall be earned or paid with respect to gallons of MARA THON® branded gasoline not purchased directly from MPC at a Select Terminal in a relevant time period or delivered to any motor fuel retail outlet other than the Retail Outlets in a relevant time period.

(b) **Seasonality Adjustments**. JOBBER may propose, at its option, seasonal adjustments to the monthly gasoline rebate trigger volumes applicable to the earning of rebates in Section 4(a)(1), provided, however, that the sum of the monthly minimum rebate trigger volumes for gasoline in the Contract Year, as seasonally adjusted, is equal to sum of the equivalent, unmodified, monthly minimum rebate trigger volumes already in place. Seasonal adjustments to the volumes set forth in Section 4(a)(1) will be made as mutually agreed upon by the Parties and effective upon written amendment signed by both Parties. Such seasonality adjustment proposal must be submitted to MPC in writing not later than sixty (60) days prior to the start of the applicable Contract Year. In the event JOBBER does not make a timely nomination under this Section 4(b), MPC is not obligated to agree to the seasonality adjustment proposal and the minimum monthly volumes already in place will continue to apply absent a signed, written amendment to the contrary.

(c) **Annual Gasoline Rebate True-Up.** If JOBBER's purchases of MARATHON® branded gasoline in any Contract Year during the Term exceeds the Minimum Annual Gasoline Volume, but JOBBER fails to purchase [***] gallons (or the seasonality adjusted monthly minimum rebate trigger volumes) of MARATHON® branded gasoline in any calendar month of such Contract Year (an "**Adjustable Month**"), MPC agrees that JOBBER may allocate gallons of MARATHON® branded gasoline purchased during the Contract Year in excess of the Minimum Annual Gasoline Volume to the Adjustable Month, to allow JOBBER to earn a rebate in such Adjustable Month, if any, in accordance with Section 4(a)(1) that would not have otherwise been earned. In the event there are two or

more Adjustable Months in the Contract Year and prior to making an allocation that triggers a second rebate tier, JOBBER must allocate gallons in a manner that all Adjustable Months earn rebates at the first rebate tier. To allocate gallons, JOBBER must provide written notice to MPC within thirty (30) days after the end of the Contract Year. JOBBER's notice must include sufficient detail to allow MPC to make an accurate and appropriate allocation. If JOBBER fails to provide timely or adequate written notice to MPC, no allocation shall occur. In the event the allocations contemplated in this Section 4(c) result in additional rebates for a Contract Year, JOBBER will receive such excess amount as an adjustment. Adjustments due to JOBBER pursuant to this Section 4(c) will be remitted in the form of a credit memorandum issued by MPC, on or before the last day of the calendar month of February.

(d) **Distillate Rebates**.

(1) **Calculation of Distillate Rebates**. For any calendar month of any Contract Year in which JOBBER has purchased and delivered the volume of MARATHON® branded distillate indicated in the table below directly from MPC to the Retail Outlets for resale at retail, MPC shall pay JOBBER the corresponding rebate amount, on the corresponding rebate volume of MARATHON® branded distillate purchased by JOBBER directly from MPC and delivered to the Retail Outlets, for resale at retail, in the calendar month:

[***]

(2) **Distillate Rebate Limits**. JOBBER acknowledges that:

(A) MPC shall not pay a rebate on any gallon of MARATHON® branded distillate in any calendar month of any Contract Year in which JOBBER has purchased directly from MPC and delivered to the Retail Outlets for resale at retail less than [***] gallons of MARATHON® branded distillate in that calendar month;

(B) MPC shall not pay a rebate on any gallon of MARATHON® branded distillate purchased by JOBBER directly from MPC and delivered to the Retail Outlets in any calendar month of any Contract Year in excess of [***] gallons;

(C) MPC shall not pay a rebate on any gallon of MARATHON® branded distillate that is not (i) purchased by JOBBER directly from MPC in the relevant period, or (ii) delivered to any motor fuel retail outlet other than the Retail Outlets; and

(D) if the first Contract Year occurs on a day other than the first day of a calendar month, the Agreement expires or is terminated on a day other than on the last day of a calendar month, or both, the monthly volume requirements and rebate volume limits expressed in this Section will be prorated in a manner directly proportionate to the number of days of such calendar month.

(e) **Payment of Rebates**. MPC shall pay rebates due to JOBBER under this Section in the form of a credit memorandum issued on a calendar month basis. The foregoing notwithstanding, if any Retail Outlet is not in compliance with the Image and Identification Standards, as of October 1, 2018, and during each calendar month thereafter, or any month in which JOBBER fails to meet the Minimum Station Count, MPC, may hold rebates otherwise due and owing under this Section for all Retail Outlets on account, without interest, until the earlier of (1) the date upon which JOBBER demonstrates that all of the Retail Outlets are in compliance with the Image and Identification Standards; or (2) the date of termination or expiration of this Agreement. If JOBBER has failed to demonstrate full compliance by the date of termination or expiration of this Agreement, MPC may transfer all rebates then held on account to MPC's own account, and upon such transfer, JOBBER releases MPC and waives any collection right to or claim for the payment or receipt thereof.

5. **Volume Determination**.

(a) **Terminal Pulls**. For all purposes under this Agreement, the volume of MARATHON® branded gasoline and delivered to the Retail Outlets for resale at retail in a relevant time period will be construed to equal the volume of MARATHON® branded gasoline that JOBBER purchased directly from MPC in such time period; except that any volumes of MARATHON® branded gasoline delivered by JOBBER in such time period to a retail motor fuel outlet other than a Retail Outlet, as identified on exhibit A will not be deemed to be volumes of MARATHON® branded gasoline delivered for resale at retail to the Retail Outlets in such time period.

(b) **Audit**. JOBBER shall (i) retain all records and books related to JOBBER's volumes delivered to the Retail Outlets ("**Records**") for a period of at least two years from the date of delivery; and (ii) maintain its Records in such manner as to allow MPC, and its authorized representative, upon inspection thereof, to verify the accuracy of JOBBER's volumes delivered to the Retail Outlets. With reasonable advance notice by MPC, JOBBER shall permit MPC or its authorized representative, at reasonable times and at MPC's expense, to review and audit the Records.

6. **Image and Identification Standards**. At no cost or expense to MPC other than the Total Investment, JOBBER will cause all MARATHON® retail outlets supplied by JOBBER to comply, at all times, with the Image and Identification Standards.

7. **Adding Locations to Exhibit A; Supplemental Investment**.

(a) **Addition of Retail Outlets**. JOBBER and MPC may amend exhibit A to add, under the terms for adding "Branded Outlets" in the Product Supply Agreement, one or more motor fuel retail outlets. JOBBER will pay all expenses necessary to convert or refresh such outlets to a MARATHON® retail outlet, except as provided in Subsection (c) below.

(b) **Conditions Precedent to Addition of Retail Outlets**. The addition of one or more retail outlets to exhibit A pursuant this Section is subject to the fulfillment of all the following conditions:

(1) All Retail Outlets are in full compliance with Image and Identification Standards for MARATHON® branded outlets;

(2) JOBBER has notified MPC of JOBBER's proposal to add one or more motor fuel retail outlet(s) to exhibit A and MPC approves of the reimaging or conversion of such motor fuel retail outlets to MARATHON® branded outlets; and

(3) JOBBER and MPC agree to a Committed Volume for each such motor fuel retail outlet.

If each of the foregoing conditions is not fulfilled on or before the last date of the Term and MPC does not waive fulfillment of any unfulfilled condition, the Parties will not amend exhibit A to add any motor fuel retail outlets pursuant to this Section.

(c) **Supplemental Investment.** For any motor fuel retail outlet added to this Agreement, by written amendment to exhibit A effective during Contract Years One, Two and Three, MPC will pay to JOBBER, funds up to the amount of $[***] gallons of Committed Volume associated with such added retail outlet, to reimburse certain expenses necessary to convert the motor fuel retail outlet to a MARATHON® retail outlet. Disbursements of Supplemental Investment pursuant to Subsection (c) of this Section may be pro-rated on a straight-line basis.

Notwithstanding the foregoing, historical sales will be based upon written documentation evidencing the previous twelve (12) months gasoline sales as provided by JOBBER and agreed upon by MPC. Disbursements of Supplemental Investment may be pro-rated in a straight-line basis based upon historical gasoline sales.

(d) **Use of Supplemental Investment**. JOBBER will use the Supplemental Investment to cause the motor fuel retail outlets added to exhibit A pursuant to Subsection (a) of this Section, to meet the Image and Identification Standards and the Parties' agreed image plan for added motor fuel retail outlets.

(e) **Disbursement of Supplemental Investment**. MPC has no obligation to pay the Supplemental Investment to JOBBER until MPC has received from JOBBER:

(1) documentation evidencing, to MPC's sole satisfaction, JOBBER's proper release and termination of existing contractual obligations with respect to motor fuel retail outlets added to exhibit A pursuant to Subsection (a) of this Section, as to the rebranding of which JOBBER represents and warrants that it has developed its plans as a result of market assessments and other business judgments made by JOBBER before entering discussion with MPC regarding, and independent of, this Agreement; and

(2) photographs documenting the completion of all mutually agreed upon reimaging work at each of the Retail Outlets. JOBBER shall manage the reimaging and conversion work described in Subsection (d) of this Section, subject to MPC's prior approval of the reimaging plan developed by JOBBER for each Retail Outlet, and the contractor(s) hired by JOBBER to perform the work. MPC shall reimburse JOBBER for any incurred expenditures within thirty (30) days following receipt of required photographs. Any deficiency of funds for completing the work described in Subsection (d) of this Section at a motor fuel retail outlet added to exhibit A pursuant to Subsection (d) of this Section shall be at the sole cost of JOBBER.

(f) **Added Outlets; Amendment**.

(1) Any motor fuel retail outlet added to exhibit A pursuant to this Section;

(A) will be a Retail Outlet from and after the effective date of the amendment executed by MPC and JOBBER so as to add the retail outlet to exhibit A; and

(B) will comply with the then-current Image and Identification Standards for MARATHON® branded outlets, including those standards stated in MPC's "Image Standards" Manual, and the Parties' agreed image plan for motor fuel retail outlets added to this Agreement, within ninety (90) days following the effective date of the amendment executed by MPC and JOBBER so as to add the retail outlet to exhibit A.

(2) If one or more retail outlets is added to exhibit A pursuant to this Section, for which JOBBER will receive a disbursement of Supplemental Investment, MPC and JOBBER will execute an amendment to this Agreement, effective as of the first day of the calendar quarter in which the disbursement was made, to reflect each of the following:

(A) an incremental increase in the annual cap on Gasoline Deficiency Amount by an amount equal to the amount derived by dividing the Supplemental Investment by the number of Contract Years remaining in the Term; and

(B) an incremental increase in the Minimum Station Count by the number of retail outlets added to exhibit A.

(g) **ID Signs**. MPC shall provide and own, at its own cost and expense, a MARATHON logo sign at each motor fuel retail outlet added to exhibit A Pursuant to this section.

(h) **Removal of Retail Outlets**. During the term and upon JOBBER's written notice to MPC, MPC and JOBBER shall amend exhibit A to remove one or more Retail Outlets, which have been sold or permanently closed.

8. **Default and Termination**. Upon the occurrence of any Termination Event, MPC may choose to:

(a) immediately terminate this Agreement without advance notice of termination to JOBBER, written or otherwise, and

(b) receive from JOBBER, without prior demand, that amount, which shall be immediately due and payable, equal to the sum of:

(1) the unamortized amount of Investment Part A, as contemplated by Section 3(c) at the time the Termination Event occurs;

(2) the unamortized amount of Investment Part B, as contemplated by Section 3(d), at the time the Termination Event occurs;

(3) any and all Gasoline Deficiency Amounts related to JOBBER's election of the Extension Option as contemplated by Section 3(h);

(4) the unamortized amount of the Supplemental Investment, if any, as contemplated by Section 3(f) at the time the Termination Event occurs; and

(5) the amount of rebates paid or credited under Section 4(e) of this Agreement at the time the Termination Event occurs multiplied by the number of months remaining in the Term/96.

9. **Miscellaneous**.

(a) **Payment**. Unless a different time frame for payment is otherwise stated in this Agreement, payment of any amount due pursuant to this Agreement will be made to MPC within 30 days from the invoice date.

(b) **Assignment**. Except with MPC's prior written consent, JOBBER will not assign JOBBER's interest in, or delegate JOBBER's duties under, this Agreement, including by merger, consolidation, dissolution or operation of law. Any such unauthorized assignment or delegation will be null, void and of no force or effect and will constitute a Termination Event. In no event will any assignment relieve JOBBER of its obligations hereunder.

(c) **Amendment**. No amendment or modification of this Agreement will be effective unless made in writing signed by authorized representatives of both Parties.

(d) **Remedies**. Remedies stated in this Agreement for breach or default, except as may be specifically provided, are cumulative and not exclusive. Nothing in this Agreement will prevent either Party from obtaining or pursuing, other or additional remedies to which such Party may be entitled by law or in equity.

(e) **Waiver**. No waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the Party granting the waiver.

(f) **Notices**. Any notice or the like required or permitted in this Agreement will be sent to the appropriate Party at said Party's address first shown above. Notice will be deemed given when received.

(g) **Severability**. If any provision or term of this Agreement is determined by a court with appropriate jurisdiction to be in conflict with any state or federal law or otherwise so determined to be illegal, unenforceable or invalid, the validity of the remaining terms and provisions will not otherwise be affected thereby and the rights and obligations of the Parties will be construed and enforced as if the Agreement did not contain the term or provision held to be invalid.

(h) **Binding Effect**. All rights conferred by this Agreement will be binding upon, insure to the benefit of, and be enforceable by or against the respective successors and assigns of the Parties hereto.

(i) **Headings**. The descriptive headings in the Agreement are inserted for convenience only and do not control or affect the meaning, construction, or interpretation of or constitute a part of this Agreement.

(j) **Integration; Anti-Reliance**. This Agreement contains the entire agreement between the Parties relating to its subject matter and supersedes and cancels all prior agreements, oral or written, relating to the subject matter of this Agreement. JOBBER acknowledges that because it is not relying on any statements made by MPC to JOBBER, other than in this Agreement, regarding the subject matter of this Agreement, JOBBER shall have no basis for bringing any claim for fraud in connection with any such statements.

(k) **Counterparts**. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

(l) **Electronic Signatures**. The Parties may execute this Agreement electronically with the intent that such electronic signature will have the same effect as a handwritten original signature. By signing electronically, JOBBER and MPC acknowledge that they have read, understand and hereby agree to be bound by the electronic signatures applied to this Agreement in the same manner as if such Parties had signed this Agreement with handwritten original signatures.

The Parties are signing this Rollover and Master Branding Agreementas of the day and year first written above.

SECOND AMENDMENT TO ROLLOVER AND MASTER BRANDING AGREEMENT

This **SECOND AMENDMENT TO ROLLOVER AND MASTER BRANDING AGREEMENT** ("**Amendment**") is made between GPM Petroleum, LLC ("**JOBBER**"), a Delaware limited liability company with offices at 8565 Magellan Parkway, Suite 400, Richmond, Virginia 23227, and Marathon Petroleum Company LP ("**MPC**"), a Delaware limited partnership with offices at 539 South Main Street, Findlay, Ohio 45840, each a "**Party**" and together, the "**Parties**".

> "(p) "**Select Terminals**" means the light products terminals located in Florida, Kentucky, Illinois, Indiana, Ohio, Michigan, North Carolina, South Carolina, Tennessee, Virginia and Wisconsin from which MPC makes available MARATHON® branded motor fuels for purchase by its jobber class of trade; provided, however, in the event MARATHON® branded gasoline or MARATHON® branded distillate becomes unavailable for any reason at any terminal within the foregoing list, then MPC may designate, in writing, another terminal in lieu of such terminal, in MPC's reasonable discretion, and such terminal shall be deemed one of the Select Terminals for purposes of the Agreement. This Branded Jobber Contract ("**Contract**") is by and between **BP Products North America Inc.** and hereinafter referred to as "**Company**," with a principal office located at 150 West Warrenville Road, Naperville, IL 60563; and

GPM Petroleum LLC **("Jobber"), a Delaware Limited Liability Company,**
(State exact legal name of Jobber) *(State legal entity)*

with its principal offices located at **8565 Magellan Parkway, Suite 400, Richmond, VA 23227**
(complete address of principal office A post office box is not sufficient)

Now, Therefore, Company and Jobber, intending to be legally bound, agree to the following:

1. Term. The term ("**Term**") covered by this Contract will be for a period of **three (3)** years beginning on January 1, 2020 and ending on **December 31, 2022**, unless terminated earlier by law or by the terms of this Contract or unless extended by Company for a period of time designated by Company in a written notice delivered to Jobber. If the franchise relationship underlying this Contract continues for any reason beyond the expiration date indicated above, as the same may have been extended by Company, this Contract will be automatically extended through the expiration or termination of such franchise relationship, unless otherwise terminated, or until Jobber receives written notice that Company is not renewing the Contract, or until the parties enter into a new branded jobber contract, if offered by Company.

2. Products, Approved Retail Sites, and Annual Volume Requirement.

(a) Products to be purchased. Company agrees to sell and, to the extent permitted by law, Jobber agrees to purchase and receive Company's currently offered and available branded motor fuel products, for resale to the public, as determined and designated solely by Company ("**Products**"), including, but not limited to: BP Branded Fuel, AMOCO Branded Fuel, Branded Diesel, Branded Renewable Fuel and/or Other Branded Fuel (as defined below). During the Term of this Contract, only designated Products authorized by Company may be sold to the public at the Approved Retail Sites (defined herein).

(i) "**BP Branded Fuel**", which means motor fuel bearing the BP Brand. Upon Company's prior approval, Jobber may be permitted to sell, on a non-exclusive, limited, site-specific basis, BP Branded Fuel, and make use of certain BP Trade Identities, as set forth in **Paragraph 5**, Trade Identities.

(ii) "**AMOCO Branded Fuel**", which means motor fuel bearing the AMOCO Brand. Upon Company's prior approval, Jobber may be permitted to sell, on a non-exclusive, limited, site-specific basis, AMOCO Branded Fuel, and make use of certain AMOCO Trade Identities, as set forth in **Paragraph 5**, Trade Identities.

(iii) "**Branded Diesel**", which means any diesel fuel that becomes branded by Company. Company makes no representations or warranties that Branded Diesel will be offered or available during any part of the term of this Contract. But if and when available and upon Company's prior approval, Jobber may be permitted to sell, on a non-exclusive, limited, site-specific basis, Branded Diesel, and make use of certain Branded Diesel Trade Identities, as set forth in **Paragraph 5**, Trade Identities.

(iv) "**Branded Renewable Fuel**", which is defined in subsection (b) below. Company makes no representations or warranties that Branded Renewable Fuel will be offered or available during any part of the term of this Contract. But if and when available and upon Company's prior approval, Jobber may be permitted to sell, on a non-exclusive, limited, site-specific basis, Branded Renewable Fuel, and make use of certain Branded Renewable Fuel trade identities, as set forth in **Paragraph 5**, Trade Identities.

(v) "**Other Branded Fuel"**, which is defined in this paragraph. Company makes no representations or warranties that another brand of Company motor fuel will be offered or available during any part of the Term of this Contract. But if and when available and upon Company's prior approval, Jobber may be permitted to sell, on a non-exclusive, limited, site-specific basis, a designated brand of motor fuel other than BP Branded Fuel, AMOCO Branded Fuel, Branded Diesel, or Branded Renewable Fuel within the Company's family of brands ("Other Branded Fuel"), and to make use of certain of Company's Trade Identities associated therewith, as set forth in **Paragraph 5**, Trade Identities.

By signing this Contract, Jobber affirms and acknowledges that:

- **Company has multiple brands of motor fuel.**
- **In conjunction with Paragraph 5 of this Contract, at Company's sole discretion and regardless of proximity to any other retail site with any of Company's Trade Identities, Company can choose to supply and/or authorize the sale of any of its Products at any retail site, including but not limited to any sites owned or operated by Company.**

(b) Renewable Fuel.

(i) Jobber may sell Renewable Fuel where required or mandated by law, provided any such Renewable Fuel must meet all federal, state and local standards. "**Renewable Fuel**" is (i) fuel where no less than 10 percent and no more than 85 percent of the volume consists of ethanol; and (ii) any mixture of biodiesel and diesel or renewable diesel (as defined in regulations adopted pursuant to Section 211(o) of the Clean Air Act (40 CFR part 80), determined without regard to any use of kerosene and containing at least 20 percent biodiesel or renewable diesel. To the extent the definition of Renewable Fuel is inconsistent with the definition of renewable fuel as set forth in 15 U.S.C. §2807(a)(1), as the same may be amended from time to time ("**Renewable Fuel Statute**"), then the definition of "Renewable Fuel" herein will be the same as the definition of renewable fuel contained in the Renewable Fuel Statute.

(ii) If Company is offering either Branded or Unbranded Renewable Fuel for resale at the Approved Retail Sites, then all of Jobber's Renewable Fuel must be purchased from Company, subject to all applicable laws. If Jobber is required or mandated to sell Renewable Fuel at a time when Company is not offering Branded or Unbranded Renewable Fuel for resale at the Approved Retail Sites, then Jobber may purchase such Renewable Fuel from another source, provided that Jobber begins purchasing such Branded or Unbranded Renewable Fuel from Company immediately after Jobber receives notice from Company that it is offering Branded or Unbranded Renewable Fuel to Jobber for resale at the Approved Retail Sites.

(c) Diesel.

(i) If Company is offering Branded or Unbranded Diesel for resale at the Approved Retail Sites, then all of Jobber's Branded or Unbranded Diesel for the Approved Retail Sites must be purchased from Company. If Company is not offering Diesel for resale at the Approved Retail Sites, then Jobber may purchase Diesel for the Approved Retail Sites from another source, provided that (A) the Diesel is sold as unbranded Diesel, and (B) Jobber begins purchasing Diesel from Company immediately after Jobber receives notice from Company that it is offering Branded or Unbranded Diesel to Jobber for resale at the Approved Retail Sites.

(ii) Jobber acknowledges and agrees to review Company's current on-site winterization guidelines for diesel on Company's portal at http://bpconnection.com. Jobber covenants that it will at all times comply with such guidelines and complete all documentation required by Company to confirm such compliance. Jobber further acknowledges and agrees that on and after the date Company installs its own terminal winterization, that Jobber has the option to purchase such blended diesel product from Company in lieu of on-site winterization.

(d) Approved Retail Sites. Attachment A will set forth, among other things, the retail sites approved under **Paragraph 6(a)** below, from which the Company Products purchased by Jobber from Company may be resold to the public ("**Approved Retail Sites**"). Jobber will provide Company with, among other things, the complete address for each Approved Retail Site. All retail locations at which Company's approval has been revoked will be deemed automatically removed from Attachment A on the date approval is revoked.

(i) Jobber acknowledges and agrees that it has entered into this Contract without any reliance as to the present or future proximity of other Company-branded retail sites to Jobber's current Approved Retail Sites, including retail sites branded "BP," "AMOCO" or any other Company Trade Identities, and including sites owned or operated by Company.

(e) Resale of Products. Products purchased under this Contract will not be resold, under Company's Trade Identities (as defined in **Paragraph 5(a)** below), from any location unless and until said location is set forth on Attachment A and/or unless and until said location has been approved pursuant to **Paragraph 6(a)** below. Jobber will not sell, supply or deliver any Products purchased under this Contract to any retail location that is directly-supplied by Company or that is designated by Company as a directly supplied location.

(f) Total—Minimum Annual Volume Requirement. Jobber will be required to purchase a minimum number of gallons of Products during every continuous 12-month period during the Term as set forth in AttachmentA-1 ("**Annual Volume Requirement**"), with the first period commencing on the beginning date of the Term. In the event that Jobber fails for any reason to acquire from Company the minimum amount of total Annual Volume Requirement required for each applicable 12-month period, Jobber will be in breach of this Contract, and Company may terminate this Contract and/or non-renew any franchise relationship as described in **Paragraph 16** of this Contract. Jobber also acknowledges and agrees that Company's rights and remedies pursuant to the Contract will be without prejudice to all other rights and remedies available to Company pursuant to this Contract, at law, or in equity, including, but not limited to, the right to seek actual and any consequential damages caused by or related to Jobber's breach of the Contract.

(g) Per Site—Minimum Annual Volume Requirement. Jobber will be required to purchase a minimum of [***] gallons of Products during every continuous 12-month period during the Term for each and every Approved Retail Site ("**Per Site Annual Volume Requirement**"), with the first period commencing on the beginning of the Term. In the event that Jobber fails for any reason to acquire from Company the minimum amount of Per Site Annual Site Volume Requirement required for each applicable 12-month period for any one Approved Retail Site, Company may revoke its approval of such Approved Retail Site, at which time it will automatically be removed from the list of Approved Retail Sites set forth on Attachment A of this Contract. Jobber also acknowledges and agrees that Company's rights and remedies pursuant to this Contract will be without prejudice to all other rights and remedies available to Company pursuant to this Contract, at law, or in equity, including, but not limited to, the right to seek actual and any consequential damages caused by or related to Jobber's breach of the Contract.

(h) Trial Franchise. If this Contract states that this Contract is a "**Trial Franchise**", then Jobber will provide to Company, prior to the beginning of the Term, Jobber's estimate of the quantities of all Products that it expects to purchase and supply during the first year for each and every Approved Retail Site.

(i) Updates to Attachment A. Company may provide to Jobber an updated, amended and/or revised Attachment A from time to time during the Term ("**Updated Attachment A**"), which will immediately supersede the previous Attachment A received by Jobber. Jobber will immediately notify Company in writing if it notices an error in such Attachment A, or if it is no longer able to supply an Approved Retail Site listed in Attachment A. If such written notice isn't received by Company within five (5) days of the date Company delivered the Updated Attachment A, the information contained in the Updated Attachment A shall be deemed by Jobber to be true, complete and accurate.

3. Jobber's Designated Terminals, Price of Products, Title and Risk of Loss.

(a) Prices. All terminals where Jobber will take delivery of the Products sold under this Contract will be determined and designated by Company ("**Jobber's Designated Terminals**") and set forth in Attachment A, as amended from time to time. The price which Jobber will pay for each Product sold under this Contract will be Company's jobber buying price for that brand of Product as authorized by Company pursuant to **Paragraph 5** of this Contract, in effect on the date and at the time of sale for each of Jobber's Designated Terminals ("**Jobber Buying Price**"). In addition to the applicable Jobber Buying Price, Jobber will also pay all other applicable charges, including, but not limited to, those charges categorized in **Paragraph 25** below.

(b) Title and risk of loss. Title and risk of loss to all Products sold to Jobber under this Contract will pass to Jobber f.o.b. Jobber's Designated Terminals at the time of loading into Jobber's transport equipment, including any contract carrier equipment engaged by Jobber.

4. Payment Terms.

(a) Credit. Nothing in this Contract will be construed as obligating Company to extend credit to Jobber. If Company, in its sole discretion, determines to extend credit to Jobber, it will do so: (i) in accordance with Company's then current credit policies, as amended from time to time; (ii) subject to Jobber timely providing annual financial statements; and (iii) subject to the execution of a guaranty by Jobber's principal or by a third party provided such guaranty is deemed satisfactory by Company. Upon Company's request, in accordance with Company's then current credit policies, Jobber will also provide Company with interim financial statements and a letter of credit, cash deposit and/or other form of security acceptable to Company. Company reserves the right to change its credit terms and policies at any time either for the class of trade generally or for Jobber individually and, among other things, to revoke Jobber's credit (if previously extended), and require that Jobber pay for all Products and services under this Contract via the advance payment methods set forth in **Paragraph 4(b)** below. Payment discounts are not applicable to taxes, inspection fees and the like.

(b) Jobber payments method. Jobber will pay for all Products, open account items and all other items and services under this Contract via the payment method designated for Jobber by Company, which may include electronic funds transfer ("**EFT**"), advance payment via bank wire transfer, or such other comparable payment methods then required by Company. Company reserves the right to change Jobber's payment method at any time either for the class of trade

generally or for Jobber individually. Jobber will establish an account with a financial institution, on terms acceptable to Company, that provides EFT services and will authorize Company to initiate transfers of funds between Jobber's account and Company's accounts for payment of any and all amounts due to Company under this or any other agreement. Jobber will provide Company with all information and authorization necessary to debit and credit Jobber's account via EFT. These drafting authorities will remain in full force and effect during the entire Term of this Contract giving Company the right, at all times, to withdraw funds for sums owed to Company from Jobber's account, via EFT.

(c) Rights of Company. Company is entitled to restrict deliveries, as determined by Company, require additional security and/or terminate or non-renew this Contract, in addition to exercising any other rights Company may have under this Contract at law or in equity in the event of: (i) one or more incidents of a failure by Jobber to timely or fully pay, including the inability for Company to withdraw sums via EFT because of nonsufficient or uncollected funds, a bank wire transfer that was not authorized or had a stop payment, or any other stop payment or nonpayment reason; or (ii) Jobber's failure to supply required or requested financial information or security acceptable to Company; or (iii) Jobber's financial distress; or (iv) a determination by Company that Jobber may be unable to timely or fully pay in the future.

(d) Finance and service charges. Company will, at its election, assess finance charges on all amounts not paid by Jobber on the net due date. Finance charges will be assessed monthly at an annualized rate equal to the greater of (i) 8%, or (ii) 2% over the highest Prime Rate published in the Wall Street Journal ("**Money Rates**" section) on the last business day of the month preceding the assessed charge (or if such rate exceeds the highest rate allowable by law, then the highest rate allowable by law), or in the event such rate ceases to be determined and reported in such publication, any comparable rate determined in good faith by Company. Company reserves the right to change this finance charge rate at any time without prior notice to Jobber. Company will also impose a service charge for each attempted withdrawal via EFT which is dishonored for nonsufficient or uncollected funds, whether or not subsequently paid by Jobber. All charges assessed by Company will be collected by withdrawing funds from Jobber's account via EFT.

(e) Company invoices. Other than those disputes governed by **Paragraph 20** below, Jobber must notify Company in writing of disputes regarding any charges or other items on any Company invoice or statement within 60 days after Jobber's receipt of same. If Jobber fails to dispute a charge or other item within this 60 day period, the invoice or statement in question will be presumed to be accurate.

5. Company's Trade Identities and Image.

(a) Use of Trade Identities generally. Jobber will be permitted to use, and will be permitted to allow its dealers and others that Jobber supplies with Products purchased under this Contract ("**Jobber-Marketer**") to use — on a non-exclusive, limited, site-specific basis at Approved Retail Sites — certain and specifically designated Company (BP, AMOCO, or others), trademarks, service marks, trade names, brand names, trade dress, logos, color patterns, color schemes, design schemes, insignia, image standards and the like (individually, as **"Brand"** and collectively, as "**Trade Identities**") in connection with the advertising, distribution and/or resale of the Products authorized by, supplied by and/or purchased from Company under this Contract. Company's Trade Identities may include those in use at the time this Contract is executed and may also include, in the Company's sole discretion, those Trade Identities that the Company may subsequently implement, develop, adopt, or otherwise obtain through licenses or other means. Company will retain, at all times, the right to determine which Brands and/or Trade Identities will be used or displayed, and the manner of their use or display, at an Approved Retail Site, and the right to restrict the use or display of certain Trade Identities to certain Approved Retail Sites (or to certain locations at an Approved Retail Site), regardless of the Approved Retail Sites' proximity to other sites branded with any Company Trade Identity, including sites owned or operated by Company. Company will also have the right, at any time and for any reason, to revoke its approval to use certain or all of its Trade Identities at certain or all Approved Retail Sites (or at certain locations at an Approved Retail Site) — as further provided in **Paragraphs 5(e) and 6(b)** below — and, where applicable and in its sole discretion, to substitute any other Trade Identities in their place. Jobber will not directly or indirectly cause any Trade Identity to become fixtures or part of the real property.

(b) Use of Trade Identities governed by this Contract, related agreements and related guidelines, etc. The permission to use Company's Trade Identities will be governed by the terms and conditions of this Contract and related agreements, including all attachments, schedules, appendices and amendments attached to and incorporated in those agreements. In addition, Company's Trade Identities will only be used in accordance with — and only if Jobber complies with --the guidelines, policies, procedures, programs, requirements, specifications, standards (both operational and visual) and strategies issued by Company, as amended from time to time.

(c) Use of Trade Identities on signage. Jobber will be permitted to acquire and display approved signage bearing Company's Trade Identities ("**Trade Identity Signage**"), in connection with the advertising, distribution and/or resale of Products under this Contract, on an Approved Retail Site-specific basis. Under no circumstances will Jobber be allowed to relocate signage bearing Company's Trade Identities to another Approved Retail Site or other retail location without Company's prior consent. Jobber will provide Company with a list of all signage bearing Company's Trade Identities in Jobber's possession and/or control and the exact location of said signage at the Approved Retail Site, upon Company's request.

(d) Use of Trade Identities in conjunction with the sale of Representative Amounts of certain Products. At all times at each Approved Retail Site under this Contract, Jobber will offer for sale, or cause to be offered for sale, representative amounts of each grade of Company-branded Products that are necessary, in Company's discretion, to satisfy public demand ("**Representative Amounts**"). If Jobber or its Jobber-Marketers ceases to offer or make available one or more of these designated Products in the required Representative Amounts at an Approved Retail Site, Company may revoke its prior approval to use certain or all of its Trade Identities at the Approved Retail Site, in which case Jobber will cease using or displaying, or cause its Jobber-Marketers to cease using or displaying, certain or all of Company's Trade Identities at that site.

(e) Use of Trade Identities in conjunction with Company's retail marketing strategies and development plans, image programs and standards. At each Approved Retail Site, including each Jobber-Marketer Approved Retail Site, Jobber will comply with, and ensure that all of its Jobber-Marketers comply with, Company's then current image programs and standards (both operational and visual), as amended from time to time, which may include programs and standards for the design, construction, maintenance, appearance and cleanliness of the Approved Retail Sites at which the Trade Identities is installed and displayed.

As part of this image compliance requirement, Jobber will ensure that no items of a pornographic or sexually explicit nature are displayed, used, stored, offered, rented or sold at any Approved Retail Site, items of this nature will include, but will not be limited to, magazines, videotapes, compact disks, digital video disks, or like materials which are pornographic, sexually explicit or so-called "adult" in nature.

Additionally, as part of this image compliance requirement, Jobber will ensure that no illegal drugs, synthetic drugs produced to mimic illegal drugs, (including, but not limited to cannabinoids), or items that are intended or designed for use in ingesting, inhaling or otherwise consuming an illegal drug are displayed, used, stored, offered, rented or sold at any Approved Retail Site, items of this nature will include, but not be limited to, pipes, tubes, roach clips, instructions or descriptive materials, or containers for concealing illegal drugs or paraphernalia.

Jobber further agrees, as part of this image compliance requirement, that no gambling devices, machine or equipment are displayed, used, stored, offered, rented or sold at any Approved Retail Site, items of this nature will include, but not be limited to, slot machines, pinball machines (except those that do not return to the player anything but free additional games), cane racks, knife racks, artful dodgers, punch boards, roll downs, merchandise wheels, roulette wheels, video poker, video pull-tabs or similar devices. Items of this nature shall specifically exclude equipment used for sale of lottery tickets endorsed by the State in which the Approved Retail Site is located.

Jobber also agrees, as part of this image compliance requirement, to neither display nor offer to sell or give away any offensive images or any symbols of hatred, as determined by Company's sole discretion, including but not limited to Nazi emblems, Ku Klux Klan materials, Confederate flags or paraphernalia as well as any other material containing epithets based on racial, ethnic, national origin, religious, sex or sexual orientation designation.

Jobber also agrees that its right to use Company's Trade Identities under this Contract will be subject to Company's then current retail marketing strategies and development plans, as amended from time to time. If an Approved Retail Site no longer conforms or fails to conform to Company's then current retail marketing strategies and development plans, as amended from time to time, or to Company's then current image programs or standards (both operational and visual), as amended from time to time, or to the foregoing image compliance requirements, Company may revoke its prior approval to use certain or all of its Trade Identities at the Approved Retail Site, in which case Jobber will cease using or displaying, or cause the offending Jobber-Marketer to cease using or displaying, certain or all of Company's Trade Identities at that site.

(f) Use of Trade Identities on Jobber's property including websites. Jobber will be permitted to display Company's Trade Identities in conjunction with Jobber's websites, business forms, advertising materials, structures, vehicles, and other Jobber property directly related to the advertising, distribution and/or resale of Products under this Contract. Jobber may only do so, however, if the words "**Products Distributor**" or "**Products Jobber**" appear immediately adjacent to the displayed location of said Trade Identities. Company will have the right to approve such use of its Trade Identities in advance and to revoke its approval at any time and for any reason. If Company exercises its right to revoke, terminate or nonrenew, or if the property in question is sold or otherwise transferred, Jobber will immediately (i) cease using or displaying, remove, cover or obliterate, or (ii) cause any third party to immediately cease using or displaying, remove, cover or obliterate the Trade Identities on the property in question.

(g) Misuse of Trade Identities with Jobber's company name or Jobber's own trade identities. Jobber will not use any of Company's Trade Identities as part of Jobber's company name. If Jobber has formed a company or has acquired a company that uses any of Company's Trade Identities as part of Jobber's company name, it will be required to amend its articles of incorporation or organization so as to delete Company's Trade Identities from its company name. Likewise, Jobber will not use any of Company's Trade Identities as part of Jobber's own trade identities. If Jobber has developed trade identities or has acquired trade identities that incorporate any of Company's Trade Identities as part of Jobber's trade identities, it will be required to delete Company's Trade Identities from its own trade identities.

(h) Misuse of Trade Identities in connection with certain sales. Jobber will not use any of Company's Trade Identities in connection with the advertising, distribution and/or resale of: (i) any dilution or adulteration of a Product authorized by, supplied by and/or purchased from Company; (ii) any mixture or blend of Products authorized by, supplied by and/or purchased from Company, without Company's prior written consent (which consent may be revoked at any time and for any reason); (iii) any Product authorized by, supplied by and/or purchased from Company but sold under an incorrect or inappropriate Company Trade Identities or sold through unapproved or disapproved packages, containers or equipment; or (iv) any product not authorized by, supplied by and/or purchased from Company. In furtherance thereof, Jobber shall not introduce any Products into any storage tank(s), transportation vehicle(s), or pump(s) that has supplied or been used for storage, transportation or dispensing of any motor fuels other than the Products until such tank, vehicle or pump has been purged of all such motor fuels. Company must be provided with fourteen (14) days advance written notice if Jobber intends to introduce any of the Products into a storage tank or pump that has been supplied or been used for storage or dispensing of motor fuels other than the Product. In addition, Jobber will not use or display at any Approved Retail Site, any trademarks, service marks, or brand names of any company or entity that is affiliated with the sale of motor fuel products other than Company's Trade Identities or Jobber's trade identities. In the event Company believes Jobber or any Approved Retail Site is in violation of this section, Company may, but shall not be obligated to, perform tests at such Approved Retail Sites, the costs of which shall be paid in full by Jobber.

(i) Company's right to audit. To verify Jobber's performance under this Contract and related agreements or as part of a Company compliance program, as issued and amended from time to time, Company will have the right to: audit records in the possession or control of Jobber or its Jobber Marketers; inspect all Approved Retail Sites; and sample all Products in the possession or control of Jobber and/or its Jobber Marketers. Jobber will cooperate fully and completely throughout the audit and inspection processes, and ensure that its Jobber-Marketers cooperate fully and completely. If Jobber designates its records as confidential, Company will not voluntarily disclose said information to anyone without Jobber's written consent, except to those directors, officers, shareholders, employees, agents, principals or advisors (including, without limitation, attorneys, accountants, consultants, bankers and financial advisors) ("**Agents**") of Company with a need to know.

(j) Discontinued use of Trade Identities.

(i) Upon expiration or termination of this Contract, for any reason, Jobber will immediately cease using or displaying, and cause all of its Jobber-Marketers to cease using or displaying, Company's Trade Identities and will dispose of all signage in accordance with this Contract. All remaining evidence of Company's Trade Identities will be immediately obliterated by Jobber.

(ii) Company will have the right to cause any and all signage bearing Company's Trade Identities to be removed, or to cause Company's Trade Identities on said signage to be removed, covered or obliterated, from any disapproved retail location or from any retail location at which Company's approval has been revoked, including those Trade Identities on any personal property sold or transferred by Jobber or a Jobber Marketer.

(iii) If Jobber does not immediately cease using or displaying, and cause its Jobber-Marketers to cease using or displaying, Company's Trade Identities when required in this Contract, Company will have the irrevocable right to use any means necessary to remove, cover or obliterate the Trade Identities, including entering upon the relevant premises or filing a legal action, with Jobber's full and complete cooperation, and at Jobber's expense. Jobber will reimburse Company for all expenditures incurred in removing, covering and obliterating Company's Trade Identities hereunder, including, but not limited to, attorneys' fees and court costs.

(k) [***]

(l) Canopies for Branded Diesel. All Branded Diesel sold by Jobber will be only under Company-branded canopies or from a Branded Diesel dispenser at a location not under canopy approved by Company, at the Approved Retail Site(s) and all pumps dispensing diesel under Company-branded canopies, even if not Branded Diesel, will conform in all respect to Company's then current image programs and standards for Branded or Unbranded Diesel, as amended from time to time, except as otherwise agreed to and in writing by Company. Notwithstanding the foregoing, if Company is offering diesel for resale at the Approved Retail Sites, then all of Jobber's diesel must be purchased from Company, as provided in **Paragraph 2(c)(i)** of this Contract.

6. Site Approval.

(a) Use of Company's Trade Identities at each Approved Retail Site. It is and will be an on-going condition of the right to use Company's Trade Identities under this Contract, which Jobber must first obtain Company's prior written consent for each and every location that Jobber desires to identify with Company's Trade Identities, including all Jobber-Marketer retail locations. The approval and designation as an Approved Retail Site will be within Company's sole discretion and will be based on certain factors and upon certain criteria relative to the site, including, but not limited to: current or proposed appearance; current or proposed Trade Identities and Brand to be used; location of underlying real estate; ownership status of underlying real estate; current or proposed mode of operation; current or proposed offer; current or projected volume; current or proposed hours of operation; current or proposed training capabilities; current or proposed improvements, facilities or equipment; enrollment or participation in the Company's brand assurance program; Company's then current image programs and standards (both operational and visual), as amended; or Company's then current or amended retail marketing strategies and development plans in the vicinity of the proposed location, or elsewhere. For purposes of emphasis and elaboration, but without limitation, Company will have the right to require motor fuel dispensers to be covered by approved canopies and to be equipped with approved card readers. Company will also have the right to determine the appropriate geographic density, Brand, and channel-of-trade mix for all retail locations identified and/or to be identified with Company's Trade Identities. It will be a further requirement that Jobber has used and/or is using its best efforts to develop, operate and/or supply its then currently Approved Retail Sites. Company's right of approval hereunder will also apply to those situations where Jobber desires to supply a retail location that is then currently identified with Company's Trade Identities but supplied by another branded jobber or other supplier of Company's Products. Company will retain, at all times, the right to determine or the right to approve which Trade Identities will be used or displayed, and the manner of their use or display, at an Approved Retail Site and the right to restrict the use or display of certain Trade Identities to certain Approved Retail Sites (or to certain locations at an Approved Retail Site).

(b) Site approval revoked. Company will have the right to revoke its prior approval identifying an Approved Retail Site if the site no longer conforms to or fails to conform to: the terms or conditions of this Contract and related agreements; any other agreements with Company or an affiliate of Company; the Company's then current image programs or standards (both operational and visual), as amended from time to time; the Company's then current retail marketing strategies and development plans, as amended from time to time; or to any law or regulation. Company will also have the right to revoke its prior approval identifying an Approved Retail Site based upon, but not limited to, the factors and criteria set forth in **Paragraph 6(a)** above. For purposes of emphasis and elaboration, but without limitation, Company will have the right to revoke its prior approval identifying an Approved Retail Site if – after 6 months from Company's request – the site is not identified with approved Trade Identities, the motor fuel dispensers at the sites are not covered by approved canopies or said dispensers are not equipped with approved card readers. In addition to the foregoing, if Company approves a site which is operating as a competitor site at the time of such approval, Company's approval is automatically revoked if such site is not identified with approved Trade Identities within six (6) months of the date of the original site approval. If Company revokes its approval, Jobber will immediately cease using or displaying, or cause its Jobber-Marketers to cease using or displaying, Company's Trade Identities at that retail location as described in **Paragraph 5(j)(ii)**. Company will also have the right, at any time and for any reason, to revoke its prior approval to use certain or all of its Trade Identities at certain or all Approved Retail Sites (or at certain locations at an Approved Retail Site) and, where applicable and in its sole discretion, to substitute any other Trade Identities in their place.

(c) Jobber's right to supply disapproved or revoked sites. Nothing in this Contract will prevent Jobber from supplying a disapproved retail location or a retail location at which Company's approval has been revoked provided that Jobber does not permit Company's Trade Identities to be displayed at that location.

7. Marketing Responsibility at Approved Retail Sites.

(a) Jobber to use best efforts to market at each Approved Retail Site. Jobber will use its best efforts to market, or cause to market, the Products covered by this Contract at each and every Approved Retail Site and within the trade area of each and every Approved Retail Site.

(b) Marketing within the trade area of an Approved Retail Site not exclusive. This Contract does not confer upon Jobber exclusive marketing rights, specific Trade Identities, and/or trademark rights within any trade areas. Company will, at all times and for any reason, maintain its sole and unlimited right to make other provisions for the marketing of its Products and services under any of its Trade Identities within the trade areas of Jobber's Approved Retail Sites, or elsewhere, including, but not limited to: establishing its own directly-operated, contractor-operated, or commission marketer retail locations; establishing its own directly-supplied reseller/Jobber retail locations; and/or approving retail locations to be operated or supplied by other jobbers.

8. Payment Methods including Credit Cards.

(a) Company's Payment Methods Program. Company may from time to time endorse and sponsor specific proprietary and third party payment methods including certain credit cards, charge cards, fleet cards, debit cards, pre-paid cards and the like (individually or collectively, "**Payment Methods**") for use at specified Approved Retail Sites selling Company's Products. Company will not be obligated to sponsor or participate in any specific Payment Methods program, or may withdraw its sponsorship of, or participation in, any such program at any time, or may condition any sponsorship or participation upon payment of service, equipment or other fees by Jobber. If Company does sponsor a Payment Methods program ("**Payment Methods Program**"), Jobber agrees that Company's proprietary Payment Methods and all third party Payment Methods specified by Company will be accepted at each payment point (including card-readers-in-dispensers, if present) at each Approved Retail Site including, but not limited to, cents off per gallon loyalty cards and other Company proprietary reward program cards (except where prohibited by law). Jobber will strictly comply with the operating rules, terms and conditions of any Payment Methods Program that Company may sponsor, by and through any manuals, bulletins, or other forms of written or electronic communications, as issued and as amended from time to time.

(ii) Company will have the right to charge back sales transaction amounts made by Jobber's customers or by customers of its Jobber-Marketers for a period of 6 months from the date of a transaction. Jobber must maintain, or cause to maintain a paper record of each transaction receipt for a period of 13 months. This obligation to maintain a paper record of each transaction does not impose any obligation on Jobber to retain a similar electronic record.

(**b) BP System**. For purposes of this Contract, the "**BP System**" means Company's then current equipment and software it requires from time to time as the electronic payment server and forecourt controller ("**Commander**") box required by Company and which is located at the Approved Retail Sites combined with the wide area network infrastructure outsourced by Company, both of which act as the interface between the Approved Retail Site and the processor selected by Company ("**Settlement Processor**"), to ultimately transfer Cardholder Data (defined below) collected by Approved Retail Sites for authorization and settlement. Company makes no representations or warranties that it will perform the duties of the Settlement Processor or contract with any affiliate or unrelated party to perform the duties of the Settlement Processor. Jobber acknowledges and agrees that (i) if Company designates a Settlement Processor for any Approved Retail Site(s), that Jobber will use such Settlement Processor; (ii) if no Settlement Processor is designated for an Approved Retail Site, or if a Settlement Processor ceases to perform such services, Jobber will be responsible for contracting with an approved party to perform the duties of the Settlement Processor, and (iii) Jobber fully releases Company from any acts or omissions of the Settlement Processor.

(i) Company transfers Jobber's payment card transactions to the Settlement Processor on behalf of Jobber for purposes of processing settlement. Jobber acknowledges and agrees that Company is only liable to Jobber for any non-received payment card transaction settlement funds to the extent that Company actually received such payment card transaction settlement funds from the Settlement Processor.

(c) Electronic point-of-sale equipment, software and firmware. Jobber will comply with Company's point-of-sale policies and guidelines, as amended from time to time. Prior to selling any Products at any Approved Retail Site(s) and using BP System, Jobber will purchase and install, or cause to be installed with a Company-approved provider, at each Approved Retail Site electronic point-of-sale equipment approved by Company ("**Pre-Approved Equipment**") for processing transactions on the BP System. The purchase and installation of the Pre-Approved Equipment will be at the sole cost and expense of Jobber. If at any time there are new requirements for point-of-sale equipment, within six (6) months of Company's request, Jobber will upgrade, or cause to be upgraded such Pre-Approved Equipment as specified by Company at Jobber's sole cost. Subject to this Section, all such Pre-Approved Equipment will, at all times, be connected to the BP System and will be operated using Company's and/or vendor's required most current Payment Methods software and firmware. Jobber will install Company's and/or vendor's required most current software and firmware within 6 months of its release. Jobber shall own and/or be fully liable for the Approved POS Equipment that is installed at the Facility including all duties and responsibilities for maintenance and security in full compliance with this Agreement. Jobber shall address any defects in the Pre-Approved Equipment directly with its vendor. Notwithstanding the foregoing, Jobber acknowledges that the software and firmware and the specifications are proprietary products of Company or its vendors. Unless otherwise specified, no right, title or ownership interest in any software or firmware will be transferred to Jobber from Company. Under no circumstances will Jobber reverse engineer, decompile, disassemble or otherwise attempt to derive the source code for the software or firmware or alter its intended functionality. Within 6 months of Company's request, Jobber will pay any and all additional or new costs or fees that may be incurred by Company that are associated with the operation of the BP System, including, but not limited to, costs associated with satellite connections, access and/or telecommunications. Any updates or patches to Payment Methods software and firmware that is part of the Pre-Approved Equipment will be provided through the annual software maintenance (ASM") contract that Jobber is required to enter into with the third party approved by Company. Jobber will install such updates and patches within the time period specified by the third party providing the ASM services.

(i) Jobber shall pay Company within thirty (30) days of receiving an invoice for all fees and charges invoiced by a third party in connection with Pre-Approved Equipment or any software or firmware. Any third party fees may be invoiced directly to Jobber, in which event Jobber may pay such third party directly; provided Jobber simultaneously sends Company a copy of Jobber's evidence of payment. Where applicable, Jobber will pay Company for the Pre-Approved Equipment and the ASM payments as specified in the Payment System Technology Contract, respectively. In addition, Jobber shall pay Company a monthly fee for use of the BP System and any software or firmware used at an Approved Retail Site equal to the then current charge assessed by Company, as notified in writing to Jobber. Such monthly fee is subject to increase by Company at any time by giving ten (10) days advance notice.

(ii) Company shall have no obligation or liability to Jobber with respect to the Jobber for the Pre-Approved Equipment, and Jobber shall be solely responsible for any failures of the Pre-Approved Equipment, and shall be responsible for enforcing any warranties by the third party vendor. Company will have no obligation or liability with respect to expenses, changes or damages incurred by Jobber with respect to the Pre-Approved Equipment using the BP System.

(iii) **FOR NETWORK SECURITY BREACH OF JOBBER'S NETWORK, INCLUDING SUSPECTED BREACH, NON-CERTIFIED USE (INCLUDING WITHOUT LIMITATION THE USE OF PRE-APPROVED EQUIPMENT OR USE OF THE BP SYSTEM TO ACCESS PORNOGRAPHIC OR ITEMS OF A SEXUALLY EXPLICIT NATURE OR USE OF APPROVED POS EQUIPMENT OR THE BP SYSTEM FOR AUTHORIZATION OF UNLAWFUL PRODUCTS OR SERVICES) AND SIMILAR ISSUES, COMPANY RESERVES THE RIGHT TO (A) SUSPEND OR DISCONTINUE USE OF THE BP SYSTEM AND NETWORK CONNECTIVITY AT ANY TIME, FOR ANY REASON, WITH OR WITHOUT NOTICE TO ANY OR ALL APPROVED RETAIL SITES UNTIL ANY SUCH ISSUE HAS BEEN CURED TO COMPANY'S SOLE SATISFACTION OR (B) TERMINATE THIS CONTRACT.**

(iv) To the maximum extent permitted by applicable law, Company, its affiliates, employees and agents shall not be liable to Jobber or any other person for any direct, indirect, incidental, consequential, special, exemplary, or punitive damages, any anticipated or lost business, revenues or profits, any loss of data, business interruption, or equipment downtime, or any other loss, harm, casualty, injury or damage of any kind, arising from or related to the Pre-Approved Equipment, due to Jobber installation, possession, use, maintenance, or removal thereof, for any acts or omissions of a third party, or for the performance or non-performance of any obligations undertaken in this Contract, from all causes of action of any kind, whether in contract, tort or otherwise, and even if advised of the possibility of such damages. To the maximum extent permitted by applicable law, in no event shall Company's total cumulative liability arising under this Section, from all causes of action of any kind, whether in contract, tort, or otherwise, exceed the recurring monthly fees and charges paid by Jobber to Company under this Section in the three (3) months preceding the accrual of the first such claim.

(v) Jobber accepts the Pre-Approved Equipment, Commander and the BP System "as is" without any representations or warranties of any kind, express or implied, and all use of the same is at Jobber's sole risk. **COMPANY SPECIFICALLY DISCLAIMS ANY IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS, RESULTS, EFFORTS, AND ACCURACY.** Company shall not be liable for delays or any failure to provide or install or operate the BP System due to causes beyond its reasonable control, including without limitation fires, floods, earthquakes, hurricanes, epidemics, and other natural disasters and acts of god; strikes, embargoes, war, or acts of terrorism; riots, civil unrest, sabotage, or theft or other criminal acts of third parties; failure of electronic or mechanical equipment; denial of services attacks or other third party interference with the availability of the BP System; or fluctuations in or failures of electronic power, telecommunications, or the internet.

(d) PCI Compliance. Jobber acknowledges and agrees that for purposes of compliance with PCI Requirements and Cardholder Applicable Law (both terms hereinafter defined), the Pre-Approved Equipment and any software or firmware therein used to process card payments, any devices and connectivity used through the selection of "bring your own broadband" and any Third Party WAN or Jobber WAN (hereinafter defined) shall be within the scope of Jobber's PCI Requirements compliance obligations and not Company**.** Jobber agrees that it and its Agents will at all times fully comply with the most current version of the following: i) the requirements of the Payment Card Industry Data Security Standard, as modified from time to time by the PCI Security Standards Council ("**PCI SSC**"), or similar standards required by payment card associations or the PCI SSC; ii) any payment application software not provided by Company, must be a payment application that is certified as compliant with the Payment Application Data Security Standard, as modified from time to time by the PCI SSC; iii) the requirements of the Visa Cardholder Information Security Program that are set forth in the Visa Operating Regulations or that are otherwise issued by Visa U.S.A., Inc., or its successors; iv) the requirements of the MasterCard Site Data Protection Program that are set forth in the MasterCard Security Rules and Procedures or that are otherwise issued by MasterCard or its successors; and v) all other applicable payment card industry standards having to do with the protection or security of Cardholder Data, as such standards may be modified

from time to time (requirements specified in (i) through (v) jointly referred to as "**PCI Requirements**") and with all applicable laws and regulations having to do with the protection or security of Cardholder Data or any parts of Cardholder Data ("**Cardholder Applicable Law**"). For purposes of this Section, "**Cardholder Data**" means the numbers and other data assigned by card issuers to identify cardholders' accounts (including all data within the magnetic stripe), data about card transactions and other personal information of cardholders.

(i) Jobber agrees that it and its agents will use the Cardholder Data that they store, process, handle, or transmit under this Contract only as necessary to process card transactions, provide fraud-control services, perform their obligations under this Contract, and comply with Cardholder Applicable Law. Jobber agrees that it will only store electronically that portion of the Cardholder Data that is essential to its business, but in no event anything more than the name, account number (which must be encrypted pursuant to PCI Requirements), and expiration date. Further, Jobber agrees that paper copies of reports that contain Cardholder Data shall be retained for the time specified in the BP Payment Guide and then such paper copies will be destroyed in a manner to make the document unreadable (i.e. cross-cut shred). Other than for the creation of secure and encrypted systemback-ups, Cardholder Data will not be copied, stored or transmitted to portable storage devices, including without limitation, laptops, floppy disks, CD-ROMs, PDAs, digital images and flash drives. Cardholder data will not be copied, stored or transmitted to a Back Office system (BOS) or other system not provided by Company for processing card transactions. In the event Jobber provides Cardholder Data to third parties, other than those specified by Company, where the Cardholder Data will be retained by the third party or transmitted through such third party's systems/networks ("**Third Parties**" or "**Third Party**"), Jobber will insure that such Third Party is certified as compliant with the most recent version of the PCI Requirements. Jobber further agrees that it, its agents, and its Third Parties, through their acts or omissions, will not cause Company, or Company's affiliates to be in violation of the PCI Requirements and will be liable for all costs incurred by Company resulting from violations caused by these acts or omissions.

(ii) With respect to all agents or employees of Jobber or Third Parties used by Jobber or its Jobber-Marketers who at any time have access rights to any parts of the BP System (including, without limitation, the Commander box system), They agree to limit such access to only those employees, agents or third parties with a need for such access to perform the authorizations of credit and debit card transactions at the Approved Retail Sites and in compliance with this Section.

(iii) If Jobber discovers that unauthorized access has been, or may have been, gained to Cardholder Data stored, processed, handled, or transmitted by Jobber or its agents or Third Parties, Jobber will immediately notify Company and provide the applicable card company, the acquiring financial institution, and their respective designees access to Jobber's and its agents' or Third Parties' facilities and all pertinent records to conduct a forensic review and a review of the compliance by Jobber and its agents or Third Parties with the PCI Requirements. Jobber shall: i) keep Company regularly advised of the progress of the forensic and compliance review and ii) upon the request of Company, provide Company with a copy of all drafts of the forensic/compliance report and the final version of the forensic/compliance report resulting from such review. Jobber agrees that it and its agents will fully cooperate and it will require its Third Parties to cooperate with any reviews of their facilities and records provided for in this subsection. Jobber agrees that it and its agents will maintain and it will require its Third Parties to maintain appropriate business continuity procedures and systems to ensure security of Cardholder Data in the event of a disruption, disaster, or failure of Company's or Jobber's primary data systems.

(iv) Jobber will provide Company and Company's Affiliates with all certifications and other information reasonably requested by Company or Company's Affiliates to enable Company and Company's Affiliates to show to card companies that Jobber and, if applicable, any Third Party is complying with the PCI Requirements. Company and Company's Affiliates will not be responsible for any expense Jobber (or, if applicable, any Third Party) incurs in obtaining and maintaining required certificates or required information for which Jobber does not already possess. If in the process of obtaining certification or validating compliance with the PCI Requirements Jobber determines there are areas of non-compliance, Jobber will take appropriate action, prompt under the circumstances, to remedy such non-compliance, including non-compliance of any Third Party.

(v) Jobber's obligations under this Section will continue in effect after the termination of this Contract for so long as it has access to Cardholder Data. In addition, Jobber will remain in full compliance with the then current BP Payment Guide and as amended from time to time and as posted on Company's official website http://bpconnection.com.

(vi) **COMPANY RESERVES THE RIGHT TO TERMINATE AND/OR TEMPORARILY DISABLE JOBBER'S ABILITY TO PROCESS PAYMENTS ON THE COMMANDER AND/OR THROUGH THE BP SYSTEM WITHOUT PENALTY IF COMPANY REASONABLY BELIEVES AN APPROVED RETAIL SITE(S) IS NOT IN COMPLIANCE WITH THIS SECTION. IN ADDITION, JOBBER WILL BE SOLELY RESPONSIBLE AND FULLY LIABLE FOR ANY NON-COMPLIANCE WITH THIS SECTION. JOBBER WILL INDEMNIFY AND HOLD COMPANY**

HARMLESS FROM ANY AND ALL FINES, DAMAGES, PENALTIES, ASSESSMENTS AND ACTIONS, INCLUDING ATTORNEY FEES AND COSTS, RELATED TO ALLEGATIONS, CLAIMS OR INVESTIGATIONS IN ANY WAY RELATED TO JOBBER'S NON-COMPLIANCE WITH THIS SECTION INCLUDING, BUT NOT LIMITED, TO THOSE RELATED TO ALLEGATIONS OF BREACH AND/OR COMPROMISE.

(vii) Jobber can use a Wide Area Network ("**WAN**") provided through a third party service provider ("**Third Party WAN**") or through a WAN using Jobber's own equipment ("**Jobber WAN**").

a. Jobber using a Third Party WAN must use a Level 1 network service provider listed on Visa's Global List of PCI DSS Validated Service Providers (http://www.visa.com/splisting/searchGrsp.do) as PCI DSS compliant with the most recent version of the PCI DSS at the time of the validation and that is listed as validated within the past 12 months. In the event the Level 1 network service provider does not meet these PCI DSS validation listing requirements, Jobber must be able to provide Company with a Report on Compliance ("**ROC**") for the Third Party WAN showing compliance with the most recent version of the PCI DSS at the time of the ROC and that has been validated by an approved QSA within the past 12 months. All Jobber Third Party WANs must also have an Approved Scan Vendor (ASV) (as approved by the PCI Security Standards Council) complete quarterly network scans and provide those results to Company.

b. Jobber has two options under the Jobber WAN architecture. Jobber may choose JobberWAN-A or Jobber WAN-C as described below. In addition, Jobber must provide proof of its PCI compliance with either (i) a ROC showing compliance with the most recent version of the PCI DSS and that has been validated by an approved QSA within the past 12 months, or (ii) a Self Assessment Questionnaire ("**SAQ**") validation type designated by Company, or if not designated by Company, then the SAQ validation type for which Jobber qualifies pursuant to PCI SSC standards demonstrating compliance with every requirement. All Jobber WANs must also have an Approved Scan Vendor (ASV) (as approved by the PCI Security Standards Council) complete quarterly network scans and provide those results to Company.

i. WAN A – A Wide Area Network (WAN) implemented and supported by the Jobber, using their own equipment, to allow the Jobber's Approved Retail Sites to communicate with Company and Company's Settlement Processors. A Jobber using a WAN A solution is solely responsible for all site network design, architecture, security and PCI DSS compliance of all connected Approved Retail Sites and must provide Company with evidence of PCI DSS compliance in the form of an AOC signed by an accredited QSA.

ii. WAN C – A virtual Wide Area Network (WAN) implemented and supported by the Jobber, using their own equipment, to allow the Jobber's Approved Retail Sites to communicate with Company and Company's Settlement Processors over the Internet using Virtual Private Network (VPN) technology. The Jobber would implement a standard Company network architecture at each Approved Retail Site, including all network firewalls, segments, etc., and then connect each Approved Retail Site to their WAN C network. Any custom solutions used by the Jobber would then be logically located within the zone between the Company network firewall and the WAN C network connection device. A jobber using a WAN C solution is solely responsible for all site network design, architecture, security and PCI DSS compliance of all connected Approved Retail Sites and must provide Company with evidence of PCI DSS compliance in the form of an AOC signed by an accredited QSA.

(e) Use of Information. Company reserves the right to use any information obtained by Company through the Pre-Approved Equipment, Commander, BP System, and/or any other equipment, software or firmware performing a similar or related service for product integrity, tracking performance of offers and promotions, understanding product slate ratios, calculating average throughputs per site, validating customer volume submissions, summarizing information for marketing purposes, and similar uses. All such information obtained from Jobber's Approved Retail Sites will be shared by Company with Jobber, and all such information obtained from all Approved Retail Sites in a DMA (as defined in **Paragraph 12(a)**) may be shared by Company to persons or entities other than Jobber, but only on a consolidated basis for such DMA.

9. Additional Jobber Responsibilities.

(a) Transport and tank trucks. Jobber will operate or contract with third party carriers to operate, where necessary, a sufficient number of transport and/or tank trucks so as to efficiently perform its delivery functions under this Contract. Jobber will comply and/or cause its third party carriers to comply with all rules and instructions issued by the terminal at which Jobber receives Products, as such rules and instructions may be amended from time to time, and all applicable Federal State and local laws and regulations.

(b) Emergency notification procedures. From time to time Company may provide Jobber with notification procedures to be utilized if and when emergency situations or other situations occur at any Approved Retail Site and/or if and when such situations directly or indirectly involve the Trade Identities being utilized by Jobber. For purposes of this Contract, reportable situations may include, but may not be limited to: death or serious injury; transport or tank truck accidents; Product spills or other incidents of significant environmental impact and other significant events as defined from time to time. Jobber agrees that it will comply with said procedures, if and when provided, and if and when a defined, reportable situation occurs.

(c) Communication with Company via the Internet. Jobber must be equipped with e-mail capability and access to the Internet so that Company may communicate and exchange information with Jobber via the Internet and via the Company's intranet, extranet and/or web pages.

(d) Customer inquiries and complaints. Jobber will develop a program designed to respond to and resolve customer inquiries or complaints within 10 business days of receipt. This program will apply to inquiries and complaints regarding an Approved Retail Site, including its Jobber-Marketers Approved Retail Sites, that are either received directly by Jobber or those referred to Jobber by Company. Where customer inquiries received by Jobber relate to a motor fuel quality concern, Jobber will provide customer with Company's Consumer Relations phone number, as may be amended from time to time. In addition, Jobber must contact Company to notify of potential motor fuel quality incidents per the emergency notification procedures in this paragraph. Company, at its discretion, may choose to compensate customers directly for poor motor fuel quality related vehicle repair expenses ("**Customer Guaranty Payment**"). If Company makes any Customer Guaranty Payment related to any Product resold by Jobber, and Company determines in its sole discretion that the quality of the Product was satisfactory when delivered to Jobber, Jobber shall reimburse Company for the entire Customer Guaranty Payment within thirty (30) days after receiving an invoice of such amount.

(f) intentionally omitted

(g) Right of Setoff. Immediately upon the occurrence of an event giving rise to Company's right to terminate or not renew this Contract under **Paragraph 16** of this Contract, or in the event Jobber: (i) makes an assignment or any general arrangement for the benefit of creditors, (ii) files a petition or otherwise commences, authorizes, or acquiesces in the commencement of a proceeding or case under any bankruptcy or similar law for the protection of creditors or has such petition filed or proceeding commenced against it, (iii) otherwise becomes bankrupt or insolvent (however evidenced), (iv) has a receiver, provisional liquidator, conservator, custodian, trustee or other similar official appointed with respect to it or substantially all of its assets, (v) is subject to the issuance of any writ, warrant, or other execution against its property, or (vi) has not paid any amount due Company under the terms of this Contract or otherwise, Company may, at its sole option and without prior notice or demand, setoff (including by setoff, offset, combination of accounts, deduction, right of retention or withholding, or similar action) and apply (A) any indebtedness or obligation of Company to Jobber, whether matured or unmatured, including but not limited to all funds, amounts, accounts, credit card settlements or deposits at any time held by Company under this Contract or any other agreements, instruments, undertakings, or otherwise, including Payment Methods, against (B) any indebtedness or obligation of Jobber to Company, whether matured or unmatured, now or hereafter existing under this Contract or any other agreements, instruments, undertakings, or otherwise, including Payment Methods. Such rights will be without prejudice and in addition to any right of setoff (including by setoff, offset, combination of accounts, deduction, right of retention or withholding, or similar action) to which Company is at any time otherwise entitled whether by operation of law, contract, or otherwise. Company's failure to exercise its rights under this paragraph will not be construed as a waiver of such rights.

10. Jobber as Independent Business. Company and Jobber are and will remain separate and independent businesses. None of the provisions of this Contract are intended to provide a party hereto with any management direction or control over the other party's business, business operations or employees. Jobber has no authority to act, or employ any person to act, as an agent for or on behalf of Company. Jobber will not place or allow the placement of any signage upon or near any premises owned, leased, operated or supplied by Jobber which might indicate that Company is the owner or operator of the business conducted upon said premises.

11. Jobber Marketer.

(a) Acts and omissions of Jobber-Marketer imputed to Jobber. Subject to **Paragraph 26** below, Jobber will inform those Jobber-Marketers permitted to use Company's Trade Identities of the specific terms and conditions of this Contract and all related agreements, including all attachments, schedules, appendices and amendments attached to and incorporated in those agreements which pertain to the use of Company's Trade Identities and related matters. In addition, Jobber will inform those Jobber-Marketer of the specific guidelines, policies, procedures, programs, promotions, requirements, specifications, standards (both operational and visual) and strategies periodically issued by Company, as amended from time to time, which pertain to the use of Company's Trade Identities and related matters. Notwithstanding the Jobber's best efforts to ensure its Jobber Marketers' compliance, and regardless of any contractual relationship

between Jobber and its Jobber Marketers, any act or omission by a Jobber-Marketer that, if committed or omitted by Jobber would place Jobber in violation of this Contract or related agreements, will be imputed to Jobber and will give Company the right, in its sole discretion, to take appropriate action against Jobber up to and including site approval revocation or termination of this Contract.

(b) Actions against Jobber-Marketer. Nothing in this Contract will prevent or preclude Company from exercising any legal or equitable rights against a Jobber-Marketer directly, separate and apart from any actions taken against Jobber.

(d) Sale of Jobbership/Change of Control.

(i) **Right to Purchase.** Any intended sale, conveyance, alienation, transfer, merger or other intended change of legal or beneficial interest that will result in a change in control of Jobber's corporation, partnership, LLC, sole proprietorship or other entity, whichever the case may be, at any time during the franchise relationship, either voluntarily or involuntarily, by operation of law, by merger or by or through any other type of proceedings, will trigger Company's right to purchase the entirety of Jobber's Company-Branded Assets for a cash price equal to the fair market value of those assets ("**Right to Purchase**"), as determined by the average of three independent appraisals made pursuant to **Paragraph 12(d)(ii)** below, and will be considered a request to assign or transfer the Contract; provided, however, that where Jobber intends to sell, convey or transfer all or substantially all of its motor fuel business, Jobber will have the right to elect either of the following to Company in lieu of Right to Purchase: (A) a Right of First Refusal on its motor fuel business, or (B) a Right of First Refusal on Jobber's Company-Branded Assets. If Jobber elects either Right of First Refusal, Jobber will follow the procedure described in **Paragraph 12(b)** above.

(ii) **Information Jobber must provide/Company's election to appraise.** Pursuant to **Paragraph 12(d)(i)** above, Jobber will promptly provide Company with written notice of an intended change in control. Jobber will also promptly submit to Company complete and fully executed copies of all contract documents that evidence the intended transaction and corresponding change in control, and any information, facts and data requested by Company to evaluate the bona fide nature of said transaction and to evaluate Jobber's request to assign or transfer the Contract. After receiving all requested information, Company will thereafter have 90 days within which to appraise Jobber's Company-Branded Assets and exercise its Right to Purchase (the "**90-Day Exercise Period**"), by written notice to Jobber. If Company elects to appraise, the process must be initiated in writing within the first 30 days of the 90-Day Exercise Period. The process will consist of three independent Appraisal Institute MAI-certified ("**MAI**") appraisers — one chosen by Company within the first 30 days of the 90-Day Exercise period, one chosen by Jobber within the first 40 days of the 90-Day Exercise Period and one chosen by the other two MAI appraisers within the first 50 days of the 90 Day-Exercise Period. Each appraiser will appraise the entirety of Jobber's Company-Branded Assets and provide their respective appraisals within the first 70 days of the 90-Day Exercise Period. Each appraiser will provide Company with a written appraisal and the average of these appraisals will be the price Company would pay, should Company decide to exercise its Right to Purchase. Jobber will cooperate fully and completely with Company by promptly naming an appraiser and by providing any information, facts and data required by Company and/or the appraisers to evaluate and appraise Jobber's Company-Branded Assets. Company and Jobber will each pay for their own appraiser and will each pay one-half of the third appraiser's fee. Closing will be in accordance with **Paragraph 12(b)** above.

(iii) **Exception to Company's Right to Purchase.** Notwithstanding **Paragraph 12(d)(i)** above, Jobber will be permitted to effect a sale, conveyance, alienation, transfer, merger or other change of legal or beneficial interest resulting in a change in control of Jobber's corporation, partnership, LLC, sole proprietorship or other entity, whichever the case may be, to an Immediate Family Member or Fellow Stakeholder, without triggering Company's Right to Purchase or Right of First Refusal; provided, however, that the Immediate Family Member or Fellow Stakeholder has reached the applicable age of majority in the State in which the individual resides with at least one year of active management experience in Jobber's business and, provided further, that no transaction executed in accordance with this **Paragraph 12(d)(iii)** will operate as a mere means or device to transfer control or ownership of Jobber's Company-Branded Assets to someone other than an Immediate Family Member or Fellow Stakeholder without providing Company with its Right to Purchase and/or Right of First Refusal. Regardless of the exception allowed in this **Paragraph 12(d)(iii),** Jobber will promptly provide Company with written notice as required under **Paragraph 12(d)(ii)** above.

(e) Company's right to verify ownership interest. From time to time, Company may request and Jobber will provide a confirmation of all shareholder interest (legal and beneficial), partnership interest, membership interest, or other type of ownership interest, whichever the case may be, on a form acceptable to and/or provided by Company. Such confirmation will include the names of all shareholders, partners, members, or owners, whichever the case may be.

(f) Status of Contract after sale of Jobber's Company-Branded Assets or after change of company control. In the event of any sale, lease or transfer of Jobber's Company-Branded Assets hereunder, this Contract will continue in full force and effect unless terminated by Company, upon written notice, or unless assigned or transferred by Jobber, upon Company's written consent. Subject to **Paragraph 13** below, Company's decision not to exercise its Right of First Offer or Right of First Refusal in accordance with this **Paragraph 12** will not prevent Company from withholding its consent to assign this Contract to any third-party acquirer including any Immediate Family Member or Fellow Stakeholder. In addition, and also subject to **Paragraph 13** below, Company's decision not to exercise its Right to Purchase in accordance with this **Paragraph 12** will not prevent Company from withholding its consent to assign or transfer this Contract to any third-party acquirer and/or newly formed entity, including any acquirer or entity that is managed by or on behalf of any Immediate Family Member or Fellow Stakeholder.

(g) Company may assign its Right of First Refusal and/or its Right to Purchase. Company will have the right to assign its Right to Purchase, and/or its Right of First Refusal to one or more third-party purchasers of its choosing, and upon such assignment, Company shall be fully released from any acts or omissions of Company's assignee or successor assignee, including, but not limited to, such assignee's failure to fulfill its duties or obligations to purchase any assets of Jobber.

13. Assignment.

(a) Jobber's prior written request and Company's written consent required. Jobber acknowledges and understands that the current ownership and control of Jobber is a material element in Company's willingness to enter into this Contract. Jobber, therefore, agrees that it will not assign or transfer its interest in this Contract, or any franchise relationship attendant thereto, without a prior written request and without Company's corresponding written consent; provided, however, that Company will not unreasonably withhold its consent, and provided further, that Company will consent to Jobber's request to assign or transfer this Contract to an Immediate Family Member or Fellow Stakeholder designated by Jobber if said Immediate Family Member or Fellow Stakeholder meets all of Company's then current qualifications for new jobbers, including, but not limited to, those qualifications related to financial responsibility, creditworthiness, physical and mental fitness, moral character and business experience. Jobber may only assign its interest in this Contract using Company's then current assignment form.

(b) Company may withhold consent. In giving its consent to any assignment, whether voluntarily or by operation of law, Company may, at its election, condition its consent upon: (i) the agreement of the proposed assignee or transferee to enter into a trial franchise; (ii) the agreement of Jobber to simultaneously enter into a mutual cancellation of this Contract and related agreements; and (iii) the satisfaction of all indebtedness owed by Jobber to Company. In addition, nothing stated in this **Paragraph 13** or elsewhere will limit Company's right to impose other or additional conditions on its consent or limit Company's right to withhold its consent for any reason, including, but not limited to, a decision by Company to limit or reduce the number of jobbers in a geographic area.

(i) **[***]**.

(c) Effect of assignment without Company's consent. Jobber agrees and acknowledges that any attempted or purported assignment or transfer of this Contract without Company's knowledge and/or Company's prior written consent may result in the termination of this Contract and the non-renewal of any franchise relationship.

(d) Company may assign. Company may assign this Contract to a subsidiary, affiliate or successor of Company or to a third party without the consent of Jobber. In the event of such assignment, Company shall be relieved of any further duties or obligations under this Contract with respect to the supply of motor fuel. Jobber acknowledges and agrees that in the event of such assignment, the price of fuels sold to Jobber shall be set by the assignee and Company shall have no liability for the pricing practices of such assignee.

14. Indemnity.

Jobber agrees to indemnify, defend and hold Company, including, but not limited to, Company's parents, subsidiaries, affiliates and all Agents of Company, its parents, subsidiaries and affiliates, harmless from and against all losses, suits, claims, damages (consequential or otherwise), demands, causes of action, liabilities, fines, penalties, costs or expenses (including reasonable attorney's fees and other costs of defense) of whatever kind and nature, directly or indirectly arising in whole or in part out of: (a) any default or breach by Jobber of any obligation contained in this Contract or any other agreement with Company; (b) the receipt, shipment, delivery, storage, handling, use, sale, dispensing, labeling, invoicing, advertising or promoting of the Products by Jobber or its Jobber Marketers; (c) any act of commission or omission at an Approved Retail Site; (d) the use of any Company property (real or personal) by Jobber or its Jobber Marketers; (e) any allegation of agency or other alleged legal relationship by which Company is being held or might be

held responsible for the acts or omissions of Jobber or its Jobber Marketers; (f) the use of Company's Trade Identities by Jobber or its Jobber Marketers, including the use of said Trade Identities on signage and in the advertising or promoting of Products sold or services rendered by Jobber or its Jobber Marketers; (g) the violation of any federal, state or local law, rule, regulation, court order or government directive by Jobber, its Jobber Marketers, or any other customers of Jobber or customers of its Jobber Marketers; (h) all taxes incurred and owed by Jobber or its Jobber-Marketers of whatever kind and nature; (i) the revocation of any prior approval to use or display, or the loss of any right to use or display, any or all of Company's Trade Identities; (j) Jobber's termination of any franchise or non-renewal of any franchise relationship with its Jobber Marketers; (k) the Product being defective or damaged in any way whatsoever if due to any act or omission of Jobber or its Jobber Marketers, including, but not limited to improper blending or other act or omission that reduces the quality of the Product (in which event the indemnity shall include reimbursing Company for the Consumer Guaranty Payment as described in **Paragraph 9(d)**); (l) or any other act or omission of Jobber, its Jobber Marketers, any other customers of Jobber, or any of Jobber's — or a Jobber Marketer' — Agents, contractors, invitees, licensees, or business associates, except such as may be due to the negligence of Company. Notwithstanding the above, Jobber agrees that the defense obligation included in this **Paragraph 14** will be immediate and ongoing, regardless of any ultimate allocation of negligence or other form of liability.

This paragraph shall survive the termination of this Contract.

15. Insurance.

(a) Types of coverage required. Jobber will purchase and maintain at all times insurance covering all business operations related to this Contract. Specifically, Jobber will obtain and maintain, at its sole cost and expense, insurance coverage through an insurer, and in a form acceptable to Company, as follows:

(i) Commercial general liability insurance of not less than $2,000,000 per occurrence, including coverage for premises, operations liability, independent contractor's, products-completed operations, personal injury and advertising injury, sudden and accidental pollution and contractual liability coverage;

(ii) Worker's compensation, as required by law, and employer's liability insurance of not less than $1,000,000 for each accident and disease;

(iii) Business automobile liability insurance, including coverage on all vehicles owned, hired andnon-owned, or used in the performance of this Contract, of not less than $2,000,000 per occurrence.

In addition to the foregoing, (A) for all Approved Retail Sites where alcoholic beverages are sold, the Jobber or Jobber-Marketer will obtain and maintain liquor liability insurance of not less than $2,000,000 per occurrence, and (B) for all Approved Retail Sites where no alcoholic beverages are sold, Jobber will deliver to Company a Liquor Liability Waiver Form on Company's standard form, signed by Jobber or its Jobber Marketers, whichever is applicable. Jobber may comply with the stated coverage amounts using alternative methods, excluding self-insurance, but including the use of umbrella coverage; provided such excess liability coverage must state what coverage it may be applied if not otherwise specified on the form.

(b) Requirements for each type of coverage. All insurance policies required under this Contract will: (i) name the Company, its parents, subsidiaries, and affiliated companies as an additional insured, except Worker's compensation insurance; (ii) include an endorsement containing an express waiver of any right of subrogation or other recovery, by Jobber or any insurance company, against Company; (iii) include an endorsement stipulating that Jobber's insurance policies are primary to, not contributory with and not excess to any other policies or self-insurance, except business automobile liability insurance; (iv) provide that no policy will be materially changed, amended or canceled except after 30 days' written notice to Company; and (v) provide that Jobber will be solely responsible for the payment of any premium or assessment, with no recourse against Company.

(c) Proof of coverage required. Each time Jobber renews the insurance coverage required under this Contract, but no less than annually, and at any time requested by Company, Jobber will provide such proof of coverage as Company determines is necessary for verification purposes including, but not limited to certificates of insurance or copies of the policies themselves. If Jobber fails to provide acceptable proof of insurance, as determined by Company, then Company may, at its option and in addition to all other remedies available to it under this Contract or at law, after 10 days notice to Jobber, obtain coverage to protect Company's interests only and charge the cost of such coverage to Jobber.

(d) Environmental coverage. If required by any applicable law, Jobber must obtain environmental impairment coverage in the amount and of the type required by such law.

(e) Indemnity not limited by insurance. The existence or non-existence of any insurance as required by this Contract will not limit the Jobber's indemnity or other obligations under this Contract.

16. Termination and Non-Renewal.

(a) Company's breach. Jobber may terminate this Contract if Company fails to comply with any material provision of this Contract, upon 90 days prior written notice of such a failure; provided, however, that Jobber will provide Company with a reasonable opportunity to exert good faith efforts to carry out such provision.

(b) Jobber's breach/PMPA. Company may terminate this Contract and non-renew any franchise relationship in accordance with Title I of the Petroleum Marketing Practices Act, 15 U.S.C. 2801 et seq., as amended ("**PMPA**"), and/or other applicable federal, state and/or local laws of the same nature and effect. Company expressly reserves all of its rights under the PMPA and Jobber acknowledges and agrees that no omission by Company of any specific reference to any specific PMPA right will constitute a waiver of that right. In addition, Jobber agrees and acknowledges that Company's rights and remedies under the PMPA will be without prejudice to all other rights and remedies available to Company at law or in equity.

(c) Procedures for termination and non-renewal by Company. If Jobber fails to comply with any of the terms and conditions of this Contract and/or related agreements, including all attachments, schedules, appendices, and amendments attached to and incorporated in those agreements, or if any other ground for termination and/or non-renewal arises, Company may, at its election, terminate this Contract and/ornon-renew any franchise relationship upon 90 days written notice (or upon less than 90 days notice as may be reasonable under a particular circumstance). In the case of a market withdrawal, as defined in the PMPA, Company may terminate this Contract and/or non-renew any franchise relationship upon 180 days written notice.

(d) Physical or mental incapacity and death. For purposes of emphasis and elaboration, but without limitation, it is acknowledged and agreed by and between Company and Jobber that the following will constitute grounds for termination of this Contract and non-renewal of any franchise relationship: death or continuous, severe physical or mental disability of at least 3 months duration of: (i) the owner of the business, if Jobber is a sole proprietorship; or (ii) one of the partners, if Jobber is a partnership; or (iii) one of the members, if Jobber is an LLC; or (iv) the beneficial owner(s) of a majority of Jobber's voting stock, if Jobber is a corporation, unless the death or other incapacity of said beneficial owner(s) results in the contemporaneous transfer of a majority of said voting stock to an Immediate Family Member or Members, or to a Fellow Stakeholder or Stakeholders who has reached the applicable age of majority in the State in which the individual resides with at least 1 year of active management experience in the Jobber's business.

(e) Early termination. Jobber may terminate this Contract prior to the Term by paying Company an early termination sum ("**Early Termination Sum**") that is calculated by adding the following 3 elements: (i) all financial obligations under Jobber's accounts, aggregated and accrued up to and including the termination date; (ii) the aggregated and unamortized portion of any and all loans and advances made, and incentive and re-image funds provided to, Jobber; and (iii) an amount established by Company ("**Annual Purchase Commitment Calculation**"), in its sole discretion, determined by multiplying (A) the greater of (I) the Monthly Future Volume Requirement (as defined below), or (II) the Monthly Historic Volume (as defined below), by (B) the number of months remaining in the Term, by (C) 2 cents per gallon. "**Monthly Future Volume Requirement**" is calculated by adding the Total Annual Volume Requirement required of Jobber under this Contract from the date of termination through and including the end of the Term (prorated for any partial year) and dividing such sum by the number of months remaining in the Term. "**Monthly Historic Volume**" is calculated by adding the actual volume purchased by Jobber for the twelve (12) month period prior to the termination date and dividing by twelve (provided, however, that if there are less than twelve (12) months from the commencement of the Term through the termination date, then the actual volume purchased by Jobber during the Term divided by such number of months). Jobber agrees that Company's losses arising out of Jobber's early termination of the Contract would not be readily ascertainable and that the Early Termination Sum, as developed above, would represent a reasonable approximation of Company's losses in the event of such early termination. Jobber also agrees that Company's rights and remedies under the various provisions of this **Paragraph 16** will be without prejudice to all other rights and remedies available to Company in this Contract or at law or in equity, including, but not limited to the right to actual, consequential damages caused by and/or related to Jobber's breach of this Contract or any provision therein.

(f) Company's equitable remedies. Jobber agrees that money damages may not be a sufficient remedy for its breach of this Contract and that, therefore, in addition to all remedies available at law, Company will be entitled to seek specific performance, injunctive relief, declaratory judgment and/or other equitable remedies, as appropriate. Jobber agrees to waive any requirement for the posting of any bond in connection with Company's effort to seek an equitable remedy.

(g) Claims and disputes. Except as to claims relating to indebtedness, Company's equipment, protection of Company's Trade Identities, indemnification or as otherwise specified in this Contract, the parties will not be liable to each other for any other claim arising out of this Contract unless the claimant provides the other party with written notice of the claim (setting forth fully the facts on which the claims is based) within 180 days after the date on which the claim arose; and neither party may institute court proceedings against the other more than one year after the claim arose.

17. Purchases.

(a) Company's right to limit purchase quantities. Unless otherwise specified in the attachments, schedules, appendices or amendments to this Contract, purchases of each Product hereunder will be in equal and ratable quantities, subject to weekly or daily pro rating or any seasonal adjustments. Company will not be obligated to have available for purchase by Jobber in any given month more than an amount equal to 1/12 of the respective 12-month quantity for each such Product. Should Jobber at any time or for any month order in quantities less than its pro rated monthly amount, Company will not be obligated to have the deficiency available for purchase at any time. Should Jobber at any time or for any month require more than said pro rated amount, Company will have the right, at its option, to supply such excess requirement, but if Company supplies same it will not be obligated to do so again in the future.

(b) Changes in and at Jobber's Designated Terminals. Company will have the right, at any time, to change Jobber's Designated Terminals and/or to limit the quantity of Products that Company will make available to Jobber at any of said terminals by pro rating the annual quantities on a monthly, weekly or daily basis. Company will also have the right to determine and designate the percentage of Jobber's quantities that Company will make available to Jobber at Jobber's Designated Terminals.

(c) Returned vapors. Any petroleum product vapors that are redelivered to Company's terminals or other delivery points from Jobber's transport equipment in connection with the operation of any vapor recovery equipment or system, will become the property of Company without any accounting therefore by Company to Jobber.

18. Determination of Quantities. The quantities of Products sold hereunder will be determined on the basis of the temperature thereof at 60°F in accordance with "Table No. 6B of API Standard 2540, Manual of Petroleum Measurement Standards, Chapter 11.1 – Temperature and Pressure Volume Correction Factors for Generalized Crude Oils, Refined Products, and Lubricating Oils – March 2003" (or any API/ASTM reissue or replacement thereof in effect at the time of measurement), or at Company's option, on the basis of gross volume, as established by Company for Jobber's class of trade in the applicable geographic area, or as otherwise required by law.

19. Clean Air Act Compliance. Jobber will cooperate fully in all Clean Air Act compliance or survey programs by allowing an independent surveyor and/or the US Environmental Protection Agency ("**EPA**") to collect samples of fuel and by providing to the independent surveyor and/or EPA copies of product transfer documents and other records or information regarding the source of any gasoline received, the destination of any gasoline distributed, the oxygenate blending instructions for the reformulated blend stock for oxygenate blending (RBOB), and the rate (volume%) that oxygenate was blended into the gasoline.

20. Rejection of Products and Notice of Breach.

(a) Rejection must occur within 48 hours of receipt. Jobber will have 48 hours after its receipt of the Products sold under the Contract to inspect and either accepts or reject said Products.

(b) Required procedures if Products rejected. If Jobber intends to reject, it must do so in writing within the 48 hour inspection period and Company must receive said notice within 5 business days of Jobber's receipt of the Products in question. If Jobber fails to timely reject or fails to specify a claimed shortage, defect or nonconformity, said failure will constitute an irrevocable acceptance of the Products in question and/or a waiver of the alleged shortage, defect or nonconformity.

(c) Required procedures if breach discovered after acceptance. In the event that the Products are accepted pursuant to the terms of this **Paragraph 20**, Jobber agrees to notify Company in writing of any subsequently discovered breach of warranty which could not have reasonably been discovered by careful inspection at the time of Jobber's purchase. Such notice will be given within 7 days after discovery of the breach and must specify the facts constituting the alleged breach. Failure to give such notice will be deemed conclusive evidence that Jobber has no valid claim for breach of warranty.

21. Warranties, Damage Limits, Statute of Limitations, Jury Waiver, Governing Law, Venue, Attorneys' Fees.

(a) <u>Company warranties</u>. Company warrants that the Products sold to Jobber under this Contract will meet Company's then current specifications for the respective Product and that said Product will be in merchantable condition. NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, ARE MADE.

(b) Right to damages limited. UNLESS OTHERWISE PROHIBITED BY APPLICABLE STATE OR FEDERAL LAW, IN ANY ACTION OR LAWSUIT BASED UPON, RELATING TO OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, THIS CONTRACT AND THE COMMERCIAL RELATIONSHIP CREATED THEREBY, INCLUDING BUT NOT LIMITED TO ACTS OR OCCURRENCES LEADING TO THE FORMATION OF THIS CONTRACT. JOBBER AGREES TO WAIVE, AND IN NO EVENT WILL COMPANY BE LIABLE OR RESPONSIBLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, ECONOMIC LOSS AND LOSS OF PROFITS), WHETHER UNDER TORT, BREACH OR OF CONTRACT, WARRANTY, STRICT LIABILITY, STATUTE, OR OTHERWISE.

(c) Statute of Limitations. UNLESS OTHERWISE PROHIBITED BY APPLICABLE STATE OR FEDERAL LAW, JOBBER MAY NOT BRING AN ACTION OR LAWSUIT FOR BREACH OF THIS CONTRACT OR ANY OTHER CLAIM BASED UPON, RELATING TO OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, THIS CONTRACT AND THE COMMERCIAL RELATIONSHIP CREATED THEREBY, INCLUDING BUT NOT LIMITED TO ACTS OR OCCURRENCES LEADING TO THE FORMATION OF THIS CONTRACT, UNLESS SUCH ACTION OR LAWSUIT IS COMMENCED WITHIN 365 DAYS OF THE DATE OF THE ALLEGED BREACH OR OCCURRENCE REGARDLESS OF WHEN DISCOVERED.

(d) Jury Waiver. UNLESS OTHERWISE PROHIBITED BY APPLICABLE STATE OR FEDERAL LAW, EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES THEIR RIGHTS TO A JURY TRIAL ON ANY CLAIM OR CAUSE OF ACTION BASED UPON RELATING TO OR ARISING OUT OF DIRECTLY OR INDIRECTLY THIS CONTRACT AND THE COMMERCIAL RELATIONSHIP CREATED THEREBY, INCLUDING BUT NOT LIMITED TO ACTS OR OCCURRENCES LEADING TO THE FORMATION OF THIS CONTRACT. IN THE EVENT OF LITIGATION THIS CONTRACT MAY BE FILED AS PROOF OF WRITTEN CONSENT TO TRIAL BY THE COURT.

(e) Governing Law. UNLESS OTHERWISE PROHIBITED BY APPLICABLE STATE OR FEDERAL LAW, THIS CONTRACT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF ILLINOIS WITHOUT REGARD TO ITS CHOICE OF LAW RULES, AND SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THAT STATE IN ALL RESPECTS, INCLUDING, WITHOUT LIMITATION MATTERS OF CONSTRUCTION, VALIDITY, AND PERFORMANCE.

(f) Venue Selection. Unless otherwise prohibited by applicable state or federal law, any action or lawsuit under or related to this Contract shall be instituted in the United States District Court for the Northern District of Illinois, or the courts of the State of Illinois located in DuPage County, and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such lawsuit, action or proceeding. The Parties hereby waive all questions of personal jurisdiction for the purposes of carrying out this Subsection. The Parties further agree that the Northern District of Illinois and DuPage County are convenient and reasonable forum for the resolution of any such disputes, and hereby irrevocably and unconditionally waive any objection to the laying of venue of any lawsuit, action, or proceeding in such courts and irrevocably waive and agree not to plead or claim in any such court that any such lawsuit, action, or proceeding brought in such court has been brought in an inconvenient forum.

(g) Attorneys' Fees. Unless otherwise prohibited by applicable state or federal law, in the event a lawsuit or action is brought by any Party based upon relating to or arising out of directly or indirectly in this Contract and the commercial relationship created thereby, including but not limited to acts or occurrences leading to the formation of this Contract, or in any appeal therefrom, it is agreed that if Company is the prevailing party, then Company shall be entitled to its reasonable attorneys' fees, expenses, and costs to be fixed by the trial court and/or appellate court and to be paid by Jobber.

22. Force Majeure and Allocation.

(a) Force majeure. (1) Company will be excused from delay or nonperformance in the event of a refinery turnaround, whether partial or complete, or if it is otherwise unable to meet the demand for its Products at Company's normal and usual distribution points for supplying Jobber (regardless of whether or not Company may have diverted certain supplies from such distribution points in order to alleviate shortages at other distribution points), or in the event of failure or delay due to exhaustion, reduction or unavailability of Product, or an element, item or component necessary in the manufacture, production, or delivery of such Product. (2) Either party will be excused from delay or nonperformance in the event of any condition whatsoever beyond said party's reasonable control or reasonable foreseeability, and which is in no way the fault, in whole or in part, of the party seeking to be excused, that actually or proximately causes performance to be impossible, including without limitation: unavailability, failure, or delay of transportation; "Acts of God"; labor difficulties; explosions; storms; breakdown of machinery or equipment; fire; riots; war conditions in this or any other country; and compliance with any law or governmental order, regulation, recommendation, request or allocation program (whether voluntary or involuntary) precluding, directly or indirectly, said party's ability to perform hereunder provided that the party seeking to be excused has taken every action reasonably within its powers to perform its duties under this

Contract. Notwithstanding anything in **Paragraph 22(a)(2)** seemingly to the contrary, performance by either party cannot be avoided or excused merely because performance has become more economically burdensome or more costly than the party anticipated, or has become less profitable or unprofitable because of events or conditions outside the party's reasonable control, such as a change in market forces or reduction in demand for the Products. In the event that an event or condition described in this **Paragraph 22(a)(2)** is temporary, performance will be excused only for the period during which such event or condition makes performance impossible.

(b) Allocation. In the event of any of the contingencies or conditions referred to in**Paragraph 22(a)** above, Company will have the right to curtail purchases or allocate its supply of Products for sale among its customers in any manner that it deems to be fair and reasonable under the circumstances, and will not be obligated to obtain or purchase other supplies of Products or in any way make up for any Product not available for purchase. Jobber will not hold Company responsible in any manner for any losses or damages which Jobber may claim as a result of any such curtailment or allocation by Company.

23. Discontinuance of Products or services. Company may at any time and for any reason: (a) discontinue the production or sale of any Product covered hereby; (b) change the specifications or grade of any such Product; (c) replace any such Product with another Product; (d) change or withdraw the brand and Trade Identities applicable to any such Product; (e) change or withdraw services, equipment or facilities offered in connection with any such Product, including, but not limited to, Payment Methods services or privileges; and/or (f) withdraw from marketing any such brand or Product in the trade area encompassing any Approved Retail Site and/or in which any of Jobber's Designated Terminals are located. Company will not be liable to Jobber by reason of any such discontinuance, replacement, change or withdrawal.

24. Compliance with Laws.

(a) Compliance with laws generally. Jobber will comply, and require its Jobber-Marketers and other customers to comply, with any and all applicable laws and regulations of any and all governmental authorities regarding (i) the receipt, shipment, delivery, storage, handling, use, sale, dispensing, measuring, calibrating, labeling, invoicing, advertising and/or promoting of the Products purchased under this Contract; and (ii) payment card compliance.

(b) Compliance with environmental laws. Without limiting the foregoing, Jobber will comply, and require its Jobber-Marketers and other customers to comply, with any and all applicable laws and regulations promulgated by any and all governmental occupational, health and safety agencies and/or environmental protection agencies, including but not limited to: (I) the following federal Clean Air Act regulations and any corresponding state counterparts, as amended from time to time: (A) 40 CFR. Part 80, Subpart D, regarding reformulated gasoline; (B) 40 CFR. Part 80, Subpart C, regarding oxygenated gasoline; (C) 40 CFR. Part 80, Subpart B (specifically 40 C.F.R. sections 80.29 and 80.30), regarding diesel fuel; and (E) 40 C.F.R. Part 80, Subpart G, regarding detergent-additize gasoline; (ii) the Resource Conservation and Recovery Act, as amended, 42 USC Section 6901 et seq.; (iii) the Clean Water Act, as amended, 33 USC Section 1251 et seq. ; and (iv) the Safe Drinking Water Act, as amended, 42 USC Section 300f et seq.

(c) Compliance with laws regarding youth access to tobacco. Jobber will comply, and require its Jobber-Marketers to comply, with all laws regarding youth access to tobacco. Violation(s) of such laws can constitute grounds for termination or non-renewal of this Contract.

(d) Americans with Disabilities Act. Jobber and its Jobber-Marketers will maintain accessible features, including but not limited to Service Animals and accessible paths of access at each Approved Retail Site in compliance with all applicable federal, local and state accessibility laws under the Americans with Disabilities Act ("ADA).

(e) Company's right to monitor compliance. As part of Company's compliance programs, Jobber acknowledges and agrees that Company will have the right to enter upon any premises, including any Approved Retail Site, in or upon which any records necessary to demonstrate Jobber's compliance with the obligations referred to in **Paragraphs 19, 24(a), 24(b) and 24(c)** above are kept. Jobber also grants to Company the right to obtain and/or copy any records, inspect any equipment and sample any Products covered by this Contract.

(f) Anti-Money Laundering and Bribery. Company expressly prohibits payment of bribes and also payment of any so-called "**facilitation**" or "**grease**" payments in connection with Company's business operations by any party engaged to provide goods or services to Company. Therefore, Jobber represents and warrants that it has complied and shall comply with all anti-corruption laws applicable to either party and that it will comply with the principles of Company's Code of Conduct in connection with this Contract. Jobber represents and warrants that it has not made, offered, promised or authorized and will not make, offer, promise or authorize any improper or illegal payment, gift or other advantage, whether directly or through any other person or entity, to any third party, including any "**government official**" (i.e., any person holding a legislative, administrative, or judicial office, including any person employed by or acting on

behalf of a public agency, a government-controlled enterprise, or a public international organization) or any political party or political party official or candidate for office, for purposes of influencing official actions or decisions or securing any improper advantage in order to obtain or retain business or where it would otherwise be improper for such advantage to be accepted. Except as otherwise disclosed in writing to Company, as of the date of execution of this Contract and during the term of this Contract, no "**government official**" is or will become associated with, or will own or presently owns any interest in Jobber. At the request of Company, Jobber shall allow Company to review or audit Jobber's books, records and files relating to this Contract and Jobber will provide information and answer any reasonable questions that Company may have relating to Jobber's performance of this Contract in order to assess compliance with this **Paragraph 24(e)**. Company shall have the right to terminate this Contract and/or suspend performance hereunder with immediate effect if Company reasonably believes in good faith that any of the agreements, undertakings, representations or requirements set forth in this **Paragraph 24(e)** have not been complied with or fulfilled by Jobber.

25. Taxes. Jobber will pay, or will reimburse Company for Company's payment of, any tax, inspection or environmental fee, duty, tariff or other like charge (including penalty and interest, if any) imposed, levied, or assessed by federal, state, local, Native American, or foreign authority upon the Products or transactions covered by this Contract, or upon the import, manufacture, storage, sale, use, transportation, delivery, or export of the Products covered by this Contract, or upon the privilege of doing any of these activities, whether imposed on or measured by the volume, price, or proceeds of sale of the Products covered by this Contract.

26. Confidentiality. Jobber acknowledges and agrees that the guidelines, manuals, methods, policies, procedures, programs, software, specifications, standards (both operational and visual), strategies and all related information provided by, or on behalf of, Company are proprietary and confidential (individually and collectively, "**Confidential Information**"). Accordingly, Jobber will not disclose any Confidential Information to third parties or use it for any purpose not authorized by Company, unless otherwise required by law. In addition, Jobber may only disclose Confidential Information to its employees and its Jobber-Marketers on a 'need to know' basis and only then if Jobber, its employees and its Jobber-Marketers undertake to keep said disclosures confidential.

All notices given under this Contract will be deemed properly served if delivered in writing personally, or sent by a nationally recognized digital transaction management services for facilitating electronic exchanges of contracts and signed documents such as DocuSign to a valid email address, or sent by certified mail (return receipt requested) to Company or Jobber at the addresses indicated in the introduction to this Contract. The date of notice will be the date deposited in the U.S. mail or, if delivered personally, the date of delivery. Any change of address of a party will be communicated to the other party by written notice in accordance with the terms of this **Paragraph 27**.

28. Entire Contract. This Contract cancels and supersedes all prior written and unwritten agreements, attachments, schedules, appendices, amendments and understandings between the parties pertaining to the matters covered in this Contract, except any indebtedness owed to Company, and contains the entire agreement between the parties. No representations or statements, other than those expressly set forth in this Contract were relied upon by the parties in entering into this Contract. 29. Severability. In the event one or more paragraphs of this Contract, or portions of any paragraph, are declared or adjudged invalid or void by a court of competent jurisdiction, or in the event there is a change in any law that would invalidate any clause in this Contract, the remaining paragraphs of this Contract, or remaining portions of any paragraph, will remain in full force and affect. Company may, in the alternative and at its sole discretion, cancel this Contract with due notice to Jobber.

Revised Summary of Title I of the Petroleum Marketing Practices Act

AGENCY: Department of Energy

ACTION: Notice

SUMMARY: This notice contains a summary of Title I of the Petroleum Marketing Practices Act, as amended (the Act). The Petroleum Marketing Practices Act was originally enacted on June 19, 1978, and was amended by the Petroleum Marketing Practices Act Amendments of 1994, enacted on October 19, 1994. On August 30, 1978, the Department of Energy published in the Federal Register a summary of the provisions of Title I of the 1978 law, as required by the Act. The Department is publishing this revised summary to reflect key changes made by the 1994 amendments.

The Act is intended to protect franchised distributors and retailers of gasoline and diesel motor fuel against arbitrary or discriminatory termination or nonrenewal of franchises. This summary describes the reasons for which a franchise may be terminated or not renewed under the law, the responsibilities of franchisors, and the remedies and relief available to franchisees. The Act requires franchisors to give franchisees copies of the summary contained in this notice whenever notification of termination or non renewal of a franchise is given.

SUPPLEMENTARY INFORMATION:

Title I of the Petroleum Marketing Practices Act, as amended, 15 U.S.C. §§2801-2806, provides for the protection of franchised distributors and retailers of motor fuel by establishing minimum Federal standards governing the termination of franchises and the nonrenewal of franchise relationships by the franchisor or distributor of such fuel.

Section 104(d)(1) of the Act required the Secretary of Energy to publish in the Federal Register a simple and concise summary of the provisions of Title I, including a statement of the respective responsibilities of, and the remedies and relief available to, franchisors and franchisees under the title. The Department published this summary in the Federal Register on August 30, 1978. 43 F.R. 38743 (1978).

In 1994 the Congress enacted the Petroleum Marketing Practices Act Amendments to affirm and clarify certain key provisions of the 1978 statute. Among the key issues addressed in the 1994 amendments are: (1) termination or nonrenewal of franchised dealers by their franchisors for purposes of conversion to "company" operation; (2) application of state law; (3) the rights and obligations of franchisors and franchisees in third-party lease situations; and (4) waiver of rights limitations. See H.R. REP. NO. 737, 103rd Cong., 2nd Sess. 2 (1994), reprinted in 1994 U.S.C.C.A.N. 2780. Congress intended to: (1) make explicit that upon renewal a franchisor may not insist on changes to a franchise agreement where the purpose of such changes is to prevent renewal in order to convert a franchisee-operated service station into a company-operated service station; (2) make clear that where the franchisor has an option to continue the lease or to purchase the premises but does not wish to do so, the franchisor must offer to assign the option to the franchisee; (3) make clear that no franchisor may require, as a condition of entering or renewing a franchise agreement, that a franchisee waive any rights under the Petroleum Marketing Practices Act, any other Federal law, or any state law; and (4) reconfirm the limited scope of Federal preemption under the Act. Id.

The summary which follows reflects key changes to the statute resulting from the 1994 amendments. The Act requires franchisors to give copies of this summary statement to their franchisees when entering into an agreement to terminate the franchise or not to renew the franchise relationship, and when giving notification of termination or nonrenewal. This summary does not purport to interpret the Act, as amended, or to create new legal rights.

In addition to the summary of the provisions of Title I, a more detailed description of the definitions contained in the Act and of the legal remedies available to franchisees is also included in this notice, following the summary statement.

Summary of Legal Rights of Motor Fuel Franchisees

This is a summary of the franchise protection provisions of the Federal Petroleum Marketing Practices Act, as amended in 1994 (the Act), 15 U.S.C §§2801-2806. This summary must be given to you, as a person holding a franchise for the sale, consignment or distribution of gasoline or diesel motor fuel, in connection with any termination, or nonrenewal of your franchise by your franchising company (referred to in this summary as your supplier).

You should read this summary carefully, and refer to the Act if necessary, to determine whether a proposed termination or nonrenewal of your franchise is lawful, and what legal remedies are available to you if you think the proposed termination or failure to renew is not lawful. In addition, if you think your supplier has failed to comply with the Act, you may wish to consult an attorney in order to enforce your legal rights.

The franchise protection provisions of the Act apply to a variety of franchise agreements. The term "franchise" is broadly defined as a license to use a motor fuel trademark, which is owned or controlled by a refiner and it includes secondary agreements such as leases of real property and motor fuel supply agreements which have existed continuously since May 15, 1973, regardless of a subsequent withdrawal of a trademark. Thus, if you have lost the use of a trademark previously granted by your supplier but have continued to receive motor fuel supplies through a continuation of a supply agreement with your supplier, you are protected under the Act.

Any issue arising under your franchise which is not governed by this Act will be governed by the law of the State in which the principal place of business of your franchise is located.

Although a State may specify the terms and conditions under which your franchise may be transferred upon the death of the franchisee, it may not require a payment to you (the franchisee) for the goodwill of a franchise upon termination or nonrenewal.

The Act is intended to protect you, whether you are a distributor or a retailer, from arbitrary or discriminatory termination or nonrenewal of your franchise agreement. To accomplish this, the Act first lists the reasons for which termination or nonrenewal is permitted. Any notice of termination or nonrenewal must state the precise reason, as listed in the Act, for which the particular termination or nonrenewal is being made. These reasons are described below under the headings "Reasons for Termination" and "Reasons for Nonrenewal."

The Act also requires your supplier to give you a written notice of termination or intention not to renew the franchise within certain time periods. These requirements are summarized below under the heading "Notice Requirements for Termination or Nonrenewal."

The Act also provides certain special requirements with regard to trial and interim franchise agreements, which are described below under the heading "Trial and Interim Franchises."

The Act gives you certain legal rights if your supplier terminates or does not renew your franchise in a way that is not permitted by the Act. These legal rights are described below under the heading "Your Legal Rights."

The Act contains provisions pertaining to waiver of franchisee rights and applicable State law. These provisions are described under the heading "Waiver of Rights and Applicable State Law."

This summary is intended as a simple and concise description of the general nature of your rights under the Act. For a more detailed description of these rights, you should read the text of the Petroleum Marketing Practices Act, as amended in 1994 (15 U.S.C. §§2801-2806). This summary does not purport to interpret the Act, as amended, or to create new legal rights.

C. Unsafe or Unhealthful Operations

If you have failed repeatedly to operate your marketing premises in a clean, safe and healthful manner after repeated notices from your supplier, your supplier may decline to renew the franchise.

D. Operation of Franchise is Uneconomical

Under certain conditions specified in the Act, your supplier may decline to renew your franchise if he has determined that renewal of the franchise is likely to be uneconomical. Your supplier may also decline to renew your franchise if he has decided to convert your marketing premises to a use other than for the sale of motor fuel, to sell the premises, or to materially alter, add to, or replace the premises.

III. Notice Requirements for Termination or Nonrenewal

The following is a description of the requirements for the notice which your supplier must give you before he may terminate your franchise or decline to renew your franchise relationship. These notice requirements apply to all franchise terminations, including franchises entered into before June 19, 1978 and trial and interim franchises, as well as to all nonrenewals of franchise relationships.

A. How Much Notice Is Required

In most cases, your supplier must give you notice of termination or nonrenewal at least 90 days before the termination or nonrenewal takes effect.

In circumstances where it would not be reasonable for your supplier to give you 90 days notice, he must give you notice as soon as he can do so. In addition, if the franchise involves leased marketing premises, your supplier may not establish a new franchise relationship involving the same premises until 30 days after notice was given to you or the date the termination or nonrenewal takes effect, whichever is later. If the franchise agreement permits, your supplier my repossess the premises and, in reasonable circumstances, operate them through his employees or agents.

If the termination or nonrenewal is based upon a determination to withdraw from the marketing of motor fuel in the area, your supplier must give you notice at least 180 days before the termination or nonrenewal takes effect.

B. Manner and Contents of Notice

To be valid, the notice must be in writing and must be sent by certified mail or personally delivered to you. It must contain: (1) A statement of your supplier's intention to terminate the franchise or not to renew the franchise relationship, together with his reasons for this action; (2) The date the termination or nonrenewal takes effect; and (3) A copy of this summary.

IV. Trial Franchises and Interim Franchises

The following is a description of the special requirements that apply to trial and interim franchises.

A. Trial Franchises

A trial franchise is a franchise, entered into on or after June 19, 1978, in which the franchisee has not previously been a party to a franchise with the franchisor and which has an initial term of 1 year or less. A trial franchise must be in writing and must make certain disclosures, including that it is a trial franchise, and that the franchisor has the right not to renew the franchise relationship at the end of the initial term by giving the franchisee proper notice.

The unexpired portion of a transferred franchise (other than as a trial franchise, as described above) does not qualify as a trial franchise.

In exercising his right not to renew a trial franchise at the end of its initial term, your supplier must comply with the notice requirements described above under the heading "Notice Requirements for Termination or Nonrenewal."

B. Interim Franchises

An interim franchise is a franchise, entered into on or after June 19, 1978, the duration of which, when combined with the terms of all prior interim franchises between the franchisor and the franchisee, does not exceed three years, and which begins immediately after the expiration of a prior franchise involving the same marketing premises which was not renewed, based on a lawful determination by the franchisor to withdraw from marketing activities in the geographic area in which the franchisee operates.

An interim franchise must be in writing and must make certain disclosures, including that it is an interim franchise and that the franchisor has the right not to renew the franchise at the end of the term based upon a lawful determination to withdraw from marketing activities in the geographic area in which the franchisee operates.

In exercising his right not to renew a franchise relationship under an interim franchise at the end of its term, your supplier must comply with the notice requirements described above under the heading "Notice Requirements for Termination or Nonrenewal."

V. Your Legal Rights

Under the enforcement provisions of the Act, you have the right to sue your supplier if he fails to comply with the requirements of the Act. The courts are authorized to grant whatever equitable relief is necessary to remedy the effects of your supplier's failure to comply with the requirements of the Act, including declaratory judgment, mandatory or prohibitive injunctive relief, and interim equitable relief. Actual damages, exemplary (punitive) damages under certain circumstances, and reasonable attorney and expert witness fees are also authorized. For a more detailed description of these legal remedies you should read the text of the Act. 15 U.S.C. §§2801-2806.

VI. Waiver of Rights and Applicable State Law

Your supplier may not require, as a condition of entering into or renewing the franchise relationship, that you relinquish or waive any right that you have under this or any other Federal law or applicable State law. In addition, no provision in a franchise agreement would be valid or enforceable if the provision specifies that the franchise would be governed by the law of any State other than the one in which the principal place of business for the franchise is located.

Further Discussion of Title I - Definitions and Legal Remedies

I. Definitions

Section 101 of the Petroleum Marketing Practices Act sets forth definitions of the key terms used throughout the franchise protection provisions of the Act. The definitions from the Act which are listed below are of those terms which are most essential for purposes of the summary statement. (You should consult section 101 of the Act for additional definitions not included here.)

A. Franchise

A "franchise" is any contract between a refiner and a distributor, between a refiner and a retailer, between a distributor and another distributor, or between a distributor and a retailer, under which a refiner or distributor (as the case may be) authorizes or permits a retailer or distributor to use, in connection with the sale, consignment, or distribution of motor fuel, a trademark which is owned or controlled by such refiner or by a refiner which supplies motor fuel to the distributor which authorizes or permits such use.

CERTAIN CONFIDENTIAL INFORMATION CONTAINED IN THIS DOCUMENT, MARKED BY [***], HAS BEEN OMITTED BECAUSE IT IS NOT MATERIAL AND WOULD LIKELY CAUSE COMPETITIVE HARM TO THE COMPANY IF PUBLICLY DISCLOSED.

The term "franchise" includes any contract under which a retailer or distributor (as the case may be) is authorized or permitted to occupy leased marketing premises, which premises are to be employed in connection with the sale, consignment, or distribution of motor fuel under a trademark which is owned or controlled by such refiner or by a refiner which supplies motor fuel to the distributor which authorizes or permits such occupancy. The term also includes any contract pertaining to the supply of motor fuel which is to be sold, consigned or distributed under a trademark owned or controlled by a refiner, or under a contract which has existed continuously since May 15, 1973, and pursuant to which, on May 15, 1973, motor fuel was sold, consigned or distributed under a trademark owned or controlled on such date by a refiner. The unexpired portion of a transferred franchise is also included in the definition of the term.

B. Franchise Relationship

The term "franchise relationship" refers to the respective motor fuel marketing or distribution obligations and responsibilities of a franchisor and a franchisee which result from the marketing of motor fuel under a franchise.

C. Franchisee

A "franchisee" is a retailer or distributor who is authorized or permitted, under a franchise, to use a trademark in connection with the sale, consignment, or distribution of motor fuel.

D. Franchisor

A "franchisor" is a refiner or distributor who authorizes or permits, under a franchise, a retailer or distributor to use a trademark in connection with the sale, consignment, or distribution of motor fuel.

E. Marketing Premises

"Marketing premises" are the premises which, under a franchise, are to be employed by the franchisee in connection with the sale, consignment, or distribution of motor fuel.

F. Leased Marketing Premises

"Leased marketing premises" are marketing premises owned, leased or in any way controlled by a franchisor and which the franchisee is authorized or permitted, under the franchise, to employ in connection with the sale, consignment, or distribution of motor fuel.

G. Fail to Renew and Nonrenewal

The terms "fail to renew" and "nonrenewal" refer to a failure to reinstate, continue, or extend a franchise relationship (1) at the conclusion of the term, or on the expiration date, stated in the relevant franchise, (2) at any time, in the case of the relevant franchise which does not state a term of duration or an expiration date, or (3) following a termination (on or after June 19, 1978) of the relevant franchise which was entered into prior to June 19, 1978 and has not been renewed after such date.

II. Legal Remedies Available to Franchisee

The following is a more detailed description of the remedies available to the franchisee if a franchise is terminated or not renewed in a way that fails to comply with the Act.

A. Franchisee's Right to Sue

A franchisee may bring a civil action in United States District Court against a franchisor who does not comply with the requirements of the Act. The action must be brought within one year after the date of termination or nonrenewal or the date the franchisor fails to comply with the requirements of the law, whichever is later.

B. Equitable Relief

Courts are authorized to grant whatever equitable relief is necessary to remedy the effects of a violation of the law's requirements. Courts are directed to grant a preliminary injunction if the franchisee shows that there are sufficiently serious questions, going to the merits of the case, to make them a fair ground for litigation, and if, on balance, the hardship which the franchisee would suffer if the preliminary injunction is not granted will be greater than the hardship which the franchisor would suffer if such relief is granted.

Courts are not required to order continuation or renewal of the franchise relationship if the action was brought after the expiration of the period during which the franchisee was on notice concerning the franchisor's intention to terminate or not renew the franchise agreement.

C. Burden of Proof

In an action under the Act, the franchisee has the burden of proving that the franchise was terminated or not renewed. The franchisor has the burden of proving, as an affirmative defense, that the termination or nonrenewal was permitted under the Act and, if applicable, that the franchisor complied with certain other requirements relating to terminations and nonrenewals based on condemnation or destruction of the marketing premises.

D. Damages

A franchisee who prevails in an action under the Act is entitled to actual damages and reasonable attorney and expert witness fees. If the action was based upon conduct of the franchisor which was in willful disregard of the Act's requirements or the franchisee's rights under the Act, exemplary (punitive) damages may be awarded where appropriate. The court, and not the jury, will decide whether to award exemplary damages and, if so, in what amount.

On the other hand, if the court finds that the franchisee's action is frivolous, it may order the franchisee to pay reasonable attorney and expert witness fees.

E**. Franchisor's Defense to Permanent Injunctive Relief**

Courts may not order a continuation or renewal of a franchise relationship if the franchisor shows that the basis of the non-renewal of the franchise relationship was a determination made in good faith and in the normal course of business:

(1) To convert the leased marketing premises to a use other than the sale or distribution of motor fuel;

(2) To materially alter, add to, or replace such premises;

(3) To sell such premises;

(4) To withdraw from marketing activities in the geographic area in which such premises are located; or

(5) That the renewal of the franchise relationship is likely to be uneconomical to the franchisor despite any reasonable changes or additions to the franchise provisions which may be acceptable to the franchisee.

In making this defense, the franchisor also must show that he has complied with the notice provisions of the Act.

This defense to permanent injunctive relief, however, does not affect the franchisee's right to recover actual damages and reasonable attorney and expert witness fees if the nonrenewal is otherwise prohibited under the Act.

Issued in Washington, D.C. on June 12, 1996.

6. **IMAGE INCENTIVE PROGRAM**.

a) **Existing REF Sites**. Subject to the terms and Incentive Requirements of this Master Incentive Contract, Company will pay Jobber an Image Incentive, up to a maximum of [***] (each as "**Existing Image Incentive**") for each Existing REF Site listed on Schedule C only, as agreed upon by both parties.

b) **Future sites**. During the first half of the Contract Term until August 31, 2021 and upon prior approval by Company in its sole discretion, Company will pay Jobber an Image Incentive, up to a maximum, as described in Section 6(c) (each as "**Future Image Incentive**") for any future DCA, R&R, and NTI sites (collectively as "**Future Sites**" or each as a "Future Site") listed on Schedule D only, or any subsequent site, with prior approval by Company in its sole discretion and added to Schedule D of this Master Incentive Contract at a later date pursuant to an amendment of this Master Incentive Contract.

c) An Image Incentive shall be credited toward Jobber's purchases from Company to either (i) update an existing Approved Retail Site to Company's current image standards ("**Refresh**" or "**REF**") (an Image Incentive [***] ("**Maximum**"), (ii) convert a retail site to a Company-branded site (**brand conversion** or "**DCA**") (an Image Incentive of [***]), (iii) demolish and construct a retail site as a Company-branded site (**raze and rebuild** or "**R&R**") (an Image Incentive of [***]), or (iv) construct a retail site as a new Company-branded site (**new construction** or "**NTI**") (an Image Incentive of [***]), (each a "**Project**").

d) Any Approved Retail Site may not receive more than one Image Incentive during the Contract Term without prior approval from Company. To receive Image Incentive, Jobber must be in compliance with Company's image programs and standards at all Approved Retail Sites that are applicable to the Branded Jobber Contract at the time the credit/payment is otherwise due to Jobber.

d) **Exceptions**. Unless Company agrees otherwise, **Exempt Sites** and **Transferred Sites** will not be eligible to receive any Image Incentives under this Master Incentive Contract. "**Schedule E**" contains the current list of Exempt Sites and Transferred Sites, and any subsequent sites added at a later date, with prior approval by Company in its sole discretion, will be added pursuant to an amendment of this Master Incentive Contract. However, if any REF Difference Dollars (as defined below), are available, Jobber may use such REF Difference Dollars toward any Exempt Site or Transferred Site if Jobber executes a then-current Company single site JOIP contract.

e) **Existing REF Projects**. If the sum of all actual invoices related to a Existing REF Project ("**Actual Cost**") at the time of Project Completion is *less than* the applicable Image Incentive listed above, the difference ("**REF Difference Dollars**") may be used toward the Exempt Sites' and Transferred Sites' refresh program. On a quarterly basis, Company will determine if any REF Difference Dollars are available and will notify Jobber if such dollars are available. [***]

f) **Future Site Projects**. If the sum of all invoices related to the Future Site Project ("**Fixed Image Cost**") at the time of completion ("**Project Completion**") is less than the applicable Image Incentive for such Approved Retail Site, Company will pay Jobber a lump sum amount equal to the difference between the Fixed Image Cost and the applicable Image Incentive. In the event the Fixed Image Cost at the time of completion is more than the applicable Image Incentive listed above, Jobber will pay Company via EFT, a lump sum amount equal to the difference between the applicable Image Incentive and Fixed Image Cost.

g) **Volume Incentive Deduction**. If the Image Project Completion has not occurred within six (6) months from the date Company approved the Image Incentive for such Imaging Project ("**Required Completion Date**"), Company will deduct [***] from the Volume Incentive otherwise due to Jobber for each Approved Retail Site not completed prior to the Required Completion Date as a late completion fee ("**Volume Incentive Deduction**"). In addition to the foregoing, if the Image Project Completion has not occurred within twelve (12) months from the date Company approved the Image Incentive for such Imaging Project, [***].

7. Transferred JOIP Obligation. The Transferred JOIP Obligation under this Master Incentive Contract reflects the fact that the Jobber and BP have agreed to terminate one or more single site JOIP contracts and transfer their unamortized balances to this Master Incentive Contract, pursuant to one or more separately executed AMO Balance Transfer Contracts, and such total balance will be subject to the Default section of this Master Incentive Contract. Subsequently, each time the Jobber desires to terminate one or more single site JOIP contracts, Jobber will execute a new AMO Balance Transfer Contract and such Transferred JOIP Obligation will be added to the previous Transferred JOIP Obligation under this Master Incentive Contract pursuant to an amendment to this Master Incentive Contract, including an updated Exhibit F, reflecting the cumulative history of all AMO Balance Transfer Contracts and their Transferred JOIP

Obligation. The cumulative total of any and all Transferred JOIP Obligations will be continuously referred to as the "**Transferred JOIP Obligation**" for purposes of default section of the respective AMO balance transfer contract or this Master Incentive Contract and subject to all terms and conditions of this Master Incentive Contract. Exhibit F, as amended from time to time, will indicate the current Transferred JOIP Obligation and AMO Balance Transfer Contract; and if applicable, Existing JOIP Contracts and their balances. For clarification, there may be more than one AMO balance transfer contract in effect simultaneously, and all Transferred JOIP Obligations set forth in each AMO balance transfer contract remain separate, individual obligations of Jobber.

8. **NO RELIANCE ON IMAGE INCENTIVE PAYMENTS**. Jobber will not qualify to receive any incentives under this Master Incentive Contract, and will not commit any funds for the construction, improvement or acquisition of any Approved Retail Site in reliance thereon, unless and until prior written approval has been received from Company's management that the plans for said Approved Retail Site meet Company's current image programs and standards and that said Approved Retail Site has been approved by Company for participation in the Image Incentive Programs.

9. [***].

10. DEFAULT.

(a) If at any time Jobber fails to satisfy the Incentive Requirements or any term or condition of this Master Incentive Contract, Company may, at its sole discretion, 1) suspend any and all remaining Incentive Payments under this Master Incentive Contract; and/or 2) require Jobber to return i) all Incentive Payments previously paid by Company to Jobber, and ii) the Transferred JOIP Obligation. If Company elects the remedy of having Jobber return such monies, Jobber will be required to return all previously paid Incentive Payments, and Transferred JOIP Obligations, via EFT, as follows:

(i) For Existing Sites Volume Incentives, Future Sites Volume Incentives, Existing Sites Image incentives, Future Sites Image incentives and REF Difference Dollars (collectively, as "**Reimbursement Amount**"), if Company elects the remedy of having Jobber return such monies, Jobber will be required to return all previously paid Reimbursement Amount, via EFT, as follows:

[***]

a. For clarification, the Reimbursement Amount will be adjusted if a single site debrands during the Contract Term of this Master Incentive Contract and such single site Image Incentive will be subject to the Single Site Debrand section stated below. Jobber will be responsible for the remaining Reimbursement Amount pursuant to this Master Incentive Contract. The Parties agree **year one begins on the Start Date** of this Master Incentive Contract.

(ii) Single Site Debrand: If any Approved Retail Site debrands during the Contract Term of this Master Incentive Contract, Jobber agrees to reimburse Company the previously paid Image Incentive for such site within thirty (30) days of the completion of the debrand, via EFT, as follows:

(b) **Alternative Reimbursement**. If Jobber fails to satisfy the Minimum Requirement or Terminal Requirement in any two consecutive Twelve Month Period, Company may elect (in its sole and absolute discretion) to have Jobber pay to Company for the applicable 12-month deficiency period an amount equal to the Reimbursement Amount multiplied by the percentage by which Jobber was below the Minimum Requirement or Terminal Requirement ("**Alternative Payment**"). For any year where the Alternative Payment is due, Jobber shall pay such amount to Company within thirty (30) days after getting an invoice. The Alternative Payment shall not be credited toward any other money due to Company, except that the amount of the Alternative Payment actually paid by Jobber shall reduce the original principal amount of the applicable Reimbursement Amount on a dollar for dollar basis when used to calculate any subsequent Reimbursement Amount.

This Section 10 shall survive the termination of this Master Incentive Contract.

11. VOLUME REQUIREMENTS.

(a) The VIP Schedule set forth in this Master Incentive Contract does not cancel or supersede any volume commitments in paragraph 2(c) of the Branded Jobber Contract and Attachment A-1 and Attachment A to the Branded Jobber Contract.

(b) Volume reporting for purposes of the Volume Incentive payments hereunder shall begin on the Start Date as defined in Section 2, Contract Term.

(c) The determination of the volume of Company Product purchased during any Twelve Month Period shall be made solely by Company in accordance with its records. Company reserves the right to inspect and audit the pump meters, books and records of Jobber and/or Jobber's dealer(s) to verify the volume of Company Product sold through the Approved Retail Sites either prior to or after any Volume Incentive payments are made. Jobber will have thirty (30) days after receiving Company's determination of volume purchased to object thereto. If Jobber fails to object during such time period, the volume amount shall be deemed approved by Jobber. Failure to qualify for a Volume Incentive payment in any Twelve Month Period shall not affect Jobber's ability to qualify for a Volume Incentive payment in a subsequent Twelve Month Period. Volume may only be applied to the Twelve Month Period in which it was purchased from Company, and may not be carried forward or backward.

12. Jobber is not entitled to any compensation or damages caused by Company's failure to deliver Company Product for any reason, including without limitation, during those periods of failure or breakdown of equipment, negligence, strikes, governmental regulations, condemnation, shortage of product, or any other cause beyond Company's control.

13. Company may, in any manner it may determine, apply any Volume Incentive payments to Jobber's indebtedness, liability, or obligation to Company. Company's failure to exercise this right will not be construed as a waiver of this right.

14. Company will not pay any Volume Incentive or Image Incentive payments due Jobber if the payment thereof is at any time in violation of any law, order, rule, regulation, or requirement of Federal, State, or local government or authority. Company will give Jobber written notice of the nature of this violation and Jobber may attempt to establish that the law, order, rule, regulation or requirement is invalid or inapplicable through appropriate action.

15. If Jobber has a violation of or inability to comply with any term or condition of this Master Incentive Contract, Jobber agrees Company has the right, in its discretion, to terminate this Master Incentive Contract. Company will have the right to terminate on thirty (30) days prior written notice, subject to — except in cases of fraud — a one-time fifteen (15) day right to cure. In addition to or as an alternative to the right to terminate, Company may, at its election, suspend any and all remaining Volume Incentive payments under this Master Incentive Contract.

16. Nothing in this Master Incentive Contract will be construed as a commitment by Company that any current or future branded jobber contract or other contract between Company and Jobber will be renewed at the expiration of its term. Nothing in this Master Incentive Contract will modify or amend any current or future branded jobber contract between Company and Jobber or constitute a waiver by Company of any rights Company has or may have under any branded jobber contract. Jobber acknowledges and agrees that this Master Incentive Contract is not and should not be construed as a franchise under any local, state or federal law, including but not limited to the federal Petroleum Marketing Practices Act. Jobber further acknowledges and agrees that this Master Incentive Contract is an agreement which is separate and distinct from any other agreement, contract or franchise relationship which may now or hereafter exist between Company and Jobber. This Master Incentive Contract does not create a joint venture or partnership between the parties.

17. Nothing in this Master Incentive Contract will be construed as a commitment by Company to offer for sale or to market its petroleum products in any particular geographic area or to maintain any of its Trade Identities, or any particular Trade Identity, in any particular geographic area. In addition, and notwithstanding those Master Incentive Contracts currently in force, Company will have the right at any time to change, cancel or not extend incentive and/or JOIP contracts and to change or not offer any future Master Incentive Contracts, for any reason.

18. Company, its agents and employees will not be liable for any loss, damage, injuries, or casualty of any kind whatsoever or by whomsoever caused, to the person or property of anyone (including Jobber) on or off the premises of any and all retail outlet, arising out of or resulting from Jobber's (or Jobber's dealers') use, possession or operation thereof, or from the layout or design of said premises, or from defects of said premises whether apparent or hidden, or from the installation, existence, use, maintenance, condition, repair, alteration, removal, or replacement of any building, improvements, equipment, or fixtures

thereon, and Jobber for itself, its successors and assigns, hereby agrees to indemnify and hold Company, its agents and employees, harmless from and against all claims, demands, liabilities, suits or actions (including all reasonable expenses and attorneys' fees incurred by or imposed on Company in connection therewith) for any such loss, damage, injury or other casualty, whether caused by a negligent act or omission of either party hereto, its agents, contractors or employees, except that Jobber assumes no liability for the sole negligent acts of Company.

19. The waiver of any breach of any obligation under this Master Incentive Contract will not be taken to be a waiver of any subsequent breach of the same obligation. Any failure of Company to enforce rights or seek remedies upon the default of Jobber with respect to the obligations of Jobber hereunder will not prejudice or affect the rights or remedies of Company in the event of any subsequent default of Jobber. In the event one or more paragraphs of this Master Incentive Contract, or portions of any paragraph, are declared or adjudged invalid or void by a court of competent jurisdiction, the remaining paragraphs, or remaining portions of any paragraph, will remain in full force and affect. Company may, in the alternative and at its sole discretion, cancel this Master Incentive Contract with due notice to Jobber.

20. Jobber may not assign this Master Incentive Contract without the prior written consent of Company, which consent Company may withhold in its sold and absolute discretion. Without such consent, any act or instrument purporting to assign this Master Incentive Contract will be null and void.

21. All notices given under this Master Incentive Contract will be deemed to be properly served if delivered personally or sent by certified mail addressed to Jobber at **8565 Magellan Parkway, Suite 400, Richmond, VA 23227 Attn: COO** and to Company at **30 S. Wacker Drive, Suite 900, Chicago, Illinois 60606.** Date of service of a notice served by mail will be the date deposited in the United States mail.

22. This Master Incentive Contract is the entire agreement by and between the parties as to the Incentives as set forth herein and will not be modified or amended except in writing. Jobber acknowledges that as consideration for this Master Incentive Contract, Jobber is not eligible for any other jobber incentive programs, except as otherwise agreed to in writing by Company in its sole and absolute discretion.

23. **CONFIDENTIALITY**. Jobber acknowledges and agrees that the terms of this Master Incentive Contract shall be and remain confidential and that they will not disclose those terms to its dealers, a third party, or to any other person or entity, or use it for any purpose not authorized by Company, unless otherwise required by law. In addition, Jobber may only disclose the confidential information to its employees on a 'need to know' basis and only then if Jobber and its employees undertake to keep said disclosures confidential.

24. **SURVIVING TERMINATION**. Notwithstanding the termination of this Master Incentive Contract, any duty or obligation which has been incurred hereunder and which has not been fully observed, performed or discharged, and any right which has been created hereunder and which has not been fully enjoyed, enforced or satisfied, shall survive the termination of this Contract until such duty or obligation has been fully observed, performed or discharged and such right has been fully enjoyed, enforced or satisfied.

SECOND AMENDED, RESTATED AND CONSOLIDATED FUEL DISTRIBUTION AGREEMENT

THIS SECOND AMENDED, RESTATED AND CONSOLIDATED FUEL DISTRIBUTION AGREEMENT (this "**Agreement**") is made and entered into on September 30, 2020 to be effective on October 1, 2020 (the "**Effective Date**") between GPM PETROLEUM, LLC, a Delaware limited liability company ("**Supplier**"), having its principal place of business at 8565 Magellan Parkway, Suite 400, Richmond, Virginia 23227 and GPM INVESTMENTS, LLC, a Delaware limited liability company ("**GPM Investments**"), on behalf of itself and all of its current and future direct and indirect wholly-owned subsidiaries (GPM Investments, and all of its direct and indirect wholly-owned subsidiaries, individually and collectively, a "**Purchaser**"), having its principal place of business at 8565 Magellan Parkway, Suite 400, Richmond, Virginia 23227.

WITNESSETH

Supplier is engaged in the sale and distribution of branded and unbranded gasoline (all grades), diesel fuel, ethanol, biodiesel and kerosene (the "**Product**"). Purchaser desires Supplier to be the exclusive supplier of the Product for (i) the approximately 1,250 convenience stores and gasoline facilities operated by Purchaser and its subsidiaries on the Effective Date and the additional approximately 85 convenience stores and gasoline facilities to be operated by Purchaser following completion of the Empire Acquisition (as defined below) (the "**Stations**") and (ii) the approximately 140 as of the Effective Date and approximately 1,600 (after completion of the Empire Acquisition) independent and lessee dealers and consignment locations supplied by Purchaser (the "**Repurchasers**"). Purchaser desires to purchase the Product from Supplier, and Supplier desires to sell the Product to Purchaser, subject to the terms and provisions of this Agreement.

Supplier and GPM Midwest, LLC, a wholly owned subsidiary of GPM Investments, entered into a fuel distribution agreement dated January 12, 2016 (the "**GPM RR Distribution Contract**"). Supplier, Village Pantry, LLC and Colonial Pantry Holdings, LLC, each an indirect wholly owned subsidiary of GPM Investments entered into a fuel distribution agreement dated January 12, 2016 (the "**GPM Midwest Distribution Contract**"; Supplier and Mountain Empire Oil Company, an indirect wholly owned subsidiary of GPM Investments ("**MEOC**") entered into a fuel distribution agreement dated April 4, 2017 (the "**MEOC Distribution Contract**"); Supplier and GPM Midwest 18, LLC, a wholly owned subsidiary of GPM Investments ("**GPM MW 18**") entered into a fuel distribution agreement dated February 10, 2016 (the "**GPM MW 18 Distribution Contract**"); Supplier and GPM Apple, LLC, a wholly owned subsidiary of GPM Investments ("**GPM Apple**") entered into a fuel distribution agreement dated March 1, 2016 (the "**GPM Apple Distribution Contract**"); and Supplier and Admiral Petroleum Company, an indirect wholly owned subsidiary of GPM Investments ("**Admiral**") entered into a fuel distribution agreement dated November 15, 2016 (the "**Admiral Distribution Contract**").

Supplier and Purchaser entered into an Amended and Restated Fuel Distribution Agreement dated August 1, 2016 (as further amended, the "**Prior Fuel Distribution Agreement**"; the Prior Fuel Distribution Agreement, the GPM RR Distribution Contract, the GPM Midwest Distribution Contract, the MEOC Distribution Contract, the GPM MW 18 Distribution Contract, the GPM Apple Distribution Contract, and the Admiral Distribution Contract collectively, the "**Prior GPM Distribution Contracts**").

(1) Purchaser's subsidiary GPM Empire, LLC ("**GPM Empire**") intends to acquire from Empire Petroleum Partners, LLC ("**Empire**") fuel supply contracts with Repurchasers at certain locations and (2) Purchaser's subsidiaries GPM Southeast, LLC ("**GPM Southeast**") and Florida Convenience Stores, LLC ("**FCS**") intend to acquire certain Stations from Empire on or around October 6, 2020 (collectively, the "**Empire Acquisition**").

The COVID-19 pandemic was an unforeseen and unplanned event when entering into the Prior GPM Distribution Contracts. As a result of the COVID-19 pandemic, the amount of gallons supplied to the Stations and Repurchaser locations in calendar year 2020 are, and are expected to remain, significantly reduced, however fuel margins earned by Purchaser during such period are, and are expected to remain, higher than in the past. Because the pandemic is an event that is characterized by great uncertainty, as well as rapid and frequent changes, among other things, in connection with the pace of limiting the spread of the pandemic and the future measures that will be taken in order to prevent it from spreading, the Supplier and Purchaser cannot evaluate nor estimate the entire impact of the pandemic on the amount of gallons to be supplied.

Therefore, in consideration of the mutual promises herein contained, Supplier agrees to sell and Purchaser agrees to purchase, receive and pay for Product of the kind and in the quantities and under the terms and conditions specifically set forth below.

1. **Exclusive Supplier**.

(a) During the Applicable Term (as defined below), Supplier shall be the exclusive supplier of the Product to be sold from the Stations, and Purchaser shall sell from the Stations only the Product supplied by Supplier, subject to Section 2(c). During the Applicable Term, Supplier shall be the exclusive supplier of the Product to be sold to Purchaser for resale by the Purchaser to the Repurchasers, subject to Section 2(c). Supplier hereby agrees to supply Purchaser with such grades and quantities of the Product as Purchaser shall order, excepting interruptions covered in Section 11.

(b) Purchaser expressly covenants and agrees that, during the Applicable Term and except as otherwise provided herein, Purchaser will not obtain Product for the Stations or for sale to the Repurchasers from any source other than Supplier and will not deliver Product purchased hereunder to any location other than the Stations or to the Repurchasers. In the event of a breach of the foregoing covenant, in addition to any other right or remedy afforded to Supplier under this Agreement or under any applicable law, statute or regulation, (i) Supplier and Purchaser acknowledge and agree that it would be extremely difficult to accurately determine the amount of damages suffered by Supplier as a result of such breach and (ii) Purchaser further agrees that money damages may not be a sufficient remedy for any breach of the foregoing covenant, and that Supplier also shall be entitled to seek specific performance, injunctive relief or other equitable relief as a remedy for any such breach without the necessity of posting a bond or other security, except as may be expressly mandated under any applicable federal or state statute. Each of the foregoing remedies shall be in addition to and not in lieu of or at the exclusion of any and all other remedies available to Supplier under this Agreement or at law or equity. Notwithstanding the foregoing, Supplier acknowledges that if a Station's real estate requires Purchaser to acquire fuel from a specified supplier other than Supplier, Purchaser may obtain fuel in compliance with such requirement.

(c) A Station shall be automatically removed from this Agreement in the event that (i) Purchaser closes such Station, (ii) Purchaser's lease for such Station terminates or expires for any reason or (iii) Purchaser sells such location to a third party who is not an affiliate of Purchaser and Purchaser has not entered into an agreement to supply Product to such Station; provided that, in the case of this Section 1(c)(iii), consent of the Supplier is required to remove such Station from this Agreement unless (x) Purchaser has agreed to substitute one or more locations as Stations(s) which will require the supply of no less than equivalent volume of Product within 6 months of such sale or (y) such sale does not cause the decrease in the aggregate volume of Product sold at Stations under this Agreement (such volume of Product with respect to each sold Station to be calculated as of the prior full 12 month period preceding such sale) to exceed 10% of the aggregate volume of Product sold by Supplier under this Agreement during the full 12 month period preceding the sale in question. A Repurchaser location shall be automatically removed from this Agreement in the event that the Purchaser ceases to supply the Repurchaser with Product due to the termination or expiration of the Purchaser's supply agreement or other arrangement with the Repurchaser.

2. **Volume Commitments**.

(a) During the Applicable Term, unless terminated by Purchaser perSection 10, the quantity of Product covered by this Agreement shall be all of Purchaser's requirements for the Stations and for sale to the Repurchasers.

(b) Notwithstanding the foregoing, during any period of this Agreement for which the amount of any such Product that Supplier is required to supply to Purchaser is prescribed by government rules, regulations or orders, the quantity of such Product to be supplied by Supplier to Purchaser covered hereby shall be the quantity so prescribed instead of the quantity described in Section 2(a) above.

(c) In the event that Supplier is unable to distribute all motor fuel volumes that Purchaser desires to purchase from the Supplier, Purchaser may purchase from third parties its requirements of any motor fuel volumes in excess of the amounts of such motor fuel supplied by the Supplier.

3. **Delivery and Risk of Loss**.

(a) Deliveries of Product where Supplier arranges for transportation shall be made at Purchaser's sole expense f.o.b. at the delivery point. If Purchaser operates a Station or sells Product at such Repurchaser location on a consignment basis (other than to consignment Repurchaser locations supplied by GPM Empire), the Product shall be delivered by Supplier to Purchaser directly or through Supplier's hired common carrier. For consignment Repurchaser locations supplied by GPM Empire, GPM Empire shall arrange for transportation of Product. If any of the Stations are operated by Repurchasers on a non-consignment basis, Purchaser shall arrange for transportation of Product.

(b) In all cases, regardless of if Purchaser or Supplier arranges for transportation, and regardless if such location is a Station, a consignment Repurchaser location, or a non- consignment Repurchaser location, title to, and risk of loss of, all Product shall pass from Supplier to Purchaser when such Product is placed in the tank at the Station or the Repurchaser location, as applicable.

(c) Additionally, if Products are delivered through Supplier's common carrier, in addition to the Product costs set forth in Section 4 below, Purchaser shall pay to Supplier the actual cost of freight to the Stations or Repurchaser location after all discounts and rebates are applied, with such payment due to Supplier in accordance with Section 5. Purchaser shall strictly comply with all applicable rules and regulations of terminals and facilities at which Purchaser receives Product from Supplier.

4. **Product Cost**. Purchaser shall pay Supplier the Rack Price, as hereinafter defined, for its purchases of the Product, plus (i) all applicable taxes, fees and governmental surcharges, and (ii) the Adder. The term "**Rack Price**" shall mean the posted rack price of the branded fuel supplier or unbranded seller of such Product, as applicable, in effect at the terminal of origin for its wholesalers as of the time and date of delivery to Purchaser. The term "**Adder**" shall mean (x) five cents ($0.050) per gallon during the period from the Effective Date through September 30, 2021 and (y) four and one-half cents ($0.045) per gallon at all other times; in each case unless the foregoing Adder is amended by mutual agreement of Purchaser and Supplier. Purchaser shall retain and be entitled to (x) any prompt payment discounts and (y) all other discounts or rebates for all Stations, as offered by the branded fuel supplier (or any unbranded supplier) and earned by Supplier or any other discounts allowed by law and Supplier shall make its payments to its suppliers in a manner that maximizes such discounts and rebates; it being understood that Purchaser's ability to receive such discounts and rebates was material in Purchaser's agreement to agree to the payment terms herein. All prices charged by Supplier are subject to the provisions of applicable law. It is agreed that any duty, tax, fee or other charge which Supplier may be required to collect or pay under any municipal, state, federal or other laws now in effect or hereafter enacted with respect to the production, manufacture, inspection, transportation, storage, sale, delivery or use of the Product covered by this Agreement shall be added to the prices to be paid by Purchaser for Product purchased hereunder.

5. **Credit, Payment and Credit Cards**.

(a) With respect to all amounts owed to Supplier hereunder, Purchaser shall pay Supplier via electronic funds transfers ("**EFT**"), which EFTs shall be activated by Supplier in accordance with this Section 5(a):

(i) Except as provided in Section 5(a)(ii), Purchaser shall pay all amounts due to Supplier five (5) days from the date of the applicable invoice from Supplier, including the amounts due in accordance with Sections 3 and 4. Any EFT will be activated by Supplier on the bank and account designated by Purchaser. The amount drafted will be the total charges due and payable by Purchaser for the Product and the applicable freight.

(ii) Purchaser shall also pay for taxes and any other charges and fees associated with the sales of the Product, with such payment to be made by EFT at such times as to be concurrent with Supplier's applicable payment due date for such taxes (which the parties agree may be on a deferred payment date if permitted by the applicable jurisdiction) or other charges and fees.

(iii) Any money owed by Purchaser to Supplier after the due date shall bear interest at the rate of the lesser of 1% per month (12% annual percentage rate) or the maximum interest rate permitted by law.

(b) All bills and statements rendered to Purchaser by Supplier during any month shall conclusively be presumed to be true and correct after sixty (60) days following the end of any such month, unless within such sixty (60) day period Purchaser delivers to Supplier written exception thereto setting forth the item or items questioned and the basis therefor. Time is of the essence in Purchaser's complying with this provision. Notwithstanding the foregoing, Purchaser hereby acknowledges and agrees that, with respect to deliveries made at any terminal to Purchaser's transport trucks or common carrier, the amount of Product purchased as stated by the terminal shall be deemed to be accurate.

(c) Unless restricted by a Product brand, Purchaser may arrange for its own credit card processing. If any of the Product sold at a Station is branded, Purchaser shall be bound by all of the terms and conditions of any branded fuel supplier's credit card guide, as amended from time to time, including but not limited to the requirement to accept and honor for processing all credit cards identified in such credit card guide. To the extent Supplier receives credit card receipts for the Stations, Supplier shall, subject to Section 5(e), remit such receipts to Purchaser via EFT on a daily basis; provided that, Purchaser shall be solely responsible for credit sales tickets not evidencing deliveries of products or services authorized by the credit card guide, those which are not completed in accordance with the requirements thereof and other chargebacks and in such event, the value of such credit sales tickets shall immediately become due and owing to Supplier and may be deducted from subsequent EFTs of credit card receipts from Supplier to Purchaser. Purchaser and Supplier agree that all credit card sales at the Stations shall be made pursuant to the branded fuel supplier's required point of sale system for processing credit cards and Purchaser shall bear the expense of the credit card fees for such sales.

(d) Purchaser hereby represents and warrants to Supplier that the sale of petroleum and other products at the Stations is and will be in compliance with the Payment Card Industry ("**PCI**") data security standards, as such standards are in effect from time to time. Supplier acknowledges that as of the Effective Date not all of Purchaser's outside dispensers are EMV compliant. Purchaser hereby agrees to indemnify and hold harmless Supplier from any breach of such PCI and EMV standards by Purchaser during the Applicable Term.

(e) Supplier shall have the right, but not the obligation, to offset any indebtedness owed by Supplier to Purchaser against any indebtedness owed by Purchaser to Supplier, whether arising from the receipt of credit card proceeds or otherwise.

6. **Marketing and Advertising; Handling of the Product; Maintenance**

(a) Purchaser agrees to market the Product under the brands, trade names and trademarks established for the Product, and not to sell the petroleum products of other branded fuel suppliers during the Applicable Term, except as permitted hereby. Purchaser agrees that Purchaser shall maintain the Stations in strict compliance with each applicable brand's image standards, as such standards are changed from time to time during the Applicable Term. Purchaser acknowledges that such trademarks are owned by or used by the applicable branded fuel supplier, which retains the right, subject to requirements of law, to withdraw these from Purchaser at any time notwithstanding any request or demand by Supplier to the contrary. Subject to the approval of the applicable branded fuel suppliers, Supplier grants to Purchaser the non-exclusive right to use such Supplier's proprietary marks in connection with the advertising, marketing, and resale of the branded Product purchased from Supplier under this Agreement. Purchaser agrees that, with respect to any Station where it sells branded Product, petroleum products of other branded suppliers or unbranded products will not be sold by Purchaser at such Station under the applicable branded supplier's proprietary marks.

(b) Purchaser shall be responsible for the handling and marketing, including all point of sale materials, of the Product, including charges therefor, and shall comply with all requirements of any governmental agency and the branded fuel supplier with respect thereto. Purchaser shall not allow or permit any Product sold hereunder to be mislabeled, misbranded or contaminated by mixture or adulteration with any other motor fuel, if applicable, or with any other material. This includes contamination by water. Supplier shall not be liable, nor shall Supplier reimburse any customer of Purchaser for any damages, repairs or losses that result from contaminated gasoline dispensed into a vehicle by Purchaser or Purchaser's agents, representatives, or employees. Purchaser covenants and agrees that all petroleum products to be sold at the Stations or for resale to the Repurchasers will be provided by Supplier hereunder, and no petroleum products to be sold at the Stations or for resale to the Repurchasers will be provided by any other supplier.

(c) Purchaser is solely responsible for all exterior maintenance and all interior maintenance at the Stations, including, without limitation, the maintenance and replacement of the underground storage tanks, subsurface systems, dispensing equipment and consoles and all other equipment associated with the sale of the Product at the Stations, the maintenance of the lights on the canopy and identification sign effect.

7. **Branding; Rebranding; Amortization of Costs of Improvements**.

(a) Subject to Purchaser's approval, Supplier shall have the right to substitute the current branded fuel supplier trademarks for trademarks owned or controlled by any other major fuel supplier. In the event of such substitution at the request of Supplier, Supplier undertakes to arrange for and bear the cost, if any, of the replacement of such signs, symbols, and similar indicia which must be replaced as a consequence of such substitution and any other cost or expense related to such substitution and Supplier shall bear any penalties or costs, including, but not limited to, image repayment or recapture obligation as the result of debranding such Station (all of the foregoing, collectively "**Supplier-Initiated Rebranding Costs**").

(b) Purchaser may at any time request to substitute the current branded fuel supplier trademarks for trademarks owned or controlled by any other major fuel supplier or to become unbranded at any Station. In the event of such substitution at the request of Purchaser, Purchaser undertakes to arrange for and bear the cost, if any, of the replacement of such signs, symbols, and similar indicia which must be replaced as a consequence of such substitution and any other cost or expense related to such substitution and Purchaser shall bear any penalties or costs, including, but not limited to, image repayment or recapture obligation as the result of debranding such Station.

(c) Upon termination, nonrenewal, or expiration of this Agreement or prior thereto upon demand by a branded supplier, Purchaser's right to use the proprietary marks of such branded fuel supplier will terminate, and Purchaser shall discontinue the posting, mounting, display or other use of such branded fuel supplier's proprietary marks. In the event that Purchaser fails to do so to the satisfaction of such branded supplier or Supplier, subject to applicable law, the branded fuel supplier and Supplier (i) shall have the right to cause any and all signage, placards, and other displays bearing the proprietary marks to be removed from the Stations; and (ii) shall have the right to use any means necessary to remove, cover or obliterate the proprietary marks, including entry to the Stations to do so. In the event the branded fuel supplier or Supplier take any such action hereunder, Purchaser shall bear all costs and expenses thereof, including without limitation the costs of removing, obliterating, or covering the proprietary marks.

(d) Purchaser shall be entitled to all rebranding and image enhancement incentives, bonuses and other payments including, but not limited to, incentives related to (i) the conversion of retail sites into branded sites, (ii) the demolition of retail sites and (iii) the construction of branded sites (collectively with clauses (i) and (ii), "**Branding Costs**") offered by any branded fuel supplier. Purchaser shall repay to Supplier, upon written demand of Supplier, (i) any unamortized Branding Costs, (ii) any unamortized renewal incentive reimbursements, including, but not limited to, payments made pursuant to (x) any promissory notes issued by Supplier to a branded fuel supplier, (iii) any penalties pertaining to the failure to meet image requirements and guidelines, including, but not limited to, attorney's fees and (iv) any costs related to signage removal and site de-branding other than Supplier-Initiated Rebranding Costs, including, but not limited to, attorney's fees. Supplier shall maintain records indicating the total amount due and owing from Purchaser with respect hereto and shall, upon written request by Purchaser, provide Purchaser with copies of such records.

8. **Environmental Matters**.

(a) Purchaser hereby represents and warrants that it is and its Repurchasers are and will at all times be in compliance with all requirements imposed by any law, rule, regulation, or order of any federal, state or local executive, legislative, judicial, regulatory or administrative agency, board or authority in effect and applicable to the Stations and the operation of Purchaser's and Repurchaser's business at the Stations or Repurchaser locations which relate to (i) pollution or protection of the air, surface water, ground water or land; (ii) solid, gaseous or liquid waste generation, treatment, storage, disposal or transportation; (iii) exposure to hazardous or toxic substances; and (iv) regulation of the manufacture, processing, distribution in commerce, use, or storage of chemical substances.

(b) If any Product spill, leak or release occurs at the Stations or Repurchaser locations in connection with Purchaser's or Repurchaser's operation thereof or otherwise, or if any representation and warranty in Section 8(a) should cease to become true at any time during the Applicable Term, Purchaser shall immediately (i) notify the appropriate governmental authorities, (ii) take such action as required by the governmental authority having jurisdiction, to clean up the spill, leak or release or other contamination and prevent further damage and (iii) notify Supplier

of such actions. If Supplier incurs any loss due to the environmental condition of the Stations or the environmental damage caused by Purchaser or any Repurchaser in the operation of their business (including natural resources damages, penalties for noncompliance or costs incurred in complying with environmental laws), Purchaser shall pay Supplier on demand the amount of any such losses and costs. This remedy is in addition to Supplier's other remedies and indemnities under this Agreement or at law.

(c) Purchaser shall be responsible for compliance with all regulations relating to inventory controls maintenance of all underground storage tanks, and Purchaser shall measure the inventory of all underground storage tanks daily by tank sticking (on a per grade basis) or other industry-accepted measurement technique, and reconcile the measured inventory with meter readings daily. Purchaser shall keep a daily log of all underground storage tank inventory readings at the Stations and all other government mandated environmental records. All such records and logs shall be available for inspection by Supplier at any reasonable time.

9. **Indemnification**. Purchaser hereby covenants and agrees to indemnify, hold harmless, save and defend Supplier and its officers, directors, shareholders, employees, agents, representatives, affiliates and their respective successors and assigns from and against any claim, cause of action, loss, damage, liability, cost or expense, including, without limitation, reasonable attorney's fees and expenses, made against or incurred by Supplier as a result of (i) the negligent or willful misconduct of Purchaser, Repurchasers, or any of their respective employees or agents, in connection with the handling, storage or sale of the Product on or from the Stations, (ii) any violation by Purchaser, Repurchasers, or any of their respective employees or agents, of any law, rule, regulation or ordinance now existing or hereinafter enacted, promulgated or modified with respect to the hauling, handling, storage or sale of the Product, including any environmental contamination, (iii) any defects in the equipment used by Purchaser or Repurchasers with respect to the transporting, storage, handling or dispensing of the Product, or (iv) any breach, default, violation, misrepresentation or breach of warranty by Purchaser in or under this Agreement or any other agreement or instrument executed by Purchaser in connection with this Agreement or the transactions contemplated herein.

10. **Term**. This Agreement shall be in effect for a term beginning on the Effective Date and shall end with respect to each applicable Station or Repurchaser location, as set forth on Exhibit A attached hereto (the "**Applicable Term**").

11. **Force Majeure**.

(a) Notwithstanding anything to the contrary in this Agreement, in the event that either party hereto is hindered, delayed or prevented by "force majeure" in the performance of this Agreement, the obligation of the party so affected shall be suspended and proportionally abated during the continuance of the force majeure condition and the party so affected shall not be liable in damages or otherwise for its failure to perform. The term "force majeure" as used herein shall mean any cause whatsoever beyond the control of either party hereto, including, but not limited to (i) act of God, flood, fire, explosion, war, riot, strike and other labor disturbance; (ii) failure in, or inability to obtain on reasonable terms, raw materials, finished products, transportation facilities, storage facilities and/or manufacturing facilities; (iii) diminution, nonexistence or redirection of supplies as a result of compliance by the branded fuel supplier, voluntary or otherwise, with any

request, order, requisition or necessity of the government or any governmental officer, agent or representative purporting to act under authority, or with any governmental or industry rationing, allocation or supply program; and (iv) the branded fuel supplier's inability to meet the demand for its products at the branded fuel supplier's normal and usual source points for supplying Supplier, regardless of the branded fuel supplier's reasoning for its inability to meet the demand for its products, including whether the branded fuel supplier may have been forced to divert certain supplies from such source points in order to alleviate shortages at other distribution points.

(b) Notwithstanding anything to the contrary in this Agreement, if, for any reason, any branded fuel supplier is unable to supply the requirements of all of its customers of any Product and such supply constriction affects Supplier, Supplier's obligation while such condition exists shall, at its option, be reduced to the extent necessary in its sole judgment and discretion to apportion fairly and reasonably among Supplier's customers the amount of product which it is able to supply. Purchaser shall not hold Supplier responsible in any manner for any losses or damages which either party may claim as a result of any such apportionment. Supplier shall not be required to make up any deficiency in any Product not delivered as a result of any such apportionment.

(c) Nothing in this Section 11 shall excuse Purchaser from making payment when due for purchases made under the Agreement.

12. **Inspection of Records; Audit**. Purchaser acknowledges that Supplier shall have a right to inspect Purchaser's operation of its business and the operation of the motor fuel dispensing business for each Station and Repurchaser, and in particular shall have a right to verify that Purchaser is complying with all its contractual obligations contained in this Agreement and is complying with all federal, state and local laws and regulations pertaining to environmental protection and trademark use. In order to verify that Purchaser is complying with all its contractual obligations and all environmental laws and trademark laws, Purchaser hereby agrees, and shall cause each Repurchaser to agree, that Supplier may enter Purchaser's and Repurchasers' places of business, including the Stations, for purposes of conducting an inspection and audit. As part of any inspection and audit, Supplier shall be allowed to review all records including, but not limited to, all records of purchases, deliveries, sales and inventory reconciliation. Supplier may, at any reasonable time and without prior notice, conduct a walk through and visual inspection of the Stations.

13. **Relationship of the Parties**. Purchaser is an independent organization with the exclusive right to direct and control its business operations, including the establishment of the prices at which products and merchandise are sold at the Stations, subject to applicable laws and regulations.

14. **Waiver; Jurisdiction; etc**. The failure of either party to require strict performance by the other party hereunder, or any course of dealing between the parties hereto, shall not be deemed a waiver of any of the terms or conditions of this Agreement or of any right or remedy available to either party at law or in equity. Purchaser and Supplier covenant and agree that this Agreement shall be interpreted and enforced in accordance with the laws of the Commonwealth of Virginia, without regard to its choice of law rules. This Agreement shall not be amended or modified, and no waiver of any provision hereof shall be effective, unless set forth in a written instrument duly executed by the parties hereto. This Agreement contains the entire agreement between the parties relating to the matters addressed herein and the transactions contemplated hereunder and

supersedes, amends and restates, all prior and contemporaneous negotiations, undertakings and agreements, whether written or oral, between the parties and their affiliates including the Prior GPM Distribution Contracts. It is hereby agreed to and understood by the parties to this Agreement that if Supplier obtains a judgment against Purchaser for breach of any provisions hereof, Supplier's contract damages include all attorney's fees and other litigation expenses incurred by Supplier in obtaining such judgment. This Agreement shall be binding upon, and inure to the benefit of, Supplier and Purchaser and their respective successors, assigns and legal representatives. THE PARTIES HERETO SHALL AND THEY HEREBY DO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER ON ANY MATTERS WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT, AS WELL AS THE PRIOR AGREEMENT.

15. **Laws**. Purchaser recognizes that it is handling hazardous substances and agrees that in receiving, storing, handling, offering for sale, selling, delivering for use, exchanging in trade or using itself Product purchased from Supplier, Purchaser and its Repurchasers will in all respects exercise the strictest care required by law and that it will comply with any and all applicable federal, state and local laws, ordinances, as exist now or hereinafter come into force, including, but not limited to, those governing dispensing equipment, pollution, the maximum sulfur content of fuel, the maximum reid vapor pressure of motor fuel, the oxygen content of motor fuel, the dying requirements for diesel fuel, the maximum lead content of motor fuel and the labeling of pump stands and dispensers of motor fuel, the use and labeling of product containers, the use, maintenance and labeling of product storage tanks, the prevention of spills, leaks, venting or other improper escape from product containers or storage tanks, and the method of cleanup or disposal of product which has leaked, spilled, vented or otherwise improperly escaped from containers or storage tanks. PURCHASER WILL DEFEND, INDEMNIFY AND HOLD SELLER, ITS SUCCESSORS AND ASSIGNS, HARMLESS AGAINST ALL LOSSES, CLAIMS, CAUSES OF ACTION, PENALTIES, FINES, LIABILITIES, ATTORNEYS' FEES AND INTEREST ARISING OUT OF PURCHASER'S FAILURE TO COMPLY WITH THE PRECEDING SENTENCE, and such failure by Purchaser shall entitle Supplier to cancel this Agreement immediately as it applies to the Product affected by such failure or other products which require the same standard of care.

16. **Price Regulation**. Notwithstanding any other provision of this Agreement, if any state or local law, rule, regulation, or order (a) regulating the price at which Product to be sold hereunder may be sold or (b) limiting the discretion of Supplier to determine to whom it will sell such Product, becomes effective during the Applicable Term in any state in which such Product is to be sold hereunder, Supplier shall have the right to terminate this Agreement immediately.

17. **Notices**. Any notice required hereunder shall be in writing and shall be hand delivered, sent by registered or certified mail or sent by overnight delivery service. The notice addresses of Supplier and Purchaser shall be their respective principal place of business as specified herein, or such other place as a party shall specify in writing to the other. Any such notices shall take effect upon hand delivery, delivery by overnight delivery service or three (3) days after the mailing thereof, as applicable.

18. **Termination**.

(a) This Agreement shall be terminated upon expiration of the term stated in Section 10 or as otherwise provided herein;

(b) This Agreement may be terminated by Supplier:

(i) if Purchaser becomes insolvent or commits an act of bankruptcy or takes advantage of any law for the benefit of debtors or Purchaser's creditors, or if a receiver is appointed for Purchaser;

(ii) if Purchaser fails to perform, satisfy or discharge any term, covenant, agreement, condition, warranty, obligation or duty set forth in this Agreement and such failure continues for thirty (30) days after written notice is provided by Supplier;

(iii) under the circumstances described as causes for termination by Supplier in Section 16;

(iv) if Purchaser engages in fraud or criminal misconduct relevant to the operation of the business of the Purchaser;

(v) if possession of the Stations by Purchaser is interrupted by act of any government or agency thereof; or

(vi) if there occurs any other circumstance under which termination of a franchise is permitted under the provisions of the Petroleum Marketing Practices Act (P.L. 95-297).

(c) This Agreement may be terminated by Purchaser:

(i) if Supplier becomes insolvent or commits an act of bankruptcy or takes advantage of any law for the benefit of debtors or Supplier's creditors, or if a receiver is appointed for Purchaser;

(ii) if Supplier fails to perform, satisfy or discharge any term, covenant, agreement, condition, warranty, obligation or duty set forth in this Agreement and such failure continues for thirty (30) days after written notice is provided by Purchaser;

(iii) if Supplier engages in fraud or criminal misconduct relevant to the operation of the business of the Supplier; or

(iv) if Purchaser and its affiliates no longer own or supply fuel to any of the Stations or Repurchasers.

(d) Any termination of this Agreement by Supplier shall be accompanied by such notice from Supplier as may be required by law.

(e) Termination of this Agreement by either party for any reason shall not relieve the parties of any obligation theretofore accrued under this Agreement.

19. **Sale or Assignment**. Neither party shall assign their rights or delegate their duties under this Agreement, in whole or in part, without first receiving written consent from the other party hereto, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, (a) Supplier shall be entitled to assign this Agreement in full to GPM Petroleum LP or any wholly-owned subsidiary of GPM Petroleum LP without the prior written consent of Purchaser by providing notice to Purchaser and (b) Purchaser shall be entitled to assign this Agreement in full or in part to the ultimate parent company of GPM Investments or to any wholly-owned subsidiary of GPM Investments without the prior written consent of Supplier by providing notice to Supplier.

20. **Compliance with Laws; Severability of Provisions**. Both parties expressly agree that it is the intention of neither party to violate statutory or common law and that if any section, sentence, paragraph, clause or combination of same is in violation of any law, such sections, sentences, paragraphs, clauses or combination of same shall be inoperative and the remainder of this Agreement shall remain binding upon the parties hereto unless in the judgment of either party hereto, the remaining portions hereof are inadequate to properly define the rights and obligations of the parties, in which event such party shall have the right, upon making such determination, to thereafter terminate this Agreement upon written notice to the other.

21. **Warranties; Limitation of Liability**.

(a) Supplier warrants that the Product supplied hereunder will conform to the promises and affirmations of fact made in its supplier's current technical literature and printed advertisements, if any, related specifically to such product(s) and that it will convey good title to the product(s) supplied hereunder, free of all liens. THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER WRITTEN, ORAL OR IMPLIED. THE WARRANTY OF MERCHANTABILITY AND WARRANTY OF FITNESS FOR PARTICULAR PURPOSE ARE EXPRESSLY EXCLUDED AND DISCLAIMED.

(b) SUPPLIER SHALL NOT BE LIABLE FOR ANY, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES INCLUDING ANY LOSS OF PROFIT, EVEN IF SUPPLIER IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

22. **Entire Agreement**. This writing is intended by the parties to be a final, complete and exclusive statement of their agreement about the matters covered herein. THERE ARE NO ORAL UNDERSTANDINGS, REPRESENTATIONS OR WARRANTIES AFFECTING IT. No amendment or alterations to this Agreement shall have any effect unless made in writing and signed by an authorized representative of Supplier and by an authorized representative of Purchaser.

23. **Operating Standards**. Purchaser shall conduct the operation of its business described hereunder in a clean and safe manner and shall otherwise conduct no business which could interfere with Supplier's sale or supply of Product or damage the goodwill of Supplier. Without limiting the foregoing, Purchaser shall fully comply with the standards of any branded fuel supplier at any Station which bears such brand.

24. **Waivers**. This Agreement or any modification thereof shall not be binding upon Supplier until signed on its behalf by an authorized representative of Supplier. Commencement of performance hereunder prior to signing as above stipulated in no case shall be construed as a waiver by Supplier of this requirement.

25. **Attorney's Fees**. It is hereby agreed to and understood by the parties to this Agreement that if either party obtains a judgment against the other party for breach of any provisions hereof, the judgment holder's contract damages include all attorney's fees and other litigation expenses incurred by such judgment holder in obtaining such judgment. For the avoidance of doubt, in the event that both parties are determined to be prevailing parties as to different claims comprising the same cause of action, each party shall be entitled to recover its respective attorneys' fees that relate to the specific claim or claims as to which such party was the prevailing party.

26. **Nature of Agreement/No Third-Party Beneficiary**.

(a) In consideration of the granting and execution of this Agreement, it is agreed that there shall be no contractual obligation to extend or renew the period or terms of this Agreement in any way, and the parties agree that this Agreement shall not be considered or deemed to be any form of "joint venture" or "partnership" at the Stations of Purchaser or elsewhere. This Agreement shall bind the executors, administrators, personal representatives, assigns, and successors of the respective parties.

(b) This Agreement is personal to the Purchaser and is intended for the sole use and benefit of Supplier and Purchaser. Nothing contained herein shall be deemed, interpreted, or construed to create, or express any intent to create, third-party beneficiary rights in favor of any person or entity, except for any indemnified party (or other person entitled to be indemnified pursuant to this Agreement), and Supplier and Purchaser specifically state and agree that no such intent exists.

27. **Insurance**. Purchaser shall obtain comprehensive general liability insurance covering operations and premises, complete operations and products liability and contractual liability, all with limits reasonably required by Supplier and consistent with past practice. The insurance will name Supplier, its officers, members, managers, and successors, assignees, subsidiaries and affiliates as an additional insured, and Purchaser shall furnish Supplier with certificates of such insurance which provide that coverage will not be canceled or materially changed prior to thirty (30) days' advance written notice to Supplier.

28. **Non-Exclusive Territory**. Nothing in this Agreement grants Purchaser an exclusive territory to market and resell any petroleum products. Supplier reserves the right to market and sell, and authorize others to market and sell, petroleum products in any manner Supplier chooses, including through its own retail outlets or through designated wholesalers or other retailers.

29. **Counterparts**. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original hereof, but all of which, together, shall constitute a single agreement.

30. **Successors and Assigns**. This Agreement binds and benefits Purchaser and Supplier and their respective permitted successors and assigns.

31. **Accord**. The parties have discussed the provisions of this Agreement and find them fair and mutually satisfactory and further agree that in all respects the provisions are reasonable and of material significance to the relationship of the parties hereunder.

(b) Conditions. An Additional Limited Partner or Substituted Limited Partner shall be admitted to the Partnership with all the rights and obligations of a Limited Partner if (i) all applicable conditions of Article 6 are satisfied and (ii) such Additional Limited Partner or Substituted Limited Partner, if not already a party to this Agreement, shall have executed and delivered to the Partnership an addendum agreement in such form as is approved by the General Partner and such other documents or instruments as may be required in the General Partner's reasonable judgment to effect the admission. (c) Rights and Obligations of Additional Limited Partners and Substituted Limited Partners. A transferee of Limited Partner Interests who has been admitted as an Additional Limited Partner or as a Substituted Limited Partner or a purchaser of newly issued Limited Partner Interests from the Partnership who has been admitted as an Additional Limited Partner in accordance with this Agreement shall have all the rights and powers and be subject to all the restrictions and liabilities under this Agreement relating to a Limited Partner holding Limited Partner Interests.

Any Limited Partner who Transfers all of such Limited Partner's Limited Partner Interests through one or more Transfers permitted by this Section 3.7 and Article 6 (where each transferee was admitted as a Substituted Limited Partner) shall cease to be a Limited Partner as of the last date on which all transferees are admitted as Substituted Limited Partners; *provided that*, notwithstanding anything to the contrary herein, such Limited Partner shall not be relieved of any liabilities incurred by such Limited Partner pursuant to the terms and conditions of this Agreement prior to the time such Limited Partner Transfers any Limited Partner Interest or ceases to be a Limited Partner hereunder.

3.8 ***No Liability of Limited Partners***. Except as otherwise provided under the Act, the debts, liabilities, contracts and other obligations of the Partnership (whether arising in contract, tort or otherwise) shall be solely the debts, liabilities, contracts and other obligations of the Partnership, and no Limited Partner, in its capacity as such, shall be liable personally (a) for any debts, liabilities, contracts or any other obligations of the Partnership, except to the extent and under the circumstances set forth in any non-waivable provision of the Act or in any separate written instrument signed by the applicable Limited Partner, or (b) for any debts, liabilities, contracts or other obligations of any other Partner. No Limited Partner shall have any responsibility to restore any negative balance in its Capital Account or to contribute to or in respect of the liabilities or obligations of the Partnership or to return distributions made by the Partnership, except as expressly provided in this Agreement or required by any non-waivable provision of the Act; *provided, however*, that each Limited Partner shall be responsible to the Partnership for its failure to fund its elections to purchase New Units from the Partnership pursuant to Section 6.7. However, if any court of competent jurisdiction orders, holds or determines that, notwithstanding the provisions of this Agreement, any Limited Partner is obligated to restore any such negative balance, make any such contribution or make any such return, such obligation shall be the obligation of such Limited Partner and not of any other Person.

ARTICLE 4
CAPITAL CONTRIBUTIONS

4.1 ***Return of Contributions***. Except as provided in Section 6.9 and Section 11.2(d), upon a redemption of a Partner's Units by the Partnership, a Partner is not entitled to the return of any part of its Capital Contributions or to be paid interest in respect of either its Capital Account or its Capital Contributions. An unreturned Capital Contribution is not a liability of the Partnership or of any Partner. A Partner is not required to contribute or to lend any cash or property to the Partnership to enable the Partnership to return any other Partner's Capital Contributions. For the avoidance of doubt, this Section 4.1 shall not limit the Partnership's rights and obligations to make distributions in accordance with Section 5.1.

4.2 ***Capital Account***.

(a) A separate capital account (a "***Capital Account***") shall be established and maintained for each Partner in accordance with the requirements of Treasury Regulations Section 1.704-1(b)(2)(iv). A Partner that has more than one class or series of Partnership Interests shall have a single Capital Account that reflects all such Units; *provided, however*, that the Capital Accounts shall be maintained in such manner as will facilitate a determination of the portion of each Capital Account attributable to each class or series of Partnership Interests.

(b) On the Transfer of all or part of a Partner's Partnership Interests, the Capital Account of the transferor that is attributable to the transferred Partnership Interests shall carry over to the transferee Partner in accordance with the provisions of Treasury Regulation Section 1.704-1(b)(2)(iv)(l).

(c) Except as otherwise required in the Act, no Partner shall have any liability to restore all or any portion of a deficit balance in such Partner's Capital Account.

If the Partnership does not have sufficient cash to pay its obligations, then with the approval of the General Partner, any or all of the Limited Partners may (but will have no obligation to) advance all or part of the needed funds to or on behalf of the Partnership, which advances will constitute a loan from each such Limited Partner to the Partnership, will bear interest and be subject to such other terms and conditions as agreed by each such Limited Partner and the General Partner and will not be deemed to be a Capital Contribution.

4.4 ***No Commitment for Additional Financing.*** The Partnership and each Partner acknowledge and agree that no Limited Partner has made any representation, commitment or agreement to provide or assist the Partnership in obtaining any financing, investment or other assistance. In addition, the General Partner, on behalf of the Partnership, and each Partner acknowledge and agree that (a) no statements made by any Partner or its representatives before, on or after the Effective Date shall create an obligation to provide or assist the Partnership in obtaining any financing or investment except to the extent expressly set forth in the Transaction Documents, (b) the Partnership shall not rely on any such statement by any Partner or its representatives, and (c) an obligation to provide or assist the Partnership in obtaining any financing or investment may only be created by a written agreement, signed by such Partner and the Partnership, setting forth the terms and conditions of such financing or investment and stating that the parties intend for such writing to be a binding obligation or agreement. Each Partner shall have the right, in its sole and absolute discretion, to refuse or decline to participate in any other financing of or investment in the Partnership, and shall have no obligation to assist or cooperate with the Partnership in obtaining any financing, investment or other assistance.

For all purposes under this Agreement, any amount so deducted or withheld shall be treated as actually distributed to the holder of Partnership Interests with respect to which such amount was deducted or withheld, and shall be credited against and reduce any further distributions to which such holder otherwise would have been entitled to receive under this Agreement. To the extent any amount directly or indirectly payable to the Partnership has been reduced by any deduction or withholding for or on account of any Tax, and the amount of such Tax has been determined based on the ownership of specific Partnership Interests by any Partner, then the amount otherwise distributable to such Partner with respect to such Partnership Interests shall be reduced to reflect such deduction or withholding. Upon the Partnership's request, each Limited Partner shall promptly provide to the Partnership a duly completed and executed original IRS Form W-9 or the appropriate IRS Form W-8 and such other information as may be reasonably requested by the Partnership in order for it to accurately determine its withholding obligation, if any.

Distribution, Second Tier Minimum Monthly Distribution, and Third Tier Minimum Monthly Distribution applicable to such class or series of Units at the time of the Record Date for such distribution or of the effective date of such subdivision, split, combination, or reclassification, as applicable, shall be proportionately adjusted. An adjustment made pursuant to this Section 5.1(g) shall become effective immediately after the Record Date in the case of a distribution and shall become effective immediately after the effective date in the case of a subdivision, split, combination, or reclassification. Such adjustment shall be made successively whenever any event described above shall occur.

If more than one Partner bears the Economic Risk of Loss for such Partner Nonrecourse Debt, the Partner Nonrecourse Deductions attributable to such Partner Nonrecourse Debt shall be allocated among the Partners according to the ratio in which they bear the Economic Risk of Loss. This Section 5.3(b) is intended to comply with the provisions of Treasury Regulation Section 1.704-2(i) and shall be interpreted consistently therewith.

(c) Notwithstanding any other provision hereof to the contrary, if there is a net decrease in Minimum Gain for an Allocation Period (or if there was a net decrease in Minimum Gain for a prior Allocation Period and the Partnership did not have sufficient amounts of income and gain during prior periods to allocate among the Partners under this Section 5.3(c)), items of income and gain shall be allocated to each Partner in an amount equal to such Partner's share of the net decrease in such Minimum Gain (as determined pursuant to Treasury Regulation Section 1.704-2(g)(2)). This Section 5.3(c) is intended to constitute a minimum gain chargeback under Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

(d) Notwithstanding any provision hereof to the contrary except Section 5.3(c) (dealing with Minimum Gain), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain for an Allocation Period (or if there was a net decrease in Partner Nonrecourse Debt Minimum Gain for a prior Allocation Period and the Partnership did not have sufficient amounts of income and gain during prior periods to allocate among the Partners under this Section 5.3(d), items of income and gain shall be allocated to each Partner in an amount equal to such Partner's share of the net decrease in Partner Nonrecourse Debt Minimum Gain (as determined pursuant to Treasury Regulation Section 1.704-2(i)(4)). This Section 5.3(d) is intended to constitute a partner nonrecourse debt minimum gain chargeback under Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(e) Notwithstanding any provision hereof to the contrary except Section 5.3(a) and Section 5.3(b), no Losses or other items of loss or expense shall be allocated to any Partner to the extent that such allocation would cause such Partner to have a deficit balance in its Adjusted Capital Account (or increase any existing deficit balance in its Adjusted Capital Account) at the end of such Allocation Period. All Losses and other items of loss and expense in excess of the limitation set forth in this Section 5.3(e) shall be allocated to the Partners who do not have a deficit balance in their Adjusted Capital Accounts in proportion to their relative positive Adjusted Capital Accounts but only to the extent that such Losses and other items of loss and expense do not cause any such Partner to have a deficit in its Adjusted Capital Account.

(f) Notwithstanding any provision hereof to the contrary except Section 5.3(c) and Section 5.3(d), a Partner who unexpectedly receives an adjustment, allocation or distribution described in Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of income, including gross income, and gain for the Allocation Period) in an amount and manner sufficient to eliminate any deficit balance in such Partner's Adjusted Capital Account as quickly as possible; provided that an allocation pursuant to this Section 5.3(f) shall be made only if and to the extent that such Partner would have deficit Adjusted Capital Account balance after all other allocations provided for in this Article 5 have been tentatively made as if this Section 5.3(f) were not in this Agreement. This Section 5.3(f) is intended to constitute a qualified income offset under Treasury Regulation Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(g) In the event that any Partner has a deficit balance in its Adjusted Capital Account at the end of any Allocation Period, such Partner shall be allocated items of Partnership gross income and gain in the amount of such deficit as quickly as possible; provided that an allocation pursuant to this Section 5.3(g) shall be made only if and to the extent that such Partner would have a deficit balance in its Capital Account after all other allocations provided for in this Article 5 have been tentatively made as if Section 5.3(f) and this Section 5.3(g) were not in this Agreement.

(h) To the extent an adjustment to the adjusted tax basis of any Partnership properties pursuant to Code Section 734(b) or Code Section 743(b) is required pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m)(2) or 1.704-1(b)(2)(iv)(m)(4) to be taken into account in determining Capital Accounts as the result of a distribution to any Partner in complete liquidation of such Partner's Units, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be allocated to the Partners in accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(m)(2) if such Treasury Regulation Section applies, or to the Partner to whom such distribution was made if Treasury Regulation Section 1.704-1(b)(2)(iv)(m)(4) applies.

5.4 ***Income Tax Allocations***.

(a) All items of income, gain, loss and deduction for U.S. federal income tax purposes shall be allocated in the same manner as the corresponding item is allocated pursuant to Section 5.2 or Section 5.3, except as otherwise provided in this Section 5.4.

(b) In accordance with the principles of Code Section 704(c) and the Treasury Regulations thereunder (including the Treasury Regulations applying the principles of Code Section 704(c) to changes in Book Values), income, gain, deduction and loss with respect to any Partnership property having a Book Value that differs from such property's adjusted U.S. federal income tax basis shall, solely for U.S. federal income tax purposes, be allocated among the Partners in order to account for any such difference using the "remedial method" under Treasury Regulation Section 1.704-3(d) or such other method or methods as determined by the General Partner to be appropriate and in accordance with the applicable Treasury Regulations.

(c) Any (i) recapture of depreciation or any other item of deduction shall be allocated, in accordance with Treasury Regulations Sections 1.1245-1(e) and 1.1254-5, to the Partners who received the benefit of such deductions (taking into account the effect of remedial allocations), and (ii) recapture of credits shall be allocated to the Partners in accordance with applicable law.

(d) Tax credits of the Partnership shall be allocated among the Partners as provided in Treasury Regulation Sections1.704-1(b)(4)(ii) and 1.704-1(b)(4)(viii).

(e) If, as a result of an exercise of a noncompensatory option to acquire an interest in the Partnership, a Capital Account reallocation is required under Treasury Regulation Section 1.704-1(b)(2)(iv)(s)(3), the Partnership shall make corrective allocations pursuant to Treasury Regulation Section 1.704-1(b)(4)(x).

(f) Allocations pursuant to this Section 5.4 are solely for purposes of U.S. federal, state, and local taxes and, except as otherwise specifically provided, shall not affect, or in any way be taken into account in computing, any Partner's Capital Account or share of Profits, Losses, other items or distributions pursuant to any provision of this Agreement.

5.5 ***Other Allocation Rules***.

(a) All items of income, gain, loss, deduction and credit allocable to an interest in the Partnership that may have been Transferred shall be allocated between the transferor and the transferee based on the portion of the Fiscal Year during which each was recognized as the owner of such interest, without regard to the results of Partnership operations during any particular portion of that year and without regard to whether cash distributions were made to the transferor or the transferee during that year; provided, however, that this allocation must be made in accordance with a method permissible under Code Section 706 and the Treasury Regulations thereunder.

(b) The Partners' proportionate shares of the "excess nonrecourse liabilities" of the Partnership, within the meaning of Treasury Regulation Section 1.752-3(a)(3), shall be allocated to the Partners in any manner determined by the General Partner and permissible under the Treasury Regulations.

(c) The definition of Capital Account set forth in Section 4.2(a) and the allocations set forth in Section 5.3, Section 5.4 and the preceding provisions of this Section 5.5 are intended to comply with the Treasury Regulations. If the General Partner determines that the determination of a Partner's Capital Account or the allocations to a Partner are not in compliance with the Treasury Regulations, the General Partner is authorized to make any appropriate adjustments.

ARTICLE 6
TRANSFER OF PARTNERSHIP INTERESTS; PREEMPTIVE RIGHTS; IPO CONVERSION

6.1 ***General Restrictions on Transfers of Partnership Interests***.

(a) Transfers of Partnership Interests otherwise permitted or required by this Agreement may only be made in compliance with applicable foreign, U.S. federal and state securities laws, including the Securities Act.

(b) Except in connection with the Initial Public Offering, for so long as the Partnership is a partnership for U.S. federal income tax purposes, in no event may any Transfer of any Partnership Interests by any Partner be made if such Transfer is effectuated through an "established securities market" or a "secondary market (or the substantial equivalent thereof)" within the meaning of Section 7704 of the Code or if such Transfer would otherwise result in the Partnership being treated as a "publicly traded partnership," as such term is defined in Section 7704(b) of the Code and the regulations promulgated thereunder.

(c) Transfers of Partnership Interests may only be made in strict compliance with all applicable provisions of this Agreement, and any purported Transfer of Partnership Interests that does not so comply with all applicable provisions of this Agreement shall be null and void and of no force or effect, and the General Partner on behalf of the Partnership shall not recognize or be bound by any such purported Transfer and shall not effect any such purported Transfer on the transfer books of the Partnership or Capital Accounts of the Partners. The Partners agree that the restrictions contained in this Article 6 are fair and reasonable and in the best interests of the Partnership and the Partners.

(d) Without limiting any other restriction on Transfer herein, each member of the Class A Group, Class AQ Group, and Class X Unit Group agrees to provide notice to the GPM Group in the event a Transfer of Equity Interests in a single transaction or series of related transactions results in Equity Interests in such Partner representing a majority of the economic or voting interests in such Partner being owned or Controlled by a Person or Persons that such Partner could not directly Transfer its Membership Interests to under Section 6.2(b).

(e) Each member of the Class AQ Group and Class X Unit Group agrees that it will not permit Transfers of Equity Interests in such Partner (other than to Permitted Transferees) in a single transaction or series of related transactions if such Transfers collectively would result in Equity Interests in such Partner representing a majority of the economic or voting interests in such Partner being owned or Controlled by a Person or Persons that such Partner could not directly Transfer its Membership Interests to under Section 6.3. Furthermore, notwithstanding anything to the contrary herein, no member of the Class AQ Group or Class X Unit Group may Transfer Partnership Interests to a Permitted Transferee if such Transfer has as a purpose the avoidance of or is otherwise undertaken in contemplation of avoiding the restrictions on Transfers in this Agreement (it being understood that the purpose of this Section 6.1(e) is to prohibit the Transfer of Partnership Interests to a Permitted Transferee followed by a change in the relationship between the transferor and the Permitted Transferee (or a change of Control of such transferor or Permitted Transferee) after the Transfer with the result and effect that the transferor has indirectly made a Transfer of Partnership Interests by using a Permitted Transferee, which Transfer would not have been directly permitted under Section 6.3 or otherwise had such change in such relationship occurred prior to such Transfer).

6.2 ***Restrictions on Transfers of Limited Partnership Interests***.

(a) GPM Group. Subject to Sections 6.1, 6.5 and 6.9, if applicable, any member of the GPM Group may at its option Transfer all or any part of its Limited Partner Interests without approval from any other Partner.

(b) Class A Group. A Transfer of Partnership Interests held by any member of the Class A Group may only be made if such Transfer (x) complies with the provisions of Section 6.1 and (y) such Transfer is:

(i) to a Permitted Transferee of the holder of such Partnership Interests in accordance with Section 6.3;

(ii) made in connection with a Drag-Along Transaction in accordance with Section 6.4;

(iii) made pursuant to Section 6.8;

(iv) made in connection with the exercise of the rights set forth in Section 6.9;

(v) made by an Eligible Seller in connection with the exercise of Inclusion Rights in a Tag-Along Sale in accordance with Section 6.5; or

(vi) made with the consent of the General Partner.

(c) Class AQ Group and Class X Group. A Transfer of Partnership Interests held by any member of the Class AQ Group or the Class X Group may only be made if such Transfer (x) complies with the provisions of Section 6.1 and (y) such Transfer is:

(i) to a Permitted Transferee of the holder of such Partnership Interests in accordance with Section 6.3;

(ii) made in connection with a Drag-Along Transaction in accordance with Section 6.4;

(iii) made by an Eligible Seller in connection with the exercise of Inclusion Rights in a Tag-Along Sale in accordance with Section 6.5; or

(iv) made with the consent of the General Partner.

(d) General Partner. Subject to Sections 6.1 and 6.9, if applicable, the General Partner may at its option Transfer all or any part of its General Partner Interest without approval from any other Partner.

6.3 ***Transfers to Permitted Transferees***. Any member of the Class A Group or the Class AQ Group or the Class X Unit Group may Transfer all or a portion of its Partnership Interests to a Permitted Transferee of such holder, without the approval of any other Partner, subject to the provisions of Section 6.1; *provided, however*, that such Permitted Transferee shall not be entitled to make any further Transfers in reliance upon this Section 6.3, except for a Transfer of such acquired Partnership Interests (i) back to such original holder, (ii) to another Permitted Transferee of such original holder, or (iii) if such Permitted Transferee is a natural person, to (x) the spouse of such Permitted Transferee or such Permitted Transferee's lineal descendants (whether by blood or adoption) or (y) any trust, family partnership or family limited liability company, the sole beneficiaries, partners or members of which are such Permitted Transferee or relatives of such Permitted Transferee.

6.4 ***Drag-Along Rights***.

(a) A Drag-Along Transaction involving a bona fide arm's length transaction with a Third Party counterparty or counterparties may be initiated by any member of the GPM Group at any time, without the consent of any other Partner, if the consideration received pursuant to Section 6.4(c)(ii) in respect of each outstanding Class A Preferred Unit in connection with such Drag-Along Transaction is equal to at least the sum of (i) the Preferred Return of such Class A Preferred Unit as of the date that such Drag-Along Transaction is completed *plus* (ii) the Cumulative Class A Preferred Unit Arrearage, if any, with respect to such Class A Preferred Unit as of the date that such Drag-Along Transaction is completed *plus* (iii) the Current Distributions on such Class A Preferred Unit as of the date that such Drag-Along Transaction is completed (the "***Drag-Along Condition***"); *provided* that such requirement may be waived in whole or in part with the consent in writing of any member of the Class A Group. The Partner or Partners initiating a Drag-Along Transaction pursuant to this Section 6.4(a) are referred to as the "***Initiating Partner(s)***."

(b) In connection with any Drag-Along Transaction properly initiated pursuant toSection 6.4(a), and subject to the terms and conditions set forth in this Section 6.4, the General Partner and all other holders of Partnership Interests entitled to consent thereto shall consent to and raise no objections against the consummation of the Drag-Along Transaction, and if the Drag-Along Transaction is structured as (i) a consolidation, merger or other business combination, or a sale or other disposition of all or substantially all of the assets of the Partnership, each holder of Partnership Interests entitled to vote thereon shall vote in favor of the Drag-Along Transaction and shall waive any appraisal rights or similar rights in connection with such consolidation, merger, other business combination or asset sale, or (ii) a sale of all or substantially all of the Partnership Interests, the General Partner and each other holder of Partnership Interests shall agree to sell all of its Partnership Interests that are the subject of the Drag-Along Transaction, on the terms and conditions of such Drag-Along Transaction. The General Partner and all other holders of Partnership Interests shall promptly take all necessary and desirable actions in connection with the consummation of the Drag-Along Transaction reasonably requested by the Initiating Partner(s), including the execution of such agreements and such other instruments and other actions reasonably necessary to (A) provide customary representations, warranties, indemnities, and escrow or holdback arrangements relating to such Drag-Along Transaction (in each case, subject to Sections 6.4(c)(iv), 6.4(c)(v) and 6.4(c)(vi)), in each case to the extent that each other holder of Partnership Interests is similarly obligated except as otherwise provided for herein, and (B) effectuate the allocation and distribution of the aggregate consideration upon the Drag-Along Transaction as set forth in Section 6.4(c). The holders of Partnership Interests shall be permitted to sell their Partnership Interests pursuant to any Drag-Along Transaction without complying with any other provisions of this Article 6, other than Sections 6.1 and 6.10.

(c) The obligations of the holders of Partnership Interests pursuant to this Section 6.4 are subject to the following terms and conditions:

(i) the consideration to be received in a Drag-Along Transaction shall consist solely of cash or Marketable Securities (including by way of transactions involving escrow arrangements, holdbacks, earn-out rights, lock-up agreements and other contractual arrangements which may entitle the holders of Partnership Interests to future amounts payable in cash or Marketable Securities);

(ii) upon the consummation of the Drag-Along Transaction, the aggregate consideration from such Drag-Along Transaction shall be allocated in accordance with Section 11.2(d); *provided* that the Initiating Partner(s) shall be entitled to allocate to the holders of Class A Preferred Units the consideration from such Drag-Along Transaction that would otherwise be allocated to the other Partner(s) in order cause the Drag-Along Condition to be satisfied with respect to such Drag-Along Transaction;

(iii) the Partnership shall bear the reasonable, documented costs incurred in connection with any Drag-Along Transaction (costs incurred by or on behalf of any holder of Partnership Interests for its sole benefit will not be considered costs of the Drag-Along Transaction) unless otherwise agreed by the Partnership and the acquiror, in which case no holder of Partnership Interests shall be obligated to make any out-of-pocket expenditure prior to the consummation of the Drag-Along Transaction and no holder of Partnership Interests shall be obligated to pay any portion (or, if paid, shall be entitled to be reimbursed by the Partnership for that portion paid) that is more than its pro rata share (based upon the amount of consideration received by such holder in the Drag-Along Transaction) of reasonable, documented costs incurred in connection with a consummated Drag-Along Transaction;

(iv) no holder of Partnership Interests shall be required to provide any representations, warranties or indemnities under any agreements entered into in connection with the Drag-Along Transaction, other than (A) with respect only to the holders of Class B Preferred Units, representations, warranties or indemnities relating to the business or condition of the Partnership and its Subsidiaries for which the sole recourse is to consideration in escrow or holdback or by way of offset against amounts potentially payable in the future pursuant to earn-out rights or similar contractual arrangements and (B) customary (including with respect to qualifications) several (and not joint) representations, warranties and indemnities concerning (1) such holder's valid title to and ownership of the Partnership Interests, free and clear of all liens, claims and encumbrances (excluding those arising under applicable securities laws); (2) such holder's authority, power and right to enter into and consummate the Drag-Along Transaction; (3) the absence of any violation, default or acceleration of any agreement to which such holder is subject or by which its assets are bound as a result of the Drag-Along Transaction; and (4) the absence of, or compliance with, any governmental or third party

consents, approvals, filings or notifications required to be obtained or made by such holder in connection with the Drag-Along Transaction (and then only to the extent that each other holder of Partnership Interests provides similar representations, warranties and indemnities with respect to the Partnership Interests held by such holder of Partnership Interests);

(v) no holder of Partnership Interests shall be obligated in respect of any indemnity obligations other than with respect to the customary representations, warranties and indemnities made on a several (and not joint) basis and referred to in Section 6.4(c)(iv) in such Drag-Along Transaction for an aggregate amount in excess of the total consideration payable to such holder of Partnership Interests in such Drag-Along Transaction;

(vi) consideration placed in escrow or holdback shall be allocated among holders of Partnership Interests such that in the event the applicable Third Party in the Drag-Along Transaction ultimately is entitled to some or all of such escrow or holdback amounts, then the net ultimate proceeds received by such holders shall still comply with the intent of Section 6.4(c)(ii) as if the ultimate resolution of such escrow or holdback had been known at the closing of the Drag-Along Transaction; and

(vii) if some or all of the consideration received in connection with the Drag-Along Transaction is other than cash, then such consideration shall be deemed to have a dollar value equal to the Fair Market Value of such consideration; *provided, however*, that upon written request, the General Partner shall provide any holder of Partnership Interests all information reasonably related to its determination of Fair Market Value.

(d) Notwithstanding anything to the contrary in this Section 6.4, if the consideration proposed to be paid to the holders of Partnership Interests in a Drag-Along Transaction includes securities with respect to which no registration statement covering the issuance of such securities has been declared effective under the Securities Act, then each of the holders of Partnership Interests that is not then an Accredited Investor (without regard to Rule 501(a)(4)) may be required, at the request and election of the Initiating Partner(s), to (i) at the cost of the Partnership, appoint a purchaser representative (as such term is defined in Rule 501 under the Securities Act) reasonably acceptable to such requesting holders or (ii) accept cash in lieu of any securities such non-Accredited Investor would otherwise receive in an amount equal to the Fair Market Value of such securities.

(e) The Initiating Partner(s) shall have the right in connection with such a prospective transaction (or in connection with the investigation or consideration of any such prospective transaction) to require the General Partner and the Partnership to cooperate fully with potential acquirors in such prospective transaction by taking all customary and other actions reasonably requested by such holders or such potential acquirors, including making the Partnership's properties, books and records, and other assets reasonably available for inspection by such potential acquirors, establishing a

physical or electronic data room including materials customarily made available to potential acquirors in connection with such processes and making its officers and employees reasonably available for presentations, interviews and other diligence activities, in each case subject to reasonable and customary confidentiality provisions. In addition, the Initiating Partner(s) proposing a Drag-Along Transaction shall be entitled to take all steps reasonably necessary to carry out an auction of the Partnership, including selecting an investment bank, providing confidential information (pursuant to confidentiality agreements), selecting the winning bidder and negotiating the requisite documentation. The General Partner and the Partnership shall provide assistance with respect to these actions as reasonably requested.

6.5 ***Tag-Along Rights***.

(a) If any member of the GPM Group (in such capacity, the "***Transferor***") desires to Transfer all or any portion of its Class B Preferred Units to a Third Party (the "***Tag-Along Transferee***"), the Transferor shall offer to include in such proposed Transfer (a "***Tag-Along Sale***") a number of Units owned and designated by any Eligible Seller in accordance with the terms of this Section 6.5. Notwithstanding the foregoing, this Section 6.5 shall not be applicable to, and a Transferor may Transfer Class B Preferred Units without complying with any of the provisions of this Section 6.5 in connection with, any Transfer: (i) to a Permitted Transferee; (ii) made pursuant to a Drag-Along Transaction pursuant to Section 6.4; or (iii) made in connection with the Initial Public Offering. The Transferor shall cause the offer from such Tag-Along Transferee (the "***Tag-Along Offer***") to be reduced to writing, which writing shall include (A) an offer to purchase or otherwise acquire Units from the Eligible Sellers as required by this Section 6.5, (B) a time and place designated for the closing of such purchase, (C) the per Unit purchase price and form of consideration proposed to be paid by the Tag-Along Transferee (the "***Tag-Along Price***"), and (D) all other material terms and conditions of the purchase, including the form of the proposed agreement, if any.

(b) Each of the Eligible Sellers shall be entitled to request to include certain of its Units in such Tag-Along Sale, in each case in accordance with the terms of this Section 6.5.

(c) The Transferor shall send written notice of such Tag-Along Offer (an "***Inclusion Notice***"), together with the Transferor Requested Percentage, to each of the Eligible Sellers. Each Eligible Seller shall have the right (an "***Inclusion Right***"), exercisable by delivery of written notice to the Transferor at any time within 10 days after receipt of the Inclusion Notice, to request to sell a number of Units up to the total number of Units held by such Eligible Seller multiplied by the Transferor Requested Percentage. In the event that (i) the Tag-Along Sale is not consummated within 90 days of the date of the delivery of the Inclusion Notice and (ii) an Eligible Seller has requested to sell Units pursuant to this Section 6.5(c), such Eligible Seller may cancel such request at any time thereafter and such Eligible Seller shall not be required to sell Units pursuant to this Section 6.5.

(d) Promptly following the completion of the procedures described in Section 6.5(c), the following procedures shall apply:

(i) first, the Transferor shall notify the Tag-Along Transferee of the number of Requested Units; and

(ii) next, the Transferor shall determine whether the Tag-Along Transferee is willing to purchase all of the Requested Units and, if the Tag-Along Transferee is unwilling to purchase all such Units, then, the Transferor shall determine what percentage of the aggregate of (i) the Class B Preferred Units that the Transferor proposes to sell in the Tag-Along Sale and (ii) the Requested Units the Tag-Along Transferee is willing to purchase in the aggregate (the "***Purchased Percentage***"). Upon making such determination, (A) the number of Class B Preferred Units that the Transferor proposes to sell in the Tag-Along Sale and (B) the number of Requested Units that each exercising Eligible Seller requested to sell in the Tag-Along Sale shall be reduced on a pro rata basis (based on the number of Units that each such holder desired to sell) so as to permit each of the Transferor and the exercising Eligible Sellers to sell a number of Units equal to the product of (x) the number of Units that such holder desired to sell *multiplied by* (y) the Purchased Percentage (the "***Purchased Units***"); *provided*, *however*, that if, following such pro rata reduction, there are Requested Units constituting Class A Preferred Units that are not Purchased Units (the "***Excess Requested Class A Preferred Units***") and the number of Excess Requested Class A Preferred Units is less than the number of Purchased Units collectively constituting either Class AQ Units (the "***Class AQ Purchased Units***") or Class X Units (the "***Class X Purchased Units***"), then the number of Class AQ Purchased Units and/or Class X Purchased Units, as applicable, shall be reduced on a pro rata basis (based on the number of Class AQ Units that each holder of Class AQ Purchased Units desired to sell and the number of Class X Units that each holder of Class X Purchased Units desired to sell) and the number of Purchased Units held by each holder of Excess Requested Class A Preferred Units shall be increased to include a number of Units equal to the number of Excess Requested Class A Preferred Units held by such holder; *provided, further*, that if the number of Excess Requested Class A Preferred Units is greater than the number (collectively) of Class AQ Purchased Units and/or Class X Purchased Units, then the number of Class AQ Purchased Units and/or Class X Purchased Units, as applicable, shall be reduced to zero and the number of Purchased Units held by each holder of Excess Requested Class A Preferred Units shall be increased to include a number of Units equal to the product of (x) the collective number of Class AQ Purchased Units and Class X Purchased Units (prior to reducing the number of such Class AQ Purchased Units and/or Class X Purchased Units, as applicable, to zero) *multiplied by* (y) a fraction of which the numerator is the number of Excess Requested Class A Preferred Units held by such holder and the denominator is aggregate number of Excess Requested Class A Preferred Units held by all holders.

(e) Notwithstanding anything to the contrary in this Section 6.5, if the consideration proposed to be paid by the Tag-Along Transferee in a Tag-Along Sale includes securities with respect to which no registration statement covering the issuance of such securities has been declared effective under the Securities Act, then each holder of Units participating in the Tag-Along Sale that is not then an Accredited Investor (without regard to Rule 501(a)(4)) may be required, at the request and election of the Transferor, to (i) at the cost of the Partnership, appoint a purchaser representative (as such term is defined in Rule 501 under the Securities Act) reasonably acceptable to such Transferor or (ii) agree to accept cash in lieu of any securities such holder would otherwise receive in an amount equal to the Fair Market Value of such securities; *provided, however*, that upon written request, the General Partner shall provide any holder of Partnership Interests all information reasonably related to its determination of Fair Market Value.

(f) At the time (subject to extension to the extent necessary to pursue any required regulatory or equity holder approvals, including to allow for the expiration or termination of all waiting periods under the Hart Scott-Rodino Antitrust Improvements Act of 1976, as amended) and place provided for the closing in the Tag-Along Offer, or at such other time and place as the Eligible Sellers, the Transferor and the Tag-Along Transferee shall agree, the Eligible Sellers and the Transferor shall sell to the Tag-Along Transferee all of the Purchased Units. Each sale of Purchased Units pursuant to this Section 6.5(f) shall be upon terms and conditions, if any, not more favorable, individually and in the aggregate, to the purchaser than those in the Tag-Along Offer and the Inclusion Notice and upon the consummation of such sale, each holder of Purchased Units shall receive the consideration specified in Section 6.5(g).

(g) Upon the consummation of a Tag-Along Sale, each holder of Purchased Units shall receive an amount of consideration equal to the product of (i) the number of Purchased Units sold by such holder in the Tag-Along Sale *multiplied by* (ii) the Tag-Along Price.

(h) The Transferor shall have the right in connection with any Tag-Along Sale (or in connection with the investigation or consideration of any potential Tag-Along Sale) to require the General Partner and the Partnership to cooperate fully with potential acquirors in such prospective Tag-Along Sale by taking all customary and other actions reasonably requested by such Transferor or such potential acquirors, including making the Partnership's properties, books and records, and other assets reasonably available for inspection by such potential acquirors, establishing a physical or electronic data room including materials customarily made available to potential acquirors in connection with such processes and making its employees reasonably available for presentations, interviews and other diligence activities, in each case subject to reasonable and customary confidentiality provisions. The General Partner and the Partnership shall provide assistance with respect to these actions as reasonably requested.

(i) No holder of Partnership Interests shall be obligated to make anyout-of-pocket expenditure prior to the consummation of the Tag-Along Sale and no holder of Partnership Interests shall be obligated to pay any portion (or, if paid, shall be entitled to be reimbursed by the Partnership for that portion paid) that is more than its pro rata share (based upon the amount of consideration received by such holder in the Tag-Along Sale) of reasonable expenses incurred by such holder in connection with a consummated Tag-Along Sale for the benefit of all holders of Partnership Interests participating in the Tag-Along Sale and are not otherwise paid by the Partnership or another Person.

(j) Notwithstanding anything to the contrary in this Agreement, at any time after the 180th day following the consummation of theTag-Along Sale with respect to each proposed Tag-Along Sale, the Partnership, with the approval of the General Partner, shall be entitled to waive, on behalf of each Eligible Seller, each former Eligible Seller and each of their respective Affiliates, successors and assigns and the members, partners, stockholders, directors, Directors, officers, liquidators and employees of each of the foregoing (collectively, the "***Eligible Seller Persons***") any and all claims such Eligible Seller Persons have, had or may have or have had with respect to any non-compliance or violation of this Section 6.5 by any Person with respect to such Tag-Along Sale (whether or not any Units were Transferred pursuant to this Section 6.5), other than any such claim that has been made in writing and delivered to the Partnership prior to the expiration of such 180-day period.

6.6 ***Initial Public Offering***.

(a) Notwithstanding anything to the contrary in this Agreement (including Sections 7.2 and 12.5) and subject solely to the satisfaction of the IPO Conditions (unless waived in whole or in part in writing by, with respect to the Class A IPO Condition, any member of the Class A Group holding Limited Partner Interests or by, with respect to the Class AQ IPO Condition, the Class AQ Group or by, with respect to the Class X IPO Condition, the Class X Group), the Initial Public Offering may be initiated and approved at any time by the General Partner without the consent of any other Partner. In connection with the Initial Public Offering, (i) the Partners shall amend and restate this Agreement in the form attached hereto as Exhibit B (the "***Fourth A&R LPA***"), with such changes thereto as the General Partner shall deem necessary or appropriate in its sole discretion; (ii) the Units outstanding immediately prior to the Initial Public Offering shall be converted into an aggregate number of Common Units and Subordinated Units as the General Partner shall determine is appropriate (such aggregate number of Common Units and Subordinated Units, the "***Total IPO Units***") with each Class A Preferred Unit, Class AQ Unit, Class X Unit and Class B Preferred Unit converting into such number of Common Units and/or Subordinated Units as is provided in Sections 6.6(b), Section 6.6(c), Section 6.6(d) and Section 6.6(e), respectively, and (iii) the General Partner shall be authorized to cause the Partnership to negotiate, prepare, execute and deliver such other agreements, documents and other instruments (including with any Affiliates of the Partnership or any Partner), and take such other actions (including the issuance of any securities), as the General Partner shall deem necessary or appropriate in its sole discretion to effect the Initial Public Offering.

(b) In connection with the Initial Public Offering, each Class A Preferred Unit shall convert into a number of Common Units equal to "X" multiplied by "Y," where "X" equals a fraction, the numerator of which is the total number of Class A Preferred Units outstanding immediately prior to such conversion and the denominator of which is the total number of Units outstanding at such time, and "Y" equals a fraction, the numerator of which is the number of Total IPO Units and the denominator of which is the total number of Class A Preferred Units outstanding immediately prior to such conversion; *provided, however*, that if the value of the Common Unit(s) into which each outstanding Class A Preferred Unit would convert in accordance with the foregoing formula (based on the Initial Unit Price) is less than (the amount of such shortfall, the "***IPO Shortfall***") the sum of (i) the Preferred Return of such Class A Preferred Unit as of the date of conversion *plus* (ii) the Cumulative Class A Preferred Unit Arrearage, if any, with respect to such Class A Preferred Unit as of the date of conversion *plus* (iii) the Current Distributions on such Class A Preferred Unit as of the date of conversion (collectively, the "***Class A IPO Condition***"), then the Class A Preferred Units shall convert (subject to the proviso below) into such number of Common Units as is required to cause the Class A IPO Condition to be satisfied (such Common Units into which the Class A Preferred Units convert in accordance with the foregoing, as adjusted, if applicable, pursuant to the proviso below, the "***Class A IPO Common Units***"); *provided, further,* the General Partner shall be entitled, in its sole discretion, to cause all or a portion of the IPO Shortfall to be satisfied by the payment of cash to the holders of Class A Preferred Units.

(c) In connection with the Initial Public Offering, each Class AQ Unit shall convert into a number of Common Units equal to "X" multiplied by "Y," where "X" equals a fraction, the numerator of which is the total number of Class AQ Units outstanding immediately prior to such conversion and the denominator of which is the total number of Units outstanding at such time, and "Y" equals a fraction, the numerator of which is the number of Total IPO Units and the denominator of which is the total number of Class AQ Units outstanding immediately prior to such conversion; *provided, however*, that if the value of the Common Unit(s) into which each outstanding Class AQ Unit would convert in accordance with the foregoing formula (based on the Initial Unit Price) is less than (the amount of such shortfall, the "***Class AQ IPO Shortfall***") the Class AQ Unit Purchase Price (the "***Class AQ IPO Condition***"), then the Class AQ Units shall convert (subject to the proviso below) into such number of Common Units as is required to cause the Class AQ IPO Condition to be satisfied (such Common Units into which the Class AQ Units convert in accordance with the foregoing, as adjusted, if applicable, pursuant to the proviso below, the "***Class AQ IPO Common Units***"); *provided, further,* the General Partner shall be entitled, in its sole discretion, to cause all or a portion of the Class AQ IPO Shortfall to be satisfied by the payment of cash to the holders of Class AQ Units.

(d) In connection with the Initial Public Offering, each Class X Unit shall convert into a number of Common Units equal to "X" multiplied by "Y," where "X" equals a fraction, the numerator of which is the total number of Class X Units outstanding immediately prior to such conversion and the denominator of which is the total number of Units outstanding at such time, and "Y" equals a fraction, the numerator of which is the number of Total IPO Units and the denominator of which is the total number of Class X Units outstanding immediately prior to such conversion; *provided, however*, that if the

value of the Common Unit(s) into which each outstanding Class X Unit would convert in accordance with the foregoing formula (based on the Initial Unit Price) is less than (the amount of such shortfall, the "***Class X IPO Shortfall***") the Class X Unit Purchase Price (the "***Class X IPO Condition***"), then the Class X Units shall convert (subject to the proviso below) into such number of Common Units as is required to cause the Class X IPO Condition to be satisfied (such Common Units into which the Class X Units convert in accordance with the foregoing, as adjusted, if applicable, pursuant to the proviso below, the "***Class X IPO Common Units***"); *provided, further,* the General Partner shall be entitled, in its sole discretion, to cause all or a portion of the Class X IPO Shortfall to be satisfied by the payment of cash to the holders of Class X Units.

(e) In connection with the Initial Public Offering, each Class B Preferred Unit shall convert into a number of Units (as defined in the Fourth A&R LPA) equal to "X" divided by "Y," where "X" equals the number of Total IPO Units less the number of Class A IPO Common Units less the number of Class AQ IPO Common Units less the number of Class X IPO Common Units and "Y" equals the total number of Class B Preferred Units outstanding immediately prior to such conversion (the "***Class B IPO Units***"). The General Partner shall be entitled, in its sole discretion, to determine the number of Class B IPO Units that shall be Common Units and the number of Class B IPO Units that shall be Subordinated Units.

(f) In connection with the Initial Public Offering, all of the Incentive Distribution Rights shall be issued to the General Partner as set forth in the Fourth A&R LPA.

(g) In connection with the Initial Public Offering approved in accordance with this Agreement, each Partner, upon the request of the lead underwriter(s), shall enter into a customary lock-up agreement at the time of the Initial Public Offering covering the Common Units, if any, to be received by such Partner pursuant to Section 6.6(a) for a lock-up period of no longer than 180 days.

(h) Each member of the Class A Group shall be required to sell up to 50% of its Common Units in the Initial Public Offering, as determined by the General Partner in its sole discretion; *provided*, that the Partnership will (a) pay all fees and expenses incurred by the Partnership in connection with the Initial Public Offering and (b) reimburse the members of the Class A Group for (i) the reasonable, documented out-of-pocket expenses incurred by members of the Class A Group in connection with the Initial Public Offering, including fees and expenses of attorneys, accountants and advisors retained by the Class A Group, up to a maximum, with respect to such expenses incurred by members of the Class A Group, of $50,000 and (ii) the Class A Group's pro rata portion of all underwriting discounts and commissions received by the underwriters in the Initial Public Offering.

(i) Notwithstanding anything in Sections 6.6(b), 6.6(c), 6.6(d) or 6.6(e) to the contrary, if prior to the Initial Public Offering the Partnership effects a Reclassification Event in a manner that is not applied consistently and on a pro rata basis to all classes of Partnership Interests outstanding at the time of such Reclassification Event, then the

formulas in Sections 6.6(b), 6.6(c), 6.6(d) and 6.6(e) shall be adjusted to negate any dilutive effects of such Reclassification Event. Such an adjustment shall be made at the time of the Initial Public Offering and take into account all such Reclassification Events that have occurred prior to the date thereof.

6.7 ***Preemptive Rights***.

(a) Prior to the Partnership issuing (other than through issuances of (i) Class X Units authorized as of the Effective Date as set forth in Article 3, (ii) Partnership Interests to any Person that is not a Partner or an Affiliate thereof as consideration in any acquisition or other strategic transaction (such as a joint venture, marketing or distribution arrangement, or technology transfer or development arrangement) approved in accordance with this Agreement, (iii) Junior Securities to any Person approved in accordance with this Agreement or (iv) Common Units and Subordinated Units issued pursuant to Section 6.6(a) (each such issuance, an "***Excluded Unit Issuance***")) any Partnership Interests or options or other rights to acquire Partnership Interests, whether through exchange, conversion or otherwise (collectively, the "***New Units***") to a proposed purchaser (the "***Proposed Purchaser***"), each Eligible Purchaser shall have the right to purchase the number of New Units as provided in this Section 6.7.

(b) The Partnership shall give each Eligible Purchaser at least 15 calendar days' prior notice (the "***First Notice***") of any proposed issuance of New Units, which notice shall set forth in reasonable detail the proposed terms and conditions thereof and shall offer to each Eligible Purchaser the opportunity to purchase its Pro Rata Share (which Pro Rata Share shall be calculated as of the date of such notice) of the New Units at the same price, on the same terms and conditions and at the same time as the New Units are proposed to be issued by the Partnership. If any Eligible Purchaser wishes to exercise its preemptive rights, it must do so by delivering an irrevocable written notice to the Partnership within 15 calendar days after delivery of the First Notice by the Partnership (the "***Election Period***"), which notice shall state the dollar amount of New Units such Eligible Purchaser (each a "***Requesting Purchaser***") would like to purchase up to a maximum amount equal to such Eligible Purchaser's Pro Rata Share of the total offering amount plus the additional dollar amount of New Units such Requesting Purchaser would like to purchase in excess of its Pro Rata Share (the "***Over-Allotment Amount***"), if any, if other Eligible Purchasers do not elect to purchase their full Pro Rata Share of the New Units. The rights of each Requesting Purchaser to purchase a dollar amount of New Units in excess of each such Requesting Purchaser's Pro Rata Share of the New Units shall be based on the relative Pro Rata Shares of the New Units of those Requesting Purchasers desiring Over-Allotment Amounts.

(c) If not all of the New Units are subscribed for by the Eligible Purchasers, the Partnership shall have the right, but shall not be required, to issue and sell the unsubscribed portion of the New Units to the Proposed Purchaser at any time during the 90 days following the termination of the Election Period pursuant to the terms and conditions set forth in the First Notice. The General Partner may, in its reasonable discretion, impose such other reasonable and customary terms and procedures such as setting a closing date,

rounding the number of Units covered by this Section 6.7 to the nearest whole Unit and requiring customary closing deliveries in connection with any preemptive rights offering. In the event any Eligible Purchaser refuses to purchase offered New Units for which it subscribed pursuant to the exercise of preemptive rights granted thereto under this Section 6.7, in addition to any other rights the Partnership may be permitted to enforce at law or in equity, such Eligible Purchaser and any Permitted Transferee of such Eligible Purchaser shall not be considered an Eligible Purchaser for any future rights granted under this Section 6.7 unless the Partnership expressly designates such Person as an Eligible Purchaser (which the Partnership may do on an offer-by-offer basis or not at all).

(d) Notwithstanding anything to the contrary in this Agreement, at any time after the 180th day following the consummation of the issuance of such New Units pursuant to this Section 6.7, the Partnership, with the approval of the General Partner, shall be entitled to waive, on behalf of each Eligible Purchaser, each former Eligible Purchaser and each of their respective Affiliates, successors and assigns and the members, partners, stockholders, directors, managers, officers, liquidators and employees of each of the foregoing (collectively, the "***Eligible Purchaser Persons***"), any and all claims such Eligible Purchaser Persons have, had or may have or have had with respect to any non-compliance or violation of this Section 6.7 by any Person with respect to such proposed issuance of New Units (whether or not any Partnership Interests were issued or sold pursuant to this Section 6.7), other than any such claim that has been made in writing and delivered to the Partnership prior to the expiration of such 180-day period.

6.8 ***Regulatory Transfers***.

(a) Notwithstanding anything to the contrary in this Agreement, upon delivery to the General Partner of a reasonably acceptable legal opinion that one or more members of the Class A Group's continued ownership of Class A Preferred Units, directly or indirectly, would result in a violation of applicable Law, such members of the Class A Group (collectively, the "***Regulatory Transferors***") will be entitled to Transfer all, but not less than all, of their Class A Preferred Units (collectively, the "***Regulatory Units***") to one or more Third Parties that are not Competitors without consent from any other Person; *provided* that such Regulatory Transferors must first comply with the provisions of Section 6.8(b) (such Transfer, a "***Regulatory Transfer***").

(b) Prior to effecting any Regulatory Transfer, the Regulatory Transferors shall deliver written notice to each member of the GPM Group. The members of the GPM Group shall have the right, for a period of 15 days after receipt of such notice (the "***Offer Period***"), to make an offer to purchase all, but not less than all, of the Regulatory Units by delivering written notice to such Regulatory Transferors specifying the price per Class A Preferred Unit (the "***Offer Price***") it would pay for such Regulatory Units (such Regulatory Units to be divided among any participating members of the GPM Group in accordance with their respective Regulatory Percentage Interests). The Regulatory Transferors may accept or reject such offer at any time within 15 days after receipt of such offer. If the Regulatory Transferors accept such offer, the Regulatory Transferors and each participating member of the GPM Group shall consummate such sale (a "***Regulatory Sale***") for the Offer Price

and on reasonable terms and conditions as determined by the General Partner, including the making by the Regulatory Transferors of customary representations and warranties. If the Regulatory Transferors reject such offer (or if a member of the GPM Group does not deliver an offer during the Offer Period), then the Regulatory Transferors may sell all, but not less than all, of the Regulatory Units in a Regulatory Transfer within 90 days after the expiration of the Offer Period at a price per Class A Preferred Unit that is greater than the Offer Price, if any. If such sale has not been consummated within such 90-day period, the Regulatory Transferors may not consummate a Regulatory Transfer without again complying in full with the provisions of this Section 6.8(b).

(c) Notwithstanding anything to the contrary in this Agreement, at any time after the 180th day following the consummation of a Regulatory Transfer or Regulatory Sale, as applicable, pursuant to this Section 6.8, the Partnership, with the approval of the General Partner, shall be entitled to waive, on behalf of each member of the GPM Group, each former member of the GPM Group and each of their respective Affiliates, successors and assigns and the members, partners, stockholders, directors, Directors, officers, liquidators and employees of each of the foregoing (collectively, the "***GPM Persons***") any and all claims such GPM Persons have, had or may have or have had with respect to anynon-compliance or violation of this Section 6.8 by any Person with respect to such Regulatory Transfer or Regulatory Sale, as applicable, other than any such claim that has been made in writing and delivered to the Partnership prior to the expiration of such 180-day period.

6.9 ***Monetization Transactions***.

(a) If (i) a Change of Control has occurred (other than in connection with the Initial Public Offering or a Drag-Along Transaction), (ii) any Class A Preferred Units remain outstanding as of the fifth anniversary of the Original Effective Date or (iii) the Partnership has failed to pay for four (4) consecutive Months a distribution in respect of each Class A Preferred Unit then outstanding in an amount equal to the Minimum Monthly Distribution and thereafter the Partnership has failed to pay a distribution in respect of each Class A Preferred Unit then outstanding in an amount equal to the Minimum Monthly Distribution for any additional eight (8) Months (whether or not consecutive) since the Original Effective Date, Invesco may, by delivery to the Partnership and General Partner of written notice (x) in the case of an event described in clause (i) or (iii) of this Section 6.9(a), within 10 Business Days of the occurrence of such event (it being understood that if such notice is not received by the Partnership and the General Partner within such 10-day period, Invesco will be deemed to have waived its rights under thisSection 6.9(a)) and (y) in the case of the event described in clause (ii) of this Section 6.9(a), at any time, request the Partnership to, in the sole discretion of the General Partner, either:

(i) redeem each outstanding Class A Preferred Unit in cash at a price per Class A Preferred Unit equal to the sum of (A) (x) in the case of clause (ii) of Section 6.9(a), the Class A Preferred Unit Purchase Price or (y) in the case of clauses (i) and (iii) ofSection 6.9(a), the product of (1) the Class A Preferred Unit Purchase Price *multiplied by* (2) 1.03 *plus* (B) the Cumulative Class A Preferred Unit Arrearage, if any, with respect to such Class A Preferred Unit as of the date of redemption *plus* (C) the Current Distributions on such Class A Preferred Unit as of the date of redemption;

(ii) undertake, and use reasonable best efforts to consummate, the Initial Public Offering in accordance with Section 6.6;

(iii) undertake, and use reasonable best efforts to consummate, a sale or other disposition of all or substantially all of the assets of the Partnership to be followed promptly by a distribution of all or substantially all of the net proceeds of such disposition after payment or other satisfaction of liabilities and other obligations of the Partnership in accordance with Section 11.2(d); *provided* that the General Partner shall be entitled to elect to cause the Partnership to undertake such a sale or disposition in accordance with this Section 6.9(a)(iii) following the occurrence of an event described in clause (ii) of Section 6.9(a) only if each outstanding Class A Preferred Unit would receive consideration in such sale or disposition equal to at least the amount of consideration such Class A Preferred Unit would be receive in a redemption conducted in accordance with Section 6.9(a)(i); or

(iv) cause the Minimum Monthly Distribution applicable to each Class A Preferred Unit to be increased by 50%.

(b) At any time after the fifth anniversary of the Original Effective Date, the Partnership may, at the sole discretion of the General Partner and by delivery of written notice to each holder of Class A Preferred Units, redeem each outstanding Class A Preferred Unit in cash at a price per Class A Preferred Unit equal to the sum of (i) the product of (A) the Class A Preferred Unit Purchase Price *multiplied by* (B) 1.05 *plus* (ii) the Cumulative Class A Preferred Unit Arrearage, if any, with respect to such Class A Preferred Unit as of the date of redemption *plus* (iii) the Current Distributions on such Class A Preferred Unit as of the date of redemption.

(c) Notwithstanding anything to the contrary in this Section 6.9, in the event that the Partnership (i) redeems each outstanding Class A Preferred Unit pursuant to Section 6.9(a)(i) or Section 6.9(b) and (ii) consummates the Initial Public Offering within the 12-Month period following the closing of any such redemption at a value that would have resulted in the holders of the redeemed Class A Preferred Units (assuming for purposes of such calculation that such redemption had not occurred) receiving Common Units having an aggregate value in excess of the aggregate amount received by such holders of Class A Preferred Units in such redemption (such excess, the "***IPO Excess Amount***"), then the Partnership shall, within 30 days of the closing of the Initial Public Offering, pay to the redeemed holders of Class A Preferred Units from the proceeds of the Initial Public Offering an amount equal to the IPO Excess Amount, such IPO Excess Amount to be allocated among the redeemed holders of Class A Preferred Units pro rata based on the number of redeemed Class A Preferred Units held by each such holder.

(d) The closing of any redemption pursuant to this Section 6.9 shall occur within 30 days following the delivery of the required notice as set forth herein (subject to extension to the extent necessary to pursue any required regulatory or other third party approvals), or such other time as otherwise agreed to by the General Partner and the Partners holding a majority of the Class A Preferred Units. In connection with any such redemption, each holder of Class A Preferred Units shall only be required to make customary (including with respect to qualifications) several (and not joint) representations, warranties and indemnities concerning (1) such holder's valid title to and ownership of the Class A Preferred Units, free and clear of all liens, claims and encumbrances (excluding those arising under applicable securities laws); (2) such holder's authority, power and right to enter into and consummate the redemption; (3) the absence of any violation, default or acceleration of any agreement to which such holder is subject or by which its assets are bound as a result of the redemption; and (4) the absence of, or compliance with, any governmental or third party consents, approvals, filings or notifications required to be obtained or made by such holder in connection with the redemption. No holder of Class A Preferred Units shall be obligated in respect of any indemnity obligations in such redemption other than with respect to the customary representations, warranties and indemnities made on a several (and not joint) basis and referred to in this Section 6.9(d), and such indemnity obligations shall not exceed the total consideration payable to such holder of Class A Preferred Units in such redemption.

(e) Invesco shall be entitled, upon written notice to the Partnership and the General Partner, to assign, in whole but not in part, its right under Section 6.9(a) to deliver the written notice contemplated therein to any Person to whom the Class A Purchasers Transfer, pursuant to and in accordance with the terms and conditions of this Agreement, at least 50% of the aggregate number of Class A Preferred Units originally issued to the Class A Purchasers pursuant to the Class A Preferred Unit Purchase Agreement (a "***Purchaser Monetization Rights Transferee***"). From and after the date on which Invesco assigns its right under Section 6.9(a) pursuant to this Section 6.9(e), all references to Invesco in Section 6.9(a) shall refer to the Purchaser Monetization Rights Transferee, and Invesco shall no longer have the right pursuant to Section 6.9(a) to deliver the written notice contemplated therein.

6.10 ***Specific Performance***. Each Partner acknowledges that it shall be inadequate or impossible, or both, to measure in money the damage to the Partnership or the Partners, if any of them or any transferee or any legal representative of any party hereto fails to comply with any of the restrictions or obligations imposed by this Article 6, that every such restriction and obligation is material, and that in the event of any such failure, the Partnership or the Partners shall not have an adequate remedy at law or in damages. Therefore, each Partner consents to the issuance of an injunction or the enforcement of other equitable remedies against such Partner at the suit of an aggrieved party without the posting of any bond or other security, to compel specific performance of all of the terms of this Article 6 and to prevent any Transfer of Partnership Interests in contravention of any terms of this Article 6, and waives any defenses thereto, including the defenses of: (a) failure of consideration; (b) breach of any other provision of this Agreement; and (c) availability of relief in damages.

ARTICLE 7
MANAGEMENT

7.1 ***Management Under Direction of the General Partner***.

(a) Subject to any voting, consent or approval rights of any Limited Partner or Limited Partners expressly provided for in this Agreement (including Section 7.3), the business and affairs of the Partnership shall be managed and controlled exclusively by the General Partner, and the General Partner shall have full and complete discretion to manage and conduct the business and affairs of the Partnership, to make all decisions affecting the business and affairs of the Partnership and to take all such actions and enter into and perform all contracts and other undertakings as it may in its sole and absolute discretion deem necessary, advisable or incidental to accomplishing the purposes of the Partnership as set forth in Section 2.4.

(b) In furtherance of the foregoing, subject to the express limitations in this Agreement, the General Partner is hereby expressly granted the right, power and authority to do on behalf of the Partnership all things which, in its sole and absolute discretion, are necessary, advisable or incidental to manage and conduct the business and affairs of the Partnership, including, without limitation, the right, power and authority to: (i) acquire, hold, manage, operate, own, sell, transfer, assign or exchange or otherwise dispose of any assets of the Partnership; (ii) pay the debts, obligations and operating expenses of the Partnership; (iii) determine distributions of the Partnership's cash and other property in accordance with Article 5; (iv) hire and dismiss any and all employees, agents, independent contractors, attorneys, accountants and other service providers of the Partnership or its Subsidiaries; (v) borrow money and use as security therefor all or any part of any asset of the Partnership; (vi) enter into, deliver, perform and take an action under or interpret or construe the provisions of, any agreement, contract or other arrangement; and (vii) admit Additional Limited Partners and Substituted Limited Partners to the Partnership and issue additional Units or other Partnership Interests (or securities convertible into or exercisable or exchangeable for Partnership Interests) as provided in Section 3.7.

(c) Notwithstanding anything to the contrary in this Agreement:

(i) with respect to any action, decision not to act or other determination that is to be made pursuant to this Agreement by the General Partner, subject to any approval of the Limited Partners, the General Partner's authority to manage and control the affairs of the Partnership shall be subject to obtaining such approval of the Limited Partners;

(ii) any amendment, modification, supplementation or restatement of this Agreement (including any Exhibit or Schedule hereto) may be made solely subject to the applicable approvals as set forth in Section 12.5;

(iii) a Drag-Along Transaction may be initiated and consummated by the Initiating Partners subject solely to the applicable approvals set forth in Section 6.4, without the approval of any other Person, including the General Partner; and

(iv) any other action, decision not to act or determination that by the terms of this Agreement expressly requires only the approval of the Limited Partners, and expressly provides that the consent of the General Partner is not required, may be taken, not taken or made subject solely to the applicable Limited Partner approval, without the approval of any other Person, including the General Partner.

7.2 ***Limited Partner Approval Rights***. Except for the right to vote on, consent to or approve certain matters as provided in this Agreement, the Limited Partners in their capacity as such shall not have any other power or authority to participate in the conduct of or control the business or affairs of the Partnership or to bind the Partnership or enter into agreements on behalf of the Partnership. Any matter requiring the consent or approval of any of the Limited Partners pursuant to this Agreement may be taken without a meeting, by a consent in writing, setting forth such vote, consent or approval, and signed by the holders of not less than the number of outstanding Limited Partner Interests necessary to consent to or approve such action; provided, that such written consent shall be delivered to all Limited Partners of the series of Units that must vote on, consent to or approve of such action no less than 48 hours prior to the consideration of such action. Prompt notice of such vote, consent or approval shall be given by the Partnership to those Limited Partners who have not joined in such vote, consent or approval.

7.3 ***Class A Preferred Unit Approval Rights; Class AQ Unit and Class X Approval Rights***.

(a) Notwithstanding anything in this Agreement to the contrary, including Section 12.5, but subject to Section 7.3(b), if applicable, the affirmative vote of holders of a majority of the outstanding Class A Preferred Units, voting separately as a class with one vote per Class A Preferred Unit, shall be necessary to issue (A) any Senior Securities, (B) any additional Class A Preferred Units or (C) any Parity Securities (other than, in the case of each of clause (B) and (C), any such Class A Preferred Units or Parity Securities issued in connection with a Reclassification Event), it being understood that the Partnership shall be authorized to issue Junior Securities solely with the approval of the General Partner (and without the approval of any other Person, including the holders of Class A Preferred Units); *provided, however*, that the Partnership shall be authorized to issue Parity Securities solely with the approval of the General Partner (and without the approval of any other Person, including the holders of Class A Preferred Units) if the Cumulative Class A Preferred Unit Arrearage, if any, with respect to each outstanding Class A Preferred Unit is $0 as of the day immediately preceding the date of such issuance.

(b) Notwithstanding anything in this Agreement to the contrary, including Section 12.5, but subject to Section 7.3(a), if applicable, (i) the affirmative vote of holders of a majority of the outstanding Class AQ Units, voting separately as a class with one vote per Class AQ Unit, shall be necessary to issue any Class AQ Senior Securities (other than

any Class AQ Senior Securities issued in connection with a Reclassification Event), it being understood that the Partnership shall be authorized to issue additional Class AQ Units, Class X Units, Class B Preferred Units, Class AQ Parity Securities, Class X Parity Securities, Class AQ Junior Securities or Class X Junior Securities with the approval of the General Partner (and without the approval of any other Person, including the holders of Class AQ Units), and (ii) the affirmative vote of holders of a majority of the outstanding Class X Units, voting separately as a class with one vote per Class X Unit, shall be necessary to issue any Class X Senior Securities (other than any Class X Senior Securities issued in connection with a Reclassification Event), it being understood that the Partnership shall be authorized to issue additional Class AQ Units, Class X Units, Class B Preferred Units, Class AQ Parity Securities, Class X Parity Securities, Class AQ Junior Securities or Class X Junior Securities with the approval of the General Partner (and without the approval of any other Person, including the holders of Class X Units).

7.4 ***Acknowledgement Regarding Outside Businesses and Opportunities.***

(a) Notwithstanding anything in this Agreement or any other Transaction Document to the contrary, the Partnership and each of the Partners acknowledges and agrees that the Institutional Investors and their respective Affiliates (i) have made, prior to the Effective Date, and are expected to make, on and after the Effective Date, investments (by way of capital contributions, loans or otherwise), and (ii) have engaged, prior to the Effective Date, and are expected to engage, on and after the Effective Date, in other transactions with and with respect to, in each case, Persons engaged in businesses that directly or indirectly compete with the business of the General Partner, the Partnership or their respective Subsidiaries as conducted from time to time. The Partnership and the Partners agree that, subject only to the limitations provided in clause (b) below and in Section 9.4(b) with respect to Confidential Information, any involvement, engagement or participation of such Institutional Investors and their respective Affiliates (including any GP Manager) in such investments, transactions and businesses, even if competitive with the General Partner, the Partnership or their respective Subsidiaries, shall not be deemed wrongful or improper or to violate any duty express or implied under applicable Law. For the avoidance of doubt, subject only to clause (b) below and in Section 9.4(b) with respect to Confidential Information, no Institutional Investor shall be deemed to violate this Section 7.4 if it or any of its Affiliates shall invest in a fund or other entity, whether or not such Institutional Investor Controls such fund or entity, which makes an investment that directly or indirectly competes with the General Partner, the Partnership or their respective Subsidiaries.

(b) The Partnership and each Partner hereby renounce any interest, expectancy and any other rights with respect to any business opportunity (each, a *"**Business Opportunity**"*) in which any member of the Institutional Investor Group participates or desires or seeks to participate that either (i) is not within the purposes of the Partnership as set forth in Section 2.4 or (ii) is within such purposes of the Partnership but is not a Business Opportunity that (A) is presented to a GP Manager solely in such individual's capacity as a GP Manager (whether at a meeting of the GP Board or otherwise) and with respect to

which neither the Institutional Investor designating such GP Manager nor any of its Affiliates has independently received notice or is otherwise pursuing or aware of such Business Opportunity or (B) is identified to the GP Manager solely through the disclosure of information by or on behalf of the General Partner or the Partnership to such GP Manager and with respect to which neither the Institutional Investor designating such GP Manager nor any of its Affiliates has independently received notice or is otherwise pursuing or aware of such Business Opportunity (each Business Opportunity other than those referred to in clauses (ii)(A) or (ii)(B) is referred to as an *"**Excluded Business Opportunity**"*). No member of the Institutional Investor Group, including any GP Manager, shall have any obligation to communicate or offer any Excluded Business Opportunity to the General Partner, the Partnership or their respective Subsidiaries, and any member of the Institutional Investor Group may pursue for itself or direct, sell, assign or transfer to a Person other than the General Partner, the Partnership or their respective Subsidiaries any Excluded Business Opportunity. Characterization of something as an Excluded Business Opportunity or a decision by the Partnership not to pursue any Business Opportunity shall not alter or excuse obligations of the Partners with respect to Confidential Information as set forth in Section 9.4(b).

(c) Each of the Partnership and the Partners hereby agrees that any claims against, actions, rights to sue, other remedies or other recourse to or against the Institutional Investors or any of their respective Affiliates (including any GP Manager) for or in connection with any such investment activity or other transaction activity or other matters described in Section 7.4(a) or (b), or activities related to any of the foregoing, whether arising in common law or equity or created by rule of law, statute, constitution, contract (including this Agreement or any Transaction Document) or otherwise, are expressly released and waived by the Partnership and each Partner, in each case to the fullest extent permitted by Law; *provided, however,* that this Section 7.4(c) shall not constitute a release or waiver of any claims for a breach of this Agreement or any Transaction Document, including Section 9.4(b) hereof.

(d) Notwithstanding anything in this Agreement or any other Transaction Document to the contrary, each of the Partnership and the Partners acknowledges and agrees that the Institutional Investors and their respective Affiliates (including any GP Manager) have obtained, prior to the Effective Date, and are expected to obtain, on and after the Effective Date, confidential information from other companies in connection with the activities and transactions described in Section 7.4(a) or otherwise. Each of the Partnership and the Partners hereby agrees that (i) none of the Institutional Investors or any of their respective Affiliates (including any GP Manager) has any obligation to use in connection with the business, operations, management or other activities of the Partnership or to furnish to the General Partner, the Partnership, their respective Subsidiaries or any Partner any such confidential information, and (ii) that any claims against, actions, rights to sue, other remedies or other recourse to or against the Institutional Investors or any of their respective Affiliates (including any GP Manager) for or in connection with any such failure to use or to furnish such confidential information, whether arising in common law or equity or created by rule of law, statute, constitution, contract (including this Agreement or any Transaction Document) or otherwise, are expressly released and waived by the Partnership and each Partner, to the fullest extent permitted by Law.

7.5 ***Acknowledgement and Release Relating to Matters Requiring Limited Partner Approval*** Notwithstanding anything in this Agreement or any other Transaction Document to the contrary, each of the Partnership and the Partners acknowledges and agrees that each Limited Partner, in its capacity as Limited Partner, may decide or determine any matter subject to such Limited Partner's vote, consent or approval pursuant any provision of this Agreement, including any decision or determination of any nature described in Section 7.1(c), in such Limited Partner's sole and absolute discretion, and in making such decision or determination such Limited Partner shall have no duty, fiduciary or otherwise, to any other Partner or to the Partnership, it being the intent of all Partners that each Limited Partner, in its capacity as a Limited Partner, have the right to make such determination solely on the basis of its own interests and have no duty or obligation to give any consideration to any other interests or factors whatsoever. Each of the Partnership and the General Partner and the Limited Partners hereby agrees that any claims against, actions, rights to sue, other remedies or other recourse to or against the Institutional Investors or any of their respective Affiliates (including any GP Manager) for or in connection with any such decision or determination, in each case whether arising in common law or equity or created by rule of law, statute, constitution, contract (including this Agreement or any other Transaction Document) or otherwise, are in each case expressly released and waived by the Partnership and each Partner, to the fullest extent permitted by Law, as a condition of, and as part of the consideration for, the execution of this Agreement, the other Transaction Documents and any related agreement, and the incurring by the Partners of the obligations provided in such agreements; *provided, however*, that nothing contained herein shall release a violation of the implied contractual covenant of good faith and fair dealing, to the extent such a duty applies according to applicable Law.

7.6 ***Amendment, Modification or Repeal***. Any amendment, modification or repeal of Section 7.4 or Section 7.5, or any provision thereof shall be prospective only and shall not in any way affect the limitations on the liability of the applicable Partners or any of their respective Affiliates under such provisions as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

ARTICLE 8
LIMITATION OF LIABILITY AND INDEMNIFICATION

8.1 ***Duties of the Partners and GP Managers; Limitation of Partner and GP Manager Liability; Indemnification.***

(a) No Partner (including the General Partner), in its capacity as a Partner, shall have any fiduciary or other duty to the Partnership, any other Partner, any GP Manager or any other Person that is a party to or is otherwise bound by this Agreement other than, to the extent required by Law, the implied contractual covenant of good faith and fair dealing.

(b) To the maximum extent permitted by applicable Law and notwithstanding anything to the contrary in this Agreement, whenever a Partner (including the General Partner and any Institutional Investor), in its capacity as a Partner, or a GP Manager, in his or her capacity as a GP Manager, is permitted or required to make, grant or take a determination, decision, consent, vote, judgment or action or omit to take or make any of the foregoing (regardless of whether such determination, decision, consent, vote, judgment or action is stated to be at such Partner's or GP Manager's "*discretion*," "*sole discretion*" or under a grant of similar authority or latitude) including, with respect to the Limited Partners, of any nature described in Section 7.1(c), such Partner or GP Manager shall be entitled to consider only such interests and factors, including its, his or her own, as he, she or it desires, and shall have no duty or obligation to give any consideration to any other interest or factors whatsoever.

(c) No GP Manager, in his or her capacity as a GP Manager, shall have any fiduciary or other duty to the Partnership, any Partner, any other GP Manager or any other Person that is a party to or is otherwise bound by this Agreement, other than, to the extent required by Law, the implied contractual covenant of good faith and fair dealing.

(d) To the maximum extent permitted by applicable Law, no P&D Covered Person shall, in his, her or its capacity as a P&D Covered Person, be liable to the Partnership or to any other Limited Partner for losses sustained or liabilities incurred as a result of any act or omission (in relation to the Partnership, any transaction, any investment or any business decision or action, including for breach of duties including fiduciary duties), including, with respect to the Limited Partners, of any nature described in Section 7.1(c), taken or omitted by such P&D Covered Person, unless there has been a final and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of such act or omission, and taking into account the acknowledgments and agreements set forth in this Agreement, such P&D Covered Person engaged in a bad faith violation of the implied contractual covenant of good faith and fair dealing. Each of the Partnership and the Partners hereby agrees that any claims against, actions, rights to sue, other remedies or other recourse to or against the P&D Covered Persons for or in connection with any such act or omission, are in each case expressly released and waived by the Partnership and each Partner, to the fullest extent permitted by Law, as a condition of, and as part of the consideration for, the execution of this Agreement, the other Transaction Documents and any related agreement, and the incurring by the Partners of the obligations provided in such agreements; *provided, however*, that nothing contained herein shall release a violation of the implied contractual covenant of good faith and fair dealing, to the extent such a duty applies according to applicable Law.

(e) Each P&D Covered Person, shall, in his, her or its capacity as a P&D Covered Person, be indemnified and held harmless by the Partnership (but only to the extent of the Partnership's assets), to the fullest extent permitted under applicable Law, from and against any and all loss, liability and expense (including taxes arising from or relating to any indemnification payment, or advancement of expenses, received pursuant to this Agreement; penalties; judgments; fines; amounts paid or to be paid in settlement;

costs of investigation and preparations; and fees, expenses, and disbursements of attorneys, whether or not the dispute or proceeding involves the General Partner, the Partnership or any GP Manager, Officer or Partner) reasonably incurred or suffered by any such P&D Covered Person in connection with the activities of the Partnership; *provided that* any such P&D Covered Person shall not be so indemnified and held harmless if there has been a final and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of the matter for which such P&D Covered Person is seeking indemnification or seeking to be held harmless hereunder, and taking into account the acknowledgments and agreements set forth in this Agreement, such P&D Covered Person engaged in a bad faith violation of the implied contractual covenant of good faith and fair dealing or a bad faith violation of this Agreement. A P&D Covered Person shall not be denied indemnification in whole or in part under this Section 8.1(e) because such P&D Covered Person had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(f) Each P&D Covered Person, in his, her or its capacity as a P&D Covered Person, may rely, and shall incur no liability in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, paper, document, signature or writing reasonably believed by it to be genuine, and may rely on a certificate signed by an officer, agent or representative of any Person in order to ascertain any fact with respect to such person or within such Person's knowledge, in each case unless there has been a final and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of such reliance, action or inaction, such P&D Covered Person engaged in a bad faith violation of the implied covenant of good faith and fair dealing.

(g) The Partnership and each of the Partners hereby acknowledges that certain of the P&D Covered Persons ("***Institutional Investor Indemnitees***") have certain rights to indemnification, advancement of expenses or insurance provided by the Institutional Investors or certain of their respective Affiliates (collectively, the "***Institutional Investor Indemnitors***"). The Partnership hereby agrees, and the Partners hereby acknowledge, that: (i) to the extent legally permitted and as required by the terms of this Agreement and the Certificate (or by the terms of any other agreement between the Partnership and an Institutional Investor Indemnitee), (A) the Partnership is the indemnitor of first resort (i.e., its obligations to each Institutional Investor Indemnitee are primary and any obligation of the Institutional Investor Indemnitors to advance expenses or to provide indemnification for the same expenses or liabilities incurred by any Institutional Investor Indemnitee are secondary) and (B) the Partnership shall be required to advance the full amount of expenses incurred by an Institutional Investor Indemnitee and shall be liable for the full amount of all expenses, judgments, penalties, fines and amounts paid in settlement, without regard to any rights that an Institutional Investor Indemnitee may have against the Institutional Investor Indemnitors and (ii) the Partnership irrevocably waives, relinquishes and releases the Institutional Investor Indemnitors from any and all claims for contribution, subrogation or any other recovery of any kind in respect of any of the matters described in clause (i) of this sentence for which any Institutional Investor Indemnitee has received indemnification

or advancement from the Partnership. The Partnership further agrees that no advancement or payment by the Institutional Investor Indemnitors on behalf of any Institutional Investor Indemnitee with respect to any claim for which an Institutional Investor Indemnitee has sought indemnification from the Partnership shall affect the foregoing and that the Institutional Investor Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of such Institutional Investor Indemnitee against the Partnership. The Partnership and each Partner agree that the Institutional Investor Indemnitors are express third party beneficiaries of the terms of this Section 8.1(g).

8.2 ***Fiduciary Duties of Officers; Limitation of Officer Liability; Indemnification***.

(a) Each Officer (in such Person's capacity as an Officer) shall have the same fiduciary duties that an officer of the Partnership would have if the Partnership were a corporation organized under the Laws of the State of Delaware, and the Partnership and its Partners shall have the same rights and remedies in respect of such duties as if the Partnership were a corporation organized under the Laws of the State of Delaware and the Partners were its stockholders.

(b) Each Officer Covered Person, in such Person's capacity as an Officer Covered Person, shall be indemnified and held harmless by the Partnership (but only to the extent of the Partnership's assets), as if the Partnership were a corporation organized under the Laws of the State of Delaware and to the fullest extent permitted under Section 145 of the General Corporation Law of the State of Delaware as in effect on the Effective Date (but including any expansion of rights to indemnification thereunder from and after the date of this Agreement), from and against any and all loss, liability and expense (including taxes arising from or relating to any indemnification payment, or advancement of expenses, received pursuant to this Agreement; penalties; judgments; fines; amounts paid or to be paid in settlement; costs of investigation and preparations suffered by any such Officer Covered Person; and fees, expenses, and disbursements of attorneys, whether or not the dispute or proceeding involves the General Partner, the Partnership or any GP Manager, Officer or Partner) incurred or suffered by any such Officer Covered Person in connection with the activities of the Partnership. An Officer Covered Person shall not be denied indemnification in whole or in part under this Section 8.2 because such Officer Covered Person had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(c) Each Officer Covered Person, in such Person's capacity as an Officer Covered Person, may rely, and shall incur no liability in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, paper, document, signature or writing reasonably believed by it to be genuine, and may rely on a certificate signed by an officer, agent or representative of any Person in order to ascertain any fact with respect to such person or within such Person's knowledge, in each case unless there has been a final and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of such reliance, action or inaction, such Officer Covered Person acted in bad faith, engaged in fraud, willful misconduct or, in the case of a criminal matter, acted with knowledge that such Officer Covered Person's conduct was unlawful.

8.3 ***Advancement of Expenses***. Reasonable, documented expenses incurred by a Covered Person for which such Covered Person could reasonably be expected to be entitled to indemnification under this Agreement in defending any civil, criminal, administrative or investigative action, suit or proceeding shall be paid by the Partnership in advance of the final disposition of such action, suit or proceeding; *provided, however*, that any such advance shall only be made if the Covered Person delivers a written affirmation by such Covered Person to the Partnership of its good faith belief that it is entitled to indemnification hereunder and its agreement to repay all amounts so advanced if it shall ultimately be determined that such Covered Person is not entitled to be indemnified hereunder.

8.4 ***Priority of Indemnification***. Notwithstanding anything to the contrary in this Agreement, the General Partner's obligation, if any, to indemnify or advance expenses to any Covered Person under the GP LLC Agreement or otherwise is intended to be secondary to any such obligation of, and shall be reduced by any amount such Covered Person may collect as indemnification or advancement from, the Partnership or any of its Subsidiaries or any insurance policies of the Partnership or any of its Subsidiaries, and the General Partner shall, to the fullest extent permitted by Law, be fully subrogated to all rights of such Covered Persons against the Partnership or its Subsidiaries or insurance policies of the Partnership or its Subsidiaries.

8.5 ***Multiple Rights to Indemnification***. If any Person is both a P&D Covered Person and an Officer Covered Person with respect to any loss, liability or expense (including taxes arising from or relating to any indemnification payment, or advancement of expenses, received pursuant to this Agreement; penalties; judgments; fines; amounts paid or to be paid in settlement; costs of investigation and preparations suffered by any such Person; and fees, expenses, and disbursements of attorneys, whether or not the dispute or proceeding involves the General Partner, the Partnership or any GP Manager, Officer or Partner), such Person shall be entitled to be indemnified for such loss, liability or expense to the greatest extent that either a P&D Covered Person or an Officer Covered Person is entitled to indemnification for such matters under this Agreement. However, for the avoidance of doubt, an Officer who is also a P&D Covered Person as a result of his or her status as a Partner, GP Manager or member of another class of Persons who are P&D Covered Persons, shall not be entitled to be indemnified or released from liability as a P&D Covered Person under Section 8.1 for any action taken or omitted to be taken in such Person's capacity as an Officer or for any other matter relating to such Person's status as an Officer.

8.6 ***Procedure for Indemnification***. Any indemnification or advance of expenses under this Article 8 shall be made only against a written request therefor to the Partnership submitted by or on behalf of the Person seeking indemnification or advance. All expenses (including reasonable attorneys' fees) incurred by such Person in connection with successfully establishing such Person's right to indemnification or advance of expenses under this Article 8, in whole or in part, shall also be indemnified by the Partnership.

8.7 ***Partnership Obligations; Indemnification Rights***.

(a) The obligations of the Partnership to the Covered Persons provided in this Agreement, the Certificate or arising under Law are solely the obligations of the Partnership, and no personal liability whatsoever shall attach to, or be incurred by, any Covered Person for such obligations, to the fullest extent permitted by Law. Where the foregoing provides that no personal liability shall attach to or be incurred by a Covered Person, any claims against or recourse to such Covered Person for or in connection with such liability, whether arising in common law or equity or created by rule of law, statute, constitution, contract or otherwise, are expressly released and waived under this Agreement, to the fullest extent permitted by Law, as a condition of, and as part of the consideration for, the execution of this Agreement and any related agreement, and the incurring by the Partnership of the obligations provided in such agreements.

(b) The rights to indemnification and advancement of expenses provided by this Article 8 shall be deemed to be separate contract rights between the Partnership and each Covered Person who serves in any such capacity at any time while these provisions are in effect, and no repeal or modification of any of these provisions shall adversely affect any right or obligation of such Covered Person existing at the time of such repeal or modification with respect to any state of facts then or previously existing or any proceeding previously or thereafter brought or threatened based in whole or in part upon any such state of facts.

(c) The rights to indemnification and advancement of expenses provided by this Article 8 shall not be deemed exclusive of any other indemnification or advancement of expenses to which a Covered Person seeking indemnification or advancement of expenses may be entitled.

(d) The rights to indemnification and advancement of expenses provided by this Article 8 to any Covered Person shall inure to the benefit of the heirs, executors and administrators of such Covered Person.

(e) Notwithstanding anything in this Agreement to the contrary, nothing in this Article 8 shall limit or waive any claims against, actions, rights to sue, other remedies or other recourse the General Partner, the Partnership, any Partner or any other Person may have against any Partner, GP Manager or Officer for a breach of contract claim relating to any binding agreement.

8.8 ***Insurance***. As determined by the General Partner, to the extent available on commercially reasonable terms, the Partnership will maintain reasonable amounts of directors' and officers' liability insurance from a recognized insurer for all GP Managers and Officers; *provided that* any such insurance shall provide for equal coverage for each GP Manager.

ARTICLE 9
CERTAIN AGREEMENTS OF THE PARTNERSHIP AND PARTNERS

9.1 ***Financial Reports and Access to Information; Fiscal Year End.***

(a) Each Institutional Investor shall receive the following information from the Partnership:

(i) within 60 calendar days after the end of each fiscal quarter, an unaudited consolidated balance sheet of the Partnership and its Subsidiaries as of the end of such quarter and unaudited related consolidated statements of operations and cash flows of the Partnership and its Subsidiaries for such quarter prepared in accordance with GAAP (with the exception of normal year-end adjustments and absence of footnotes), consistently applied (which statements shall set forth the percentage of gross income characterized as "qualifying income" as defined in Section 7704(d) of the Code);

(ii) within 120 calendar days after the end of each fiscal year, an audited consolidated balance sheet of the Partnership and its Subsidiaries as of the end of such fiscal year and the related consolidated statements of operations, partners' equity and cash flows of the Partnership and its Subsidiaries for such fiscal year prepared in accordance with GAAP, consistently applied and a signed audit letter from the Partnership's auditors who shall be an accounting firm approved by the General Partner;

(iii) within 30 calendar days after the provision of any such information, any material information provided by the General Partner to the Partnership's senior lenders or other creditors; and

(iv) such other information as any Institutional Investor may reasonably request.

(b) The Partnership shall permit each Institutional Investor or their respective representatives, at the sole risk of such Persons, to visit and inspect any of the properties of the Partnership and its Subsidiaries, including its books of account and other records (and make copies of and take extracts from such books and records), and to discuss all aspects of its business, affairs, finances and accounts with the General Partner's, the Partnership's and their respective Subsidiaries' officers and independent public accountants, all at such reasonable times during the General Partner's, the Partnership's and such Subsidiaries' usual business hours and as often as any such person may reasonably request, and to consult with and advise management of the General Partner, the Partnership and their respective Subsidiaries, upon reasonable notice at reasonable times from time to time, on all matters relating to the operation of the Partnership and its Subsidiaries. Any information received by a Partner pursuant to this Section 9.1(b) shall be subject to the provisions of Section 9.4.

9.2 ***Maintenance of Books***. The General Partner shall keep or cause to be kept at the Partnership's principal office a copy of the GP LLC Agreement, the Certificate and this Agreement and all amendments thereto and hereto. The General Partner shall cause the Partnership's financial books and records to be maintained using a system of internal controls over financial reporting to provide reasonable assurance regarding the reliability of the preparation of financial statements in

accordance with GAAP, including internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

9.3 ***Accounts***. The General Partner shall establish one or more separate bank and investment accounts and arrangements for the Partnership, which shall be maintained in the Partnership's name with financial institutions and firms that the General Partner may determine. The Partnership may not commingle the Partnership's funds with the funds of any Partner.

9.4 ***Information***.

(a) No Limited Partner shall be entitled to obtain any information relating to the Partnership or the General Partner or their respective Subsidiaries except as expressly provided in this Agreement or to the extent required by Law; and to the extent a Limited Partner is so entitled to such information, such Limited Partner shall be subject to the provisions of Section 9.4(b). Except as expressly provided in this Agreement, no Limited Partner shall be entitled to obtain any information relating to the Partnership or the General Partner or their respective Subsidiaries described in Section 15-403(a) of the Act.

(b) Each Partner agrees that all Confidential Information shall be kept confidential by such Partner and shall not be disclosed by such Partner in any manner whatsoever and shall be used by such Partner solely for purposes related to monitoring and evaluating its investment in the Partnership and, if applicable, the General Partner; *provided, however*, that (i) any of such Confidential Information may be disclosed to such Partner's Affiliates, to Persons who are beneficial owners of Equity Interests in such Partner and to managers, directors, officers, employees and authorized representatives (including attorneys, accountants, consultants, bankers, lenders, prospective lenders and financial advisors) of such Partner and of such Partner's Affiliates (collectively, for purposes of this Section 9.4(b), "***Representatives***") if such Representatives are advised of and agree to be bound by the provisions of this Section 9.4(b) or substantially similar terms, and, *provided that* such Partner shall remain liable for any breach of this Section 9.4(b) by any such Representative; (ii) any disclosure of Confidential Information may be made to the extent the General Partner consents in writing; (iii) any disclosure may be made of the terms of an Institutional Investor's investment in the Partnership pursuant to this Agreement and the performance of that investment (whether in customary information provided to investors in private equity funds or investment funds managed by an Institutional Investor or its Affiliates, in an Institutional Investor's fundraising materials, or otherwise); (iv) Confidential Information may be disclosed by a Partner or Representative to the extent reasonably necessary in connection with such Partner's enforcement of its rights under this Agreement; and (v) Confidential Information may be disclosed by any Partner or Representative to the extent that such Partner or Representative has received written advice from its counsel that it is legally compelled to do so, or that

such disclosure is required by any rule of any stock exchange or securities regulator, *provided that*, prior to making such disclosure, such Partner or Representative, as the case may be, uses reasonable efforts to preserve the confidentiality of the Confidential Information, including consulting, if permitted, with the Partnership regarding such disclosure, and if reasonably requested by the Partnership, assisting the Partnership, at the Partnership's expense, in seeking a protective order to prevent the requested disclosure; *provided, further, that* the Partner or Representative, as the case may be, discloses only that portion of the Confidential Information as is, based on the written advice of its counsel, legally required.

(c) Notwithstanding anything to the contrary in this Agreement, any Institutional Investor and its Permitted Transferees shall have the right to provide Confidential Information to any proposed transferee in connection with any direct or indirect Transfer of such Institutional Investor's Partnership Interests in accordance with Article 6 if: (i) such Institutional Investor provides prior written notice to the Partnership of such Transfer to such proposed transferee (including the identity of such proposed transferee); (ii) such proposed transferee executes a confidentiality agreement in form and substance reasonably satisfactory to the General Partner providing that such proposed transferee shall keep all such Confidential Information confidential, shall not disclose such Confidential Information in any manner whatsoever and shall use such Confidential Information solely for purposes related to evaluating a potential direct or indirect investment in Partnership Interests (and such Institutional Investor hereby agrees to be liable for any breach by such potential transferee of such agreement); and (iii) the General Partner reasonably determines that such proposed transferee is not a Competitor.

(d) The obligations of a Partner pursuant to this Section 9.4 will continue following the time such Person ceases to be a Partner. Each Partner acknowledges that disclosure of Confidential Information in violation of this Section 9.4 may cause irreparable damage to the Partnership, the General Partner and the Partners for which monetary damages are inadequate, difficult to compute, or both. Accordingly, each Partner consents to the issuance of an injunction or the enforcement of other equitable remedies against such Partner without the posting of any bond or other security, to compel specific performance of all of the terms of this Section 9.4.

ARTICLE 10
TAXES

10.1 ***Tax Returns***. The Partnership shall prepare and timely file all U.S. federal, state and local and foreign Tax Returns required to be filed by the Partnership. Unless otherwise agreed by the General Partner, any income Tax Return of the Partnership shall be prepared by an independent public accounting firm of recognized national standing selected by the General Partner. Each Partner shall furnish to the Partnership all pertinent information in its possession relating to the Partnership's operations that is necessary to enable the Partnership's Tax Returns to be timely prepared and filed. The Partnership shall deliver to each Partner within 120 calendar days after the end of the applicable fiscal year a final Schedule K-1 together with such additional information as may be required by the Partners in order to file their individual returns reflecting the Partnership's operations. The Partnership shall bear the costs of the preparation and filing of its Tax Returns.

10.2 ***Tax Partnership***. It is the intention of the Partners that the Partnership be classified as a partnership for U.S. federal income tax purposes. Unless otherwise approved by the General Partner, neither the Partnership nor any Partner shall make an election for the Partnership to be excluded from the application of the provisions of subchapter K of chapter 1 of subtitle A of the Code or any similar provisions of applicable state Law or to be classified as other than a partnership pursuant to Treasury Regulation Section 301.7701-3.

10.3 ***Tax Elections***. The Partnership shall make the following elections on the appropriate forms or Tax Returns:

(a) to adopt the calendar year as the Partnership's fiscal year, if permitted under the Code;

(b) to adopt the accrual method of accounting for U.S. federal income tax purposes;

(c) to elect to amortize the organizational expenses of the Partnership as permitted by Code Section 709(b);

(d) upon request of any Institutional Investor in connection with a Transfer by such Institutional Investor of Partnership Interests, to make an election under Code Section 754; and

(e) any other election the General Partner may deem appropriate and in the best interests of the Partners.

10.4 ***Tax Matters Partner***.

(a) The tax matters partner of the Partnership pursuant to Code Section 6231(a)(7) shall be the General Partner or such other eligible Partner designated from time to time by the General Partner subject to replacement by the General Partner (any Partner who is designated as the tax matters partner is referred to herein as the "***Tax Matters Partner***"). The Tax Matters Partner shall inform each other Partner of all significant matters that may come to its attention in its capacity as Tax Matters Partner and shall forward to each other Partner copies of all significant written communications it may receive in that capacity within five Business Days of receiving the same. The Tax Matters Partner shall take such commercially reasonable steps as necessary to ensure that each Partner qualifying as a "notice partner" within the meaning of Code Section 6231(a)(8) is treated as such.

(b) The Tax Matters Partner shall take no action without the authorization of the General Partner, other than such action as may be required by Law. Any cost or expense incurred by the Tax Matters Partner in connection with its duties, including the preparation for or pursuance of administrative or judicial proceedings, shall be paid by the Partnership.

(c) The Tax Matters Partner shall not enter into any extension of the period of limitations for making assessments on behalf of the Partners without first obtaining the consent of the General Partner. The Tax Matters Partner shall not bind any Partner to a settlement agreement without obtaining the consent of such Partner. Any Partner that enters into a settlement agreement with respect to any Partnership item (within the meaning of Code Section 6231(a)(3)) shall promptly notify the other Partners of such settlement agreement and its terms.

(d) No Partner shall file a request pursuant to Code Section 6227 for an administrative adjustment of Partnership items for any taxable year without first notifying the other Partners and obtaining the consent of the General Partner. If the General Partner consents to the requested adjustment, the Tax Matters Partner shall file the request for the administrative adjustment on behalf of the Partners. If such consent is not obtained within 30 days from such notice, or within the period required to timely file the request for administrative adjustment, if shorter, any Partner, including the Tax Matters Partner, may file a request for administrative adjustment on its own behalf. Any Partner intending to file a petition under Code Sections 6226 or 6228 (or another Code Section) with respect to any item involving the Partnership shall notify the other Partners of such intention and the nature of the contemplated proceeding. In the case where the Tax Matters Partner is the Partner intending to file such petition on behalf of the Partnership, such notice shall be given within a reasonable period of time to allow the other Partners to participate in selecting the forum in which such petition will be filed.

(e) No Partner shall file a notice of inconsistent treatment under Code Section 6222(b) with respect to any Partnership items for any taxable year without first obtaining the consent of the General Partner.

(f) The provisions of this Section 10.4 shall survive the termination of any Partner's interest in the Partnership and shall remain binding on the Partnership and the Partners for so long as necessary to resolve with the IRS any and all matters regarding the U.S. federal income taxation of the Partners with respect to Partnership items (within the meaning of Code Section 6231(a)(3)).

(g) The General Partner may appoint and replace a Partnership Representative and authorize the Partnership Representative to take any and all actions determined by the General Partner and permissible under Code Section 6223 and Treasury Regulations thereunder; provided, that (i) the Partnership Representative shall provide each Partner with notice of the commencement of an audit or other tax proceeding that could adversely affect the Partner; (ii) each Partner shall be entitled to participate in (but not control) any examination or tax proceeding involving the Partnership (and attend, through its representative, any related hearings or conferences) that could adversely affect the Partner at the Partner's own expense; and (iii) the Partnership Representative shall not file an administrative adjustment request or enter into a settlement agreement with a taxing authority that adversely affects a Partner without that Partner's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed.

(i) The General Partner hereby appoints itself as the Partnership Representative.

(ii) Furthermore, the General Partner, in its capacity as Partnership Representative, hereby appoints Donald Polk Bassell, the CFO of the Partnership, as the "designated individual" through whom Partnership Representative shall act pursuant to Treasury Regulations Section 301.6223-1(b)(3). Such appointment shall apply for the tax year of the Company ending on December 31, 2019, and for all subsequent tax years, unless revoked as provided herein. The Partnership and the designated individual shall take such actions as may be necessary to give effect to the designated individual's appointment hereunder. In the designated individual's capacity as designated individual hereunder, the designated individual shall: (i) act at the direction of the Partnership Representative; (ii) inform the Partnership Representative of all communications received from the IRS; and (iii) not take any action, fail to take any action or communicate with the IRS, other than routine communications, without first obtaining the written approval of the Partnership Representative.

(iii) The Partnership Representative may revoke the appointment in Section 10.4(g)(ii) by providing a written notice of such revocation to the Partnership, with a copy to designated individual. Failure to provide a copy of such notice to the designated individual shall not affect the effectiveness of the revocation. The Partnership and the designated individual shall take such actions as may be requested by Partnership Representative to notify the IRS of and give effect to any such revocation.

ARTICLE 11
DISSOLUTION; WINDING-UP AND TERMINATION; LIQUIDITY RIGHTS

11.1 ***Dissolution***.

(a) Subject to Section 11.1(b), the Partnership shall be liquidated and its affairs shall be wound up on the first to occur of the following events (each a "***Liquidation Event***") and no other event shall cause the Partnership's dissolution:

(i) the approval of the General Partner is obtained to wind up the Partnership and liquidate its assets;

(ii) at any time when there is no General Partner;*provided*, *however*, that the lack of a General Partner shall not cause a dissolution of the Partnership if the business of the Partnership is continued and the appointment of a replacement general partner (effective as of the date of the event that caused the General Partner to cease to be a general partner of the Partnership) is approved by Special Partner Approval within 180 days of the date that notice of the event that caused the General Partner to cease to be a general partner of the Partnership is given to the Limited Partners; and

(iii) entry of a decree of judicial dissolution of the Partnership under the Act.

(b) If the Liquidation Event described in Section 11.1(a)(ii) shall occur, the Partnership shall not be dissolved, and the business of the Partnership shall be continued, if the requirements of the proviso to Section 11.1(a)(ii) are satisfied (a "***Continuation Election***").

(c) Except as otherwise provided in this Section 11.1, to the maximum extent permitted by the Act, the death, retirement, Resignation, expulsion, Bankruptcy or dissolution of a Partner or the commencement or consummation of separation proceedings shall not constitute a Liquidation Event and, notwithstanding the occurrence of any such event or circumstance, the business of the Partnership shall be continued without dissolution.

11.2 ***Winding-Up and Termination***. On the occurrence of a Liquidation Event, unless a Continuation Election is made, the General Partner may select one or more Persons to act as liquidator or may itself act as liquidator. The liquidator shall proceed diligently to wind up the affairs of the Partnership and make final distributions as provided herein and in the Act. The costs of winding up shall be borne as a Partnership expense, including reasonable compensation to the liquidator if approved by the General Partner. Until final distribution, the liquidator shall continue to operate the Partnership properties with all of the power and authority of the General Partner. The steps to be accomplished by the liquidator are as follows:

(a) as promptly as possible after dissolution and again after final winding up, the liquidator shall cause a proper accounting to be made by a recognized firm of certified public accountants of the Partnership's assets, liabilities and operations;

(b) the liquidator shall pay, satisfy or discharge from Partnership funds all of the debts, liabilities and obligations of the Partnership (including all expenses incurred in winding up) or otherwise make adequate provision for payment and discharge thereof (including the establishment of a cash escrow fund for contingent liabilities in such amount and for such term as the liquidator may reasonably determine);

(c) the assets may be disposed of by public or private sale or by distribution in kind to one or more Partners on such terms as the Liquidator and such Partner or Partners may agree. If any property is distributed in kind, the Partner receiving the property shall be deemed for purposes of Section 11.4(d) to have received cash equal to its Fair Market Value; and contemporaneously therewith, appropriate cash distributions must be made to the other Partners;

(d) all remaining assets of the Partnership shall be distributed to the Partners as follows:

(i) First, to the holders of Class A Preferred Units in accordance with their respective Class A Percentage Interests until there has been distributed in respect of each Class A Preferred Unit then outstanding an amount equal to the sum of (x) the Class A Preferred Unit Purchase Price *plus* (y) the Cumulative Class A Preferred Unit Arrearage, if any, with respect to such Class A Preferred Unit as of the date of distribution;

(ii) Second, to the holders of Class AQ Units, Class X Units and Class B Preferred Units in accordance with their respective Second Tier Termination Percentage Interests until there has been distributed (A) in respect of each Class AQ Unit then outstanding an amount equal to the sum of (x) the Class AQ Unit Purchase Price *plus* (y) the Cumulative Class AQ Unit Arrearage, if any, with respect to such Class AQ Unit as of the date of distribution *plus* (z) the Cumulative Second Tier Arrearage, if any, with respect to such Class AQ Unit as of the date of distribution, (B) in respect of each Class X Unit then outstanding an amount equal to the sum of (x) the Class X Unit Purchase Price *plus* (y) the Cumulative Class X Unit Arrearage, if any, with respect to such Class X Unit as of the date of distribution, and (C) in respect of each Class B Preferred Unit then outstanding an amount equal to the sum of (x) the Class B Preferred Unit Purchase Price *plus* (y) the Cumulative Class B Preferred Unit Arrearage, if any, with respect to such Class B Preferred Unit as of the date of distribution *plus* (z) the Cumulative Second Tier Arrearage, if any, with respect to such Class B Preferred Unit as of the date of distribution; *provided, however*, that no distribution shall be made in respect of a Class AQ Unit or Class X Unit or Class B Preferred Unit, as applicable, pursuant to this Section 11.2(d)(ii) in excess of the sum of (A) the Class AQ Unit Purchase Price, Class X Purchase Price or Class B Preferred Unit Purchase Price, as applicable, *plus* (B) the Cumulative Class AQ Unit Arrearage, Cumulative Class X Unit Arrearage or Cumulative Class B Preferred Unit Arrearage, as applicable, with respect to such Unit *plus* (C) with respect to a Class AQ Unit and Class B Preferred Unit, the Cumulative Second Tier Arrearage with respect to such Unit;

(iii) Third, to the General Partner until there has been distributed an amount equal to the Cumulative General Partner Distribution Arrearage, if any, as of the date of distribution; and

(iv) Thereafter, to the Limited Partners in accordance with their respective Percentage Interests.

All distributions in kind to the Partners shall be made subject to the liability of each distributee for costs, expenses and liabilities theretofore incurred or for which the Partnership has committed prior to the date of termination and those costs, expenses and liabilities shall be allocated to the distributee in accordance with this Section 11.2. The distribution of cash or property to the Partners in accordance with the provisions of thisSection 11.2 constitutes a complete return to such Partner

of its Capital Contributions and a complete distribution to the Partners of its Partnership Interests and all the Partnership's property and constitutes a compromise to which all Partners have consented. To the extent that a Partner returns funds to the Partnership, it has no claim against any other Partner for those funds.

11.3 ***Deficit Capital Accounts***. No Partner shall be required to pay to the Partnership, to any other Partner or to any third party any deficit balance which may exist from time to time in the Partner's Capital Account.

11.4 ***Certificate of Cancellation***. On completion of the distribution of Partnership assets as provided herein, the General Partner (or such other Person or Persons as the Act may require or permit) shall file a certificate of cancellation or other applicable instrument in relation to the Partnership with the Secretary of State of the State of Delaware in accordance with the Act, cancel any other filings made pursuant to Section 2.5, and take such other actions as may be necessary to terminate the existence of the Partnership. Upon the filing of the certificate of cancellation or other applicable instrument in relation to the Partnership, the existence of the Partnership shall cease, except as may be otherwise provided by the Act or other applicable Law.

ARTICLE 12
GENERAL PROVISIONS

12.1 ***Offset***. Whenever the Partnership is to pay or distribute any sum to any Partner, any amounts that such Partner, in its capacity as a Partner, owes the Partnership, whether pursuant to this Agreement or another Transaction Document, may be deducted from that sum before payment or distribution.

12.2 ***Notices***.

(a) Except as expressly set forth to the contrary in this Agreement, all notices, requests or consents provided for or required to be given hereunder shall be in writing and shall be deemed to be duly given if personally delivered, or mailed by certified mail, return receipt requested, or nationally recognized overnight delivery service with proof of receipt maintained, at the following addresses (or any other address that any such party may designate by written notice to the other parties):

(i) if to the Partnership, at the address of its principal executive office; and

(ii) if to a current Partner, at the address given for the Partner on Schedule I hereto.

Any such notice shall, if delivered personally, be deemed received upon delivery; shall, if delivered by certified mail, be deemed received upon the earlier of actual receipt thereof or five Business Days after the date of deposit in the United States mail, as the case may be; and shall, if delivered by nationally recognized overnight delivery service, be deemed received the second Business Day after the date of deposit with the delivery service.

(b) Whenever any notice is required to be given by Law, the Certificate or this Agreement, a written waiver thereof, signed by the Person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

12.3 ***Entire Agreement; Supersedure***. This Agreement (including the Exhibits and Schedules) constitutes the entire agreement of the Partners relating to the subject matter herein and supersedes all prior contracts or agreements with respect to such subject matter, whether oral or written.

12.4 ***Effect of Waiver or Consent***. A waiver or consent, express or implied, to or of any breach or default by any Person in the performance by that Person of its obligations with respect to the Partnership is not a consent or waiver to or of any other breach or default in the performance by that Person of the same or any other obligations of that Person with respect to the Partnership. Failure on the part of a Person to complain of any act of any Person or to declare any Person in default with respect to the Partnership, irrespective of how long that failure continues, does not constitute a waiver by that Person of its rights with respect to that default until the applicable statute-of-limitations period has run.

12.5 ***Amendment or Restatement; Power of Attorney***.

(a) Subject to Section 12.5(b), this Agreement (including any Exhibit or Schedule hereto) may only be amended, modified, supplemented or restated, and any provisions of this Agreement may only be waived, with the approval of the General Partner (and without the approval of any other Person); *provided, however*, that:

(i) any amendment, modification, supplement, restatement or waiver that would alter or change the rights, obligations, powers or preferences of one or more Limited Partners in their capacity as a holder of a specific series of Partnership Interests in a disproportionate and adverse manner, other than in a *de minimis* respect, compared to other Limited Partners in their capacities as holders of the same series of Partnership Interests shall also require the prior written consent of Limited Partners holding a majority of the Partnership Interests so disproportionately and adversely affected;

(ii) any amendment, modification, supplement, restatement or waiver (other than in connection with the Initial Public Offering or a Drag-Along Transaction properly initiated and consummated in accordance with this Agreement) that would (A) alter or change the rights, preferences or privileges of the Class A Preferred Units or (B) result in the issuance of additional Class A Preferred Units, Senior Securities or Parity Securities (other than, in the case of each of clause (A) and (B) of this Section 12.5(a)(ii), in connection with an issuance of Partnership Interests that is permitted by Section 7.3 to be approved solely by the General Partner, in which case such amendment, modification, supplement, restatement or waiver shall only require the approval of the General Partner) shall also require the prior written consent of Limited Partners holding a majority of the Class A Preferred Units;

(iii) any amendment, modification, supplement, restatement or waiver (other than in connection with the Initial Public Offering or a Drag-Along Transaction properly initiated and consummated in accordance with this Agreement) that would alter or change the rights, preferences or privileges of the Class AQ Units (other than in connection with an issuance of Partnership Interests that is permitted by Section 7.3 to be approved solely by the General Partner, in which case such amendment, modification, supplement, restatement or waiver shall only require the approval of the General Partner) shall also require the prior written consent of Limited Partners holding a majority of the Class AQ Units; and

(iv) any amendment, modification, supplement, restatement or waiver (other than in connection with the Initial Public Offering or a Drag-Along Transaction properly initiated and consummated in accordance with this Agreement) that would alter or change the rights, preferences or privileges of the Class X Units (other than in connection with an issuance of Partnership Interests that is permitted by Section 7.3 to be approved solely by the General Partner, in which case such amendment, modification, supplement, restatement or waiver shall only require the approval of the General Partner) shall also require the prior written consent of Limited Partners holding a majority of the Class X Units.

(b) Notwithstanding anything to the contrary in this Section 12.5:

(i) this Agreement shall be deemed to be automatically amended from time to time to reflect issuances and Transfers of Partnership Interests made in compliance with this Agreement without requiring the further consent of any party to this Agreement; and

(ii) the Partners' Schedules may be amended from time to time by the General Partner in accordance with Section 3.7(d) without requiring the consent of any other Person.

(c) Each Partner agrees to be bound by each and every amendment, modification, supplement, restatement or waiver of this Agreement approved and adopted in accordance with this Section 12.5 even if such Partner did not execute or consent to such amendment, modification, supplement, restatement or waiver; *provided that* the foregoing is not an agreement to or waiver of any Partner's right to dispute that such amendment, modification, supplement, restatement or waiver was approved and adopted in accordance with this Section 12.5; and *provided further*, that each Partner shall be provided with a copy of each and every such amendment, modification, supplement, restatement or waiver of this Agreement upon the approval or adoption of such amendment, modification, supplement, restatement or waiver (*provided that* a Partner shall not be entitled to receive a copy of any such waiver that does not adversely affects the rights, obligations, powers or preferences of such Partner, other than in a *de minimis* respect).

(d) Each Limited Partner hereby irrevocably makes, constitutes and appoints the General Partner as its true and lawful agent and attorney-in-fact, with full power of substitution to its Affiliates and full power and authority in its name, place and stead, to make, execute, sign, acknowledge, swear to, record and file: (i) any amendment, modification, supplement, restatement or waiver of any provision of this Agreement that has been approved or made as herein provided but only insofar as it has been made or approved as herein provided; (ii) all instruments required or necessary to comply with the provisions of this Agreement and applicable Law or to permit the Partnership to become or to continue as a limited partnership or other entity wherein the Limited Partners have limited liability in each jurisdiction where the Partnership may be doing business; (iii) all instruments required or necessary to reflect a change or modification of this Agreement in accordance with this Agreement (including changes to the Partners Schedules); (iv) all instruments required or necessary to admit Additional Limited Partners and Substituted Limited Partners to the Partnership and to issue additional Units or other Partnership Interests (or securities convertible into or exercisable or exchangeable for Partnership Interests) in accordance with this Agreement; (v) all instruments required or necessary to facilitate the Initial Public Offering in accordance with this Agreement; (vi) all instruments required or necessary, to effect the dissolution and termination of the Partnership pursuant to the provisions of this Agreement; and (vii) all other instruments not inconsistent with the terms of this Agreement which may be required to give effect to the provisions of this Agreement on behalf of the Partnership or which may be required by law to be filed on behalf of the Partnership.

(e) With respect to each Limited Partner and each Additional Limited Partner or Substituted Limited Partner, the foregoing power of attorney: (i) is coupled with an interest and given to secure a proprietary interest, shall be irrevocable and shall survive the incapacity or Bankruptcy of such Limited Partner; (ii) may be exercised by the General Partner either by signing separately as attorney-in-fact for such Limited Partner or, after listing all of the Limited Partners executing an instrument, by a single signature of the General Partner acting as attorney-in-fact for all of them; and (iii) shall survive the Transfer by such Limited Partner of all or any portion of the Partnership Interests held by such Limited Partner; except that, where the assignee of the whole of such Limited Partner's interest has been approved by the General Partner for admission to the Partnership as an Additional Limited Partner or Substituted Limited Partner, the power of attorney of the assignor shall survive such Transfer for the sole purpose of enabling the General Partner to execute, swear to, acknowledge and file any instrument necessary or appropriate to effect such substitution.

(f) If Treasury Regulations or other administrative announcements promulgated under the provisions of the Bipartisan Budget Act of 2015 are adopted as final (or temporary) rules (the "***New Rules***"), the General Partner is authorized to make such amendments to this Agreement (including provisions for any safe harbor election authorized by the New Rules) as the General Partner determines to be necessary or advisable to comply with, administer or reflect the New Rules and to administer the effects of such provisions in an equitable manner.

12.6 ***Binding Effect; No Third Party Beneficiaries***. Subject to the restrictions on Transfers set forth in this Agreement, this Agreement shall be binding upon and shall inure to the benefit of the Partnership and each Partner and their respective heirs, permitted successors, permitted assigns, permitted distributees and legal representatives; and by their signatures hereto, the Partnership and each Partner intends to and does hereby become bound. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any Person other than the parties hereto and their respective permitted successors and permitted assigns any legal or equitable right, remedy or claim under, in or in respect of this Agreement or any provision herein contained; *provided that* the Covered Persons shall be third party beneficiaries of Article 8. The rights under this Agreement may be assigned by a Partner to a transferee of all or a portion of such Partner's Partnership Interests transferred in accordance with this Agreement (and shall be assigned to the extent this Agreement requires such assignment), but only to the extent of such Partnership Interests so transferred; it being understood that the assignment of any rights under this Agreement shall not constitute admission to the Partnership as a Partner unless and until such transferee is duly admitted as a Partner in accordance with this Agreement.

12.7 ***Governing Law; Severability; Limitation of Liability***.

(a) THIS AGREEMENT IS GOVERNED BY AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES OF SUCH STATE.

(b) The parties hereto hereby irrevocably submit to the exclusive jurisdiction of the Delaware Chancery Courts located in Wilmington, Delaware, or, if such court shall not have jurisdiction, any federal court of the United States of or other Delaware state court located in Wilmington, Delaware, and appropriate appellate courts therefrom, over any claims, suits, actions, proceedings or other disputes: (i) arising out of, resulting from or relating in any way to this Agreement or any of the transactions contemplated hereby (including any claims suits, actions, proceedings or other disputes to interpret, apply or enforce the provisions of this Agreement or the duties, obligations or liabilities among the Partners or of the Partners to the Partnership, or the rights or powers of, or restrictions on, the Partnership or the Partners); (ii) involving any claims, suits, actions, proceedings or other disputes brought in a derivative manner on behalf of the Partnership; (iii) asserting any claim of any breach of any duty owed by any P&D Covered Person to the Partnership or the Partners; (iv) asserting any claim arising pursuant to any provision of the Act; or (v) asserting any claim governed by the internal affairs doctrine, and each party irrevocably agrees that all claims in respect of such dispute may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable Law, any objection which they may now or hereafter have to the laying of venue of any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby brought in such courts or any defense of inconvenient forum for the maintenance of such dispute, in each case regardless of whether such claims, suits, actions, proceedings or other disputes sound in contract, tort, fraud or otherwise, are based on common law, statutory, equitable, legal or other grounds, or are derivative or direct. Each of the parties hereto

agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. This consent to jurisdiction is being given solely for purposes of this Agreement and is not intended to, and shall not, confer consent to jurisdiction with respect to any other dispute in which a party to this Agreement may become involved. Each of the parties hereto hereby consents to process being served by any party to this Agreement in any suit, action, proceeding or counterclaim of the nature specified in this subsection (b) by the mailing of a copy thereof in the manner specified by the provisions of Section 12.2. EACH OF THE PARTIES HERETO HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

(c) Each party hereto agrees not to, and waives any right to, assert in any such claim, suit, action, proceeding or other dispute that: (i) such party is not personally subject to the jurisdiction (A) of the Court of Chancery of the State of Delaware or of any other court to which proceedings in the Court of Chancery of the State of Delaware may be appealed or, (B) if the Court of Chancery of the State of Delaware does not have subject matter jurisdiction thereof, of any other court located in the State of Delaware with subject matter jurisdiction or of any other court to which proceedings in such lower court may be appealed; (ii) such claim, suit, action, proceeding or other dispute is brought in an inconvenient forum; or (iii) the venue of such claim, suit, action, proceeding or other dispute is improper.

(d) In the event of a direct conflict between the provisions of this Agreement and (i) any provision of the Certificate or (ii) any mandatory, non-waivable provision of the Act, such provision of the Certificate or the Act shall control. If any provision of the Act provides that it may be varied or superseded in the agreement of a limited partnership (or otherwise by agreement of the partners of a limited partnership), such provision shall be deemed superseded and waived in its entirety if this Agreement contains a provision addressing the same issue or subject matter.

(e) If any provision of this Agreement is held to be illegal, invalid or unenforceable under present or future Laws effective during the term of this Agreement, such provision shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Agreement. Furthermore, in lieu of each such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

12.8 ***Further Assurances***. In connection with this Agreement and the transactions contemplated hereby, the Partnership and each Partner shall execute and deliver all such future instruments and take such other and further action as may be reasonably necessary or appropriate to carry out the provisions of this Agreement and the intention of the parties as expressed herein.

12.9 ***Counterparts***. This Agreement may be executed in any number of counterparts (including facsimile or portable document format (PDF) counterparts), each of which, when so executed and delivered, shall be deemed an original, and all of which together shall constitute a single instrument. Delivery of a copy of this Agreement bearing an original signature by facsimile transmission or by electronic mail shall have the same effect as physical delivery of the paper document bearing the original signature.

12.10 ***Outside Counsel***. Each signatory to this Agreement acknowledges and agrees that such signatory has been represented by separate outside counsel in connection with the transactions contemplated hereby and further acknowledges and agrees that Vinson & Elkins L.L.P. has acted as counsel solely to GPM and not to the Partnership, the General Partner or any of the other Limited Partners other than GPM in connection with the transactions contemplated hereby. Each signatory to this Agreement acknowledges and agrees that the interests of the Limited Partners (as a group) have not been represented by outside counsel in connection with the formation of the Partnership or the negotiation and execution of this Agreement and the other Transaction Documents.

12.11 ***No Presumption***. Each party to this Agreement acknowledges that, in the event any ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties to this Agreement, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.
